

**City College Title IX  
Intercollegiate Sports Survey  
*Fall 2021***

*Prepared by:*  
Office of Institutional Effectiveness and Research  
December 2021

## Background

The data in this report was collected by the San Diego Community College District (SDCCD) in accordance with the Title IX Equal Opportunity in Education Act to determine applicants' level of interest in intercollegiate athletics and whether the colleges are fulfilling the expressed demand of their applicants for opportunities to participate in sports. Data was collected from applicants who completed CCCApply in February through November of 2021 in an optional survey included in the application.

**Table 1. Athletic Programs by Gender**

<u><i>Female Sports</i></u>		<u><i>Male Sports</i></u>	
Badminton	Soccer	Baseball	Soccer
Basketball	Softball	Basketball	Tennis
Beach Volleyball	Tennis	Cross Country	
Cross Country	Volleyball

## Respondents' Interest in Intercollegiate Athletics

Of the 816 respondents to the survey in CCCApply, 493 indicated they were interested in competing in intercollegiate sports (60%). 245 of these were female (50% of those interested in competing) and 248 of these were male.

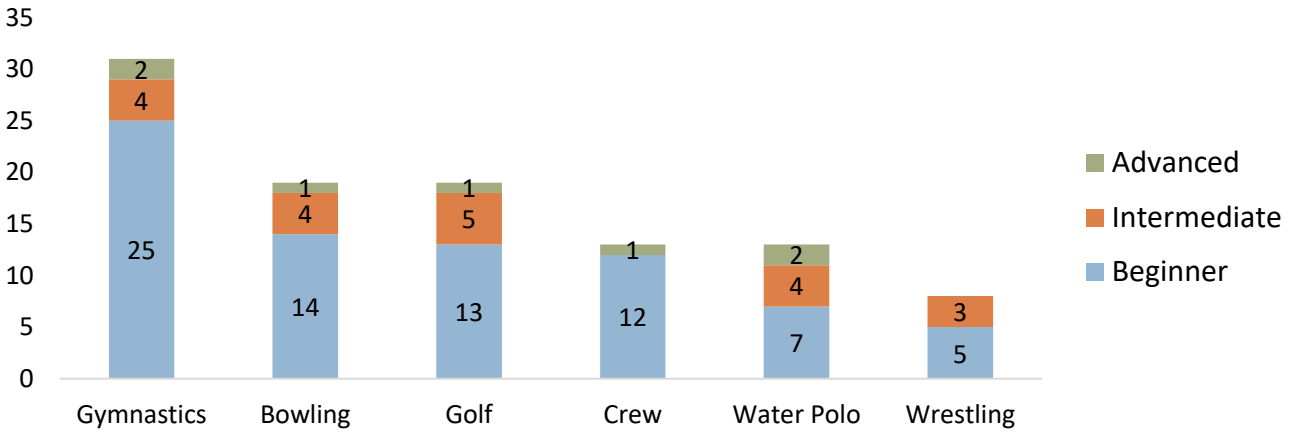

### Female Applicants' Responses

When female applicants indicated that they would be interested in competing in a sport, they most commonly expressed interest in volleyball (n=86) and soccer (n=74), which are both offered at City College. The sport not currently offered at City College for which the largest number of respondents expressed interest was gymnastics (n=31), with 25 respondents indicating they were beginners.

**Female Respondents' Expressed Interest in Intercollegiate Sports Offered at City College**

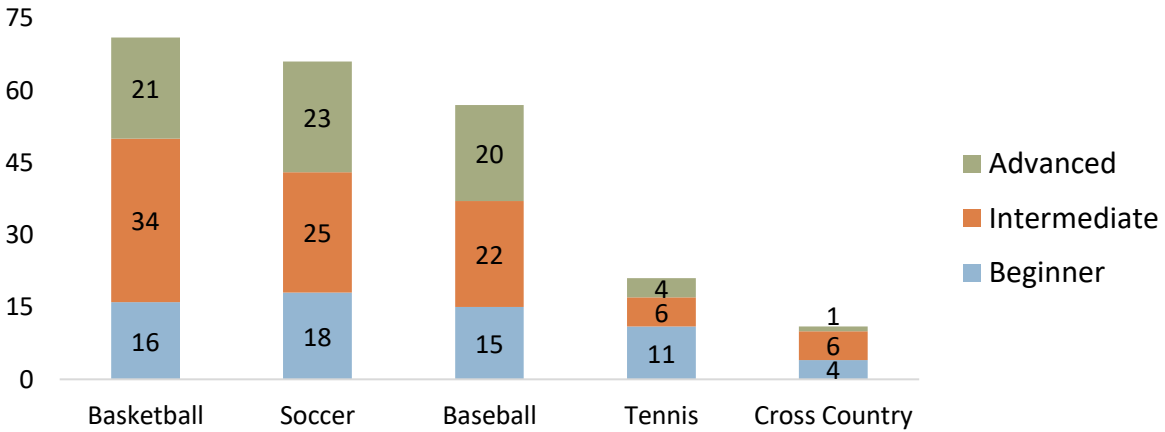

**Female Respondents' Expressed Interest in Intercollegiate Sports Not Offered at City College**

**Male Applicants' Responses**

When male applicants indicated that they would be interested in competing in a sport, they most commonly expressed interest in basketball (n=71) and soccer (n=66). The sport not currently offered at City College for which the most respondents expressed interest was football, with the 56 respondents evenly divided between beginner (20), intermediate (19), and advanced (17).

**Male Respondents' Expressed Interest in Intercollegiate Sports Offered at City College**
