

# Title IX Intercollegiate Sports Interest Survey

## City College, Fall 2022

October 7, 2022

### Background

The data in this report was collected by the San Diego Community College District (SDCCD) in accordance with the Title IX Equal Opportunity in Education Act to determine applicants' level of interest in intercollegiate athletics and whether the colleges are fulfilling the expressed demand of their applicants for opportunities to participate in sports. Data was collected from applicants who completed CCCApply in January through September of 2022 in an optional survey included in the application.

The sports listed in Table 1 are offered to student athletes at City College.

**Table 1. Athletic Programs by Gender**

<u><i>Female Sports</i></u>		<u><i>Male Sports</i></u>	
Badminton	Soccer	Baseball	Soccer
Basketball	Softball	Basketball	Tennis
Beach Volleyball	Tennis	Cross Country	
Cross Country	Volleyball		

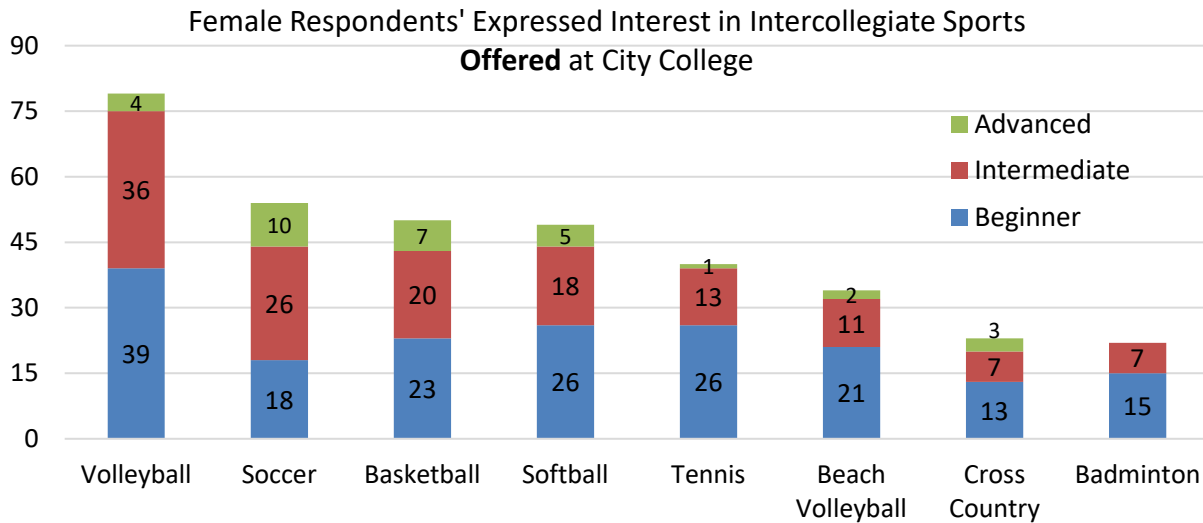

### Respondents' Interest in Intercollegiate Athletics

Of the 763 respondents to the survey in CCCApply, two-thirds (66%) indicated they were interested in competing in intercollegiate sports (n=503). 259 of these were **female (51%** of those interested in competing) and 244 of these were **male (49%)**. Of those who indicated they were interested, 440 students provided email addresses to be contacted about intercollegiate sports at City College (female: 231, male: 209).

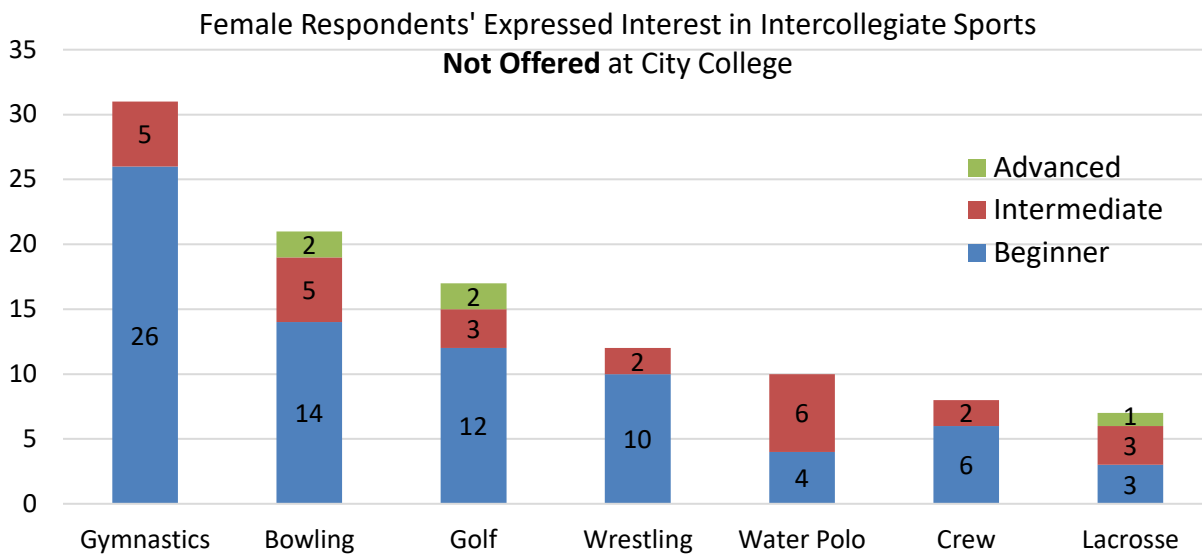

## Intercollege Sports Interest Survey, City College

### Female Applicants' Responses

When female applicants indicated that they would be interested in competing in a sport, they most commonly expressed interest in volleyball (n=79) and soccer (n=54), which are both offered at City College.

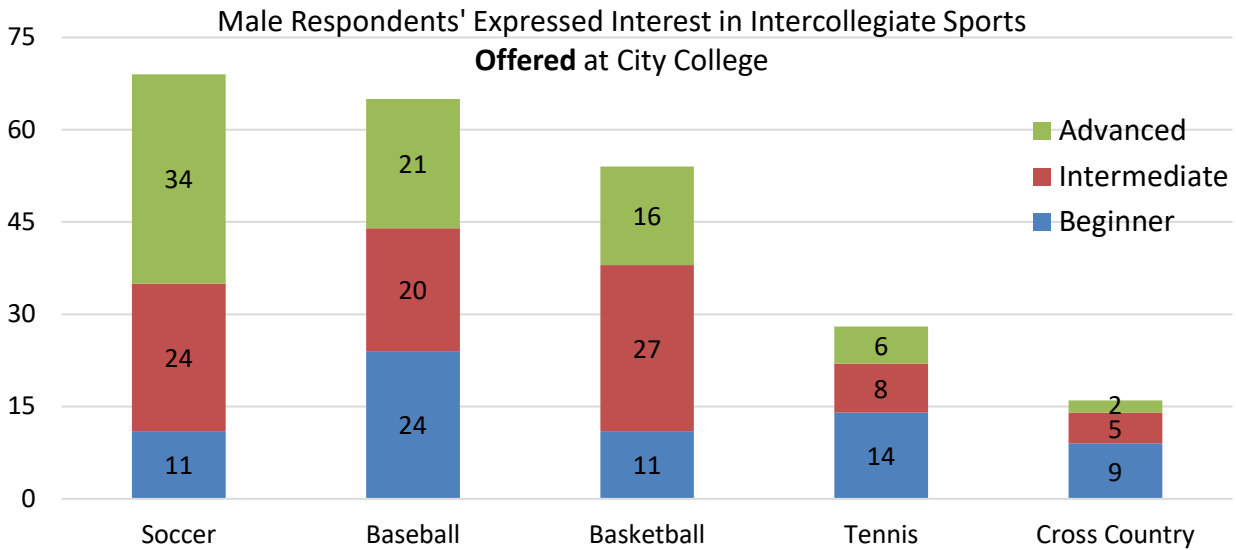

The sport not currently offered at City College for which the largest number of respondents expressed interest was gymnastics (n=31), with 26 respondents indicating they were beginners.

**Male Applicants' Responses**

When male applicants indicated that they would be interested in competing in a sport, they most commonly expressed interest in soccer (n=69) and baseball (n=65), both of which are offered at City College.

The sport not currently offered at City College for which the most respondents expressed interest was football (n=52), with 40 of respondents indicating they were intermediate or advanced.
