CURRICULUM and INSTRUCTIONAL SERVICES
DISTRICT ARTICULATION COUNCIL
08-20-13
DAC Minutes and Action Items

Old Business

1. None

New Business

2. ERP Project: Shelly Hess
Shelly explained the District Office is looking to possibly replace ISIS and Datatel and part of the ERP project is to identify the functions we have with the current student system and the ones we would like to have. Articulation Officers went over the items related to articulation.

3. C-ID submission and approval/DAC: Duane Short
C-ID will be added as a standing item to the District Articulation Council meeting agenda; Articulation Officers will go over new TMC degrees and the courses included in those degrees, C-ID conditionally approved courses and C-ID disapproved courses and will coordinate with faculty accordingly.

Duane explained for C-ID purposes "conditionally approved" means the course has been disapproved with the option to revise those elements C-ID has identified as not aligned with the C-ID descriptor; the time frame to revise the outline is one year from the date the course was given the "conditionally approved" status.

4. C-ID and course outline: Shelly Hess
The C-ID descriptor will be included in the course outline for those courses approved for C-ID.

5. C-ID approval list/catalog: Shelly Hess
Instructional Services will add a list of C-ID approved courses to the transfer section of each catalog as well as adding the C-ID descriptor to the course outline.

Standing Items:
   a) Catalog Updates
   b) C-ID:
      - New TMC degrees
      - C-ID conditionally approved courses
      - C-ID disapproved courses
   c) Inter-institutional agreements
   d) Tech Prep
   e) SB 1440
