Facilities Management

The San Diego Community College District serves an estimated 50,000 students at three colleges in San Diego: City College, Mesa College and Miramar College. The colleges offer associate degrees in arts and sciences that transfer to four-year institutions, as well as certificates in professional occupational programs. A number of programs are unique to the San Diego region, including the Center for Competitive and Applied Technologies, the Southern California Biotechnology Center, the San Diego Regional Public Safety Training Institute, the Workplace Learning Resource Center, KSDS-FM all-jazz radio station, and the Accelerated College Program (taught at area high schools).

An additional 50,000 students enroll in non-credit classes at six San Diego Continuing Education (CE) campuses and approximately 200 community facilities throughout the city. Local residents enroll in more than 15,000 classes offered including classes for the G.E.D. program, English as a Second Language, and career/job training programs. Continuing Education also offers adults the opportunity to renew their learning experiences through noncredit vocational, basic skills, life skills and enrichment classes.

The District also provides education and training to over 50,000 members of the U.S. military stationed at some 30 military installations throughout the nation.

SDCCD is governed by its five-member, locally elected Board of Trustees and three student members serving on a rotating basis. Shared governance activities involve faculty, students, and staff in the development of solutions to key policy and budget issues. The trustees are elected in even-numbered years to four-year terms by the voters of San Diego. The Chancellor, the District's chief executive officer, is responsible for carrying out the policies approved by the Board of Trustees.

Major Construction Projects/Improvements Underway or Planned for the Year

- 1) Received LEED certification for all projects districtwide based on District Policy.
- 2) Seismic upgrade and remodel of the District Office was completed.
- 3) Mesquita and Associates were hired to design the remodel of the recently acquired property to house maintenance facility operations.
- 4) Computer hardware and software upgrades across the district were implemented.

Overview
*Academic Year 2008-2009***

College President Terrence J. Burgess, Ph. D.

College Terms	
Fall	August 25, 2008- December 13, 2008
Interession	January 5, 2009- January 31, 2009
Spring	January 26, 2009- May 23, 2009
Summer	June 1, 2009- August 15, 2009

As the educational cornerstone of downtown San Diego, the 60-acre City College campus is a short walk from the bustling Gaslamp Quarter, Balboa Park, PETCO Park, San Diego Bay, and the City College Trolley Station. The multicultural campus is home to more than 17,000 students and offers 100 majors, 115 certificate programs, and 1,500 classes. Leaders in innovation, the college has recently started programs in both Futures Studies and Peace Studies. City graduates are employed throughout our community as nurses, journalists, electricians, cosmetologists, youth development workers, fitness specialists, counselors, machine technicians, and radio/TV broadcasters. Additionally, the vibrant Visual and Performing Arts department offers theater, dance, music, fine art, and award-winning graphic design and photography programs. Exceptional student support services and excellence in education for more than 95 years keeps City College as the number one choice for a quality education.

Major Construction Projects/Improvements Underway or Planned for the Year

1. Renovations of the Academic Success Center (L Building) and the P Building were started, along with construction of the new Career Technology Center (CTC). The Academic Success Center, designed to serve as one-stop shopping for all student-related services, such as counseling, tutoring and career planning will open in Fall 2009. The P Building, a two-story gymnasium building with new workout and locker rooms, classrooms and improved ADA accessibility, will be completed early in the 2009-2010 school year. The Career Technology Center, an 88,000 square foot facility designed to house the expanded Nursing, Cosmetology, Photography and Digital Arts programs, along with a new City College police station, will open in Fall 2010.
2. New projects in design for City College include the Arts & Humanities and Business Technology buildings, a new science building, along with the new general purpose classroom building. These projects, along with the CTC, will transform the 16th Street corridor, enhance the “walkability” of the campus, and create a new entrance to San Diego City College.

Mesa College
Overview
Academic Year 2008-2009

College President Rita Cepeda, Ed. D.

College Terms	
Fall	August 25, 2008- December 13, 2008
Intersession	January 5, 2009- January 31, 2009
Spring	January 26, 2009- May 23, 2009
Summer	June 1, 2009- August 15, 2009

Among the largest community colleges in California and the nation, San Diego Mesa College is a fully accredited two-year college offering more than 170 associate degree and certificate programs. With its robust language, art and music programs, and rigorous math and science curricula, Mesa ranks as San Diego's top transfer institution. The college also serves as an important economic catalyst for the region. Its career programs include allied health fields, biopharmaceutical, multimedia, animal health technology, American Sign Language, hospitality, fashion, architecture, interior design and more. Situated on a sprawling, suburban 104-acre mesa in the geographic center of San Diego, the college's small classes, exemplary student support services, outstanding faculty, and reputation for quality offer an unparalleled academic experience.

Major Construction Projects/Improvements Underway or Planned for the Year

Mesa College began a dramatic physical transformation of the East Campus gateway. Visitors now are welcomed on campus through a redesigned, more user-friendly entrance, including a major road realignment, new 1,100-space parking structure, and the District's first-ever 'green' police substation. The new Allied Health Building situated at the East Entrance, is scheduled to be completed in Fall 2009. This three-story instructional facility will provide training facilities and classroom space for degree and certificate programs for five healthcare fields: Dental Assisting, Health Information Technology, Medical Assisting, Physical Therapy Assistant and Radiologic Technology. The campus will also complete a world-class All-Weather Track and Field facility in Fall 2009. New projects starting up include a 100,000 square foot Math & Science Building and a new 36,000 square foot Student Services Building.

Miramar College Overview *Academic Year 2008-2009*

College President Patricia Hsieh, Ed. D.

College Terms

Fall	August 25, 2008- December 13, 2008
Intersession	January 5, 2009- January 31, 2009
Spring	January 26, 2009- May 23, 2009
Summer	June 1, 2009- August 15, 2009

San Diego Miramar College, located in the fast-growing Mira Mesa/Scripps Ranch suburban area of San Diego along the I-15 corridor, offers 130 certificates, associate degrees, and comprehensive transfer programs to students transferring to UC, CSU and private institutions. The College serves 12,000 students and is one of the fastest growing colleges within San Diego County. Partnerships with local industry and the City and County of San Diego help San Diego Miramar College prepare students for high demand and well-paying careers in the highly competitive labor market, including biotechnology, paralegal, aviation, automotive, diesel, and alternative fuels technologies. San Diego Miramar College is home to the Southern California Biotechnology Center, Advanced Transportation and Energy Center, and San Diego Regional Public Safety Institute. Since 1969, the college has provided training for nearly all law enforcement officers and firefighters within San Diego County. The Institute also trains EMTs and offers the only open water lifeguard degree program in the world. State-of-the-art science, automotive, fitness/athletics/health, humanities/arts and business/math classroom buildings, and a 100,000 square foot library/learning resources center and student union are among major facilities recently completed or currently under construction to meet the comprehensive instructional and student service needs of its growing student body.

Major Construction Projects/Improvements Underway or Planned for the Year

Miramar opened the new Hourglass Park Field House, a joint-use facility with the City of San Diego providing state-of-the-art fitness, dance, training and aquatic facilities, new classrooms and instructional spaces, and a cavernous gymnasium. The first phase of a campus-wide infrastructure project, to be completed in Fall 2009, will provide new parking, new and improved roadways and sidewalks, and water-efficient landscaping using reclaimed water. Construction is also underway for two design award-winning facilities – the new Arts & Humanities, and Business & Mathematics Buildings.

**Continuing Education
Overview
Academic Year 2008-2009**

College President Anthony E. Beebe, Ed. D.

Continuing Education Terms

Fall	September 8, 2008- January 24, 2009
Spring	January 28, 2009- June 6, 2009
Summer	June 7, 2009- September 5, 2009

San Diego Continuing Education is the largest institution of its kind in the nation. It is the only non-credit institution that is separately accredited by the Western Association of Schools and Colleges, WASC. It offers noncredit career technical education, college preparation, and life enrichment programs; community education general interest fee classes; and customized contract training classes designed for the business sector. Continuing Education serves approximately 100,000 students each year through 6 campuses and over 300 community and neighborhood sites. It offers 35 Certificates of Competencies designed to enhance student income and employment potential. Continuing Education students are among the most diverse in California with more than 150 different countries represented. The Continuing Education faculty are highly qualified with the majority holding master's degrees and several holding doctoral degrees.

Major Construction Projects/ Improvements Underway or Planned for the Year

The new West City Campus in Point Loma opened in 2008-09 as the Campus of Excellence for Hospitality and Consumer Sciences, with new instructional space for Culinary Arts, Fashion, Sewing, Jewelry, Parenting, Emeritus programs for adults 55+, Business Information Technology and English as a Second Language. The facility, an award winner for its design and sustainable features, also includes a multipurpose room used for performances and community events. A Fall 2009 opening is planned for the new Educational Cultural Complex Skills Center, a 52,600 square foot complex to house classrooms and programs for Automotive Repair, Upholstery (auto, marine and furniture), Reprographic Services and Electronic Repair.

Definition of Terms

San Diego Community College District

Annual Direct Transfers

The total number of students who transferred to a 4-year institution (including privates and out-of-state) either during the last semester they were enrolled at an SDCCD college or up to three semesters following the last semester they were enrolled at an SDCCD college. The last semester attended includes students who stopped out for one or more semesters and enrolled at a later date (reverse transfer). The student must also have completed 12 or more cumulative transferrable units earned within 12 consecutive semesters preceding and including the last semester enrolled at SDCCD.

Note: In previous years, the Facts On File reported on cumulative transfer volume for six years and included all students regardless of the number of transferrable units completed or the time span between last semester attended and actual transfer.

Basic Skills Courses

Courses in English and Math that are below transfer-level courses but may be degree applicable. Also included are all ESOL courses.

Contact Hours

The total number of hours a student attends a class.

Enrollment

The number of enrollments or filled seats (duplicated headcount).

FTES

The total number of full-time equivalent students enrolled as of official census.

Headcount at Census

The single count of students enrolled (unduplicated headcount) as of the class official census date, or for CE if a student as one or more hours of attendance. Term headcounts are unduplicated within the term and within the college/CE/All Colleges/District. Annual headcounts are unduplicated across all terms.

Note: In previous years, the Facts On File reported on headcount as of Opening Day which included all students who were registered and may have dropped or never attended prior to first Census.

Retention Rate

The percentage of students who complete a course with a grade of A, B, C, D, F, CR, NC, I or RD out of total census enrollments. (Note: Tutoring classes are included).

Students Receiving Financial Aid

The number of students who were enrolled as of census and received financial aid.

Note: In previous years, The Facts On File reported on all students who either applied and received or applied and did not receive financial aid.

Success Rate

The percentage of students who complete a course with a grade of A, B, C, or CR out of total census enrollments. (Note: Tutoring courses are excluded).
