San Diego Mesa College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Blvd., Ste. 204, Novato, CA 94949, 415-506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

Campus Message

The faculty, administrators and staff join me in welcoming you to San Diego Mesa College. As one of the largest and most successful of California's 110 community colleges, Mesa College takes pride in its high academic standards, its excellent programs and services, and its personal approach to helping each individual student succeed.

At Mesa College, students will find a wide and diverse array of day, evening, weekend, and on-line courses leading to 176 Associate in Arts, Associate in Science degrees and certificate programs. Students may also pursue courses and programs of general interest.

Because of the college's comprehensive offerings, excellent programs, uniquely talented faculty and support services, Mesa College enjoys one of the highest student transfer rates in California and the nation.

Mesa students who plan to transfer to four-year colleges and universities enjoy a great advantage because of our carefully designed and articulated course of study culminating in a Liberal Arts and Sciences Degree with a designated area of emphasis that reflects the student's ultimate career focus. In addition, Mesa continually maintains and updates guaranteed transfer agreements with colleges and universities in California and throughout the nation.

Students following the vocational track have similar success when they enter or advance through the job market. Unique partnerships with local industries have created pathways for upward mobility and success in high-demand occupations.

Mesa College provides extensive collegiate and co-curricular experiences for students, including such opportunities as student government; 20 men's and women's intercollegiate athletic teams; clubs; performance groups; an Honors Program; Service Learning and a host of activities in which students learn leadership skills, expand their academic horizons and celebrate cultural diversity.

As you read through this catalog, you will also find complete information about the college's programs, courses, requirements and policies. You will find information about the college's other services for students: counseling, library and media services, tutorial services, child care, financial aid, health services and special services for students with disabilities, just to name a few. The college counselors will answer any questions you may have about programs and services and will assist you in making your educational plans. To contact a counselor, call 619-388-2672.

Once again, welcome to San Diego Mesa College. I fully expect that you will find not just a great college but a "Community of Learners." We are dedicated to making your Mesa College experience a memorable and rewarding one, and to help you have a productive and enjoyable experience in realizing your educational goals.

The San Diego Community College District

The San Diego Community College District is charged with educating all adults 18 years of age and older in the City of San Diego. The District provides education at several levels, from adult basic education through sophomore level college degree programs. The District has three fully accredited colleges, City, Mesa, and Miramar, the Educational Cultural Complex, and six major Centers for Education and Technology. The District is governed by a Board of Trustees consisting of five voting members elected by the people of San Diego and a student trustee elected by District college students. The Chancellor is the Chief Executive Officer in charge of day to day operations.

General Information

History

San Diego City College, San Diego Mesa College and San Diego Miramar College are public two-year community colleges administered by the San Diego Community College District. Also under the auspices of this district are the Continuing Education division with six major centers throughout San Diego, and the Educational Cultural Complex which offers both college and continuing education courses. These educational programs carry out the charge made by the voters of San Diego in 1972, that the San Diego Community College District provide education for all high school graduates and adults 18 years of age and older in the district. This charge includes providing adult basic education through sophomore-level college degree programs, with both academic and vocational curricula.

Community college education in San Diego can be traced to 1914 when the Board of Education of the San Diego City Schools authorized postsecondary classes for the youth of San Diego. Classes opened that fall at San Diego High School with four faculty members and 35 students.

City College was first established in 1916 and was located at San Diego High School. For 25 years the Junior College program was located at San Diego State University. In 1938, the San Diego Vocational Junior College was established to offer training in technical-vocational skills to post high school students. The following year the San Diego Evening Junior college was set up to provide college classes in the evening for adults unable to attend day classes.

In 1964, San Diego Mesa College was opened to 1,800 students. Five years later, in 1969, San Diego Miramar College opened on 140 acres in what was then undeveloped land north of the Miramar Naval Air Station, now known as Mira Mesa. Unlike City and Mesa Colleges which offered a range of general education classes, Miramar College began by concentrating on law enforcement and fire science training. It has since broadened its curriculum to include the general education college courses needed by students in the rapidly growing northern area of the city.

In November 1972, the voters approved separating the San Diego Community College District from the San Diego Unified School District. The first election of community college district trustees was held in November 1973. The year 1976 brought the opening of a unique district campus, the Educational Cultural

Complex, dedicated to offering both college and continuing education classes to the multicultural population surrounding its Ocean View Boulevard site. In 1979-80 the administration of the Evening College program was merged with those of the day college programs at San Diego City, San Diego Mesa, and San Diego Miramar Colleges.

With both college and continuing education programs, the San Diego Community College District is the second largest community college district in California and offers a choice of educational programs unparalleled in the region.

Statement of Philosophy

The general education program at the colleges in the San Diego Community College District is designed to broaden students' knowledge and their understanding of methods of gaining knowledge in a variety of disciplines and to develop students' abilities in critical thinking, in oral and written communication, and in mathematics.

The awarding of an Associate Degree symbolizes an attempt on the part of the college to lead students through patterns of learning experiences designed to develop an awareness of other cultures and times; to achieve insights gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding. In addition to these accomplishments, students should possess sufficient depth in some field of knowledge to contribute to lifetime interest.

Student Learning Outcomes

Mesa College has adopted the following Student Learning outcomes for the Associate Degree.

Critical Thinking: Ability to analyze problems, conceptualize theses, develop arguments, weigh evidence, and derive conclusions. This outcome includes both inductive and deductive logical reasoning and methodological processes.

Communication: Ability to articulate the critical thinking outcomes in writing and/or speaking or by other modes of communication.

Self-awareness and Interpersonal Skills: Ability to analyze one's own actions, to see the perspective of other persons, and to work effectively with others in groups.

Personal Actions and Civic Responsibility: Ability to understand one's role in society, take responsibility for one's own actions, make ethical decisions in complex situations, and participate actively in a diverse democracy.

Global Awareness: Ability to articulate similarities and contrasts among cultures, times and environments, demonstrating understanding of cultural pluralism and knowledge of global issues.

Technological Awareness: Ability to understand the applications and implications of technology and to use technology in ways appropriate to the situation. This outcome includes information competency skills.

Vision, Mission, Statement, Values and Goals

Vision

What we strive to be

San Diego Mesa College shall be a key force in our community to educate students to shape the future.

Mission

Why we exist

To inspire and enable student success in an environment that is strengthened by diversity, is responsive to our communities, and fosters scholarship, leadership, and responsibility.

Values

What we believe in

- Access
- Accountability
- Diversity
- Equity
- Excellence
- Freedom of Expression
- Integrity

- Respect
- Scholarship
- Sustainability

Performance Indicators

How we assess effectiveness

Equity/Access, Engagement/Retention, Persistence, Success, Institutional Effectiveness

Goals

- 1) To deliver and support exemplary teaching and learning in the areas of transfer education, associate degrees, career and technical education, certificates, and basic skills.
- 2) To provide a learning environment that maximizes student access and success, and employee well-being.
- 3) To respond to and meet community needs for economic and workforce development.
- 4) To cultivate an environment that embraces and is enhanced by diversity.

Accreditation

San Diego Mesa College is accredited by the Western Association of Schools and Colleges and approved by the California State Department of Education. In addition, certain programs at Mesa College hold special accreditation:

Animal Health Technology—California Department of Consumer Affairs, Veterinary Medical Board

Dental Assisting—American Dental Association Commission on Dental Accreditation.

Health Information Technology—Commission on Accreditation of Health Informatics and Information Management;

Physical Therapist Assistant—Commission on Accreditation in Physical Therapy Education (American Physical Therapy Association);

Radiologic Technology—Joint Review Committee on Education in Radiologic Technology;

Mesa College is approved by the Office of Private Postsecondary Education for the training of veterans as well as by the U. S. Department of State and the U.S. Immigration Services for international student education. Courses paralleling university level work

are accepted by the University of California, the California State Universities, and by other universities and colleges.

Persons interested in the institution's accreditation and program approvals may review documents describing these activities in the President's Office. These documents will be available for such review at a mutually convenient time during regular business hours, and an appropriate interpretation of their contents will be provided if requested.

Disclaimer

While every reasonable effort has been made to ensure that statements in this catalog are accurate, it must be understood that the information contained herein is subject to change or elimination without notice by the administration of the San Diego Community College District. Students should consult the appropriate campus or department for current information, as well as for any special rules or requirements imposed.

Academic Calendar 2010-2011

Fall Semester 2010

16-WEEK SEMESTER: Fall Classes August 23, 2010–December 18, 2010

SPECIAL DATES

June 17, 2010.....	Final day to file an application for admission for the Fall semester and receive an appointment to register online. Applications filed after this date will be assigned a registration appointment at the time of application.
August 22, 2010.....	RESIDENCE DETERMINATION DATE (APPLIES TO ALL SESSIONS)
September 17, 2010.....	Constitution Day (Classes are in session)
October 29, 2010.....	Last day to file a petition for graduation for an Associate Degree or Certificate of Achievement for June or Summer 2011 graduation in order to receive an evaluation prior to beginning of Spring semester.
November 12, 2010.....	Holiday—Veterans Day**
November 22-24 2010.....	Classes not in session--campus closed.
November 25 & 26, 2010.....	Holiday—Thanksgiving**
December 20, 2010–January 22, 2011 ...	Winter Recess

Spring Semester 2011

16-WEEK SEMESTER: Spring Classes January 24, 2011–May 21, 2011

SPECIAL DATES

Date to be determined.....	Final day to file an application for admission for Spring semester and receive an appointment to register online. Applications filed after this date will be assigned a registration appointment at the time of application.
January 23, 2011.....	RESIDENCE DETERMINATION DATE (APPLIES TO ALL SESSIONS)
February 18, 2011.....	Holiday—Lincoln's Day**
February 21, 2011.....	Holiday—Washington's Day**
March 31, 2011.....	Last day to file a petition for graduation for an Associate Degree or Certificate of Achievement for June 2011 completion.
April 18-23, 2011.....	Spring Recess--campus closed.
April 22, 2011.....	Holiday—Cesar Chavez Day**
May 30, 2011.....	Holiday—Memorial Day**

** No Saturday or Sunday classes after a Friday holiday. No Sunday classes before a Monday holiday.

Note: Holidays apply to all sessions.

Summer Session 2011

Summer Classes:.....May 31, 2011–August 16, 2011

SPECIAL DATES

May 30, 2011RESIDENCE DETERMINATION DATE (APPLIES TO ALL SESSIONS)

July 4, 2011.....Holiday—Independence Day**

July 29, 2011Last day to file a petition for graduation for an Associate Degree or Certificate of Achievement for Completion in Summer 2011.

** No Saturday or Sunday classes after a Friday holiday. No Sunday classes before a Monday holiday.

Admissions and Registration

The College Matriculation Program

Steps to Student Success

The college matriculation program is designed to help students succeed in their academic program. To “matriculate” means to enroll and to commit oneself to an educational goal. The matriculation process requires a commitment on the part of the college as well as the student.

The steps in the matriculation process are:

- Admission
- Assessment
- Orientation
- Educational planning with a counselor
- Follow-up of student progress

The matriculation program has been designed especially for students who intend to earn a certificate or degree at the college or to transfer to a four-year college or university. However, the services are available to all students admitted to the college.

All students are encouraged to participate in the various components of the matriculation program.

Students who meet the following criteria are exempt from the matriculation process:

1) Admission

- No exemptions

2) Assessment

- Students with the following educational goals: preparation for a new career, advancement in their current job/career, maintenance of a certificate or license, educational development, or completion of credits for high school diploma
- Students enrolled in an apprenticeship program
- Students who have an associate degree or higher

- Students concurrently enrolled at a four-year college
- Students who have taken the placement tests within the last three years

3) Orientation

- Students with the following educational goals: preparation for a new career, advancement in their current job/career, maintenance of a certificate or license, educational development, or completion of credits for high school diploma
- Students enrolled in an apprenticeship program
- Students who have an associate degree or higher
- Students concurrently enrolled at a four-year college or university

4) Counseling/Advising

- Students with the following educational goals: preparation for a new career, advancement in their current job/career, maintenance of a certificate or license, educational development, or completion of credits for high school diploma
- Students enrolled in an apprenticeship program
- Students who have an associate degree or higher
- Students concurrently enrolled at a four-year college
- Students who have taken the placement tests in the last three years

5) Follow-up

- No exemptions

Admission

Admission is open to anyone who meets one of the following criteria:

- Persons who possess a high school diploma or California high school proficiency exam certification or GED with an average score of 45 or higher.

- Persons 18 years of age or older or emancipated minors who do not possess a high school diploma or equivalent may be admitted by the college under provisional admission status.
- High school students requesting concurrent enrollment may be admitted as "special part-time" students subject to the following criteria:
 - a. Students must have completed the 10th grade.
 - b. A student may be limited to one course during a semester or session due to budget cuts and extraordinary demand. This limit includes classes at City, Mesa, Miramar Colleges and ECC (excludes High School Honors classes).
 - c. High school students must satisfy course prerequisites and eligibility requirements.
 - d. Enrollment in Physical Education classes will not be permitted.
 - e. The course is advanced scholastic or technical (college degree applicable).
 - f. The course is not available at the school of attendance.
 - g. Students will be given college credit for all courses. Grades will be part of the student's permanent college record.
 - h. Students must maintain a 2.0 grade point average each semester in all college work.
 - i. If the number of units of W, I and NC exceed 40%, in any semester or session, the student will be academically disqualified. Students whose grade point average falls below a 2.0, or who do not complete 60% of all units attempted, will not be permitted to re-enroll without approval from a college counselor.
- Persons who are under 18 years of age who do not have a high school diploma and are not enrolled in a high school may be admitted as a special full-time student pursuant to Education Code §48800.5 subject to approval of the high school governing board and the college President where the student is planning to attend. Special full-time students will be admitted under provisional admission status.
- Persons who do not meet one of the admission criteria stated above will not be admitted under any circumstances.

All new students must file an application for admission. Students who have not been in continuous attendance for one year must file a new application for admission.

Apply Online

Applications for admission to San Diego City, Mesa and Miramar Colleges are available on the Internet. Students access the online application at: <http://studentweb.sdccd.edu>.

Important Reminder

Every male citizen of the U. S. and male immigrant residing in the U. S., ages 18 through 25, must register with the Selective Service.

Assessment

Assessment is a tool used to assist students in selecting courses best suited to their abilities and educational goals. Specifically, assessments help students identify their skill levels in English and mathematics, and ESOL.

Assessment is a process that includes tests and other measures and is intended to assist students in meeting course prerequisites. Students may also meet course prerequisites based on other factors such as past educational achievements in mathematics or English or course completion, and other standardized tests.

In order to ensure proper course selection, all new students should go through assessment and orientation unless they already possess an associate degree or higher.

Beginning Fall 2010, a pilot program will allow students to bring or send official copies of their SAT, ACT, EAP, EPT and/or ELM report directly to District Student Services to determine readiness for English 101 or 105 and for courses with a Math 096 prerequisite. The following are the tests acceptable minimum scores:

Test	Minimum Score Required
SAT - ENGL	550
SAT - MATH	560
ACT - ENGL	24
ACT - MATH	23
EPT -	151
ELM -	50
<i>EAP - Ready for CSU College-Level English/Math Course</i>	

Testing accommodations are available to students with disabilities. Contact the Disability Support Programs and Services (DSPS) office at 619-388-2780 for assistance.

Orientation

The orientation provides important information to students about the programs and services available at the college as well as strategies for student success. Orientation includes assessment and program planning. Matriculating students who have been admitted to the college are expected to attend an assessment/orientation session before registering for classes.

For additional information call 619-388-2718 or stop by the Testing Office on campus in the Modular Village, MV-21.

Student Learning Outcomes

The Assessment and Orientation faculty and staff have identified the following Student Learning Outcomes for the various services available in the Assessment Office:

- Students will be identify the appropriate English and math courses in which to begin college studies
- Students will produce a first semester educational plan based on identified goals, skills and resources.
- Students will be able to identify, at least, three college resources available to help achieve identified goals.

Educational Planning

The Education Plan is an important tool to assist students in successfully attaining their goals without wasted time and effort. Counseling and career planning services are available to help students make informed choices concerning the programs and courses available.

The Education Plan is an agreement which contains the official requirements for graduation and/or transfer. **All transcripts of prior college work must be on file and evaluated by the Evaluations Office before an official education plan can be prepared.** See the Graduation section on page 92 for graduation filing requirements.

An Education Plan typically lays out a program of study for a four or six semester period. These plans allow students to determine how long it will take to

complete a program of study and to be sure that all program requirements can be met within a particular period of time. Education plans may be changed. The student should review plans periodically with a counselor. They are revised as a student's goals or objectives change.

Assessment of interests and aptitudes is also available to those students who want more information or assistance in order to choose the "right" programs or courses.

Follow-up Services

Follow-up services are available to all students as part of the college's commitment to student success. These services include a periodic review of student progress and education plans to assist students in reaching their educational goal. Students who need additional support services will be referred to those services.

Registration

With the exception of Special-Admit High School students, all students receive an appointment to register online using Reg-e. Special-Admit High School students must enroll in person at the time of their registration appointment.

A student can enroll in any available course offered at ECC, City, Mesa, or Miramar Colleges by using the combined schedule of classes and Reg-e. The class schedule is also available on the web at: www.sdccd.edu/schedule

Reg-e is easy to use. Instructions for using Reg-e are on the registration site.

The following information and services are available through Reg-e:

- registration
- a record of the student's class schedule, fees, and payment deadlines
- cancellation of registration
- adding and dropping classes
- academic deadlines and calendar
- grade information
- academic history
- purchase of parking permits

- purchase of an Associated Students college membership

Online Registration (Reg-e)

Students can register for classes using Reg-e, the San Diego Community College District's online registration system. Students can visit the Student Web Services at: <http://studentweb.sdccd.edu> and click on the Reg-e icon. Full instructions will lead students through the process.

Responsibility for Maintaining Accurate Registration

It is the student's obligation to add, drop, or withdraw from classes before the deadlines stated in the class schedule. This applies even if the student has never attended class. Any student who anticipates difficulty in paying fees should check with the Financial Aid Office about eligibility and sources of assistance. Registration will be canceled for nonpayment of fees.

Time/Schedule Conflicts

- Students may not register for classes with times that overlap (includes 10 minute passing period).
- Students may not enroll in two classes of the same subject and course number if the start and/or end date of one class, overlaps with the other class.

Class Schedules on Internet

Up-to-date class schedule information and course descriptions for each campus is available on the Internet at www.sdccd.edu/schedule. This web site displays new classes, cancellations, and changes after the printed schedule has been distributed. A search engine allows students to search for classes by academic subject, by time and day, or by key words.

Wait List

Students who attempt to register in a class that is closed may select the option to have his/her name placed on a Wait List.

IMPORTANT NOTE: Wait Listing is not a guaranteed priority for enrollment.

Criteria:

- Students may place their name on only one Wait List for a specific subject and course number.
- Students must meet course prerequisites to be placed on the Wait List.

- Students who are on a Wait List and later enroll in another section of the same subject and course number will be automatically removed from the Wait List.
- Students will be shown their priority number on the Wait List.
- Students can check their priority number on Reg-e.
- Students have the option to remove themselves from the Wait List at any time.
- There is a limit to the number of students allowed on each Wait List.
- Wait listed students will be given first priority to add their waitlisted class if a space becomes available before the semester begins.
- The college will attempt to notify students that a space is available via e-mail and telephone according to their priority number; however, it is the students' responsibility to check the status of their waitlisted classes on Reg-e daily.
- Upon notification, students will be given five (5) business days, including the day of notification, to add the wait listed class. (An add code is not required.)
- If students do not add their wait listed class within the 5-day period, they will be removed from the Wait List and lose their priority.
- It is the student's responsibility to check his/her e-mail and/or Reg-e daily for the status of their wait listed class(es).
- Students remaining on the Wait List after classes begin, **MUST** attend the first class meeting (and be on time) to have their Wait List priority considered.

Note: Students who are waitlisted in a lecture & lab concurrently (Ex: CHEM 152 & 152L) will not be allowed to enroll in the lab class until they are enrolled in the lecture (Ex: CHEM 152), even if a space becomes available in the lab before the lecture. Additionally, if the wait list availability expires for the lab before the lecture is open, the student's name will be removed from the wait list for the lab class.

Students enrolled in SDCCD Online courses must contact the instructor on the first day of class via e-mail if they wish to have their Wait List priority considered.

Adding Classes

Students may add classes online until the deadline date published in the schedule of classes. Students will not be allowed to add classes beyond the published deadline.

To add a class once the semester has begun, students must obtain an add code from the instructor, then must process and pay for the added class through Reg-e. A student may also pay at the Accounting Office, Room I-412.

Students are not officially enrolled until the add code is processed through Reg-e and fees are paid in full. Add codes for Special-Admit part-time high school and Joint Diploma students must be processed in person in the college Admissions Office prior to the add deadline.

If an instructor finds that a student has given his or her add code to another student, the instructor should administratively drop the student who was not issued the add code.

Drop/Withdrawal from Classes

Students may drop or withdraw from classes online until the published deadline dates. Deadline dates are available in the Admissions Office or in the online schedule of classes at: <http://schedule.sdccd.edu> and by clicking on the "details" box next to the class they are interested in viewing.

- It is the student's responsibility to drop all classes in which he/she is no longer participating.
- Students, who remain enrolled in a class beyond the published withdrawal deadline, as stated in the online class schedule, will receive an evaluative letter grade.
- Final grades may be affected by attendance as described in the class syllabus.

DROP—ending enrollment in a class prior to about 20% point of class meetings. A drop is not recorded on the student's academic record.

WITHDRAWAL—ending enrollment in a class between about the 20% point and up to about 60% point of class meetings. A withdrawal is a permanent symbol on the student's academic record and is included in progress probation and disqualification determination.

Registration will be blocked in any course where three withdrawals have been earned. Counselor approval will be required for additional enrollment.

Administrative Drop

Registration may be administratively canceled for the following reasons:

- 1) Failure to pay all mandatory fees in accordance with the fee payment schedule;
- 2) Using an add code issued to another student;
- 3) Failure to meet the terms and conditions of a fee deferment;
- 4) Failure to meet academic or progress standards;
- 5) Denial of a "Petition to Challenge A Prerequisite."

Exclusion from Classes

A student may be excluded from class or the college whenever the student:

- 1) Exhibits behavior which interferes with the educational process. An instructor may remove a student from two class sessions for disruptive behavior. (Refer to Policy 3100: Student Rights, Responsibilities and Administrative Due Process); or
- 2) Is found to have a communicable disease which requires isolation pursuant to a directive from the County Department of Public Health.

Study Load Limit

Important: The study load limit is currently under revision by the district due to limited availability of classes and the state budget situation. Consult your semester/session schedule of classes for specific semester/session limitations.

The maximum study load for a semester is 20 academic units exclusive of physical education activity units and/or 25 units including physical education.

Students are reminded that each unit of credit is calculated to involve a total of at least three hours of classroom and outside time per week. Thus, a 20-unit study load represents a minimum 60-hour work load each week. Students working full-time are advised NOT to attempt a full-time college program.

Twelve units of credit is considered a minimum full-time program during a semester; nine units is three-quarters time, and six units, half-time.

The maximum study load for summer session is 12 academic units excluding physical education and/or 15 units including physical education.

Six units of credit is considered a minimum full-time during the summer session; four units is three-quarters time, and 3 units, half time.

Note: Study load requirements may vary at each college for financial aid purposes. Inquire at your college Financial Aid Office for detailed information.

Basic Skills Unit Limit

Title 5, 55035 states: "...no student shall receive more than 30 semester units of credit for basic skills coursework." Registration will be blocked prior to students reaching this limit so that students can meet with a counselor to ensure that they are successful when this unit limit is met. Students with a verified learning disability are exempt from this limitation (contact the DSPS office for more information).

Priority Enrollment System

Consistent with state law and the goal of providing a fair and equitable registration system for all students, the San Diego Community College District has established the following priority system for assigning registration appointments.

Priority Group

- 1) EOPS and DSPS students
- 2) Active Duty Military and Veteran students who meet the eligibility criteria*
- 3) Continuing students
- 4) New matriculating students
- 5) New and returning students
- 6) Students possessing a baccalaureate or higher degree who are not matriculating. Students with a baccalaureate degree or higher will move into one of the other four groups once they have completed an education plan.

Within each priority group above, students are prioritized according to cumulative units, including transfer units and work in progress. Students who have completed an education plan will receive priority within each range. New students are assigned an appointment on a first-come, first-served basis.

Range

- 50.0–69.9 units
- 70.0–89.9 units
- 30.0–49.9 units
- 15.0–29.9 units

- 00.0–14.9 units
- 90+ units

* Students who are Active Duty Military, or Veterans discharged within the past two years, may be eligible for priority registration. Students should contact the Residency/Admissions Office for additional information. A military ID card or DD214 will be required for verification.

Change of Name, Mailing or E-mail Address

All students must report immediately any change of address to the college Admissions Office or online at <http://studentweb.sdccd.edu>. Failure to provide this information will result in delays in registration, and other important information sent by the college. Name changes must be supported with legal documentation and a picture ID and reported in person at the Admissions Office.

Prerequisites, Corequisites, Limitations on Registration and Advisories

PLAN AHEAD! All prerequisites, corequisites, and limitations on enrollment stated in the course descriptions listed in this catalog will be strictly enforced at the time of registration. Students who do not meet the requisite requirements according to college records will not be permitted to register for the course. Students who believe they have met the prerequisite at another institution are strongly advised to have all transcripts of prior college work evaluated and on file well in advance of registration to minimize registration delays.

Note: Unofficial transcripts are accepted for prerequisite clearance.

Students should plan their schedules early and see a counselor for assistance.

PREREQUISITES are courses that must be completed with a "C" or better prior to registration in a specific course.

COREQUISITES are courses that are required to be taken the same semester as another course.

LIMITATIONS ON ENROLLMENT are other restrictions that are stated in the course description such as “not open to students with credit in...”

ADVISORIES are departmental recommendations to be completed prior to enrolling in the course. Advisories do not prevent a student from enrolling, but are strongly encouraged by the department for a student’s academic success.

Challenge Procedures

Students who believe they have sufficient grounds may challenge a prerequisite, corequisite, or limitation on enrollment in a specific course (the student does not get units for a challenged class). A student may obtain a Petition to Challenge in the Admissions Office and a copy of Procedures 5500.2. The completed petition must be filed in the Admissions Office no later than ten working days prior to the published add deadline for the course being challenged. Students who challenge a prerequisite or corequisite after the start of the semester must obtain an add code issued by the instructor prior to completing the petition. Contact the Admissions Office for additional information. For credit by examination, please refer to page 71.

Residency

I-410

619-388-2688

Residency is determined when a student applies for admission to the College. The following paragraphs summarize the rules and regulations related to student residency for tuition purposes. Details are found in the CA Education Code Section 68000, Title 5, sections 54000-54072.

Residency Status

Every person who is married or is age 18 or older and under no legal restriction may establish residence. Certain minors may also establish residence.

- A California “resident” is a person who has resided in the state for more than one year prior to the residence determination date and shows “intent” to make the state of California their permanent residence.
- An undocumented student is precluded from establishing residency. Restrictions also apply to some visas; please see the Residency Office.

- The residence determination date is the day immediately preceding the first day of classes for each semester.

Factors Considered to Determine Residency

No one factor determines residency. The following factors are called “indices of intent.” They, along with a person’s presence in California, are among the factors considered in determining California residency:

- Filing California state and federal tax returns with W-2 form (required)
- Possessing a California driver’s license and a vehicle registered in California
- Voting in California
- Owning residential property in California for personal use
- Being licensed to practice a profession in California
- Having an active checking and/or savings account in a California bank
- Showing California on military records (Leave and Earnings Statement)
- Possessing a marriage license or a divorce decree issued in California
- Having paid nonresident tuition in another state

Exception to Residency Requirements

Several exceptions to the residency rules apply. They include, but are not limited to, the following:

- Active duty military personnel stationed in California
- Active military and dependents previously stationed in California, who are currently enrolled, and subsequently receive orders to change their duty station to-out-of-state
- Dependents of active duty military personnel stationed in California
- Certain minors who remained in California when their parents moved
- Self-supporting minors
- Full-time employees of the college or a state agency, or a child or spouse of the full-time employee

Nonresident Students

A student's residency status is determined at the time of application. Nonresident students must pay nonresident tuition in addition to the enrollment fee and other fees for credit classes. Tuition must be paid in full at the time of registration.

Assembly Bill (AB) 540

Assembly Bill 540 exempts nonresident students, U.S. citizens, and permanent residents who meet the following criteria, from paying nonresident tuition:

- have attended high school in California for three or more years;
- have received a high school diploma or equivalent, including certification of graduation from a California high school;
- have registered as an entering student at, or concurrent enrollment at an accredited institution of higher education in California;
- must file an affidavit with the college stating that he or she has filed an application to legalize his or her immigration status.

This provision applies to students attending community college after January 1, 2002. For additional information contact the college Residency Office.

Incorrect Classification

A student incorrectly classified as a California resident is subject to reclassification as a nonresident and payment of all nonresident tuition. If incorrect classification results from false or misleading facts, a student may be excluded from classes or the college upon notification.

Reclassification

Reclassification to resident status must be requested by the student. Financial independence during the current year and preceding two years will be considered at the time the student requests reclassification. Information regarding requirements for reclassification is available in the Residency Office or Admissions Office.

Tuition may not be refunded to a student classified as a nonresident due to lack of documentation if, at a later date, documentation is presented for a previous semester.

Appeals

To appeal a residency determination decision, a student may file a Residency Determination Appeal form with the college Admissions and Records Supervisor.

Limitation of Residency Rules

Students are cautioned that this summary of rules regarding residency determination is by no means a complete explanation of their meaning or content.

For further information, contact the residency clerk in the Admissions Office. Changes may have been made in the statutes and in the regulations since this catalog was published.

False Information

Providing false information necessary for establishing residency will result in disciplinary action up to and including dismissal from the college.

Contact the Admissions Office for more details.

International Students (F-1 Visa Students)

MV-10

619-388-2717

San Diego Mesa College welcomes applications from nonimmigrant F-1 visa students. Acceptance into a program at the college is necessary before U.S. Citizenship and Immigration Services (formerly INS) Form I-20 (certificate of eligibility) is issued by the International Student Admissions Office. The decision to grant an acceptance will be based on all evidence received prior to the deadlines. Students may contact the International Student Admissions Office at the following address to request forms or information:

International Student Admissions Office, MV-10
San Diego Mesa College
7250 Mesa College Drive
San Diego, CA 92111-4998

General Information

- 1) An international student must register for and maintain a minimum of 12 units each semester while at Mesa College. Part-time F-1 status will not be approved. The registration status and academic performance of all international students will be monitored by the college.

- 2) A recent photograph must be submitted with an application (passport size is acceptable).
- 3) Prospective international students are advised that they must comply with all requirements of the U.S. Citizenship and Immigration Services and of San Diego Mesa College to be admitted as international students.
- 4) A transfer student from another accredited United States college or university must:
 - a. Follow set transfer procedures of the U.S. Citizenship and Immigration Services; and
 - b. Have pursued a full-time course of study with a minimum GPA of 2.0 ("C") at the college the student was last authorized to attend (an official transcript must be filed).

Admission Requirements

Application Fee: All international students are required to pay a \$100.00 non-refundable application fee. Upon admission to the college, the fee will be applied toward the first semester nonresident tuition. The fee is valid for up to one year from the date processed.

Admission for Fall Semester: Students must complete all admissions requirements no later than May 1 to be admitted for the fall semester. Since the processing of an application normally requires a minimum of three to five months, students are strongly encouraged to file an application by March 1 of the current year. Students who meet the May 1 deadline will be notified as soon as possible of their admission status. Admission to summer session is restricted to international students properly cleared by May 1 for admission to the Fall semester.

Admission for Spring Semester: Students must complete all admissions requirements no later than October 1 to be admitted for the Spring semester. Students who meet the October 1 deadline will be notified as soon as possible of their admission status.

Academic Achievement

- 1) An international student must have graduated from high school (or its equivalent) with a GPA of 2.0 ("C") or better, or have obtained a GED certificate (General Education Development).
- 2) Official transcripts of all previous secondary and college/university education must be submitted, including an English translation of the transcript, before an application will be considered.

English Proficiency Requirements

To be considered for admission, an international student whose native language is not English must take an International Test of English as a Foreign Language (TOEFL) and score a minimum of 500 on the paper-based test, 173 on the computerized version, or 61 on the internet-based test. For questions regarding the TOEFL test, please visit the Educational Testing Service website at www.ets.org/toefl/. Institutional reports or photocopies will not be accepted. Students may petition to waive the TOEFL requirement under one of the following conditions:

- 1) completion of a transfer level college English composition course at an accredited United States institution with a grade of "C" or higher;
- 2) completion of ESL assessment and placement at a level of English 40 (formerly English 62) or higher; in addition, the student must take the prescribed course work at the level of assessment; or
- 3) a minimum ACT verbal score of 19 or SAT verbal score of 450.

Advanced Degrees: An international student in possession of an associate degree or its equivalent (completion of about 60 semester units) may be determined to be beyond the course offerings of Mesa college and is encouraged to apply to a four-year college or university.

Financial Resources

- 1) Each international student must submit verification of sufficient financial resources. The verification must indicate the ability of the student to finance each year's education and living expenses to the satisfaction of the International Student Advisor (normally \$17,500 a school year for two semesters).
- 2) An international student attending the college must pay all mandatory fees, including nonresident tuition, enrollment fees and health services fees.
- 3) Financial aid is not available to F-1 visa international students.
- 4) An international student may not accept off-campus employment while attending college unless approval is granted by the U.S. Citizenship and Immigration Services (formerly INS) and the International Student Advisor.

Health Clearance

- 1) Students must be in good health and free of communicable diseases. The "Report of Health Examination" form or a medical examination report by a physician must be submitted prior to admission. The medical examination must certify immunization against polio, diphtheria, measles, rubella, and tetanus, and must provide tuberculosis clearance.
- 2) Each student must present and maintain satisfactory evidence of an active medical insurance policy while in attendance.

Housing

The college is located near public transportation and housing. The college does not provide or assist with housing. Housing is the responsibility of the student.

Visa Students (other than F-1)

All other visa categories or immigrant classifications must see the Residency Office.

Students who are residing in the United States on other than F-1 student visas must comply with all restrictions on total units enrolled as specified by the U.S. Citizenship and Immigration Services.

Fees

Community College Enrollment Fee

The **enrollment fee** is assessed of all students, including nonresidents. The fee is currently \$26.00 per unit. Note that an increase in enrollment fees is currently under discussion by the State Legislature and is subject to change.

- Waiver of the enrollment fee is available to students who petition and qualify as recipients of benefits under the Temporary Assistance to Needy Families (TANF) program, the Supplemental Security Income/State Supplementary (SSI) program, or the General Assistance program.
- Indentured apprentices are exempt from enrollment fees for Apprenticeship Program classes only.
- Financial Aid may be available to students who qualify for assistance.

Health Services Fee

All students are assessed a mandatory fee for health services and accident insurance, whether or not they choose to use the health services available to them. The health services fee is currently \$17 per semester for Fall and Spring semesters, and \$14 for the Summer session. The following students are exempt from the health fee:

- Students who meet the income standards for the Board of Governor's Waiver (**BOGW-A Only**). *Contact the Financial Aid Office for eligibility determination.*
- Students attending under an approved apprenticeship program.
- Students who depend on prayer for healing, in accordance with the teachings of a bona fide religious sect, denomination, or organization, may petition to have the fees waived. To apply for an exemption contact the Admissions Office.

For more information, contact the Admissions Office.

Nonresident Tuition

In addition to the enrollment fee and health fee, tuition is charged to students who are not legal residents of California for tuition purposes. The 2010-2011 non-resident tuition fee is \$183.00 per unit.

Liability Insurance

Students enrolled in occupational courses that require directed clinical practice must pay a fee for liability insurance. Liability insurance fee is automatically assessed at the time of registration. The current fee is \$7.00 per semester.

Library

Overdue fines and fees apply to late and lost library materials.

Additional Fees

Automobile permits per semester (hanger included)	\$35.00
Carpool permits per semester (Mesa only)	\$30.00
Motorcycle permits per semester	\$17.50
Transcript of Record	\$5.00
(after two have been issued free of charge)	
Loss or damage of equipment and books	Cost
A.S. College Membership (per academic year) ..	\$8.00
Credit by Examination	\$26.00/unit
Student Representation Fee	\$1.00

Note: Students receiving public assistance, or who are determined eligible for financial aid, may purchase a single car permit for \$20.

All fees are subject to change.

Students are expected to buy all books and supplies needed for their courses. Certain occupational programs may require additional expenditures for tools, uniforms and/or liability insurance.

Student Representation Fee: All students attending college classes are required to pay a \$1.00 student representation fee. This fee is expended by the college solely for the purpose of student advocacy efforts to Federal, State and local governments. Students have the right to refuse to pay the fee for religious, moral, political or financial reasons.

Note: A \$25.00 fee will be assessed for any returned checks.

Refunds

- 1) Fees will be refunded to students who reduce their program in accordance with the following schedule:
 - Classes 1 week or shorter in duration, see Admissions for refund deadline dates
 - Short-Term Sessions (less than 16 weeks)—Monday of second week

- Primary Session (16 weeks or more)—Monday of third week

- 2) Students who are administratively dropped when a Petition to Challenge is denied will receive a full refund of the class(es) petitioned.
- 3) Students who are academically disqualified and administratively dropped will receive a full refund.

No refund is given for classes dropped after the deadline.

Students with a valid address on file and who do not have an outstanding financial obligation to the district will receive a refund in the mail or credit to their credit card. Refunds will be automatically sent to students after the add/drop deadline. For payments by check or e-check, there is a five week waiting period for checks to clear the bank before refunds will be processed.

NOTE: Students who drop all classes and wish to receive a refund must also submit their parking permit before the refund will be granted. If the permit is not returned within the two-week refund period, the student will not receive a refund for the permit.

Student Services

Career Center

Modular Village

619-388-2777

The Career Center provides a variety of job seeking and career related resources and activities for students and graduates of Mesa College.

- Career assessments
- Career and industry exploration
- Labor market information
- Resume assistance
- Interview techniques
- Job seeking skills
- Assessment of transferable skills
- Annual Spring Career Opportunities Expo
- Current local and nation-wide job listings
- Online job board
- Internships
- Internship Program
- On-campus job boards
- Employment recruiters on campus
- Computers for online job search
- Career Counseling

All services are free and provide support for students seeking job and career assistance.

Student Learning Outcomes

The Career Center faculty and staff have identified the following Student Learning Outcomes for the various services provided by the Career Center:

- To develop an online career exploration profile to identify career exploration needs
- Locate career information online by utilizing career exploration tools
- Save information to career exploration portfolio after analyzing career options

Counseling Services

Modular Village MV-27

619-388-2672

Academic, career, and personal counseling services are provided in the Counseling Department. Services include academic skills assessment and development of a Student Education Plan (SEP), which outlines what courses are needed for graduation and/or transfer and provides a checklist for requirements completed and those remaining. Students should have official transcripts from other colleges on file and evaluated before seeking to obtain an official SEP. Once students initiate the filing of their transcript(s) and confirm its arrival at the Mesa College Records Office (I-408), a request for the evaluation must be made in the Counseling Department. The entire process may take up to a month to complete. Students are advised to review the catalog and schedule for program and general information prior to meeting with a counselor. The Counseling Department offers college success and career planning through courses in Personal Growth listed in the schedule of classes.

Student Learning Outcomes

The Counseling Department faculty and staff have identified the following Student Learning Outcomes for the various services available in the Counseling Center:

- Ability to locate, apply, analyze problems, synthesize, conceptualize and evaluate information utilizing a variety of resources to make decisions. The outcome includes both inductive and deductive logical reasoning and methodological processes.
- Ability to articulate thoughts, goals, processes and makes decisions.
- The ability to identify one's own needs, determine resources and access appropriate services.
- Ability to understand one's role in society, take responsibility for one's own actions, make ethical decisions in complex situations, and participate actively in a diverse democracy.
- Ability to become exposed and made aware of cultural values and issues.
- Ability to use various methods of technology.
- Demonstrate the ability to utilize Intellectual Growth in decision-making
- Relate the effects of Healthy Behavior on goal accomplishment.

- Demonstrate the ability to be Independent by means of self-advocacy.
- Justify Career Choices based on accumulated information or data.
- Display Enhanced Self-Respect and positive self-image.
- Adopt behaviors indicative of Satisfying and Productive Lifestyles.
- Develop Personal and Educational Goals.

Disability Support Programs and Services (DSPS)

13-101 619-388-2780 619-388-2974/tty

Mesa College provides programs and services for students with disabilities in compliance with State and Federal legislation including Sections 504 and 508 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA). Student participation in the program is voluntary and confidential.

Anyone interested in receiving services must contact DSPS well before classes start to establish eligibility to ensure timely provision of services. Information can be found at www.sdmesa.edu/dsps.

Eligible students who have a verifiable disability may qualify for support services through DSPS. The programs and services are designed to support students in the achievement of their academic and vocational goals. Specialized classes for students with disabilities are available to support the college academic and vocational programs through DSPS, Physical Education and English Departments. Services provided include priority enrollment, interpreters for deaf students, note-taking materials, test-taking modifications, tape recorders, brailers, use of special equipment and adaptive devices, and specialized counseling and referral. Liaison with community agencies is also an important component of the program. The campus is physically accessible.

Student Learning Outcomes

The Disability Support Programs and Services faculty and staff have identified the following Student Learning Outcomes for the various services provided by Disability Support Programs and Services:

- Identifies educational barriers and functional limitations that are unique to him/her as a result of his/her disability. Develops a Student Education Contract with a counselor and understands how to use it to achieve educational goals
- Discusses his/her educational limitations and appropriate accommodations with the instructor. Utilizes "self-advocacy" skills to speak with instructors
- Identifies appropriate accommodation options with assistance of DSPS counselor
- Requests appropriate academic accommodations in a timely manner.
- Participates in diverse activities, DSPS programs and can access campus resources
- Ability to apply and adapt technology and access options

Service Animals

The San Diego Community College District will permit qualified students with disabilities to use service animals in district facilities and on district campuses (Policy 3105.2) in compliance with state and federal law. Please contact the DSPS Office at the enrolled college for review and approval for the issuance of SDCCD identification.

English for Speakers of Other Languages (ESOL)

Counseling, Modular Village MV-27 619-388-2672

The English as a Second Language Program is designed to prepare students to read, write, speak and listen at a level that enables them to succeed in college courses. The program consists of four levels, and the student is assigned a level based on the result of his/her placement test. Students interested in enrolling in ESOL courses should schedule an assessment test for placement into the appropriate skill level.

For more information on the English as a Second Language Program, students should contact the college Counseling Office.

Extended Opportunity Programs and Services (EOPS) and Cooperative Agencies Resources for Education (CARE)

What is EOPS?

I3-101

619-388-2706

EOPS is a state-funded program. Its purpose is to provide enhanced recruitment, retention, and transition services to eligible students. The services offered are “above and beyond” those offered by the college's Student Services division. The primary services include assistance in the following areas: priority enrollment, counseling/advisement and preparation for transition to four-year universities or the workplace. Services may also include book vouchers and financial assistance, depending on funding. For detailed information on all services offered and application procedures, please contact the EOPS Office.

EOPS students who are single parents, have a child less than 14 years of age, and receive CalWorks for themselves and/or their children are encouraged to apply for the program's Cooperative Agencies Resources for Education (CARE) component. CARE provides additional support services, including grants, meal cards, educational supplies and parking permits to address those needs that are unique to single parents.

You may be eligible for EOPS if you are enrolled full-time (at least 12 units). At least 9 of these units must be taken at Mesa College. The other 3 units may be taken at other colleges within the San Diego Community College District in order to be considered a full time student for admissions eligibility. In addition, you must meet all of the following criteria:

- 1) You are a resident of the state of California, as determined by the Admissions Office.
- 2) You are (or plan to be) a full-time student.
- 3) You qualify to receive a Board of Governors Waiver A or B.

- 4) You have not completed 6 semesters or 70 (or more) units of degree-applicable college course work. This includes courses taken at other colleges.
- 5) You are determined to be educationally disadvantaged by meeting any one of the following criteria:
 - a. You do not qualify to enroll for the minimum level English or Math courses required for your degree objective.
 - b. You have not fulfilled the requirements for a high school diploma or General Educational Development (GED).
 - c. Upon graduation from high school your high school grade point average (GPA) was less than 2.5 on a 4.0 scale.
 - d. You have been enrolled in a Math or English course, or program that is considered developmental or remedial.
 - e. You have been enrolled in an English as a Second Language (ESL) class or program.
 - f. In the judgment of the EOPS director, using state guidelines, you are determined to be educationally disadvantaged.

Student Learning Outcomes

The Equal Opportunity Programs and Services (EOPS) and Student Tutorial and Academic Resources (STAR) faculty and staff have identified the following Student Learning Outcomes for the various services provided by EOPS and STAR:

- EOPS and or STAR Students will know program requirements.
- Students will be able to ask for help and utilize resources.

How to Apply

Students interested in applying for the EOPS program must complete an EOPS application and the Free Application for Federal Student Aid (FAFSA) or the Board of Governors Grant Waiver. These applications are available in the EOPS and Financial Aid Offices. They are also available online or in the EOPS/STAR Office located in I3-101. Students should apply early to ensure that they receive consideration for all services. It is recommended that students complete the FAFSA by the priority filing date published by the Financial Aid Office.

Financial Aid

13-100

619-388-2817

The Financial Aid Office is committed to assisting students who might otherwise be unable to continue their education because of a financial disadvantage.

Financial Aid funds are administered in accordance with a nationally established policy of financial assistance for education. The basis of this policy is the belief that students and their parents have the primary responsibility for meeting educational costs. The amount of the contribution expected from students and their family is determined by careful analysis of family financial strength taking into consideration net income, household size, allowable expenses, and assets. The U.S. Department of Education, in cooperation with Congress and educational agencies, has established procedures which are used in making an evaluation of the amount families can be expected to contribute.

Student Learning Outcomes

The Financial Aid faculty and staff have identified the following Student Learning Outcomes for the various services provided by the Financial Aid Office:

- Student demonstrates ability to evaluate the need for financial resources and seeks access to those resources.
- Student demonstrates ability to use technological resources such as FAFSA on the Web and Loan Counseling Sessions, as well as accessing forms online.
- Student demonstrates ability to correlate completing documents with deadlines for different aid programs.
- In an Appeal situation student demonstrates ability to evaluate past academic performance and present a well written statement with supporting documentation.

Application

Application materials are available on January 1st for the following academic year. The priority filing date for campus-based aid is April 15. The Cal Grant deadline is March 2. Students filing their application by this date will be the first considered in the award process. However, applications for financial aid are accepted throughout the school year until June 30, 2011.

Prospective students do not have to be accepted for admission to Mesa College to apply for financial aid. In fact, students should apply for aid as soon as the applications are available whether or not they have been admitted to the college since the application process for federal aid can take up to 12 weeks. However, students must be enrolled at Mesa College in order to be offered any financial aid funds.

All financial aid applicants must complete the Free Application for Federal Student Aid (FAFSA). The FAFSA can be filed on the Internet at www.fafsa.ed.gov. Those who wish to file the paper application must contact the Department of Education at 1-800-433-3243 and request that the form be mailed to them.

Academic transcripts from all prior colleges attended must be submitted before the processing of a financial aid application can be completed. Academic transcripts must be submitted directly to the District Records Office. (See Transcripts of Prior Academic Credit)

Eligibility

In order to be eligible to apply for financial aid, a student must be a citizen or permanent resident of the United States or be in the country for other than a temporary purpose with the intention of becoming a permanent resident.

Eligible non-citizens may be required to provide proof of permanent residency for Federal Aid. F-1, M5, R1, or R2 Visa students are not eligible for financial aid at Mesa College. For further information regarding other eligible immigration statuses, contact the Financial Aid Office.

Students who do not have a high school diploma or equivalent are required to demonstrate "Ability to Benefit" from instruction. Information is available in the Financial Aid Office.

Awards

Awards take the form of a "package" of financial aid, usually consisting of grant money and work-study, depending on the financial need of the applicant and the availability of funds. Awards may be adjusted at any time upon notice of receipt of resources not previously reported. Revisions to awards are always possible because personal financial circumstances can be very unpredictable. **If funding is available, aid for valid educational expenses not already covered in the student's budget may be offered.**

Financial aid checks are usually ready for disbursement approximately four or five weeks after the start of classes. Pell Grant disbursements are based on enrollment levels at the time of payment and will not be adjusted. However, SEOG, Cal Grant and loan payments will be adjusted according to enrollment status. If you withdraw from classes after aid has been disbursed to you, you may be required to repay all or part of this aid. (see "Return of Title IV Funds" on page 30)

An automated system is available in the college bookstores to allow California Resident students, who are enrolled in at least six units, to use a portion of their estimated Pell Grant to purchase books and supplies one week prior, and two weeks after, the start of the semester. Funds will be set aside from each eligible student's Pell Grant and placed in a special account in the bookstore. This account may be used for the purchase of books and supplies until the funds are exhausted. The account is valid at the City, Mesa, and Miramar College and ECC bookstores, regardless of where students are taking classes.

The student will be responsible for paying back the Bookstore Pell Grant if the student does not attend classes.

Students who elect not to purchase books from the college bookstore, or have any funds remaining on account, will receive the funds in the mail or by direct deposit with the remainder of their Pell Grant award according to the Pell Grant payment schedule for the semester.

Students must be making satisfactory academic progress as determined by the Standards of Satisfactory Academic Progress for Financial Aid Recipients. Copies are available in the Financial Aid Office, and on our website: www.sdmesa.edu/financial-aid/information.cfm.

Scholarships

Students are encouraged to apply for scholarships, which are available for students who meet the qualifications. These awards are donated by individual contributors, clubs and organizations both on campus and in the community. Amounts are determined by the donors and vary. Qualifying criteria may include financial need, a designated grade point average or other requirements to be eligible for consideration. Scholarship applications may be obtained from the Mesa College Office of Student Affairs, Room H-500 and www.sdmesa.edu/financial-aid/information.cfm.

Return of Title IV Funds

Federal law requires that if a student receives a Federal grant and then drops/withdraws from all of his/her classes, he/she may owe money back to the Federal Government.

Note that the earlier a student drops/withdraws, the more money he/she may have to pay back.

- If a student receives LOAN money and withdraws, he/she must pay back the money according to the normal rules of the loan program.
- If a student receives WORKSTUDY money and withdraws, he/she does not owe anything back and may keep the salary earned; but must stop working immediately.

For more detailed information, contact the Financial Aid Office.

Financial Aid Programs Available

Following is a basic description of the programs available. Contact the Financial Aid Office for detailed descriptions and eligibility requirements, or visit our website.

Enrollment Fee Assistance: Board of Governors Waiver (BOGW)

State law requires that students attending the college pay an enrollment fee. Students enrolled in credit classes are currently required to pay \$26.00 per unit.

The college offers the Board of Governors Waiver (BOGW), a state-funded program which will waive the enrollment fee for all eligible applicants. **Effective Fall 2006, students who are eligible for a Board of Governors Waiver will be required to pay the health fee.** The health fee will no longer be waived for students who are eligible for a BOGW other than students who are eligible for a BOGWA (TANF/ CalWorks, SSI/SSP, or General Assistance).

If you are a California resident, you will qualify for a BOGW if any ONE of the following statements applies to your current status:

- You have already qualified for financial aid, such as a Federal Pell Grant or a Cal Grant, which demonstrates that you have need as determined by Federal Methodology.
- You, or your parents in the case of a dependent student, are receiving TANF (Temporary Aid for Needy Families, SSI (Supplemental Security

Income), or General Assistance/General Relief at the time of enrollment.

- You have a letter from the Department of Veterans Affairs certifying that you meet the eligibility requirements of “certain disabled veterans, dependents of certain deceased or disabled veterans.”
- You are a dependent of a deceased or disabled veteran of the California National Guard. You must submit a letter of certification from the California National Guard Adjutant General's Office.

You meet the following income standards:

Number in Household (including yourself)	Total Family Income for 2009 (adjusted gross income and/or untaxed income)
1	\$16,245 or less
2	\$21,855 or less
3	\$27,465 or less
4	\$33,075 or less
5	\$38,685 or less
6	\$44,295 or less
7	\$49,905 or less
8	\$55,515 or less

Add \$5,610 for each additional family member.

To determine your eligibility for the Board of Governor's Waiver based on the above income standards, you will be considered independent if:

- You do not live with your parents or your parent's registered domestic partner
- You were not claimed as an exemption on any federal income tax filed by your parents or your parent's registered domestic partner in 2009

Federal Pell Grant

The Federal Pell Grant is the largest federal grant program and is the foundation of a student's total “aid package.” Eligibility is determined by the federal government using a standard formula for all applicants.

Enrollment status will be frozen at the time of disbursement after the add/drop period and will be the basis for Pell award. Once the Pell Grant award has been processed it will not be adjusted for additional units added during the semester. If you have a bachelor's degree, you are not eligible for a Pell Grant.

Academic Competitiveness Grant (ACG)

The Federal Academic Competitiveness Grant is a new program designed to provide additional grant money to students that have completed their state's high school graduation requirements on or after January 1, 2005 and have completed a rigorous high school curriculum as designated by their state. The high school is responsible for certifying completion of the rigorous high school curriculum. The ACG grant is limited to the first two academic years of College. Eligible students must be enrolled in at least 6 units, and be receiving Pell Grant funds at the same time. The grant amount may range from \$375 -\$750 for first year students and from \$650-\$1,300 for second year students. Eligibility ends once the student has completed 48 units of college work. **If you have a bachelor's degree, you are not eligible for an ACG Grant.**

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a federal grant program designed to assist students who have the greatest demonstrated financial need. Awarding of FSEOG funds is determined by the Financial Aid Office based on available resources.

Cal Grants

The Cal Grant program is administered by the California Student Aid Commission to help low-income students attend college. Students at the college may receive Cal Grant B or C.

- To be eligible for Cal Grant B a student must be a California resident and pursuing an undergraduate academic program of not less than one academic year.
- Cal Grant C is designed for students enrolled in a vocational program who are California residents from a low- or middle-income family.
- See the Financial Aid Bulletin for important dates and deadlines.

Chafee Grant Program

The Chafee Grant is a federal program that is administered by the California Student Aid Commission to provide financial assistance to prior Foster Youth. The applicant must be certified by the State Department of Social Services of their Foster Youth status prior to reaching age 16. The grant has no

citizenship requirement; however, non-citizens without a valid Social Security Number must call the CSAC for additional steps and information. The program awards a maximum of \$5,000 per academic year. Renewal applicants must maintain satisfactory academic progress as defined by the school.

Federal Work Study

Federal Work Study (FWS) allows students the opportunity to earn part of their financial aid by working in assigned jobs, both on and off campus. The salary received is at least equal to the current minimum wage, but many Federal Work Study jobs pay more than minimum wage. Federal Work Study differs from the other financial aid programs in that a student is allocated a certain amount of money to earn. As work on the job is completed, a time card is submitted for the hours worked just as at a regular job. Once a month the student receives a paycheck for the hours worked. Once the amount allocated in the financial aid package is earned, the job ends.

Student Loans

Applicants for student loans will be subject to college policy requirements regarding enrollment status, length of attendance, number of units completed, and total amount of previous loans.

Contact the Financial Aid Office for other requirements.

Federal Direct Loan (Subsidized)

The Federal Direct Loan is a federal loan program that replaced the Stafford Loan program. Instead of borrowing from a bank, students borrow directly from the Federal Government.

A community college student may borrow \$3,500 as a first year student and \$4,500 as a second year student. A student may not borrow more than a total of \$23,000 as an undergraduate student. The interest rate is a fixed rate. Borrowers are required to pay an origination and insurance fee which is currently 1%. These fees are deducted from the proceeds of the loan.

To qualify, a student must be enrolled in at least six units and must demonstrate financial need through the federal methodology. To apply for a Federal Direct Loan, students must complete a FAFSA. All new applicants must also complete a mandatory loan entrance counseling session. The counseling session is required even if a student has attended a Stafford loan workshop in the past. You may complete the entrance

counseling session on-line at <https://studentloans.gov> (and click on Entrance Counseling). The Financial Aid Office will be notified when the session has successfully been completed. In addition, you must fill out a Loan Request Form from your Financial Aid Office.

Borrowers may also be required to submit a student educational program plan. The actual loan amount for which a student is eligible will be determined by the Financial Aid Office. Students must have financial need to qualify and must repay the loan. Funds will be disbursed twice per loan period. Funds for first-time borrowers will be disbursed at least 30 days after the start of the semester. Verification of attendance or active enrollment in at least 6 units must be completed prior to the release of funds to the student. If your 6 units include Late Start classes, funds will be disbursed 1 (one) week after the start of the Late Start class(es). For additional information, please refer to the Financial Aid Bulletin or call the Financial Aid Office at 619-388-2817.

Federal Direct Loan (Unsubsidized)

Since July 1, 1999, City College, Mesa College and Miramar College have not participated in the Unsubsidized Federal Direct Loan Program.

Plus Loan

Parents of dependent undergraduate students may borrow from the PLUS loan program. The amount borrowed may be up to the cost of attendance minus any financial aid. Parents must begin repayment within 60 days of receiving the full disbursement of the loan. The interest rate is a fixed rate. Borrower must meet all other financial aid eligibility requirements, including completing the FAFSA.

Student Emergency Loans

Short term loans for limited amounts of money are available to students in emergency situations. The student must have a completed financial aid file to apply. Contact the Financial Aid Office for further information.

National Student Clearinghouse

All current SDCCD student's enrollment levels are automatically sent to the National Student Clearinghouse. Submission and disclosure of enrollment levels is a federal requirement for students with current and past student loans according to regulations. Enrollment information for students with no prior or current student loan history is protected

from disclosure by the contractual agreement between the National Student Clearinghouse and the San Diego Community College District. For more information, please contact your campus Financial Aid Office.

Outreach

Modular Village 619-GO-2-MESA

Our mission is to inform and educate the on- and off-campus communities about the opportunities that exist for them in higher education at San Diego Mesa College. Through one-on-one interaction with students at our feeder area schools, participation in community events and college fairs, and work with Mesa College student and instructional services, we hope to foster and enrich a college-going culture while educating and inspiring the community at large to pursue its academic potential.

If you have any questions or would like a campus tour, please visit us in I3-202E or call us at 619-GO-2-MESA.

Student Learning Outcomes

The Outreach faculty and staff have identified the following Student Learning Outcomes for the various services provided by the Outreach Program.

- Formulate appropriate questions pertaining to becoming a student at Mesa College.
- Articulate at least two ways that outreach services have reinforced students' confidence in their ability to succeed in college.
- Demonstrate the ability to think and react in a respectful manner when interacting with outreach staff.
- Take responsibility for the positive or negative consequences of their actions.
- Analyze their strengths and weaknesses relative to being a student.
- Identify the types of resources needed to succeed in college.
- Express confidence in their ability to formulate goals.
- Set personal and educational goals.
- Demonstrate the ability to effectively utilize computers and other technology.
- Demonstrate the ability to complete application and enroll in classes online.

Transfer Center

Modular Village 619-388-2473

The Transfer Center is the focal point of transfer activities on campus. The Transfer Center serves as a resource center for students to become experts of their transfer goals and to successfully transfer.

- Academic and admissions advising from university representatives
- Guarantee Admissions Programs to many universities
- Workshops on transfer requirements, guarantee admissions, transitioning to universities, and others
- A library of reference materials and catalogues
- University brochures and handouts
- Computer stations for college research, transfer information and applications
- Annual Transfer Day and HBCU Day
- Weekly Transfer Hour on the quad, Transfer Time in LRC
- Campus visits

All students are encouraged to walk-in or visit the Transfer Center website to research colleges and majors, browse through catalogs, access online advising sheets and sign up for workshops. For more information, use the Transfer Guide section of this catalog.

Student Learning Outcomes

The Transfer Center faculty and staff have identified the following Student Learning Outcomes for the various services available in the Transfer Center.

Students will be able to

- Articulate transfer goals to counselor.
- Create an educational plan.
- Calculate transferable GPA.
- Identify at least one university that offers their major.
- Identify a campus environment that matches student's personal cultural values and issues.
- Identify an appropriate pattern of general education courses for a given major and

university by utilizing ASSIST website or other similar resources.

- Articulate a personal transfer timeline to their selected university.
- Articulate next steps for successful transfer.

Veterans and Service Members

Veterans Center Military Service Connected Benefit Programs

Modular Village

619-388-2805

The San Diego Community Colleges have been approved to offer military service connected benefit programs leading to a certificate, an Associate Degree or transfer to a four-year institution. The Veterans Affairs Office staff provides counseling, guidance and a mandatory orientation to veterans and assists them in the selection of educational programs which qualify for veterans benefits. The final responsibility for monitoring the process of qualification for educational benefits resides with the individual. Each veteran must read, understand, and comply with the many rules, regulations, and procedures that influence the benefit process. All paperwork must be submitted in person.

Students must be enrolled in at least half their total units at Mesa College.

Failure to take the proper classes can result in an overpayment and the reduction or termination of benefits.

Student Learning Outcomes

The Admissions, Records and Veterans faculty and staff have identified the following Student Learning Outcomes for the various services available in Admissions, Records and the Veterans Office:

- Ability to locate, apply, analyze problems, synthesize, conceptualize and evaluate information utilizing a variety of resources to make decisions. The outcome includes both inductive and deductive logical reasoning and methodological processes.
- Critical Thinking: Ability to locate, apply, analyze problems, synthesize, conceptualize and evaluate information utilizing a variety of resources to

make decisions. The outcome includes both inductive and deductive logical reasoning and methodological processes.

- Ability to articulate thoughts, goals, processes and make decisions.
- The ability to identify one's own needs, determine resources and access appropriate services.
- Ability to understand one's role in society, take responsibility for one's own actions, make ethical decisions in complex situations, and participate actively in a diverse democracy.
- Ability to use various methods of technology.
- Demonstrate the ability to adhere to VA Guidelines.

Disabled Veterans

Veterans who qualify for educational benefits as disabled veterans may be entitled to special educational benefits. Veterans should visit the Veterans Administration Regional Office, 8810 Rio San Diego Dr., San Diego, CA 92108, to determine their eligibility for disabled status (Telephone: 1-800-827-1000).

Veteran Dependent Exemption

Children and spouses of U.S. Veterans with service connected disabilities may be eligible for waiver of college fees and/or for a small monthly payment. For more information see the Veterans Affairs Office on campus.

Liability

The veteran assumes full liability for any overpayment of veterans benefits.

All persons receiving educational benefits must report to the Veterans Affairs Office after enrollment **every semester** to continue their benefits. In addition, a Student Educational Plan (SEP) must be on file by the end of the first semester; otherwise, certification of VA benefits will be delayed for the second semester. This plan must be developed and reviewed by a counselor. Veterans with disabilities are encouraged to pursue services offered through Disabled Students Programs and Services.

Number of Units Required

For students enrolled in a degree program, the following number of units are required each semester to qualify for educational and training allowance:

12 units or more	full allowance
9–11.5 units	three-fourths allowance
6–8.5 units	one-half allowance
2–5.5 units	one-quarter allowance*

* Chapters 32 and 1606 only. All other chapters, tuition and fees only.

Short-term and summer session courses are computed proportionately for payment purposes.

Withdrawal/Change of Classes

Veterans are required to notify the campus Veterans Affairs Office when they stop attending class, withdraw from the college, or add or drop a class. Such changes should be reported immediately after completing the add/drop procedure through Reg-e. Failure to comply with this regulation will be grounds for decertification.

Veterans Academic Progress

A veteran student on Academic or Lack of Progress probation status will be disqualified when his/her grade point average (GPA) falls below 2.0 for two consecutive semesters. The College Veterans Affairs Office is required to notify the Department of Veterans Affairs (DVA) of this status. The DVA will terminate benefits unless it can be shown that the student is pursuing an appropriate objective and has a reasonable chance for success in the chosen program. Please contact the Veterans Affairs Office for more information.

Readmissions After Termination Status

Students who wish to be considered for readmissions after the VA termination will be required to meet with a VA counselor and develop a Student Success Plan prior to being readmitted.

Repeated Classes

Veterans may not receive benefits for a repeat of a course in which a grade of "A," "B," "C," "D," or "P" has already been earned. Although District policy allows a student to repeat a course in which a "D" grade has been received; the course may be certified for benefits only if this catalog states that a grade of "C" or better in that course is required to earn a degree or meet a prerequisite.

VA Orientations

All first time veterans and/or dependants receiving educational benefits must attend a mandatory VA orientation within 90 days of the first semester. If a VA orientation is not attended all benefits will be terminated effective the first day of the semester.

Work Experience

Veterans may be approved for Work Experience classes only if work experience is required in their major or if they have electives available according to their education plan.

Transcripts

All official transcripts of prior college work and military schools, including copies of form DD214, Smart Transcript or DD2685 covering all periods of military service, must be on file in the Records Office by the end of the first semester of attendance at this college. Certification for benefits for the second semester will be withheld if transcripts are not received. Visit the Veterans' Affairs Office (I-408) for necessary forms.

Academic, Vocational & Support Services Programs

Mesa Academy

Counseling, Modular Village 619-388-2536

The Mesa Academy is designed to support the academic success of Mesa College students. In addition, the program is designed to encourage and assist students earning a Certificate of Achievement, Associate Degree, and/or a Transfer Studies Degree while attending San Diego Mesa College. Students participating in the Mesa Academy are provided with writing, counseling, and mentoring services throughout their Mesa College career. Discussions, activities, and materials utilized in the program are from an African American perspective. The Mesa Academy is open to all students.

Mesa Academy students participate in the following learning components:

- **Mentoring:** Students receive educational and career advice from Mesa College Faculty/Staff and members of the community through mentorship.

- **Counseling:** Academic, career, and personal counseling is offered by the Mesa Academy Program Counselor and mentors. Mesa Academy Program students develop and complete a career plan and an educational plan.
- **Personal Growth/English:** Mesa Academy Program students enroll in Personal Growth 120 and Personal Growth 140. Personal Growth 120 is paired with English 051 and Personal Growth 140 is paired with English 101 as part of the Mesa College Learning In Communities (LinC) Program.
- **Campus Tours:** Mesa Academy Program students participate in a “Transfer-for-a-Day” Program.
- **Cultural Events:** Mesa Academy Program participates in the planning of Historical Black College University (HBCU) Transfer Day, African American Heritage Events, and the African American/Latino Male Leadership Summit.
- **Study Skills:** STAR Tutoring program provides tutorial services for Mesa Academy Program students in all subjects. Mesa Academy Program students are encouraged to utilize the College Tutorial Services especially the Writing Center.
- **Peer Support:** Mesa Academy students get an opportunity to develop leadership skills, and conduct campus programs through the Mesa Academy Club. Previous Academy students act as mentors to current Mesa Academy Program students.

For more information, contact the Mesa Academy Coordinator in the Counseling Department located on the 3rd floor of the I 400 Building.

Mesa LinC -Learning in Communities

Counseling, Modular Village 619-388-2834

Mesa LinC, Learning in Communities, is an innovative program designed to promote student success by offering a new approach to traditional courses by linking two courses together. LinC instructors work as a team, coordinating class activities and assignments to create a better understanding of both courses. Students are with the same group of students in the linked classes joining together as a team. This facilitates long lasting friendships as students support each other with their classes. Students benefit from a coordinated class work load and from a strong support network of LinC faculty and students in a friendly atmosphere.

Participation in Mesa LinC has been shown to contribute to improved student success. Mesa LinC offers three pathways to success, LinC to Transfer, LinC to Careers and LinC to Success. Students are required to enroll in all classes within a LinC. Mesa LinC courses can be located in the class schedule under Learning Community, English, Humanities, Math, Library Science and Personal Growth.

Puente Project

Counseling, Modular Village 619-388-2420

The Puente Project, co-sponsored by the University of California and the California Community Colleges, is an academic preparation, retention and transfer program. Puente is a year-long program in which students participate in three components:

- **Writing**—students enroll in English 49 for the Fall and English 101 for the Spring semester. Course materials focus on Latino/Chicano literature and experience to enhance writing skills.
- **Counseling**—academic, personal, transfer and career counseling is offered. Students enroll in PERG 120 for the fall semester and PERG 140 for the spring semester.
- **Mentoring**—students are exposed to various career options through their close involvement with mentors.

Materials utilized in the Puente Project come from the Latino/Chicano perspective. Classes are open to all students. If interested in participating, please stop by the Counseling Office, I-430, and speak to the Puente Counselor.

STAR TRIO (Student Tutorial and Academic Resources)

I3-101 619-388-2706

STAR is a federally funded TRIO Student Support Services program that provides opportunities for academic development, assists students with basic college requirements, and serves to motivate students towards the successful completion of their postsecondary education. The goal of STAR is to increase the college retention and graduation rates of its participants and to facilitate the process of transition to the four-year university. Services include tutoring, academic advisement and counseling, economic and financial literacy and transfer assistance. All services are free to eligible students. For an application or additional information, visit the website or come into the office.

Learning Resources Center (LRC)

The Learning Resource Center (LRC) is home to the campus's library, audiovisual services and a large student computer lab called the Center for Independent Learning (CIL).

Student Learning Outcomes

The LRC Faculty have identified the following Student Learning Outcomes (SLOs) for the various services available in the LRC:

- Students will be able to complete the procedures necessary to borrow materials. (Library Circulation)
- Students will be able to locate materials they are seeking using appropriate LRC resources. (Library Public Services, including Reference Services and Library Instruction; Audiovisual Services, and Library/AV Collections).
- Students will be able to access appropriate lab tools to complete class assignments. (CIL)

Library and Audiovisual Services

Library	619-388-2695
Audiovisual Services	619-388-2690
Library Administration	619-388-2799

Library Website: sdmesa.edu/library

LRC Website: sdmesa.edu/lrc

CIL Website: sdmesa.edu/cil

Location: The Library, Audiovisual Services, and The Center for Independent Learning are located in the Learning Resource Center (LRC) building. The Library is housed on the first three floors of the four-story structure (Floor One: Reference, Periodicals, and Checkout services; Floor Two: Individual study and group study rooms; Floor Three: Circulating book collection). The Center for Independent Learning, Audiovisual Services, and student print stations are located on the fourth floor.

Special LRC Features:

- Wireless computer access is available on all four floors of the building.
- There is a cafe on the 1st floor.
- 24/7 Live Chat Reference Service is accessible from the library website.

- Photocopiers are located on all 4 floors, and printers are situated on floors 1 and 4.

Important Library Resources:

Library: The 115,000 hard-copy books, 35,000 electronic books, 3,000 films, tapes, DVDs and records in the Mesa College Library and Audiovisual Services can be accessed easily by using any of the public computers located in the Library and Audiovisual Services. The computers also access the City College and Miramar College Library collections.

Databases: These comprehensive databases include citations, abstracts and full-text articles in 8,000 periodicals, including a cross-section of 200 American and international newspapers.

***Access Science:** Includes online version of McGraw-Hill Encyclopedia of Science & Technology and other science resources.

AP Images: A selection of photos, charts and graphics associated with current news.

ARTstor: A rich collection of images primarily covering the fields of art, architecture, design, and archeology.

***Biography Reference Bank:** Contains biographical information on over 500,000 people.

***Ebsco "Academic Search Premier"** indexes over 7,500 scholarly journals and provides full-text coverage of over 4,400 journals.

***Ebsco "Master File"** offers full-text coverage of over 2,000 magazines and journals on many subjects including business, health, education, science, and multi-cultural issues.

***Ethnic Newswatch:** This includes full-text articles from a wide variety of periodicals published in the United States by the ethnic and minority press.

Hoover's Company Capsules and Profiles: Information on companies and businesses.

JSTOR: This is a valuable collection of articles archived from scholarly journals representing a wide variety of disciplines.

***Literature Resource Center:** This database is a comprehensive electronic resource which consists of full-text monographs and other literature reference sources.

***Oxford Reference Online** contains online publications on many subjects published by Oxford University Press.

* **STUDENTS WITH AN EMAIL BOX MAY TRANSMIT ARTICLES TO THEIR BOX WITHOUT CHARGE.**

***Oxford English Dictionary Online (O.E.D.):** This is an electronic version of the most authoritative English dictionary providing extensive information on word origins.

***Other Subject-Specific Databases:** Access to subject-specific databases related to Psychology, Women's Studies, History, and Communication/Mass Media is now available.

Access to the Internet: Thirty-five computers are dedicated to Internet access in the reference area of the library. There are also computers able to access the internet on the 2nd and 3rd floors of the LRC.

Career Collection: Books containing current information on colleges and universities, financial aid, occupations, college entrance examinations, and job examinations are kept in this special collection. Hard-copy college catalogs of many California colleges and universities are also available here.

Library Instruction: Offerings include walk-in workshops; instructor-requested class sessions; and one-on-one instruction appointments.

Important Audiovisual Resources and Services: Audiovisual Services contains audio cassettes and CDs, videotapes and DVD's. These audiovisual materials and the equipment needed to use them are circulated to instructors for use in the classroom. Students may review any of these materials in listening and viewing booths, and they may borrow materials and equipment for use in class presentations if they have the written approval of their instructor. Media production equipment is available for students to create original audiovisual materials for use in the classroom. (There may be a fee for materials used.) A color copier is also available for a fee.

Center for Independent Learning (CIL)

LRC—4th Floor 619-388-2690

Website: sdmesa.edu/cil

The Center for Independent Learning (CIL) serves as one of the focal points for instructional innovation at Mesa College. It provides individualized learning experiences for students wanting to improve academic skills, to augment in-class activities, or to study a particular subject in depth. The collection includes a variety of media formats including audio cassettes, slides, videocassettes, and computer software.

Students may work with instructors to select self-paced instructional materials geared to their own needs, or they may use the CIL to supplement regular class assignments.

The CIL Student Computing Lab has more than 140 computers and current software all running in a Windows XP network environment and four Apple Macintosh computers. The CIL lab provides Internet access and there are multiple academic programs covering a wide spectrum of subjects including: Adobe Suite, Anthropology, Architecture, Astronomy, Biology, Geography, Mathematics, Nutrition, and Psychology. Of course, there is also the Microsoft Office Suite to use when preparing reports and class assignments.

Scanners and copier printing services (including color and transparencies) are available. Your student ID is required.

A helpful qualified assistant is also available to assist you. If you have questions, please come see us; we're user friendly!

Computer Services

The use of District computer equipment is limited to District staff and students.

Tutorial Services

Mesa College provides comprehensive tutoring services to students. Various tutoring programs work together to help meet the wide array of student learning needs. Each tutoring center has its own specialization and brings resources that help students achieve their educational objectives.

Students accessing the services of the Tutoring Center will be able to:

- Improve their abilities in critical thinking, specifically analyzing problems, conceptualizing theses, and deriving conclusions. Students will enhance both inductive and deductive reasoning.
- Improve their communication in writing, speaking, and/or other modes of communication.
- Enhance their ability to take responsibility for their learning and become independent learners.
- Gain experience in collaborating with students from diverse cultural and ethnic backgrounds, both in small groups and one-on-one.
- Expand their experiences and knowledge in using technology as part of the learning process, including information competency skills.

Student Learning Outcomes

The Tutoring Center faculty and staff have identified the following Student Learning Outcomes for the various services available in the Academic Skills Center.

Students accessing the services of the Tutoring Center will be able to:

- Improve their abilities in critical thinking, specifically analyzing problems, conceptualizing theses, and deriving conclusions. Students will enhance both inductive and deductive reasoning.
- Improve their communication in writing, speaking, and/or other modes of communication.
- Enhance their ability to take responsibility for their learning and become independent learners.
- Gain experience in collaborating with students from diverse cultural and ethnic backgrounds, both in small groups and one-on-one.
- Expand their experiences and knowledge in using technology as part of the learning process, including information competency skills.

Tutoring Center

I-207 (M)

619-388-2898

The Center provides free tutoring in Math, Science and a variety of other subjects for all Mesa College students. Tutoring is mostly available on a walk-in basis. Tutoring is provided by trained peer tutors and faculty volunteers. A schedule of subjects tutored is available in the Center and on our web page. The service is free to all Mesa College students and is available on a first-come, first-served basis. For additional information please call the Tutoring Center or visit our web page at: www.sdmesa.edu/tutoring-center.

The Bridging Lab

I-207 (M)

619-388-2869

The Bridging Lab is housed within the Tutoring Center. Instructors provide free individual help in English, ESOL, and study skills. Students may also review for college or course entry, Mesa's placement test, TOEFL or GED tests. Computers for writing, instructional software, and research are available. Bridging Lab instructors work with students on a walk-in basis and the lab is open to all students.

Student Health Services

L-504

619-388-2774

The Student Health Services supports the success of students by attending to their physical and psychological well-being through the following services:

- Acne Management
- Blood Pressure screening
- Family Planning
- Health Counseling
- Lab Services
- Limited Pharmacy
- Physical Exams
- Physician and Nurse Practitioner Care
- Psychological Counseling
- Smoking Cessation
- STD Diagnosis and Treatment
- TB tests
- Vaccinations
- Women's and Men's Health

Nurse practitioners are on duty daily. A medical doctor and psychological counselors are available by appointment only. Psychological counseling appointments are \$10 in cash for each visit. A sliding fee/scale is also available for those who can't afford the \$10 fee. Some medical procedures may also require a fee.

For the protection of college students and personnel, students may be asked to supply health records. In addition, the college may require health consultations and physical examinations when they appear necessary. Legal injection of prescribed medications must occur in the Health Center for safety purposes. All students are strongly encouraged to obtain immunizations against communicable diseases as recommended by public health authorities. Please visit our website for complete and updated information. www.sdmesa.edu/health-services/index.html.

Student Learning Outcomes

The Student Health Services faculty and staff have identified the following Student Learning Outcomes for the various services available in Student Health.

After using Student Health Services, students will be able to:

- Articulate their knowledge about their physical and psychological health and wellness.
- Verbalize information about culturally diverse practices and beliefs (when engaging in events presented by the Cultural Advisory Council).
- Use the appropriate campus areas to smoke cigarettes.

Student Accident Insurance

The Student Accident Insurance Plan provides coverage for on-campus or college-related injuries. This insurance covers most reasonable charges. The student, however, is ultimately responsible for any medical expenses incurred. Evening students taking physical education or designated "hazardous" classes are also covered.

Student Accident Insurance is co-insurance. Students covered by a primary health organization or any other type of medical insurance should first seek treatment and payment from the provider or insurance company. All student claims are made through the Student Health Services office. The student, however, is ultimately responsible for any medical expenses incurred.

Child Development Center

Building R

619-388-2812

The Child Development Center is a campus laboratory school that provides students with the opportunity to observe and study growth and development patterns in young children. The Center offers an educational program for children 2–5 years of age. The Center also participates in a collaboration with Neighborhood House Association (NHA) Head Start for children 3–5 years of age. The Child Development Center is accredited by the National Association for the Education of Young Children (NAEYC).

Enrollment in the Center is limited to the children of parents attending day classes at Mesa College. Due to limited space, priority is given based on eligibility as

defined by the Child Development Division (CDD) and Head Start income guidelines, California State Department of Education. Parents of children participating in the Center are required to enroll in specific child development courses that support the operation of the children's program. The courses have a lab participation requirement which is completed by working in the Center. Course requirements vary according to the program in which the child is enrolled.

The Center's CDD program operates during the fall, intersession, and spring semesters. The Center's Head Start program operates during the fall, intersession, spring, and two five-week summer sessions.

Hours of Operation: 7:30 am–5:00 pm, M–Th
7:30 am–2:00 pm, F

License #372005155

This institution is an equal opportunity provider.

Campus Life

Life on the Mesa College campus is rich and dynamic. Students and staff have a variety of educational, leadership, social, and cultural events and activities in which to engage according to their needs and interests.

Community Events

Mesa College actively supports various community events. Students and staff are invited and encouraged to participate in these events as representatives of the college and as concerned community members.

Student Activities

Student Clubs and Organizations

H-500

619-388-2699

The many activities sponsored by student clubs and organizations provide a rich and exciting multicultural dimension to college life at Mesa. All clubs contribute to a lively and student-oriented environment on campus. Examples of student activities include:

- Asian-American/Pacific Islander History Month
- Black History Month Celebration
- Cinco de Mayo Celebration
- Club-Rush
- Community Service activities
- Cultural Events

- Festival of Colors
- Holiday Fair
- Scholarship Workshops
- Spring Fling
- Student Appreciation Day
- Women's History Month

An alphabetical listing of the active and inactive clubs at Mesa is available in the Student Affairs Office. Students who do not find a club that interests them are encouraged to start a new club.

Honor Societies

San Diego Mesa College has two active honor societies on campus.

Phi Theta Kappa (ΦΘΚ)

Beta Beta Upsilon Chapter is an international honor society. To be eligible, students must have completed 12 semester units and have a 3.5 GPA. PTK provides international recognition for academic excellence.

Advisors: Beate Bermann-Enn, Sondra Frisch, and Elizabeth Hueneberg. Call 619-388-2203, 619-388-2989 or 619-388-2301 for more information.

Psi Beta (ΨΒ)

Psi Beta is a National Honor Society in Psychology for Community and Junior Colleges. It is a national honor society for students enrolled in or majoring in Psychology. To be eligible for membership, students must have a cumulative GPA of 3.0, or range in the top 35% of enrollment, and completion of one Psychology course and 12 semester hours.

Advisor: Jaye Van Kirk 619-388-2290

Associated/Student Government (ASG)

H-600 619-388-2903

The Associated Students Government is the representative body of the students in the shared governance process at Mesa College. The Associated Students Government provides students with practical leadership experience in the area of budget/financial planning, parliamentary procedures, and in the development of programs and services which are designed to meet the students' needs. The student leaders and the staff of the Student Affairs Office

encourage you to get involved and take part in the many leadership opportunities available at Mesa College.

Current district policy allows the elected Associated Student President to share the responsibility of the Student Trustee. The Student Trustee is a non-voting member of the Board of Trustees of the San Diego Community College District and represents the student voice on the Board.

Any student who participates in student government may not have any Policy 3100 violations of suspension or greater, as stated on their official student record.

Associated Students Membership

MV-17 619-388-2903

While purchase of this membership is voluntary, students are strongly encouraged to purchase it in order to gain access to valuable benefits. You can purchase your ASG membership online at <http://studentweb.sdccd.edu> or in the Accounting Office, I-412.

Associated Students of San Diego Mesa College

With Your A.S. Membership Fee You Receive:

- Admission to Athletic Events
- A.S.G. Fax Machine
- Book Loans
- Discounts
- Emergency Loans
- Entertainment & Guest Speakers
- Free Gift (Academic Planner)
- Free Scantrons
- Free Transcript
- Scholarship Opportunities

Your A.S. Membership Card Supports:

- All Student Clubs & Organizations
- Associated Students Government
- Cultural Events

- Leadership Opportunities (including conferences and workshops)
- Mesa College Departments and Programs
- Scholarships & Awards
- ASG Textbook Rental Program

Looking for Leadership Opportunities?

Want to Get Involved?

The Associated Students Government meets every Monday and Wednesday, 12:30 pm–1:30 pm in I3-401. Meeting agendas are posted outside of H-600. Please keep these times open and become part of your Student Government.

We need leaders, planners, recorders, and student representatives. We offer experience in student governance and opportunities for you to express your ideas.

For more information about getting involved and leadership opportunities at Mesa College, please come to the Student Affairs Office, Room H-500 or call 619-388-2699.

Athletics

San Diego Mesa College provides intercollegiate competition for our students in the following sports: men's and women's cross country, football, men's and women's basketball, men's and women's volleyball, men's and women's soccer, men's and women's water polo, baseball, softball, men's and women's tennis, men's and women's swimming, men's and women's track and field, and women's badminton.

Students must meet the academic requirements established by the Community College League of California under the direction of the Commission on Athletics/California College Athletic Association (COA/CCCCAA). Student Athletes must pass a physical examination which is subject to approval of the team physician before they are determined to be eligible to participate in intercollegiate sports.

Academic eligibility requires enrollment in a minimum of 12 units, 9 units of which must be in courses other than physical education activity classes. To be eligible for a second season in the same sport, the student must have completed a minimum of 24 units, 18 of which are in courses other than physical education

activity classes. In addition, once a student has participated in intercollegiate athletics he/she must maintain a 2.0 grade point average or higher. An education plan developed through the counseling office must be on file by the student's second semester of attendance.

Physical Education Classes/ Intercollegiate Sports Disclaimer

Participation in all sports and physical education activities involves certain inherent risks. Risks may include, but are not limited to, neck and spinal injuries that may result in paralysis or brain injury, injury to bones, joints, ligaments, muscles, tendons and other aspects of the muscular skeleton system; and serious injury, or impairment, to other aspects of the body and general health, including death. The San Diego Community College District, its officers, agents and employees are not responsible for the inherent risks associated with participation in physical education classes/intercollegiate sports.

Students are strongly advised to consult a physician prior to participating in any physical education activity.

Mesa Academic and Athletic Program (MAAP)

What is MAAP?

The Mesa Academic and Athletic Program (MAAP) at San Diego Mesa College assists student-athletes in achieving their educational, career and personal goals. MAAP aims to help students obtain and an educational degree and meet eligibility requirements based on the California Community Colleges Athletic Association (CCCCAA; formerly COA) rules and regulations. Most importantly, MAAP helps students succeed in the classroom and the athletic arena.

MAAP Goals:

To assist student-athletes in the identification of career and educational objectives.

- To empower student-athletes to reach academic success.
- To increase retention, graduation and transfer rate of student athletes.
- To encourage each student-athlete to develop independence and to mature mentally, emotionally, physically, and athletically.

- To create an environment within the intercollegiate athletic program which promotes academic achievement.

MAAP Counselor: Kristy Carson 619-388-2535

www.sdmesa.edu/MAAP

Dramatic Arts Program

The Dramatic Arts Program at Mesa College is designed to meet the needs of the dramatic arts major as well as general education classes and courses for the casual theatre student. The Mesa College Theatre Company is a two-year training program for drama majors. The company requires majors to participate in all aspects of production including performance, design, technology, and management. All of the productions of the Mesa College Theatre Company utilize student designers, actors, and technicians as well as the opportunity to direct student one acts. The department produces 4 plays per year - participation is restricted to Dramatic Arts majors. This program is open to anyone interested in acting or directing. The department offers courses in acting, script analysis, and make-up, as well as general education courses in theatre and cinema.

Journalism

The English Department's Journalism Program is dedicated to familiarizing students with the demands of the journalism profession and providing them with a realistic experience in media production. In accordance with that vision for journalism education, the program provides an introductory course on news writing, reporting, editing, and media law and ethics. An advanced course devoted to the publication of *The Mesa Press* (Journalism 210A), San Diego Mesa College's campus newspaper, allows students to engage in all phases of newspaper production, including news writing, reporting, editing, photography, advertising, design and layout.

Speech and Debate

The Olympian Speech and Debate Program is dedicated to improving students' speaking skills. The team will travel to several tournaments a year, competing in eleven Individual Speech Events (Informative, Persuasion, After Dinner Speaking, Poetry, Prose, Dramatic Interpretation, Programmed Oral Interpretation, Duo, Communication Analysis, Impromptu, Extemp) and Parliamentary Debate. If you wish to become a better speaker, have some fun, and enjoy a truly competitive activity, the San Diego Mesa College Olympian Speech and Debate Team is for you.

Support Services

Campus Bookstore

H-110 619-388-2715

San Diego Mesa College Bookstore stocks textbooks and supplies required for classes. The Bookstore sells study aids, snacks, school supplies, clothing, backpacks, gift items, greeting cards, emblematic items and general books. The bookstore also buys back textbooks for cash.

Extended hours are offered at the beginning of each semester. Textbooks can also be purchased online at www.bookstore.sdccd.edu/mesa. For additional information please contact the bookstore or visit our website listed above.

Hours of operation are extended during the first few weeks of each semester.

Mesa Bookstore Hours:

Monday–Thursday 7:45 am–7:00 pm

Friday 7:45 am–12:00 pm

Saturday 9:00 am–1:00 pm

Summer hours vary. Contact the bookstore for additional information.

City Bookstore Hours:

Monday–Thursday 7:45 am–6:30 pm,

Friday 7:45 am–12:00 pm

Miramar Bookstore Hours:

Monday–Thursday 9:00 am–7:00 pm

Friday–9:00 am–12:00 Noon

Cafeteria

H-105 619-388-2727

The cafeteria serves both day and evening students.

Fall & Spring Hours

7:00 am–8:45 pm Monday - Thursday
7:00 am–1:30 pm Friday

Intersession and Summer hours may vary depending on term. See the summer class schedule for more information.

College Police Department

Q-100 619-388-2749

The College Police Department is responsible for providing public safety, law enforcement and crime prevention services. Its mission is to maintain peace and order and a safe learning environment throughout our District. It is also responsible for administering the campus parking program, lost and found and the building security program.

The police business office is located in Q-100. For information and general assistance, call 619-388-2749. For police assistance, call 619-388-6405. Emergency services are provided 24 hours a day 7 days a week. Learn more about College Police at <http://police.sdccd.edu>.

Police Escort and Related Services

The college police are available to provide escort, vehicle battery jumps, and vehicle lockout services during regular hours of operation. Students who wish to use these services should call College Police Dispatch at 619-388-6405 or go any of the College Police Offices at the following locations for assistance:

City College (T-211) 619-388-6411
Mesa College (Q-100) 619-388-2749
Miramar College (B-102) 619-388-7353
or 858-536-7353

College Police Dispatch 619-388-6405

Emergency Calls

The college will not interrupt classroom instruction to deliver messages, except in an extreme emergency. All calls/inquiries should be referred to the College Police Dispatch at 619-388-6405.

Parking

Student parking permits are available for purchase during registration through "Reg-e" or at the campus

accounting office. Permits paid for before classes begin are generally mailed and those purchased after classes begin must be picked up. You do not need a permit in student lots for the first two-weeks of each sixteen-week semester. Check in College Police for parking permits not received before the grace period ends.

- Parking permits are not required on Saturdays, Sundays or college holidays including winter break and spring break.
- Parking permits are required Monday through Friday, 7:00 am to 10:00 pm.
- Parking between the hours of 11:00 pm and 6:00 am requires an overnight permit issued in College Police.
- Students may not utilize staff/faculty parking areas unless they are the owner of a valid state issued disabled placard. Owners of valid disabled placards may also park at meters without paying and are not required to buy a parking permit.

There are parking meters and/or time limited visitor parking at each campus reserved for visitors use only. Students may not utilize. All meters require deposit of coins. Permits are not valid at meters. All campuses have pay and display machines for visitor and student use. Pay and display permits are only valid in student parking lots.

Bicycles must be parked only in designated bicycle racks. Students are not allowed to ride bicycles or motorized bikes on campus. Violators are subject to disciplinary action.

For additional information on parking visit your campus police office or call parking services at 619-388-6415.

Transportation for Disabled Students

Paratransit (curb-to-curb) service is available for a fee to persons with disabilities who cannot use public transportation. ADA certification is required. Please contact DSPS for additional information or forms for certification. Students may also contact MTS (Metropolitan Transit System) at 888-517-9627.

Vehicle Immobilization/Booting/Towing/Hold

Vehicles that accumulate five (5) or more unpaid parking citations are subject to immobilization (booting) of their vehicle and/or impound (towing) at

owners expense. In addition a hold may be placed on the vehicle registration. If a vehicle accumulates \$100 or more in outstanding fines a hold may be placed on student records/grades.

Parking permits are required Monday through Friday, 7am - 10pm.

Parking between the hours of 11am and 6am requires an overnight permit issued by campus police.

Emergency Cell Phone Numbers

The College encourages students to provide cell phone numbers to communicate with them in the event of a college or district-wide emergency. Students can log-on to Reg-e at: <http://studentweb.sdccd.edu> to provide this important information.

Admissions, Records and Veterans

Student Learning Outcomes

The Admissions, Records and Veterans faculty and staff have identified the following Student Learning Outcomes for the various services available in Admissions, Records and the Veterans Office:

- Ability to locate, apply, analyze problems, synthesize, conceptualize and evaluate information utilizing a variety of resources to make decisions. The outcome includes both inductive and deductive logical reasoning and methodological processes.
- Critical Thinking: Ability to locate, apply, analyze problems, synthesize, conceptualize and evaluate information utilizing a variety of resources to make decisions. The outcome includes both inductive and deductive logical reasoning and methodological processes.
- Ability to articulate thoughts, goals, processes and make decisions.
- The ability to identify one's own needs, determine resources and access appropriate services.
- Ability to understand one's role in society, take responsibility for one's own actions, make ethical decisions in complex situations, and participate actively in a diverse democracy.

- Ability to use various methods of technology.
- Demonstrate the ability to adhere to VA Guidelines.

Business Services

Administrative Unit Outcomes

The Business Services staff has identified the following Administrative Unit Outcomes for the various services provided by the Business Services Office:

- San Diego Mesa College Business Services Office will pursue collaborative efforts with District Business Services for improved procedures to support business operations to Mesa College.
- San Diego Mesa College Business Services Office will improve its "open door" policy to college personnel for increased customer service.
- San Diego Mesa College Business Services Office will continue to provide on-line business information access to college personnel for timely and effective processing of all related matters.

Employment and Payroll

Administrative Unit Outcomes

The Employment and Payroll staff has identified the following Administrative Unit Outcomes for the various services provided by the Employment and Payroll Office:

- Employment/Payroll will increase communication of payroll information to campus personnel for improved understanding of employment conditions.
- Employment/Payroll will pursue collaborative efforts with the District Human Resources Office for improved procedures to support employment and payroll services to Mesa College.
- Employment/Payroll will increase participation in college participatory governance committees for improved understanding of campus employment/payroll needs and support of student learning outcomes.

Evaluations

Student Learning Outcomes

The Evaluations staff has identified the following Student Learning Outcomes for the various services provided by the Evaluations Office:

- Annually increase student participation in Mesa College Commencement.
- Annually increase faculty participation in Mesa College commencement.
- Students will apply for graduation petitions by the published deadline.
- Students will utilize the online commencement application form when RSVPing for commencement.
- Students will provide the required material when questions arise about degree audits, equivalence of course, or modification of major.

Reprographics

Administrative Unit Outcomes

The Reprographics Center and Mail Services staff has identified the following Administrative Unit Outcomes for the various services provided by the Reprographics Center and Mail Services:

- San Diego Mesa College Reprographics Center/ Mail Services will provide efficient and effective reprographic and mail services to campus personnel for improved support of the learning environment.
- San Diego Mesa College Reprographics Center/ Mail Services will improve on-line production services to campus personnel for effective and efficient delivery of learning materials
- San Diego Mesa College Reprographics Center/ Mail Services will provide on-going customer service training to department staff for optional client service.

Stockroom and Receiving

Administrative Unit Outcomes

The Stockroom, Shipping and Receiving staff has identified the following Administrative Unit Outcomes for the various services provided by the Stockroom, Shipping and Receiving Office:

- San Diego Mesa College Stockroom/Shipping & Receiving will continue to provide high quality educational supplies and services to faculty, staff and administrators to support student success.
- San Diego Mesa College Stockroom/Shipping & Receiving will improve the supplies ordering process which will enable the college community to receive accurate, up to date materials for the teaching and learning environment.
- San Diego Mesa College Stockroom/Shipping & Receiving will provide on-going customer and computer software training to its department staff for improved customer service to campus personnel.

Student Accounting

Administrative Unit Outcomes

The Student Accounting staff has identified the following Administrative Unit Outcomes for the various services provided by the Student Accounting Office:

- Student Accounting Office/Associated Students Funds will provide information for student officers, club advisors and agency contacts for improve understanding of mandated processing requirements.
- The Student Accounting Office/Fiduciary Trust will provide improved online Fiduciary information to improve campus personnel's understanding and use of the process.
- The Student Accounting Office will increase communication to assist students with improved understanding of the registration process.
- The Student Accounting Office will pursue collaborative efforts with the San Diego Community College District Student Services to improve the student registration processes.

Student Affairs

Student Learning Outcomes

The Student Affairs staff have identified the following Student Learning Outcomes for the various services provided by Student Affairs:

- Students who participate in the Associated Student Government, Inter Club Council and Clubs will increase their interpersonal skills.
- Students who attend Club Orientation will know the availability of campus resources, policies and procedures needed for successful programming at Mesa College.
- Students will demonstrate an understanding of their rights and responsibilities as members of our campus community.

SDCCD Online Learning Pathways

San Diego City, Mesa, and Miramar Colleges

QUALITY ONLINE LEARNING

Learn anytime, anywhere with our convenient, flexible online courses that fit your busy schedule. Enjoy interactive communication with your classmates and instructor as you complete your coursework in an engaging, supportive learning environment. Our quality online courses are developed and taught by experienced instructors from our three colleges—City College, Mesa College, and Miramar College.

Want to get started? Find out if online learning is for you at www.sdccdonline.net/newstudents.htm

Get ready for online learning success! Visit www.sdccdonline.net/students/training/

Online students receive 24/7 Technical Support at www.sdccdonline.net/help or by calling toll free 866-271-8794. For login instructions visit www.sdccdonline.net/login.

Honors

G-301 619-388-2341

The Honors Program serves self-motivated and qualified students by providing exceptional and intense learning experiences in classes that are usually highly interactive. Topics are explored in depth; typical assignments emphasize critical thinking, extensive reading and writing, and student presentations and critiques. Activities may also include opportunities for individual research projects, close interaction with faculty and participation in community and cultural events. In addition to Honors class sections, the program also offers Honors Contracts through which individuals can pursue Honors-level course work in a non-Honors section.

The Honors Program offers enhanced transferability to our partner institutions which include University of California campuses: Los Angeles, Irvine, Santa Cruz, and Riverside; Chapman University; Pitzer and

Pomona Colleges; Cal Poly Pomona, Loyola Marymount, Occidental College, San Diego State University, and more. For qualified students, the program also has a Book Award Scholarship designed to defray the cost of textbooks.

The Honors Program is open to all students (part-time or full-time, day or evening) and can be found in all disciplines (vocational, liberal arts, fine arts, sciences, business, etc.). For specific criteria and other information, please consult the schedule of classes or contact the campus Honors Coordinator.

Students enrolled in an Honors section (including an honors contract), may not transfer to a regular section after the deadline to make a schedule adjustment for the class. Petition for Honors credit after the course has been completed will not be permitted.

Accelerated College Program

Transferable community college courses in calculus and political science are provided for qualified high school students at local high schools. The Accelerated College Program (ACP), located at Mesa College, is the districtwide program responsible for providing and administering these classes, following guidelines established by a joint agreement between the San Diego Community College District and San Diego Unified School District. When an ACP student becomes a first-year or transfer student, credits transfer and are widely applicable in fulfilling general education and pre-major requirements at most universities.

Dean's List

A Dean's Honor List is compiled at the close of each academic year. To be eligible for the Dean's Honor List, a student must complete 12 units or more during the academic year and have earned a grade point average of 3.5 or better.

Cooperative Work Experience

F-216F 619-388-2271

Under certain circumstances, students can receive academic credit for their current employment or internship. For registration information refer to the class schedule or contact the Work Experience website: www.sdmesa.edu/work-exp.

Student Learning Outcomes

Students will be able to:

- Apply critical thinking, research, analysis and resolution for work-related and personal objectives.
- Convert classroom instruction to the employment environment through the development and attainment of three (3) learning objectives.
- Write Specific, Measurable, Achievable, Relevant and Timely (S.M.A.R.T.) objectives related to new or expanded workplace responsibilities.
- Develop and apply personal skills, attitudes, and competencies in the workplace and within course-related activities.
- Demonstrate effective communication and technological awareness through the use of technologies (internet, email and telephone) in ways appropriate to the course.
- Demonstrate accountability for their personal actions at work and as it relates to course.
- Research resources for education and/or career options.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Class Attendance

Students are responsible for dropping or withdrawing from classes they are no longer attending.

Students who remain enrolled in a class beyond the published withdrawal deadline will receive an evaluative letter grade. See the details for each class in the online schedule for these important dates.

Grading System

Unit of Credit: A unit of credit represents one hour of lecture or recitation and two hours of preparation per week, or three hours of laboratory per week for one semester.

Academic Grades

Grades	Standing	Grade Points per Unit
A	Excellent	4
B	Good	3
C	Satisfactory	2
D	Passing—less than satisfactory	1
F	Fail	0
P	Pass	Units earned not counted in GPA
NP	No Pass	Units not counted in GPA

The grade point average (GPA) is determined by dividing the total grade points earned by the total grade point units completed as listed in the chart above.

Administrative symbols: P/NP - Pass/No Pass; I—Incomplete; W—Withdrawal; IP—In Progress; RD—Report Delayed. Administrative symbols are not used in the computation of GPA. See below for further explanation.

Pass/No Pass (P/NP) is a non-punitive grading system where such units earned will be counted in satisfaction of curricular requirements but will be disregarded in determining a student's grade point average. For more specific information, refer to the discussion of the Pass/No Pass Policy on page 52.

Incomplete: A symbol of "I," Incomplete, may be assigned by an instructor when a student has been unable to complete academic work for unforeseeable emergency and/or justifiable reason at the end of term. A copy of the "Assignment of Incomplete" form will be mailed to the student and the original retained in the Office of the Vice President, Student Services. A final grade will be assigned when the work stipulated has been completed and evaluated by the instructor or when the time limit for completion of the work has passed. An "I" must be made up no later than one year following the end of the term in which it was assigned. In the event of unusual, verifiable circumstances beyond the student's control, a petition may be filed in the Office of the Vice President, Student Services for extension of the one-year time limit. Course repetition is not permitted to remove an Incomplete.

Withdrawal: An official withdrawal from classes may be requested by the student or initiated on his/her behalf by the instructor or Vice President, Student Services.

The following conditions apply to official withdrawal:

- 1) No record of the class will be entered on the student's permanent record if the official withdrawal is made by the deadline to drop without a "W" being recorded as published in the schedule of classes.
- 2) If the withdrawal is made after the deadline for withdrawing without a "W" and prior to the deadline for withdrawal published in the class schedule for that session, a "W" will be recorded on the student's permanent record. No exceptions to this policy will be made. Petitions will not be accepted for exception to policy.
- 3) A student attending a session after the deadline for withdrawal will not be eligible to receive a "W" and must be assigned an academic grade or other administrative symbol by the instructor. Exceptions to this policy will be made only upon verification of extreme circumstances beyond the control of the student. Petitions requesting exception must be filed in the Admissions Office.
- 4) Withdrawal (W) symbols will be used in the calculation of lack of progress probation and disqualification status.
- 5) Students on active duty or reserve duty may petition for a "military" withdrawal. This withdrawal is not calculated in the determination of academic progress and is noted on the student's academic record.
- 6) Students will be allowed a maximum of four withdrawals in any course.

In Progress: A symbol of "IP," In Progress, will be assigned when a class extends beyond the normal end of a semester or summer session, that is, when the class "carries over" from one term to the next. The appropriate grade, however, shall be assigned and appear on a student's record for the term during which the course is completed. The "IP" will remain on the academic record. The "IP" shall not be used in the calculation of a student's grade point average.

Grade Challenge

Final grades will be issued at the end of each semester. In the absence of mistake, fraud, incompetence, or bad faith, the determination of the student's grade by the instructor shall be final once they have been recorded by the Registrar's Office.

A student may challenge a grade or request a change to his/her academic record within two years from the date of issuance. Requests beyond two years will not be accepted. Students wishing to challenge a grade should first attempt to resolve the challenge informally with the instructor. Grade challenges must be processed under District Procedure 3001.2, Grade Challenge Procedure. Copies of Procedure 3001.2 are available in the Office of the Vice President, Instruction.

Pass/No Pass Grading Policy

Consistent with District policy, a student in good standing may elect to be graded on a Pass/No Pass basis in a course. A grade of "Pass" (P) shall be awarded only for work which otherwise would have received a grade of "C" or better. Work that would have received a "D" or "F" will be graded "No Pass" (NP). The units earned will be counted in satisfaction of program requirements, but will be disregarded in determining a student's grade point average.

IMPORTANT: Students who plan to transfer to a four-year institution should review the Pass/No Pass acceptance policy of the transfer institution prior to petitioning for this grading option. Restrictions in the San Diego Community College District also apply.

Limitations:

- 1) No course required in the student's major may be taken for Pass/No Pass. Some departments may limit this option further.
- 2) No more than 12 units of a student's coursework completed in the San Diego Community College District may be graded on a Pass/No Pass basis.

Conditions:

- 1) Students who wish to be graded on a Pass/No Pass basis must submit a petition to the Admissions Office by the deadline date listed in the schedule of classes. No exceptions to the deadline will be made.

- 2) An evaluation on a Pass/No Pass basis may not later be changed to a letter grade nor may the reverse occur. **No exceptions to this condition will be made. Petitions will not be accepted for exception to policy.**

There are courses in which Pass/No Pass grades are used exclusively; these are designated in the catalog course description by the statement "Pass/No Pass Only." In addition, there are courses which cannot be taken on a Pass/No Pass basis; these are designated in the course description by the statement "Letter Grade Only."

Effective Fall 2009, the Credit/No Credit (CR/NC) grading option changed to Pass/No Pass (P/NP).

Standards of Academic Progress

Students are in good academic standing when they have a 2.0 grade point average or higher and have completed at least 60% of units they have attempted. There are two kinds of probation and disqualification, one based upon GPA (Academic Performance) and the other based upon the number of units completed (Progress Performance).

Certain programs may have more stringent standards for academic progress. Consult the program director for more information.

Students enrolled in the core curriculum of medically-related programs will be governed by the probation and disqualification policies as outlined in the program policy manuals that reflect the tenets of safe medical practice and respond to program accreditation guidelines.

Academic Probation*

Students whose grade point average falls below a 2.0 after completion of 12 units in the San Diego Community College District will be placed on academic probation and remain there until their overall GPA reaches or exceeds 2.0.

Academic Disqualification

A student on academic probation status is disqualified when his/her non-cumulative GPA falls below 2.0 in a subsequent semester. An enrollment hold will be placed on the student's record. Students who are

disqualified after registering for the subsequent semester will be administratively dropped from all classes.

Lack of Progress Probation*

A student who has attempted a total of 12 or more units as shown by the official academic record, shall be placed on lack of progress probation when the percentage of all (cumulative) units for which entries of "W," "I," and "NC" are recorded reaches or exceeds 40%.

Lack of Progress Disqualification

A student who has been placed on lack of progress probation shall be disqualified and an enrollment hold placed on the student's record when the percentage of units for which entries of "W," "I," and "NP" are recorded in a subsequent semester (not-cumulative), reaches or exceeds 40%. Students who are disqualified after registering for the subsequent semester will be administratively dropped from all classes.

* Exceptions:

Provisional, Joint Diploma and Special Admit High School students who do not maintain good academic standing will be automatically disqualified. PROBATIONARY STATUS WILL NOT APPLY!

- If disqualified:
 - Special Admit High School students will not be permitted to re-enroll without approval from a high school counselor.
 - Joint Diploma students must see a JD counselor for readmission.

Readmission after Disqualification

Note: Disqualification status is determined based upon Progress Performance, Academic Performance, or a combination of both.

• First Disqualification

Students who wish to be considered for readmission after the first disqualification will be required to meet with a counselor and develop a Student Success Plan prior to being readmitted. Students who are disqualified after registering for the next semester will be administratively dropped from all classes.

• Second Disqualification

Students who are disqualified a second time will be required to sit out for one semester. Students who are

disqualified after registering for the next semester will be administratively dropped from all classes.

- **Third Disqualification**

Students who are disqualified a third time (and each disqualification thereafter) will be required to sit out for one year. Students who are disqualified after registering for the next semester will be administratively dropped from all classes.

Academic Regulations

Honest Academic Conduct

Honesty and integrity are integral components of the academic process. Students are expected to be honest and ethical at all times in their pursuit of academic goals in accordance with Policy 3100, Student Rights, responsibilities and Administrative Due Process. Procedure 3100.3 describes the Academic and Administrative Sanctions for Students who are found to be cheating. A copy of Procedure 3100.3 can be obtained in the Office of the Vice President of Student Services in I-422.

Course Repetition Policy

- No course in which a "C" or better grade has been earned may be repeated.
- Students will not be allowed more than four enrollments in any activity course, regardless of grade or symbol earned.
- Academic renewal will not be permitted for any course that was used for/to earn an associate degree or certificate.

Academic Renewal by Course Repetition

Each course in which an unsatisfactory grade ("D," "F," or "NP") has been earned may be repeated once without a petition. The course being repeated must be the same as the original course, not its equivalent. Only the newly-earned units and grades will be used in computing the grade point average.

Academic Renewal Without Course Repetition

A student with a semester of substandard academic performance that is not reflective of present demonstrated ability may petition to have the substandard semester disregarded in computation of grade point average.

The following conditions apply:

- 1) To be eligible for academic renewal without course repetition a student must:
 - a. have transcripts from all institutions attended officially on file,
 - b. successfully complete, in an accredited college or university, 15 units with a grade point average of at least 2.0 subsequent to the work to be disregarded. All courses taken during the semester/session in which the student reaches or exceeds the 15 unit minimum will be used in computing the 2.0 grade point average.
 - c. have one year elapsed since the semester/session to be disregarded was completed.
- 2) Students with degrees or certificates: Semester/session(s) prior to earning a degree or certificate are not eligible for academic renewal.
- 3) A maximum of 24 units or two semesters or summer sessions, may be disregarded, whichever is greater. For purposes of academic renewal for summer session work, a summer session will be defined as all courses which commence after the termination of the spring semester and end prior to the commencement of the fall semester. Intersession work will be included in the spring semester. Short-term or carry-over classes will be considered to be part of the semester or session in which credit is awarded or a grade is posted to the student's permanent academic record.
- 4) For any semester/session in which course work is to be disregarded, all courses in that semester/session will be disregarded including satisfactory grades.
- 5) If grade alleviation has already been applied two times for a course included in the semester to be disregarded, the course will not be eligible for academic renewal without repetition and will remain on the academic record.
- 6) If previous action for academic renewal has been applied to coursework included in the semester to be disregarded, the course will not be eligible for

academic renewal without repetition and will remain on the academic record.

- 7) Academic renewal without course repetition may be applied to substandard semester(s) from another accredited institution.
- 8) Similar actions by other accredited institutions will be honored and also be counted as part of 24 units or two semesters/sessions limit to be disregarded.
- 9) The permanent academic record will be annotated in such a manner that the record of all work remains legible, ensuring a true and complete academic record.
- 10) Recalculation of the grade point average will be used toward qualification for graduation with honors.
- 11) Academic standing for the semester/session(s) will not be adjusted.
- 12) Once the petition is approved, the action is not reversible.

Course Repetition—Lapse of Time

Academic departments may require that courses for the major be completed within a specified number of years prior to the granting of the Associate Degree, Certificate of Achievement, or Certificate of Performance. Students may be required to repeat a course in which a satisfactory (A, B, C, P) grade has already been earned. Students with questions about the applicability of previous coursework are advised to consult the department as early as possible.

Disability Support Programs and Services (DSPS) Repeat

Additional repetitions of a course to accommodate a student's disability-related needs may be permitted. For students with disabilities, course repetition is determined on an individual student basis. Contact DSPS Office on campus for more information.

Mandated Training

Students who are required to meet a legally mandated training requirement as a condition of continued paid or volunteer employment may repeat a credit course any number of times. Students should complete the *Mandated Training Course Repetition* form.

For more information on course repetition, consult the Counseling Office at your college.

Transcripts of Record

A student may order an official transcript of record online, in person, by mail or via fax. To order an official transcript online, visit: <https://studentweb.sdccd.edu/transcript/>. Transcripts ordered online will be mailed within 1-2 business days.

To order a transcript in person, a student may complete a request at the Accounting Office at the college, or in person at the Office of the Registrar, San Diego Community College District, Administrative Office, 3375 Camino del Rio South, San Diego, CA 92108.

Payment of fees must be made prior to processing a request for transcripts.

The following policy has been adopted by the San Diego Community College District Board of Trustees regarding the issuance of transcripts of record:

- 1) The first two transcripts will be issued without charge.
- 2) There will be a charge of \$5.00 for each additional transcript.
- 3) All transcript requests are processed within 10 working days except "RUSH" orders.
- 4) A \$10.00 special handling fee will be charged for all "RUSH" order transcript requests, including hand carried transcript requests ordered at the District Office. Rushed transcripts are processed within 24-48 hours of receipt. The special handling fee will be charged per request.

Requests will not be processed if students have outstanding holds preventing the release of the official transcript.

All official copies of the student's permanent record are in the Office of the Registrar. The Office of the Registrar will certify only to the accuracy of the records prepared by and issued directly from that office to another institution.

More information on ordering transcripts is available at: <http://studentweb.sdccd.edu/docs/transcript.pdf>

Transcripts of Prior Academic Credit

Students with credit from other colleges and universities must file official transcripts at the time of application for admission.

- Official transcripts are those sent directly from one institution to another.
- Transcripts will only be accepted for one year after issuance.

Please note: Foreign transcripts are not evaluated by the college. This service is available through outside companies for a fee. Contact the college Evaluation Office for additional information.

- Transcripts brought in by students may be accepted for unofficial purposes only.
- Transcripts are required even if prior credits do not appear relevant or if units were taken years ago.
- Students receiving financial aid or veterans benefits must have transcripts on file within one semester.
- Certain programs require transcripts before admission to the program.
- Official transcripts from other institutions become the property of the college and will not be duplicated or returned.
- Official transcripts should be sent to the following address:

San Diego Community College District
3375 Camino del Rio South, Rm. 100
San Diego, CA 92108-3883

Transferability of Credits

Credits from other regionally accredited institutions may be accepted for transfer credit after evaluation by District and college evaluators. San Diego Mesa College **will not** accept the transfer credits from another institution if the evaluation by the District and college evaluators determines that the credits received from another accredited institution do not meet the equivalent standards for a similar course taken at San Diego Mesa College.

Academic Credit for Nontraditional Education

Academic credit may also be available to currently enrolled SDCCD students for skills or knowledge not obtained by formal scholastic experience or for prior course work with content determined equivalent to district courses.

Credit is available through the following:

- **Advanced Placement Examinations (AP).**
- **College-Level Examination Program (CLEP).**
- **Defense Activity for Non-Traditional Education Support (DANTES).**
- **International Baccalaureate (IB).**

A maximum of 30 cumulative units may be granted for acceptable scores on any combination of Advanced Placement (AP), College Level Examination Program (CLEP), Defense Activity for Non-Traditional Education Support (DANTES), or International Baccalaureate (IB) examinations. All official transcripts must be on file, and official copies of test scores must be submitted to the college Evaluations Office to receive credit.

To obtain credit, the student must be currently enrolled and working toward an associate degree or certificate of achievement. Credit granted cannot be used to meet the district in-residence requirements nor will such credit be included in the student's current study load.

Limitations on credit by standardized examination:

- Tests cannot be used to meet the American Institutions nor laboratory requirements. The English composition requirement can be met by the AP and IB exams.
- Credit will not be granted for equivalent courses completed.
- Grades are not assigned, nor is the credit used in calculating grade point average.
- Departmental approval is required to satisfy requirements in the student's major.
- Credit granted by SDCCD does not necessarily transfer to other institutions. Transferability of credit is determined by the receiving college or university.

The tables below indicate the score necessary, the credit allowed, and the area(s) satisfied for each of the examinations accepted for credit.

Advanced Placement Test (AP)

Credit by Examination designed and approved by individual disciplines

The term "examination" means any written, oral or performance standards determined by the individual departments. Forms are available in the Evaluations Office.

Credit for non-college credit vocational courses

Students who complete non-college credit articulated courses (SDUSD/SDCCD) that are equivalent in subject matter, content, educational objectives, length of course, and performance standards and pass a college faculty approved examination for the course offered by the college may have these courses converted to college credit. Additional information is available in the Evaluations Office.

Credit is also available for the following military experiences:

- **Credit for Military Service**
A minimum of six months active U.S. military service is required. The student should submit Form DD-214, DD-295, SMART, and AARTS transcript to obtain this credit. Four units of credit to fulfill the Health Education and Physical Education graduation requirements will be granted.
- **Credit for Military School(s)**
The college is guided by the associate degree/ baccalaureate credit recommendations of schools contained in "A Guide to the Evaluation of Educational Experiences in the Armed Services," published by the American Council on Education. Units earned may be used for completion of graduation requirements. More specific information may be obtained in the Evaluations Office.
- **Service Members Opportunity College and SOCNAV/SOCMAR/SOCCOAST**
The San Diego Community Colleges have been designated as members of the Service Members

Opportunity College (SOC). As members, these colleges provide educational assistance to active duty service members and agree to accept credit for military service schools as recommended by the American Council on Education. In addition, these institutions recognize other non-traditional sources for credit such as DANTES and CLEP examinations. The San Diego Community Colleges are also committed to military personnel who may choose to participate in the SOCNAV/SOCMAR/SOCCOAST (Service Members Opportunity College/Navy/Marine Corps/Coast Guard) Program Network. SOCNAV/SOCMAR/SOCCOAST was established to better serve highly mobile service members and their families. The San Diego Community Colleges are members of the SOCNAV/SOCMAR/SOCCOAST Networks. For more information on these programs, contact the Military Education counselors at the following locations:

ASW	619-230-2331
Naval Station 32nd St.	619-233-5617
MCAS	858-536-4329
Marine Corps Recruit Depot (MCRD)	619-295-9974
Sub Base	619-553-7194

- **U.S. Air Force and U.S. Army ROTC Programs**
Under the provisions of a special agreement, students may participate in the Army or Air Force Reserve Officers Training Program (ROTC) at SDSU. San Diego City, Mesa and Miramar College students may enroll and attend ROTC classes at SDSU by contacting the SDSU Military Science Department 619-594-5545. Financial assistance may also be available. The credits earned in these classes may be transferred as electives to meet the degree requirements of City, Mesa and Miramar Colleges.

Responsibility for Meeting Requirements

Each student must assume responsibility for compliance with the regulations of the college set

forth in this catalog, for satisfying prerequisites for any course, and for selecting courses which will facilitate attainment of educational objectives. The college does not assume responsibility for misinterpretation of policies and procedures as presented in this catalog. Counselors and advisors are available to assist in planning students' programs. Any questions or doubts concerning this catalog material should be referred to the Office of the Vice President, Student Services.

Petition for Exceptions

Petitions for exceptions to graduation requirements, substitutions, or waiver of requirements are filed with the Evaluations Office (MV-19). All petitions are acted upon by the appropriate college committees/offices.

Statement of Open Courses

It is the policy of the San Diego Community College District that, unless specifically exempted by statute, every course, section, or class offered by the District and reported for state aid shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets course prerequisites.

Academic Adjustments for Students with Disabilities (Academic Accommodation)

(Board of Trustees Policy - BP 3105)

The San Diego Community College District (SDCCD) is committed to all provisions of Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 and Section 508 of the Rehabilitation Act of 1973.[1] The fundamental principles of nondiscrimination and accommodation in academic programs provide that:

- 1) No student with a qualified disability shall, on the basis of the disability, be excluded from participation in, be denied the benefit of, or otherwise be subjected to discrimination under any post-secondary education activity or program[2]; and
- 2) Reasonable adjustments to academic activities or requirements shall be made as are necessary to ensure that such requirements do not discriminate or have the effect of discrimination on a student with a qualified disability; and
- 3) The institution shall create an educational environment where students with disabilities

have equal access to instruction without compromising the essential components of the course, educational program or degree.

The intent of this policy is to insure compliance with state and federal laws. SDCCD Procedure 3105.1 is intended to provide consistent and fair review of all academic adjustments requests and dispute resolution.

Students with verified disabilities who may require academic adjustments or auxiliary aids are strongly recommended to contact the Disability Support Programs and Services (DSPS) Department and complete orientation procedures well before classes begin. Contact DSPS early to ensure timely provision of services. Students are encouraged to identify themselves to the appropriate instructors to discuss the details and timelines necessary to provide appropriate accommodations. Students enrolled in on-line courses are encouraged to contact the college DSPS Office to request academic accommodation. Questions regarding academic accommodations may also be directed to the college 504 Officer, Pamela Chapman at 619-388-2254 (Room F-208A).

Debt Owed to the College

California Education Code Section 72237 and Title 5 Section 54640 state that grades, transcripts, diplomas, and registration privileges, or any combination thereof, shall be withheld from any student or former student who has been provided with written notice that he or she has failed to pay a proper financial obligation. Any item(s) withheld shall be released when the student satisfactorily meets the financial obligation. A service fee may be charged for all delinquent loans; any service fee would be determined by the total cost required to collect the delinquent loans.

Audit Policy

Auditing courses is not permitted under any circumstances. Students must be officially enrolled in all classes which they attend.

Exclusion from Classes

A student may be excluded from class or the college whenever the student:

- 1) Exhibits behavior which interferes with the educational process. An instructor may remove a student from two class sessions for disruptive behavior. (Refer to Policy 3100: Student Rights, Responsibilities and Administrative Due Process);

or

- 2) Is found to have a communicable disease which requires isolation pursuant to a directive from the County Department of Public Health.

Minor Children on Campus

Minor children who are not enrolled are not permitted in any classroom at any time.

Minor children who are not enrolled are not to be left unattended at any time while on the campus.

Student Right to Know

In compliance with the Student-Right-to-Know and Campus Security Act of 1990, it is the policy of our college district to make available its completion and transfer rates for all certificate, degree and transfer seeking first-time, full-time students who began in Fall 2006. These rates do not represent the success rates of the entire student population at the college, nor do they account for student outcomes occurring after this three-year tracking period. The completion and transfer rates are listed below:

	<u>Completion Rates</u>	<u>Transfer-Out Rates</u>
City	14.21%	16.07%
Mesa	23.44%	22.34%
Miramar	28.02%	19.08%

Nondiscrimination Policy

(Board of Trustees Policy-BP3410)

The San Diego Community College District has a policy which prohibits discrimination in accordance with state and federal laws. Students wishing to file complaints based upon discrimination should contact the campus Equal Employment Opportunity (EEO) Site Compliance Officer Donna Duchow in room G-304 or phone 619-388-2440. Appeals may be made to the District Equal Opportunity & Diversity Officer at the District Administrative Office, 3375 Camino del Rio South, San Diego, CA 92108.

Students with disabilities who want to file a grievance under Section 504 of the 1973 Federal Rehabilitation Act should contact Pam Chapman in F-208A at 619-388-2254. Students who want to file a grievance under the Americans with Disabilities Act (ADA)

should contact the campus Equal Employment Opportunity (EEO) Officer Donna Duchow at 619-388-2440.

Free Speech

Free speech areas have been designated on the college campuses to maximize the opportunity for free discussion and expression, while minimizing the potential for disruption of classroom and college activities.

Information concerning free speech areas is available in the office of the Dean of Student Affairs office in H-500.

Gender Equity

The Gender Equity Coordinator facilitates the development or updating of the campus Gender Equity Plan in cooperation with committees that are responsible for equity concerns. The SCO, Donna Duchow can be reached at 619-388-2440.

Title IX. Prohibiting Sex Discrimination in Education

San Diego Mesa College is committed to support all regulations under Title IX. "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

For further directions or inquiries, please contact the SCO, Donna Duchow, at 619-388-2440, G-304.

Policy Prohibiting Sexual Harassment

It is the policy of the San Diego Community College District to provide an educational environment that is free of sexual advances, requests for sexual favors, and other verbal or physical conduct or communications that constitute sexual harassment as defined and prohibited by federal and state statutes. Anyone with

questions about this policy or anyone who wishes to file a complaint should contact the Dean of Student Affairs, the College EEO Officer, or the District Diversity and EEO Compliance Manager. The Vice President, Student Services is also available to provide assistance in matters of alleged sexual harassment.

Procedures for filing a formal complaint of sexual harassment are described in Administrative Procedure 3435. Copies of this procedure may be obtained from the SCO, Donna Duchow, at 619-388-2440, G-304.

Drug and Alcohol Use

The San Diego Community College District is committed to providing a drug free environment. Any type of drug use, including alcohol, is dangerous and potentially life threatening. Drugs and alcohol adversely affect the body, mind and behavior. The effects vary from person to person and from usage to usage. Even low doses of drugs and alcohol can impair judgment and coordination. If you use drugs or alcohol, you risk overdose, accidents, dependence, ill health, as well as legal, financial and personal problems. The federal laws against drugs are divided into two categories: possession and distribution. The penalties are severe depending upon the type of drug, quantity of the drug, and any prior offenses. Possession will earn up to one year in prison and a \$5,000 fine. Distribution will earn up to life in prison and an \$8 million fine. State laws vary and may be more severe. District Policy 3100-Code of Conduct-states that use, possession, or distribution of narcotics or other controlled substances is prohibited while on the college premises or at college sponsored events. A student may be suspended or expelled for violation of this policy. A complete list of legal sanctions is available in the Vice President, Student Services Office. The colleges provide information on drug and alcohol treatment and prevention through seminars, courses, and the Student Health Services. Contact Student Health Services at 619-388-2774 or the Vice President, Student Services Office at 619-388-2678 for additional information.

Mesa College is a Smoke-Free Campus

In an effort to prevent the serious health risks associated with exposure to second hand smoke, students, faculty, staff and visitors who choose to use tobacco products on the Mesa College Campus may do so outside the perimeter of the campus. Please refer to the campus map which identifies a blue line designating our smoke-free zone. Note that smoking

is not permitted on adjacent sidewalks or in parking lots. Please contact Mesa College's Student Health Services Office for materials, help and information, including a free smoking-cessation program. Call 619-388-2774 or stop by L-504.

Smoking Regulation

This procedure is applicable to all District facilities. It implements the Board policy of consonance with the City of San Diego's ordinance regulating smoking in public facilities.

The success of this program is dependent upon the voluntary cooperation of the smoking and nonsmoking public. The District recognized the fact that individual health can be impaired both by the direct and by the secondary effects of smoking. The District, therefore, discourages the practices of smoking, but provides for opportunities for those who smoke as long as there is no impact upon the rights and health of non-smokers.

It is not the intent that the program be a prohibition of smoking, rather it is intended to recognize the individual rights of the smoking/nonsmoking public.

The posting of no smoking signs without the corresponding designation of smoking permitted areas is not in consonance with the intent of the procedure.

All campuses of the San Diego Community College District operate in compliance with Government Code 7597. As required by this law, City College, Mesa College, and Continuing Education Centers will not permit smoking within 20 feet (25 feet at Miramar College) of main entrances to buildings, exits, or any operable windows. City and Mesa College are smoke-free campuses. Hourglass Park at Miramar, including the pool and Field House, is a smoke-free facility. In addition, smoking is prohibited inside all public buildings. The colleges and centers will enforce the new ordinance at all times. Additional information is available in the College Police Office on each campus.

- Smoking is not permitted in District facilities which are open to the public and used as: Classrooms, Meetings Rooms, Theatres, Restrooms, Libraries, Cafeterias, Bookstores, Service Lines, Elevators, and Faculty Offices.
- Smoking is not permitted in vehicles used for transportation of students.
- Site presidents/provost/facility managers may designate facilities or areas in addition to those

listed above as NO SMOKING facilities or areas.

- Each site determines areas for smoking and areas for nonsmoking in accordance with the SDCCD procedure and San Diego Municipal Code.
- Signs indicating SMOKING PERMITTED and NO SMOKING should be posted conspicuously in each area.
- Site presidents/provost/facility managers may designate areas within NO SMOKING areas where smoking is permitted, under the general guidance of San Diego Municipal Code.

For complete Smoking Policy, please reference SDCCD Procedure 0505.2.

Q-100

619-388-2749

The San Diego Community College District Annual Security Report, titled "Safe and Sound, a guide to safety and security in the San Diego Community College District", includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by the San Diego Community College District; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies on drug use, crime prevention, the reporting of crimes, sexual assault and other matters. You can obtain a copy of this report by contacting any campus admissions office, Vice President of Student Services (I-422) office or college police business office. At anytime you may view a full copy by accessing the following website:

<http://police.sdccd.edu/crimestats.htm>.

Pursuant to State and Federal Law information concerning registered sex offenders enrolled or employed by the college may be obtained through the College Police Office.

Elder and Dependent Adult Abuse

An elder is defined as a resident of the State of California who is 65 years of age or older; or a dependent adult, defined as a resident of the State of California between the ages of 18 and 64 years, who

has a physical or mental limitation that restricts his or her ability to carry out normal activities or to protect his/her rights.

Post-secondary educational institutions serving dependent adults are designated as mandated reporters with an individual, personal responsibility to comply with the reporting requirements.

Any mandated reporter, who, in his or her professional capacity, or within the scope of his or her employment, has observed or had knowledge of an incident that reasonably appears to be physical abuse, abandonment, isolation, financial abuse, or neglect, or is told by an elder or dependent adult that he or she has experienced behavior constituting physical abuse, abandonment, isolation, financial abuse, or neglect, or reasonably suspects abuse shall report the known or suspected instance of abuse immediately to Adult Protective Services at 1-800-510-2020.

Copyright Responsibility

Any duplication request of copyrighted materials for use in the college's instructional programs must be accompanied by written permission from the copyright owner. Any duplication of copyrighted materials by student, staff, or faculty is to be for the sole purpose of private scholarly study. Since the liability for infringement of statutory or common-law copyright occurs during misuse of duplicated materials, the duplicated copies cannot be sold or distributed. A designated portion of the duplicated copy cannot be included in another's work without the written permission of the copyright owner. All copyright responsibility is assumed by the individual requesting the duplication. San Diego Mesa College, its agents, representatives, and employees are held harmless against all claims, suits, damage costs, and expenses of charges of statutory or common-law infringement resulting from the college's efforts to provide services, materials, and equipment to the requester.

Student Rights, Responsibilities, and Privacy of Student Records (Policy 3100)

This policy specifies that students are subject to adhering to the policies and procedures of the San Diego Community College District, as well as all federal, state, and local laws. Students are subject to

charges of misconduct concerning acts committed on District-owned or controlled property or the District-sponsored activities as specified in the policy.

You may view a full copy of the policy by accessing the following website:

<http://www.sdccd.edu/public/district/policies/>

Student Grievance Procedure

The purpose of this procedure is to provide a prompt and equitable means for resolving student grievance. The procedures enumerated in Student Grievance Procedures 3100.1 shall be available to any student who believes a district decision or action has adversely affected his/her rights as a student as specified in Student Rights and Responsibilities, Policy 3100, Section 1 through 10. Note that grades are not grievable under this policy. Refer to the Grade Challenge section, page 52, of this catalog.

Academic Freedom & Freedom of Expression

The San Diego Community College District is committed to an academic environment that embraces the principles of academic freedom and freedom of expression. This commitment is based upon the value that free expression is essential to excellence in teaching, learning, critical inquiry and service to the community.

1 ACADEMIC FREEDOM

- a. Academic freedom affords the faculty the right to speak freely and write, without unreasonable restrictions or prejudices.
- b. In accordance with the doctrine of academic freedom, faculty have the following fundamental rights:
 - 1) Collective primacy in designing and approving curriculum and instructional methods;
 - 2) Individual faculty determination of instructional materials, course content, and student evaluation methods, in concert with colleagues, so as to assure coherence in instruction and the maintenance of academic standards;
 - 3) Individual faculty freedom to discuss subject matter of the course, as appropriate to the standards of the discipline and academic community, even when that material is controversial;
 - 4) Individual faculty authority to evaluate enrolled students on the basis of the academic merit of the students' performance;
 - 5) Individual faculty choice of research topics and methods of investigation—subject to professional and peer-determined standards—as well as unconditional freedom to publish results; and
 - 6) Faculty participation in shared governance, curriculum review, and accreditation processes.

2 FREEDOM OF EXPRESSION

- a. Freedom of expression affords the faculty, staff and students the right to speak and write freely in accordance with the constitutional protections of free speech.
- b. Faculty, staff and students have the following responsibilities:
 - 1) The District shall protect the rights of faculty to express their views in the classroom that pertain to class content. While it is understood that controversy is often at the core of inquiry, such controversy should be addressed in a mutually respectful manner.
 - 2) The District shall protect the rights of faculty, staff and students to speak freely on matters of public concern.
 - 3) Faculty, staff and students are free to explore a wide range of views and judge on matters of public concern.
 - 4) As outlined in District policies and procedures, faculty, staff and students have responsibilities which are based upon principles of fairness, integrity, confidentiality, safety, professionalism, and respect for others.
 - 5) Members of the academic community have the right to participate in governance and to join or form organizations without fear of retaliation.

Review of Student Records

Pursuant to the "Family Rights and Privacy Act of 1974" (Public Law 93-380) and the California Education Code, a student may request to inspect all his/her official school records, files, and related data that are classified as Student Records. The records will be available for review at a mutually convenient time during regular working hours. Contact the Vice President, Student Services. If information in the file is inaccurate, misleading, or inappropriate, a student may request removal of the information or include a statement disputing the material that is challenged.

The law provides that no individual, agency or organization shall have access to a student's records without the written consent of the student, with the exception of the following:

- 1) School officials within the district with "legitimate educational interest" such as the following:
 - a. Instructional staff, when such information will assist in determining or improving the academic competence of students under their jurisdiction.
 - b. Counseling staff, when such information will assist the student in achieving his/her personal, academic, or vocational goals.
 - c. Classified staff who are involved in the creation, analysis, distribution, correction, compilation, or processing of student records.
 - d. Management or supervisory staff, when such information is directly related to the successful completion of management or supervisory duties, as prescribed by the Board of Trustees.
 - e. The Board of Trustees, in appropriate disciplinary cases.
- 2) Specified federal and state educational officials such as officials in the State Chancellor's Office.
- 3) State and local officials to the extent that such information is required to be reported pursuant to state law adopted prior to November 19, 1974.
- 4) Schools or colleges of intended enrollment provided that the student has been notified and given the opportunity to challenge the content.
- 5) Organizations conducting studies for the district.
- 6) Persons in connection with an emergency.
- 7) Agencies in connection with financial aid.
- 8) Court officials pursuant to a court order or subpoena provided the college makes a reasonable effort to notify the student in advance of such compliance.

You may view a full copy of the policy by accessing the following website:

<http://www.sdccd.edu/public/district/policies/>

Volunteer/Visitor Conduct Expectations

In accordance with Procedure 3100.4, all visitors and volunteers are expected to adhere to the policies and procedures of the San Diego Community College District, as well as all federal, state and local laws. Visitors and volunteers will be subject to removal from classrooms, service areas, and activities of the campus for any of the following acts (but not limited to) while on campus. Any violation may be subject to permanent removal from campus. Violations of state, federal, or local laws or ordinances, while on district premises, will be addressed by college police in accordance with the California Penal Code.

- Act or threat of damage to or theft of property belonging to or located on District-controlled property or facilities.
- The physical or verbal intimidation or harassment of such severity or pervasiveness as to have the purpose or effect of unreasonably interfering with a student's academic performance, or a District employee's work performance, or of creating an intimidating, hostile, or offensive educational or work environment.
- Physical or verbal disruption that is incompatible with instructional or student services activities, administrative procedures, public service functions, authorized curricular or co-curricular activities or prevention of authorized guests from carrying out the purpose for which they are on campus when such a disruption occurs inside of any classroom or facility or in such proximity as to appear reasonably likely to interfere with activities inside of the classroom or facility, or the substantial and material disruption of any other

regular campus activity which occurs in any other portion of District-controlled property.

- Disorderly, lewd, indecent or obscene conduct or expression or habitual profanity or vulgarity; any expression which is obscene, libelous or slanderous according to current legal standards or which so incites students as to create a clear and present danger of the commission of unlawful acts, or the substantial disruption of the orderly operation of the community college. (Ed. Code 76120)
- Assault, or battery upon a student or district personnel on district premises or at any time or place while under the authority of District personnel.
- Possession of weapons, explosives, unlicensed dangerous chemicals or objects which may be used as weapons or to threaten bodily harm, as specified in the California Penal Code or other applicable laws.
- Failure to comply with the reasonable directions of staff members of the district who are acting within the scope of their employment. Continued and willful disobedience or open and persistent defiance of the authority of district personnel, provided such authority is related to district activities or college/center attendance.

Academic Requirements

The Associate Degree

On the recommendation of the faculty, the colleges of the San Diego Community College District award the Associate in Arts degree, the Associate in Science degree, or the Certificate of Achievement to students who complete the specified requirements.

The Associate in Science degree is awarded in engineering, physical and biological sciences, and occupational curricula. The Associate in Arts degree is awarded in the social sciences, humanities, the arts, and similar disciplines.

Degree Requirements

Minimum 60 Units Required

All degrees require a minimum of 60 semester units.

Grade Point Average (GPA) and Minimum Grade Requirements

- Effective 2009-2010 catalog year (and each year thereafter), students must earn a grade of "C" or better in courses required for the major.
- Students enrolled in occupational and health occupation programs must earn a grade of "C" or better in courses required for the major.
- A grade point average of at least 2.0 (a "C" average) is required in the curriculum upon which the degree is based.

District Competencies

District competencies in reading, written expression, and mathematics (See Mesa College catalog page 81)

Minimum Units in Residence

A minimum of 12 semester units completed in residence as an officially enrolled student in the San Diego Community College District. Students should plan programs with long range goals in mind.

Major/Area of Emphasis Requirements

- Eighteen semester units or more are required.
- Six semester units must be completed at City, Mesa, or Miramar College. Refer to the Degree Curricula and Certificate Programs section of this catalog for specific requirements for each major.
- Only one course in a student's major discipline may be used to meet the San Diego Community College District's general education requirements with the exception of Liberal Arts and Sciences degrees.

Recency of Coursework Limitation:

Academic departments may require that courses for the major be completed within a specified period of time prior to the granting of the Associate Degree, Certificate of Achievement, or Certificate of Performance. Students with questions about the applicability of previous coursework are advised to consult the Department as early as possible.

Select One of the Following Four General Education Options:

- **Option 1**—San Diego Community College District General Education **AND** District Requirements. (See Mesa College Catalog page 81).
- **Option 2**—CSU General Education Breadth (CSU GE Pattern). (See Mesa College Catalog page 112.)
- **Option 3**—Intersegmental General Education Transfer Curriculum (IGETC) pattern. (See Mesa College Catalog page 103.)
- **Option 4**—San Diego Community College District General Education Requirements. (See Mesa College Catalog page 85). Students selecting this option should meet with a counselor to determine the appropriate General Education courses for their individual transfer goals.
NOTE: Option 4 is only available for the following Mesa Liberal Arts and Sciences degrees designed for transfer students. Available emphases include:
 - Arts Studies
 - Business Studies
 - Language Arts and Humanities Studies
 - Mathematics and Pre-Engineering Studies

- Science Studies
- Social and Behavioral Science Studies

Students who plan to transfer to a four-year institution should review the Transfer Requirements section of this catalog.

District Requirements (Option 1)

() Colleges in parenthesis indicate where the course is approved for District Requirements.

C—City College
M—Mesa College
MMR—Miramar College

The following information is effective for students graduating under the 2009-2010 catalog year or each term thereafter and is subject to change. Please contact the Counseling Department for updates.

1. Competence in Reading and Written Expression

Complete one course with a grade of "C" or better from General Education Requirements Area A.1 Language and Rationality, English Composition.

Note: The course selected to meet this requirement may also be used to meet the general education requirement for English Composition.

2. Competence in Mathematics

Competence is demonstrated by:

- Placement in Assessment Skill Level M50 or higher on SDCCD mathematics assessment
- OR**
- Completing one of the following courses with a grade of "C" or better:

- * MATH 84 Practical Geometry (M)
- * MATH 85 Practical Career Mathematics (C,M)
- MATH 96 Intermediate Algebra and Geometry (C,M,MMR)
- * MATH 98 Technical Intermediate Algebra and Geometry (C)

OR

- Completing, with a grade of "C" or better, any other course for which one of the above listed courses is a prerequisite or any math course with a number higher than 100.

* These courses cannot be used to meet the prerequisite for any transfer-level mathematics course.

Note: The course selected to meet these requirements may also be used to meet the general education requirement for Communications and Analytical Thinking.

3. American Institutions/California Government

Students are required to complete the United States History, Constitution and American Ideals before being awarded an associate degree. This requirement may be fulfilled by completing any combination of two classes that, when combined, fulfill areas: US-1, US-2, and US-3. A course may be used to fulfill more than one area.

A check mark [✓] indicates course has been approved to meet the requirement for the area

Course	Area US-1: Development of American Institutions	Area US-2: US Constitution	Area US-3: California State & Local Governments
^BLAS 140A History of the United States, Black Perspectives (C, M, MMR)	✓	✓	
^BLAS 140B History of the United States, Black Perspectives (C, M, MMR)	✓		✓
^CHIC 141A U.S. History from a Chicano Perspective (C, M)	✓	✓	
^CHIC 141B U.S. History from a Chicano Perspective (C, M)	✓		✓
HIST 109 History of the United States I (C,M,MMR)	✓	✓	
HIST 110 History of the United States II (C,M,MMR)	✓		✓
^HIST 115A History of the Americas I (C,M)	✓	✓	
^HIST 115B History of the Americas II (C,M)	✓		✓
^HIST 123 U.S. History from the Asian Pacific American Perspective (C,M)	✓		✓
HIST 141 Women in United States History I (C,M, MMR)	✓	✓	
HIST 142 Women in United States History II (C,M, MMR)	✓		✓
^HIST 150 Native Americans in U.S. History (M,MMR)	✓	✓	
^HIST 151 Native Americans in U.S. History (M,MMR)	✓		✓
HIST 175 California History (M)			✓
POLI 102 The American Political System (C,M, MMR)		✓	✓

NOTES:

- **Three units of coursework used to fulfill the American Institutions/California Government requirement may also be used to fulfill a general education requirement. However, if a six-unit sequence or combination is selected to fulfill the American Institutions requirement, only three (3) units may be used for general education credit.**
- **Courses designated with a carat (^) may also be used to fulfill the District Multicultural studies requirement.**
- **Completion of the Advanced Placement examination in U.S. History with a score of 3 or higher will satisfy the requirement for the CSU American Institutions Area US-1 only.**
- **Completion of the Advanced Placement examination in U.S. Government & Politics with a score of 3 or higher will satisfy the requirement for Area US-2.**
- **Students who have completed the American Institutions requirement except for the California government portion must complete one course approved in Area US-3**

4. Health Education

This requirement is met by completing Health Education 101: Health and Lifestyle, three units.

Note: This requirement is waived for students who earn degrees in Nursing Education . U.S. Veterans and active duty U.S. military personnel may be granted two units of college credit to fulfill the Health Education Requirement if service has been continuous for at least six months. Copies of form DD-214 or DD-295 or SMART or AART or CCAF Transcript covering all periods of military service must be on file in the Records Office.

5. Physical Education

Students must complete two activity courses. Physical Education courses numbered below 240 are acceptable, except for Physical Education 150. Dance courses are also acceptable, except for DANC 127, 181, 183 and 253. Administration of Justice 147 and 148 are also acceptable. Students with physical conditions which prevent participation in regular physical education activity classes must file a physician's statement with the Evaluations Office, I300 room 201. Adapted Physical Education classes are available. A Physician's medical release form is required.

Note: U.S. Veterans and active duty U.S. military personnel may be granted two units of college credit to fulfill the Physical Education requirement if service has been continuous for at least six months. Copies of form DD-214 or DD-295 or SMART or AART or CCAF Transcript covering all periods of military service must be on file in the Records Office.

6. Multicultural Studies

Students may satisfy the District multicultural studies graduation requirement by satisfactorily completing a course related to the culture of one or more of the ethnic groups which are represented in American society. The course shall include a focus on the role of men and women in the origin, development, and current status of these cultures.

Note: Each student seeking the Associate Degree must complete a three-unit multicultural studies course selected from the general education courses marked with a ^ indicating that it meets the Multicultural Requirement. The three units may be applied to the 18 units required in general education.

This requirement is met by completing one of the following courses (these courses are also on the District General Education list).

- ^ ADJU 106 Diversity and Community Relations (MMR)
- ^ AMSL 104 Introduction to Deaf Culture (M)
- ^ ANTH 103 Introduction to Cultural Anthropology (C,M,MMR)
- ^ ANTH 200 Introduction to North American Indians (M)
- ^ ANTH 210 Introduction to California Indians (C,M)
- ^ ARTF 113 African, Oceanic, and Native American Art (M,MMR)
- ^ ARTF 115 African Art (C,M)
- ^ ARTF 120 Native American Indian Art (M)
- ^ BLAS 104 Black Psychology (C,M)
- ^ BLAS 110 Afro-American Art (C,M)
- ^ BLAS 115 Sociology from a Black Perspective (C)
- ^ BLAS 116 Contemporary Social Problems from a Black Perspective (C,M)
- ^ BLAS 120 Black Music (C,M)
- ^ BLAS 125 Dynamics of the Black Community (M)
- ^ BLAS 130 The Black Family (C,M)
- ^ BLAS 135 Introduction to Black Politics (C)
- ^ BLAS 140A History of the U.S., Black Perspectives (C,M,MMR)
- ^ BLAS 140B History of the U.S., Black Perspectives (C,M,MMR)
- ^ BLAS 145A Introduction to African History (C,M)
- ^ BLAS 145B Introduction to African History (C)
- ^ BLAS 150 Black Women in Literature and the Media (C,M)
- ^ BLAS 155 Afro-American Literature (C,M)
- ^ CHIC 110A Introduction to Chicano Studies (C,M)
- ^ CHIC 110B Introduction to Chicano Studies (C,M)
- ^ CHIC 135 Chicano Literature (C,M)
- ^ CHIC 141A United States History from a Chicano Perspective (C,M)
- ^ CHIC 141B United States History from a Chicano Perspective (C,M)
- ^ CHIC 190 Chicano Images in Film (C,M)
- ^ CHIC 210 Chicano Culture (C,M)

- ^ CHIL 141 The Child, Family and Community (C,M,MMR)
- ^ DRAM 109 Theatre and Social Issues (C)
- ^ ENGL 202 Introduction to Linguistics (C,M)
- ^ ENGL 230 Asian American Literature (M,MMR)
- ^ FILI 100 Filipino American Experience (M,MMR)
- ^ GEND 101 Introduction to Gender Studies (C)
- ^ GEOG 102 Cultural Geography (C,M,MMR)
- ^ HIST 115A History of the Americas I (C,M)
- ^ HIST 115B History of the Americas II (C,M)
- ^ HIST 120 Introduction to Asian Civilizations (C,M,MMR)
- ^ HIST 121 Asian Civilizations in Modern Times (C,M,MMR)
- ^ HIST 123 U. S. History from the Asian Pacific American Perspective (C,M)
- ^ HIST 130 The Modern Middle East (M)
- ^ HIST 150 Native Americans in United States History (M,MMR)
- ^ HIST 151 Native Americans in United States History (M,MMR)
- ^ HIST 168 The United States in Vietnam (M)
- ^ INTE 125 History of Decorative Arts (M)
- ^ MUSI 109 World Music (C,M,MMR)
- ^ NUTR 153 Cultural Foods (M)
- ^ PHIL 125 Philosophy of Women (C,M)
- ^ POLI 103 Comparative Politics (C,M,MMR)
- ^ POLI 140 Contemporary International Politics (C,M,MMR)
- ^ SOCO 101 Principles of Sociology (C,M,MMR)
- ^ SOCO 110 Contemporary Social Problems (C,M,MMR)
- ^ SOCO 125 Sociology of the Family (C,M)
- ^ SOCO 150 Sociology of Latinos/Latinas (C)
- ^ SOCO 223 Globalization and Social Change (C,M,MMR)
- ^ SPEE 180 Intercultural Communication (C,M,MMR)

General Education Outcomes Defined

General Education courses should contribute to the broad education of career technical and transfer

students in the areas of critical thinking, writing, and oral communication skills, understanding of and the ability to use quantitative analysis, and awareness of the arts and humanities; and of the physical, social and behavioral sciences as they affect one's interaction with the diverse local and global communities.

General Education Requirements Title 5: Section 55806

- a. Natural Sciences.** Courses in the natural sciences are those that examine the physical universe, its life forms, and its natural phenomena. To satisfy the General Education Requirement in natural sciences, a course shall be designed to help the student develop an appreciation and understanding of the scientific method, and encourage an understanding of the relationships between science and other human activities. This category would include introductory or integrative courses in astronomy, biology, chemistry, general physical science, geology, meteorology, oceanography, physical geography, physical anthropology, physics and other scientific disciplines.

Students who complete natural sciences general education courses will be able to:

- demonstrate an understanding and appreciation of the scientific method
- express an understanding of the relationships between science and other human activities
- examine the natural physical world and its life forms in a variety of courses
- utilize critical thinking skills in a variety of scientific applications

- b. Social and Behavioral Sciences.** Courses in the social and behavioral sciences are those which focus on people as members of society. To satisfy the general education requirement in social and behavioral sciences, a course shall be designed to develop an awareness of the method of inquiry used by the social and behavioral sciences. It shall be designed to stimulate critical thinking about the ways people act and have acted in response to their societies and should promote appreciation of how societies and social subgroups operate. This category would include introductory or integrative survey courses in cultural anthropology, cultural geography, economics, history, political

science, psychology, sociology and related disciplines.

Students who complete social and behavioral sciences general education courses will be able to:

- express understanding of how people act and have acted in response to their societies and the natural environment
 - articulate how societies and social subgroups operate in specific historical and contemporary contexts
 - use methods of inquiry and measurement appropriate to the particular discipline being studied
- c. Humanities.** Courses in the humanities are those which study the cultural activities and artistic expressions of human beings. To satisfy the general education requirement in the humanities, a course shall be designed to help the student develop an awareness of the ways in which people throughout the ages and in different cultures have responded to themselves, help the student develop aesthetic understanding and an ability to make value judgments. Such courses could include introductory or integrative courses in the arts, foreign languages, literature, philosophy, and religion.

Students who complete humanities general education courses will be able to:

- express understanding and appreciation of varieties of cultural and artistic expression
 - articulate an understanding of the complex relationships between the arts and their cultural, historical, and economic contexts.
 - evaluate the various elements of artistic works
- d. Language and Rationality.** Courses in language and rationality are those which develop for the student the principles and applications of language toward logical thought, clear and precise expression and critical evaluation of communication in whatever symbol system the student uses.
- 1)** English Composition. Courses fulfilling the written composition requirement shall be designed to include both expository and argumentative writing.

- 2)** Communication and Analytical Thinking. Courses fulfilling the communication and analytical thinking requirement include oral communication, mathematics, logic, statistics, computer languages and programming, and related disciplines.

Students who complete language and rationality general education courses will be able to:

- demonstrate an understanding of the principles of clear and coherent communication.
- use verbal and non-verbal languages in a clear and precise manner.
- develop logical and rational thinking skills while analyzing and communicating processes.
- evaluate different quantitative and qualitative symbol expressions and systems.

Ethnic Studies will be offered in at least one of the required areas.

General Education Requirements

^() Colleges in parenthesis indicate where the course is approved for General Education Requirements.
 C—City College
 M—Mesa College
 MMR—Miramar College

[^] Courses with carets fulfill District multicultural studies graduation requirement.

^{*} Courses with asterisks may satisfy more than one area and/or general education requirement but may not be counted more than once for this purpose.

Only one course in a student's major discipline may be used to meet the San Diego Community College District General Education Requirements

The following information is based on 2009-2010 course offerings and is subject to change. Please contact the Counseling Department for updates.

The State of California requires the completion of a minimum of 18 units of general education with at least a 2.0 grade point average. One course must be selected from each of the following areas: English

Composition; Communication/Analytical Thinking; the Sciences (Life or Physical, not both); Humanities; Social Sciences; and a sixth course chosen from any area.

A. Language and Rationality:

A minimum of three semester units, or four quarter units, must be completed. Choose one course from the following:

1. English Composition

ENGL 101	Reading and Composition (C,M,MMR)
ENGL 105	Composition and Literature (C,M,MMR)
ENGL 205	Critical Thinking and Intermediate Composition (C,M,MMR)

A minimum of three semester units, or four quarter units, must be completed. Choose one course from the following:

2. Communication and Analytical Thinking

BIOL 200	Biological Statistics (C,M)
BUSE 101	Business Mathematics (C,M,MMR)
CISC 150	Introduction to Computer and Information Sciences (C,M)
CISC 181	Principles of Information Systems (C,M,MMR)
GISG 104	Geographic Information Science and Spatial Reasoning (C,M)
MATH 84	Practical Geometry (M)
MATH 85	Practical Career Mathematics (C,M)
MATH 96	Intermediate Algebra and Geometry (C,M,MMR)
MATH 98	Technical Intermediate Algebra and Geometry (C)
MATH 104	Trigonometry (C,M,MMR)
MATH 107	Introduction to Scientific Programming (C,M)
MATH 107L	Introduction to Scientific Programming Lab (C,M)
MATH 116	College and Matrix Algebra (C,M,MMR)
MATH 118	A Survey of Modern Mathematics (C,M,MMR)

MATH 119	Elementary Statistics (C,M,MMR)
MATH 121	Basic Techniques of Applied Calculus I (C,M,MMR)
MATH 122	Basic Techniques of Calculus II (C,M,MMR)
MATH 141	Precalculus (C,M,MMR)
MATH 150	Calculus with Analytic Geometry I (C,M,MMR)
MATH 151	Calculus with Analytic Geometry II (C,M,MMR)
MATH 181	Mecomtronics College Algebra and Trigonometry I (C)
MATH 182	Mecomtronics College Algebra and Trigonometry II (C)
MATH 183	Mecomtronics Calculus I (C)
MATH 184	Mecomtronics Calculus II (C)
MATH 210A	Concepts of Elementary School Mathematics I (C,M,MMR)
MATH 210B	Concepts of Elementary School Mathematics II (C,M,MMR)
MATH 237	Machine and Assembly Language (C,M)
MATH 245	Discrete Mathematics (C,M,MMR)
MATH 252	Calculus with Analytic Geometry III (C,M,MMR)
MATH 254	Introduction to Linear Algebra (C,M,MMR)
MATH 255	Differential Equations (C,M,MMR)
PHIL 100	Logic and Critical Thinking (C,M,MMR)
PHIL 101	Symbolic Logic (C,M,MMR)
* PHIL 205	Critical Thinking and Writing in Philosophy (C,M,MMR)
PSYC 258	Behavioral Science Statistics (C,M,MMR)
SPEE 99	Voice and Diction for Non-Native Speakers of English (C,MMR)
SPEE 101	Voice and Articulation (C,M,MMR)
SPEE 103	Oral Communication (C,M,MMR)
SPEE 135	Interpersonal Communication (C,M,MMR)
SPEE 160	Argumentation (C,M,MMR)
SPEE 170	Small Group Communication (C,M)
^ SPEE 180	Intercultural Communication (C,M,MMR)

B. Natural Sciences

A minimum of three semester units, or four quarter units, must be completed. Choose one course from the following:

1. Life Sciences

ANTH 102	Introduction to Physical Anthropology (C,M,MMR)
ANTH 104	Laboratory in Physical Anthropology (C,M,MMR)
BIOL 100	Natural History - Environmental Biology-Lecture/Laboratory (M,MMR)
BIOL 101	Issues in Environmental Biology-Lecture/Laboratory (C)
BIOL 107	General Biology-Lecture/Laboratory (C,M,MMR)
BIOL 110	Introduction to Oceanography (C,M)
BIOL 111	Cancer Biology (C)
BIOL 115	Marine Biology (C,M,MMR)
BIOL 120	The Environment of Man (M)
BIOL 130	Human Heredity (C,M,MMR)
BIOL 131	Introduction to Biotechnology (MMR)
BIOL 160	Elements of Human Anatomy & Physiology-Lecture/Laboratory (M,MMR)

Certificate of Achievement

Programs in which a Certificate of Achievement may be awarded are described in the Degree Curricula and Certificate Programs section of this catalog. Certificate programs are designed for students with specific personal or occupational goals. To qualify for the Certificate of Achievement, students must satisfy the following requirements:

- 1) meet all standards for admission to the desired certificate program;
- 2) earn a grade of "C" or higher in each course;
- 3) complete a minimum of three courses in residence;

- 4) and a minimum of six semester units of the required courses for the major must be completed at City, Mesa or Miramar College.

Certificate of Performance

Programs in which a Certificate of Performance may be awarded are described in the Degree Curricula and Certificate Programs section of this catalog. A Certificate of Performance recognizes the attainment of knowledge and/or skill through the successful completion of two or more courses as specified by a department. Certificates of Performance are designed to prepare students for employment, job enhancement and/or job advancement. To qualify for the Certificate of Performance, students must satisfy the following requirements:

- 1) Achieve a grade of "C" or better in each of the required courses.
- 2) Complete all required course work in the San Diego Community College District.
- 3) Course substitutions or course equivalencies from other colleges may not be used to satisfy Certificate of Performance requirements.

For additional information, contact the campus Evaluations Office or subject-area department.

Graduation

Petition for Graduation

Graduation is not automatic upon completion of requirements. A student who expects to receive the Associate Degree or the Certificate of Achievement must file a Petition for Graduation. The Petition may be completed online at: <https://studentweb.sdccd.edu>, or obtained in the Counseling Office. See Academic Calendar section for important filing dates.

Official college transcripts from all colleges attended must be on file before submitting the petition for Associate Degree or Certificate of Achievement.

A petition for an associate degree evaluation should be submitted one year before the student plans to graduate.

An evaluation is a summary of college work completed and of requirements to be completed for the associate degree or the certificate of achievement.

Only evaluations completed by one of the College Evaluators are official.

Students who have petitioned for graduation should notify the evaluator immediately of any name or address change.

Students who are working toward a certificate of achievement should file the Petition for Graduation prior to the beginning of the semester in which they plan to complete the requirements of their certificate program.

Catalog Rights

Students who maintain continuous enrollment may choose to graduate under the (City College, Mesa College, and Miramar College) catalog in effect at the time they began their studies in a California Community College, California State University, or University of California campus, or under the catalog in effect at the time of graduation.

Certification of a student's completion of CSU general education requirements or the Intersegmental General Education Transfer Curriculum (IGETC) is not a graduation requirement. Therefore, students do not have catalog rights to a certification pattern used by a certifying institution or a CSU or UC campus.

Continuous Enrollment

Continuous enrollment is defined as attendance in one semester or two quarters (excluding summer) within a calendar year in either the CSU, UC, or California Community College System.

Awarding of Degrees or Certificates

Associate Degrees/Certificates of Achievement will be awarded at the end of the semester in which the requirements are completed.

The graduation ceremony is held once a year. Candidates for Fall, Spring and Summer graduation may participate in the ceremony which is held at the end of the Spring semester.

Diplomas

Diplomas are issued only after completion of all graduation requirements have been verified. Diplomas will be issued in the name of record at the time the diploma is awarded. For information on obtaining your diploma or certificate of achievement,

or a duplicate copy, please contact the Evaluations Office on campus at 619-388-2680, MV-19.

Graduation with Distinction

Graduation with honors distinction will be based upon all coursework that is associate degree and lower division baccalaureate degree applicable.

Graduation with Honors is granted to students who achieve an overall 3.5 GPA, High Honors is granted to students who achieve an overall 3.75 GPA, and Highest Honors is granted to students who achieve an overall 4.0 GPA.

Students will be notified that this distinction is pending at the time of the graduation ceremony, when the GPA will be calculated based upon degree or certificate applicable coursework completed through the fall semester of the year of the ceremony. The final distinction will be determined upon completion of all coursework completed through the spring semester for spring graduates or the summer term for summer graduates.

Additional College Degree

A student having received an associate or baccalaureate degree may qualify for an additional Associate in Arts or Associate in Science degree in a new major or concentration.

An additional degree:

- 1) Permits upgrading or preparation for upgrading current employment.
- 2) Prepares for employment in an area different from that provided by previous training.
- 3) Provides general knowledge leading to fulfillment of personal goals.

The following requirements are applicable:

- 1) The degree to be earned must represent a change in major or concentration from the degree or degrees previously earned.
- 2) A student must earn a minimum of 18 required semester units in the new major or concentration beyond the minimum 60 units required for the Associate Degree, bringing the total units required for the second degree to a minimum of 78 units, a minimum of 96 units for the third degree, and so on. Twelve (12) semester units of the new major or concentration must be completed in residence.

- 3) A student must fulfill current catalog associate degree requirements.
- 4) In order to receive an additional college degree, the student must file a Petition for Graduation in

the Evaluations Office. The college evaluator will review all previous college work to determine the student's eligibility for a second degree.

Transfer Guide

Transfer Programs

Many of the courses completed at San Diego City College, San Diego Mesa College, and San Diego Miramar College may be applied for transfer credit to four-year colleges and universities. Students have the opportunity to complete their first two years of a four-year degree at this level. The Transfer Center serves as a resource center for students interested in transfer and provides the following: university catalogs, student computer work stations, university brochures and handouts, assistance with transfer information such as articulation agreements for lower division general education, major preparation, transferable electives, workshops on transferring to colleges and universities, access to university advisors, guaranteed university admission programs, assistance completing college applications, and campus visits.

Students are advised to plan transfer programs as early as possible and enroll in transferable courses in both general education and in courses that prepare for the specific university major. Questions related to transfer programs should be discussed with counselors or the Transfer Center staff. Students interested in transfer should meet with a counselor in the Counseling Department, room I-430 to develop a Transfer Educational Plan which will identify the courses needed to transfer. The Transfer Center is located on the second floor of the Student Services Building I-300 in Room 202. For information, call 619-388-2473.

Components of Transfer

"Transfer" is continuing your education at a baccalaureate-degree granting college or university, usually after completing your first two years at a community college. Websites www.californiacolleges.edu and www.csumentor.edu provide Transfer Planners and additional resources to provide you with pertinent information.

1) Making your decisions

Career Objective

Your career objective will determine the type of degree you need and your choices for selecting a major.

Major Objective

Many of the classes you take in college will be determined by your major, which is the field of study you will emphasize. You are required to major in a specific academic subject to

demonstrate sustained, high level work in one field.

University Selection

Selecting a university takes time and planning. It is strongly recommended that you enroll in the Transfer 101 Workshop offered through the Transfer Center or enroll in Personal Growth 127, College Success. Work closely with your counselor to ensure that you are making the choice that is right for you.

2) Educational Plan

Major Preparation

Some majors require specific lower-division courses to be admitted to a major upon transfer. For public universities in California, visit www.assist.org for this articulation information. Articulation is the process whereby a course (or set of courses) offered at one institution is accepted as equivalent to or in lieu of a comparable course (or set of courses) at another institution. For current Mesa College articulation agreements with private/independent universities, visit the Transfer Center website at www.sdmesa.edu, click on Student Services and then Transfer Center.

General Education Requirements

General Education requirements are courses required of everyone regardless of major. Each university has different general education patterns. Mesa students can choose from the following:

- a. Complete specific requirements for an individual university or,
- b. Complete the approved Intersegmental General Education Transfer Curriculum (IGETC) pattern of courses acceptable at all campuses of the CSU, most campuses of the UC, and some private institutions, or
- c. Complete the approved CSU GE Breadth pattern of lower-division courses acceptable at all campuses of the CSU system.

It is strongly advised that you work closely with a counselor before making a decision. For a list of transfer GE options for the IGETC

coursework patterns see page 103. The CSU GE coursework patterns may be found on page 111.

Electives

Electives are additional courses taken to meet the number of required units or to meet

additional lower-division graduation requirements. Make sure the courses you select are transferable courses by referring to the course descriptions in this catalog.

3) **Application**

Most universities require you to apply for admission about one year prior to your expected transfer date. Visit the Transfer Center in I300 Room 202 for more information.

Transfer to California State University (CSU)

The California State University (CSU) system is made up of 23 universities throughout the state. These include:

California Maritime Academy
 California Polytechnic State University, San Luis Obispo
 California State Polytechnic University, Pomona
 California State University, Bakersfield
 California State University, Channel Islands
 California State University, Chico
 California State University, Dominguez Hills
 California State University, East Bay
 California State University, Fresno
 California State University, Fullerton
 California State University, Long Beach
 California State University, Los Angeles
 California State University, Monterey Bay
 California State University, Northridge
 California State University, Sacramento
 California State University, San Bernardino
 California State University, San Marcos
 California State University, Stanislaus
 Humboldt State University
 San Diego State University
 San Francisco State University

San Jose State University
 Sonoma State University

Students who plan to earn a university degree may find it advantageous to complete freshman and sophomore work at a California community college. A student may apply 70 transferable semester units from the community colleges toward a university degree. Courses completed at a community college after the 70-unit maximum course units has been reached will count toward university requirements, but these course units will not count toward the total number of units required to earn a university degree.

California State University Minimum Admission Requirements

Transfer students will be eligible for admission by meeting the following requirements:

- 1) **Complete 60 semester units or 90 quarter units of transferable units. These 60 units consist of:**
 - General Education pattern (for details see page 112),
 - Preparation for Major (details on page 102), and
 - any electives needed to reach the 60 unit minimum.
- 2) Within the General Education, the completion of the Golden 4 (Critical Thinking, Writing, Speech, Math) with a grade of C or better. Pass/No-Pass grades are not recommended in these areas.
- 3) GPA: Your overall grade point average must be at least 2.0 (2.40 for California nonresidents). Impacted majors may have higher GPA requirements.
- 4) The CSU designates major programs as impacted when more applications are received in the initial filing period from CSU-eligible applicants than can be accommodated by the campus. The initial filing period is defined as the first month of the filing period (October and November for fall terms). If you are interested in an impacted major, you must apply during the initial filing period. You will be subject to supplementary admission criteria.

CSU U.S. History, Constitution, and American Ideals Certification

The California State University, before awarding a degree, requires students to complete courses or examinations that address:

1. The historical development of American institutions and ideals (Area US-1), and
2. The Constitution of the United States and the operation of representative democratic government under that Constitution (Area US-2), and
3. The process of California state and local government (Area US-3).

This requirement may be fulfilled at a California Community College prior to transfer by completing a combination of courses that satisfies all three areas of the requirement. The requirement may also be completed at a CSU campus after transfer. Courses approved in two US areas may be used to satisfy both areas.

Although this requirement is not part of the General Education requirements for CSU, all students must complete course work in U.S. History, Constitution and Government before graduation from a CSU campus. The courses may also be used to partially fulfill Area D of the CSU General Education Breadth Requirements.

A check mark ✓ indicates course has been approved to meet the area

Note: Not required for Certification.

Course	Area US-1: Development of American Institutions	Area US-2: U.S. Constitution	Area US-3: California State & Local Government
BLAS 140A History of the United States, Black Perspectives (C, M, MMR)	✓	✓	
BLAS 140B History of the United States, Black Perspectives (C, M, MMR)	✓		✓

NOTES:

- **Completion of the Advanced Placement examination in U.S. History with a score of 3 or higher will satisfy the requirement for Area US-1.**
- **Completion of the Advanced Placement examination in U.S. Government & Politics with a score of 3 or higher will satisfy the requirement for Area US-2.**
- **Students who have completed this requirement except for the California government portion must complete one course approved in Area US-3**

California State University Transfer Checklist

- When you begin classes at a California Community College, discuss your transfer plans with a community college counselor or Transfer Center director. Inquire about California State University (CSU) general education requirements and the lower division courses required for your major.
- Review your California Community College catalog for information on which courses are transferable to the CSU.
- Obtain one or more CSU campus catalogs to become familiar with admission, general education, and major requirements.
- If you will need financial assistance to attend CSU, talk to a financial aid advisor at the California Community College you are attending; obtain a copy of the FAFSA form, and note application deadlines.
- Contact a CSU campus Disabled Student Services program to inquire about available services.
- Visit one or more CSU campuses. Call the Admissions Office at your target campus if you would like a campus tour. Contact the Transfer Center in I3-202 to see about 4-year representative visits or visit the website at www.sdmesa.edu
- Complete and file an application for admission with the CSU campus during the initial filing period (visit www.csumentor.edu, see the CSU admission booklet, or contact a CSU admission office).
- Send the application fee (\$55) with the CSU application for admission.
- Send in your Intent to Enroll response along with the fee to accept the admissions offer.
- Have transcripts from all colleges attended (and high school transcript, if necessary) sent to the CSU campus you have selected.
- After you have applied for admission to a CSU campus, request that the community college Evaluations Office certify on your transcript the courses you have completed to satisfy CSU general education.
- Meet with an admissions representative to ensure you have completed all paperwork.

Take charge of your transfer program. You too, can discover the difference that a CSU education can make in reaching your career goals.

Transfer to University of California

The University of California system includes nine campuses and a Health Sciences Center in San Francisco.

University of California Campuses
 University of California, Berkeley
 University of California, Davis
 University of California, Irvine
 University of California, Los Angeles
 University of California, Merced
 University of California, Riverside
 University of California, San Diego
 University of California, San Francisco
 University of California, Santa Barbara
 University of California, Santa Cruz

Students who plan to earn a university degree may find it advantageous to complete freshman and sophomore work at a California community college. A student may apply 70 transferable semester units (or 105 quarter units) from the community colleges toward a university degree. Courses completed at a community college after the 70-unit maximum course units has been reached will count toward university requirements, but these course units will not count toward the total number of units required to earn a university degree.

The University of California minimum requirements

Transfer students will be eligible for admission if they meet the following requirements:

- 1) **Complete 60 semester units or 90 quarter units of transferable units;**
- 2) A grade point average of at least 2.4, with no more than 14 semester or 21 quarter units taken as Pass/No Pass; and
- 3) Complete the following course pattern, with a grade of "C" or better in each course:
 - two transferable college courses (3 semester or 4-5 quarter units) in English composition; and
 - one transferable college course (3 semester or 4-5 quarter units) in mathematical concepts and quantitative reasoning; and

- four transferable college courses (3 semester or 4-5 quarter units each) selected from at least two of the following subject areas: arts and humanities; social and behavioral sciences; and physical and biological sciences.

Students who complete the Intersegmental General Education Transfer Curriculum (IGETC) pattern prior to transferring to the University of California system will meet the transfer eligibility coursework requirement listed above (see page 103 for details). Students who did not qualify for admissions to a university when graduating from high school because subjects A-F were not satisfied, must complete the requirements listed above.

Note: Specific admission criteria vary among University of California campuses. The UC system limits credit for transfer of courses in fine arts, music, theater arts, computer science, engineering and independent study.

UC Transfer and Physical Education Activity Courses

UC grants a maximum of four semester units of credit for appropriate Physical Education Activity courses. Courses that are subject to this limit are listed as such on the college's UC Transfer Course Agreement, available on web ASSIST at www.assist.org under the *UC Transferable Courses* link. Physical Education Theory courses or courses that do not fit either the Theory or Activity category are not included in the four semester credit limit.

UC Transfer and Variable Topics Courses

These courses are also called "Independent Studies", "Special Studies", "Special Topics", "Internships", "Field Work", etc. Credit for variable topics courses is given only after a review of the scope and content of the course by the enrolling UC campus. This usually occurs after transfer and may require recommendations from faculty. UC does not grant credit for variable topics courses in Journalism, Photography, Health, Business Administration, Architecture, Administration of Justice (Criminology) or Library Departments because of credit restrictions in these areas.

University of California Transfer Checklist

- When you begin classes at a California Community College, discuss your transfer plans with a community college counselor or Transfer Center director. Inquire about University of California (UC) general education requirements and the lower division courses required for your major. Please note that UC stresses the prep for major over the general education requirements.
- Review your California Community College catalog for information on which courses are transferable to the UC.
- Obtain one or more UC campus catalogs to become familiar with admission, general education, and major requirements.
- If you will need financial assistance to attend UC, talk to a financial aid advisor at the California Community College you are attending; obtain a copy of the FAFSA form, and note application deadlines.
- Contact a UC campus Disabled Student Services program to inquire about available services.
- Visit one or more UC campuses. Call the Admissions Office at your target campus if you would like a campus tour. Contact the Transfer Center in I3-202 to see about 4-year representative visits or visit the website at www.sdmesa.edu
- Complete and file an application for admission with the UC campus during the initial filing period (visit www.universityofcalifornia.edu, see the UC admission booklet, or contact a UC admission office).
- Send the application fee (\$60) with the UC application for admission.
- Submit the Intent to Enroll form.
- Have transcripts from all colleges attended (and high school transcript, if necessary) sent to the UC campus you have selected.
- After you have applied for admission to a UC campus, request that the community college Evaluations Office certify on your transcript the courses you have completed to satisfy UC general education.
- Attend the UC Transitions workshop.

Take charge of your transfer program. Visit the Transfer Center in I-300 Room 202 for resources, appointments with UC representatives and additional information.

Transfer to Private and Independent Colleges and Universities

Transfer options are available to hundreds of Private and Independent Colleges and Universities throughout world. Admission requirements are different at each private and independent university. To establish a transfer plan, come to the Transfer Center to research and obtain transfer admissions requirements, then work with a counselor to establish a plan.

Historically Black Colleges and Universities (HBCU)

Any historically black college or university that was established prior to 1964, whose principal mission was, and is, the education of black Americans, and that is accredited by a nationally recognized accrediting agency or association determined by the Secretary [of Education] to be a reliable authority as to the quality of training offered or is, according to such an agency or association, making reasonable progress toward accreditation. There are over 125 HBCU's in the United States.

Hispanic Serving Institutions

The Hispanic Association of Colleges and Universities (HACU) is a national educational association that represents colleges and universities committed to Hispanic higher education success in the United States (including Puerto Rico), Latin America, and Spain. HACU has 193 member Hispanic-Serving Institutions (HSIs) located in 11 U.S. states and Puerto Rico. To be considered a Hispanic-Serving Institution, the Hispanic enrollment at a college or university must be at least 25 percent of the total student enrollment. California is home to 54 Hispanic Serving Institutions.

Tribal Colleges and Universities

There are 35 federally recognized Tribal Colleges and Universities in the United States. Located mainly in the Midwest and Southwest, Tribal Colleges and Universities service approximately 30,000 full- and part-time students. They offer two-year associate degrees in over 200 disciplines with some providing a bachelor's and master's degree. They also offer 200 vocational certificate programs.

Preparation for the Major

Many majors require or recommend introductory or prerequisite courses, most of which are offered in California Community Colleges. For public universities in California, visit www.assist.org for the articulation information for your major. For private/independent universities, visit the Transfer Center website at www.sdmesa.edu under Student Services. ASSIST, AICCU Mentor, and HBCU Mentor are tools you can utilize to obtain information for preparation for majors.

ASSIST: ASSIST is a computerized student-transfer information system that can be accessed over the World Wide Web. It displays reports of how course credits earned at one California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California's colleges and universities and therefore provides the most accurate and up-to-date information available about student transfer in California. Visit ASSIST at www.assist.org

AICCU Mentor: AICCU Mentor is a student services website representing the private colleges and universities of California. Visit a www.aiccupmentor.org

HBCU Mentor: HBCU Mentor is a student services website representing the statewide and independent colleges and universities of Historically Black Colleges and Universities. Visit www.hbcumentor.org

University of California and California State University

Intersegmental General Education Transfer Curriculum (IGETC)

() Colleges in parenthesis indicate where the course is approved for IGETC Requirements.

C—City College

M—Mesa College

MMR—Miramar College

* Courses with asterisks are listed in more than one area but shall not be certified in more than one area.

+ Courses with pluses indicate transfer credit may be limited by either UC or CSU, or both. Please consult a counselor for additional information.

@ Courses with at symbols indicate CSU-only requirements.

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that will fulfill all lower-division general education requirements at all California State University (CSU) campuses and most University of California (UC) campuses/majors. It is also accepted by some private/independent or out of state universities. IGETC is usually recommended for students who intend to transfer to a UC campus, or who are not yet sure of their intended transfer university. Completion of the IGETC pattern is not an admission requirement for transfer to most UC or CSU campuses, nor is it the only way to fulfill the lower division GE requirements of a UC or CSU campus prior to transfer.

It is strongly recommended that students consult with a counselor to determine which general education pattern is most appropriate for their individual educational goals.

Rules for using the IGETC pattern:

- Each course must have been IGETC approved at the time it was taken. See www.assist.org for a list of certified courses and approval dates.
- Courses may be approved for more than one IGETC area. However, each course may be used to certify only one of the areas it is approved for.
- Students should apply for IGETC certification at the last community college attended prior to transfer. Forms are available from the Counseling or Evaluations office.
- AP credit and coursework completed at accredited U.S. colleges and universities may be used to fulfill some IGETC requirements. All such credit must be evaluated through the Evaluations office. Foreign coursework is not acceptable.
- All courses must be passed with a "C" or higher. "C-" is not acceptable.
- Students transferring to UC need not complete the Oral Communication requirement (Area 1C).
- Students transferring to CSU need not complete the Languages Other than English requirement.
- Some UC campuses do not allow use of IGETC for students who were previously enrolled at a UC campus.
- Some community college courses have limitations on the amount of credit awarded by the receiving university. See a counselor, the course description in the college catalog, or www.assist.org for more information.

IGETC is not recommended for the following transfer destinations:

- UC San Diego Revelle and Eleanor Roosevelt Colleges
- UC Berkeley Colleges of Business, Chemistry, Environmental Design (Architecture), Engineering, Natural Resources, Optometry
- UC Davis College of Engineering
- UC Irvine Schools of Engineering, Biological Sciences, Physical Sciences
- UC Riverside Colleges of Engineering, Natural and Agricultural Sciences
- UC Santa Barbara Colleges of Engineering, Creative Studies
- UC Los Angeles Schools of Engineering and Applied Science, Nursing

Area 1—English Communication

2-3 courses, 6-9 semester/8-12 quarter units

Group A: English Composition

1 course, 3 semester/4-5 quarter units

- ENGL 101 Reading and Composition (C,M,MMR)
OR
ENGL 105 Composition and Literature (C,M,MMR)

Group B: Critical Thinking - English Composition

1 course, 3 semester/4-5 quarter units

Courses must have English Composition as a prerequisite.

- ENGL 205 Critical Thinking and Intermediate Composition (C,M,MMR)
PHIL 205 Critical Thinking and Writing in Philosophy (C,M,MMR)

Group C: Oral Communication

1 course, 3 semester/4-5 quarter units

- @ SPEE 103 Oral Communication (C,M,MMR)
@ SPEE 160 Argumentation (C,M,MMR)

Area 2—Mathematical Concepts and Quantitative Reasoning

1 course, 3 semester/4-5 quarter units

Courses must have Intermediate Algebra as a prerequisite.

- + BIOL 200 Biological Statistics (C,M)
+ MATH 116 College and Matrix Algebra (C,M,MMR)
+ MATH 119 Elementary Statistics (C,M,MMR)
+ MATH 121 Basic Techniques of Applied Calculus I (C,M,MMR)
+ MATH 122 Basic Techniques of Calculus II (C,M,MMR)
+ MATH 141 Precalculus (C,M,MMR)
+ MATH 150 Calculus with Analytic Geometry I (C,M,MMR)

- + MATH 151 Calculus with Analytic Geometry II (C,M,MMR)
MATH 245 Discrete Mathematics (C,M,MMR)
MATH 252 Calculus with Analytic Geometry III (C,M,MMR)
MATH 254 Introduction to Linear Algebra (C,M,MMR)
MATH 255 Differential Equations (C,M,MMR)
+ PSYC 258 Behavioral Science Statistics (C,M,MMR)

Area 3—Arts and Humanities

3 courses, 9 semester/12-15 quarter units

At least one course from the Arts and one from the Humanities.

3A: Arts Courses:

- ARTF 100 Art Orientation (C,M,MMR)
ARTF 107 Contemporary Art (M,MMR)
ARTF 109 History of Modern Art (C,M,MMR)
ARTF 110 Art History: Prehistoric to Gothic (C,M,MMR)
ARTF 111 Art History: Renaissance to Modern (C,M,MMR)
+ ARTF 113 African, Oceanic, and Native American Art (M,MMR)
+ ARTF 115 African Art (C,M)
+ ARTF 120 Native American Indian Art (M)
ARTF 125 Art History: Arts of the Asian Continent (M,MMR)
* ARTF 191 Cultural Influences on Photography (M)
ARTF 194 Critical Photography (M)
BLAS 110 Afro-American Art (C,M)
+ BLAS 111 African Art History (M)
BLAS 120 Black Music (C,M)
CHIC 230 Chicano Art (M)
DFLM 101 Introduction to Film (MMR)
DFLM 102 The American Cinema (MMR)
DRAM 105 Introduction to Dramatic Arts (C,M)

DRAM 107	Study of Filmed Plays (C)	* CHIC 210	Chicano Culture (C,M)
DRAM 109	Theatre and Social Issues (C)	CHIN 102	Second Course in Mandarin Chinese (M)
DRAM 136	History of Canonized Theatre - Ancient Greece to the Restoration (C)	CHIN 201	Third Course Mandarin Chinese (M)
DRAM 137	History of Canonized Western Theatre -Restoration to the Present (C)	ENGL 208	Introduction to Literature (C,M,MMR)
DRAM 150	Cinema as Art & Communication I (M)	ENGL 209	Literary Approaches to Film (C,M,MMR)
DRAM 151	Cinema as Art & Communication II (M)	ENGL 210	American Literature I (C,M,MMR)
MUSI 100	Introduction to Music (C,M,MMR)	ENGL 211	American Literature II (C,M,MMR)
MUSI 101	Music History I: Middle Ages to Mid 18th Century (M)	ENGL 215	English Literature I: 800-1799 (C,M,MMR)
MUSI 102	Music History II: Mid 18th - Early 20th Century (M)	ENGL 216	English Literature II: 1800-Present (C,M,MMR)
MUSI 105	Music of Our Time (M)	ENGL 220	Masterpieces of World Literature I: 1500 BCE - 1600 CE (C,M,MMR)
MUSI 109	World Music (C,M,MMR)	ENGL 221	Masterpieces of World Literature II: 1600 - Present (C,M,MMR)
MUSI 111	Jazz - History & Development (C,M,MMR)	ENGL 230	Asian American Literature (M,MMR)
MUSI 125	Music, The Arts, and Humanity (M)	ENGL 237	Women in Literature (C,MMR)
PHOT 150	History of Photography (C)	ENGL 240	Shakespeare (C,M)

3B: Humanities Courses:

* AMSL 104	Introduction to Deaf Culture (M)	FREN 102	Second Course in French (C,M)
* AMSL 116	American Sign Language Level II (C,M)	FREN 201	Third Course in French (C,M)
* AMSL 215	American Sign Language Level III(C,M)	FREN 202	Fourth Course in French (C,M)

- PEAC 201 Environmental Sustainability, Justice and Ethics (C)
- SOCO 223 Globalization and Social Change (C,M,MMR)

4H: Political Science, Government & Legal Institutions Courses:

- ADJU 101 Introduction to Administration of Justice (C,MMR)
- ADJU 193 Concepts of Criminal Law (MMR)
- ADJU 230 Constitutional Law I (MMR)
- POLI 101 Introduction to Political Science (C,M,MMR)
- POLI 102 The American Political System (C,M,MMR)
- POLI 103 Comparative Politics (C,M,MMR)
- POLI 140 Contemporary International Politics (C,M,MMR)
- SOCO 223 Globalization and Social Change (C,M,MMR)

4I: Psychology Courses:

- + PSYC 101 General Psychology (C,M,MMR)
- + PSYC 121 Introduction to Child Psychology (M,MMR)
- + PSYC 123 Adolescent Psychology (M,MMR)
- PSYC 133 Psychology of Women (M,MMR)
- PSYC 135 Marriage and Family Relations (C,M,MMR)
- + PSYC 137 Human Sexual Behavior (C,M,MMR)
- PSYC 155 Introduction to Personality (C,M,MMR)
- PSYC 166 Introduction to Social Psychology (C,M,MMR)
- PSYC 211 Learning (C,M,MMR)
- PSYC 230 Psychology of Lifespan Development (C,M,MMR)
- PSYC 245 Abnormal Psychology (C,M,MMR)

4J: Sociology & Criminology Courses:

- PHIL 109 Issues in Social Philosophy (M)
- + SOCO 101 Principles of Sociology (C,M,MMR)
- SOCO 110 Contemporary Social Problems (C,M,MMR)
- SOCO 125 Sociology of the Family (C,M)
- * SOCO 150 Sociology of Latinos/Latinas (C)
- SOCO 201 Advanced Principles of Sociology (C, M,MMR)
- SOCO 223 Globalization and Social Change (C,M,MMR)

Area 5—Physical and Biological Sciences

At least 2 courses required, 7-9 semester/9-12 quarter units. One Physical Science course and one Biological Science course; at least one must include a laboratory.

5A: Physical Science Courses:

- ASTR 101 Descriptive Astronomy (C,M,MMR)
- + ASTR 109 Practice in Observing Lab (C,M)
- + ASTR 111 Astronomy Lab (C,M,MMR)
- + CHEM 100 Fundamentals of Chemistry (C,M,MMR)
- + CHEM 100L Fundamentals of Chemistry Lab (C,M,MMR)
- CHEM 111 Chemistry in Society (C,M)
- CHEM 111L Chemistry in Society Laboratory (C,M)
- + CHEM 130 Introduction to Organic & Biological Chemistry (C,M,MMR)
- + CHEM 130L Introduction to Organic & Biological Chemistry Lab (C,M,MMR)
- + CHEM 152 Introduction to General Chemistry (C,M,MMR)
- + CHEM 152L Introduction to General Chemistry Lab (C,M,MMR)
- CHEM 200 General Chemistry I - Lecture (C,M,MMR)
- CHEM 200L General Chemistry I - Lab (C,M,MMR)
- CHEM 201 General Chemistry II - Lecture (C,M,MMR)
- CHEM 201L General Chemistry II - Lab (C,M,MMR)
- + CHEM 231 Organic Chemistry I - Lecture (C,M,MMR)
- + CHEM 231L Organic Chemistry I - Lab (C,M,MMR)
- CHEM 233 Organic Chemistry II - Lecture (C,M,MMR)
- CHEM 233L Organic Chemistry II - Lab (C,M,MMR)
- CHEM 251 Analytical Chemistry - (C,M,MMR)
- + ENGN 110 Science for Technical Applications (C)
- GEOG 101 Physical Geography (C,M,MMR)
- GEOG 101L Physical Geography Lab (C,M,MMR)
- GEOL 100 General Geology (C,M,MMR)
- GEOL 101 General Geology Lab (C,M,MMR)
- GEOL 104 Earth Science (C,M,MMR)
- + PHYN 100 Survey of Physical Science (C,M,MMR)

- + PHYN 101 Survey of Physical Science Lab (C,M,MMR)
- PHYN 120 Physical Oceanography (M, MMR)
- + PHYS 100 Introductory Physics w/Lab (C, M)
- + PHYS 125 General Physics (C,M,MMR)
- + PHYS 126 General Physics II (C,M,MMR)
- + PHYS 180A General Physics I (C)
- + PHYS 180B General Physics II (C)
- + PHYS 181A General Physics Lab I (C)
- + PHYS 181B General Physics Lab II (C)
- + PHYS 195 Mechanics (C,M,MMR)
- + PHYS 196 Electricity and Magnetism (C,M,MMR)
- + PHYS 197 Waves, Optics and Modern Physics (C,M,MMR)

5B: Biological Science Courses:

- ANTH 102 Introduction to Physical Anthropology (C,M,MMR)
- ANTH 104 Laboratory in Physical Anthropology (C,M,MMR)
- + BIOL 100 Natural History Environmental Biology w/Lab (M,MMR)
- BIOL 101 Issues In Environmental Biology (C)
- + BIOL 107 General Biology - Lecture and Lab (C,M,MMR)
- BIOL 110 Introduction to Oceanography (C,M)
- BIOL 115 Marine Biology (C,M,MMR)
- + BIOL 120 The Environment of Man (M)
- BIOL 130 Human Heredity (C,M,MMR)
- BIOL 131 Introduction to Biotechnology (MMR)
- + BIOL 180 Plants and People (C,M,MMR)
- BIOL 205 General Microbiology w/Lab (C,M,MMR)
- BIOL 210A Introduction to the Biological Sciences I (C,M,MMR)
- BIOL 210B Introduction to the Biological Sciences II (C,M,MMR)
- + BIOL 215 Introduction to Zoology w/Lab (C,M,MMR)

	BIOL 230	Human Anatomy w/Lab (C,M,MMR)
	BIOL 235	Human Physiology w/Lab (C,M,MMR)
+	BIOL 250	Introduction to Botany w/Lab (M,MMR)
	PSYC 260	Introduction to Physiological Psychology (C,M,MMR)

Area 6—Languages other than English

UC Requirement Only. In order to complete IGETC for the University of California system, students are required to demonstrate competence/proficiency in a language other than English equal to two years of high school study. Competence may be demonstrated through the following mechanisms:

1. Completion of two years of the same foreign language of high school level work with grades of "C" or better;
2. Completion of a course or courses at a college or university, with a grade of "C" or better in each course. Usually, one semester of college work in a language other than English is equivalent to two years of high school work;

Any one of the following course or courses completed with a grade of "C" or better, will fulfill the requirement.

6A: Languages Other Than English

	AMSL 115	American Sign Language Level I (C,M)
*	AMSL 116	American Sign Language Level II (C,M)
*	AMSL 215	American Sign Language Level III (C,M)
*	AMSL 216	American Sign Language Level IV (C,M)
	ARAB 101	First Course in Arabic (C,MMR)
	ARAB 102	Second Course in Arabic (C,MMR)
	CHIN 101	First Course in Mandarin Chinese (M)
	CHIN 102	Second Course in Mandarin Chinese (M)
	CHIN 201	Third Course in Mandarin Chinese (M)
	FREN 101	First Course in French (C,M)
	FREN 102	Second Course in French (C,M)

	FREN 201	Third Course in French (C,M)
	FREN 202	Fourth Course in French (C,M)
	GERM 101	First Course in German (C,M)
	GERM 102	Second Course in German (C,M)
	GERM 201	Third Course in German (C,M)
	ITAL 101	First Course in Italian (C,M)
	ITAL 102	Second Course in Italian (C,M)
	ITAL 201	Third Course in Italian (C,M)
	JAPN 101	First Course in Japanese (M)
	JAPN 102	Second Course in Japanese (M)
	JAPN 201	Third Course in Japanese (M)
	JAPN 202	Fourth Course in Japanese (M)
	LATI 101	First Course in Latin (M)
	LATI 102	Second Course in Latin (M)
	LATI 201	Third Course in Latin (M)
	RUSS 101	First Course in Russian (C,M)
	RUSS 102	Second Course in Russian (M)
	RUSS 201	Third Course in Russian (M)
+	SPAN 100	First/Second Course in Spanish-Accelerated (M)
+	SPAN 101	First Course in Spanish (C,M,MMR)
+	SPAN 102	Second Course in Spanish (C,M,MMR)
+	SPAN 201	Third Course in Spanish (C,M,MMR)
+	SPAN 202	Fourth Course in Spanish (C,M,MMR)
	SPAN 215	Spanish for Spanish Speakers I (C,M,MMR)
	SPAN 216	Spanish for Spanish Speakers II (C,M,MMR)
	TAGA 101	First Course in Tagalog (M,MMR)
	TAGA 102	Second Course in Tagalog (M,MMR)
	TAGA 201	Third Course in Tagalog (M,MMR)
	VIET 101	First Course in Vietnamese (M)
	VIET 102	Second Course in Vietnamese (M)
	VIET 201	Third Course in Vietnamese (M)

3. Achieve a satisfactory score on the SAT Subject Test in languages other than English, as listed below. If the test was taken before May 1995, the first score is the minimum; if the test was taken after May 1995, the second score is the minimum:
 - Chinese With Listening: not offered before 1995/520
 - French/French With Listening: 500/540
 - German/German With Listening: 500/510
 - Hebrew (Modern): 500/470
 - Italian: 500/520
 - Japanese With Listening: 500/510
 - Korean/Korean With Listening: not offered before 1995/500
 - Latin: 500/530
 - Spanish/Spanish With Listening: 500/520
4. Achieve a score of 3, 4 or 5 on a College Board Advanced Placement (AP) Examination in a language other than English.
5. Achieve a score of 5 or higher on an International Baccalaureate (IB) Higher Level Examination in a language other than English.
6. Satisfactorily complete a proficiency test administered by a community college, university or other college in a language other than English. The test must assess the student proficiency at a level equivalent to at least two years of high school language. The San Diego Community College District does not administer this test.
7. Complete, with grades of C or better, two years of formal schooling at the sixth-grade level or higher in an institution where the language of instruction is not English. If secondary school was completed in a non-English-speaking country and the language of instruction of the secondary school was not English, language other than English proficiency can be certified for IGETC without further evaluation. The student must present appropriate documentation of attendance at the secondary school.
8. Earn a passing grade on the international A level or O level exam in a language other than English.
9. If an appropriate achievement test is not available to assert proficiency, have competency verified by a faculty member associated with a

California community college. Such verification requires that the college provide a document on letterhead asserting that the student's proficiency in the language is equivalent to two years of high school study. See a counselor for more information. Only students who have no other means to verify foreign language proficiency may pursue this option. Students must petition for faculty member verification through the Evaluations Office.

Completion of courses above proficiency level, with grades of C or better, may also be used to meet the requirement. Special Topics and Civilization courses DO NOT meet this requirement. See a Counselor.

California State University General Education Breadth (CSU GE)

The California State University General Education-Breadth (CSU GE) pattern is one option that allows California community college transfer students to fulfill the lower-division general education requirements of any California State University (CSU) campus. The curriculum consists of a 39-unit pattern with five areas of concentration.

For assistance in determining the most appropriate general education program, consult a counselor.

Certification of CSU GE Requirements

Official notification from a California community college that a transfer student has completed courses fulfilling lower-division general education requirements occurs through a process of "certification". Certification is a legal agreement between the CSU and California Community Colleges.

It is the policy of the San Diego Community College District to provide certification of general education breadth requirements when such service is requested by the student. Certification of general education courses is generally requested when the CSU GE pattern has been completed.

Additional CSU GE Information and Restrictions

- Completion of the CSU GE pattern is not an admission requirement nor does completion guarantee admission to any CSU campus or program.
- Certification is based on approved courses listed in the CSU GE pattern that are completed in the

San Diego Community College District or from other regionally accredited institutions.

- Courses completed at a foreign college or university cannot be used to satisfy requirements for certification.
- Catalog rights do not apply to the CSU GE pattern.
- Prior to certification, students must complete a minimum of 3 units of general education within the CSU GE pattern or 12 units in residence at the San Diego Community College District.
- Official transcripts from all colleges and universities attended must be on file before submitting an application for certification. The application is available in the Evaluations Office and/or Counseling Office.
- The CSU GE pattern is accepted by some California private and independent colleges and universities in satisfying lower division general education requirements.

For additional information, consult a counselor

The CSU GE Pattern

The following information is based on the 2010-2011 agreement and is distributed as follows:

() Colleges in parenthesis indicate where the course is approved for IGETC Requirements.

C—City College

M—Mesa College

MMR—Miramar College

*Courses with asterisks are listed in more than one area but shall not be certified in more than one area.

Courses with the number sign are listed more than once in the same area, but will only be used for certification once.

Please note: Courses required in Oral Communication (Area A1), Written Communication (Area A2), Critical Thinking (Area A3), and Mathematics and Quantitative Reasoning (Area B4) must be completed with grades of "C" or better for admission to most CSU campuses. *For additional information, consult a counselor.*

Area A. English Language Communication and Critical Thinking:

No fewer than nine semester units (12-15 quarter units) including one course in A1, one course in A2, and one course in A3.

A1: Oral Communication

SPEE 103	Oral Communication (C,M,MMR)
SPEE 135	Interpersonal Communication (C,M,MMR)
SPEE 170	Small Group Communication (C,M)

A2: Written Communication

ENGL 101	Reading and Composition (C,M,MMR)
ENGL 105	Composition and Literature (C,M,MMR)

A3: Critical Thinking

ENGL 205	Critical Thinking and Intermediate Composition (C,M,MMR)
PHIL 100	Logic and Critical Thinking (C,M,MMR)
* PHIL 103	Historical Introduction to Philosophy (M)
PHIL 205	Critical Thinking and Writing in Philosophy (C,M,MMR)
SPEE 160	Argumentation (C,M,MMR)

Area B. Scientific Inquiry and Quantitative Reasoning:

No fewer than nine semester units (12-15 quarter units) Including:

- *One course in B1 (underlined courses include a lab component)*
- *One course in B2 (underlined courses include a lab component)*
- *One of the courses selected to fulfill the requirement for B1 or B2 must include a laboratory component or a separate course must be taken from B3. If a separate laboratory course is taken from B3, it must match one of*

the two lecture courses taken from B1 or B2.

- One course in B4

B1: Physical Science

ASTR 101	Descriptive Astronomy (C,M,MMR)
CHEM 100	Fundamentals of Chemistry (C,M,MMR)
CHEM 111	Chemistry in Society (C,M)
CHEM 130	Introduction to Organic & Biological Chemistry (C,M,MMR)
CHEM 152	Introduction to General Chemistry (C,M,MMR)
CHEM 200	General Chemistry I-Lecture (C,M,MMR)
CHEM 201	General Chemistry II-Lecture (C,M,MMR)
CHEM 231	Organic Chemistry I-Lecture (C,M,MMR)
CHEM 233	Organic Chemistry II-Lecture (C,M,MMR)
<u>CHEM 251</u>	Analytical Chemistry (C,M,MMR)
<u>ENGN 110</u>	Science for Technical Applications (C)
GEOG 101	Physical Geography (C,M,MMR)
GEOL 100	General Geology (C,M,MMR)
GEOL 104	Earth Science (C,M,MMR)
<u>MCTR 120A</u>	Basic Physics for Technical Applications I (C)
<u>MCTR 120B</u>	Basic Physics for Technical Applications II (C)
<u>MCTR 120C</u>	Basic Physics for Technical Applications III (C)
PHYN 100	Survey of Physical Science (C,M,MMR)
PHYN 120	Physical Oceanography (M,MMR)
<u>PHYS 100</u>	Introductory Physics (C,M)
<u>PHYS 125</u>	General Physics (C,M,MMR)
<u>PHYS 126</u>	General Physics II (C,M,MMR)
PHYS 180A	General Physics I (C)
PHYS 180B	General Physics II (C)
<u>PHYS 195</u>	Mechanics (C,M,MMR)
<u>PHYS 196</u>	Electricity and Magnetism (C,M,MMR)
<u>PHYS 197</u>	Waves, Light and Modern Physics (C,M,MMR)

B2: Life Science

ANTH 102	Introduction to Physical Anthropology (C,M,MMR)
<u>BIOL 100</u>	Natural History-Environmental Biology (M,MMR)
<u>BIOL 101</u>	Issues in Environmental Biology (C)
<u>BIOL 107</u>	General Biology-Lecture and Laboratory (C,M,MMR)
BIOL 110	Introduction to Oceanography (C,M)
BIOL 111	Cancer Biology (C)
<u>BIOL 115</u>	Marine Biology (C,M,MMR)
BIOL 130	Human Heredity (C,M,MMR)
<u>BIOL 131</u>	Introduction to Biotechnology (MMR)
<u>BIOL 160</u>	Elements of Human Anatomy & Physiology (M,MMR)
BIOL 180	Plants and People (C,M,MMR)
<u>BIOL 205</u>	General Microbiology (C,M,MMR)
<u>BIOL 210A</u>	Introduction to the Biological Sciences I (C,M,MMR)
<u>BIOL 210B</u>	Introduction to the Biological Sciences II (C,M,MMR)
<u>BIOL 215</u>	Introduction to Zoology (C,M,MMR)
<u>BIOL 230</u>	Human Anatomy (C,M,MMR)
<u>BIOL 235</u>	Human Physiology (C,M,MMR)
<u>BIOL 250</u>	Introduction to Botany (M,MMR)
<u>BIOL 255</u>	California Plants (M)
PSYC 260	Introduction to Physiological Psychology (C,M,MMR)

B3: Laboratory Activity

ANTH 104	Laboratory in Physical Anthropology (C,M,MMR)
ASTR 109	Practice in Observing (C,M)
ASTR 111	Astronomy Laboratory (C,M,MMR)
CHEM 100L	Fundamentals of Chemistry Laboratory (C,M,MMR)
CHEM 111L	Chemistry in Society Laboratory (C,M)
CHEM 130L	Introduction to Organic & Biological Chemistry Laboratory (C,M,MMR)
CHEM 152L	Introduction to General Chemistry Laboratory (C,M,MMR)

CHEM 200L	General Chemistry I-Laboratory (C,M,MMR)
CHEM 201L	General Chemistry II-Laboratory (C,M,MMR)
CHEM 231L	Organic Chemistry I-Laboratory (C,M,MMR)
CHEM 233L	Organic Chemistry II-Laboratory (C,M,MMR)
GEOG 101L	Physical Geography Laboratory (C,M,MMR)
GEOL 101	General Geology Laboratory (C,M,MMR)
PHYN 101	Survey of Physical Science Laboratory (C,M,MMR)
PHYS 181A	General Physics Lab I (C)
PHYS 181B	General Physics Lab II (C)

MATH 210A	Concepts of Elementary School Mathematics I (C,M,MMR)
MATH 210B	Concepts of Elementary School Mathematics II (C,M,MMR)
MATH 245	Discrete Mathematics (C,M,MMR)
MATH 252	Calculus with Analytic Geometry III (C,M,MMR)
MATH 254	Introduction to Linear Algebra (C,M,MMR)
MATH 255	Differential Equations (C,M,MMR)
PSYC 258	Behavioral Science Statistics (C,M,MMR)

Area C. Arts and Humanities:

Nine semester units (12-15 quarter units) with at least one course each in Arts and Humanities.

B4: Mathematics/Quantitative Reasoning

BIOL 200	Biological Statistics (C,M)
MATH 104	Trigonometry (C,M,MMR)
MATH 107	Introduction to Scientific Programming (C,M)
MATH 107L	Introduction to Scientific Programming Laboratory (C,M)
MATH 116	College and Matrix Algebra (C,M,MMR)
MATH 118	A Survey of Modern Mathematics (C,M,MMR)
MATH 119	Elementary Statistics (C,M,MMR)
MATH 121	Basic Techniques of Applied Calculus I (C,M,MMR)
MATH 122	Basic Techniques of Calculus II (C,M,MMR)
MATH 141	Precalculus (C,M,MMR)
MATH 150	Calculus with Analytic Geometry I (C,M,MMR)
MATH 151	Calculus with Analytic Geometry II (C,M,MMR)
MATH 181	Mecomtronics College Algebra and Trigonometry I (C)
MATH 182	Mecomtronics College Algebra and Trigonometry II (C)
MATH 183	Mecomtronics Calculus I (C)
MATH 184	Mecomtronics Calculus II (C)

C1: Arts (Art, Cinema, Dance, Music, Theater)

ARTF 100	Art Orientation (C,M,MMR)
ARTF 107	Contemporary Art (M,MMR)
ARTF 109	History of Modern Art (C,M,MMR)

- # SOCO 223 Globalization and Social Change (C,M,MMR)

D9: Psychology

- # BLAS 104 Black Psychology (C,M)
- PSYC 101 General Psychology (C,M,MMR)
- PSYC 121 Introduction to Child Psychology (M,MMR)
- PSYC 123 Adolescent Psychology (M,MMR)
- *# PSYC 133 Psychology of Women (M,MMR)
- * PSYC 135 Marriage and Family Relations (C,M,MMR)
- * PSYC 137 Human Sexual Behavior (C,M,MMR)
- PSYC 155 Introduction to Personality (C,M,MMR)
- PSYC 166 Introduction to Social Psychology (C,M,MMR)
- PSYC 211 Learning (C,M,MMR)
- * PSYC 230 Psychology of Lifespan Development (C,M,MMR)
- PSYC 245 Abnormal Psychology (C,M,MMR)

Area E. Lifelong Learning and Self-Development:

Three semester units (4-5 quarter units).

- BIOL 120 The Environment of Man (M)
- * CHIL 101 Human Growth and Development (C,M,MMR)
- * CHIL 103 Lifespan Growth and Development (MMR)
- HEAL 101 Health and Life Style (C,M,MMR)

- NUTR 150 Nutrition (M,MMR)
- NUTR 153 Cultural Foods (M)
- PERG 120 College Success and Lifelong Learning (C,M,MMR)
- PERG 130 Career - Life Planning (C,M,MMR)
- PERG 140 Life Skills and Personal Adjustment (C,M,MMR)
- PHYE 103 Aerobic Dance (C,M,MMR)
- PHYE 123 Fitness Activities (C,M,MMR)
- PHYE 132 Individual Conditioning (C,M,MMR)
- PHYE 168 Yoga (C,M)
- PHYE 182 Adapted Weight Training (C,M)
- PSYC 111 Psychological/Social Aspects of Aging, Death and Dying (C,M)
- PSYC 112 Interpersonal Relations (M)
- PSYC 128 Biofeedback and Stress Management (M)
- * PSYC 135 Marriage and Family Relations (C,M,MMR)
- * PSYC 137 Human Sexual Behavior (C,M,MMR)
- * PSYC 230 Psychology of Lifespan Development (C,M,MMR)
- SPEE 180 Intercultural Communication (C,M,MMR)

Guarantee Admission Programs

Mesa College offers a number of Guarantee Admissions Programs. Come to the Transfer Center for program requirements. Plan early as many agreements must be signed at least a year in advance of the transfer semester/quarter.

The two most popular Guarantee Admission Programs are:

University of California, San Diego Transfer Admission Guarantee (TAG)

Guarantees admission to the student's choice of college (see page 120 for requirements).

San Diego State University Transfer Admission Guarantee (TAG)

Guarantees admission to the university. For admission

to a major, students must meet specified requirements.

Other Transfer programs include:

California State University, Northridge Transfer Admission Guarantee Program (TAG)

Guarantees admission to the university during transfer semester of choice and provides CSU Northridge advising and other services.

University of California, San Diego UniversityLink Program

Guarantees admission to the university and provides counseling, workshops and other activities to help you succeed in the university. Open to students who are recent graduates of a San Diego County high school.

University of California, Davis Transfer Admission Guarantee Program (TAG)

Guarantees admission to the university and the major of your choice. Limited numbers available. Apply in August of the year before transfer. You must have completed 30 UC-transferable units and have a 2.8 GPA to apply.

University of California, Irvine Transfer Admission Guarantee (TAG)

Guarantees admission to the university. Administered through UC Irvine Admissions Office.

University of California, Riverside Transfer Admission Guarantee Program (TAG)

Guarantees admission to the university. Administered through UC Riverside Admissions Office.

University of California, Santa Barbara Transfer Admission Guarantee (TAG)

Guarantees admission to the university. No agreement form is necessary -just meet the requirements and apply.

University of California, Santa Cruz Transfer Admission Guarantee (TAG)

Guarantees admission to the university. Apply in early Fall of year before transfer. You must have completed 30 UC-transferable units and have a 3.0 GPA to apply.

Humboldt State University

Guarantees admission to the university and offers priority registration for transfers.

Note: Eligibility and coursework requirements differ for each of these programs. See a counselor or visit the Transfer Center for more information.

Students who qualify for the college Honors Program may also be eligible for additional transfer guarantee programs and benefits. Visit the Honors Program office for more information.

University of California, San Diego Transfer Admission Guarantee (UCSD-TAG) Fall 2009-Winter 2011

The TAG for UCSD applies to students transferring through Winter 2011. TAG will guarantee students admission to the university, but not to a specific college or major. In order to take advantage of TAG, students must attend a TAG workshop and plan their academic programs with a counselor and comply with all TAG provisions.

TAG students must satisfy the following requirements:

1. Maintain a minimum cumulative GPA of 3.0 in all UC-transferable units and be in good academic standing.
2. Complete UC-transferable Math course and both UC-transferable English courses a year prior to transfer.
3. Establish California Community College (CCC) Residency for admission to UCSD by:
 - a. Completing thirty (30) UC-transferable semester units at a California Community College and
 - b. Attending the last regular term (Fall or Spring, not Summer) at a California Community College
 Note: California residency status at the community college does NOT guarantee residency status for tuition purposes at UCSD
4. Earn a minimum of sixty (60) UC-Transferable semester units.
5. Complete the IGETC pattern with a "C" or better
6. Complete courses to prepare for the major as required (see www.assist.org)
7. Submit a UC Admission Application within the published deadlines of the filing period.

High School Courses for College Credit (CRedit by Exam)

Students who successfully complete the articulated course/program and demonstrate acquisition of the knowledge, skills, and abilities via a college-approved examination, administered at the end of the course/program may earn college credit equivalent to the course(s) identified in the Articulation Table below. In order to receive the credit for an articulated college course(s)/program, the student must earn a grade of

“B” or better, complete the SDCCD online college application and the Tech Prep Articulation Certification request. The high school instructor must verify successful completion and submit each request to the Tech Prep office. Approved requests are processed annually each July. Seniors earning college credit may request a copy of their SDCCD transcript after July 31st. If you have any questions, please contact the Tech Prep Office at 619-388-6572.

Accounting

	Units
Certificate of Performance:	
Governmental/Nonprofit Accounting	14
Certificate of Achievement:	
Accounting	23
Associate in Science Degree:	
Accounting	39*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Qualifies the graduate as a bookkeeper, account clerk, accounting technician, audit or tax aide, or accountant trainee. Subjects of immediate practical value enable the student to work part-time in the field while completing the curriculum. The certificate program is for students desiring early employment. Students planning to transfer to a four-year college or university as an accounting major should major in Business Administration.

Student Learning Outcomes

Students who complete the Accounting Program will gain facility with:

- **Critical Thinking:** Students will be able to analyze, prepare, and present solutions to business problems, apply business concepts in a decision-making environment, and evaluate and weigh evidence in the course of deriving conclusions concerning alternative courses of action, using inductive and deductive logical reasoning and methodological processes.
- **Communication:** Students will be able to articulate and explain critical thinking outcomes in writing and speaking, as well as by other contemporary recognized modes of business communication.
- **Personal Actions and Civic Responsibility:** Students will be able to analyze and accept responsibility for their own actions and make ethical decisions in the business environment.

- **Technological Awareness:** Students will understand and apply the use of modern technology to business situations.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Governmental/Nonprofit Accounting*

Courses:	Units
ACCT 116A, Financial Accounting.....	4
ACCT 116B, Managerial Accounting	4
ACCT 125, Government & Not-for-Profit Accounting	3

Select one course from:

CBTE 180, Microsoft Office	
ACCT 150, Computer Accounting Applications.....	3
Total Units = 14	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Achievement: Accounting

Courses Required for the Major:	Units
ACCT 116A, Financial Accounting.....	4
ACCT 116B, Managerial Accounting	4
ACCT 150, Computer Accounting Applications.....	3
ACCT 201A, Intermediate Accounting I	3
BUSE 119, Business Communications	3
CBTE 180, Microsoft Office	3

Select one course from:

ACCT 120, Federal Income Tax	
ACCT 125, Government & Not-for-Profit Accounting	
ACCT 135, Principles of Auditing	
ACCT 201B, Intermediate Accounting II	3
Total Units = 23	

Associate in Science Degree: Accounting

Courses Required for the Major:	Units
ACCT 116A, Financial Accounting.....	4
ACCT 116B, Managerial Accounting	4
ACCT 150, Computer Accounting Applications.....	3
ACCT 201A, Intermediate Accounting I	3
ACCT 201B, Intermediate Accounting II	3
BUSE 100, Introduction to Business (recommended as a first semester course).....	3
BUSE 119, Business Communications	3
BUSE 140, Business Law and the Legal Environment.....	3

CISC 181, Principles of Information Systems4
 ECON 120, Principles of Macroeconomics.....3
 ECON 121, Principles of Microeconomics.....3

Select one course from the following:

ACCT 120, Federal Income Tax
 ACCT 125, Government & Not-for-Profit Accounting
 ACCT 135, Principles of Auditing3

Total Units = 39

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Accounting 120, 121, 125, 135, 270 (if not taken above); Business 150, 155, 201; Computer and Information Sciences 181; Computer Business Technology 140, 140A; Psychology 101; Speech Communications 135.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Allied Health

 See "Radiologic Technology" on page 233.

American Indian Studies

Courses relating to the American Indians are offered through an interdisciplinary approach in the following areas:

Anthropology

Introduction to North American Indians
 Introduction to California Indians

Art

North American Indian Arts

History

Native Americans in United States History

**American Sign Language/
Interpreting**

	Units
Certificate of Achievement:	
American Sign Language/Interpreting	33
Associate in Arts Degree:	
American Sign Language/Interpreting	33*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

The Interpreter Training Program will prepare the student for a career in the field of sign language interpretation/ transliteration. Provides theoretical and practical knowledge in all aspects of community and academic interpreting. This program provides instruction in the various aspects of interpretation/ transliteration skills to students who possess intermediate skills in American Sign Language. Prepares the student for certification by the Registry of Interpreters for the Deaf and/or National Association of the Deaf and/or San Diego County Educational Interpreter Evaluation.

Student Learning Outcomes

Students who complete the American Sign Language/ Interpreting Program will be able to:

- Develop receptive and expressive skills in American Sign Language and Fingerspelling.
- Develop knowledge and awareness of the differences between the Deaf Culture/deaf community and the hearing community.
- Accurately interpret and transliterate between ASL and English in a variety of settings: face-to-face, small group settings, monologue and/or large group settings.
- Apply professional standards, practices, and ethics, not limited to the tenets of the Code of Professional Conduct, to their work.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: American Sign Language Interpreting

Courses Required for the Major:	Units
AMSL 104, Introduction to Deaf Culture	3
AMSL 105, Implications of Deafness	3
AMSL 107, American Sign Language: Fingerspelling	2
AMSL 205, Interpreting Skills I	3
AMSL 206, Interpreting Skills II	3
AMSL 207, Sign-to-Voice Interpreting I	3
AMSL 208, Sign-to-Voice Interpreting II	3
AMSL 209, Professional Aspects of Interpreting	3
AMSL 210, Introduction to Specialized Settings	3
AMSL 216, American Sign Language Level IV	4
AMSL 276, Field Work in Interpreting	3
Total Units = 33	

Associate in Arts Degree: American Sign Language Interpreting

Courses Required for the Major:	Units
AMSL 104, Introduction to Deaf Culture	3
AMSL 105, Implications of Deafness	3
AMSL 107, American Sign Language: Fingerspelling	2
AMSL 205, Interpreting Skills I	3
AMSL 206, Interpreting Skills II	3
AMSL 207, Sign-to-Voice Interpreting I	3
AMSL 208, Sign-to-Voice Interpreting II	3
AMSL 209, Professional Aspects of Interpreting	3
AMSL 210, Introduction to Specialized Settings	3
AMSL 216, American Sign Language Level IV	4
AMSL 276, Field Work in Interpreting	3
Total Units = 33	

Note: Only one American Sign Language (AMSL) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree.

Recommended Electives: American Sign Language/ Interpreting 108, Anthropology 103, English 101, 202, Speech Communications 101. See American Sign Language course descriptions for additional courses.

Animal Health Technology

Associate in Science Degree:	Units
Animal Health Technology	49*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Prepares students for employment as an assistant to graduate veterinarians in private veterinary facilities, biomedical research institutions, regulatory agencies, and zoological parks.

The program is approved by the California Department of Consumer Affairs, Veterinary Medical Board. Graduates may become Registered Veterinary Technicians (RVT) upon passing an examination offered by the California Department of Consumer Affairs.

Eligibility for enrollment in this program is determined by a special admission procedure. Interested persons should call the Special Programs Admissions Clerk in the Admissions Office 619-388-2684. Course repetition in this program is not permitted.

Student Learning Outcomes

Students who complete the Animal Health Technology Program will be able to:

- Properly and safely restrain the various species that are commonly seen in veterinary medicine.
- Properly and accurately perform and record a thorough physical exam using medical terminology on the various species seen in veterinary medicine.
- Properly and accurately collect, analyze, and interpret blood, urine, and fecal samples from small animals, exotics, pocket pets, avians, and large animals.
- Produce a series of diagnostic radiographs in common domestic species.

- Induce anesthesia, monitor the patient during the procedure, and then recover the animal completely from the anesthetic and surgical event.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Directed Clinical Practice Requirement

Students accepted into this program will be required to successfully complete Directed Clinical Practice/clinically-based courses held in health care facilities. These facilities may require background checks, including fingerprinting, as a condition of placement at the clinic.

Refusal to submit to a background check, or failure to meet clearance criteria established by the health care facility, may prevent placement in the Directed Clinical Practice/clinically-based course and thus, it may not be possible to successfully complete the program.

Health care facilities also require adherence to strict standards of conduct. Facilities may refuse educational access to any person who does not adhere to the facility's standards of safety, health and ethical behavior. This may be cause for removal from the program.

**Associate in Science Degree:
Animal Health Technology**

Courses Required for the Major:	Units
ANHL 100A, Animal Care and Management	1.5
ANHL 100B, Advanced Animal Care and Management	1.5
ANHL 105, Fundamentals of Animal Health Technology	3
ANHL 105L, Fundamentals of Animal Health Technology	2
ANHL 115, Veterinary Office Procedures	2
ANHL 120, Comparative Physiological Anatomy	4
ANHL 125, Veterinary Clinical Pathology	3
ANHL 125L, Veterinary Clinical Pathology Laboratory	2
ANHL 135, Veterinary Pharmacology	2
ANHL 205, Diseases of Domestic Animals	3
ANHL 215, Veterinary Radiography	3
ANHL 215L, Veterinary Radiography Laboratory	1
ANHL 225, Animal Nursing Techniques and Anesthesiology	3
ANHL 226A, Surgical Nursing Procedures Lab I	1
ANHL 226B, Surgical Nursing Procedures Lab II	1
ANHL 235A, Directed Clinical Practice	2
ANHL 235B, Advanced Directed Clinical Practice	2

ANHL 250, Introduction to Laboratory Animals	3
BIOL 107, General Biology-Lecture and Lab	4
BIOL 205, General Microbiology	5
Total Units = 49	

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Elective: Animal Health Technology 290.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Anthropology

Associate in Arts Degree:	Units
Anthropology	18*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Students planning a major in anthropology should prepare themselves with undergraduate courses which complement that major. An undergraduate major in anthropology is not intended to be a training program, since professional anthropologists draw their experiences from a variety of academic backgrounds and personal experiences. It is recommended that a student who plans an anthropology major consult one of the anthropologists on the faculty for advice on courses that will be most valuable. For all students,

anthropology will provide a unique cross-cultural understanding of other peoples. It is a program suited for transfer students who wish to major or minor in Anthropology.

Student Learning Outcomes

Students who complete the Anthropology Program will gain facility with:

- **Critical Thinking:** identify the differences between science and religion.
- **Global Awareness:** identify the varieties of human biological and cultural adaptations.
- **Communication:** articulate in writing an understanding of biocultural interaction.
- **Social Responsibility:** demonstrate an understanding of the consequences of ethnocentrism.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Associate in Arts Degree:
Anthropology**

Courses Required for the Major:	Units
ANTH 102, Intro to Physical Anthropology	3
ANTH 103, Intro to Cultural Anthropology	3
ANTH 107, Intro to Archaeology	3
ANTH 200, Intro to North American Indians.....	3
ANTH 210, Intro to California Indians.....	3
ANTH 215, Cultures of Latin American	3
Total Units = 18	

Note: Only one Anthropology (ANTH) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Anthropology 104, 115, 120; Biology 100, 110, 215, 230, 250, 255; Computer and Information Sciences 150; English 211, 215, 220; Foreign Languages*; Geography 101, 102; Geology 100, 101; History 105, 106, 150, 151; Philosophy 102A; Psychology 101, 112, 258 (or Math 119), 260; Sociology 101, 110; Speech Communications 103 or 135; Political Science 140.

*Although no course in a foreign language is specified in the above course sequence, a minimal familiarity with one foreign language is desirable. The particular language should be selected in consultation with the Behavioral Science Department anthropologists.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Architecture

	Units
Certificate of Performance:	
Architecture Technician	17
Architecture Transfer	12-16
Computer Aided Drafting	11
Garden Design	16
Landscape Architecture Technician	9
Certificate of Achievement:	
Architecture Survey	31
Architecture Technician	28
Architecture Transfer	35
Construction Management	29
Landscape Architecture Technician	26
Landscape Architecture Transfer	30
Woodbury Transfer Track	35
Associate in Science Degree:	
Architecture Survey	31*
Architecture Technician	28*
Architecture Transfer	35*
Construction Management	29*
Landscape Architecture Technician	26*
Landscape Architecture Transfer	30*
Woodbury University Transfer Track	35*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Architecture Option

The Architecture Program is designed for those who desire employment in architects' or engineers' offices or who plan to enter a college of architecture or engineering. Emphasis is placed on the office practices, procedures, principles and ethics of these professions. Students planning to transfer to a school of architecture should consult with architectural counselors to select acceptable transfer courses.

Landscape Architecture Option

The landscape architecture program is designed to train individuals to have employable technical skills related to professional landscape design development, or to prepare those who plan to enter a college of landscape architecture. Students planning

to transfer to a school of landscape architecture should consult with landscape architectural counselors to select acceptable transfer courses.

Woodbury University Option

Woodbury University is a fully accredited private university with a satellite campus in San Diego. Students who maintain a 3.0 average in all San Diego Mesa College architecture design studies qualify for transfer to Woodbury's third year design studio (Design Studio 5) with portfolio review.

Program Goals

The program is designed for students wishing to transfer to university programs in architecture and landscape architecture leading to B.A.Arch. and M.A.Arch degrees and for students seeking employment in professional design offices.

Career Options

Students seeking licensure as architects can transfer to university programs in architecture, and/or seek employment in architecture and landscape architecture offices.

Student Learning Outcomes

Students who complete the Architecture Program will be able to:

- Develop critical thinking skills in a problem/project based curriculum that requires solving spatial, social, engineering and sustainable design problems developing personal, creative and individual solutions.
- Further enhance critical communication skills by articulating not only their solution to design problems, but also the process of arriving at these solutions, orally, graphically and visually to faculty, visiting critics, clients, and fellow students.
- Develop a greater sense of self-awareness and interpersonal skills by required participation in team projects, role-playing and workplace scenarios.
- Increase their knowledge of global issues and awareness by direct involvement in classroom discussions, design programs, design projects, historical design issues and cultural and social perspectives that are international in scope, including issues of sustainability and environmental sensitivity.
- Expand their technological awareness through the use of state-of-the-art equipment and software consistent with our profession, including

computers, scanners, plotters, printers, copiers, digital projectors, and current editions of software utilized in the profession.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Architecture Technician*

Courses:	Units
ARCH 105, Introduction to AutoCAD	2
ARCH 106, Advanced Computer Aided Drafting I.....	3
ARCH 111, Architectural Production Detailing.....	4
ARCH 200, Architectural Detailing	4
ARCH 250, Site Engineering	4
Total Units = 17	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Performance: Architecture Transfer*

Courses:	Units
ARCH 126, History of the Ancient World Architecture or	
ARCH 127, History of World Architecture: Romanesque through Contemporary	3
and	
ARCH 170, Architectural Design	4
ARCH 172, Architectural Design II	4
ARCH 220, Architectural Delineation I.....	2
ARCH 226, Architectural Theory	3
Total Units = 12-16	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Performance: Computer Aided Drafting*

Courses:	Units
ARCH 101, Computer Aided Design and 3D Imaging	3
ARCH 105, Introduction to AutoCAD	2
ARCH 106, Advanced Computer Aided Drafting I.....	3
ARCH 107, Introduction to Revit.....	3
Total Units = 11	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Performance: Garden Design*

Courses:	Units
ARCH 135, Tree Identification	3
ARCH 136, Shrubs, Vines, Groundcover Identification.....	3
ARCH 155, Environmental Design I: Creating Exterior Spaces.....	5
ARCH 190, Environmental Design II: Urban and Community Design	5
Total Units = 16	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Performance: Landscape Architecture Technician*

Courses:	Units
ARCH 105, Introduction to AutoCAD.....	2
ARCH 106, Advanced Computer Aided Drafting I.....	3
ARCH 250, Site Engineering	4
Total Units = 9	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Achievement: Architecture Architecture Survey

Courses Required for the Major:	Units
ARCH 100, Beginning Architectural Drafting.....	2
ARCH 101, Computer Aided Design and 3D Imaging	3

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Art-Fine Art

	Units
Certificate of Performance	
Fine Art	15
Museum Studies	10
Associate in Arts Degree:	
Art History Emphasis	36*
Ceramics Emphasis	36*
Museum Studies Emphasis	35*
Three-Dimensional Emphasis	34*
Two-Dimensional Emphasis	34*

* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.

Description

The Fine Arts program aims to develop student understanding of current and historical art practices and theoretical issues. The program investigates new media and technologies as it builds upon foundational skills. It strives to provide a challenging learning environment of research, originality and experimentation through student engagement and interaction. The major consists of six core courses, plus additional courses that define an "area of emphasis."

Program Goals

The Fine Arts program provides students with a foundation for the study of the visual arts and their contribution to history and culture. Idea centered, the program serves as a model for the department's approach to fine art from cultural, social, economic and political contexts.

Program Emphasis

The Fine Arts program emphasizes critical thinking and perceptual awareness to enable students to develop their artistic skills. There are seven areas of emphasis in the Fine Art major: Two Dimensional, Three Dimensional, Digital, Art History, Ceramics, Museum Studies and Photography.

Career Options

Students may obtain an Associate of Arts degree, complete preparation for the major in fine art and/or transfer to a four-year institution. Career options may include art practice, gallery management and curatorial practice.

Student Learning Outcomes

Students who complete the Art-Fine Art Program will gain facility with:

Global Awareness:

- Students will develop the ability to expand the vision of the role of art in the greater culture
- Students will develop an awareness of cultural diversity (and its use/effect on art-making).

Historical Awareness:

- Students will develop the ability to engage visual art as defined in a progression of change.

Critical Thinking:

- Students will develop the ability to affect critical thinking in visual terms.

Visual Literacy:

- Students will develop the ability to employ art concepts and terminology effectively.
- Students will develop the ability to understand the creative process of art-making.

Technological Awareness

- Students will develop the ability to understand materials, methods and techniques both historical and contemporary and the contexts in which they are employed.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Certificate of Performance:
Fine Art***

The Certificate of Performance in Fine Art certifies that the student has completed the core course work in Fine Art and has demonstrated an operational understanding of critical visual skills.

Courses:	Units
ARTF 110, Art History: Prehistoric to Gothic or	
ARTF 111, Art History: Renaissance to Modern.....	3
ARTF 150A, Two-Dimensional Design	3
ARTF 150B, Beginning Graphic Design	3
ARTF 151, Three-Dimensional Design	3
ARTF 155A, Freehand Drawing I	3
Total Units = 15	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

**Certificate of Performance:
Museum Studies***

The Certificate of Performance in Museum Studies certifies that a student has completed all our museum studies courses, including an off-campus internship at a gallery or museum.

Courses:	Units
ARTF 161A, Museum Studies/Gallery Exhibition	
Skills I	3
ARTF 161B, Museum Studies/Gallery Exhibition	
Skills II	3
ARTF 163, Art Museum/Gallery Internship	4
Total Units = 10	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Associate in Arts Degree: Art - Fine Art

Art History Emphasis

The Art History emphasis focuses on the development of a core foundation of a global history of art. Students will be able to apply and expand these understandings to specific problems of media and context. Successful completion of the courses indicates that a student has achieved an operational understanding of certain essential visual skills and an awareness of cultural and historical factors that manifest various types of visual media.

Courses Required for the Major:	Units
ARTF 107, Contemporary Art	3
ARTF 109, History of Modern Art	3
ARTF 110, Art History: Prehistoric to Gothic	3
ARTF 111, Art History: Renaissance to Modern	3
ARTF 113, African, Oceanic, and Native American Art	3
ARTF 125, Art History: Arts of the Asian Continent	3
ARTF 150A, Two-Dimensional Design	3
ARTF 151, Three-Dimensional Design	3
ARTF 150B, Beginning Graphic Design or	3
ARTF 155A, Freehand Drawing I	3
Select three courses from:	
ARTF 115, African Art	3
ARTF 120, Native American Indian Art	3
ARTF 161A, Museum Studies/Gallery Exhibition Skills I	3
ARTF 165A, Composition in Painting I	3
ARTF 175A, Sculpture I	3
ARTF 191, Cultural Influences on Photography	3
ARTF 194, Critical Photography	3
ARTF 195A, Ceramics I	3
ARTF 210A, Life Drawing I	3
ARTF 231, Introduction to Digital Art	3
BLAS 110, Afro-American Art	3
CHIC 230, Chicano Art	3

Total Units = 36

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended electives: Fine Art 174A, 190A, 198A, 220A.

Note: Only one Fine Arts (ARTF) course from the above list may be used to satisfy SDCCD general education requirements.

Associate in Arts Degree: Art - Fine Art

Ceramics Emphasis

The Ceramics area of emphasis focuses on the expansion of artistic practice through exploration, experimentation, studio work and study. Students are encouraged to integrate traditional, contemporary and alternative materials and processes as they express themselves through skill development, critical thinking and artistic discourse relevant to the ceramics medium.

Courses Required for the Major:	Units
ARTF 107, Contemporary Art	3
ARTF 109, History of Modern Art or	3
ARTF 110, Art History: Prehistoric to Gothic or	3
ARTF 111, Art History: Renaissance to Modern	3
ARTF 150A, Two-Dimensional Design	3
ARTF 150B, Beginning Graphic Design	3
ARTF 151, Three-Dimensional Design	3
ARTF 155A, Freehand Drawing I	3

Complete the Requirements for the Ceramics Emphasis:

ARTF 195A, Ceramics I	3
ARTF 195B, Ceramics II	3
ARTF 197A, Handbuilding Ceramics I	3

Select two courses from the following:

ARTF 175A, Sculpture I	3
ARTF 197B, Handbuilding Ceramics II	3
ARTF 220A, Life Sculpture I	3
ARTF 196, Clay and Glaze Technology	3

Select one course from the following:

ARTF 113, African, Oceanic, and Native American Art	3
ARTF 115, African Art	3
ARTF 120, Native American Indian Art	3
ARTF 125, Art History: Arts of the Asian Continent	3
BLAS 110, Afro-American Art	3
CHIC 230, Chicano Art	3

Total Units = 36

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended electives: Fine Art 165A, 175A, 175B, 175C, 194, 190A, 198A, 260, 280C.

Note: Only one Fine Art (ARTF) course from the above list may be used to satisfy SDCCD general education requirements.

Associate in Arts Degree: Art - Fine Art

Museum Studies Emphasis

The Museum Studies area of emphasis focuses on theoretical and hands-on instruction in curatorial practice. Students participate in the workings of the college gallery through the development of supplemental materials and the creation and installation of exhibits. Completion of an internship at a local museum or art venue teaches students to apply their curatorial skills within a professional arts setting.

Courses Required for the Major:	Units
ARTF 107, Contemporary Art	3
ARTF 109, History of Modern Art or	
ARTF 110, Art History: Prehistoric to Gothic or	
ARTF 111, Art History: Renaissance to Modern	3
ARTF 150A, Two-Dimensional Design	3
ARTF 150B, Beginning Graphic Design	3
ARTF 151, Three-Dimensional Design	3
ARTF 155A, Freehand Drawing I	3

Complete the requirements for the Museum Studies emphasis:

ARTF 152, Color Theory or	
ARTF 231, Introduction to Digital Art	3
ARTF 161A, Museum Studies/Gallery Exhibition Skills I	3
ARTF 161B, Museum Studies/Gallery Exhibition Skills II	3
ARTF 163, Art Museum/Gallery Internship	4
ARTF 280E, Museum Studies Lab	1

Select one course from:

ARTF 113, African, Oceanic, and Native American Art	3
ARTF 115, African Art	3
ARTF 120, Native American Indian Art	3
ARTF 125, History of Art: Far Eastern Art	3
BLAS 110, Afro-American Art	3
CHIC 230, Chicano Art	3

Total Units = 35

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended electives: Fine Art 152, 191, 194, 198A, 233, Multimedia 101.

Note: Only one Fine Art (ARTF) course from the above list may be used to satisfy SDCCD general education requirements.

Associate in Arts Degree: Art - Fine Art

Three-Dimensional Emphasis

The Three Dimensional area of emphasis focuses on the development of sustained artistic practice through exploration, experimentation, studio work and study. Students are encouraged to examine and explore all the creative possibilities offered by three dimensional art forms as well as where their work fits into the history of art and contemporary art practice.

Complete the Art Major Core Course Requirements:

Courses Required for the Major:	Units
ARTF 107, Contemporary Art	3
ARTF 109, History of Modern Art or	
ARTF 110, Art History: Prehistoric to Gothic or	
ARTF 111, Art History: Renaissance to Modern	3
ARTF 150A, Two-Dimensional Design	3
ARTF 150B, Beginning Graphic Design	3
ARTF 151, Three-Dimensional Design	3
ARTF 155A, Freehand Drawing I	3

Courses Required for the Three-Dimensional emphasis:

ARTF 175A, Sculpture I	3
ARTF 175B, Sculpture II	3
ARTF 195A, Ceramics I	3
ARTF 280B, 3-Dimensional Studio Lab	1

Select one course from:

ARTF 113, African, Oceanic, and Native American Art	3
ARTF 115, African Art	3
ARTF 120, Native American Indian Art	3
ARTF 125, Art History: Arts of the Asian Continent ...	3
BLAS 110, Afro-American Art	3
CHIC 230, Chicano Art	3

Select one course from:

ARTF 165A, Composition in Painting I	3
ARTF 190A, Black and White Art Photography	3
ARTF 191, Cultural Influences on Photography	3
ARTF 194, Critical Photography	3
ARTF 198A, Introduction to Printmaking I	3
ARTF 210A, Life Drawing I	3
ARTF 220A, Life Sculpture I	3
ARTF 231, Introduction to Digital Art	3

Total Units = 34

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended electives: Fine Art 155B, 161A, 165B, 165C, 198B, 210B, 220B.

Note: Only one Fine Art (ARTF) course from the above list may be used to satisfy SDCCD general education requirements.

Associate in Arts Degree: Art - Fine Art

Two-Dimensional Emphasis

The Two Dimensional area of emphasis focuses on the development of sustained artistic practice through exploration, experimentation, studio work and study. As students develop ideas and express them in a variety of two-dimensional forms, they are prompted to examine how their artwork reflects the time and culture within which they are creating it and how their work fits into the history of art and contemporary art practice.

Complete the Art Major Core Course Requirements:

Courses Required for the Major:	Units
ARTF 107, Contemporary Art	3
ARTF 109, History of Modern Art or	
ARTF 110, Art History: Prehistoric to Gothic or	
ARTF 111, Art History: Renaissance to Modern	3
ARTF 150A, Two-Dimensional Design	3
ARTF 150B, Beginning Graphic Design	3
ARTF 151, Three-Dimensional Design	3
ARTF 155A, Freehand Drawing I	3
Complete the requirements for the Two-Dimensional Emphasis:	
ARTF 165A, Composition in Painting I	3
ARTF 210A, Life Drawing I	3
ARTF 280A, 2-Dimensional Art Studio Lab or	
ARTF 280F, Photography Studio Lab	1
Select two courses from:	
ARTF 155B, Freehand Drawing II.....	3
ARTF 165B, Composition in Painting II	3
ARTF 165C, Composition in Painting III	3
ARTF 191, Cultural Influences on Photography	3
ARTF 194, Critical Photography	3
ARTF 198A, Introduction to Printmaking I	3
ARTF 232 Introduction to Digital Drawing and Painting	3
Select one course from:	
ARTF 113, African, Oceanic, and Native American Art	3
ARTF 115, African Art	3
ARTF 120, Native American Indian Art	3
ARTF 125, History of Art: Far Eastern Art	3
BLAS 110, Afro-American Art	3
CHIC 230, Chicano Art	3
Total Units = 34	

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended electives: Art-Fine Art 152, 161A, 190A, 198B.

Note: Only one Fine Art (ARTF) course from the above list may be used to satisfy SDCCD general education requirement.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Asian Studies

Courses relating to Asian cultures and civilizations are offered through an interdisciplinary approach in the following areas:

English

Introduction to Asian Literature

History

Introduction to Asian Civilizations
Asian Civilizations in Modern Times

Humanities

World Music

Language Arts

Chinese, Japanese, Tagalog, Vietnamese

Music

World Music

Philosophy

Oriental Philosophy

Asian Pacific American Studies

Courses relating to Asian Pacific American Studies are offered through an interdisciplinary approach in the following areas:

Filipino Studies

Filipino Studies

History

U. S. History from the Asian Pacific American Perspective

Biology

	Units
Certificate of Performance:	
Applied Biotechnology	8
Associate in Science Degree:	
Transfer Track	23-24*
Applied Biology Track	31*
Applied Health Track	21*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Biology is a natural science that focuses on physical and chemical processes of living organisms. This discipline explores how organisms acquire and use energy to maintain homeostasis, how they reproduce, and how they interact with each other and their environment. Scientific processes are emphasized as a means of answering these biological questions. Biologists rely heavily on a chemistry foundation since living organisms are chemical systems.

The Biology program serves three areas of study. Biology provides a broad background of studies for the biology major preparing for transfer to a four-year institution. The biology program offers support courses in human anatomy, human physiology, and general microbiology which may be used to satisfy prerequisites for nursing programs and other allied health fields. The biology program provides courses in natural science to fulfill general education requirements.

The following list is a sample of the many career options available for the biology major. A few of these require an associate degree; most require a baccalaureate degree and some require a graduate level degree: agricultural consultant, animal health technician, biotechnology technician, dentist, environmental consultant, field biologist, forester, horticulturist, high school or college teacher, marine biologist, microbiologist, public health technician, physician, pharmaceutical researcher, research

biologist, and veterinarian. In addition, a background in biology may be required for the following: registered nurse, physical therapist, respiratory therapist, dental assistant, health information technician, medical technician, physician's assistant and optometrist.

The three associate degrees in biology require completion of the courses listed below. Additional general education and graduation requirements for the associate degree are listed in the catalog. The Associate Degree requires a minimum of 60 units.

Student Learning Outcomes

Students who complete the Biology Program will be able to:

- Think critically, developing the skills to ask vital questions and solve biological problems by applying the Scientific Method.
- Communicate, using examples, the importance of interconnections among living organisms and their environments.
- Transfer knowledge of biological concepts to achieve successful academic progress in 200 level biology courses and into applications for everyday life. These concepts could include cell theory, evolutionary mechanisms, and major life processes.
- Investigate biological questions using modern and appropriate tools.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Applied Biotechnology*

Students may take the specific biotechnology courses and receive a Certificate of Performance authorized and issued by the academic department. It is not intended to nor will it be recognized as an official state approved program. It is intended to provide students with intensive laboratory skills development experience to meet entry-level employment requirements in the biotechnology industry.

Courses:	Units
BIOL 132, Applied Biotechnology I (Miramar)	4
BIOL 133, Applied Biotechnology II (Miramar)	4
Total Units = 8	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Associate in Science Degree: Biology, Transfer Track

Courses Required for the Major:	Units
BIOL 210A, Introduction to the Biological Sciences I	4
BIOL 210B Introduction to the Biological Sciences II	4
CHEM 200, General Chemistry I Lecture and	
CHEM 200L, General Chemistry I Lab	5
CHEM 201, General Chemistry II Lecture and	
CHEM 201L, General Chemistry II Lab	5
MATH 121, Basic Techniques of Applied Calculus I &	
MATH 122, Basic Techniques of Calculus II or	
MATH 150, Calculus with Analytic Geometry I	5-6

Total Units = 23-24

Note: Only one Biology (BIOL) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Biology 100, 101 (City), 110, 115, 120 (Mesa, Miramar), 130 (Mesa), 180, 200, 205, 215, 230, 235, 250, 290, 296.

Associate in Science Degree: Biology Applied Biology Track

Courses Required for the Major:	Units
BIOL 107, General Biology-Lecture/Lab	4
BIOL 205, General Microbiology	5
BIOL 132, Applied Biotechnology I and	
BIOL 133, Applied Biotechnology II (Miramar)	8
CHEM 200, General Chemistry I Lecture and	
CHEM 200L, General Chemistry I Lab	5
CHEM 201, General Chemistry II Lecture and	
CHEM 201L, General Chemistry II Lab	5
CISC 181, Principles of Information Systems	4

Total Units = 31

Note: Only one Biology (BIOL) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Biology 100; Physics 121A (City), 121B (City), 180A (City), 180B (City).

Associate in Science Degree: Biology

Allied Health Track

Consult the Nursing Education faculty (City College) or a counselor to verify current course requirements for associate degree and baccalaureate nursing program preparation.

Courses Required for the Major:	Units
BIOL 107, General Biology-Lecture/Lab	4
BIOL 205, General Microbiology	5
BIOL 230, Human Anatomy	4
BIOL 235, Human Physiology	4
CHEM 100, Fundamentals of Chemistry	3
CHEM 100L, Fundamentals of Chemistry Lab	1

Total Units = 21

Note: Only one Biology (BIOL) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Biology 100, 101 (City), 115, 120 (Mesa, Miramar), 130 (Mesa), 180, 215, 250; Chemistry 130, 130L.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Black Studies

Associate in Arts Degree:

Black Studies

Units

27*

* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.

Description

Black Studies is a multidisciplinary curriculum offering courses in American Institutions, Humanities, Social Sciences, and Learning Skills. The program builds a positive understanding and knowledge of the history, culture, and contributions of Africans and Afro-Americans. All students benefit from courses in Black Studies, especially those who pursue careers in social sciences, education, law, counseling, journalism, social work, health care professions, teaching, business, and public administration.

Student Learning Outcomes

The Black Studies Department is built upon an interdisciplinary curriculum (i.e. History, Psychology, Sociology, English, Literature, Political Science, Speech Art, Music, etc.). Students who successfully complete the Black Studies Program will gain facility with:

- **Critical Thinking:** The Black Studies curriculum is designed to develop and challenge cognitive and creative thinking skills by incorporating oral, written, and creative assignments that enhance students' research, analytical and critical thinking skills.
- **Self-Awareness and Interpersonal Skills:** Students will learn to be self defined and develop the ability to see themselves in others by participating in group assignments, open discussions and experiential activities. Students will learn to analyze their own actions, understand and respect the perspectives of others, while working effectively with people in groups.
- **Communication:** Students will develop the confidence and ability to express themselves in an

oral, written, and creative manner. By participating in a variety of learning opportunities (lectures, seminars, field trips, performances, etc.) students enhance and expand their ability to articulate critical thinking which is applicable to all learning experiences.

- **Personal Actions and Civic Responsibility:** Students will develop a personal sense of responsibility through an understanding of how they are connected to their community and society at large. By participating in service learning activities and volunteerism students will develop community consciousness and commitment.
- **Technological Awareness:** Students are given opportunities to enhance their understanding of technology through required assignments, projects, and presentation.
- **Global Awareness:** Students will learn to analyze content and context of cultures around the world by comparing and contrasting how people do the same things in different ways. This will enable them to take responsibility for their actions and make ethical decisions with an understanding of its impact globally.
- **Life Mastery Skills:** Students will develop consciousness, confidence, and competence through the interdisciplinary structure of Black Studies. Students develop a practical application of critical thinking, self awareness, communication, personal actions, civic responsibility, global and technology awareness. As a result, students know and understand that they have the power and ability to make decisions that make a difference on a personal, professional and global level.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Associate in Arts Degree:
Black Studies**

Courses Required for the Major:	Units
BLAS 100, Introduction to Black Studies	3
BLAS 104, Black Psychology or	
BLAS 130, The Black Family	3
BLAS 115, Sociology/Black Perspective (City) or	
BLAS 116, Contemporary Social Problems from a Black Perspective or	
BLAS 135, Introduction to Black Politics (City)	3

BLAS 110 Afro-American Art or
 BLAS 120, Black Music3
 BLAS 125, Dynamics of the Black Community.....3
 BLAS 140A, History of the U.S., Black Perspective3
 BLAS 150, Black Women in Literature & the Media or
 BLAS 155, Afro-American Literature3

Select six units from the following:

BLAS 106, Black Oral Expression and
 Interpretation.....3
 BLAS 111, African Art History.....3
 BLAS 140B, History Of The U.S., Black Perspective3
 BLAS 145A, Introduction to African History.....3
 BLAS 145B, Introduction to African History.....3
 BLAS 165, Sexuality and Black Culture3
 BLAS 175, Psycho-History of Racism and Sexism3
 ENGL 101, Reading and Composition3
 ENGL 105, Composition and Literature.....3
 SPEE 103, Oral Communication3

Total Units = 27

Note: Only one Black Studies (BLAS) course from the above list may be used to satisfy SDCCD general education requirements. BLAS 115 & 135 offered at City College only.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Black Studies 106, 290, 296; Business 140; Chicano Studies 201, 210; Economics 120, 121; English 49; Geography 102; History 109, 110; Mathematics 96 or higher; Philosophy 102A; Political Science 103; Psychology 135, 270.

Other recommended electives: Any mathematics course number 96 or higher.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Building Construction Technology

	Units
Certificate of Achievement:	
Inspection	28
Associate in Science Degree:	
Inspection	28*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

This program is designed for the student who is interested in a construction-related career. This program is designed for the student who is interested in a Construction Inspection or Construction Management career. Program planning should occur with the assistance of a department member. All courses have been designed to be taken sequentially.

Student Learning Outcomes

Students who complete the Building Construction Technology Program will be able to:

- Review a typical set of residential or light commercial construction plans and analyze, interpret, extract and define basic structural and finish components and/or systems necessary for project construction.
- Analyze and compute "Early Start" and "Late Start" and "Early Finish" and "Late Finish" times and "Total Float" associated with a basic network diagram for a construction project utilizing "Activity on the Node" (AON) when sequencing and activity time durations are defined.
- Locate, identify, and correctly apply building code constraints to a specific design or construction problem

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Certificate of Achievement:
Building Construction Technology
Inspection**

Courses Required for the Major:	Units
BLDC 120, Blueprint Reading	3
BLDC 130, Construction Practices I	4
BLDC 245, Building Inspection	3
BLDC 250, Construction Trades Management I.....	3
BLDC 255, Construction Trades Management II	3
BLDC 260, Building Codes and Zoning.....	3
BLDC 268, Electrical, Plumbing, and Mechanical Codes	3
ARCH 130, Materials of Construction	3
ARCH 205, Estimating	3
Total Units	28

**Associate in Science Degree:
Building Construction Technology
Inspection**

Courses Required for the Major:	Units
BLDC 120, Blueprint Reading	3
BLDC 130, Construction Practices I	4
BLDC 245, Building Inspection	3
BLDC 250, Construction Trades Management I.....	3
BLDC 255, Construction Trades Management II	3
BLDC 260, Building Codes and Zoning.....	3
BLDC 268, Electrical, Plumbing, and Mechanical Codes	3
ARCH 130, Materials of Construction	3
ARCH 205, Estimating	3
Total Units =	28

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Building Construction Technology 290.

Construction Management
See "Architecture" on page 135.

**Business
Administration**

	Units
Certificate of Achievement: Business Administration	30
Associate in Science Degree: Business Administration	33*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Prepares the student for transfer to a four-year college through maximum use of equivalent courses. It also provides a foundation for entry into business.

Student Learning Outcomes

Students who complete the Business Administration Program will gain facility with:

- **Communication:** Students will be able to articulate and explain critical thinking outcomes in writing and speaking, as well as by other contemporary recognized modes of business communication.
- **Self-awareness and Interpersonal Skills:** Students will recognize and respect the business opinions and perspectives of others, and they will be able to work effectively with superiors, peers, and subordinates in organized group settings.
- **Personal Actions and Civic Responsibility:** Students will be able to analyze and accept responsibility for their own actions and make ethical decisions in the business environment.
- **Global Awareness:** Students will be able to identify and understand global business issues.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Certificate of Achievement:
Business Administration**

Courses Required for the Major:	Units
BUSE 100, Introduction to Business (recommended as a first semester course), or	

MARK 100, Principles of Marketing	3
BUSE 119, Business Communications	3
BUSE 140, Business Law & the Legal Environment.....	3
ACCT 116A, Financial Accounting	4
ACCT 116B, Managerial Accounting.....	4
CISC 181, Principles of Information Systems	4
ECON 120, Principles of Macroeconomics.....	3
ECON 121, Principles of Microeconomics	3
MATH 119, Elementary Statistics.....	3
Total Units = 30	

Associate in Science Degree: Business Administration

Courses Required for the Major:	Units
BUSE 100, Introduction to Business (recommended as a first semester course), or	
MARK 100, Principles of Marketing	3
BUSE 119, Business Communications	3
BUSE 140, Business Law & the Legal Environment.....	3
ACCT 116A, Financial Accounting	4
ACCT 116B, Managerial Accounting.....	4
CISC 181, Principles of Information Systems	4
ECON 120, Principles of Macroeconomics.....	3
ECON 121, Principles of Microeconomics	3
ENGL 101, Reading and Composition.....	3
MATH 119, Elementary Statistics.....	3
Total Units = 33	

Note: Only one Business (BUSE) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Business 101, 143, 270; Marketing 100. Electives should be chosen after consultation with a counselor and with reference to programs at a four-year institution to which the student will transfer.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language.**

Consult the current catalog of the transfer institution and consult with a counselor.

Business Management

	Units
Certificate of Achievement:	
Business Management	35
Associate in Science Degree:	
Business Management	47*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Intended for the student who wishes to plan a program in preparation for a business occupational area of his/her own choice. Flexible course selection is emphasized to enable students to achieve their specific educational, vocational and personal goals. Students planning to transfer to a four-year college or university should select the Business Administration major.

Student Learning Outcomes

Students who complete the Business Management Program will gain facility with:

- **Communication:** Students will be able to articulate and explain critical thinking outcomes in writing and speaking, as well as by other contemporary recognized modes of business communication.
- **Self-awareness and Interpersonal Skills:** Students will recognize and respect the business opinions and perspectives of others, and they will be able to work effectively with superiors, peers, and subordinates in organized group settings.
- **Personal Actions and Civic Responsibility:** Students will be able to analyze and accept responsibility for their own actions and make ethical decisions in the business environment.
- **Global Awareness:** Students will be able to identify and understand global business issues.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Business Management

Courses Required for the Major:	Units
BUSE 100, Introduction to Business (recommended as a first semester course)	3
BUSE 101, Business Mathematics	3
BUSE 119, Business Communications	3
BUSE 140, Business Law & the Legal Environment.....	3
ACCT 116A, Financial Accounting	4
CISC 181, Principles of Information Systems	4
ECON 120, Principles of Macroeconomics.....	3
*Occupational Electives	12
Total Units = 35	

Associate in Science Degree: Business Management

Courses Required for the Major:	Units
BUSE 100, Introduction to Business (recommended as a first semester course)	3
BUSE 101, Business Mathematics	3
BUSE 119, Business Communications	3
BUSE 140, Business Law & the Legal Environment.....	3
BUSE 150, Human Relations in Business	3
BUSE 201, Business Organization and Management .	3
ACCT 116A, Financial Accounting	4
CISC 181, Principles of Information Systems	4
ECON 120, Principles of Macroeconomics.....	3
ECON 121, Principles of Microeconomics.....	3
MARK 100, Principles of Marketing.....	3
*Occupational Electives	12
Total Units = 47	

Note: Only one Business (BUSE) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Accounting 116B; Business 143, 155, 270; Computer Business Technology 180; Marketing 105.

***These courses should be planned with the assistance of a counselor and must be approved by a**

department member. Approval forms may be obtained in the counseling office.

Chemistry

	Units
Certificate of Performance:	
Preparation for Chemistry Lab. Positions	17
Certificate of Achievement:	
Chemistry	35
Chemistry Technician	28
Associate in Science Degree:	
Chemistry	35*
Chemistry Technician	42*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Upon completion of the required pattern of Chemistry courses and other degree graduation requirements an Associate in Science Degree in Chemistry will be granted. A certificate program is also offered in Chemistry.

Emphasis

The Chemistry Program permits the student to fulfill the lower division chemistry for transfer programs to four-year institutions as well as to acquire the necessary skills for employment in chemistry.

Career Options

Careers in chemistry include "traditional" activities (e.g. analysis, synthesis), interdisciplinary fields (e.g. materials, biophysics), and related professions such as medicine, patent law, education, technical writing, art conservation, forensic science and many others.

Student Learning Outcomes

Students who complete the Chemistry Program will gain facility with:

- Communication: Students will be able to demonstrate ability to report scientific information appropriately.

- Critical Thinking: Students will be able to utilize the scientific method to analyze and interpret data.
- Technology awareness: Students will be able to investigate questions utilizing modern and appropriate tools.
- Personal responsibility: Students will come prepared for class and complete assigned work thoughtfully.
- Environmental responsibility: Students will be able to explain or describe the impact of chemistry on environment

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Preparation for Chemistry Laboratory Positions*

Courses:	Units
CHEM 200, General Chemistry I - Lecture.....	3
CHEM 200L, General Chemistry I - Lab.....	2
CHEM 201, General Chemistry II - Lecture.....	3
CHEM 201L, General Chemistry II - Lab.....	2
CHEM 231, Organic Chemistry I - Lecture.....	3
CHEM 231L, Organic Chemistry I - Laboratory.....	2
CHEM 161, Techniques in Biochemistry.....	2
Total Units = 17	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Achievement: Chemistry

Courses Required for the Major:	Units
CHEM 200, General Chemistry I - Lecture.....	3
CHEM 200L, General Chemistry I - Lab.....	2
CHEM 201, General Chemistry II - Lecture.....	3
CHEM 201L, General Chemistry II - Lab.....	2
CHEM 231, Organic Chemistry I - Lecture.....	3
CHEM 231L, Organic Chemistry I - Laboratory.....	2
CHEM 251, Analytical Chemistry.....	5

Plus fifteen units selected from the following:

MATH 141, Precalculus.....	5
MATH 150, Calculus with Analytic Geometry I.....	5
MATH 151, Calculus with Analytic Geometry II.....	4
MATH 252, Calculus with Analytic Geometry III.....	4
PHYS 195, Mechanics.....	5
PHYS 196, Electricity & Magnetism.....	5

PHYS 197, Waves, Optics, & Modern Physics.....	5
Total Units = 35	

Certificate of Achievement: Chemistry Technician

CHEM 200, General Chemistry I - Lecture.....	3
CHEM 200L, General Chemistry I - Lab.....	2
CHEM 201, General Chemistry II - Lecture.....	3
CHEM 201L, General Chemistry II - Lab.....	2
CHEM 231, Organic Chemistry I - Lecture.....	3
CHEM 231L, Organic Chemistry I - Laboratory.....	2
CHEM 233, Organic Chemistry II - Lecture.....	3
CHEM 233L, Organic Chemistry II - Laboratory.....	2
CHEM 255, Inside the Pharmaceutical Industry.....	3
CHEM 251, Analytical Chemistry or	
CHEM 160, Introduction to Biochemistry and	
CHEM 161, Techniques in Biochemistry.....	5
Total Units = 28	

Associate in Science Degree: Chemistry

Courses Required for the Major:	Units
CHEM 200, General Chemistry I - Lecture.....	3
CHEM 200L, General Chemistry I - Lab.....	2
CHEM 201, General Chemistry II - Lecture.....	3
CHEM 201L, General Chemistry II - Lab.....	2
CHEM 231, Organic Chemistry I - Lecture.....	3
CHEM 231L, Organic Chemistry I - Laboratory.....	2
CHEM 251, Analytical Chemistry.....	5

Plus fifteen units selected from the following:

MATH 141, Precalculus.....	5
MATH 150, Calculus with Analytic Geometry I.....	5
MATH 151, Calculus with Analytic Geometry II.....	4
MATH 252, Calculus with Analytic Geometry III.....	4
PHYS 195, Mechanics.....	5
PHYS 196, Electricity & Magnetism.....	5
PHYS 197, Waves, Optics, & Modern Physics.....	5

Total Units = 35

Associate in Science Degree: Chemistry Technician

Courses Required for the Major:	Units
CHEM 160, Introduction to Biochemistry.....	3
CHEM 161, Techniques in Biochemistry.....	2
CHEM 200, General Chemistry I - Lecture.....	3
CHEM 200L, General Chemistry I - Lab.....	2
CHEM 201, General Chemistry II - Lecture.....	3
CHEM 201L, General Chemistry II - Lab.....	2
CHEM 231, Organic Chemistry I - Lecture.....	3
CHEM 231L, Organic Chemistry I - Laboratory.....	2
CHEM 233, Organic Chemistry II - Lecture.....	3
CHEM 233L, Organic Chemistry II - Laboratory.....	2

CHEM 251, Analytical Chemistry.....5
 CHEM 255, Inside the Pharmaceutical Industry3
 BIOL 107, General Biology-Lec and Lab4
 BIOL 205, General Microbiology5

Total Units = 42

Note: Only one Chemistry (CHEM) course from the above list may be used to satisfy SDCCD general education requirements.

For other graduation requirements see **Requirements for the Associate Degree** on 92.

Electives (Mesa College) as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Astronomy 101, 109, 111, 290; Biology 107; Chemistry 100, 100L, 130, 130L, 152, 152L, 160, 161, 200, 200L, 201, 201L, 231, 231L, 233, 233L, 251, 255, 290, 296; Computer and Information Sciences 150; Economics 120; Engineering 115, 151, 200, 210, 250, 260, 270; Geography 101, 101L, 102, 290, 296; Geology 290, 296; Mathematics 96, 104, 107, 118, 119, 141, 150, 151; Physical Sciences 100, 101, 290, 296; Physics 100, 125, 126, 195, 196, 197, 290; Speech Communications 103.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. **Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Chicano Studies

	Units
Associate in Arts Degree:	
Chicano Studies	28*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

The Chicano Studies program provides an interdisciplinary approach, examines the interaction of the Chicano with the majority culture in a bilingual, bicultural setting. Chicano Studies courses are taught in English. The Chicano Studies curriculum is designed to meet general education requirements for all students. It also prepares students for upper division work toward a B.A. in Chicano Studies and professional fields, e.g., social sciences, humanities, law, teaching, social work, and public administration. Chicano Studies courses transfer to four-year colleges and universities.

Student Learning Outcomes

Students who complete the Chicano Studies Program will be able to:

- Articulate the multiple historical factors that have contributed to the origins of the Chicano/a community in the United States.
- Understand and communicate the Chicano/a alternative world view as expressed in history, literature and art
- Analyze the development of the contemporary Chicano/a community in the United States through its history, art and literature

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Associate in Arts Degree:
Chicano Studies**

Courses Required for the Major:	Units
CHIC 110A, Introduction to Chicano Studies.....	3

CHIC 110B, Introduction to Chicano Studies.....	3
CHIC 130, Mexican Literature in Translation (City) or	
CHIC 135, Chicano Literature	3
CHIC 203, Introductory Spanish for Spanish	
Speakers (City)	5
CHIC 204, Intermediate Spanish for Spanish	
Speakers (City)	5
CHIC 210, Chicano Culture	3

Select six units from the following:

CHIC 170	3
CHIC 201	3
ENGL 101	3
SPEE 103	3

Total Units = 28

Note: Only one Chicano Studies (CHIC) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Anthropology 200, 210, 215; Black Studies 100, 120; Chicano Studies 138, 141A, 141B, 150, 190, 201, 290, 296; English 105; History 115A, 115B, 150, 151; Sociology 101, 110.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Child Development

	Units
Certificate of Performance:	
Assistant Teacher	10-13
Home Day Care	12
Certificate of Achievement:	
Associate Teacher	18-19
Teacher	26-29
Master Teacher	35-39
Associate in Science Degree:	
Child Development	26-29*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Child Development offers programs for Career and transfer students. Certificates of Performance, Certificates of Achievement and Associate Degree programs are available to students interested in a range of child development opportunities and in meeting the requirements for the State of California Child Development permits and the California State Department of Social Services, Title 22, Community Care Licensing.

Program Emphasis

The Child Development program offers course work, training and supervised practicum experiences to meet state licensing requirements for working in centers, schools, child care homes and service related agencies. The skills and knowledge gained in beginning courses provide the framework and foundation for more specialized courses.

Career Options

The San Diego Community College District offers certificates, a degree and transfer options in the field of Child Development/Early Childhood Education. The **Home Day Care** Certificate offered at Mesa provides skills and knowledge for child care in family settings. The **Assistant Teacher** Certificate of Performance prepares an individual to work in public and private child care settings. The Certificate of Achievement

options, **Associate Teacher, Teacher and Master Teacher**, prepare individuals for higher level instructional positions. The **Assistant Teacher, Associate Teacher, Teacher, and Master Teacher** certificates meet the requirements for the State of California Child Development Permits. The **Child Development Associate in Science Degree** prepares students for teacher, master teacher and director.

Student Learning Outcomes

Students who complete the Child Development Program will be able to:

- Develop the ability to anticipate, recognize and successfully work with various learning styles and abilities of children with different needs.
- Apply their knowledge of children's physical, intellectual, social and emotional development to set up a stimulating learning environment and design a multicultural curriculum that involves age-appropriate activities.
- Assess, compare and contrast the ways in which families, childcare facilities, schools, peer groups and the community act as socializing agents for the developing child.
- Participate in student teaching and child observations to better understand behavior management and learn effective problem solving and conflict resolution
- Develop the skills to meet the state of CA licensing requirements for working in centers, schools and child care homes as teachers, administrators or supervisors.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

***Certificates of Performance**

These are department awards in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Performance: Assistant Teacher*

This certificate prepares students to assist in the instruction of children under the supervision of an Associate Teacher or higher. Child Development courses must be completed with a grade of "C" or better.

Courses:	Units
CHIL 101, Human Growth and Development.....	3

CHIL 180, Nutrition, Health & Safety for Children 3

Select one course from:

- CHIL 111, Curriculum: Music/Motor Skills
- CHIL 121, Creative Art
- CHIL 131, Curriculum: Language/Science
- CHIL 141, The Child, Family and Community 3

Select one course from:

- CHIL 160, Observing and Understanding Children
- CHIL 161, Observations and Issues in Child Development
- CHIL 270, Work Experience
- CHIL 291, Child Development Lab Practicum
- CHIL 291A, or 291B, or 291C, or 291D, Child Development Center Practicum 1-4

Total Units = 10-13

Certificate of Performance: Home Day Care*

This certificate prepares students for entry level positions as home day care providers. Child Development courses must be completed with a grade of "C" or better.

Courses:	Units
CHIL 101, Human Growth and Development	3
CHIL 175, Infant-Toddler Growth and Development	3
CHIL 180, Nutrition, Health and Safety for Children.....	3
CONF 110, Personal Financial Management.....	3

Total Units = 12

For the Certificates of Performance listed above, one or more of the following courses is recommended to gain experience and credits required for higher level permits:

- CHIL 160, Observing and Understanding Children
- CHIL 161, Observations and Issues in Child Development
- CHIL 270, Work Experience
- CHIL 291, Child Development Lab Practicum
- CHIL 291A, or 291B, or 291C, or 291D, Child Development Center Practicum

Certificate of Achievement: Child Development

Associate Teacher

This certificate prepares students to provide instruction to children and supervise Assistant Teachers. Child Development courses must be completed with a grade of "C" or better.

Courses Required for the Major:	Units
CHIL 101, Human Growth and Development	3

CHIL 141, The Child, Family and Community3
 CHIL 180, Nutrition, Health & Safety for Children3

Select two courses from:

CHIL 111, Curriculum: Music/Motor Skills
 CHIL 121, Creative Art
 CHIL 131, Curriculum: Language/Science6

Select three or more units from:

CHIL 160, Observing and Understanding Children
 CHIL 161, Observations & Issues in Child Development
 CHIL 270, Work Experience
 CHIL 291, Child Development Lab Practicum
 CHIL 291A, or 291B, or 291C, or 291D, Child
 Development Center Practicum.....3-4

Total Units = 18-19

**Certificate of Achievement:
 Child Development**

Teacher

This certificate prepares students to provide instruction to children and supervise Assistant and Associate Teachers. Child Development courses must be completed with a grade of "C" or better.

Courses Required for the Major:	Units
CHIL 101, Human Growth and Development	3
CHIL 111, Curriculum: Music/Motor Skills	3
CHIL 121, Creative Art	3
CHIL 131, Curriculum: Language/Science	3
CHIL 141, The Child, Family and Community	3
CHIL 180, Nutrition, Health & Safety for Children	3
CHIL 151, Program Planning	3

and concurrent enrollment in:

CHIL 270, Work Experience, **or**
 CHIL 275, Supervised Field Study2-4

Select one of the following three options:

CHIL 160, Observing & Understanding Children **and**
 CHIL 161, Observations & Issues in Child Development
or
 CHIL 165, Children with Special Needs **or**
 CHIL 175, Infant-Toddler Growth and
 Development3-4

Total Units = 26-29

**Certificate of Achievement:
 Child Development**

Master Teacher

This certificate prepares students to provide instruction to children and supervised Assistant/ Associate Teachers and Teachers. It further prepares the Master Teacher to coordinate curriculum and staff

development. Child Development courses must be completed with a grade of "C" or better.

Courses Required for the Major: Units

CHIL 101, Human Growth and Development.....	3
CHIL 111, Curriculum: Music/Motor Skills.....	3
CHIL 121, Creative Art	3
CHIL 131, Curriculum: Language/Science.....	3
CHIL 141, The Child, Family and Community.....	3
CHIL 151, Program Planning	3
CHIL 180, Nutrition, Health & Safety for Children.....	3

AND

Select one of the following three options that is NOT part of your Specialization (see Specializations listed below) to complete the minimum 24 unit core requirement:

CHIL 160, Observing & Understanding Children **and**
 CHIL 161, Observations & Issues in Child Development
or

CHIL 165, Children with Special Needs **or**
 CHIL 175, Infant-Toddler Growth and
 Development..... 3-4

AND

CHIL 215, Adult Supervision & Mentoring in Early
 Childhood Settings..... 3

AND

CHIL 270, Work Experience, **or**
 CHIL 275, Supervised Field Study (with concurrent
 enrollment in CHIL 151, Program
 Planning) 2-4

AND

Select one of the following Specializations for a total of 6 - 7 units:

Guiding Young Children

CHIL 160, Observing & Understanding Children
 CHIL 161, Observations & Issues in Child
 Development

CHIL 162, Observing and Guiding Child Behavior **or**
Family Life

CHIL 160, Observing & Understanding Children
 CHIL 161, Observations & Issues in Child
 Development

CHIL 188, Child Abuse **or**

Special Needs

CHIL 165, Children with Special Needs
 CHIL 166, Special Needs Curriculum **or**

Infant/Toddler

CHIL 175, Infant-Toddler Growth and
 Development

CHIL 176, Principles of Infant/Toddler Caregiving **or**

School Age

CHIL 152, School-Age Program Planning **and**

Select one course from:

CHIL 185, Computer Usage with Young Children (City)
or
 MATH 210A, Concepts of Elementary School
 Mathematics **or**
 MUSI 110, Music for Elementary School Teachers **or**
 PHYE 240, Physical Education in the Elementary
 Schools6-7

Total Units = 35-39

**Associate in Science Degree:
 Child Development**

This degree prepares students to provide instruction to children and supervise Assistant and Associate Teachers. Child Development courses must be completed with a grade of "C" or better. Additional general education and graduation requirements are listed in the Academic Requirements section of this catalog. The Associate Degree requires a minimum of 60 units.

Courses Required for the Major	Units
CHIL 101, Human Growth and Development	3
CHIL 111, Curriculum: Music/Motor Skills	3
CHIL 121, Creative Art	3
CHIL 131, Curriculum: Language/Science	3
CHIL 141, The Child, Family and Community	3
CHIL 180, Nutrition, Health & Safety for Children	3
CHIL 151, Program Planning	3

and concurrent enrollment in:

CHIL 270, Work Experience, **or**
 CHIL 275, Supervised Field Study2-4

Select one of the following three options:

CHIL 160, Observing & Understanding Children **and**
 CHIL 161, Observations & Issues in Child Development

or

CHIL 165, Children with Special Needs **or**
 CHIL 175, Infant-Toddler Growth and
 Development3-4

Total Units = 26-29

Recommended Electives: (select from courses not already taken): Child Development 152, 160, 161, 162,

165, 166, 175, 176, 185 (City), 188, 202, 210, 215, 270, 275, 290, 291A, 291B, 291C, 291D.

Courses offered by San Diego Community College District that meet experience requirements for Certificates and Degrees:

- CHIL 160, Observing & Understanding Children, 2 units (16 days)
- CHIL 161, Observation & Issues in Child Development, 2 units (16 days)
- CHIL 270, Work Experience, 1 unit (16 days)
- CHIL 270, Work Experience, 2 unit (32 days)
- CHIL 270, Work Experience, 3 unit (48 days)
- CHIL 270, Work Experience, 4 unit (64 days)
- CHIL 275, Supervised Field Study, 2 units (32 days)
- CHIL 291, Child Development Lab Practicum, 1 unit (16 days)
- CHIL 291A, Child Development Practicum, 1 unit (16 days)
- CHIL 291B, Child Development Practicum, 1 unit (16 days)
- CHIL 291C, Child Development Practicum, 1 unit (16 days)
- CHIL 291D, Child Development Practicum, 1 unit (16 days)

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult with the current catalog of the transfer institution and consult with a counselor.**

Computer Aided Design/Drafting

See "Architecture" on page 135.

Computer Business Technology

	Units
Certificate of Performance:	
General Office Clerk	11
Keyboarder/Word Processor	8-9
Desktop Publishing	9
Desktop Publishing Basic	
Certificate of Achievement:	
Administrative Assistant	23-25
Information Management Technology	21
Microcomputer Applications	24-26
Associate in Science Degree:	
Administrative Assistant	25.5-27.5*
Information Management Technology	21*
Microcomputer Applications	33.5-35.5*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Computers and web technologies are ubiquitous in the majority of businesses and industries. Computer Business Technology is a versatile field as it offers employment opportunities in a variety of business settings. The Computer Business Technology Associate Degree and Certificate programs are designed to prepare students for entry-level positions and to provide working professionals with the opportunity to enhance and modernize their skills in computer technologies, web design, information/ records management, desktop publishing and computer-related office skills.

Career Options

Web Design, Microcomputer Applications, Administrative Assistant, Office Clerk, Word Processor, Desktop Publishing and Information Management Technology (Records Management).

Student Learning Outcomes

Students who complete the Computer Business Technology Program will gain facility with:

- Technological Awareness: Students will be able to evaluate and apply appropriate technology to

support specific business activities and business solutions.

- Critical Thinking: Students will be able to analyze specific business problems or situations and identify possible solutions, including predictive analysis, synthesis of information, resourcefulness, and troubleshooting.
- Communication: Students will be able to choose the appropriate mode of communication for a specific situation and then communicate ideas, concepts, and solutions through effective written and oral communication.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Certificate of Performance:
Desktop Publishing***

This certificate in desktop publishing equips students to create published materials for businesses and public agencies.

Courses:	Units
CBTE 170, Desktop Publishing	2
CBTE 175, Desktop Publishing Essentials	3
CBTE 176, Advanced Desktop Publishing and Typography	3
CBTE 177, Acrobat Portable Document Format File Creation	1
Total Units = 9	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Administrative Assistant

Prepares the student for employment in business or civil service as a general office clerk, clerk-typist, file clerk, receptionist, cashier, word processor, machine transcriptionist, or other positions not requiring stenography.

**Certificate of Performance:
General Office Clerk***

This certificate prepares students for entry-level positions as administrative assistants.

Courses:	Units
CBTE 101, Keyboarding for Computers.....	1
CBTE 120, Beginning Microsoft Word	2
CBTE 164, Introduction to Microsoft Outlook	1

CBTE 180, Microsoft Office	3
CBTE 210, Computers in Business	3

Total Units = 10

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Performance: Keyboarder/Word Processor*

This certificate prepares students for entry-level positions as administrative assistants.

Courses:	Units
CBTE 101, Keyboarding for Computers or	
CBTE 102, Keyboarding	1-2
CBTE 120, Beginning Microsoft Word	2
CBTE 122, Intermediate Microsoft Word	3
CBTE 164, Introduction to Microsoft Outlook.....	1

Total Units = 7-8

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Achievement: Computer Business Technology Administrative Assistant

Courses Required for the Major:	Units
CBTE 101, Keyboarding for Computers or	
CBTE 102, Keyboarding or	
CBTE 103, Beginning Computer Keyboarding	1-3
CBTE 111, Introduction to Windows 95 (Miramar)	1
CBTE 120, Beginning Microsoft Word	2
CBTE 122, Intermediate Microsoft Word	3
CBTE 140A, Introduction to Microsoft Excel.....	1
CBTE 151, Introduction to Microsoft Access.....	1

Total Units = 34.5-36.5	

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Business 150; Computer Business Technology 126, 162, 270; Computer and Information Sciences 150.

Computer and Information Sciences

	Units
Certificate of Performance:	
Computer Programming	15
Microsoft Certified System Engineer	17
Certificate of Achievement:	
Computer and Information Sciences	31
Associate in Science Degree:	
Computer and Information Sciences	31*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Prepares students for employment in the rapidly expanding field of Computer and Information Sciences and offers the skills required to function effectively in various occupations and professions requiring the use of computers. Required courses focus upon the use and functioning of the computer and relate the general study of the computer with studies of specific languages, enabling the student to combine computer hardware and software to process data into information. Upon completion of this curriculum, the student should have the capability to apply computer technology to diverse business and professional environments and be qualified for employment as an entry-level programmer in the computer and information sciences industry or transfer to 4-year institution.

Student Learning Outcomes

Students who complete the Computer and Information Sciences Program will gain facility with:

- **Technological Awareness:** Students will be able to evaluate and apply appropriate technology to support specific business activities and business solutions.
- **Critical Thinking:** Students will be able to analyze specific business or information technology problems or situations and identify possible solutions, including predictive analysis, synthesis of information, resourcefulness, and troubleshooting.

- **Communication:** Students will be able to choose the appropriate mode of communication for a specific situation and then communicate ideas, concepts, and solutions through effective written and oral communication.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Computer Programming*

This certificate of performance in computer programming requires completion of the courses listed below and is meant to prepare students who are planning on preparing for entry-level positions in computer programming and/or information technology. The certificate of performance also offers students the opportunity to learn or enhance computer programming skills.

Courses:	Units
CISC 186, Visual Basic Programming.....	4
CISC 190, Java Programming	4
CISC 192, C/C++ Programming.....	4
CISC 210, System Analysis and Design.....	3
Total Units = 15	

*This is a departmental award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Performance: Microsoft Certified System Engineer*

Upon successful completion of this certificate, students will be prepared to take Microsoft Certification exams and for becoming successful Microsoft Certified System Engineers.

Courses:	Units
MSFT 051, Installing, Configuring, and Administering Windows 2000 Professional.....	2.5
MSFT 052, Installing, Configuring, and Administering Microsoft Windows 2000 Server	2.5
MSFT 053, Implementing and Administering a Microsoft Windows 2000 Network Infrastructure	2.5
MSFT 054, Implementing and Administering a Microsoft Windows 2000 Directory Infrastructure	2.5
MSFT 055, Designing a Microsoft Windows 2000 Directory Services Infrastructure.....	2.5
MSFT 056, Designing a Microsoft Windows 2000 Network Infrastructure.....	2

MSFT 057, Designing Security for a Microsoft Windows 2000 Network..... 2.5

Total Units = 17

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Achievement: Computer and Information Sciences

The certificate of achievement in Computer Information Sciences requires completion of the courses listed below and is meant to prepare students who are planning and preparing for entry-level positions in the Computer Information Sciences Industry.

Courses Required for the Major:	Units
ACCT 116A, Financial Accounting	4
ACCT 116B, Managerial Accounting.....	4
BUSE 119, Business Communications.....	3
BUSE 140, Business Law & the Legal Environment.....	3
CISC 181, Principles of Information Systems.....	4
CISC 186, Visual Basic Programming.....	4
ECON 120, Principles of Macroeconomics.....	3
MATH 119, Elementary Statistics	3
CISC Elective(s)*	3

Total Units = 31

*Choose a minimum of 3 units in CISC. Students should consult with their counselor prior to choosing electives to ensure electives meet program and/or transfer goals.

Note: Only one Computer and Information Sciences (CISC) course from the above list may be used to satisfy SDCCD general education requirements.

Associate in Science Degree: Computer and Information Sciences

The associate degree in Computer Information Sciences requires completion of the courses listed below and is meant to prepare students who are planning on transferring to Information Decision Systems programs at four-year institutions. Additional general education and graduation requirements for the associate degree are listed on 92 of this catalog.

The associate degree requires completion of a minimum of 60 units.

Courses required for the Major	Units
ACCT 116A, Financial Accounting.....	4
ACCT 116B, Managerial Accounting	4
BUSE 119, Business Communications	3
BUSE 140, Business Law & the Legal Environment	3
CISC 181, Principles of Information Systems.....	4
CISC 186, Visual Basic Programming.....	4
ECON 120, Principles of Macroeconomics	3
MATH 119, Elementary Statistics.....	3
CISC Elective(s)*	3

Total Units = 31

*Choose a minimum of 3 units in CISC. Students should consult with their counselor prior to choosing electives to ensure electives meet program and/or transfer goals.

Note: Only one Computer and Information Sciences (CISC) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree on 92.**

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Computer and Information Sciences 130, 132, 133, 150, 151, 270, 290; Economics 120, 121; Marketing 105.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Consumer Studies

	Units
Certificate of Performance:	
Skills for Success	7-9
Certificate of Achievement:	
Consumer Resource Management	22-25
Associate in Science Degree: 60 (total)	
Consumer Resource Management	22-25*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Course work provides the concepts, skills and processes by which decisions about the use of resources are directed toward goal achievement. Financial and life management skills are emphasized.

Student Learning Outcomes

Students who complete the Consumer Studies Program will be able to:

- Analyze their own actions and see the perspective of others in regard to the use of resources.
- Analyze consumer resource challenges, weigh the pros and cons, and develop a course of action by utilizing critical thinking skills.
- Create a one-year financial plan designed to help achieve personal/family financial goals.
- Analyze and articulate personal financial performance by means of a one month variance analysis

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Certificate of Performance:

Culinary Arts/ Culinary Management in Hospitality

	Units
Certificate of Achievement Culinary Arts/Culinary Management in Hospitality	30
Associate in Science Degree Culinary Arts/Culinary Management in Hospitality	48*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Students in Culinary Arts/Culinary Management enjoy a practical hands-on approach to innovative methods and classical techniques, as well as numerous cuisines. A rigorous training program combines both laboratory and general education coursework, in addition to business courses including supervision and cost control. Students are prepared for employment and for transfer to four-year programs.

Program Goals

A core set of culinary courses, keeping the major context, centers on the hospitality industry. Students obtain an integrated and expansive view of all hospitality segments for greater marketability and career opportunities.

Program Emphasis

The world of hospitality is unique because it offers opportunities in a variety of vocations. Employees could manage departments in a hotel, plan new special effects at a theme park, hire and train

employees at a resort, or select and buy china for a posh restaurant. They could forecast profitability of a new convention center, publicize a new attraction at a world-famous zoo, organize on-location catering for film crews, or lead port excursions for cruise passengers. They may also become an entrepreneur and own your own franchise eatery or bed and breakfast establishment. This is one field of study that can open many careers doors. Hospitality is the largest private sector industry worldwide. Significant growth is expected to continue in these areas, and the industry is known to promote from within and move talented employees quickly up the career ladder. Career paths can be found in many professions in the hospitality industry, where the focus is people, service and guest satisfaction.

Career Options

Majoring in Culinary Arts/Culinary Management, will allow graduates to become a culinary specialist with varied career options such as being a caterer, line cook, restaurateur, executive chef, food stylist, pastry chef, kitchen manager, restaurant manager, private chef, entrepreneur, food writer or editor, product research and development specialist, or sous chef, to name a few. Rapid promotional opportunities in this field exist for people with increasing skill sets and enhanced educational backgrounds. Careers in hospitality and tourism extend far beyond individual restaurants, recreation services, food service operations, hotels and lodging facilities, and travel-related businesses. Worldwide experiences abound in resorts, country clubs, catering companies, cruise lines, casinos, convention centers, theme parks, airlines, and more.

Student Learning Outcomes

Students who complete the Culinary Arts/Culinary Management in Hospitality Program will be able to:

- Demonstrate academic and practical knowledge of food flavorings and seasoning of common national and international cuisines.
- Proficiently use all basic culinary equipment including large equipment to hand tools.
- Demonstrate all knowledge necessary to produce food in a safe and sanitary fashion for public consumption.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Culinary Arts/Culinary Management in Hospitality

Dance

Certificate of Performance:	Units
Dance	17

Description

The Mesa College Dance Program offers a comprehensive curriculum designed to provide practical and theoretical training for students interested in a dance career. The core curriculum provides an excellent foundation in dance technique, choreography and performance skills. In addition, this program offers lower division theory courses to prepare the student for transfer to a four-year institution as a dance major. Students planning to transfer to a school of dance should consult with a counselor to select acceptable transfer courses.

The following dance courses meet the Associate Degree physical education graduation requirement:

DANC 110, Ballet
DANC 111, Ethnic Dance
DANC 120, American Street Dance
DANC 130, Dance Repertoire
DANC 135, Jazz
DANC 140, Modern
DANC 177, Improvisation
DANC 178, Advanced Contemporary
DANC 179, Advanced Classical
DANC 261, Dance Performance

Program Emphasis

The program emphasizes the development of dancers versed in a wide variety of movement genres. The core curriculum focuses on ballet, modern, jazz, improvisation, choreography, performance, production, music for dancers and dance history.

Emphasis is placed on the practical application of techniques and theories in concerts and public performances. The program also offers the option to explore tap, hip hop, conditioning, ethnic and social dance forms.

Career Options

The following list is a sample of the many career options open to students with a dance education. The majority of these options require a baccalaureate or graduate level degree.

Professional Dancer, Choreographer, Dance Production Technician, Recreation Leader, Company Director, Movement Notator, Dance Therapist, Dance Teacher, Dance Critic, Fitness Instructor, Dance Promoter.

Student Learning Outcomes

Students who complete the Dance Program will be able to:

- Identify, analyze, assess and perform dance combinations and choreography to reflect specified line, design, technique and vocabulary as well as rhythmic, dynamic and emotional concepts for a wide variety of movement genres.
- Apply aesthetic principles and critical thinking skills in the creation, performance and analysis of choreography.
- Identify, compare, contrast and evaluate theatrical forms of dance in a socio-historical context as an artistic, political or ideological medium of communication.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Certificate of Performance:
Dance***

The Dance Certificate of Performance offers a comprehensive curriculum designed to provide practical and theoretical training for students interested in a dance career. In addition, this program offers lower division theory courses to prepare the student for transfer to a four-year institution as a dance major. Students planning to transfer to a school of dance should consult with dance faculty to select acceptable transfer courses.

Courses:	Units

Dental Assisting (RDA, CDA)

	Units
Certificate of Achievement:	
Dental Assisting (RDA,CDA)	33.5
Associate in Science Degree:	
Dental Assisting (RDA,CDA)	33.5*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

This program has a prerequisite course that is offered during the summer session only. This program is a two-semester certificate program which prepares the student for employment to work as a Dental Assistant (DA) as well as prepares the student for their state and national boards. Training includes four and six-handed dentistry in: basic and advanced chairside dental support procedures; sterilization of instruments and infection control; prepare and manipulate a variety of dental materials; work on the dental patients under the supervision of the dentist; California Dental Practice Act; oral and written communications in the dental setting; operate dental x-ray equipment including exposing, processing, and mounting dental radiographs manually and digitally; coronal polish; dental business administration software and

responsibilities are also taught as well as all dental specialties. Students must complete four units of Directed Clinical Practice. This allows the student to participate in the externship to advance their clinical skills.

The program is accredited by the Dental Board of California and the Commission on Dental Accreditation of the American Dental Association, and is supported by the San Diego County Dental Society and the San Diego County Dental Assistants Society. Upon completion of the program the student is awarded a Certificate of Achievement from the college and will receive a Certificate of Performance to operate dental x-ray equipment in the State of California. Proof of completion in Coronal Polish will be presented to successful students at the completion of the program. The student is eligible to take the California Registered Dental Assistant (RDA) State written and practical boards and the Certified Dental Assistant (CDA) National written examination.

Eligibility for enrollment in this program is determined by a special admission process. Interested students should contact the admissions office at 619-388-2684 or the Program Director at 619-388-2697. Course repetition in this program is not permitted. This program is governed by the Allied Health Department Policies.

Directed Clinical Practice Requirement

Students accepted into this program will be required to successfully complete Directed Clinical Practice/clinically-based courses held in health care facilities. These facilities may require background checks, including fingerprinting, as a condition of placement at the clinic.

Refusal to submit to a background check, or failure to meet clearance criteria established by the health care facility, may prevent placement in the Directed Clinical Practice/clinically-based course and thus, it may not be possible to successfully complete the program.

Health care facilities also require adherence to strict standards of conduct. Facilities may refuse educational access to any person who does not adhere to the facility's standards of safety, health and ethical behavior. This may be cause of removal from the program.

Program Emphasis

The San Diego Mesa Dental Assisting Program requires state-of-the-art dental equipment, hardware, and software to maintain relevance for dental assisting students and to be competitive with the

other dental assisting schools. The dental field is changing rapidly in regards to new technology, equipment and allowable duties. According to the local Dental Society advisory members there is not only a demand for qualified Registered Dental Assistants but also the Dental Business Administrative Assistant.

Career Options

According to the Employment Development Department Labor Market Information Division study of 2002-2012, 840 new positions are projected for San Diego County in the area of dental assisting with an average of 120 a year for the next four years. Labor Market data continues to show a tremendous demand in dental assisting for the next several years.

Student Learning Outcomes

Students who complete the Dental Assisting Program will be able to:

- Perform safe and effective interventions and data collection within the unlicensed Dental Assistant and licensed Registered Dental Assistant's scope of practice.
- Be knowledgeable of the California Dental Practice Act, which are the laws and regulations as they relate to the dental health care professionals
- Communicate effectively, both verbally and in writing, as appropriate for a Dental Assistant.
- Become a chairside Dental Assistant
- Become a chairside Registered Dental Assistant

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Dramatic Arts

Units

Associate in Arts Degree:

Dramatic Arts

34*

* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum

Description

The major in dramatic arts consists of a "core" program, the Mesa College Theatre Company (MCTC), plus three courses designed to complement the student's breadth of knowledge in the dramatic arts. MCTC is designed as a two-year training program encompassing study in the areas of acting, scenery, lighting, costumes, and management. Practical, hands-on production experience combined with more formal instruction provides a comprehensive introduction to the dramatic arts as either a career option or a field of study. Students planning to transfer to four-year schools should consult catalogs for those schools. Some courses listed below as electives may transfer only as electives, rather than as lower division requirements

Statement of Goals

This program is designed to provide a unique "hands-on" approach to the study of the dramatic arts. The core of the program is the Mesa College Theatre Company (MCTC), a two year curriculum which encompasses training in all aspects of the discipline. The program provides a solid foundation for the study of dramatic arts and enables students to obtain an Associate in Arts degree or complete preparation for the major in dramatic arts as necessary for transfer to a four-year school. The program also prepares students to pursue a career in various occupations throughout the entertainment and communication industries.

Program Emphasis

This program emphasizes the study of dramatic arts through participation in all aspects of theatrical production. It is a comprehensive program providing practical and theoretical experiences for the student

interested in the study and creation of the dramatic arts.

Career Options

The study of dramatic arts will prepare students to pursue careers in a variety of areas both within and beyond the entertainment industries. Careers such as actor, director, casting director, stage manager, designers, business manager, special events coordinator, producer, theatre manager, and teacher top the list. More importantly, however, students will gain skill in oral communication, problem solving, self confidence, leadership, adaptability, and flexibility, as well as the ability to work under pressure, meet deadlines, and work cooperatively with others. These are skills that will aid them in whatever career path they choose.

Student Learning Outcomes

Students who complete the Dramatic Arts Program will be able to:

- Expand their knowledge of the world and society and demonstrate it through drama.
- Understand and describe plays and performance in terms of the questions they pose about themselves and their world.
- Evaluate their emotional, behavioral, sensory and cognitive resources as they apply to the conventions of the theater.
- Appreciate the significance of a collaborative environment.
- Incorporate the lessons learned through Dramatic Arts classes into their own lives, in whatever capacity it serves them.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Dramatic Arts

The associate degree in Dramatic Arts certifies that a student has achieved a broad knowledge of the dramatic arts through a variety of specific experiences and, as a result, has produced a range of work signifying a thorough understanding of the discipline. This degree addresses the requirements for transfer to four-year colleges and universities and conservatory programs, and prepares students for entry-level careers in the entertainment industry as well.

The courses required for the major are intended to introduce the student to all aspects of theatre.

Emphasis is placed on production, as participation results in active learning, allowing the student valuable hands-on experience. Through the course of the two year program, students will study acting scenery, costuming, lighting, and audio as well as being introduced to production and state management techniques and responsibilities.

Courses Required for the Major:

	Units
DRAM 105, Introduction to Dramatic Arts	3
DRAM 100A, Fundamentals of Performance and Production I	4
DRAM 100B, Fundamentals of Performance and Production II	4
DRAM 112, Introduction to Script Analysis	3
DRAM 122, Makeup for the Stage	2
DRAM 200A, Fundamentals of Performance and Production III	4
DRAM 200B, Fundamentals of Performance and Production IV	4
DRAM 250, Rehearsal, Production and Performance	4

Choose six units from the following:

DRAM 132, Beginning Acting	3
DRAM 133, Intermediate Acting	3
DRAM 165, Introduction to Stage Movement	3
ENGL 240, Shakespeare	3
SPEE 101, Voice and Articulation	3
ARTF 100, Art Orientation	3
ARTF 151, Three-Dimensional Design	3
ARTF 152, Color Theory	3
ARTF 155A, Freehand Drawing I	3
FASH 120, Fashion History and Trends	3
MUSI 190, The Electronic Music Studio	3
MUSI 201, Recording Arts	3
MUSI 202, Computer Music	3
ACCT 116A, Financial Accounting	4
BUSE 150, Human Relations in Business	3
BUSE 201, Business Organization and Management	3
DRAM 235, Literature to Life-A Scene Study Course	2
DRAM 268, Experimental Theatre	1 - 3
DRAM 290, Independent Study	1 - 3

Total Units = 34

While the required courses for the major in Dramatic Arts are intended to give the student a broad understanding of the various areas of study in the Dramatic Arts, required elective classes give the student the option to pursue one of those areas in more detail. For the student interested in acting, additional acting classes, movement classes or voice classes are recommended. The technician/design

student would pursue classes in art history, fashion history or practical lab courses. The student interested in production management should enroll in accounting and business classes that would further their base of knowledge in that area.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

TRANSFER INFORMATION

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog **TRANSFER INFORMATION** section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Economics

See "Economics" courses on 328.

Education

See "Liberal Studies Elementary Education Preparation" on page 213.

Engineering

	Units
Certificate of Achievement:	
Engineering	35
Associate in Science Degree:	
Engineering	35*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Upon completion of the required pattern of engineering courses and other degree graduation requirements an Associate in Science Degree in Engineering will be granted. A certificate program is also offered in engineering.

Emphasis

The Engineering Program allows the student to fulfill the lower division engineering requirements for transfer programs to four-year institutions as well as acquire the necessary skills for employment in engineering.

Career Options

Most careers in engineering require education beyond the associate degree and some require a graduate degree. Career opportunities include Mechanical Engineering, Civil and Environmental Engineering, Electrical Engineering, Bioengineering, Computer Engineering, Industrial Engineering, Engineering Physics, Chemical Engineering, and Aerospace Engineering.

Student Learning Outcomes

Students who complete the Engineering Program will be able to:

- Apply their knowledge of math, science, and engineering to analyze, conceptualize, identify, formulate, and solve engineering problems.
- Use technological software to design and implement projects in engineering.
- Communicate effectively and perform on multi-disciplinary teams and groups.

- Develop a design given a set of requirements and specifications.
- Demonstrate professional ethical responsibility.
- Increase their global awareness by using techniques, skills, and modern global engineering tools necessary for engineering practice.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Engineering

Courses Required for the Major:	Units
ENGE 151, Engineering Drawing	
ENGE 200, Statics	
ENGE 210, Properties of Materials	
ENGE 250, Dynamics	11

Plus twenty-four units selected from the following:

CHEM 200, General Chemistry I - Lecture.....	3
CHEM 200L, General Chemistry I - Lab	2
CHEM 201, General Chemistry II - Lecture.....	3
CHEM 201L, General Chemistry II - Lab	2
ENGE 240, Digital Systems	3
ENGE 260, Electric Circuits	3
MATH 141, Precalculus	5
MATH 150, Calculus with Analytic Geometry I.....	5
MATH 151, Calculus with Analytic Geometry II	4
MATH 252, Calculus with Analytic Geometry III	4
PHYS 195, Mechanics.....	5
PHYS 196, Electricity & Magnetism.....	5
PHYS 197, Waves, Optics, & Modern Physics	5

Total Units = 35

Associate in Science Degree: Engineering

Courses Required for the Major:	Units
ENGE 151, Engineering Drawing;

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives (Mesa College) as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Astronomy 101, 109, 111, 290; Biology 107; Chemistry 100, 100L, 130, 130L, 152, 152L, 160, 161, 200, 200L, 201, 201L, 231, 231L, 233, 233L, 251, 255, 290, 296; Computer and Information Sciences 150; Economics 120; Engineering 115, 151, 200, 210, 250, 260, 270; Geography 101, 101L, 102, 290, 296; Geology 290, 296; Mathematics 96, 104, 107, 118, 119, 141, 150, 151; Physical Sciences 100, 101, 290, 296; Physics 100, 125, 126, 195, 196, 197, 290; Speech Communications 103.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. **Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

English

	Units
Certificate of Performance:	
Creative Writing	15
Associate in Arts Degree:	
English	18*

* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.

For students seeking a broad appreciation of literature and increased skills in communication. Superior ability to understand and use English is necessary for success in such careers as education, writing, advertising, selling, journalism, law, business and government.

Students planning to transfer to a four-year institution should learn the requirements for English majors at that institution.

Student Learning Outcomes

Students who complete the English Program will gain facility with:

Rhetorical Awareness (as readers and writers)

- Students will be able to write clear, thoughtful prose using appropriate steps of a writing process
- Students will be able to identify arguments as well as patterns and strategies of organization in a variety of texts
- Students will be able to develop visual literacy to identify arguments in advertisements, websites, photographs and other visual media
- Students will be able to select appropriate research strategies
- Students will be able to employ correct citation formats

Critical Thinking

- Students will be able to: analyze and weigh the truth value of conflicting claims

Creative Thinking

- Students will be able to synthesize elements of texts in surprising and unexpected ways

Global Awareness

- Students will be able to describe and explain multiple perspectives
- Students will be able to analyze the effects of different cultural perspectives on classic and contemporary issues

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Creative Writing*

This certificate is designed for students who want to hone their writing skills by participating in creative writing workshops and immersing themselves in

literature and also for students preparing portfolios for 4-year colleges. Only two creative writing classes may be transferred to SDSU for the English major. However, the certificate also includes transfer general education courses, and other creative writing courses may transfer as electives.

Courses:

Select two courses from:

ENGL 249, Introduction to Creative Writing
ENGL 245, Writing Creative Nonfiction
ENGL 247, Writing Seminar-Poetry
ENGL 253, Fundamentals of Fiction Writing
ENGL 254, Intermediate Fiction Writing 6

Select two courses from:

BLAS 155, Afro-American Literature
CHIC 135, Chicano Literature
ENGL 208, Introduction to Literature
ENGL 210, American Literature I
ENGL 211, American Literature II
ENGL 215, English Literature I: 800 - 1799
ENGL 216, English Literature II: 1800 - Present
ENGL 220, Masterpieces of World Literature I:
1500 BCE - 1600 CE
ENGL 221 Masterpieces of World Literature II:
1600 - Present
ENGL 230, Asian American Literature
ENGL 237, Women in Literature (City, Miramar)
ENGL 238, Evaluating Children's Literature
ENGL 240, Shakespeare 6

Select one course from:

ENGL 249, Introduction to Creative Writing
ENGL 245, Writing Creative Nonfiction
ENGL 247, Writing Seminar - Poetry
ENGL 253, Fundamentals of Fiction Writing
ENGL 254, Intermediate Fiction Writing
BLAS 155, Afro-American Literature
CHIC 135, Chicano Literature
ENGL 208, Introduction to Literature
ENGL 210, American Literature I
ENGL 211, American Literature II
ENGL 215, English Literature I: 800 - 1799
ENGL 216, English Literature II: 1800 - Present
ENGL 220, Masterpieces of World Literature I:
1500 BCE - 1600 CE
ENGL 221 Masterpieces of World Literature II:
1600 - Present
ENGL 230, Asian American Literature
ENGL 237, Women in Literature (City, Miramar)
ENGL 238, Evaluating Children's Literature
ENGL 240, Shakespeare 3

Total Units = 15

*This is a departmental award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Associate in Arts Degree: English

Courses Required for the Major:	Units
ENGL 101, Reading and Composition or	
ENGL 105, Composition and Literature.....	3
*ENGL 205, Critical Thinking and Intermediate Composition.....	3
ENGL 215, English Literature I: 800 - 1799.....	3
ENGL 216, English Literature II: 1800 - Present.....	3
**Select three units from:	
ENGL 208, Introduction to Literature	
ENGL 220 Masterpieces of World Literature I: 1500 BCE - 1600 CE	
ENGL 221 Masterpieces of World Literature II: 1600 - Present.....	3
**Select three units from:	
ENGL 210, American Literature I	
ENGL 211, American Literature II	
Engl 230, Asian American Literature	
ENGL 245, Writing Creative Nonfiction	
ENGL 247, Writing Seminar-Poetry	
ENGL 249, Introduction to Creative Writing.....	3
Total Units = 18	

*Meets SDSU/CSU critical thinking requirement.

**Recommended sequence for UC transfer.

Not all courses are offered at each campus.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: English 202, 209, 238, 240, 245, 247, 249, 253, 254; Humanities 101, 102, 201, 202; Journalism 200, 210A/B/C/D.

Courses designed to support this and other majors:

ESOL 19, 20, 21, 22, 30, 31, 32, 40.

Transferable Units as Prep for the Major at SDSU

SDSU will accept a total of 12 units of literature and creative writing as preparation for the English Major. This includes any combination of lower division literature courses and up to six units of creative writing courses.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the

university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Environmental Design Studies

Studies in Environmental Design leading to degrees and/or certificates are found in the following areas:

Architecture
Computer Aided Design/Drafting
Construction Management
Garden Design
Landscape Architecture

Escrow

See "Escrow" courses on 339.

Event Management

	Units
Certificate of Achievement	
Event Management	30
Associate in Science Degree:	
Event Management	37*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

***For Courses, please see "HOSPITALITY (HOSP)" on page 359.**

Description

Students gain solid business knowledge and comprehensive skills designed to help prepare for a career in the destination, event and meeting industries for any of the corporate, association, social, leisure, or hospitality and tourism arenas. Curriculum

exposes students to develop and enhance sales techniques, efficiently and effectively research locations and activities available, and gain business skills necessary for success in providing the highest level of guest service and satisfaction. Extensive techniques are examined for increasing organizational skills and the attention to detail necessary to carry out events of all sizes. Coursework is supplemented by numerous field excursions and networking opportunities within San Diego county-which is one of the most prominent locations for destination and event management in the United States.

Program Goals

A core set of meeting & event management courses, keeping the major in context, centers on the hospitality industry. Students obtain an integrated and expansive view of all hospitality and business segments for greater marketability and career opportunities.

Program Emphasis

The world of hospitality is unique because it offers opportunities in a variety of vocations. Employees could manage departments in a hotel, plan new special effects at a theme park, hire and train employees at a resort, or select and buy china for a post restaurant. They could forecast profitability of a new convention center, publicize a new attraction at a world-famous zoo, organize on-location catering for film crews, or lead port excursions for cruise passengers. They may also become an entrepreneur and own your own franchise eatery or bed and breakfast establishment. This is one field of study than can open many career doors. Hospitality is the largest private sector industry worldwide. Significant growth is expected to continue in these areas, and the industry is known to promote from within and move talented employees quickly up the career ladder. Career paths can be found in many professions in the hospitality industry, where the focus is people, service and guest satisfaction.

Career Options

Meeting planners bring people together for meetings, seminars, conferences, trade shows and expositions. Event planners are actively involved in planning fairs, parties, and other specials events. Certified entertainment managers organize and arrange for artists, music and amusement at meetings and events. Destination specialist are an authority on and know all about a specific city or area. And, incentive travel specialist set up and arrange incentive tours, group tours, and enticement travel and meetings for

exceptional employees. Meeting and event professionals are found in a variety of disciplines ranging from catering, decorators, audio-visual technicians, party and convention coordinators, facilities directors, corporations, hotel sales managers and many more professional disciplines. Focus is on meeting and events the corporate, association, political, government, entertainment, social life-cycle, educational, religious, and community sectors. Students obtain an integrated and expansive view of all hospitality segments for greater marketability and career opportunities.

Student Learning Outcomes

Students who complete the Event and Hotel Management Program will become critical thinkers in an experiential learning environment, who are able to apply business principles and ethical decision making to any aspect of the hospitality and global tourism industry, and cultivate their ability to enhance opportunities for promotion into higher level positions. Students will be able to:

- Assess and apply the concepts of hospitality business management.
- Produce and present effective written and oral communication for the hospitality industry.
- Evaluate ethical leadership and differentiate situations calling for ethical decision making.
- Demonstrate and articulate a global perspective

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Event Management

Fashion

	Units
Certificate of Achievement:	
Fashion Design	32-37
Fashion Merchandising	32-37
Computer Fashion Technology: Design	31
Computer Fashion Technology: Merchandising	30
Associate in Science Degree:	
Fashion Design	47-49*
Fashion Merchandising	38-43*
Computer Fashion Technology: Design	45-46*
Computer Fashion Technology: Merchandising	41-42*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Program Description:

The Fashion program offers a variety of courses that allow students to develop skills to pursue careers in Fashion Design, Fashion Merchandising and related fashion careers. With a high emphasis on technology, both computer and equipment-based, students obtain skills that will help them secure positions and advance in the fashion field. Coursework is supplemented with participation in field excursions, guest lecturers, work experience positions, and opportunities that involve the local fashion community. Much of the emphasis of the program is on active student learning and participation in class and campus activities that involve leadership and planning. A strong advisory board of fashion professionals provides input to the program and supports various activities on and off-campus.

Program Goals:

The goal of the Fashion Program is to provide students with technical and career skills that will allow them to enter the fashion industry with a balance of

knowledge, theory, and practical training. We strive to provide students with quality instruction, utilizing current technology and equipment, and relevant curriculum.

Program Emphasis:

The Fashion Program is designed for students interested in pursuing a fashion related career. Students gain practical, technical and knowledge-based skills in their area of emphasis. In addition they gain an understanding of career opportunities and a working knowledge of the various components of the constantly changing fashion industry.

Students may specialize in one of four areas, including: Fashion Design, Fashion Merchandising, Computer Fashion Technology: Design or Computer Fashion Technology: Merchandising.

Students planning to transfer to a four-year institution should consult the counseling department and a Fashion faculty advisor for assistance in program planning.

Career Options:

Students are prepared for careers in the areas of fashion design, technical design, pattern making, merchandising, retail management, fashion sales, buying, promotion, fashion graphic arts and illustration, visual merchandising, fashion styling, fashion e-commerce, textiles and print design.

Student Learning Outcomes

Students who complete the Fashion Program will gain facility with:

- **Communication:** Students will have the ability to demonstrate effective communication and critical thinking through oral presentations and written work.
- **Technological Awareness:** Students will have the ability to use current technology such as computers, peripherals, and software or sewing equipment pertinent to fashion design or merchandising
- **Global Awareness:** Students will have the ability to compare and contrast how various cultures and countries interrelate in the global fashion community.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Computer Fashion Technology

Design

The Computer Fashion Technology: Design Certificate of Achievement offers students courses that prepare them for work in the Fashion Design field. The emphasis on technological training provides students with a solid background that expands career options to include a growing number of fashion industry positions requiring strong computer and software skills. Students are trained to work with digital fashion design and illustration, computerized patternmaking, technical design, textile and graphic design, and Internet sales and marketing.

Courses Required for the Major: **Units**
The Fashion Program recommends that students take FASH 130, 199A early in their course of study and take FASH 140 prior to taking Fashion 171.

FASH 105, Introduction to Fashion	3
FASH 130, Apparel Construction I	3
FASH 140, Clothing Design and Flat Pattern I	3
FASH 171, Computer Flat Pattern Design	3

Recommended Electives: Fashion 108, Multimedia 101.

Certificate of Achievement: Computer Fashion Technology

Merchandising

Computer Fashion Technology: Merchandising Certificate of Achievement offers students courses that prepare them for work in Fashion Merchandising. The emphasis on software and technology provides students with a sound background that expands career options to include a growing number of fashion merchandising positions requiring strong computer and software skills. Students are trained to work in areas of fashion graphics, buying, marketing

(traditional and Internet), promotion and publishing, business skills and general management for both small and large business operations.

Courses Required for the Major: Units
The Fashion Program suggests students take Fashion 270, Work Experience, near the end of their course of study.

FASH 105, Introduction to Fashion	3
FASH 108, Analysis, Evaluation, and Comparison of Ready-to-Wear Fashion	3
FASH 110, Fashion Buying/Management	3

Total Units = 38-43	

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Accounting 116A; Economics 120; Fashion 120, 130, 173, 175, 176, 290.

Associate in Science Degree: Computer Fashion Technology

Design

The Computer Fashion Technology: Design Associate of Science degree offers students courses that prepare them for work in the Fashion Design field. The emphasis on technological training provides students with a solid background that expands career options to include a growing number of fashion industry positions requiring strong computer and software skills. Students are trained to work with digital fashion design and illustration, computerized patternmaking, technical design, textile and graphic design, and Internet sales and marketing.

Courses Required for the Major: **Units**
The Fashion Program recommends that students take FASH 130, 199A early in their course of study and take FASH 140 prior to taking Fashion 171.

FASH 105, Introduction to Fashion	3
FASH 125, Fashion Selection	3
FASH 130, Apparel Construction I	3
FASH 140, Clothing Design and Flat Pattern I	3

Recommended Electives: Fashion 108, 120.

Associate in Science Degree: Computer Fashion Technology

Merchandising

Computer Fashion Technology: Merchandising Associate of Science degree offers students courses that prepare them for work in Fashion Merchandising. The emphasis on software and technology provides students with a sound background that expands career options to include a growing number of fashion merchandising positions requiring strong computer and software skills. Students are trained to work in areas of fashion graphics, buying, marketing (traditional and Internet), promotion and publishing, business skills and general management for both small and large business operations.

Courses Required for the Major:	Units
FASH 105, Introduction to Fashion	3
FASH 108, Analysis, Evaluation, and Comparison of Ready-to-Wear Fashion	3
FASH 110, Fashion Buying/Management or FASH 190, Fashion Entrepreneurship	3
FASH 125, Fashion Selection	3
FASH 173, Fashion Marketing on the Internet	1
FASH 175, Computer Fashion Design I: Adobe PhotoShop	3
FASH 176, Computer Fashion Design II: Adobe Illustrator	3
FASH 178, Computer Publishing and Portfolio	3
FASH 179, Fashion Photo Styling	3
FASH 270, Work Experience	2
CONF 140, Textiles	3
ARTF 150B, Beginning Graphic Design or MULT 101, Introduction to Multimedia	4
CBTE 140, Microsoft Excel	2
CBTE 173, Introduction to E-Commerce	3
CBTE 180, Microsoft Office	3
..... Total Units = 41-42	

For graduation requirements see **Requirements for the Associate Degree** on 92.

Recommended Electives: Art-Fine Art 150A, Computer Business Technology 162.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university**

catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.

French

Associate in Arts Degree:	Units
French	26*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Program provides training in the fundamental skills of understanding, speaking, reading and writing the language, and increases one's familiarity with the French language. From a vocational standpoint, the curriculum will provide a student with skills useful in translating, interpreting, teaching, linguistic or literary research, music, foreign trade, or missionary work. The major requires 26 units in French, unless the student has completed two years of French in high school (with a "C" average or better). In this case, the department will determine the courses necessary to complete the requirements.

Student Learning Outcomes

Students who complete the French Program will be able to:

- Communicate in a meaningful context in French.
- Analyze the nature of language through comparisons of the French language and their own.
- Demonstrate knowledge of and sensitivity to aspects of behavior, attitudes, and customs of France and other French speaking countries.
- Connect with the global community through study and acquisition of the French language.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: French

Courses Required for the Major:	Units
FREN 101, First Course in French	5
FREN 102, Second Course in French	5
FREN 201, Third Course in French	5
FREN 202, Fourth Course in French	5
FREN 210, The Grammar of Spoken French I	3
FREN 211, The Grammar of Spoken French II	3
Total Units = 26	

Note: Only one French (FREN) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Anthropology 103, 107; Chicano Studies 135, 138; Fine Art 109, 111; English 220, 221; Geography 102, History 115A, 115B, 120; Music 109; Philosophy 106, Vietnamese 201.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Geography

Associate in Arts Degree:	Units
Geography	19-21*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Geography is the study of cultural systems, the natural environment, and human-environment interactions. Geographers examine spatial distributions and patterns in a wide range of topics, such as urban sprawl, global climate change, the spread of religions, the growth of the global economy, migration trends, and the impact of environmental hazards. Depending on the course, geography is considered either a natural science (e.g., physical geography) or a social science (e.g., world regional geography). Regardless of area of emphasis, geographers understand the importance of scale (from local to global) when investigating real-world problems.

Program Goals:

The primary objectives of the Geography program include the following: Fulfillment of general education requirements for the natural sciences and social sciences, completion of the Associate in Arts degree, preparation for transfer to four-year institutions, and completion of general education requirements for students enrolled in four-year institutions.

Career Options:

Most careers in Geography require education beyond the Associate degree and some require a graduate degree. Common career options in Geography include, but are not limited to, the following: Land use planner, demographer, water quality technician, spatial analyst, park biogeographer, and teacher.

Student Learning Outcomes

Students who complete the Geography Program will have the ability to:

- Think critically in reading about topics in geography, thereby identifying problems, theses, arguments, evidence and conclusions;
- Think critically in writing about topics in geography, thereby addressing problems, formulating theses, making arguments, analyzing and weighing evidence, and deriving conclusions; and
- Think critically in speaking about topics in geography, thereby articulating problems, starting theses, posing arguments, explaining evidence, and communicating conclusions.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Geography

Courses Required for the Major:	Units
GEOG 101, Physical Geography	3
GEOG 101L, Physical Geography Laboratory	1
GEOG 102, Cultural Geography	3
GEOG 104, World Regional Geography	3

Select two courses from the following:	Units
GEOG 154, Introduction to Urban Geography	3
GISG 104, Geographic Information Science and Spatial Reasoning	3
MATH 119, Elementary Statistics	3

Select one course from the following:	Units
ANTH 102, Introduction to Physical Anthropology ...	3
ANTH 103, Introduction to Cultural Anthropology ...	3
BIOL 101, Issues in Environmental Biology	4
BIOL 110, Introduction to Oceanography	3
CHEM 200, General Chemistry I - Lecture	3
and	
CHEM 200L, General Chemistry I - Laboratory	2
GEOG 154, Introduction to Urban Geography	3
GEOL 100, General Geology	3
GISG 104, Geographic Information Science and Spatial Reasoning	3
MATH 119, Elementary Statistics	3
MATH 121, Basic Techniques of Applied Calculus I	3
MATH 150, Calculus with Analytic Geometry I	5

Total Units = 19-21

Note: Only one Geography (GEOG) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Geographic Information Systems

	Units
Certificate of Performance: Geographic Information Systems Technician	13-16
Associate in Science Degree: Geographic Information Systems	29-32*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

This is an interdisciplinary program that integrates the mapping sciences, geographic information systems technology, and spatial analysis in a core program related to computer supported data storage, management, and display functions. The program offers students the opportunity to develop the skills and abilities that are required of professionals in geographic information systems and related fields. The program is also relevant for professionals seeking to upgrade their computer mapping and spatial analysis skills.

Program Goals

To prepare students for entry into a range of jobs in GIS-related fields as well as for career advancement.

Program Emphasis

GIS technician training

Career Options

GIS Technician, GIS Analyst, GIS Data Specialist, GIS Specialist, GIS Mapping Technician, Engineering Technician, GIS Mapping Assistant, GIS Application Specialist, Engineering Aide

Student Learning Outcomes

Students who complete the Geographic Information Systems (GIS) Program will gain facility with:

- Technological Awareness: Students will be able to evaluate and apply appropriate geospatial technologies to support specific industry activities and solutions.
- Critical Thinking: Students will be able to analyze specific GIS problems or information needs and identify possible solutions, including determination of analytical approach, synthesis of information, resourcefulness, and troubleshooting.
- Communication: Students will be able to choose the appropriate mode of communication for a specific situation and then communicate ideas, concepts, and solutions through effective written and oral communication.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Certificate of Performance:
Geographic Information Systems
Technician***

Courses:	Units

Total Units = 29-32

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to help meet the minimum of 60 units required for the degree.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Health Education

See "Nutrition" on page 222.

Health Information Technology

	Units
Associate in Science Degree:	
Health Information Technology	48*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

This program prepares professionally trained Health Information Technicians to work in a variety of settings, such as: hospitals, managed care organizations, behavioral health facilities, consulting and law firms, ambulatory care clinics, home care providers, government agencies and insurance companies. Graduates of this two-year program are uniquely qualified to: ensure health information is

complete and available to legitimate users, code and classify data for reimbursement, analyze information necessary for decision support, protect patient privacy and provide information security, enhance the quality and uses of data within healthcare, administer health information computer systems, comply with standards and regulations regarding health information, prepare health data for accreditation surveys, and analyze clinical data for research and public policy.

The program is accredited by the Commission on Accreditation for Health Informatics and Information Management (CAHIIM). Graduates of the program are eligible to write the national accreditation examination of the American Health Information Management Association, and upon passing this exam become designated as an RHIT (Registered Health Information Technician).

A grade of "C" or better must be maintained in all courses to continue in the program. Course repetition in this program is not permitted. This program is governed by the Allied Health Department Policies.

Interested persons should call the Special Programs Admissions Clerk in the Admissions Office 619-388-2684.

Student Learning Outcomes

Students who complete the Health Information Technology Program will be able to:

- Apply all required health care documentation policies and procedures that ensure the highest quality of healthcare delivery.
- Utilize the evolving information technology in the completion of health information management processes.
- Ensure compliance with all payment systems, such as Medicare, Medicaid, managed care, and other sources of reimbursement.
- Produce data required for healthcare quality improvement, utilization management, risk management and other related activities.
- Protect the privacy, confidentiality, and security of health information as well as promote legal and ethical standards of practice for health information professionals.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Directed Clinical Practice Requirement

Students accepted into this program will be required to successfully complete DCP, clinically-based courses held in health care facilities. These facilities may require background checks, including fingerprinting and drug screening, as a condition of placement at the clinic.

Refusal to submit to a background check, or failure to meet clearance criteria established by the health care facility, may prevent placement in DCP courses and thus, it may not be possible to successfully complete the program.

Health care facilities also require adherence to strict standards of conduct. Facilities may refuse educational access to any person who does not adhere to the facility's standards of safety, health and ethical behavior. This may be cause of removal from the program.

Associate in Science Degree: Health Information Technology

Courses Required for the Major:	Units
HEIT 105, Introduction to Health Information	3
HEIT 125, Basic Pharmacology for Allied Health	2
HEIT 155A, ICD-9-CM Coding I	4

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Speech Communications 99, 103, 135.

History

Associate in Arts Degree:

History 18*

* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.

Units

Description

History is the study of human experience from the dawn of time to the present. It examines people, institutions, ideas and events of the past and the present. The primary objectives of the History program are: fulfillment of general education requirements for American Institutions, Humanities and Social Sciences; completion of the Associate in Arts degree; and preparation for transfer to four-year institutions and completion of general education requirements for students enrolled in four-year institutions.

Program Emphasis

The courses in this program emphasize a number of student learning outcomes, primary being the development of critical thinking and communications skills to analyze problems, conceptualize theses, develop arguments, weigh evidence and derive conclusions; development of the ability to articulate the critical thinking outcomes through writing and/or speaking or by other modes of communication; and the development of an awareness of civic responsibilities and a thorough knowledge of global issues.

Career Options

Most careers in History require education beyond the Associate degree and some require a graduate degree. This is not a comprehensive list, but some of the most common career options with History preparation include: archivist, business person, diplomatic corps, historian, journalist, lawyer, librarian, museum curator, park historian, professor, teacher and writer.

Student Learning Outcomes

Students who complete the History Program will be able to:

- Think critically in reading about topics in history, thereby identifying problems, theses, arguments, evidence and conclusions;
- Think critically in writing about topics in history, thereby addressing problems, formulating theses, making arguments, analyzing and weighing evidence, and deriving conclusions; and
- Think critically in speaking about topics in history, thereby articulating problems, starting theses, posing arguments, explaining evidence, and communicating conclusions.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: History

Courses Required for the Major:

HIST 109, History of the United States I3
HIST 110, History of the United States II3

Select one six-unit course sequence from the following:

HIST 100, World History I, **and**
HIST 101, World History II, **or**
HIST 105, Introduction to Western Civilization I, **and**
HIST 106, Introduction to Western Civilization II6

Select additional six units from the following:

HIST 100, World History I
HIST 101, World History II
HIST 105, Introduction to Western Civilization I
HIST 106, Introduction to Western Civilization II
HIST 115A, History of the Americas I
HIST 115B, History of the Americas II

 See "Hotel Management" on page 185.

Hotel Management

	Units
Certificate of Achievement:	
Hotel Management	30
Associate in Science Degree:	
Hotel Management	35*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Hotel management covers a range of topics with a business focus aimed at student success in a variety of segments. Specific emphasis includes business priorities and aspects including, leadership and management specific to the industry, business communications, human resources, legal and

legislative requirements for lodging operators, and sales and marketing as they relate to guest accommodation. This hospitality business focus prepares students for entry-level supervision and oversight in any of the myriad of segments. These segments include but are not limited to accommodation options in: hotels, resorts, timeshare/vacation ownership, condominiums, conference centers, camp and park lodges, bed and breakfast inns, private clubs, cruise lines, and casino hotels. Coursework is supplemented with participation in numerous field excursions and opportunities to hear from industry professionals and experts.

Program Goals

A core set of hotel management courses, centers on the hospitality industry. Students obtain an integrated and expansive view of all hospitality and accommodation segments for greater marketability and career opportunities.

Program Emphasis

The world of hospitality is unique because it offers opportunities in countless vocations. You could manage departments in a hotel, plan new special effects at a theme park, hire and train employees at a resort, or select and buy china for a posh restaurant. You could forecast profitability of a new convention center, publicize a new attraction at a world-famous zoo, organize on-location catering for film crews, or lead port excursions for cruise passengers. And, you could become an entrepreneur and own your own franchise eatery or bed and breakfast establishment. This is one field of study that can open any career door you want. Hospitality is the largest private sector industry! Significant growth is expected to continue in these areas, and the industry is known to promote from within and move talented employees quickly up the career ladder. For most any profession you may have an interest in, a career path can be found in the hospitality industry where the focus is people, service and guest satisfaction.

Career Options

Hotel positions are diverse, wide ranging, and include: guest service, finance, marketing, sales, human resources, customer service, purchasing, information technology, security, maintenance, engineering, accounting, food and beverage, banquets, catering, restaurants, nightclubs, concierge, bell staff, housekeeping, reservations, spas, fitness centers and swimming pool operations, meeting planning, and management opportunities in most every establishment. Two hundred different types of

positions exist in the hotel industry, from entry-level to executive management. Opportunities abound in rooms management; food and beverage offerings in restaurants, coffee shops, catering and banquets; sales and marketing; event, meeting, and wedding planning; human resources, hiring, training, and coaching employees; housekeeping, security, engineering, maintenance; information technology; and accounting and finance. Choose your location for a hotel position, in high-rise city center hotels; beach, ski, or golf resorts; posh boutique hotels; airport properties, casino hotels that are local or from Las Vegas to Monte Carlo; quaint bed and breakfasts; or bustling convention hotels and conference centers. Properties exist with every imaginable amenity in full-service hotels, to extended-stay or all-suite facilities with more space and comfortable work and living environments, to economy lodging in motels. Vacation ownership or timeshare is also a concept that is greatly increasing in number. Opportunities in hospitality and tourism extend far beyond individual restaurants, recreation services, food service operations, hotels and lodging facilities, and travel-related businesses. Worldwide experiences abound in resorts, country clubs, catering companies, cruise lines, casinos, convention centers, theme parks, airlines, and more.

Student Learning Outcomes

Students who complete the Event and Hotel Management Program will become critical thinkers in an experiential learning environment, who are able to apply business principles and ethical decision making to any aspect of the hospitality and global tourism industry, and cultivate their ability to enhance opportunities for promotion into higher level positions. Students will be able to:

- Assess and apply the concepts of hospitality business management.
- Produce and present effective written and oral communication for the hospitality industry.
- Evaluate ethical leadership and differentiate situations calling for ethical decision making.
- Demonstrate and articulate a global perspective

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Hotel Management

¹Students may complete 150 hours of Departmental approved industry practical training in lieu of this credit requirement

Recommended Electives: Business 119, Computer Business Technology 140.

Semester Sequence:

Courses Required for the Major:	Units
First	
HOSP 101, Introduction to Hospitality & Tourism	3
BUSE 119, Business Communications	3
CBTE 140, Microsoft Excel	2
HOSP 110, Lodging Management & Operations	3
HOSP 111, Food and Beverage Management	3
HOSP 115, Strategic Leadership in Hospitality	3
HOSP 120, Event & Hospitality Sales & Marketing ...	3
Second	
HOSP 102, Hospitality Financial Reporting	3
HOSP 130, Event & Hospitality Law	3
HOSP 150, Hospitality Human Resources	3
HOSP 151, Resort Management	2
HOSP 175, Event Convention Service & Catering Management	2
HOSP 270 ¹ Work Experience	2

¹Students may complete 150 hours of Departmental approved industry practical training in lieu of this credit requirement.

Associate in Science Degree: Hotel Management

Courses Required for the Major:	Units
HOSP 101, Introduction to Hospitality & Tourism	3
HOSP 102, Hospitality Financial Reporting	3

HOSP 110, Lodging Management & Operations	3
HOSP 111, Food and Beverage Management	3
HOSP 115, Strategic Leadership in Hospitality	3
HOSP 120, Event & Hospitality Sales & Marketing	3
HOSP 130, Event & Hospitality Law	3
HOSP 150, Hospitality Human Resources	3
HOSP 151, Resort Management	2
HOSP 175, Event Convention Service & Catering Management	2
ACCT 116A, Financial Accounting	4
HOSP 270 ¹ Work Experience 3	
.....	Total Units = 35

¹Students may complete 250 hours of Departmental approved industry practical training in lieu of this credit requirement.

Recommended Electives: Business 119, Computer Business Technology 140.

Semester Sequence:	Units
First	
HOSP 101, Introduction to Hospitality & Tourism	3
HOSP 110, Lodging Management & Operations	3
HOSP 115, Strategic Leadership in Hospitality	3
Second	
HOSP 102, Hospitality Financial Reporting	3
HOSP 130, Event & Hospitality Law	3
HOSP 151, Resort Management.....	2
HOSP 175, Event Convention Service & Catering Management.....	2
Third Semester	
HOSP 111, Food and Beverage Management.....	3
HOSP 120, Event & Hospitality Sales & Marketing	3
ACCT 116A, Financial Accounting	4
HOSP 270 ¹ , Work Experience	3
Fourth Semester	
HOSP 150, Hospitality Human Resources.....	3

¹Students may complete 250 hours of Departmental approved industry practical training in lieu of this credit requirement.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified**

by a counselor or by consulting the current university catalog.

Interior Design

	Units
Certificate of Achievement:	
Interior Design	47-48
Associate in Science Degree:	
Interior Design	60*
* plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

The Interior Design Program offers a comprehensive and professionally relevant curriculum. It includes technical knowledge and skill, creative problem solving, environmental applications, critical thinking and professional practice. The program is Accredited by the National Kitchen and Bath Association (NKBA). The AS degree is recommended for students planning to take the National Council for Interior Design Qualification (NCIDQ) exam or the California Council of Interior Design Certification (CCIDC) IDEX exam. For more information on the program, career applications, and suggested course sequence, visit our website at www.sdmesa.edu/interior-design.

Student Learning Outcomes

Students who complete the Interior Design Program will be able to:

- Formulate preliminary design concepts that are aesthetic, appropriate, functional and in accordance with codes and standards.
- Analyze and select appropriate interior building finishes and materials that address sustainability and green design issues.
- Prepare appropriate interior design construction drawings and specifications for kitchens and baths.
- Identify and apply American with Disabilities Act (ADA) requirements to selected commercial and residential design projects.
- Prepare three dimensional representations of

design solutions using perspective sketches and model making skills.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Interior Design

The Certificate of Achievement prepares students for entry-level positions in the Interior Design industry. This certificate program is a good option for students who have already completed general education requirements either at San Diego Mesa College or another institution.

Courses Required for the Major:	Units
INTE 101, Introduction to Interior Design	3
INTE 115, Elements and Principles of Interior Design 3	
INTE 125, History of Decorative Arts	3
INTE 112A, Drafting for Interiors	3
CONF 140, Textiles	3
ARTF 152, Color Theory	3
INTE 105, Residential Design	3
INTE 112B, Perspective Drawing for Interiors	3
ARCH 105, Introduction to AutoCAD	2
INTE 110, Materials and Resources	3
INTE 145, Contemporary Housing	3
INTE 205, Non-Residential Space Planning	3
INTE 200, Advanced Residential Design: Kitchens and Baths	3
INTE 215, Environmental Lighting Design	3
INTE 130, Interior Design Professional Practice	3

Select one course from:

INTE 270 ¹ , Work Experience or	
ARCH 106, Advanced Computer Aided Drafting I or	
INTE 210, Presentation and Color Rendering or	
BLDC 120, Blueprint Reading or	
BLDC 260, Building Codes and Zoning or	
BUSE 140, Business Law and the Legal Environment or	
BUSE 155, Managing the Small Business or	
SPEE 103, Oral Communication	3-4

¹INTE 270 (Work Experience) is recommended for all students. It is mandatory for students to complete INTE 270 with a qualified kitchen or bath designer to receive National Kitchen and Bath Association (NKBA) recognition.

Total Units = 47-48

Associate in Science Degree: Interior Design

The Associate in Science Degree option provides the student with additional skills and knowledge of core competencies to meet professional standards. Interior

Designers are expected to protect the health, safety and welfare of the public, so additional coursework in business and building codes is important. A well rounded graduate who gains insight through general education curriculum may find employment more readily.

The Interior Design Program recommends the following courses be taken in the given sequence for optimal student success.

Courses Required for the Major:	Units
INTE 101, Introduction to Interior Design	3
INTE 115, Elements and Principles of Interior Design	3
INTE 125, History of Decorative Arts	3
INTE 112A, Drafting for Interiors	3
CONF 140, Textiles	3
ARTF 152, Color Theory	3
INTE 105, Residential Design	3
INTE 112B, Perspective Drawing for Interiors	3
ARCH 105, Introduction to AutoCAD.....	2
INTE 110, Materials and Resources	3
INTE 145, Contemporary Housing	3
INTE 205, Non-Residential Space Planning	3
INTE 200, Advanced Residential Design: Kitchens and Baths	3
INTE 215, Environmental Lighting Design	3
INTE 130, Interior Design Professional Practice	3

Select 16 units from the following:

INTE 270 ¹ , Work Experience or	
ARCH 106, Advanced Computer Aided Drafting I or	
INTE 210, Presentation and Color Rendering or	
BLDC 120, Blueprint Reading or	
BLDC 260, Building Codes and Zoning or	
BUSE 140, Business Law and the Legal Environment or	
BUSE 155, Managing the Small Business or	
SPEE 103, Oral Communication	16

¹INTE 270 (Work Experience) is recommended for all students. It is mandatory for students to complete INTE 270 with a qualified kitchen or bath designer to receive National Kitchen and Bath Association (NKBA) recognition.

Total Units = 60

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Students who have completed the courses required for the major and the required electives, but have not met the 60 unit minimum required for the AS degree, must choose one of the following courses:

Recommended Electives: Architecture 101, 126, 127, 220, 221, 226; Art-Fine Art 107, 109, 110, 111, 150A, 151, 155A, 155B.

Japanese

Associate in Arts Degree:	Units
Japanese	26*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Program provides training in the fundamental skills of understanding, speaking, reading and writing the language, and increases one's familiarity with the Japanese language. From a vocational standpoint, the curriculum will provide a student with skills useful in translating, interpreting, teaching, linguistic or literary research, music, foreign trade, or missionary work. The major requires 26 units in Japanese, unless the student has completed two years of Japanese in high school (with a "C" average or better). In this case, the department will determine the courses necessary to complete the requirements.

Student Learning Outcomes

Students who complete the Japanese Program will be able to:

- Communicate in a meaningful context in Japanese.
- Demonstrate understanding of the nature of language through comparisons of the Japanese language and their own.
- Demonstrate knowledge of and sensitivity to aspects of behavior, attitudes, and customs of Japan and other Asian speaking countries.

- Connect with the global community through study and acquisition of the Japanese language.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Japanese

Courses Required for the Major:	Units
JAPN 101, First Course in Japanese	5
JAPN 102, Second Course in Japanese.....	5
JAPN 201 Third Course in Japanese	5
JAPN 202, Fourth Course in Japanese	5
JAPN 210, Conversation and Composition in Japanese I.....	3
JAPN 211, Conversation and Composition in Japanese II	3
Total Units = 26	

Note: Only one Japanese (JAPN) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Anthropology 103, 107; Chicano Studies 135, 138; Fine Art 109, 111; English 220, 221; Geography 102, History 115A, 115B, 120; Music 109; Philosophy 106, Vietnamese 201.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Landscape Architecture

See "Architecture" on page 135.

Liberal Arts

	Units
Certificate of Performance	
Honors Global Competencies	15-17

Honors Global Competencies Certificate

Description

The Honors Global Competencies Certificate provides an interdisciplinary and systemic approach in order to prepare students for the highly diverse, technologically-rich, and multilingual global society in which we live. The Certificate offers students the opportunity to gain a global perspective through completion of coursework in intercultural competencies, communication skills, technology skills, and coping skills. This certificate helps students to transfer to four-year institutions in concert with the Honors designation. It prepares students for study and work in the world as a whole in professional fields such as international studies, intercultural studies, language studies, international business, international law, political science, comparative literature, environmental studies, history, technology, social sciences, humanities, teaching, and more.

Program Emphasis

The Honors Global Competencies certificate has an international emphasis.

Career Options

The Honors Global Competencies certificate might lead to careers in the following areas: International relations, international business, politics, international law, technology professions, teaching, translating, travel and tourism, and intercultural communications, among others.

Student Learning Outcomes

Students who complete the Honors Global Competencies Certificate Program will be able to:

- Explain the interconnectedness of cultures and nations through time.
- Explore world ecologies and technologies.
- Analyze economic, political, and social systems.
- Study world languages, customs, and religions.
- Recognize, anticipate, and manage change.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Honors Global Competencies Certificate*

The Honors Global Competencies Certificate offers you the opportunity to gain a global perspective through completion of coursework in intercultural competencies, communication skills, technology skills, and coping skills.

Courses Required for the Major	Units
ENGL 205, Critical Thinking and Intermediate Composition	3

Select 3-5 units from the following introductory or higher level foreign languages:

ARAB 101, First Course in Arabic (City).....	5
FREN 101, First Course in French	5
GERM 101, First Course in German	5
ITAL 101, First Course in Italian	5
JAPN 101, First Course in Japanese	5
RUSS 101, First Course in Russian.....	5
SPAN 101, First Course in Spanish.....	5
TAGA 101, First Course in Tagalog	5
VIET 101, First Course in Vietnamese	5

Select 6 units from the following:

ANTH 102, Introduction to Physical Anthropology	3
ANTH 103, Introduction to Cultural Anthropology	3
ARTF 110, Art History: Prehistoric to Gothic	3
ARTF 111, Art History: Renaissance to Modern.....	3
BIOL 101, Issues in Environmental Biology.....	4
ECON 120, Principles of Macroeconomics	3
ENGL 101, Reading and Composition	3
ENGL 105, Composition and Literature	3
ENGL 220, Masterpieces of World Literature I: 1500 BCE - 1600 CE.....	3
ENGL 221, Masterpieces of World Literature II: 1600 - Present	3
HUMA 101, Introduction to the Humanities I.....	3
HUMA 102, Introduction to the Humanities II.....	3

Liberal Arts and Sciences

*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

The Liberal Arts and Sciences Degree is designed to enable students to complete the requirements for an Associate in Arts Degree prior to transfer to the University of California, California State University or an independent/private college or university.

This degree is intended to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this degree should be selected with the assistance of a San Diego

Mesa College counselor. Completion of the Liberal Arts and Sciences degree does not guarantee acceptance into a four year institution nor into a major.

Requirements

To meet the Liberal Arts and Sciences degree requirements, a student must complete:

1. One of the following general education patterns:
 - San Diego Community College District General Education option may be appropriate for students transferring to a private/independent or out of state university or to a high-unit major. Students selecting this option should meet with a counselor to determine the appropriate General Education courses for their individual transfer goals. See San Diego Mesa College catalog 85.
 - CSU General Education - Breadth (CSU GE Pattern). This GE pattern will fulfill all lower-division general education requirements at all CSU campuses. See San Diego Mesa College catalog 112.
 - Intersegmental General Education Transfer Curriculum (IGETC) pattern. This GE pattern will fulfill all lower-division general education requirements at all CSU campuses, most UC campuses/majors and some independent/private colleges and universities. See San Diego Mesa College catalog 103.

It is strongly recommended that students consult with a counselor to determine which General Education option is most appropriate for their individual education goals.

2. A minimum of 18 units in an Area of Emphasis. The Areas of Emphasis include:

- Arts Studies
- Business Studies
- Language Arts and Humanities Studies
- Mathematics and Pre-Engineering Studies
- Science Studies
- Social and Behavioral Science Studies

3. A minimum of 60 transferable units to a California State University, University of California, or a private/independent college or university.

4. San Diego Community College District competencies in reading, written expression and mathematics.

NOTE: There are several transfer majors that require a very high amount of units in preparation for the major. Students preparing for such majors are advised to not

complete a transfer GE pattern. The universities want such students to incorporate GE courses throughout their junior and senior years. Examples of high unit majors are found in Computer Science, Engineering and Mathematics. For example: The Computer Science and Engineering major at UCLA requires a total of 64 units in preparation for the major. Of the 64 units, only 10 units could apply toward a transfer GE pattern. The Mathematics/Applied Science major at UCLA requires a total of 68 units in preparation for the major. Of the 68 units, only 15 units could apply toward a transfer GE pattern. Therefore, the SDCCD pattern would be best for such students to follow in obtaining the AA. In addition, the SDCCD pattern is useful for students who transfer to institutions other than the CSU or UC.

Arts Studies

The Arts Studies emphasis is intended to help students prepare for possible majors within an art-related major. Common university majors in this field include: Applied Design, Art, Art History, Graphic Design, Music, Interior Design, Multimedia, Painting and Printmaking, Sculpture, Studio Arts, Television-Film and New Media Production, Theatre Arts, Theatre Arts and Dance, and Visual and Performing Arts. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Student Learning Outcomes

Students who complete the Liberal Arts and Sciences with an emphasis in Art Studies Program will gain facility with:

- **Critical Thinking:** Students will have the ability to analyze problems, conceptualize theses, develop arguments, weigh evidence, and derive conclusions.
- **Communications Skills:** Students will have the ability to articulate the critical thinking outcomes in writing and/or speaking or by other modes of communication.
- **Self-awareness and Interpersonal Skills:** Students will have the ability to analyze one's own actions, to see the perspectives of other persons, and to work effectively with others in groups.
- **Personal Actions and Civic Responsibility:** Students will have the ability to understand one's role in society, take responsibility for one's own

actions, make ethical decisions in complex situations, and participate actively in a diverse democracy.

- **Global Awareness:** Students will have the ability to articulate similarities and contrasts among cultures, times and environments, describe and explain cultural pluralism and knowledge of global issues.
- **Technological Awareness:** Students will have the ability to understand and explain or analyze the applications of technology and to use technology in ways appropriate to the situation. This outcome includes information competency skills.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Liberal Arts and Sciences with an Emphasis in Arts Studies—Art

The Arts Studies—Art emphasis is intended to help students prepare for possible majors within an art-related major. Common university majors in this field include: Applied Design, Art, Art History, Painting and Printmaking, Sculpture, Studio Arts. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses:	Units
Core courses (9 units)	
ARTF 110, Art History: Prehistoric to Gothic	3
ARTF 111, Art History: Renaissance to Modern.....	3
ARTF 150A, Two-Dimensional Design	3
Select a minimum of 9 units	
ARTF 100, Art Orientation	
ARTF 109, History of Modern Art	
ARTF 113, African, Oceanic, and Native American Art	
ARTF 150B, Beginning Graphic Design	
ARTF 151, Three-Dimensional Design	
ARTF 155A, Freehand Drawing I	
ARTF 155B, Freehand Drawing II	
ARTF 165A, Composition in Painting I	
ARTF 165B, Composition in Painting II	
ARTF 165C, Composition in Painting III	
ARTF 165D, Composition in Painting IV	
ARTF 174A, Book Arts I	
ARTF 175A, Sculpture I	
ARTF 175B, Sculpture II	

ARTF 175C, Sculpture III	
ARTF 190A, Black and White Art Photography	
ARTF 198A, Introduction to Printmaking I	
ARTF 198B, Introduction to Printmaking II	
ARTF 198C, Introduction to Printmaking III	
ARTF 210A, Life Drawing I	
ARTF 210B, Life Drawing II	
ARTF 210C, Life Drawing III	
ARTF 220A, Life Sculpture I	
ARTF 220B, Life Sculpture II	
ARTF 220C, Life Sculpture III	
ARTF 281, Issues in Visual Art (Lab)	9
Total Units = 18	

**Associate in Arts Degree:
Liberal Arts and Sciences with an
Emphasis in Arts Studies—Dance**

The Arts Studies—Dance emphasis is intended to help students prepare for possible majors within a dance related major. Common university majors in this field include: Theatre Arts and Dance, and Visual and Performing Arts. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses:	Units
Core courses (5 units)	
DANC 181, Introduction to Dance.....	3
DANC 253, Choreography	2
Select 5 units of activity courses	
DANC 110, Ballet.....	0.5-1
DANC 120, American Street Dance.....	0.5-1
DANC 135, Jazz Dance	0.5-1
DANC 140, Modern Dance I.....	0.5-1
Select a minimum of 8 units	
DANC 111, Ethnic Dance Forms	
DANC 130, Dance Repertoire	
DANC 177, Dance Improvisation	
DANC 178, Advanced Contemporary Dance	
DANC 179, Advanced Classical Dance	
DANC 261, Dance Performance	
DANC 271, Dance Production.....	8
Total Units = 18	

**Associate in Arts Degree:
Liberal Arts and Sciences with an
Emphasis in Arts Studies—Drama**

The Arts Studies—Drama emphasis is intended to help students prepare for possible majors within performing arts related major. Common university

majors in this field include: Theatre Arts and Visual and Performing Arts. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses:	Units
Core courses (9 units)	
DRAM 105, Introduction to Dramatic Arts.....	3
DRAM 132, Beginning Acting.....	3
DRAM 133, Intermediate Acting.....	3
Select a minimum of 9 units	
DRAM 100A, Fundamentals of Performance and Production I	
DRAM 100B, Fundamentals of Performance and Production II	
DRAM 122, Makeup for the Stage	
DRAM 151, Cinema as Art and Communication II	
DRAM 150, Cinema as Art and Communication I	
DRAM 200A, Fundamentals of Performance and Production III	
DRAM 200B, Fundamentals of Performance and Production IV	
DRAM 250, Rehearsal, Production and Performance	
DRAM 251, Musical Comedy Rehearsal, Production and Performance	
DRAM 267, Experimental Theatre	
SPEE 101, Voice and Articulation.....	9
Total units = 18	

**Associate in Arts Degree:
Liberal Arts and Sciences with an
Emphasis in Arts Studies—Music**

The Arts Studies—Music emphasis is intended to help students prepare for possible majors within music performing arts-related major. Common university majors in this field include: Music Performance and Music Education. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses:	Units
Core courses (8 units)	
MUSI 100, Introduction to Music.....	3
MUSI 115A, Class Piano I	1
MUSI 115B, Class Piano II.....	1
MUSI 150A, Basic Musicianship.....	3

Select a minimum of 10 units

- MUSI 123, Recital Hour
- MUSI 190, The Electronic Music Studio
- MUSI 202, Computer Music
- MUSI 252, Concert Jazz Band
- MUSI 268A, Beginning Ear Training Laboratory I
- MUSI 268B, Beginning Ear Training Laboratory II
- MUSI 296, Individualized Instruction in Music..... 10

Total Units = 18

Business Studies

The Business Studies emphasis is intended to help students prepare for possible majors within a business-related major. Common university majors in this field include: Business Administration, Business Economics, Economics, Economics and International Studies, Economics and Mathematics, Hospitality and Tourism, International Business, International Development Studies, Management Science, Public Administration, and Recreation Administration. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Student Learning Outcomes

Students who complete the Liberal Arts and Sciences with an emphasis in Business Studies Program will gain facility with:

- **Communication:** Students will be able to articulate and explain critical thinking outcomes in writing and speaking, as well as by other contemporary recognized modes of business communication.
- **Self-awareness and Interpersonal Skills:** Students will recognize and respect the business opinions and perspectives of others, and they will be able to work effectively with superiors, peers, and subordinates in organized group settings.
- **Personal Actions and Civic Responsibility:** Students will be able to analyze and accept responsibility for their own actions and make ethical decisions in the business environment.
- **Global Awareness:** Students will be able to identify and describe global business issues.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Associate in Arts Degree:
Liberal Arts and Sciences with an
Emphasis in Business Studies**

The Business Studies—Business emphasis is intended to help students prepare for possible majors within a business-related major. Common university majors in this field include: Business Administration, Business Economics, International Business, International Development Studies, Management Science, Public Administration and Recreation Administration. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses: Units

Core courses (14 Units)

ACCT 116A, Financial Accounting.....	4
ACCT 116B, Managerial Accounting	4
ECON 120, Principles of Macroeconomics	3
ECON 121, Principles of Microeconomics	3

Select a minimum of 4 units

BUSE 100 Introduction to Business

Language Arts and Humanities Studies

The Language Arts and Humanities Studies emphasis is intended to help students prepare for possible majors within a language arts and humanities-related major. Common university majors in this field include: Communication, English, Foreign Language (all), Journalism, Linguistics, Literature, Classics, Humanities, Philosophy, Religious Studies, and Writing. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Student Learning Outcomes

Students who complete the Liberal Arts and Sciences with an emphasis in Language Arts and Humanities Studies Program will gain facility with:

- **Critical Thinking:** Students will have the ability to analyze problems, conceptualize theses, develop arguments, weigh evidence, and derive conclusions.
- **Communications Skills:** Students will have the ability to articulate the critical thinking outcomes in writing and/or speaking or by other modes of communication.
- **Self-awareness and Interpersonal Skills:** Students will have the ability to analyze one's own actions, to see the perspectives of other persons, and to work effectively with others in groups.
- **Personal Actions and Civic Responsibility:** Students will have the ability to understand one's role in society, take responsibility for one's own actions, make ethical decisions in complex situations, and participate actively in a diverse democracy.
- **Global Awareness:** Students will have the ability to articulate similarities and contrasts among cultures, times and environments, describe and explain cultural pluralism and knowledge of global issues.

- **Technological Awareness:** Students will have the ability to explain the applications of technology and to use technology in ways appropriate to the situation. This outcome includes information competency skills.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Liberal Arts and Sciences with an Emphasis in Language Arts and Humanities Studies—Chinese

The Language Arts and Humanities Studies—Chinese emphasis is intended to help students prepare for possible majors within a language arts and Chinese language-related major. Common university majors in this field include: Foreign Language (all) and Chinese language. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Associate in Arts Degree: Liberal Arts and Sciences with an Emphasis in Language Arts and Humanities Studies—Vietnamese

The Language Arts and Humanities Studies—Vietnamese emphasis is intended to help students prepare for possible majors within a language arts and Vietnamese language-related major. Common university majors in this field include: Foreign Language (all) and Vietnamese language. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses: **Units**

Mathematics and Pre-Engineering Studies

The Mathematics and Pre-Engineering Studies emphasis is intended to help students prepare for possible majors within a mathematics or engineering related major. Common university majors in this field include: Applied Mathematics, Computer Engineering, Computer Science, Computer Science with Bioinformatics, Mathematics, Mathematics and Economics, Scientific Computation, and Statistics. Common university engineering majors in this field include: Aerospace Engineering, Bioengineering, Civil Engineering, Computer Engineering, Construction Engineering, Electrical Engineering, Engineering, Engineering Physics, Engineering Technology, Environmental Engineering, Industrial Engineering and Technology, Manufacturing Engineering, Materials Science, Mechanical Engineering, Nuclear Engineering, and Structural Engineering. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Student Learning Outcomes

Students who complete the Liberal Arts and Sciences with an emphasis in Mathematics and Pre-Engineering Studies Program will be able to:

- Apply their knowledge of math and science to analyze, conceptualize, identify, formulate, and solve problems.
- Use technological software to design and implement projects.
- Communicate effectively and perform on multi-disciplinary teams and groups.

- Increase their global awareness by using techniques, skills, and modern global scientific tools

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Liberal Arts and Sciences with an Emphasis in Mathematics and Pre-Engineering Studies— Mathematics

The Mathematics and Pre-Engineering Studies—Mathematics emphasis is intended to help students prepare for possible majors within a mathematics related major. Common university majors in this field include: Applied Mathematics, Mathematics, Mathematics and Economics, Scientific Computation, and Statistics. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses:	Units
Core courses (13 units)	
MATH 150, Calculus with Analytic Geometry I.....	5
MATH 151, Calculus with Analytic Geometry II	4
MATH 252, Calculus with Analytic Geometry III	4
Select a minimum of 5 units	
CISC 190, Java Programming	
CISC 192, C/C++ Programming	
MATH 107, Introduction to Scientific Programming	
MATH 107L, Introduction to Scientific Programming Lab	
MATH 108, Intermediate Scientific Programming	
MATH 108L, Intermediate Scientific Programming Lab	
MATH 119, Elementary Statistics	
MATH 237, Machine and Assembly Language	
MATH 237L, Assembly Language Lab	
MATH 245, Discrete Mathematics	
MATH 254, Introduction to Linear Algebra	
MATH 255, Differential Equations.....	5
Total Units = 18	

Associate in Arts Degree: Liberal Arts and Sciences with an Emphasis in Mathematics and Pre-Engineering Studies—Computer Science

The Mathematics and Pre-Engineering Studies—Computer Science emphasis is intended to help students prepare for possible majors within a computer science related major. Common university majors in this field include: Computer Engineering, Computer Science, and Computer Science with Bioinformatics. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses:	Units
Core courses (13 units)

Total Units = 18	

Science Studies

The Science Studies emphasis is intended to help students prepare for possible majors within a science-related major. Common university majors in this field include: Anthropology, Biochemistry, Bioinformatics, Biological Sciences, Biotechnology, Cell Biology, Chemistry, Cognitive Science, Developmental Biology, Earth Science, Ecology, Environmental Science, Foods and Nutrition, Geography, Geology, Health Science, Kinesiology, Marine Biology, Microbiology, Molecular Biology, Neuroscience, Nursing, Physics, Physiological Science, Psychobiology, and Psychology. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Student Learning Outcomes

Students who complete the Liberal Arts and Sciences with an emphasis in Science Studies Program will be able to:

- Think critically by analyzing problems, weighing evidence, and drawing conclusions. The student will utilize both inductive and deductive reasoning in these efforts.
- Articulate critical thinking outcomes in writing.
- Assess the value of technology in the endeavor to understand the natural world. In laboratory settings, the student will employ technology in the gathering of evidence about the natural world and in the analysis of that evidence.
- Demonstrate understanding of the impact of science on the environment and on society.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Liberal Arts and Sciences with an Emphasis in Science Studies— Biological Sciences

The Science Studies—Biological Science emphasis is intended to help students prepare for possible majors within a biological science-related major. Common university majors in this field include: Biochemistry, Bioinformatics, Biological Sciences, Biotechnology, Cell Biology, Chemistry, Cognitive Science, Developmental Biology, Physics, Physiological

Science, and Psychobiology. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses:	Units
Core courses (8 units)	
BIOL 210A, Introduction to the Biological Sciences I	4
BIOL 210B, Introduction to the Biological Sciences II	4
Select a minimum of 10 units	
BIOL 200, Biological Statistics

* Certain transfer institutions may require behavioral sciences prep for major. See Social and Behavioral Sciences emphasis.

Social and Behavioral Sciences

The Social and Behavioral Science Studies emphasis is intended to help students prepare for possible majors within a social/ behavioral science-related major. Common university majors in this field include: Anthropology, Child Development, Criminal Justice Administration, Gerontology, History, Human Development, Political Science, Psychology, Social Science, Social Work, Sociology, Urban Studies and Planning, and Women's Studies. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Student Learning Outcomes

Students who complete the Liberal Arts and Sciences with an emphasis in Social and Behavioral Sciences Program will be able to:

- Develop critical thinking skills in writing including the ability to frame questions, collect and weigh evidence, develop hypotheses, and derive conclusions.
- Develop critical thinking skills in other modes of communication (spoken and unspoken) including the ability to frame questions, collect and weigh evidence, develop hypotheses and derive conclusions.

- Compare and contrast the different research methods and/or critical assessments methods within the Social and Behavioral Sciences.
- Develop an awareness of civic responsibilities and knowledge of global issues.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Associate in Arts Degree:
Liberal Arts and Sciences with an
Emphasis in Social and Behavioral
Sciences—Anthropology**

The Social and Behavioral Science Studies—Anthropology emphasis is intended to help students prepare for possible majors within a social/ behavioral science anthropology-related major. Common university majors in this field include: Anthropology. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses:	Units
Core courses (6 Units)	
ANTH 102, Introduction to Physical Anthropology	3

**Associate in Arts Degree:
Liberal Arts and Sciences with an
Emphasis in Social and Behavioral
Sciences—Human Development**

The Social and Behavioral Science Studies—Human Development emphasis is intended to help students prepare for possible majors within a human development-related major. Common university majors in this field include: Child Development, Human Development, and Social Science. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses: **Units**
Core courses (14-15 Units)

Select 7-8 units from the following:

BIOL 107, General Biology-Lecture and Laboratory	
BIOL 210A, Introduction to the Biological Sciences I	
BIOL 210B, Introduction to the Biological Sciences II	
PSYC 260, Introduction to Physiological Psychology.....	7-8
CISC 182, Fluency with Information Technology or	
CISC 190, Java Programming or	
CISC 192, C/C++ Programming.....	4
MATH 119, Elementary Statistics or	
PSYC 258, Behavioral Science Statistics.....	3

Select a minimum 3-4 units to complete 18 units from:

ANTH 103, Introduction to Cultural Anthropology	
BLAS 140B, History of the U.S., Black Perspectives	
CHIC 110B, Introduction to Chicano Studies	
CHIC 141B, United States History from a Chicano Perspective	

HIST 123, U.S. History from the Asian Pacific American Perspective	
MATH 121, Basic Techniques of Applied Calculus I	
MATH 122, Basic Techniques of Calculus II	
MATH 150, Calculus with Analytic Geometry I	
MATH 151, Calculus with Analytic Geometry II	
MATH 252, Calculus with Analytic Geometry III	
PHIL 101, Symbolic Logic	
SOCO 101, Principles of Sociology.....	3-4
Total Units = 18	

**Associate in Arts Degree:
Liberal Arts and Sciences with an
Emphasis in Social and Behavioral
Sciences—History**

The Social and Behavioral Science Studies—History emphasis is intended to help students prepare for possible majors within a history-related major. Common university majors in this field include: History, and Social Science. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this major must be selected with the assistance of a San Diego Mesa College counselor.

Required Courses: **Units**
Core courses 6 Units Sequence from

HIST 100 World History I and	
HIST 101 World History II or	
HIST 105 Introduction to Western Civilization I and	
HIST 106 Introduction to Western Civilization II or

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Associate in Arts Degree:	Units
Elementary Education Preparation	40-43*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

The Liberal Studies degree is an interdisciplinary program designed for students interested in a career in elementary education. Required courses in the degree serve to prepare student for transfer to public and private baccalaureate degree-offering colleges

and universities. The curriculum includes courses selected from Language and Rationality, Natural Sciences, Humanities, and Social and Behavioral Sciences.

Program Emphasis

Our mission is to assist San Diego Mesa College students to achieve their fullest potential as students, prepare them to transfer to CSU, UC, or a private college/university of choice, in order to become excellent teachers and leaders in the field of education. The courses in this program emphasize a number of student learning outcomes including critical thinking, communication, civic responsibility, global awareness, self-awareness, and interpersonal skills which form a foundation for effective teaching.

Career Options

Most careers in teaching at the elementary school level require education beyond the associate degree.

Students will need to transfer to a four-year college or university to complete the baccalaureate degree and achieve a teaching credential. This degree program may also prepare students in careers other than elementary education, in that it provides a breadth of knowledge and skills found useful in a variety of career fields.

Student Learning Outcomes

Students who complete the Liberal Studies Program with an emphasis in Elementary Education Preparation will be able to demonstrate:

- Global awareness and cultural sensitivity
- Interpersonal skills in a diverse setting
- Effective communication in teaching and learning environments
- Technological awareness

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Associate in Arts Degree:
Liberal Studies Elementary
Education Preparation**

Courses Required for the Major:	Units
GEOL 104, Earth Science	3
MATH 210B, Concepts of Elem Math 2	3
MATH 212, Childrens Mathematical Thinking	1
MUSI 110, Music for Elem School Teachers	3
HIST 100, World History	3
GEOG 104, World Regional Geography	3

EDUC 200, Teaching as a Profession	2
EDUC 203, Service Learning for Prospective for Teachers	1
PHYE 240, P.E. in Elementary Schools	3

Select one course from the following:

SPEE 103, Oral Communication or BLAS 106, Black Oral Expression and Interpretation ..	3
---	---

Select one course from the following:

ENGL 205, Critical Thinking, or PHIL 100, Logic and Critical Thinking, or PHIL 103, Hist Intro to Philosophy, or PHIL 205, Critical Thinking, or SPEE 160 Argumentation	3
---	---

Select one course from the following:

ENGL 220, Masterpieces of World Lit I or ENGL 221, Masterpieces of World Lit II or ENGL 208, Intro to World Literature	3
--	---

Select one course from the following:

BLAS 140A, History of the U.S., Black Perspective or CHIC 141A, U.S. History, Chicano Perspective or HIST 109, History of the U.S I	3
---	---

Select one course from the following:

BLAS 140B, History of the U.S. Black Perspective or CHIC 141B, U.S. History, Chicano Perspective or HIST 110, History of the U.S. II or POLI 102, American Political System	3
---	---

Select one course from the following:

CHIL 101, Human Growth and Development or PSYC 101, General Psychology and PSYC 230, Psych lifespan Development	3-6
---	-----

Total Units = 40-43

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Strongly Recommended SDCCD GE course selections:

English 101 or 105; Mathematics 210A; Biology 107; Art-Fine Art 100; Geography 104.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language.**

Consult the current catalog of the transfer institution and consult with a counselor.

Marketing

	Units
Certificate of Achievement:	
Marketing	32
Associate in Science Degree:	
Marketing	45*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Designed for the student interested in marketing as a career and tailored to develop competency in merchandising, retailing, and wholesaling, in both large and small businesses. Students are encouraged to work part-time while attending college. The student can obtain credit for working by enrolling in Marketing 270. Successful completion should lead to a full-time position or serve as a foundation for further education. Students planning to transfer to a four-year college or university should select the Business Administration major.

Student Learning Outcomes

Students who complete the Marketing Program will gain facility with:

- **Critical Thinking:** Students will be able to analyze, prepare, and present solutions to business problems, apply business concepts in a decision-making environment, and evaluate and weigh evidence in the course of deriving conclusions concerning alternative courses of action, using inductive and deductive logical reasoning and methodological processes.
- **Communication:** Students will be able to articulate and explain critical thinking outcomes in writing and speaking, as well as by other contemporary recognized modes of business communication.
- **Self-awareness and Interpersonal Skills:** Students will recognize and respect the business opinions and perspectives of others, and they will be able to work effectively with superiors, peer, and subordinates in organized group settings.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Marketing

Courses Required for the Major:	Units
MARK 100, Principles of Marketing	3
MARK 105, Professional Selling.....	3
MARK 110, Principles of Retailing	3
MARK 130, Advertising Principles	3
ACCT 116A, Financial Accounting.....	4
BUSE 100, Introduction to Business (recommended as a first semester course)	3
BUSE 101, Business Mathematics.....	3
BUSE 119, Business Communications	3
BUSE 140, Business Law & the Legal Environment	3
CISC 181, Principles of Information Systems.....	4
Total Units = 32	

Associate in Science Degree: Marketing

Courses Required for the Major:	Units
MARK 100, Principles of Marketing	3
MARK 105, Professional Selling.....	3
MARK 110, Principles of Retailing	3
MARK 130, Advertising Principles	3
ACCT 116A, Financial Accounting.....	4
ACCT 116B, Managerial Accounting	4
BUSE 100, Introduction to Business (recommended as a first semester course)	3
BUSE 101, Business Mathematics.....	3
BUSE 119, Business Communications	3
BUSE 140, Business Law & the Legal Environment	3
BUSE 150, Human Relations in Business.....	3
CISC 181, Principles of Information Systems.....	4
ECON 120, Principles of Macroeconomics	3
SPEE 135, Interpersonal Communication	3
Total Units = 45	

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Accounting 102; Business 201, 290; Fashion 115; Marketing 270; Psychology 101.

Mathematics

	Units
Associate in Arts Degree:	
Applied Mathematics Option	31*
Mathematics	22-23*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Successful completion of this curriculum will develop competence in mathematics through differential and integral calculus, providing an adequate background for employment in many technological and scientific areas as well as providing a firm foundation for students planning advanced study.

Student Learning Outcomes

Students who complete the Mathematics Program will be able to:

- Create a mathematical model for an applied problem
- Use a model to solve an applied problem
- Communicate in words the solution to an applied problem using correct units
- Identify answers that are extraneous or unreasonable within the context of the given problem

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Mathematics

Courses Required for the Major:	Units
MATH 150, Calculus with Analytic Geometry I.....	5
MATH 151, Calculus with Analytic Geometry II	4
MATH 245, Discrete Mathematics.....	3
MATH 252, Calculus with Analytic Geometry III	4
MATH 254, Introduction to Linear Algebra	3

Select three-four units from:

- MATH 107, Introduction to Scientific Programming
and
- MATH 107L, Introduction to Scientific Programming
Lab **or**
- MATH 119, Elementary Statistics **or**
- MATH 255, Differential Equations, **or**
- PHIL 101, Symbolic Logic 3-4

Total Units = 22-23

Note: Only one Mathematics (MATH) course from the above list may be used to satisfy SDCCD general education requirements.

Associate in Arts Degree: Mathematics Applied Mathematics Option

Courses Required for the Major:	Units
--	--------------

Select three-four units from:

- MATH 107, Introduction to Scientific
Programming.....3
- MATH 107L, Introduction to Scientific
Programming Lab 1
- MATH 108, Intermediate Scientific
Programming.....3
- MATH 108L, Intermediate Scientific
Programming Lab 1
- MATH 150, Calculus with Analytic Geometry I5
- MATH 151, Calculus with Analytic Geometry II.....4
- MATH 237, Machine & Assembly Language.....3
- MATH 237L, Assembly Language Lab 1
- MATH 245, Discrete Mathematics3
- MATH 252, Calculus with Analytic Geometry III.....4
- MATH 254, Introduction to Linear Algebra.....3

Total Units = 31

Note: Only one Mathematics (MATH) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Computer and Information Sciences 150; English 101; Life Sciences (one course); Mathematics 46, 96, (courses supporting the major) 104, 108, 108L, 118, 119, 141, 255; Physics 125, 126, 195 or 196; Psychology 101.

Other courses offered in Mathematics to support other majors: Mathematics 34A, 38, 116, 121, 122, 210A, 210B, 290, 296.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Medical Assisting

Certificate of Performance	Units
Phlebotomy	9.5
Certificate of Achievement:	
Medical Assisting	30
Associate in Science Degree:	
Medical Assisting	30*
*plus credits to satisfy District requirements and	

The Medical Assisting program offers a two semester Certificate of Achievement in Medical Assisting. All students completing the Medical Assisting program will be awarded a Certificate of Achievement. Graduates are eligible to take the Registered Medical Assistant (RMA) national certification exam and the California Certified Medical Assistant (CCMA) exam. Students who have been awarded a Certificate of Achievement in Medical Assisting, may continue and complete the additional courses needed for the Associate Degree in Medical Assisting.

A grade of "C" or better must be maintained in all courses to continue in the program. Course repetition in this program is not permitted. The program is governed by the Allied Health Department Policies.

Interested students should contact the Special Admissions clerk at 619-388-2684 or program director at 619-388-2267.

Student Learning Outcomes

Students who complete the Medical Assisting Program will be able to:

- Perform safe and effective technical skills relative to the medical assisting "scope of practice".
- Demonstrate professional behaviors and attributes necessary to be a medical assistant.
- Demonstrate an understanding of ethical behavior relative to the medical assistant code of ethics.
- Communicate effectively, both verbally and in writing as appropriate for an entry level medical assistant.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Directed Clinical Practice Requirement

Students accepted into this program will be required to successfully complete Directed Clinical Practice/ clinically-based courses held in health care facilities. These facilities may require background checks, including fingerprinting, as a condition of placement at the clinic. Refusal to submit to a background check, or failure to meet clearance criteria established by the health care facility, may prevent placement in the Directed Clinical Practice/clinically-based course and thus, it may not be possible to successfully complete the program. Health care facilities also require adherence to strict standards of conduct. Facilities may refuse educational access to any person who does not adhere to the facility's standards of safety, health and ethical behavior. This may be cause for removal from the program.

Certificate of Performance: Phlebotomy*

This program includes basic didactic, advanced didactic and practical phlebotomy training, including a minimum of 50 to 100 patient venipunctures, 25 capillary punctures and two arterial puncture observations.

Courses Required for the Major:	Units
MEDA 80, Basic Phlebotomy	4.5
MEDA 85, Advanced Phlebotomy	4
MEDA 90, Phlebotomy Practicum	1
Total Units = 9.5	

Note: Students completing the Phlebotomy Training Program must complete a minimum of 50 to 100 successful venipunctures, 25 successful capillary punctures and observe 2 arterial punctures in order to

be awarded a Certificate of Performance in Phlebotomy, sit for the American Medical Technologist exam for Registered Phlebotomy Technician (RPT) and to apply for California state licensure as a Certified Phlebotomy Technician 1 (CPT1).

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Achievement: Medical Assisting

Courses Required for the Major:	Units
MEDA 101, Medical Ethics and Legal Issues for the Allied Health Professional	1
MEDA 102, Human Behavior for Allied Health Students	3
MEDA 104, Medical Office Management	3
MEDA 105, Fundamentals Human Anatomy and Physiology	3
MEDA 106, Principles of Infection Control and Sterile Technique	1.5
MEDA 110, Medical Terminology	3
MEDA 112, Principles of Patient Care	2
MEDA 113, Diagnostic Testing	1
MEDA 115, Pathophysiology	3
MEDA 145, Directed Clinical Practice	3
MEDA 150, Phlebotomy	2
MEDA 205, Administrative Medical Assisting II	3
MEDA 220, Electrocardiogram Application	0.5
MEDA 230, Minor Surgery	0.5
MEDA 250, Medication Administration Practicum ..	0.5
Total Units = 30	

Associate in Science Degree: Medical Assisting

Courses Required for the Major:	Units
MEDA 101, Medical Ethics and Legal Issues for the Allied Health Professional	1
MEDA 102, Human Behavior for Allied Health Students	3

MEDA 220, Electrocardiogram Application	0.5
MEDA 230, Minor Surgery	0.5
MEDA 250, Medication Administration Practicum ..	0.5

Total Units = 30

For graduation requirements see **Requirements for the Associate Degree** on 80.

Multimedia

	Units
Certificate of Performance:	
Digital Video	14
Flash	16
Multimedia Survey	17
New Media Publishing	12
Video Game Development	16
Certificate of Achievement:	
3D Animation and Modeling	32
Interactive Media Production	30-31
Associate in Science Degree:	
Multimedia	32-34*

*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.

This program is designed to provide students of multimedia the opportunity to develop necessary foundation skills, master the tools and processes, and undergo industry standards production experiences. The program provides students with a comprehensive approach to the field of multimedia. The program curriculum is structured so as to provide students with a balance between aesthetic and practical design application. Upon completion of this program, students will be qualified for entry-level employment in the multimedia industry.

Student Learning Outcomes

Students who complete the Multimedia Program will gain facility with:

- Technological Awareness: Students will develop interactive websites using Flash software and Dreamweaver software.

- **Critical Thinking:** Students will be able to analyze specific multimedia problems or situations and identify possible solutions, including predictive analysis, synthesis of information, resourcefulness, and troubleshooting.
- **Communication:** Students will be able to choose the appropriate mode of communication for a specific situation and then communicate ideas, concepts, and solutions through effective written and oral communication.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Digital Video*

Successful completion of this program qualifies individuals for entry-level employment as digital video producers in the multimedia industry.

Courses:	Units
MULT 101, Introduction to Multimedia	4
MULT 112, Beginning Flash.....	4
MULT 123, Digital Video	3
MULT 137, Introduction to 3D Animation I	3
Total Units = 14	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Performance: Flash*

Successful completion of this program qualifies individual for entry-level employment as an animator, web site designer and creator of web applications using Flash in the multimedia industry.

Courses:	Units
MULT 101, Introduction to Multimedia	4
MULT 112, Multimedia Authoring	4
MULT 114, Intermediate Flash	4
MULT 116, Flash Game Development	4
Total Units = 16	

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Performance: Multimedia Survey*

Successful completion of this program qualifies individuals for entry-level multimedia positions as authors, product designers, and web page designers.

Courses:	Units
MULT 101, Introduction to Multimedia.....	4
MULT 112, Beginning Flash	4
ARTF 150A, Two-Dimensional Design	3

Select Two Courses From:

MULT 123, Digital Video	3

Select eighteen through twenty units from:

ARTF 150A, Two-Dimensional Design	3
ARTF 151, Three-Dimensional Design	3
ARTF 152, Color Theory	3
ARTF 210A, Life Drawing I	3
MULT 114, Intermediate Flash	4
MULT 116, Flash Game Development	3
MULT 118, Multimedia Production	3
MULT 120, Introduction to Video Game	
Development	3
MULT 122, Vector Image Editing	3
MULT 127, Creating User-Centered Websites	3
MULT 137, Introduction to 3D Animation I	3
MULT 139, 3D Character Animation II	3
MULT 141, 3D Animation: Realism	3
MULT 143, 3D Animation: Production Studio	1
CBTE 161, Learning the Internet	3
CBTE 126, Document Processing	3

Total Units = 32-34

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to help meet minimum of 60 units required for the degree:

Recommend Electives: Art-Fine Art 100, 150A, 210A, Computer and Information Science 190, English 101, Multimedia 114, 118, 127, 137, 139, 141, 143, Computer Business Technology 161, 126, Psychology 101, Speech 135.

Music

	Units
Certificate of Performance:	
Music Composition	17.5
Music Technology	17.5
Music Theory	17.5
Associate in Arts Degree:	
Music, Basic Musicianship	27-30*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

The academic program in Music has been designed to provide students with the basic skills for most musical pursuits, yet to be flexible so that students may determine which music classes would be most suitable to meet their goals and needs. It is recommended that students seek advice from a member of the Music faculty.

Student Learning Outcomes

Students who complete the Music Program will be able to:

- Demonstrate critical thinking through musical performances, reading music notation, using music technology, and communicating musical concepts using correct terminology.
- Demonstrate aural, aesthetic and cultural awareness through the following:
 - Recognizing elements of music which are the product of and response to cultural values, traditions, and norms.
 - Identifying ways in which music is a necessary social outlet.
 - Recognizing, comparing, and discussing distinguishing elements of music.
 - Identifying characteristics of specific music literature.
 - Identifying nonverbal information on music.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Music Composition*

Students may take the following selected courses considered necessary by the Music Department to pursuing music composition as a specialty within the discipline of music.

Courses:	Units
MUSI 123, Recital Hour.....	0.5
MUSI 190, The Electronic Music Studio.....	3
MUSI 202, Computer Music.....	3
MUSI 206A, Projects in Composition	3
MUSI 206B, Projects in Composition.....	3

Select one course from:

MUSI 158A, Music Theory I	
MUSI 158B, Music Theory II	
MUSI 258A, Music Theory III	
MUSI 258B, Music Theory IV.....	4

Select one course from:

MUSI 268A, Beginning Ear Training Laboratory I	
MUSI 268B, Beginning Ear Training Laboratory II	
MUSI 269A, Advanced Ear Training Laboratory III	
MUSI 269B, Advanced Ear Training Laboratory IV.....	1

Total Units = 17.5

Certificate of Performance: Music Technology*

Students may take the following selected courses considered necessary by the Music Department to pursuing careers in the music recording industry or in music production as a specialty within the discipline of music.

Courses:	Units
MUSI 123, Recital Hour.....	0.5
MUSI 150A, Basic Musicianship	3
MUSI 190, The Electronic Music Studio.....	3
MUSI 201, Recording Arts	3
MUSI 202, Computer Music.....	3

Select one course from:

MUSI 205A, Projects in Electronic Music	
MUSI 205B, Projects in Electronic Music	
MUSI 206A, Projects in Composition	
MUSI 206B, Projects in Composition.....	3

Select two course from:

MUSI 115A, Class Piano I	
MUSI 115B, Class Piano II	
MUSI 132A, Classical Guitar I	
MUSI 132B, Classical Guitar II	
MUSI 215A, Class Piano III	

MUSI 215B, Class Piano IV.....	2
Total Units = 17.5	

**Certificate of Performance:
Music Theory***

Students may take the following selected courses considered necessary by the Music Department to pursuing music composition as a specialty within the discipline of music. Satisfactory completion of MUSI 150A or equivalent is required as a prerequisite to enter the sequence of Music Theory courses beginning with MUSI 158A.

Courses:	Units
MUSI 123, Recital Hour.....	0.5

Select three courses in sequence from:

MUSI 158A, Music Theory I	
MUSI 158B, Music Theory II	
MUSI 258A, Music Theory III	
MUSI 258B, Music Theory IV.....	12

Select three courses in sequence from:

MUSI 268A, Beginning Ear Training Laboratory I	
MUSI 268B, Beginning Ear Training Laboratory II	
MUSI 269A, Advanced Ear Training Laboratory III	
MUSI 269B, Advanced Ear Training Laboratory IV.....	3

Select two courses in sequence from:

MUSI 115A, Class Piano I	
MUSI 115B, Class Piano II	
MUSI 215A, Class Piano III	
MUSI 215B, Class Piano IV.....	2

Total Units = 17.5

*These are department awards in recognition of information on the transcript and does not imply that a graduation requirement has been met.

**Associate in Arts Degree:
Music**

Basic Musicianship

Courses Required for the Major:	Units
**MUSI 150A, Basic Musicianship.....	3

****Music Theory - select eight units:**

MUSI 158A, 158B, Music Theory I & II	
MUSI 258A, 258B, Music Theory III & IV.....	8

****Ear Training - select two units:**

MUSI 268A, 268B, Beginning Ear Training Lab I & II	
MUSI 269A, 269B, Advanced Ear Training Lab III & IV 2	

Music History/Literature - select three units:

MUSI 100, Introduction to Music	
MUSI 101, Music History I (Miramar, Mesa)	
MUSI 102, Music History II (Miramar, Mesa)	
MUSI 105, Music of Our Time	

MUSI 109, World Music	
MUSI 110, Music for Elementary School Teachers	
MUSI 111, Jazz-History and Development	
MUSI 125, Music, The Arts, and Humanity	
BLAS 120, Black Music.....	3

Electronic/Computer Music - select three units:

MUSI 190, The Electronic Music Studio	
MUSI 201, Recording Arts	
MUSI 202, Computer Music	
MUSI 205A, 205B, Projects in Electronic Music	
MUSI 206A, 206B, Projects in Composition.....	3

Piano - select two units:

MUSI 115A, 115B, Class Piano I and II	
MUSI 215A, 215B, Class Piano III and IV.....	2

Private Study - select two to four units:

MUSI 275A, 275B, 275C, 275D, Applied Music	
MUSI 276A, 276B, 276C, 276D, Individual Study (2 semesters required).....	2-4

Recital Hour (to be taken twice)

MUSI 123, Recital Hour (each semester).....	0.5
---	-----

Performance Groups - select 3-4 units:

MUSI 212A, 212B, 212C, 212D, Vocal Ensemble	
MUSI 214A, 214B, 214C, 214D, Concert Choir	
MUSI 250A, 250B, 250C, 250D, Concert Band	
MUSI 252, Concert Jazz Band	
MUSI 253A, 253B, 253C, 253D, Ensembles	
MUSI 254, Instrumental Ensemble.....	3-4

Total Units = 27-30

Note: Only one Music (MUSI) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Recommended electives as needed to help meet minimum of 60 units required for the degree: any of the classes listed above as well as Voice classes - Music 120, 121, 240, 241; Classical Guitar - Music 132A, 132B; foreign languages (Italian, German, French, or Spanish; maximum of 10 units).

**Music 150A, Basic Musicianship, is the prerequisite to Music Theory and Ear Training classes. Because the latter are sequential classes and offered only during specific semesters, it is recommended that students take Music 150A during the summer prior to the fall semester in which they will be entering Mesa College. Students also have the option of testing out of Music 150A. Contact the Music Theory instructor to exercise this option 619-388-2809.

Transfer Information

Most four-year schools require that students' first two years of study include 1) music theory, 2) aural skills, 3)

music history, 4) private study of voice or an instrument, 5) participation in a performance group, and 6) piano skills. Placement exams are given by these institutions to determine students' comprehension in these areas. The Music faculty's goal is to prepare students to transfer at the junior level following two years of attendance at Mesa College.

Computer skills have become an integral means by which to learn, teach, and create music. It is therefore strongly suggested that students first speak with a Mesa counselor. The following program of courses is recommended for transfer students. Students are urged, prior to transferring, to contact the school of their choice to verify required course work.

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Nursery and Landscape Technology

Effective the fall of 1996, the Nursery and Landscape Technology certificate and degree programs were deactivated at Mesa College. Students who are in this major are advised to contact the Architecture Department chairperson to explore options for completing the certificate or degree program.

Note: Students interested in learning to design landscapes should see listings under Architecture for a certificate or degree in Landscape Architecture Technology.

Nutrition

	Units
Certificate of Performance:	
Dietetic Service Supervisor	15
Certificate of Achievement:	
Nutrition	24-27
Nutrition and Fitness	17.5-22.5
Associate in Science Degree:	
Nutrition	24-27*
Nutrition and Fitness	17.5-22.5*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

The Nutrition Program provides three excellent academic pathways in the field of dietetics and nutrition.

1. Courses transfer to a four-year institution in preparation to become a Registered Dietitian
2. A Dietetic Service Supervisor Certificate of Achievement
3. An Associate Degree

Students planning to transfer to a four-year institution should consult the Counseling Department and a Nutrition Advisor for assistance in program planning.

Program Emphasis

Course work instructs students in the scientific principles of nutrition as it applies to achieving optimal health, controlling chronic diseases and managing food service.

Career Options

Nutrition courses enable students to seek employment in the field of dietetics and nutrition. Some areas of employment include: healthcare, sports nutrition, education, research, food science and food service.

Student Learning Outcomes

Students who complete the Nutrition Program will gain facility with:

- **Technological Awareness:** Students will be able to utilize current computer software to analyze macro and micro-nutrient contents of dietary intake.
- **Personal Actions:** Students will be able to apply scientific principles of food handling (sanitation and food safety) to food preparation and storage to reduce food-borne illnesses.
- **Critical Thinking:** Students will be able to evaluate student's eating habits based on nutrition knowledge learned in class.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Dietetic Service Supervisor*

This curriculum is approved and certified by the California State Department of Public Health and prepares the student to function as a qualified dietetic service supervisor/manager in health care facilities. A student may not continue in the program with an unsatisfactory grade (D, F).

Dietetic Supervisor Practice Requirement

Students accepted into this program will be required to successfully complete Dietetic Supervisor Practice/food service-based courses held in health care facilities. These facilities may require background checks, including fingerprinting, as a condition of placement at the clinic. Refusal to submit to a background check, or failure to meet clearance criteria established by the health care facility, may prevent placement in the Dietetic Supervisor Practice/food service-based course and thus, it may not be possible to successfully complete the program. Health care facilities also require adherence to strict standards of conduct. Facilities may refuse educational access to any person who does not adhere to the facility's standards of safety, health and ethical behavior. This may be cause for removal from the program.

Courses:	Units
CACM 115, Professional Cooking & Service in Hospitality	1
NUTR 150, Nutrition	3
NUTR 180, Nutrition and Diet Therapy	3
NUTR 091, Dietetic Supervisor Practicum	2
CACM 101, Sanitation, Safety and Equipment	3

HOSP 115, Strategic Leadership in Hospitality 3
Total Units = 15

*This is a department award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Certificate of Achievement: Nutrition

Courses Required for the Major:	Units
NUTR 150, Nutrition	3
NUTR 155, Advanced Nutrition	3
NUTR 160, Foods for a Healthful Lifestyle	3
NUTR 170, Nutrition and Fitness	3
NUTR 180, Nutrition and Diet Therapy.....	3
NUTR 270, Work Experience.....	1-4
BIOL 107, General Biology-Lecture and Lab.....	4
CHEM 100, Fundamentals of Chemistry	3
CHEM 100L, Fundamentals of Chemistry Lab	1
Total Units = 24-27	

Certificate of Achievement: Nutrition and Fitness

Courses Required for the Major:	Units
NUTR 150, Nutrition	3
NUTR 160, Foods for a Healthful Lifestyle	3
NUTR 170, Nutrition and Fitness	3
NUTR 270, Work Experience.....	1-4
BIOL 160, Elements of Human Anatomy and Physiology	4
PHYE 103, Aerobic Dance.....	0.5-1.5
PHYE 123, Fitness Activities.....	0.5-1
PHYE 166, Weight Training	0.5-1
PHYE 242, Care and Prevention of Injuries	2
Total Units = 17.5-22.5	

Associate in Science Degree: Nutrition

Courses Required for the Major:	Units
NUTR 150, Nutrition	3
NUTR 155, Advanced Nutrition	3
NUTR 160, Foods for a Healthful Lifestyle	3
NUTR 170, Nutrition and Fitness	3
NUTR 180, Nutrition and Diet Therapy.....	3
NUTR 270, Work Experience.....	1-4
BIOL 107, General Biology-Lecture and Lab.....	4
CHEM 100, Fundamentals of Chemistry	3
CHEM 100L, Fundamentals of Chemistry Lab	1
Total Units = 24-27	

Associate in Science Degree: Nutrition and Fitness

Courses Required for the Major:	Units
NUTR 150, Nutrition.....	3
NUTR 160, Foods for a Healthful Lifestyle	3
NUTR 170, Nutrition and Fitness	3
NUTR 270, Work Experience	1-4
BIOL 160, Elements of Human Anatomy and Physiology.....	4
PHYE 103, Aerobic Dance.....	0.5-1.5
PHYE 123, Fitness Activities	0.5-1
PHYE 166, Weight Training.....	5-1
PHYE 242, Care and Prevention of Injuries.....	2
Total Units = 17.5-22.5	

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Nutrition and Fitness Option

Recommended Electives: Nutrition 290, 296; Health Education 131; Computer Business Technology 120; Fashion 190.

Nutrition Option

Recommended Electives: Nutrition 290, 296; Child Development 141; Computer Business Technology 120; Psychology 101; Sociology 101; Fashion 190.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Philosophy

Associate in Arts Degree:	Units
Philosophy	21*

*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.

Description

Philosophy is the practice of developing the skills and strategies for answering fundamental questions about human existence. Philosophers analyze the concepts through which we acquire knowledge of reality and in terms of which human actions and practices acquire value and meaning. Students are exposed to both the history of discussions of these topics as well as contemporary treatments in order to foster an understanding of how these discussions are related to contemporary life. Philosophers use reasoned argument to evaluate beliefs, focusing especially on what evidence there is for a belief, whether it fits well with other beliefs or contradicts them, and whether we can prove it or disprove it.

Program Emphasis

The Philosophy curriculum prepares students for transfer to four-year institutions and also meets the general education Humanities area requirement for the associate degree.

Career Options

Most careers in this list require education beyond the associate degree. A sample list of careers in which background knowledge of philosophy is appropriate include: education, human service vocations, law, management, medicine, publishing, scientific research, and theology.

Student Learning Outcomes

Students who complete the Philosophy Program will be able to:

- Think critically in reading about topics in philosophy, thereby identifying problems, theses, arguments, evidence and conclusions;
- Think critically in writing about topics in philosophy, thereby addressing problems, formulating theses, making arguments, analyzing and weighing evidence, and deriving conclusions; and
- Think critically in speaking about topics in philosophy, thereby articulating problems, starting theses, posing arguments, explaining evidence, and communicating conclusions.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Philosophy

Courses Required for the Major:	Units
PHIL 101, Symbolic Logic.....	3
PHIL 102A, Introduction to Philosophy: Reality & Knowledge, and	
PHIL 102B, Introduction to Philosophy: Values, or	
PHIL 104A, History of Western Philosophy and	
PHIL 104B, History of Western Philosophy.....	6
HIST 100 and HIST 101, World History I & II, or	
HIST 105 and HIST 106, Introduction to Western Civilization I & II.....	6
Select six units from the following:	
PHIL 100, Logic and Critical Thinking	
PHIL 103, Historical Introduction to Philosophy	
PHIL 105, Contemporary Philosophy	
PHIL 106, Asian Philosophy	
PHIL 107, Reflections on Human Nature	
PHIL 108, Perspectives on Human Nature and Society	
PHIL 109, Issues in Social Philosophy	
PHIL 110, Philosophy of Religion	
PHIL 111, Philosophy in Literature	
PHIL 112, Philosophy of Science	
PHIL 125, Philosophy of Women	
PHIL 296, Individualized Instruction in Philosophy.....	6
Total Units = 21	

Note: Only one Philosophy (PHIL) course from the above list may be used to satisfy SDCCD general education requirements.

***Some campuses might not offer all courses.**

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Fine Arts 100, 110, 111; Anthropology 103; Black Studies 116, 145A, 145B; Economics 120, 121; English 205 or higher; History 109, 110; Humanities 101, 102; Languages (an 8-unit sequence); Music 100, 105, 125; Political Science 101, 102, 103, 140; Philosophy 105 and above; Psychology 101, 121, 123, 207; Sociology 101, 110.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Physical Education

	Units
Certificate of Achievement:	
Fitness Specialist	18
Associate in Arts Degree:	
Physical Education	21-24*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

The Physical Education Department offers a diverse curriculum which includes lower division theory courses designed for those who want to complete their Associate in Arts degree in Physical Education and transfer to an institution of higher learning.

The Curriculum includes a basic instruction program which provides students a wide variety of movement experiences for the development of physical activity skills, knowledge, and fitness necessary for lifetime wellness; an adapted activities curriculum for students with disabilities; and an intercollegiate athletic program, which offers performance-oriented students opportunities for competition.

Student Learning Outcomes

Students who complete the Physical Education Program will be able to:

- Identify, analyze, assess, value and implement (physical, fitness) activities, wellness strategies and principles in support of a healthy lifestyle.
- Apply critical thinking skills in the quantitative and qualitative analysis of (successful) skill development, proper technique, physiological principles and kinesthetic awareness in activities related to physical education, dance and athletics.
- Utilize current technology to research and compile information in health and wellness, human performance and athletic competition.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Fitness Specialist Certificate Program*

Students in this program will be trained to be group exercise leaders and personal trainers. Students in this program will learn the principles of exercise and physical conditioning, techniques of leading exercise classes, appropriate methods of establishing healthy behavior and the designing of personalized exercise prescriptions. They will be able to develop safe, effective exercise plans for a variety of clients.

The Fitness Specialist certificate program trains students for positions, entry-level or higher, in the growing fitness industry.

Graduates will be qualified to be exercise testing technicians, fitness instructors, strength training instructors, aerobic instructors, and personal fitness trainers.

The fitness industry continued to experience growth and has an ongoing need for trained instructors and trainers in health clubs, fitness centers, and sports medicine clinics.

Please note that students enrolled in an occupational program must earn a grade of "C" or better in courses required for the major.

Certificate of Achievement:

Physical Education

Fitness Specialist

Courses Required for the Major:	Units
PHYE 242, Care & Prevention of Injuries	2
PHYE 280, Applied Exercise Physiology	2
PHYE 281, Applied Kinesiology.....	2
PHYE 282, Techniques of Weight Training	2
PHYE 283, Exercise & Fitness Assessment	2
PHYE 284, Fitness & Sports Nutrition.....	2
PHYE 285, Exercise for Special Populations.....	2
PHYE 286, Techniques of Exercise Leadership.....	2
PHYE 287, Fitness Specialist Internship.....	2
Total Units = 18	

*This program prepares candidates for American College of Sports Medicine (ACSM) or American Council of Exercise (ACE) certification exams.

Associate in Arts Degree:

Physical Education

Courses Required for the Major:	Units
PHYE 240, Physical Education in the Elementary Schools.....	3
PHYE 241, Introduction to Exercise Science/Physical Education	2
PHYE 242, Care & Prevention of Injuries	2
Physical Education Activity:	
Choose a minimum of six (6) different activities from the following:	
Aquatic Activities, Dance Activities, Individual and Dual Activities (one course to be chosen from badminton, racquetball, or tennis), Team Sports . 6-9	
BIOL 230, Human Anatomy	4
BIOL 235, Human Physiology.....	4
Total Units = 21-24	

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: The four-year institution expects the transfer physical education major student to exhibit intermediate skill level in from 10 to 16 physical activities. Therefore, the student should select a variety of activity courses to complete the lower-division requirements. Additional courses may be selected as electives from the following: Health Education 131, 190; Physical Education 103, 106, 108, 111, 112, 115, 119, 120, 123, 125, 126, 132, 135, 139, 140, 141, 142, 149, 151, 154, 155, 159, 160, 161, 163,

164, 166, 171, 172, 181A, 182, 184, 202, 203, 204, 205, 206, 207, 210, 211, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 233, 242, 250A, 250B, 251A, 251B, 252A, 252B, 253A, 253B, 254A, 254B, 255A, 255B, 257A, 257B, 258A, 258B, 280, 281, 282, 283, 284, 285, 286, 287, 290; Psychology 101, 258.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Physical Sciences

	Units
Certificate of Achievement: Physical Sciences (General)	35
Associate in Science Degree: Physical Sciences (General)	35*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Physical Sciences is a multidisciplinary program promoting an appreciation for various disciplines such as physics, chemistry, astronomy and earth sciences by exposing students to various methodologies.

Emphasis

The Physical Sciences Program prepares students for transfer to four-year institutions. Students may acquire skills for employment in science education and science journalism.

Career Options

Most careers in physical sciences require education beyond the associate degree and some require a graduate degree. Careers utilizing physical sciences are lab technician, teacher at elementary or secondary level and science journalist.

Student Learning Outcomes

Students who complete the Physical Sciences Program will be able to:

- Think critically by analyzing problems, weighing evidence, and drawing conclusions. The student will utilize both inductive and deductive reasoning in these efforts.
- Articulate critical thinking outcomes in writing.
- Assess the value of technology in the endeavor to understand the natural world. In laboratory settings, the student will employ technology in the gathering of evidence about the natural world and in the analysis of that evidence.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Physical Sciences (General)

Courses Required for the Major:	Units
GEOL 100, General Geology.....	3
GEOL 101, General Geology Lab	1

At least 4 units from the following:

ASTR 101, Descriptive Astronomy	
ASTR 109, Practice in Observing	
ASTR 111, Astronomy Laboratory	4

At least 8 units from the following:

CHEM 100, 100L, Fundamentals of Chemistry and Lab	
CHEM 130, 130L, Introduction to Organic & Biological Chemistry and Lab	
CHEM 152, 152L, Introduction to General Chemistry and Lab	
CHEM 200/200L, General Chemistry I Lecture/Lab	
CHEM 201/201L, General Chemistry II Lecture/Lab ...	8

At least 3 units from the following:

GEOG 101, Physical Geography	3
GEOG 101L, Physical Geography Lab	1

At least 8 units from the following:

PHYS 100, Introductory Physics	
PHYS 180A/121A General Physics I and Lab (City)	
PHYS 180B/121B, General Physics II and Labs (City)	
PHYS 125/126, General Physics	
PHYS 195, Mechanics	

PHYS 196, Electricity & Magnetism
 PHYS 197, Waves, Optics, & Modern Physics8

At least 8 units from the following:

MATH 96, Intermediate Algebra with Geometry
 MATH104, Trigonometry
 MATH 107, Introduction to Scientific Programming
 MATH 118, A Survey of Modern Mathematics
 MATH 119, Elementary Statistics
 MATH 141, Precalculus
 MATH 150/151/252, Calculus with Analytic
 Geometry I/II/III8

Total Units = 35

**Associate in Science Degree:
 Physical Sciences (General)**

Courses Required for the Major:	Units
GEOL 100, General Geology	3
GEOL 101, General Geology Lab.....	1

At least 4 units from the following:

ASTR 101, Descriptive Astronomy
 ASTR 109, Practice in Observing
 ASTR 111, Astronomy Laboratory

At least 8 units from the following:

CHEM 100, 100L, Fundamentals of Chemistry and Lab
 CHEM 130, 130L, Introduction to Organic & Biological
 Chemistry and Lab
 CHEM 152\152L, Introduction to General Chemistry
 and Lab
 CHEM 200/200L, General Chemistry I Lecture/Lab
 CHEM 201/201L, General Chemistry II Lecture/Lab....8

At least 3 units from the following:

GEOG 101, Physical Geography.....3
 GEOG 101L, Physical Geography Lab.....1

At least 8 units from the following:

PHYS 100, Introductory Physics
 PHYS 180A/121A General Physics I and Lab (City)
 PHYS 180B/121B, General Physics II and Labs (City)
 PHYS 125/126, General Physics
 PHYS 195, Mechanics
 PHYS 196, Electricity & Magnetism
 PHYS 197, Waves, Optics, & Modern Physics8

At least 8 units from the following:

MATH 96, Intermediate Algebra with Geometry
 MATH 104, Trigonometry
 MATH 107, Introduction to Scientific Programming
 MATH 118, A Survey of Modern Mathematics
 MATH 119, Elementary Statistics
 MATH 141, Precalculus
 MATH 150/151/252, Calculus with Analytic
 Geometry I/II/III8

Total Units = 35

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives (Mesa College) as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Astronomy 101, 109, 111, 290; Biology 107; Chemistry 100, 100L, 130, 130L, 152, 152L, 160, 161, 200, 200L, 201, 201L, 231, 231L, 233, 233L, 251, 255, 290, 296; Computer and Information Sciences 150; Economics 120; Engineering 115, 151, 200, 210, 250, 260, 270; Geography 101, 101L, 102, 290, 296; Geology 290, 296; Mathematics 96, 104, 107, 118, 119, 141, 150, 151; Physical Sciences 100, 101, 290, 296; Physics 100, 125, 126, 195, 196, 197, 290; Speech Communications 103.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. **Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Physical Therapist Assistant

	Units
Associate in Science Degree:	
Physical Therapist Assistant	32.5*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

The Physical Therapist Assistant Program prepares the student for employment as a physical therapist assistant. The physical therapist assistant, working under the supervision of a registered physical therapist, assists in the provision of physical therapy

services, such as electrotherapy, hydrotherapy, thermotherapy, massage, therapeutic exercise and rehabilitation activities.

The program is accredited by the Commission on Accreditation in Physical Therapy Education of the American Physical Therapy Association (1111 North Fairfax, Alexandria, VA., 1-800-999-APTA) and approved by the Physical Therapy Board of California. Graduates are eligible to take the examination for licensure as a physical therapist assistant.

A grade of "C" or better must be maintained in all courses to continue in the program. Course repetition in this program is not permitted. The program is governed by the Allied Health Department Policies.

Eligibility for enrollment in this program is determined by a special admission procedure. Interested persons should call the Special Programs Admissions Clerk in the Admissions Office, 619-388-2684.

Statement of Goals

At the completion of the program's curriculum, the job-ready graduate will be able to work safely and effectively under the supervision of a physical therapist.

Career Options

Employment as physical therapist assistant after passing state-administered national examination.

Student Learning Outcomes

Students who complete the Physical Therapist Assistant Program will be able to:

- Perform safe and effective interventions and data collection within the Physical Therapist Assistant (PTA) scope of practice.
- Select appropriate interventions within the physical therapist's plan of care.
- Be knowledgeable of the California physical therapy laws and regulations as they relate to the PTA.
- Demonstrate ethical and professional behaviors consistent with professional standards and practice.
- Communicate effectively, both verbally and in writing as appropriate for a PTA.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Directed Clinical Practice Requirement

Students accepted into this program will be required to successfully complete DCP, clinically-based courses held in health care facilities. These facilities may require background checks, including fingerprinting and drug screening, as a condition of placement at the clinic.

Refusal to submit to a background check, or failure to meet clearance criteria established by the health care facility, may prevent placement in DCP courses and thus, it may not be possible to successfully complete the program.

Health care facilities also require adherence to strict standards of conduct. Facilities may refuse educational access to any person who does not adhere to the facility's standards of safety, health and ethical behavior. This may be cause of removal from the program.

Associate in Science Degree: Physical Therapist Assistant

Completion of BIOL 160 (or BIOL 230 & 235) is required prior to application.

Courses Required for the Major:	Units
PHYR 110, Physical Therapy Introduction	2
PHYR 114, Introduction To Human Movement	3
PHYR 116, Physical Therapy Techniques I	2
PHYR 116L, Physical Therapy Techniques I	2
PHYR 122, Introduction to Pathology	3
PHYR 123, Introduction to Therapeutic Exercise	2
PHYR 126, Physical Therapy Techniques II	2
PHYR 126L, Physical Therapy Techniques II	2
PHYR 137, Orthopedic Exercise and Rehabilitation	2
PHYR 137L, Orthopedic Rehabilitation and Exercise	2
PHYR 138, Topics in Neurology and Rehabilitation	1.5
PHYR 138L, Topics in Neurology and Rehabilitation	1
PHYR 141, Organization of Physical Therapy	2
PHYR 142A, Directed Clinical Practice	2
PHYR 142B, Directed Clinical Practice	4

Total Units = 32.5

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree.

Physics

	Units
Certificate of Achievement:	
Physics	35
Associate in Science Degree:	
Physics	35*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Upon completion of the required pattern of physics courses and other degree graduation requirements an Associate in Science Degree in Physics will be granted. A certificate program is also offered in physics.

Emphasis

The Physics Program permits the student to fulfill the lower division physics requirements for transfer programs to four-year institutions as well as providing a fundamental basis in education necessary for scientists and engineers.

Career Options

Most careers in physics require education beyond the associate degree and some require a graduate degree. Career options utilizing physics include research, academia, optical and laser physics, and medical physics, as well as industrial and environmental applications.

Student Learning Outcomes

Students who complete the Physics Program will be able to:

- Utilize proper physics concepts and the relations among them to analyze problems qualitatively and quantitatively.
- Critically apply the principle of conservation of energy in the study of motions.
- Compose laboratory reports that describe the theory and experimental procedures, record and analyze data, and present conclusions and discussions.

- Write solutions to physics problems that identify the assumptions and input, define symbols in equations, and detail the procedure of solving the equations.
- Describe and explain the principles of operation of selected physical devices.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Achievement: Physics

Courses Required for the Major:	Units
PHYS 195, Mechanics.....	5
PHYS 196, Electricity & Magnetism.....	5
PHYS 197, Waves, Optics, & Modern Physics.....	5

Plus 20 units selected from the following:

CHEM 200, General Chemistry I - Lecture	3
CHEM 200L, General Chemistry I - Lab.....	2
CHEM 201, General Chemistry II - Lecture	3
CHEM 201L, General Chemistry II - Lab.....	2
MATH 141, Precalculus	5
MATH 150, Calculus with Analytic Geometry I	5
MATH 151, Calculus with Analytic Geometry II	4
MATH 252, Calculus with Analytic Geometry III.....	4

Total Units = 35

Associate in Science Degree: Physics

Courses Required for the Major:	Units
PHYS 195, Mechanics.....	5
PHYS 196, Electricity & Magnetism.....	5
PHYS 197, Waves, Optics, & Modern Physics.....	5

Plus 20 units selected from the following:

CHEM 200, General Chemistry I - Lecture	3
CHEM 200L, General Chemistry I - Lab.....	2
CHEM 201, General Chemistry II - Lecture	3
CHEM 201L, General Chemistry II - Lab.....	2
MATH 141, Precalculus	5
MATH 150, Calculus with Analytic Geometry I	5
MATH 151, Calculus with Analytic Geometry II	4
MATH 252, Calculus with Analytic Geometry III.....	4

Total Units = 35

Note: Only one Physics (PHYS) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives (Mesa College) as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Astronomy 101, 109, 111, 290; Biology 107; Chemistry 100, 100L, 130, 130L, 152, 152L, 160, 161, 200, 200L, 201, 201L, 231, 231L, 233, 233L, 251, 255, 290, 296; Computer and Information Sciences 150; Economics 120; Engineering 115, 151, 200, 210, 250, 260, 270; Geography 101, 101L, 102, 290, 296; Geology 290, 296; Mathematics 96, 104, 107, 118, 119, 141, 150, 151; Physical Sciences 100, 101, 290, 296; Physics 100, 125, 126, 195, 196, 197, 290; Speech Communications 103.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. **Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Political Science

	Units
Associate in Arts Degree:	
Political Science	18*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Political science is the study of human behavior as it relates to political situations. It involves the examination of institutions, processes, people, ideas and policies. The study of political science develops critical thinking, cultural literacy, and other skills important for an active and informed citizenry.

The primary objectives of the Political Science program are to meet the American Institutions and

general education requirements for associate and baccalaureate degrees.

Program Emphasis

The primary focus is on offering relevant courses that lead to well-developed critical thinking skills, contribute to the development of active, informed citizenry, and that fulfill General Education requirements (AA and transfer level), or lower division preparation for Political Science major requirements at four year institutions.

Career Options

Most careers in political science require education beyond the associate degree and some require a graduate degree. This is not a comprehensive list but some of the most common career options with political science preparation include: public administrator, budget analyst, city planner, diplomatic corps member, elected official, legislative aide, journalist, lawyer, lobbyist, political scientist, public opinion surveyor, teacher and writer.

Student Learning Outcomes

Students who complete the Political Science Program will be able to:

- Think critically in reading about topics in politics, thereby identifying problems, theses, arguments, evidence and conclusions;
- Think critically in writing about topics in politics, thereby addressing problems, formulating theses, making arguments, analyzing and weighing evidence, and deriving conclusions; and
- Think critically in speaking about topics in politics, thereby articulating problems, starting theses, posing arguments, explaining evidence, and communicating conclusions.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Political Science

Courses Required for the Major:	Units
POLI 101, Introduction to Political Science.....	3
POLI 102, The American Political System	3
POLI 103, Comparative Politics	3
HIST 100 and HIST 101, World History I & II, or	
HIST 105 and HIST 106, Introduction to Western	
Civilization I & II.....	6
MATH 119, Elementary Statistics.....	3
Total Units = 18	

Note: Only one Political Science (POLI) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree: Recommended Electives: Anthropology 102, 103; Economics 120, 121; Geography 102, 104, 154; Philosophy 103, or 104A and 104B; Political Science 140, 290, 296; Psychology 155; Sociology 101, 110.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Psychology

	Units
Associate in Arts Degree:	
Psychology	18*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

The Psychology program is suited to the needs of both the two year student and the transfer student who plan to major or minor in Psychology or related fields. It will provide the student with a greater understanding of behavior. Upper division and graduate studies can lead to vocations in teaching, research, counseling, and other areas. An upper division minor in Psychology may be an important asset to majors in other fields.

Student Learning Outcomes

Students who complete the Psychology Program will be able to:

- Analyze problems and information related to human behavior and mental processes using the scientific approach, and apply psychological concepts and theories to the understanding of diverse personal and social issues.
- Be familiar with the sub-fields of psychology and articulate similarities and differences among people as they relate to the nature of the discipline.
- Compare and contrast the different research methods used by psychologists as a scientific discipline.
- Articulate/demonstrate ideas related to human behavior and mental processes in writing and/or speaking or by other modes of communication.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

**Associate in Arts Degree:
Psychology**

Courses Required for the Major: **Units**
 PSYC 101, General Psychology3

Psychology Electives (as selected from the transferable Psychology electives offered within the district as listed below):

PSYC 111, Psychological/Social Aspects of Aging, Death and Dying	3
PSYC 112, Interpersonal Relations	3
PSYC 121, Introduction to Child Psychology	3
PSYC 123, Adolescent Psychology	3
PSYC 125, Introduction to Behavior Modification ..	3
PSYC 128, Biofeedback and Stress Management	3
PSYC 135, Marriage and Family Relations	3
PSYC 137, Human Sexual Behavior	3
PSYC 155 Introduction to Personality	3
PSYC 161 Introduction to Counseling	3
PSYC 165 Theories of Consciousness	3
PSYC 207 Psychology of Religion	3
PSYC 211 Learning	3
PSYC 230 Psychology of Lifespan Development	3
PSYC 245 Abnormal Psychology	3
PSYC 255 Introduction to Psychological Research .	3
PSYC 258 Behavioral Science Statistics or	
MATH 119 Elementary Statistics	3
PSYC 260 Introduction to Physiological Psychology	3

PSYC 262 Health Psychology	3
PSYC 270 Work Experience	1-4
PSYC 276 Field Work in Psychological Services	3
PSYC 290 Independent Study	1-3
PSYC 296 Individualized Instruction in Psychology5-2

Total Units = 18

Note: Only one Psychology (PSYC) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Psychology Electives: English 101, 105, Speech 103 or 135, Philosophy 100, 102A, 102B, Computer and Information Science 150.

Other Recommended Electives: Mathematics courses numbered 104 through 252; Natural Sciences (Life Sciences: Biology; Physical Sciences) - Laboratory courses from either of the above; and Foreign Language (although no courses in a foreign language are specified in the above course sequence, a minimal familiarity with one foreign language is desirable. The particular language should be selected in consultation with the Behavioral Sciences Department).

Transfer students planning to major or minor in Psychology should select: Psychology 211, 258 (or Mathematics 119), and Psychology 260.

*Although no courses in a foreign language are specified in the above course sequence, a minimal familiarity with one foreign language is desirable. The particular language should be selected in consultation with the Behavioral Sciences Department.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Radiologic Technology

	Units
Certificate of Achievement:	
Radiologic Technology	53
Associate in Science Degree:	
Radiologic Technology	53*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

The program prepares the student for certification as a full diagnostic radiographer. Training includes operation of X-ray equipment, exposing and processing films, applying protective shields, positioning patients, ethics, patient care with the radiology department and optional exposure to either nuclear medicine or radiation therapy and ultrasound. The program will also include 23 units of directed clinical practice which satisfies the required hours of clinical practice. The program is 24 months in length, including two summer sessions. Upon completion of the program the student will be given a certificate of achievement (AS degree optional) and may apply for registration by the American Registry of Radiologic Technologists and for certification by the State of California. The program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT).

A grade of "C" or better must be maintained in all courses to continue in the program. Course repetition in this program is not permitted. The program is governed by the Allied Health Department Policies.

Eligibility for enrollment in this program is determined by a special admission procedure. Interested persons should call the Special Programs Admissions Clerk in the Admissions Office 619-388-2684.

Satisfactory completion of Biology 160, English 101, Computer and Information Sciences 150 or 181, Math 46, and Psychology 111 or 101 or MEDA 102, or their equivalents and fulfillment of the special admissions procedure will be required before admission to the program.

Student Learning Outcomes

Students who complete the Radiologic Technology Program will be able to:

- Communicate effectively with patients and other healthcare professionals.
- Demonstrate independent critical thinking and problem solving skills.
- Apply the knowledge and skills to be clinically competent.
- Exhibit or demonstrate the skills of ethical and professional radiologic technologists.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Directed Clinical Practice Requirement

Students accepted into this program will be required to successfully complete DCP, clinically-based courses held in health care facilities. These facilities may require background checks, including fingerprinting and drug screening, as a condition of placement at the clinic.

Refusal to submit to a background check, or failure to meet clearance criteria established by the health care facility, may prevent placement in DCP and thus, it may not be possible to successfully complete the program.

Health care facilities also require adherence to strict standards of conduct. Facilities may refuse educational access to any person who does not adhere to the facility's standards of safety, health and ethical behavior. This may be cause of removal from the program.

Program Goals

At the completion of the program's curriculum, the job-ready graduate will be able to work safely and effectively in a radiology department.

Program Emphasis

Exposes students to all aspects of the radiology profession. Students must show safe, competent administration of radiology services.

Certificate of Achievement: Radiologic Technology

Completion of BIOL 160, ENGL 101, MATH 46, CISC 150 or CISC 181, and PSYC 111 or PSYC 101 OR MEDA 102 are required prior to application.

Courses Required for the Major:	Units
RADT 105, Basic Radiologic Technology	3

RADT 110, Recording Media and Processing	2
RADT 120A, Radiographic Exposure	2
RADT 120B, Radiographic Exposure Laboratory	1
RADT 130, Patient Care	2
RADT 199, Radiographic Positioning I	2
RADT 200, Radiographic Positioning II	2
RADT 211, Radiographic Positioning III	2
RADT 220, Radiographic Technique	3
RADT 230, Radiologic Science	2
RADT 240, Radiation Biology	1
RADT 241, Sectional Anatomy	1
RADT 242, Organization of Radiology	1
RADT 244, CT and MRI Imaging	3
RADT 251A, Directed Clinical Practice	3
RADT 251C, Directed Clinical Practice	3
RADT 252A, Directed Clinical Practice	5
RADT 252B, Directed Clinical Practice	5
RADT 253A, Directed Clinical Practice	5
RADT 253B, Directed Clinical Practice	5

Total Units = 53

Recommended Electives: Radiologic Technology 248.

Associate in Science Degree: Radiologic Technology

Completion of BIOL 160, ENGL 101, MATH 46, CISC 150 or CISC 181, and PSYC 111 or PSYC 101 OR MEDA 102 are required prior to application.

Courses Required for the Major:	Units
RADT 105, Basic Radiologic Technology	3
RADT 110, Recording Media and Processing	2
RADT 120A, Radiographic Exposure	2
RADT 120B, Radiographic Exposure Laboratory.....	1
RADT 130, Patient Care	2
RADT 199, Radiographic Positioning I	2
RADT 200, Radiographic Positioning II	2
RADT 211, Radiographic Positioning III	2
RADT 220, Radiographic Technique	3
RADT 230, Radiologic Science	2
RADT 240, Radiation Biology	1
RADT 241, Sectional Anatomy	1
RADT 242, Organization of Radiology	1
RADT 244, CT and MRI Imaging	3
RADT 251A, Directed Clinical Practice	3
RADT 251C, Directed Clinical Practice	3
RADT 252A, Directed Clinical Practice	5
RADT 252B, Directed Clinical Practice	5
RADT 253A, Directed Clinical Practice	5
RADT 253B, Directed Clinical Practice	5

Total Units = 53

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Radiologic Technology 248.

Real Estate

	Units
Associate in Science Degree:	
Real Estate	27-28*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

The Real Estate Program offers students the following options: a Certificate of Performance for Real Estate Salesperson or; a Certificate of Achievement for Real Estate Broker; and an Associate in Science degree in Real Estate. Students planning to transfer to a four-year college or university should select the Business Administration major on 148.

Student Learning Outcomes

Students who complete the Real Estate Program will gain facility with:

- **Communication:** Students will be able to articulate and explain critical thinking outcomes in writing and speaking, as well as by other contemporary recognized modes of business communication.
- **Self-awareness and Interpersonal Skills:** Students will recognize and respect the business opinions and perspectives of others, and they will be able to work effectively with superiors, peers, and subordinates in organized group settings.

- **Personal Actions and Civic Responsibility:** Students will be able to analyze and accept responsibility for their own actions and make ethical decisions in the business environment.
- **Technological Awareness:** Students will understand and apply the use of modern technology to business situations.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Science Degree: Real Estate

Courses Required for the Major:	Units
*REAL 101, Real Estate Principles	3
REAL 105, Legal Aspects of Real Estate I	3
REAL 110, Principles of I.....	3
REAL 115, Real Estate Finance I.....	3
REAL 120, Real Estate Practice.....	3
REAL 125, Real Estate Economics.....	3
BUSE 119, Business Communications	3

Six to seven units to be selected from the following:

ACCT 102, Basic Accounting (City)	3
ACCT 116A, Financial Accounting.....	4
BUSE 140, Business Law & the Legal Environment	3
ESCR 101, Escrow Procedures- Beginning.....	3
ESCR 111, Escrow Procedures - Advanced.....	3
REAL 130, Real Property Management	3
REAL 140, Real Estate Appraisal II	3

Total Units = 27-28

Real Estate Salesperson's License: *Required prior to taking exam for Real Estate Salesperson's License. For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Accounting 116A and 116B; Business 140, 201; Economics 120, 121; Escrow 101, 111; Marketing 100, 105; Mathematics 119; Psychology 101; Real Estate 130, 270.

Social Sciences

	Units
Certificate of Performance:	
Global Culture Studies	15*
Associate in Arts Degree:	
Social Sciences - General	18*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Social Sciences is a multidisciplinary program promoting an appreciation for the interrelatedness of Geography, History, Philosophy and Political Science by exposing students to their varied methodologies. The Social Science Program prepares students for transfer into either a major in Social Sciences or for the single subject teaching credential at four year institutions.

Program Emphasis

Courses in this program emphasize student learning outcomes, such as the development of critical thinking and communications skills to analyze problems, conceptualize theses, develop arguments, weigh evidence and derive conclusions; development of the ability to articulate the critical thinking outcomes through writing and/or speaking or by other modes of communication; and the development of an awareness of civic responsibilities and a thorough knowledge of global issues.

Career Options

Most careers in Social Sciences require education beyond the associate degree and some require a graduate degree. This is not a comprehensive list, but some of the most common career options utilizing social science preparation include: teaching, law, social work, public administration, librarianship, counseling, and business.

Student Learning Outcomes

Students who complete the Social Sciences Program will be able to:

- Demonstrate critical thinking skills, encompassing the framing of questions; the formation of hypotheses; the gathering, weighing, and interpretation of evidence; and the deriving of conclusions;
- Communicate effectively, in written and other expressive forms, by using enhanced critical thinking skills;
- Show, in thought and all forms of expression, heightened awareness of the role of civic responsibility and global awareness in sustaining human society.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Global Culture Studies*

This certificate is designed for students interested in global issues, including students seeking an understanding of mankind’s cultural heritage, cultural geography, and an appreciation of intercultural communication processes. This certificate will complement courses taken in other multi-cultural academic areas and includes transfer general education courses.

Courses:	Units
HUMA 101, Introduction to the Humanities I.....	3
HUMA 102, Introduction to the Humanities II.....	3
ANTH 103, Introduction to Cultural Anthropology	3
SPEE 180, Intercultural Communication.....	3

Select one of the following:

GEOG 102, Cultural Geography	3
GEOG 104, World Regional Geography	3
Total Units = 15	

*This is a cross-departmental award in recognition of information on the transcript and does not imply that a graduation requirement has been met.

Associate in Arts Degree: Social Sciences (General)

Courses Required for the Major:	Units
HIST 100 and HIST 101, World History I & II, or	
HIST 105 and HIST 106, Introduction to Western Civilization I & II.....	6

Select a six-unit sequence from two of the following different fields:

GEOG 102, Cultural Geography **and**
 GEOG 104, World Regional Geography
 HIST 109 and 110, History of the United States I & II

HIST 115A and 115B, History of the Americas I & II
 HIST 125 and 126, History of English and the
 Commonwealth I and II
 HIST 150 and 151, Native Americans in United States
 History
 PHIL 102A, Introduction to Philosophy: Reality and
 Knowledge, **and**
 PHIL 102B, Introduction to Philosophy: Values
 PHIL 104A and 104B, History of Western Philosophy
 POLI 101, Introduction to Political Science, **and**
 POLI 102, The American Political System
 POLI 103, Comparative Politics, **and**
 POLI 140, Contemporary International Politics 12

Total Units = 18

Note: Only one course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Geography 102, 104, 290; History 109 and 110, 115A and 115B, 125 and 126, 130, 150 and 151, 168, 171, 175, 290; Philosophy 101, 102A and 102B, 103, 104A and 104B, 105, 106, 107, 108, 109, 110, 111, 112, 125, 290; Political Science 101 and 102, 103, 140, 290; Anthropology 103, 200, 210; Fine Arts 110, 111; Economics 120 and 121; English 215, 216, 220, 221; Humanities 101, 102; Psychology 155; Sociology 101, 110, 201.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution.**

Sociology

	Units
Associate in Arts Degree:	
Sociology	18*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

The Sociology program is suited to the needs of both the two-year student and the transfer student who wish to major or minor in sociology or related fields. It is designed to provide the student with a greater understanding of human interactions, social processes, and social structures.

Student Learning Outcomes

Students who complete the Sociology Program will gain facility with:

- **Global Awareness:** Explain the role of the United States in the global economy and political system.
- **Critical Thinking:** Compare and contrast the traditions of structural functionalism, social conflict theory, symbolic interaction, and their contemporary offshoots of feminism, post-structuralism, and social construction theory.
- **Communication:** Articulate in writing and speech an understanding of the basic assumptions of human behavior within the discipline: the effects of culture, social structure, and social interaction on human agency.
- **Social Action and Civic Responsibility:** Explain how the theoretical underpinnings of sociology explicitly challenge the dominant ideology in American society of individualism and radical subjectivism.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Sociology

Courses Required for the Major:	Units
SOCO 101, Principles of Sociology	3
SOCO 110, Contemporary Social Problems	3
*Select twelve units from the following:	
SOCO 125, Sociology of the Family.....	3
SOCO 201, Advanced Principles of Sociology.....	3
SOCO 270, Work Experience in Sociology	1-4
ANTH 103, Introduction to Cultural Anthropology	3
PSYC 101, General Psychology	3

Total Units = 18

Note: Only one Sociology (SOCO) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Anthropology 103; English 101, 105; Filipino Studies 100; History 105, 106; Mathematics 119; Philosophy 102A, 102B, Psychology 101, 258, Sociology 201, 270, 290, Speech 103 or 135.

Other recommended electives: Foreign language (Although no courses in a foreign language are specified in the above course sequence, a minimal familiarity with one foreign language is desirable. The particular language should be selected in consultation with the Behavioral Sciences Department); Natural Sciences (Life Sciences, Physical Sciences, laboratory courses from either of the above).

It is strongly recommended that students planning to transfer to a four-year institution complete a course in statistics, either Psychology 258, or Mathematics 119.

**Although no courses in a foreign language are specified in the above course sequence, a minimal familiarity with one foreign language is desirable. The particular language should be selected in consultation with the Behavioral Sciences Department.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university**

catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.

Spanish

Associate in Arts Degree:	Units
Spanish	26*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

Program provides training in the fundamental skills of understanding, speaking, reading and writing the language, and increases one's familiarity with the Spanish language. From a vocational standpoint, the curriculum will provide a student with skills useful in translating, interpreting, teaching, linguistic or literary research, music, foreign trade, or missionary work. The major requires 26 units in Spanish, unless the student has completed two years of Spanish in high school (with a "C" average or better). In this case, the department will determine the courses necessary to complete the requirements.

Student Learning Outcomes

Students who complete the Spanish Program will be able to:

- Communicate in a meaningful context in Spanish.
- Explain or analyze the nature of language through comparisons of the Spanish language and their own.
- Demonstrate knowledge of and sensitivity to aspects of behavior, attitudes, and customs of Spanish speaking countries.
- Connect with the global community through study and acquisition of the Spanish language.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Associate in Arts Degree: Spanish

Courses Required for the Major:	Units
SPAN 101, First Course in Spanish and	
SPAN 102, Second Course in Spanish or	
SPAN 100, First/Second Course in Spanish (Accelerated)	10
SPAN 201, Third Course in Spanish	5
SPAN 202, Fourth Course in Spanish	5
SPAN 210, Conversation and Composition Spanish I.3	
SPAN 211, Conversation and Composition Spanish II.3	
Total Units = 26	

Note: Only one Spanish (SPAN) course from the above list may be used to satisfy SDCCD general education requirements.

***Note: The "accelerated" foreign language course is 100 (101-102). This is particularly well-suited for students who are specializing in foreign languages or who have the desire and ability to do intensive work in a language.**

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Anthropology 103, 107; Chicano Studies 135, 138; Fine Art 109, 111; English 220, 221; Geography 102, History 115A, 115B, 120; Music 109; Philosophy 106, Vietnamese 201.

For graduation requirements see **Requirements for the Associate Degree** on 92.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require a third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Speech Communications

	Units
Certificate of Performance:	
Speech Communications	9
Associate in Arts Degree:	
Speech Communications	18*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

This program is designed to offer the Associate in Arts degree and Certificate of Performance as well as a broad spectrum of communication classes that will provide preparation for the major in communication, and training for occupations in which public contact and verbal skills are important. It can also serve as a core curriculum for the Selected Studies or the Transfer Studies degrees.

Statement of Goals

The Communication program is designed to prepare students to meet lower division transfer requirements and to allow students to participate in several areas of oral communication, including public speaking, interpersonal communication, oral interpretation, and debate.

Program Emphasis

The Communication program emphasizes preparation for the major in Communication and provides students the opportunity to develop skill in public speaking, interpersonal and group communication, oral interpretation, and debate. In addition, students are able to participate in Speech/Debate competitions.

Career Options

Students in this program develop personal and professional communication skills that prepare them to enter careers in community service, sales, performing arts, teaching, and other communication professions. Most of these fields require an advanced degree.

Student Learning Outcomes

Students who complete the Speech Communications Program will be able to:

- Analyze contemporary socio-political issues by delivering speeches on select topics. Speeches are highly developed, outlined, and fully supported with research. Students must move beyond mere description and provide a rationale for their thought process.
- Use oral and written communication to advance ideas and advocate positions.
- Engage in speech activities such as persuasive speaking where they will advocate controversial ideas to others, adapt to audiences, and critically analyze contentious issues. Speeches are taped and students are expected to analyze their own performance as well as provide feedback for other speakers.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Speech Communications

A Certificate of Performance in Communication is valuable for students in vocational and technical fields as well as for those who wish to transfer to a four-year college or university. The communication skills include presentation skills as well as group and interpersonal skills, making the Certificate of Performance a valuable addition to any resume.

Courses:	Units
SPEE 103, Oral Communication	3
Select six units from:	
SPEE 101, Voice and Articulation	
SPEE 104, Advanced Public Communication	
SPEE 111, Oral Interpretation	
SPEE 117A, Intercollegiate Forensics	
SPEE 117B, Intercollegiate Forensics	
SPEE 117C, Intercollegiate Forensics	
SPEE 117D, Intercollegiate Forensics	
SPEE 135, Interpersonal Communication	
SPEE 160, Argumentation	
SPEE 165, Service-Learning for Civic Leadership	
SPEE 170, Small Group Communication	
SPEE 180, Intercultural Communication	6
	Total Units = 9

*This is a department award recognizing information on the transcript and does not imply a graduation requirement.

Associate in Arts Degree: Speech Communications

The Associate in Arts in Speech Communications certifies that a student has emphasized the theory and practice of communication skills, has met the preparation for the major in Communication, and is prepared to begin upper division work at a four-year college or university.

Courses Required for the Major:	Units
SPEE 103, Oral Communication	3
Select fifteen units from:	
SPEE 101, Voice and Articulation	
SPEE 104, Advanced Public Communication	
SPEE 111, Oral Interpretation	
SPEE 117A, Intercollegiate Forensics	
SPEE 117B, Intercollegiate Forensics	
SPEE 117C, Intercollegiate Forensics	
SPEE 117D, Intercollegiate Forensics	
SPEE 135, Interpersonal Communication	
SPEE 160, Argumentation	
SPEE 165, Service-Learning for Civic Leadership	
SPEE 170, Small Group Communication	
SPEE 180, Intercultural Communication	
SPEE 290, Independent Study	15
	Total Units = 18

Note: Only one Speech Communications (SPEE) course from the above list may be used to satisfy SDCCD general education requirements.

For graduation requirements see **Requirements for the Associate Degree** on 80.

Electives as needed to meet minimum of 60 units required for the degree:

Recommended Electives: Speech Communications 99, 117C, 117D, 165, and courses in Dramatic Arts; Theatre Arts; Radio and Television; Journalism; Sociology; and Psychology.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Teacher Education Preparation

See "Liberal Studies Elementary Education Preparation" on page 213.

Travel and Tourism

See "Event Management" on page 172.

Web Development

	Units
Certificate of Achievement:	
Web Design	18
Associate in Science:	
Web Design	30*
*plus credits to satisfy District requirements and elective credits, as needed, to meet the 60 unit minimum.	

Description

The Web Design program serves students entering fields that need Web Design skills and knowledge and working professionals who need to learn new skills for their current job or for career advancement. The program prepares students to design and create Web sites, including integrating databases and content management systems, creating multimedia elements, and editing content to follow writing for the Web guidelines. Students acquire a solid foundation in usability, accessibility, and design principles, as well as technical skills at hand coding HTML, CSS, basic PHP and MySQL. Students use industry standard software and practices to prepare for entry level careers.

Goals

- 1) To provide students with the theoretical knowledge, applicable standards-based technical and coding skills, and attitude necessary to function as an entry-level Web designer.

- 2) To impart to students the use of current practices and standards of Web informational design: writing for the Web, design principles, Web site architecture, Web site usability, and Web accessibility.
- 3) To prepare student for the demands and responsibilities in the work environment, students will create projects on their own, or in teams, with each student assuming responsibility for the production process.
- 4) To educate students to practice respect for copyright laws and regulations for content on the Web site.
- 5) To inculcate in students the practice of life-long learning and professional growth.

Career Options

Web Design, Microcomputer Applications, Administrative Assistant, Office Clerk, Word Processor, Desktop Publishing and Information Management Technology (Records Management).

Certificate of Achievement:

Web Design

Courses Required for the Major:	Units
CBTE 162, Web Page Creation	2
CBTE 165, Webpage Creation with Dreamweaver	3
CBTE 166, Database Driven Website Development in Dreamweaver	3
CBTE 168, Cascading Style Sheets (CSS) for Web Design	3
CBTE 177, Acrobat Portable Document Format File Creation	1
MULT 121, Digital Image Editing	3
MULT 127, Creating User-Centered Websites	3
Total Units = 18	

Associate in Science Degree:

Web Design

Students in Web Design enjoy a practical hands-on approach to creating web sites using current technologies and web standards. This rigorous program trains students to create a front-end web site, which includes database integration. Upon completion of the program, students are equipped with the skills required for entry-level employment at web site design companies and large businesses and

for the creation and management of web sites for small to medium size businesses.

Courses Required for the Major:	Units
CBTE 153, Database Development with Access	3
CBTE 162, Web Page Creation	2
CBTE 165, Webpage Creation with Dreamweaver	3
CBTE 166, Database Driven Website Development in Dreamweaver	3
CBTE 168, Cascading Style Sheets (CSS) for Web Design	3
CBTE 169, Website Customization Using Open Source Interactive Tools	3
CBTE 173, Introduction to E-Commerce	3
CBTE 177, Acrobat Portable Document Format File Creation	1
MULT 121, Digital Image Editing	3
MULT 127, Creating User-Centered Websites	3
CBTE 191, Capstone in Web Design	3
Total Units = 30	

For graduation requirements see Requirements for the Associate Degree on 92.

Electives as needed to meet minimum of 60 units required for the degree.

Transfer Information

Students planning to transfer to a four-year college or university should complete courses required for the university major and the general education pattern required by that transfer institution. See catalog TRANSFER INFORMATION section. Additional courses may be required to meet university lower-division requirements. **Course requirements at the transfer institution are subject to change and may be verified by a counselor or by consulting the current university catalog. Many Baccalaureate in Arts degrees require third semester competency in a foreign language. Consult the current catalog of the transfer institution and consult with a counselor.**

Women's Studies

	Units
Certificate of Performance: Women's Studies	15

Description

The Women's Studies Certificate of Performance is awarded to students who successfully have completed an interdisciplinary curriculum designed to explore the past, present and future of women from a multi-cultural perspective. The courses in this concentration will explore how women's lives have been affected by society's values, traditions, and institutions and how language, belief systems, political structures and economic systems shape the status of women, as well as men, in society and culture.

Statement of Goals

This Certificate of Performance provides an interdisciplinary curriculum of courses that emphasize women's issues and fulfill General Education, American Institutions and multicultural requirements for the District and transfer institutions.

Program Emphasis

The courses taken to achieve the Certificate of Performance fulfill general education, American Institutions, and multi-cultural requirements for the Associate in Arts degree and for university transfer programs. Courses can also be used as preparation for a transfer major or minor in Women's Studies. Students who gain a Certificate in Women's Studies may combine their interest in Women's Studies with another major, and their broad interdisciplinary background makes them attractive candidates for graduate schools.

Career Options

A Women's Studies Certificate also prepares students for careers in non-profit organizations, government and public policy, education, health fields, business, the creative arts, journalism, publishing, law, science, the social sciences, and social work. For example, social work and counseling professionals as well as health professionals of all types, including physicians, nurses, physical therapists, and occupational therapists, often focus on issues of concern solely to women or more likely to be faced by women. Manufacturers, retailers, advertising agencies and marketing firms analyze the purchasing patterns and preferences of female consumers and retirement concerns of woman are a growing part of the finance industry. Lawyers often specialize in family law, gender discrimination, sexual harassment, or other issues of special concern to women.

Student Learning Outcomes

Students who complete the Women's Studies Program will be able to:

- Analyze how women's lives have been affected by society's values, traditions, and institutions.
- Delineate the literary, artistic, scientific and political contributions of women throughout history.
- Explain or analyze how women's diverse experiences are affected by ethnicity, class, nationality, religion, and sexual orientation.
- Develop arguments, weigh evidence, and derive conclusions in the area of Women's Studies.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

Certificate of Performance: Women's Studies

Courses:	Units
PHIL 125, Philosophy of Women.....	3
PHIL 126, Introduction to Philosophy of Contemporary Gender Issues or	

PSYC 133*, Psychology of Women.....	3
Select three additional courses from:	
BLAS 150, Black Women in Literature and the Media	3
BLAS 175, Psycho-History of Racism and Sexism	3
CHIC 170, La Chicana.....	3
HIST 141, Women in United States History I	3
HIST 142, Women in United States History II	3
PHIL 126, Introduction to Philosophy of Contemporary Gender Issues	3
PSYC 133*, Psychology of Women.....	3
Total Units = 15	

*Completion of Psychology 133, Psychology of Women, may only be counted once toward the 15 units required for the certificate of performance.

This is a department award recognizing information on the transcript and does not imply a graduation requirement.

Also see "Associate in Arts Degree: Liberal Arts and Sciences with an Emphasis in Social and Behavioral Sciences—Women's Studies" on page 212

Course Descriptions

General Course Information

Not all courses listed will be offered each semester, and San Diego Mesa College reserves the right to cancel any course if enrollment in such course is below a minimum number as set by the San Diego Community College District Board of Trustees. The hours indicated at the beginning of each course description, except where otherwise specified, denote the total number of clock hours the class meets each week.

Effective 2009-2010 catalog year (and each year thereafter), students must earn a grade of "C" or better in courses required for the major.

Students enrolled in occupational and health occupation programs must earn a grade of "C" or better in courses required for the major.

Only one course in a student's major discipline may be used to meet the San Diego Community College district general education requirement.

Course Numbering System

The course numbering system has meaning with regard to level and transfer. See the description below:

- **1-49** Basic Skills or college preparatory courses. Credit does not apply toward an associate degree or transfer to a four-year college or university.
- **50-99** Course credit applies toward the associate degree but does not transfer to a four-year college or university.
- **100-299** Course credit applies toward the associate degree and credit is intended for transfer to a four-year college or university. (Some courses may be identified as associate degree.) Final decision in regard to transferability rests with the receiving institution.
- **300-391** Apprenticeship and in-service courses. See Catalog course description to determine credit for Associate Degree or Transfer.
- **392-399** Special Topics courses that employ a consistent disciplinary framework as described by a complete course outline of record, but utilize a specific focus area that may change from term to term may be offered in some disciplines. See the class schedule for specific titles and course details.

Apprenticeship 345, 349, 349-D, DSPS 065, Field Experience/Internship 275, Independent Study 290, Individualized Instruction 296, Experimental Topics 18,

23, 63, 265, Tutoring 44, and Work Experience courses 270, 272 have Districtwide designated numbers.

Prerequisites, Corequisites, Limitations on Enrollment, and Advisories

All prerequisites, corequisites, and limitations on enrollment stated in the course descriptions listed in this catalog will be strictly enforced on Reg-e at the time of registration. Students who do not meet the prerequisite, corequisite, or other limitation according to the college's records, will not be permitted to register for the course. Students are strongly advised to have all transcripts of prior college work and other documentation on file well in advance of registration. This will minimize registration delays. For more information see page 19.

Students should plan their schedule early and see a counselor for assistance.

Challenge Procedures

Students may challenge a prerequisite, corequisite or limitation on enrollment. Contact the Admissions Office to obtain a Petition to Challenge and a copy of Procedures 5500.2. The completed petition must be filed no later than ten working days prior to the published add deadline for the course being challenged.

Generic Course Information

Any discipline or department may offer the courses listed below which do not appear individually in the catalog. If applicable to a particular subject area, it will be listed under the appropriate departmental heading (subject indicator) in the college class schedule. For further information, please check with the instructor or department chair.

Supervised Tutoring (044)

Supervised tutoring courses are available in each discipline. To enroll in a supervised tutoring course, a student must be enrolled in a college or basic skills course in the respective discipline. The courses are designed to prepare the student to succeed in the corequisite or subsequent courses. Supervised tutoring may be taken four times, each time with a different corequisite. Credit does not apply to the associate degree.

Experimental Topics (265)

Experimental topics courses that examine an immediate specialized need or focused academic

inquiry may be offered in some disciplines. See the class schedule for specific titles and course details.

Special Topics Courses (392–399)

Special topics courses that employ a consistent disciplinary framework as described by a complete course outline of record, but utilize a specific focus area that may change from term to term may be offered in some disciplines. See the class schedule for specific titles and course details.

Work Experience (270)

Program of on-the-job learning experiences for students employed in a job related to the major. Students may enroll in a maximum of 16 units of work experience in a lifetime, including a maximum of 6 units from General Work experience. Students may enroll in a maximum of 8 units per semester of Occupational Work experience. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

Service Learning

Students gain hands-on experience in project planning, development, implementation and evaluation. Students meet weekly to receive support training and development opportunities regarding best practices in Service Learning. The service-learning options are as follows:

Service Learning—High School Projects (277A)

Students in this course develop and implement service-learning projects to help high school students under the supervision of college faculty and in cooperation with high school teachers, counselors and resource teachers. Projects may include collaboration with high school classes, educational projects for high school students, mentoring, and shadowing. This course is intended for students from any discipline who are interested in project development, development of teaching skills, or enhancement of communication and planning skills. Course segments may be taken in any order. The combined credit for all 277A discipline courses may not exceed three units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

Elementary and High School Projects (277B)

Students in this course develop and implement service learning projects to help elementary and junior high school students under the supervision of college faculty and in cooperation with elementary and junior high school teachers, counselors and

resource teachers. Projects may include collaboration with elementary and junior high school classes, educational projects for elementary and junior high school students, mentoring, and shadowing. This course is intended for students from any discipline who are interested in project development, development of teaching skills, or enhancement of communication and planning skills. Course segments may be taken in any order. The combined credit for all 277B discipline courses may not exceed three units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

Service Learning—Community (277C)

Students in this course develop and implement service-learning projects to help the college's community under the supervision of college faculty and in cooperation with the staff of community organizations and agencies. Projects may include collaboration with off-campus community organizations and educational service oriented projects for the college's community. This course is intended for students from any discipline who are interested in project development, development of teaching skills, or enhancement of communication and planning skills. Course segments may be taken in any order. The combined credit for all 277C discipline courses may not exceed three units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

Service Learning—On Campus (277D)

Students in this course develop and implement service-learning projects to help the college's students under the supervision of college faculty and in cooperation with college counselors and staff. Projects may include collaboration with college classes, educational projects for college students, mentoring, and shadowing. This course is intended for students from any discipline who are interested in project development, development of teaching skills, or enhancement of communication and planning skills. Course segments may be taken in any order. The combined credit for all 277D discipline courses may not exceed three units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

Independent Study (290)

This course is for students who wish to conduct additional research, a special project, or learning activities in a specific discipline/subject area and is not intended to replace an existing course in the discipline. In this course students will have a written

contract with their instructor for activities such as: preparing problem analysis, engaging in primary research, preparing reports, and meeting with the instructor at specific intervals. This course may be taken four times with different content, for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

Individualized Instruction (296)

This course provides supplemental instruction to reinforce achievement of the learning objectives of a course in the same discipline under the supervision of the instructor of the designated course. Learning activities may employ a variety of self-paced multimedia learning systems, language labs, print and electronic resources, laboratory, or field research arrangements, to assist student in reaching specific learning objectives. This open entry/open exit course is offered concurrently with designated courses. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

Accelerated College Program

Transferable community college courses in calculus and political science are provided for qualified high school students at local high schools. The Accelerated College Program, located at Mesa College, is a Districtwide program responsible for providing and administering all of these classes, following guidelines established by a joint agreement between SDCCD and SDUSD. When an ACP student becomes a first-year or transfer student, credits transfer and are widely applicable in fulfilling general education and pre-major requirements at most universities. Students who complete courses within the Accelerated College Program (Math and/or Political Science disciplines) will be able to:

- Apply the concepts and models developed in these courses to assess real- world situations and engage in successful practical problem solving activities;
- Utilize the concepts and models developed in these courses to develop a foundational “tool kit” of critical thinking skills necessary for the successful achievement of college-track goals;
- Be able internalize and effectively communicate key course concepts with others both within and external to the academic environment.

Explanation of Terms

Courses in the San Diego Community College District that are associate degree applicable and/or transfer to

public four-year universities in California are identified at the end of each course description with the following statements:

Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer

Course List: The course will apply toward the units required for the associate degree at San Diego Community College District colleges. The course is also likely to apply toward the total number of lower division units required for the baccalaureate degree at private, independent, and/or out-of-state colleges and universities; however, the final evaluation of course credit will be determined by the individual private, independent, or out-of-state institution.

Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC transfer

limitations. See a counselor: The course will apply toward the units required for the associate degree at San Diego Community College District colleges. There may be limitations on the number of units that are applied from this course toward the total number of lower division units required for the baccalaureate degree at the University of California. Students should see a counselor concerning these limitations. The course is also likely to apply toward the total number of lower division units required for the baccalaureate degree at private, independent, and/or out-of-state colleges and universities; however, the final evaluation of course credit will be determined by the individual private, independent, or out-of-state institution. The University of California limits the maximum amount of lower division credit that can be applied toward the baccalaureate degree in a variety of disciplines, including Journalism, Photography, Health, Business Administration, Architecture, Administration of Justice (Criminology) and Library Science.

Associate Degree Credit & transfer to CSU and/or private colleges and universities:

The course will apply toward units required for the associate degree at San Diego Community College District colleges. The course is also likely to apply toward the total number of lower division units required for the baccalaureate degree at private, independent, and/or out-of-state colleges and universities; however, the final evaluation of course credit will be determined by the individual private, independent, or out-of-state institution. Information concerning transferability to CSU or UC systems is based on information available at the time the catalog is printed. For the latest information, see a counselor. Other symbols include:

Field Trip: (FT) All courses identified at the end of the course description with the symbol (FT) may have

field trips required. Detailed information concerning costs incurred will be provided by the instructor.

Physical Education Classes/ Intercollegiate Sports-disclaimer

Participation in all sports and physical education activities involves certain inherent risks. Risks may include, but are not limited to, neck and spinal injuries that may result in paralysis or brain injury, injury to bones, joints, ligaments, muscles, tendons and other aspects of the muscular skeleton system; and serious injury, or impairment, to other aspects of the body and general health, including death. The San Diego Community College District, its officers, agents and employees are not responsible for the inherent risks associated with participation in physical education classes/intercollegiate sports. Students are strongly advised to consult a physician prior to participating in any physical education activity.

UC Transfer and Physical Education Courses

The University of California divides physical education courses into three categories: 1) Activity; 2) Theory, and 3) Academic/Scholarly. Credit for Activity courses is limited to four (4) units. Credit for Theory courses is limited to eight (8) units. No credit limitation is established for Academic/Scholarly courses. All UC-transferable physical education courses and their associated unit limitations are listed on Web ASSIST at www.assist.org.

UC Transfer and Variable Topics Courses

These courses are also called "Independent Studies", "Special Studies", "Special Topics", "Field Work", etc. Credit for variable topics courses is given only after a review of the scope and content of the course by the enrolling UC campus. This usually occurs after transfer and may require recommendations from faculty. Information about internships may also be presented for review, but credit for internships rarely transfers to UC. UC does not grant credit for variable topics courses in Journalism, Photography, Health, Business Administration, Architecture, Administration of Justice (Criminology) or Library Departments because of credit restrictions in these areas.

ACCOUNTING (ACCT)

116A Financial Accounting

**4 hours lecture, 4 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M40.

This introductory course shows students what financial accounting is, why it is important, and how it is used by investors and creditors to make decisions. It covers the accounting information system, and the recording and reporting of business transactions with a focus on the accounting cycle, the applications of generally accepted accounting principles, the classified financial statements, and statement analysis. This course also includes issues related to asset, liability, and equity valuation; revenue and expense recognition; cash flows; internal controls; and ethics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

116B Managerial Accounting

**4 hours lecture, 4 units
Grade Only**

Prerequisite: Accounting 116A with a grade of "C" or better, or equivalent.

This course is a study of how managers use accounting information in decision-making, planning, directing operations, and controlling. The course focuses on cost terms and concepts, cost behavior, cost structure, and cost-volume-profit analysis. It examines profit planning, standard costs, operations and capital budgeting, cost control, and accounting for costs in manufacturing organizations. This course is for students who desire to look at accounting from a management perspective. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

120 Federal Income Tax

**3 hours lecture, 3 units
Grade Only**

Advisory: Completion of or concurrent enrollment in: Accounting 116A with a grade of "C" or better, or equivalent.

This course introduces the student to tax concepts and tax laws that govern individuals who pay federal income taxes. Emphasis is placed on recognizing the social, economic, and political factors that Congress considers when they create tax laws. This course relates tax codes to the individual and identifies how

tax planning skills can determine economic outcomes. Furthermore, it demonstrates and differentiates between tax avoidance and tax evasion. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

121 California Income Tax

**1 hour lecture, 1 unit
Grade Only**

Advisory: Concurrent enrollment in: Accounting 120. This course is a study of California personal income taxation and tax planning. Emphasis is placed on tax concepts and related social economic issues rather than tax return preparation. The course distinguishes between California and Federal Income Tax requirements. This course is intended for all students interested in California income tax. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

125 Government & Not-for-Profit Accounting

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Accounting 116A with a grade of "C" or better, or equivalent.

The course provides instruction in the principles of fund accounting and budgeting including revenues, appropriations, encumbrances, internal controls for both governmental and not-for-profit entities. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

135 Principles of Auditing

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Accounting 116A with a grade of "C" or better, or equivalent.

This is a basic course concerned with financial statement auditing as well as other assurance services provided by professional auditors. All phases of auditing including ethics, standards, planning, fieldwork and reporting are covered. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

150 Computer Accounting Applications

**3 hours lecture, 3 units
Grade Only**

Advisory: Completion of or concurrent enrollment in: Accounting 116A with a grade of "C" or better, or equivalent.

This course illustrates to the student how to use accounting computer programs in a commercial business enterprise. As a basis for instruction, it

demonstrates the use of QuickBooks Pro accounting software on a PC. The full accounting cycle and payroll is evaluated within a typical business environment. Business transactions are identified, labeled, recorded, and processed for both service and merchandise businesses. Financial statements are constructed, evaluated, and reviewed for accuracy and completeness. The main objective is to provide the student with a complete guide to creating and maintaining a proper accounting system while using a popular accounting software program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

201A Intermediate Accounting I

**3 hours lecture, 3 units
Grade Only**

Advisory: Accounting 116A with a grade of "C" or better, or equivalent.

This course introduces students to advanced theory and concepts with an emphasis on financial accounting standards and principles. The course encompasses the intensive study of the corporate income statement and balance sheet. It also includes the acquisition, valuation, and disposition of assets. This course is intended for students who are pursuing the Certificate of Achievement and/or Associate of Science Degree in Accounting. This course is also designed for students who wish to upgrade their skills on the job. Students should have a strong grasp of basic accounting principles and practices obtained through prior academic training or work experience. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

201B Intermediate Accounting II

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Accounting 201A with a grade of "C" or better, or equivalent.

This course continues the study of advanced theory and concepts that was started in Accounting 201A. It includes the valuation and presentation of liabilities and stockholders' equity, the statement of cash flows, ratio analysis, and other topics. This course is intended for students who are pursuing the Certificate of Achievement and/or Associate of Science Degree in Accounting. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed

course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

American Indian Studies

An interdisciplinary approach
(See selected courses in Anthropology,
Art, and History)

ALLIED HEALTH (ALLH)

48 Basic Skills for Health Care Careers

**2 hours lecture, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: English 42 and English 43 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4, W5 and M30.

This course is designed to prepare students for the college level interdisciplinary skills required in math, oral and written communication in the healthcare environment. In-class essay development, mathematical word problems, logical reasoning and professionalism are emphasized. (FT) Not applicable to the Associate Degree.

49 Introduction to Health Careers

**1.5 hours lecture, 1.5 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49 and Mathematics 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M40.

This introductory course is designed for students interested in entering the human or veterinary health care industry. This course explores the history and key aspects of the practice of health care in the United States. The content provides ways to identify general aptitudes and skills required in health careers and provides students with an opportunity to match individual aptitudes, interests and abilities to specific health careers. (FT) Not Applicable to Associate Degree and not a basic skills course.

AMERICAN SIGN LANGUAGE/ INTERPRETING (AMSL)

104 Introduction to Deaf Culture

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with credit for Special Education 104. This is a course to provide students an introduction to the unique aspects of Deaf Culture and Deaf community. This course provides in-depth discussion of the beliefs and customs of this sociolinguistic/cultural minority in relation to language use and history of Deaf people in the United States of America. This course is intended for students who are interested in learning about Deaf Culture and the Deaf community. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

105 Implications of Deafness

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Special Education 105.

This course is a study of the audiological, educational, social, and communicative aspects of people who are deaf and hearing impaired. Emphasis is placed on historical perspectives and current trends, philosophies, and ideologies related to deafness. This course is intended for students who are interested in learning about the pathological aspects of deaf and hearing impaired people. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

107 American Sign Language: Fingerspelling

**2 hours lecture, 2 units
Grade Only**

Prerequisite: American Sign Language/Interpreting 115 with a grade of "C" or better, or equivalent. Introduction to the American manual alphabet (Fingerspelling) and its use. Extensive drills and practice in both expressive and receptive use of the language. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

108 Fingerspelling for Interpreters

**2 hours lecture, 2 units
Grade Only**

Prerequisite: American Sign Language/Interpreting 215 with a grade of "C" or better, or equivalent. This course is an intermediate-level study of the American Fingerspelling manual alphabet. Emphasis is placed on the application of fingerspelling in the interpreting process. Students participate in extensive

drills and practice in expressive and receptive skills that may include the use of fingerspelling in voice to sign and sign to voice interpreting. This course is intended for American Sign Language (ASL) majors and those pursuing employment or a career in the field of American Sign Language/English interpreting. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

115 American Sign Language Level I

**4 hours lecture, 4 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skills Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for American Sign Language/Interpreting 100.

This is an entry-level course designed to introduce students to American Sign Language (ASL) and fingerspelling as it is used within Deaf Culture. Students are taught to use American Sign Language by signing, fingerspelling, using facial grammar at the novice level. Emphasis is placed on the development of ASL and receptive skills. The course is designed for students who want to explore the basic language structure of ASL and Deaf Culture. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.

116 American Sign Language Level II

**4 hours lecture, 4 units
Grade Only**

Prerequisite: American Sign Language/Interpreting 115; or American Sign Language/Interpreting 100 and American Sign Language/Interpreting 107 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for American Sign Language/Interpreting 101.

This course is a continuation of the study of American Sign Language (ASL) at the beginning intermediate level. Emphasis is on the development of ASL vocabulary and receptive skills. Instruction includes a natural approach to teaching a second language by exposing students to authentic conversations in the classroom. This course builds students' receptive and expressive skills in ASL and fingerspelling as well as their knowledge of Deaf culture. It is designed for the student or professional interested in working and interacting with Deaf people. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

205 Interpreting Skills I

**2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only**

Prerequisite: American Sign Language/Interpreting 216 with a grade of "C" or better, or equivalent.

This course introduces students to the interpretation process. Emphasis is placed on the application of previously-learned American Sign Language (ASL) skills to develop the cognitive and critical thinking abilities required for interpreting and transliterating. Consecutive interpreting and simultaneous interpreting skills of source language text are utilized throughout the course. Instructor may use sign to voice and/or voice to sign techniques. This course is designed for Interpreting majors and accommodates those seeking the Certified Deaf Interpreter (CDI) certificate. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

206 Interpreting Skills II

**2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only**

Prerequisite: American Sign Language/Interpreting 205 with a grade of "C" or better, or equivalent.

This course is an advanced study of the interpretation process. Emphasis is placed on the application of previously-learned American Sign Language (ASL) skills to develop the cognitive and critical thinking abilities required for interpreting and transliterating at the advanced level. Consecutive interpreting and simultaneous interpreting skills of source language text are utilized throughout the course. Instructor uses voice to sign and may use sign to voice techniques. This course is designed for Interpreting majors and accommodates those seeking the Certified Deaf Interpreter (CDI) certificate. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

207 Sign-to-Voice Interpreting I

**2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only**

Prerequisite: American Sign Language/Interpreting 205 with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: American Sign Language/Interpreting 206 with a grade of "C" or better, or equivalent.

This course is designed to provide development of skills in receiving signed messages and presenting an equivalent message using spoken English. Emphasis is placed on Sign Language receptivity, appropriate English word choices, vocal inflection, and English structure at the beginner voice interpreter level. This course is designed for Interpreting majors and

accommodates those seeking the Certified Deaf Interpreter (CDI) certificate. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

208 Sign-to-Voice Interpreting II
2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only

Prerequisite: American Sign Language/Interpreting 206 and 207, each with a grade of "C" or better, or equivalent.

This course is designed to provide advanced development of skills in receiving signed messages and presenting an equivalent message using spoken or signed English. Emphasis is placed on advanced sign language receptivity, appropriate word choices, vocal or signed inflection, and English structure at the advanced voice interpreter level. This course is designed for Interpreting majors and accommodates those seeking the Certified Deaf Interpreter (CDI) certificate. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

209 Professional Aspects of Interpreting
3 hours lecture, 3 units
Grade Only

Prerequisite: American Sign Language/Interpreting 205 with a grade of "C" or better, or equivalent.

This course is a practical study of interpreting as a profession. Emphasis is placed on the application of the code of professional conduct in the field. Topics include the national standards for evaluation and certification, public employment versus private employment, and resume development. This course is designed for Interpreting majors and accommodates those seeking the Certified Deaf Interpreter (CDI) certificate. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210 Introduction to Specialized Settings
3 hours lecture, 3 units
Grade Only

Prerequisite: American Sign Language/Interpreting 208 with a grade of "C" or better, or equivalent. This course is designed to provide students of American Sign Language (ASL) - English Interpretation with an introduction to the application of interpreting skills to a variety of professional settings and situations. Settings covered include, but are not limited to Community, Conference, Deaf/Blind, Educational (K-12 and Post-secondary), Legal, Medical, Mental Health, Performing Arts, Religious Interpreting, and Video Relay Interpreting, and Private Practice and Freelance. This course is intended for students who

plan to transfer and/or are interested in becoming an ASL Interpreter. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

215 American Sign Language Level III
4 hours lecture, 4 units
Grade Only

Prerequisite: American Sign Language/Interpreting 116; or American Sign Language/Interpreting 101 and American Sign Language/Interpreting 107 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for American Sign Language/Interpreting 200.

This is the third course in the study of American Sign Language (ASL) with an emphasis on ASL syntax, facial grammar, vocabulary, and fingerspelling enabling students to participate in more complex conversations with Deaf community members. Instruction includes a natural approach to teaching a second language by engaging students in authentic conversations within the classroom environment. This course enhances students' receptive and expressive skills at an advanced intermediate level in ASL. It also further develops their knowledge and understanding of the Deaf community and its art and history. It is designed for the student or professional interested in working and/or interacting with Deaf people. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

216 American Sign Language Level IV
4 hours lecture, 4 units
Grade Only

Prerequisite: American Sign Language/Interpreting 215; or American Sign Language/Interpreting 200 and American Sign Language/Interpreting 107 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for American Sign Language/Interpreting 201.

This course is the fourth course in the study of American Sign Language (ASL) with an emphasis on advanced fingerspelling, ASL structure and vocabulary. Instruction includes a natural approach to teaching a second language by exposing students to authentic conversations in the classroom. This course continues to build students' receptive and expressive skills in American Sign Language as well as their knowledge of Deaf culture including an introduction to the influences of other sign language systems. It is designed for the student or professional interested in working or interacting with Deaf people. (FT)

Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

276 Field Work in Interpreting
1.5 hours lecture, 4.5 hours lab, 3 units
Grade Only

Prerequisite: American Sign Language/Interpreting 104, 105, 108, 208, 209, and 210, each with a grade of "C" or better, or equivalent.

This course is a supervised field experience designed to provide students with the opportunity to expand their skills and knowledge in the interpreting/transliterating profession through practice in various interpreting settings/situations. In addition to the field experience, students are required to attend on-campus seminars. This course is designed for Interpreting majors and accommodates those seeking the Certified Deaf Interpreter (CDI) certificate. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

ANIMAL HEALTH TECHNOLOGY (ANHL)

100A Animal Care and Management
4.5 hours lab, 1.5 units
Grade Only

Prerequisite: Biology 107 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Admission to the Animal Health Technology Program. This course is not open to students with credit for Animal Health Technology 100. This course is for students enrolled in the fall semester of their first year in the Animal Health Technology Program. This introductory course provides the student with actual "hands on" experience in the basic husbandry of many animal species. Course work fulfills the student's need to learn and practice "essential" tasks from the American Veterinary Medical Association's and the Registered Veterinary Technician Exam Committee's Skills, Knowledge and Abilities Tasks List. The tasks include methods of housing or caging, nutrition and feeding, sanitation and hygiene in an animal setting, and handling and restraint of the various species. The student is actively involved in the ongoing daily care

of the program's resident animals. Student teams are assigned to a rotation schedule so that every student works with every animal during the semester. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

100B Advanced Animal Care and Management
4.5 hours lab, 1.5 units
Grade Only

Prerequisite: Animal Health Technology 100A with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Admission to the Animal Health Technology program. This course is not open to students with credit for Animal Health Technology 100.

This course is for students enrolled in the spring semester of their first year in the Animal Health Technology program. This continuation course provides the student with both greater responsibility in resident animal care and more advanced techniques in the general husbandry of many animal species. This course further fulfills the student's need to practice the "essential" requirements of the American Veterinary Medical Association's and the Registered Veterinary Technician Exam Committee's Skills, Knowledge and Abilities Tasks List. This course includes housing and caging, nutrition and feeding, sanitation and hygiene, handling and restraint, and first aid and nursing care. The student is actively involved in the ongoing daily care and treatment of the program's resident animals. Student teams are assigned to a rotation schedule so that every student works with every animal during the semester. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

105 Fundamentals of Animal Health Technology
3 hours lecture, 3 units
Grade Only

Corequisite: Animal Health Technology 105L.

Limitation on Enrollment: Admission to the Animal Health Technology program.

This course is for students enrolled in the fall semester of their first year in the Animal Health Technology program. This introductory lecture course defines the role of the Animal Health Technician in private veterinary practice, research institutions, regulatory agencies and zoos. Topics covered include basic animal care and management, feeding, species identifications, behavior, handling skills, animal restraint, sanitation, personal hygiene, medicating, zoonotic disease risk factors, animal nursing skills, instruments and equipment, terminology, veterinary

practice ethics and legal responsibilities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

105L Fundamentals of Animal Health Technology Laboratory

**6 hours lab, 2 units
Grade Only**

Corequisite: Animal Health Technology 105.

Limitation on Enrollment: Admission to the Animal Health Technology program.

This course is for students enrolled in the fall semester of their first year in the Animal Health Technology program. This introductory course utilizes demonstrations, laboratory exercises, group activities, and lectures to illustrate the principles presented in Animal Health Technology 105. Course work fulfills the student's need to learn and practice "recommended" and "essential" tasks from the American Veterinary Medical Association's and the Registered Veterinary Technician Exam Committee's Skills, Knowledge and Abilities Task List. These tasks include animal restraint and handling skills, medicating techniques, breed and species identification, basic animal nursing skills, poisonous plant identification, surgical equipment and veterinary medical equipment identification, basic nutrition, terminology, sanitation/sterilization, and personal hygiene. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

115 Veterinary Office Procedures

**2 hours lecture, 2 units
Grade Only**

Limitation on Enrollment: Student must be admitted to the Animal Health Technology Program. This course is not open to students with credit for Animal Health Technology 240.

This course is for students enrolled in their first year of the Animal Health Technology program. This veterinary office procedures course is designed to introduce the student to the development and facilitation of client care, staff management, financial guidelines, patient management and record keeping in a veterinary setting. Topics include record keeping, client and staff communication, veterinary medical ethics, veterinary logs and legalities, computer usage, financial management, and purchasing and inventory management in relationship to a veterinary establishment. Resume writing and job interviewing skills are also covered. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

120 Comparative Physiological Anatomy

**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Prerequisite: Biology 107 and Chemistry 100 and Chemistry 100L, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M40.

Limitation on Enrollment: Special Admission - must be admitted to program.

This lecture and laboratory course is designed to introduce the first semester Animal Health Technology student to the comparative normal anatomy and physiology of selected domestic animal species. The eleven anatomical systems are covered and material presented ranges from the microscopic cellular level to the level of the full organism. Relevant application of structure and function to the clinical medical situations is addressed. Appropriate medical terminology is included with each system. Animal dissection is carried out by each student. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

125 Veterinary Clinical Pathology

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Animal Health Technology 105, 105L and 120 each with a grade of "C" or better or equivalent.

Corequisite: Animal Health Technology 125L.

Special Admission - must be admitted to program.

This lecture course is for students enrolled in their first year of the Animal Health Technology Program. The course provides the student with an introduction to the clinical examination of blood, urine, feces, dermal, and other commonly analyzed samples found in the veterinary field. Topics include: the safe and proper collection of diverse samples, the safe and proper handling of samples, the various methods of sample analysis, and the significance of normal and abnormal results. The identification, life cycle, and clinical importance of ectoparasites, endoparasites, and fungal parasites are discussed. Appropriate stains, reagents, and terminology are included. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

125L Veterinary Clinical Pathology Laboratory

**6 hours lab, 2 units
Grade Only**

Prerequisite: Animal Health Technology 105, 105L, and 120 each with a grade of "C" or better or equivalent.

Corequisite: Completion of or concurrent enrollment in: Animal Health Technology 125 with a grade of "C" or better, or equivalent.

Special Admission - must be admitted to program.

This clinical pathology laboratory course is designed to provide the first year Animal Health Technology student with the opportunity to practice the principles and procedures presented in the corequisite Clinical Pathology (ANHL 125) lecture. Techniques for the safe and proper collection, handling, and storage of blood, urine, fecal, and skin samples in various species are introduced and practiced by the student. Students perform analytical tests appropriate for each sample type and evaluate the results. Safe operation and proper maintenance of laboratory equipment commonly used in the veterinary field is stressed. Appropriate veterinary medical terminology is presented. (Off-taste Degree Credit & transfer to CSU and/or private colleges and universities)

135 Veterinary Pharmacology

**2 hours lecture, 2 units
Grade Only**

Prerequisite: Animal Health Technology 120 with a grade of "C" or better, or equivalent.

Advisory: Completion of or current enrollment in: Mathematics 46, with a grade of "C" or better, or equivalent, or Assessment Skill Level M40.

This course is for students enrolled in the first year of the Animal Health Technology program. The course provides the student with an introduction to the actions and uses of pharmacological agents: drug classifications, modes of action, indications and contraindications, routes of administration, and mechanisms of elimination. Dispensing and pharmacy management as well as the laws regulating controlled substances are covered. Students are expected to correctly solve medical math problems and calculate drug doses. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

145 Veterinary Anatomy and Physiology

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Biology 107 and Chemistry 100 and Chemistry 100L, each with a grade of "C" or better, or equivalent.

Corequisite: Animal Health Technology 145L.

Advisory: English 48 and English 49 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Level W5,R5 and M40.

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Animal Health Technology 120.

This lecture course is designed to introduce the first semester Animal Health Technology student to the comparative normal anatomy and physiology of selected domestic animal species. The eleven anatomical systems are covered and material presented ranges from the microscopic cellular level to the level of the full organism. Relevant application of structure and function to the clinical medical situations is addressed. Appropriate medical terminology is included with each system. To continue in the Animal Health Technology Program, students must earn a grade of "C" or better. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

145L Veterinary Anatomy and Physiology Lab **3 hours lab, 1 unit Grade Only**

Prerequisite: Biology 107 and Chemistry 100 and Chemistry 100L, each with a grade of "C" or better, or equivalent.

Corequisite: Animal Health Technology 145.

Advisory: English 48 and English 49 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Level W5, R5 and M40.

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Animal Health Technology 120.

This veterinary anatomy and physiology laboratory course is designed to provide the first semester Animal Health Technology student with the opportunity to investigate and study the principles of normal anatomy and physiology presented in the corresponding lecture course (Animal Health Technology 145). Techniques for the safe and proper dissection are introduced and practiced by the student during the extensive animal dissection. All eleven anatomical systems are studied through actual dissection or models. Relevant application of structure and function to the clinical medical situations is addressed. Appropriate medical terminology is included with each system. Animal dissection is carried out by each student. To continue in the Animal Health Technology Program, students must earn a grade of "C" or better. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

205 Diseases of Domestic Animals**3 hours lecture, 3 units
Grade Only**

Prerequisite: Animal Health Technology 120, 125, and 125L with a grade of "C" or better, or equivalent. This course is for students enrolled in the second year of the Animal Health Technology program. The course provides the student with an introduction to infectious and non-infectious diseases and conditions of domestic animals. Material covered includes the etiology, pathogenesis, pathophysiology, and clinical signs of each disease. This course also details any disease- or condition-specific nursing care, treatments, or diagnostic test methods. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

215 Veterinary Radiography**3 hours lecture, 3 units
Grade Only**

Prerequisite: Animal Health Technology 120 with a grade of "C" or better, or equivalent.
Corequisite: Animal Health Technology 215L.
Limitation on Enrollment: Special Admission-must be admitted to program. This course introduces the second year Animal Health Technician student with the use of radiography and the Registered Veterinary Technician's role in radiography in the veterinary medical fields. Topics include radiation, x-ray beam production, intensifying screens, cassettes, grid usage, latent and visible image formation, film processing, and alternative imaging methods. Protocols for commonly used radiographic studies and introductory radiographic film interpretation are included. Special emphasis is placed on radiation safety for the patient and handler and radiographic terminology. Also included is the proper use and maintenance of all veterinary radiographic and processing equipment and machines. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

215L Veterinary Radiography Laboratory**3 hours lab, 1 unit
Grade Only**

Prerequisite: Animal Health Technology 105L and 120, each with a grade of "C" or better, or equivalent.
Corequisite: Animal Health Technology 215.
Limitation on Enrollment: Special Admission-must be admitted to program. This course is designed to provide the second year Animal Health Technician students with the opportunity to practice the concepts presented in the corequisite lecture course (ANHL 215). The students

utilize established veterinary positioning and technical protocols. They expose and process radiographs to develop a technique chart for commonly used veterinary radiographic studies, including contrast studies. The students also practice radiographic film evaluation techniques, radiation log production, and radiographic equipment maintenance. Darkroom procedures and practices that prevent artifacts are employed including equipment maintenance. An introduction to performing an ultrasound abdominal exam is provided including handling and maintenance of the machinery. Procedures and protocols for radiation safety of patient, handler, and equipment are stressed. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities

225 Animal Nursing Techniques and Anesthesiology**3 hours lecture, 3 units
Grade Only**

Prerequisite: Animal Health Technology 125, 125L, and 135 each with a grade of "C" or better, or equivalent.
Corequisite: Completion of or concurrent enrollment in: Animal Health Technology 226A with a grade of "C" or better, or equivalent.
Limitation on Enrollment: Special Admission - must be admitted to the program. This lecture course is designed to introduce the second year Animal Health Technology student to veterinary anesthesia, surgical and medical nursing techniques, dental hygiene, emergency first aid, and correct legal documentation. Techniques of intravenous and inhalation anesthesia, surgical asepsis, instrument sterilization, and patient monitoring are presented. Preoperative, operative, post operative, and after care nursing are discussed. Also covered are: fluid therapy, bandaging/splints/casts, and commonly performed medical procedures. Appropriate pharmacological agents are discussed including classification, dosage, method of action, method of administration, dispensing procedures and pharmacy management. Appropriate veterinary medical terminology is included. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

226A Surgical Nursing Procedures Lab I**3 hours lab, 1 unit
Grade Only**

Prerequisite: Animal Health Technology 105, 105L and 120 and 125, each with a grade of "C" or better, or equivalent.
Corequisite: Animal Health Technology 225.

Limitation on Enrollment: This course is not open to students with credit for Animal Health Technology 225L.

This is a laboratory course designed to illustrate the principles presented in Animal Health Technology 225. It allows for the beginning application of theories and laboratory procedures as taught in lecture. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

226B Surgical Nursing Procedures Lab II
3 hours lab, 1 unit
Grade Only

Prerequisite: Animal Health Technology 105, 105L and 120 and 125 and 225 and 226A, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for Animal Health Technology 225L.

This course is a continuation of Animal Health Technology 226A and is a laboratory course designed to continue the illustration of the principles presented in Animal Health Technology 225. It allows for an advanced application of theories and procedures as taught in Animal Health Technology 225. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

235A Directed Clinical Practice
150 hours, 2 units
Grade Only

Prerequisite: Admission to the Animal Health Technology program; and Animal Health Technology 105, 105L, 115, 120, 125, and 125L, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for Animal Health Technology 235.

This course is for students enrolled in the fall semester of their second year in the Animal Health Technology program and provides the student with actual workplace experience in either an affiliated veterinary or research institution. The student is assigned entry level and general duties such as caring for hospitalized patients, handling and restraint, assisting in the reception and exam rooms, conducting basic laboratory procedures, and administering medications. The student works with a supervisor toward mastering the appropriate "essential" and "recommended" skills from the American Veterinary Medical Association's and the Registered Veterinary Technician Exam Committee's Skills, Knowledge and Abilities Tasks List. The appropriate skills are listed on a separate Directed Clinical Practice Task List. Clinical

work is coordinated by a member of the college staff. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

235B Advanced Directed Clinical Practice
150 hours, 2 units
Grade Only

Prerequisite: Admission to the Animal Health Technology program; and Animal Health Technology 225, 226A, and 235A, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for Animal Health Technology 235.

This course is for students enrolled in the spring semester of their second year in the Animal Health Technology program. This continuation course provides the student with greater responsibility and additional work experience at a more advanced level in an affiliated veterinary or research institution. The student is assigned general and more advanced tasks such as assisting in surgery, monitoring anesthesia and recovery, cleaning wounds and ears, applying splints or bandages, dispensing prescriptions, performing dental prophylaxis, and conducting client education. The student works more independently while mastering the appropriate "essential" and "recommended" skills listed on the American Veterinary Medical Association's and the California Board of Examiners in Veterinary Medicine's Skills, Knowledge and Abilities Tasks List. The appropriate skills are listed on a separate Advanced Directed Clinical Practice Task List. The student is responsible to a supervisor in charge. Clinical work is coordinated by a member of the college staff. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

255 Laboratory Animal Medicine
2 hours lecture, 2 units
Grade Only

Prerequisite: Animal Health Technology 100B and Animal Health Technology 125L and Animal Health Technology 225, each with a grade of "C" or better, or equivalent.

Corequisite: Animal Health Technology 255L.

Limitation on Enrollment: This course is not open to students with previous credit for Animal Health Technology 250.

This lecture course is designed for the second year Animal Health Technology student. The course covers the use of animals in biomedical research with an emphasis on common laboratory species, animal welfare legislation and the philosophy of laboratory

animal management. The course includes handling, restraint, husbandry, care and observation of laboratory species. Methods and procedures involved in laboratory animal breeding, injections, anesthesia, sample collection, medicating, nutrition, euthanasia and necropsy are also covered. Appropriate terminology is included. To continue in the Animal Health Technology Program, students must earn a grade of "C" or better. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

255L Laboratory Animals Medicine Laboratory

**3 hours lab, 1 unit
Grade Only**

Prerequisite: Animal Health Technology 100B and Animal Health Technology 125L and Animal Health Technology 225, each with a grade of "C" or better, or equivalent.

Corequisite: Animal Health Technology 255.

Limitation on Enrollment: This course is not open to students with previous credit for Animal Health Technology 250.

This laboratory animal medicine laboratory course is designed to provide the second year Animal Health Technology student with the opportunity to practice the principles and procedures presented in the Laboratory Animal Medicine (Animal Health Technology 255) lecture. Students apply regulations and ethical principles to various situations. Techniques for the safe and proper animal restraint, anesthesia, injection techniques, and sample collection are introduced and practiced by the student. Students also perform tattooing, ear notching and other procedures commonly utilized in the research setting. Students are required to perform a necropsy following established guidelines. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study

**Hours by Arrangement, 1-3 units
Grade Only**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

This course consists of independent work in animal husbandry or other special projects which will provide the student with individual experiences in animal care and management. This course may be taken four times with different content for a maximum of six units. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

ANTHROPOLOGY (ANTH)

102 Introduction to Physical Anthropology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skills W5 and R5.

This course is a survey of human evolution, variation and adaptation. Emphasis is placed on the study of primates, human heredity, variability of modern populations and fossil records of early hominids and hominoids. This course is the basis for advanced courses in Life and/or Behavioral Sciences or students majoring in Anthropology. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

103 Introduction to Cultural Anthropology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course presents an overview of cultural anthropology using a comparative, cross-cultural approach. Emphasis is placed on the study of how various peoples around the world have adapted to their environments and developed behaviors to meet their biological, economic, psychological, social and political needs. This course is designed for students planning to take advanced courses in Social and/or Behavioral Sciences or students majoring in Anthropology. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

104 Laboratory in Physical Anthropology

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Prerequisite: Anthropology 102 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is intended for anthropology majors, as well as non-majors who have an interest in biological anthropology. Students perform field and laboratory studies in genetics, human variation, human osteology, anthropometry, hominid evolution, comparative primate anatomy, primate behavior, and forensic anthropology. Students practice the ability to think critically through data analysis, written reports, and classroom discussions. In addition, students develop an educational exhibit to teach fellow students about some aspect of biological anthropology. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

107 Introduction to Archaeology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introductory study of the history and theory of archaeology. Emphasis is placed on the techniques of archaeological data collection and analysis, cultural innovations, reconstruction and interpretation of the past and Cultural Resource Management (CRM) work. This course is designed for students planning to major in Anthropology and/or to conduct upper division work in archaeology at a four-year institution. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

115 Introduction to Archaeological Field Work

2 hours lecture, 6 hours lab, 4 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with credit for Anthropology 265: Introduction to Archaeological Field Work.

This course provides an introduction to the basic techniques of archaeological field work, including site survey, site layout, excavation, laboratory analysis, and report writing. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

120 Archaeological Artifact Analysis

2 hours lecture, 3 hours lab, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6.

Limitation on Enrollment: This course is not open to students with previous credit for ANTH 265:

Archaeological Artifacts Analysis or Laboratory Analysis of Archaeological Materials

This course is a practical study of archaeological artifact analysis. Emphasis is placed on artifact typology and seriation methods used in the preparation of archaeological reports. Students learn the most current techniques for describing, classifying, cataloging and documenting archaeological materials. This course is designed for students majoring in anthropology with an emphasis in archaeology and for anyone interested in a career in the field of archaeology or employment in Cultural Resource Management (CRM). (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

200 Introduction to North American Indians

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

This course is a survey of the history and experiences of North American Indian cultures north of Mexico. Emphasis is placed on the development of American Indian comparative ethnology within the larger discipline of cultural anthropology. All North American Indian culture areas are introduced and a number of exemplar cultures are selected for in-depth review. This course is for all students interested in cultural anthropology and/or Native American ethnography. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

205 Introduction to Medical Anthropology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Anthropology 265B. This course presents the cultural forces, among other social motivations, that are powerful influences on health and wellness-related behavior. Medical anthropology is a combined sub-branch of biological and cultural anthropology and is concerned with the application of anthropological and behavioral science theories and methods to address questions about health, illness and healing. This course is designed for students interested in culture, biology, and health. (FT)

Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210 Introduction to California Indians

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a comparative study of numerous Native American cultures located in California and peripherally related cultural areas. Anthropological materials for ethnographic, ethnohistorical, ethnological and archaeological sources will be utilized. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

215 Cultures of Latin America

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

A review of the non-industrialized people living in contemporary Latin America will include Native American Indian cultures in Mexico, Central America and South America in contrast with their peasant Mestizo neighbors, and in turn these cultures in contrast with their urban counterparts. Contemporary anthropological research, ethnohistoric, historic and archaeological data will be used to discover the diversity of cultures throughout Spanish and Portuguese America. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

ARCHITECTURE (ARCH)

100 Architectural Drafting

6 hours lab, 2 units

Grade Only

Advisory: English 48, English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M30.

This course is designed for all students who wish to develop basic hand drafting skills for use in Architectural, Civil Engineering, Construction, Interior Design, and Landscape programs. Topics include lettering, line control, sketching, and use of drafting instruments. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

101 Computer Aided Design and 3D Imaging

2 hours lecture, 4 hours lab, 3 units

Grade Only

This course studies the use of computers in the design process emphasizing three dimensional and photo-realistic illusion. The use of the computer to create and develop spatial concepts is a primary objective of this course. This course will benefit students pursuing degrees in the environmental design fields. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

105 Introduction to AutoCAD

6 hours lab, 2 units

Grade Only

Advisory: Architecture 100 & Computer Business Technology 51, each with a grade of "C" or better, or equivalent.

This course is designed for students who wish to develop computer aided drafting and design skills, using the AutoCAD program, for use in Architectural, Construction, and Interior Design programs. This course concentrates on the 31 most basic two-dimensional drawing commands. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

106 Advanced Computer Aided Drafting I

2 hours lecture, 4 hours lab, 3 units

Grade Only

Prerequisite: Architecture 105 with a grade of "C" or better, or equivalent.

This course is designed for students who wish to develop computer aided drafting and design skills, using the AutoCAD program, for use in Architectural, Construction, and Interior Design programs. This course is a continuation of Architecture 105 designed for students who wish to develop advanced 3D computer aided drafting (CAD) skills. This course expands the foundation developed in Architecture 105 and deals with more complex aspects of the CAD program and its use in the development of architectural construction documents. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

107 Introduction to Revit
1.5 hours lecture, 4.5 hours lab, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Architecture 105 with a grade of "C" or better, or equivalent.

This course is a hands-on study of computer-aided drafting and design (CADD) using various three dimensional (3-D) parametric solid modeling programs, such as Revit and AutoCAD. Emphasis is placed on the use of CADD to electronically assemble projects from instructor-defined programs and to coordinate those drawings into architectural construction documents. This course is designed for architecture, interior design, and building construction technology majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

111 Architectural Production Detailing
1.5 hours lecture, 7.5 hours lab, 4 units
Grade Only

Prerequisite: Architecture 100 with a grade of "C" or better, or equivalent.

Corequisite: Completion of or current enrollment in: Architecture 130, with a grade of "C" or better, or equivalent.

Advisory: English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

Limitation on Enrollment: This course is not open to students with credit for both Architecture 110 and 150. This course presents methods of construction and drafting practices as applied to architectural contract documents concerning foundation plans and details for light wood frame and masonry structures. The course involves use and application of building codes and reference material. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

121 Architectural Practice and Economics
3 hours lecture, 3 units
Grade Only

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

This course presents material relating to the professional fields of architecture, landscape architecture, and construction management. Familiarization with the scope and nature, education, qualifications for registration and responsibilities of those who enter and advance in these professions. Study of the methods of professional architectural business practices as applied to the office structure,

office management, and business economics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

126 History of Ancient World Architecture
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introductory survey of early stone and wood architecture in relation to cultural and aesthetic elements of world civilization. Students of architecture, landscape architecture, anthropology, archaeology, art, history, humanities, interior design, liberal arts, sociology, and travel and tourism as well as persons interested in travel will find this course relevant to their interests. This is a required course for architecture transfer students. Students with credit for Architecture 125 may only take Architecture 126 or 127. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

127 History of World Architecture:
Romanesque through Contemporary
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introductory survey of Romanesque through contemporary architecture. Cultural and aesthetic elements of world civilization are emphasized. Students of architecture, landscape architecture, anthropology, archaeology, art, history, humanities, interior design, liberal arts, sociology, and travel and tourism as well as persons interested in travel will find this course relevant to their interests. This is a required course for architecture transfer students. Students with credit for Architecture 125 may only take Architecture 126 or 127. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

130 Materials of Construction
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of the construction constraints and program criteria for the selection and installation of building materials for residential and commercial

construction projects. This course is intended for architectural design students, design professionals, construction trades people transitioning to supervisory positions, persons preparing for the trades portion of the general contractor's license exam, appraisers and others requiring knowledge of building materials and installation for residential and commercial buildings. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

135 Tree Identification

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This field observation course provides students with the opportunity to observe, identify, and discuss a variety of trees used for landscape architectural design in southern California. Emphasis is placed on developing the student's working knowledge of regional tree nomenclature, identification and ecological requirements as they relate to landscape design and landscape management. This course is designed for students interested in identifying trees for use in landscape design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

136 Shrubs, Vines, Groundcover Identification

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This field observation course provides students with the opportunity to observe, identify, and discuss shrubs, vines, and groundcovers for landscape architectural design in southern California. Emphasis is placed on developing the student's working knowledge of regional plant nomenclature, identification and ecological requirements as they relate to landscape design and landscape management. This course is designed for students interested in identifying plants for use in landscape design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

155 Environmental Design I: Creating Exterior Spaces

**3 hours lecture, 6 hours lab, 5 units
Grade Only**

Advisory: Architecture 100 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Architecture 185. This course is an introduction to environmental design based on aesthetics and functions in the landscape. Emphasis is placed on the basic principles of design, including color theory and site planning. Students create concept drawings, models and color plans. This course is designed for students and professionals interested in garden design, landscape architecture, architecture and related fields. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

170 Architectural Design

**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Mathematics 42 with a grade of "C" or better, or equivalent.

This course is designed for any student interested in environmental design. Students study fundamental form and space concepts of architecture as applied to exercises and simple projects. The development and release of the creative capacities of the student are the primary objectives of this course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Architecture (ARCH) 170, 172, 175, 180, 220 and 221: Any or all of these courses combined: maximum credit, 18 semester units per UC Berkeley's College of Environmental Design.

172 Architectural Design II

**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Prerequisite: Architecture 100 and 170, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Architecture 220 and Mathematics 42, each with a grade of "C" or better, or equivalent. This course is a continuation of Architecture 170 in which more advanced design problems are given to students who have completed Architecture 170. The student designs several architectural projects with emphasis placed on the plan, section and form of the building. Design projects may include various

projects. Contemporary architectural theory is introduced. Students are required to present their design projects to the class. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Architecture (ARCH) 170, 172, 175, 180, 220 and 221: Any or all of these courses combined: maximum credit, 18 semester units per UC Berkeley's College of Environmental Design.

175 Advanced Architectural Design I
3 hours lecture, 6 hours lab, 5 units
Grade Only

Prerequisite: Architecture 172 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels W5 and R5; Architecture 220 and Mathematics 42, each with a grade of "C" or better, or equivalent. This course is a continuation of Architecture 172 in which more advanced design problems are assigned to students who have completed Architecture 172. The student designs several architectural projects with emphasis placed on the plan, section, building form and environmental issues. Design projects may include various regional student architectural competitions. Advanced contemporary architectural theory is presented. Students are required to present their design projects to the class. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Architecture (ARCH) 170, 172, 175, 180, 220 and 221: Any or all of these courses combined: maximum credit, 18 semester units per UC Berkeley's College of Environmental Design.

180 Advanced Architectural Design II
3 hours lecture, 6 hours lab, 5 units
Grade Only

Prerequisite: Architecture 175 and 220, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Architecture 101, 105, 221, and Mathematics 42, each with a grade of "C" or better, or equivalent.

This course, designed for students interested in environmental design, is a continuation of ARCH 170, 172 and 175 in which advanced and more complex design problems are given to students who have completed Architecture 175. The student designs several architectural projects with emphasis placed on the plan, section, building form, environmental issues, urban design issues and energy conservation. Design

projects may include various regional student architectural competitions. Contemporary architectural theory more advanced than that covered in ARCH 175 is introduced. Students are required to present their design problems to the class. 3-D CAD technology is used in this class. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Architecture (ARCH) 170, 172, 175, 180, 220 and 221: Any or all of these courses combined: maximum credit, 18 semester units per UC Berkeley's College of Environmental Design.

190 Environmental Design II: Urban and Community Design
3 hours lecture, 6 hours lab, 5 units
Grade Only

Advisory: English 48 and 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Architecture 155 with a grade of "C" or better, or equivalent.

This course is a study of the basic principles of design, composition and design process in the creation of urban and community spaces. Emphasis is placed on involving students in real design projects within the community and developing business communication skills. Participation in job shadowing with an industry professional is required. This course is designed for any student interested in environmental design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

200 Architectural Detailing
1.5 hours lecture, 7.5 hours lab, 4 units
Grade Only

Prerequisite: Architecture 100 with a grade of "C" or better, or equivalent.

Advisory: Architecture 111 with a grade of "C" or better, or equivalent; and Mathematics 38 with a grade of "C" or better, or equivalent, or Assessment Skill Level M30.

This course is designed for students who wish to develop a knowledge of methods of construction and architectural drafting practices as applied to working drawings of fireplace, doors, windows, cabinets and wood stair details; involves extensive use and application of building codes and reference materials. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

205 Estimating**3 hours lecture, 3 units
Grade Only**

This course examines methods and application in estimating quantities and costs of materials, labor and management. It includes unit and detailed cost estimates. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

220 Graphic Design Communication I**6 hours lab, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a practical study in the development of architectural presentation drawing. Various media may include, but are not limited to, pencil, pen and ink, 3-dimensional (3-D) constructed models and color rendering techniques. This course includes an introduction to digital media techniques as applied to architectural presentation. This course is designed for architecture, landscape architecture and interior design majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Architecture (ARCH) 170, 172, 175, 180, 220 and 221: Any or all of these courses combined: maximum credit, 18 semester units per UC Berkeley's College of Environmental Design.

221 Graphic Design Communication II**6 hours lab, 2 units
Grade Only**

Prerequisite: Architecture 220 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a continuation of Architecture 220. It includes a series of miscellaneous problems designed to develop sketching, drawing and presentation skills as well as the creation of a digital rendering library. Various media may include, but are not limited to, pencil, pen and ink, 3-dimensional (3-D) digital models and color rendering techniques. This course includes an introduction to 3-D modeling and presentation software. This course is designed for architecture, landscape architecture and interior design majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Architecture (ARCH) 170, 172, 175, 180, 220 and 221: Any or all of these courses combined: maximum credit, 18 semester units per UC Berkeley's College of Environmental Design.

226 Architectural Theory**3 hours lecture, 3 units
Grade Only**

Advisory: English 101 or English 105, with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6.

This course examines the theory of contemporary architectural design. Emphasis is placed on comparisons between architectural theory and current practice in the region. Students interview a local architect and present a critique of that architect's work to the class comparing and contrasting it with the theoretical information presented throughout the semester. This class is designed for architecture majors and anyone interested in architectural theory and practice. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

230 Sustainability in the Built Environment**3 hours lecture, 6 hours lab, 5 units
Grade Only**

Prerequisite: Architecture 100 or Interior Design 112A; and Architecture 155 or 177 or Interior Design 115; and Architecture 220 or Interior Design 112B, each with a grade of "C" or better, or equivalent.

Advisory: Mathematics 46 with a grade of "C" or better, or equivalent, or Assessment Skill Level M40.

This course is a study of sustainable building design. Students design and present projects with emphasis placed on current sustainable design methods and technologies. This course is designed for students majoring in architecture, landscape architecture or interior design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

235 Plants and Design**3 hours lecture, 6 hours lab, 5 units
Grade Only**

Prerequisite: Architecture 100 and 136, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Architecture 155 with a grade of "C" or better, or equivalent.

This course is a hands-on study of planting design. Emphasis is placed on the application of historical and contemporary design styles to a variety of environmental conditions. Students design plant combinations to achieve a range of aesthetic, architectural and engineering functions. This course is designed for students and professionals interested in garden design, landscape architecture, architecture, and related fields. (FT) Associate Degree Credit &

transfer to CSU and/or private colleges and universities.

250 Site Engineering

**1.5 hours lecture, 7.5 hours lab, 4 units
Grade Only**

Prerequisite: Architecture 100 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5 and M30.

This course presents methods of construction and architectural drafting practices as applied to site plans. The course content involves legal descriptions, zoning, property line layout, grading, cut and fill, roadways, drainage, site details, and related calculations. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study

**Hours by Arrangement, 1-3 units
Grade Only**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Designed to deal with current problems and topics of special interest in architecture. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

ART—FINE ART (ARTF)

100 Art Orientation

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a survey of the visual arts. Students learn about the different aesthetic approaches, philosophies, and regional and cultural contributions the visual arts field has on societies. Students also learn about different media and art professions. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

107 Contemporary Art

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; and Art-Fine Art 109 & Art-Fine Art 111, each with a grade of "C" or better, or equivalent.

This course provides a survey of contemporary art, examining issues and cultural influences. The emphasis is on the major movements, styles, artists and works of the late 20th and early 21st centuries within the historical context of this period. The course is designed for students interested in contemporary art, as well as for art majors, especially those who are focusing on design, painting, sculpture or ceramics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

109 History of Modern Art

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49 each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5. Art-Fine Art 110 and 111, each with a grade of "C" or better, or equivalent.

This survey course introduces modern art and its relevance to the development of western civilization. It emphasizes the Modernist period and covers major monuments and representative art works from Europe, Russia, and the Americas. This course is intended not only for art students but also for those who are interested in history, humanities, teaching, travel, and cultural enrichment. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

110 Art History: Prehistoric to Gothic

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is designed not only for art students, but also for those who are interested in history, humanities, teaching, travel, and cultural enrichment. It is an introductory survey of the visual arts that are most relevant to an understanding of western civilization, from prehistoric Africa and Europe through the Gothic period. It includes major monuments and representative artworks from Mesopotamia, Iran, Egypt, the Aegean and Greece. Also included are the Hellenistic, Roman, early Christian, Byzantine, and Islamic worlds and art work

from early Medieval, Romanesque, and Gothic Europe. Material is presented in illustrated lectures. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

111 Art History: Renaissance to Modern

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is designed not only for art students, but also for those who are interested in history, humanities, travel, and cultural enrichment. It is an introductory survey of the visual arts that are recognized as salient in the development of western civilization from the Renaissance to the early twentieth century. The art styles covered in the course include Renaissance, Mannerism, Baroque, Rococo, Neo-Classicism, Romanticism, Impressionism, post-Impressionism, and early twentieth century Modern movements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

113 African, Oceanic, and Native American Art

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introduction to the art of selected peoples of Africa, Oceania, and Native North America, stressing their cultural wealth and diversity. The course introduces specific groups from each of these areas of the world and focuses on the differing roles of the visual arts within each culture. The historical depth and religious, economic, or political orientation of each art tradition is explored so that the student is introduced to the complexity of this field of study. This course is designed for art majors who are interested in non-western cultures as well as for students from a variety of backgrounds and disciplines, including history, ethnic studies, humanities, and education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Fine Art (ARTF) 113 and 120 combined: maximum credit, one course.

115 African Art

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is designed not only for art students, but also for those who are interested in history, religion, philosophy, humanities, and cultural enrichment. It is an introduction to the background, aesthetics, styles and iconography of African art. It covers a selected group of cultures throughout the continent, with an emphasis on sub-Saharan West and Central Africa. Classroom lectures are illustrated. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Fine Art (ARTF) 115 and 120 combined: maximum credit, one course. Fine Art (ARTF) 115 and Black Studies (BLAS) 111 combined: maximum credit, one course.

120 Native American Indian Art

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course provides for a study of Native American Indian art forms embracing the history, myth, and tribal cultures as found in pottery, textiles, wood and stone carving, basket-making, and jewelry. North America's unique contributions to art history are explored through an introduction to Native North American art and architecture from the prehistoric period to the present. This course is designed for art majors but may also be of interest to students who are interested in archeology, religion, philosophy, and Native American cultures. Classroom lectures are illustrated. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Credit may only be granted for either Art- Fine Art (ARTF) 113 or 115 and 120 combined.

125 Art History: Arts of the Asian Continent

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course provides a survey of paintings, sculpture, architecture, and associated fine arts from India, China, Japan, and other countries throughout the Asian continent. It emphasizes the social, religious, and political highlights of each culture and their

effects on art forms from prehistoric to modern times. This course is designed not only for art students, but also for those who are interested in history, religion, philosophy, humanities, and cultural enrichment. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

150A Two-Dimensional Design

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6. This course is an introduction to two-dimensional space and form. Emphasis is placed on ways of organizing visual space into vivid and coherent images. This course is designed for students beginning a study of art and/or related disciplines. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

150B Beginning Graphic Design

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Fine Art 150A with a grade of "C" or better, or equivalent.

This is an introductory class in graphic communication which uses the computer as a tool for building and editing images. As in Art 150A, students address problems of visual form and organization, but with an emphasis in this course on visual constructions which convey information, and on type and text as graphic components of those constructions. This is a core course for art majors and would be useful for anyone interested in computer graphic applications. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

151 Three-Dimensional Design

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Art-Fine Art 150A, with a grade of "C" or better, or equivalent.

This introduction to design in three dimensions continues the investigation of elements and principles of visual organization begun in Art 150A. Students learn to solve design problems using a variety of three-dimensional materials, and a variety of

approaches to three-dimensional structure. This is a foundation course for students planning to major in art, and a useful course for all students interested in building visually coherent three dimensional objects. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List

152 Color Theory

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Art-Fine Art 150A with a grade of "C" or better, or equivalent.

This course is an introduction to color theory—the systematic study of color differences, dimensions, and relationships—to the study of color harmonies and discords, and to the development of strategies for achieving specific color effects. This is a course for painters and designers, and for anyone interested in making color choices. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

155A Freehand Drawing I

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course introduces anyone with an interest in drawing to the techniques and theory they need to create naturalistic drawings in various media. It provides students with the means to see and describe the world three-dimensionally using lines and differences in dark and light, and it provides students with compositional strategies for making their depictions more meaningful and effective. No previous art experience is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

155B Freehand Drawing II

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Art-Fine Art 155A with a grade of "C" or better, or equivalent.

This course builds upon the technical and compositional means introduced in 155A. It differs from 155A in its range of media and form, and in its emphasis on helping students find individual

solutions to particular problems of graphic representation and expression. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

161A Museum Studies/Gallery Exhibition Skills I

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course provides theory, instruction, and practical experience in all aspects of design and installation of art exhibitions. This course is also designed to give an overview of the history, functions and operations of art museums. The course is intended for art majors who are interested in exhibiting in galleries, as well as for other students seeking to learn the principles of curating and the functioning of museums. Under the guidance of the instructor, students participate in the installation of three exhibitions per semester. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

161B Museum Studies/Gallery Exhibition Skills II

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 161A with a grade of "C" or better, or equivalent.

This course is a continuation of Fine Art 161A. It provides for more extensive understanding of the theory of exhibit display and additional practical experience in all aspects of installation of art exhibitions than in the first course. This course is also designed to examine in detail the functions and operations of art museums and other arts organizations. The course is intended for students planning to pursue a degree or a career in arts administration. Under the guidance of the instructor, students participate in the installation of three exhibitions per semester, taking increasing responsibility with each installation, including overseeing project designs created in the beginning class (ARTF 161A). Students develop and install an exhibit of their own choosing as their final project. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

163 Art Museum/Gallery Internship

**192 hours other, 4 units
Grade Only**

Prerequisite: Art-Fine Art 161B with a grade of "C" or better, or equivalent.

This course provides directed professional experience in an art museum or gallery in the San Diego area. Emphasis is placed on the practical application of skills related to exhibit installation and development of all aspects of an art exhibition. This course is designed for art majors and anyone interested in museum studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

165A Composition in Painting I

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/no pass Option**

Prerequisite: Art-Fine Art 155A with a grade of "C" or better, or equivalent.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6; Art-Fine Art 150A with a grade of "C" or better, or equivalent.

This course is an introduction to oil and acrylic painting methods and techniques. Emphasis is placed on composition, color, and application of general design principles. A variety of subject matter, such as still-life, landscape, portrait and non-objective subjects, and a variety of stylistic approaches such as cubism, collage, realism and expressionism are explored. This course is designed to develop students' creative abilities and critical thinking in visual terms. This course is intended for students pursuing an Associate in Arts degree, preparing for a major in Art, and those who wish to improve their artistic skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

165B Composition in Painting II

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 165A with a grade of "C" or better, or equivalent.

Advisory: English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level W5; and Art-Fine Art 150A and 155A, each with a grade of "C" or better, or equivalent.

This course continues the introduction to oil/acrylic painting methods begun in Art 165A and provides for the continued development of concepts of pictorial space, composition, and color. The course is designed to further develop students' creative abilities and critical thinking through the construction of images

designed to address specific pictorial problems and goals. This course is intended for students who are preparing for a major in Art as well as for those who wish to improve their artistic skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

165C Composition in Painting III

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 165B with a grade of "C" or better, or equivalent.

Advisory: English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level W5; and Art-Fine Art 150A and 155A, each with a grade of "C" or better, or equivalent.

This course continues the study begun in Art 165A and 165B of oil/acrylic painting methods and techniques. Composition, color, and application of general design principles are explored at a more advanced level of creativity and sophistication. A variety of subject matter such as still life, landscapes, portraits and non-objective subjects, and a variety of stylistic approaches such as cubism, collage, realism, and expressionism are explored. The course is designed to develop students' creative abilities and critical thinking in visual terms through the use of individual assignments tailored to students' skills. The course is intended for students who are preparing for a major in art, as well as for those who wish to improve their artistic skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

165D Composition in Painting IV

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 165C with a grade of "C" or better, or equivalent.

Advisory: Art-Fine Art 150A and 155A, each with a grade of "C" or better, or equivalent.

This course is the culmination of a four-semester sequence of study of oil/acrylic painting methods and techniques. The student continues to explore and develop skills and techniques in subject matter such as still-life, landscape, portrait, and non-objective subject matter, demonstrating an advanced level of creativity and critical thinking in visual terms. This course is intended for students preparing for a major in Art and may also be of interest to those who wish to improve their artistic skills. (FT) Associate Degree

Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

174A Book Arts I

**1.5 lecture hours, 4.5 lab hours, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art-Fine Art 150A with a grade of "C" or better, or equivalent.

This is an interdisciplinary course for art students and others who are interested in book arts. The course offers an investigation of the visual form, physical structure, and expressive potential of the artist-made book, including essential elements, tools, and processes. Students construct books in Western and Asian traditions and use these concepts to create unique forms. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

175A Sculpture I

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art-Fine Art 150A with a grade of "C" or better, or equivalent.

This course is an introduction to sculptural materials, processes and forms. The course helps students to appreciate the shapes and functions of sculpture (past and present) in the context of hands-on experience. This course is intended for transfer students planning to major in art and for all students interested in working in three-dimensional media. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

175B Sculpture II

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art-Fine Art 175A with a grade of "C" or better, or equivalent.

This course continues the introduction to sculptural materials, processes and forms begun in Art 175A. It differs from 175A in that it requires that students show more initiative in their selection and pursuit of sculptural goals, that they be more articulate in defining these goals, and that they extend their sculptural reach to include either new sculptural forms or new sculptural materials. This course is intended for transfer students planning to major in art and for all students interested in working in three dimensional media. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

175C Sculpture III**1.5 hours lecture, 4.5 hours lab, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: Art-Fine Art 175B with a grade of "C" or better, or equivalent.

This course continues the acquaintanceship with sculptural materials, processes and forms begun in Art 175A and 175B. It differs from 175B in that it requires that students show more self-reliance in their selection and pursuit of sculptural goals, and that the goals they select be more complex and ambitious.

This course is intended for transfer students planning to major in art and for all students interested in working in three-dimensional media. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

190A Black and White Art Photography**1.5 hours lecture, 4.5 hours lab, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level W5.

Photography is taught as a medium for self-exploration and self expression. The course emphasizes the art making-process, in which photographic images and concepts are discussed within social, historical, aesthetic, and technical contexts as well as within the context of photographic genres. Technical instruction is provided in camera operation and exposure, darkroom procedures for film and print development, and print presentation. This course is intended for students preparing for a major in art as well as those interested in photography. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

191 Cultural Influences on Photography**3 hours lecture, 3 units****Grade Only**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6; Art-Fine Art 190 with a grade of "C" or better, or equivalent.

This course is a study of the emergence of photographic traditions within the context of the social, political, economic and scientific forces that have influenced particular genres in the medium. Emphasis is placed on the interrelation of photography and art and focuses on the evolution of major historical types and schools of image making and their relationship to prevailing cultural concerns. This interpretive analysis of significant developments in photography is structured as a balance of lectures,

slide presentations and discussion. The course is designed for photographic art majors and all art students interested in improving their ability to understand and discuss photography's unique historical, material and narrative potential. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

194 Critical Photography**3 hours lecture, 3 units****Grade Only**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6; Art-Fine Art 190A with a grade of "C" or better, or equivalent.

This course examines principles of art criticism and uses the critical process in conceptualizing and producing photographic images. It explores photographic theory and its application to interpreting and evaluating photographic media. Aesthetic and ethical concerns are presented using historical references and perspectives that allow students to place their own work within the context of contemporary critical issues/concerns. The course examines traditional schools of image making and contemporary thinking and practice as a means to broaden the student's ability in composition, presentation and use of light. This course is designed for photographic art majors and all art students interested in honing their art criticism and studio skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

195A Ceramics I**1.5 hours lecture, 4.5 hours lab, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introductory level ceramics course in which students design and construct hand-built and wheel-thrown ceramic objects. Students learn form and surface enrichment, use glazes, and load kilns. This course is designed to meet art major and transfer requirements for ceramic or art majors and also serves students interested in developing ceramic skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

195B Ceramics II**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 195A with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an intermediate level ceramics course in which students design and construct wheel thrown and handbuilt ceramic objects emphasizing form and surface enrichment, use molds, weigh, mix and use glazes, as well as load kilns and fire electric kilns. This course is designed for major requirements and transfer by ceramic or art majors and for students interested in developing ceramic skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

196 Clay and Glaze Technology**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 195A with a grade of "C" or better, or equivalent.

Advisory: Art-Fine Art 195B or Art-Fine Art 197B with a grade of "C" or better, or equivalent.

This is a survey of technical processes in ceramics that introduces students to basic and advanced techniques of glaze formulation, mixing, and testing. The course also acquaints students with the composition of clays, stains, and engobes and how these respond to different kilns and firing conditions. This course is designed to help ceramics majors and other interested students understand the physical and chemical nature of ceramic materials. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

197A Handbuilding Ceramics I**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 195A with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course provides instruction in the design and construction of hand-built ceramic forms. Students create ceramic forms emphasizing form and surface enrichment, while gaining experience applying glazes and loading kilns. This course is designed for art majors and for students interested in developing ceramic skills. (FT) Associate Degree Credit & transfer

to CSU and/or private colleges and universities. UC Transfer Course List.

197B Handbuilding Ceramics II**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 197A with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an intermediate level ceramics course in which students design and construct hand-built ceramic forms emphasizing form and surface enrichment, weigh, mix and use glazes, as well as load kilns and fire electric kilns. This course is designed for major requirements and transfer by ceramic or art majors and for students interested in developing ceramic skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

198A Introduction to Printmaking I**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art-Fine Art 150A and 155A, each with a grade of "C" or better, or equivalent.

This course is an introduction to the basic printmaking media of intaglio, relief, and monoprinting and is designed for art students and anyone interested in printmaking. Students study techniques to create and print plates; investigate papers and select for properties; analyze, formulate and compare aesthetic strategies for image-making; and practice principles of editioning and conservation of prints. This course satisfies requirements for the major in art with a two-dimensional or design emphasis. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

198B Introduction to Printmaking II**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art-Fine Art 198A with a grade of "C" or better, or equivalent.

This course builds on basic skills learned in Fine Arts 198A. More complex processes such as photo intaglio, collagraph, and reduction color relief will be introduced. Students apply aesthetic criteria in analyzing their creative choices and examine contemporary printmaking in world cultures. This course is a recommended elective for students preparing to major in fine art with an emphasis on

two-dimensional and graphic design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

198C Introduction to Printmaking III

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 198B with a grade of "C" or better, or equivalent.

This course focuses on developing a personal visual language using the knowledge gained from 198A and 198B. Print processes of advanced complexity such as multiple-plate intaglio, double drop printing, mezzotint, and white ground are addressed. Students experiment with combining print media, investigate U.S. print houses, and create a cohesive body of artwork for presentation. This course is intended for students who are preparing for a major in art as well as others who wish to develop their knowledge of printmaking. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

200 Photographic Composition and Theory

**1.5 hours lecture, 4.5 hours lab, 3 units
Grade Only**

Prerequisite: Art-Fine Art 190A with a grade of "C" or better, or equivalent.

This course is an advanced study of the theory and practice of black and white photographic image making. Emphasis is placed on increasing students' visual literacy with black and white photography from both technical and conceptual perspectives. Topics include composition, creative control of materials, light logic and advanced photographic theory. This course is intended for art majors and all those interested in increasing their competency in photographic image making, exploring new methodologies and producing gallery-level art work. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210A Life Drawing I

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Art-Fine Art 150A and 155A, each with a grade of "C" or better, or equivalent.

This basic course in figure drawing helps students understand form, structure, and proportions of the human figure as they apply to visual expression. Students learn about human anatomy and physical

features, composition and perspective, and developing and evaluating their personal style. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210B Life Drawing II

**1.5 hours lecture, 4.5 hours lab, 3 units
Grade Only**

Prerequisite: Art-Fine Art 210A with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Art-Fine Art 150A and 155A, each with a grade of "C" or better, or equivalent.

This course is a continued study and refinement of skills and concepts acquired in ARTF 210A. Students develop the skills needed to successfully draw the human form. Areas covered include further study of the skeletal and muscular systems in humans, perception of form, contour drawing, and modeling. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210C Life Drawing III

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Figure drawing and composing related to the individual interests of the student. Enrollment based upon space availability and previous high achievement/portfolio. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

220A Life Sculpture I

**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art-Fine Art 150A with a grade of "C" or better, or equivalent.

This is an introduction to the naturalistic and dynamic representation of the human body. Students sculpt from observation of live, nude models in poses of extended duration. In the process, students come to understand seeing as a learned skill. This course is intended for transfer students planning to major in art and for all students interested in the problems inherent in representing what they see. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

220B Life Sculpture II**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 220A with a grade of "C" or better, or equivalent.

This course continues the introduction to naturalistic and dynamic representation of the human body (done from observation of live models in poses of extended duration) begun in Art 220A. This course is intended for transfer students planning to major in art and for all students interested in developing skills of naturalistic representation. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

220C Life Sculpture III**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Art-Fine Art 220B with a grade of "C" or better, or equivalent.

In this course students learn to extend their skill in representing the human figure convincingly in three dimensions (developed in Art 220A and Art 220B) to naturalistic representation in more than one style. This course is intended for transfer students planning to major in art and for all students interested in developing sophisticated skills of naturalistic representation. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

231 Introduction to Digital Art**2 hours lecture, 4 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art- Fine Art 150A and 150B, each with a grade of "C" or better, or equivalent.

Advisory: Concurrent enrollment in: Multimedia 101.

This course provides an overview of digital art strategies and practices and their relationship to traditional fine art practices. Students learn about the development of computer technology and its impact on contemporary art since the 1960s. Discussions and studio assignments encompass digital imaging strategies, software art, teleconference art, interactive art, immersive installation art, web art/distance art and activism. Motion-based media such as digital animation and digital video are also discussed. This course is designed for students interested in digital art. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

232 Introduction to Digital Drawing and Painting**2 hours lecture, 4 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art- Fine Art 155A and 231, and Multimedia 101, each with a grade of "C" or better, or equivalent.

Advisory: Concurrent enrollment in: Art- Fine Art 150A and 165A.

This course provides an overview of digital art strategies and practices and their relationship to traditional fine art drawing and painting. Students produce digital drawings and paintings using digital raster and vector based applications to creatively replicate and expand traditional drawing and painting media. Students extend and explore the hand drawn mark and painted surface in the digital realm. This course is designed for fine art and multimedia students. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

233 Introduction to Digital Photographic Imaging**2 hours lecture, 4 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art- Fine Art 150A, 190A and 231, and Multimedia 101, each with a grade of "C" or better, or equivalent.

This course provides an overview of digital photographic art strategies and practices and their relationship to traditional photographic fine art practices. Students learn about the digital camera, digital photo image processing, digital photomontage, and mixed media compositions. The students are introduced to the manipulation and production of digital image compositions using software applications such as Adobe Photoshop to extend traditional photographic art strategies. This course is designed for fine art and multimedia students. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

260 Studio Art Studies**1.5 hours lecture, 4.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Art-Fine Art 155B, 165D, 175C, 190A, 197B, 198C or 231.

This course is intended for advanced art students. Students enrolled in this course work closely with the instructor to develop a transfer portfolio, artist statement, curatorial concept and/or resume

exhibition list. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

280A 2-Dimensional Art Studio Lab

**3 hours lab, 1 unit
Pass/No Pass Only**

Corequisite: Art-Fine Art 150A, 152, 155A, 155B, 165A, 165B, 165C, 165D, 198A, 198B, 198C, 210A, 210B or 210C.

This course is a supervised studio laboratory in 2-dimensional media. Emphasis is placed on technical refinement of personal drawing and painting skills. This course is designed for fine art majors. This course may be taken four times for credit. Students must demonstrate increased proficiency with each repetition. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

280B 3-Dimensional Studio Lab

**3 hours lab, 1 unit
Pass/No Pass Only**

Corequisite: Art-Fine Art 151, 175A, 175B, 175C, 220A, 220B or 220C.

This course is a supervised studio laboratory in 3-dimensional media. Emphasis is placed on technical refinement of fabrication skills specific to the various media explorations presented in the accompanying courses. This course is designed for fine art majors. This course may be taken four times for credit. Students must demonstrate increased proficiency with each repetition. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

280C Ceramics Studio Lab

**3 hours lab, 1 unit
Pass/No Pass Only**

Corequisite: Art-Fine Art 195A, 195B, 197A or 197B.

This course is a supervised studio laboratory in ceramics. Emphasis is placed on technical refinement of personal ceramic skills. This course is designed for fine arts majors. This course may be taken four times for credit. Students must demonstrate increased proficiency with each repetition. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

280D Digital Art Studio

**3 hours lab, 1 unit
Pass/No Pass Only**

Corequisite: Art-Fine Art 150B, 231, 232 or 233.

This is a supervised studio laboratory in digital art and graphic design. Emphasis is placed on the technical refinement of digital imaging skills. This course is

designed for fine art majors. This course may be taken four times for credit. Students must demonstrate increased proficiency with each repetition. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

280E Museum Studies Lab

**3 hours lab, 1 unit
Pass/No Pass Only**

Corequisite: Art-Fine Art 161A, 161B or 163.

This course is a supervised studio laboratory in digital support for Museum Studies. Emphasis is placed on the exploration and refinement of technical skills specific to the creation of digital documents that support museum and art exhibits. This course is designed for fine art majors. This course may be taken four times for credit. Students must demonstrate increased proficiency with each repetition. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

280F Photography Studio Lab

**3 hours lab, 1 unit
Pass/No Pass Only**

Corequisite: Art-Fine Art 190A

This course is a supervised studio laboratory for students concurrently enrolled in Art Department Photography classes. Emphasis is placed on the refinement of students' photographic and visual development in film processing, printing, studio work and print finishing. This course is designed for fine art majors. This course may be taken four times for credit. Students must demonstrate increased proficiency with each repetition. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

281 Issues in Visual Art (Lab)

**3-6 hours lab, 1-2 units
Letter Grade or Pass/No Pass Option**

The presentation of selected topics in the visual arts that are of student interest and/or importance in art. Specific areas for investigation will be announced in the class schedule for each semester. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study

**Hours by Arrangement, 1-3 units
Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration. Requires consent of the department.

Open only to those students who have exhausted departmental offerings in their areas of emphasis. This course may be taken four times with different content for a maximum of six units. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Asian Studies

An interdisciplinary approach
(See selected courses in English, History, Humanities, Language Arts, Music, and Philosophy)

Asian Pacific American Studies

An interdisciplinary approach
(See selected courses in Filipino Studies and History)

ASTRONOMY (ASTR)

101 Descriptive Astronomy

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

This course is an introductory survey of contemporary astronomy. Topics covered include the solar system, stars and stellar evolution, the Milky Way galaxy and cosmology. This course is designed for students planning to take advanced courses in the Physical and Earth Sciences and for transfer students planning to major in astronomy. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

109 Practice in Observing

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Corequisite: Completion of or concurrent enrollment in: Astronomy 101 with a grade of "C" or better, or equivalent.

This laboratory course, emphasizing field experience, includes constellation study, interpretation of celestial cycles, and descriptive observations (with and without telescopes) of a wide variety of astronomical objects and events. The course is designed to supplement

Astronomy 101 as a general-education laboratory course in the natural science area. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Astronomy (ASTR) 109 and 111 combined: maximum credit, one course.

111 Astronomy Laboratory

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Corequisite: Completion of or concurrent enrollment in: Astronomy 101 with a grade of "C" or better, or equivalent.

This laboratory course features exercises and experiments covering topics ranging across the spectrum of astronomy. The course deals with the foundations of astronomy, and may include telescopes, planetary astronomy, stellar astronomy and galactic astronomy. Indoor exercises may involve computer simulations. Outdoor exercises may be required. The course is designed to supplement Astronomy 101 as a general education laboratory course in the natural science area. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Astronomy (ASTR) 109 and 111 combined: maximum credit, one course.

290 Independent Study

Hours by Arrangement, 1-3 units

Letter Grade or Pass/No Pass Option

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

This course provides for additional research and academic experiences for students with special interests. The course consists of individualized research problems, conferences with the instructor at prearranged intervals and a final written exam or report on the work completed. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

BIOLOGY (BIOL)

100 Natural History — Environmental Biology **3 hours lecture, 3 hours lab, 4 units** **Letter Grade or Pass/No Pass Option**

Advisory: Completion of or concurrent enrollment in: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Lecture topics include basic principles of ecology, the nature of the physical environment, the aquatic environments, the terrestrial environments and population dynamics. This is a community approach, fitting organisms into their proper role in nature. The laboratory is coordinated with lectures emphasizing the plant and animal communities of Southern California. Several field trips will be required, some on the weekend. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Biology (BIOL) 100 and 120 combined: maximum credit, one course.

107 General Biology - Lecture and Laboratory **3 hours lecture, 3 hour lab, 4 units** **Grade Only**

Advisory: English 48 and English 49 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5 and M40.

Limitation on Enrollment: This course is not open to students with credit for Biology 103, 104, or 105, 106, or 210A and 210B.

This course is an examination of living organisms and their environment. The lecture and laboratory are intended for students planning on taking more advanced courses in the Life Sciences or students majoring in Education, Child Development, Physiological Psychology, or related areas. Topics that are emphasized in this course include the fundamental chemical and physical processes common to all living organisms, the interactions between organisms and their environment, classical and molecular genetics, metabolism, plant and animal anatomy and physiology, animal behavior, evolution, cellular and molecular biology, and the experimental and cognitive processes used to examine these fields. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: No credit for Biology (BIOL) 105, 106 or 107 if taken after 210A, 210B.

110 Introduction to Oceanography **3 hours lecture, 3 units** **Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is an introductory course designed to acquaint the student with general oceanography. The topics include history of oceanography, sea floor properties, plate tectonics, properties of sea water, ocean currents, waves and tides, life in the sea, pollution, and the significance of the oceans to humans. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

115 Marine Biology **3 hours lecture, 3 hours lab, 4 units** **Grade Only**

Advisory: Completion of or concurrent enrollment in: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course in biology is designed to serve as an elective in the natural sciences. This is a survey of the marine organisms, emphasizing their natural history and special adaptations to the ocean environment. Topics include the marine environment, plankton, marine plants, marine invertebrates, fishes, marine birds, and marine mammals. Several field trips are required to local marine habitats, Sea World, Stephen Birch Aquarium and the Natural History Museum. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

120 The Environment of Man **3 hours lecture, 3 units** **Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is an introductory course that examines the immediate and long-range causes and effects of air, water, and land pollution on the environment and human health. The course also explores basic concepts of ecology, overpopulation, natural resources, and the sustainability of the environment and its biodiversity. The study of positive solutions to the ecological dilemma is addressed. This course is designed for general students interested in the environment and for those students majoring in environmental sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and

universities. UC Transfer Limitation: Biology (BIOL) 100 and 120 combined: maximum credit, one course.

130 Human Heredity

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course introduces students to the concepts and applications of human heredity. It deals with both classical Mendelian genetics and modern molecular genetics. Topics include gamete formation, human karyotypes, genetic crosses, sex-linked inheritance, structure and function of DNA and RNA, gene expression, transcription and translation, genetic engineering, and population genetics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

160 Elements of Human Anatomy and Physiology

3 hours lecture, 3 hours lab, 4 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with credit for Biology 230 or 235.

This introductory course in human body structure and functions helps students prepare for health occupations such as radiological technician, physical therapy assistant, medical records technician, and medical laboratory technician. Students learn about the following systems: integumentary, skeletal, muscular, nervous, endocrine, reproductive, cardiovascular, lymphatic, respiratory, excretory, and digestive. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

180 Plants and People

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is an introductory course that examines the interdependence of humans and plants. This course is intended for all that want to learn about the uses of plants, especially those students with an interest in biology, anthropology, environmental sciences, and/or agriculture. Emphasis is on plant ecology as well as the basic biology of plant groups that provide us with food, medicine, recreation, decoration, and material

goods as well as those that produce stimulating, intoxicating, or harmful effects. Basic principles of taxonomy, cell structure, plant physiology, plant anatomy, ecology and genetics are explored as they relate to these plants. Current environmental and economic issues and the role of molecular genetics in future plant development and the importance of genetic diversity are also examined. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Credit will only be granted for either Biology (BIOL) 180 or 215 and 250 combined. No credit for Biology (BIOL) 180, 215 or 250 if taken after 210A or 210B.

200 Biological Statistics

2 hours lecture, 3 hours lab, 3 units

Grade Only

Prerequisite: Biology 107 or 210A; and Mathematics 116, each with a grade of "C" or better, or equivalent.

This is an introductory course in statistics using biological examples and experimental design. Students learn methods and gain experience in defining and solving quantitative problems in biology. Descriptive and inferential statistics, basic probability, binomial and normal distributions are introduced. Students learn to estimate population parameters, test hypotheses, linear regression and correlation using clinical and biological data and experiments. This course is applicable for biological science majors and required for preparation for San Diego State University biology majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 119, Biology (BIOL) 200 or Physics (PHYS) 258 combined: maximum credit, one course.

205 General Microbiology

3 hours lecture, 6 hours lab, 5 units

Grade Only

Prerequisite: Biology 107 and Chemistry 100 and 100L or Chemistry 152 and 152L, each with a grade of "C" or better, or equivalent.

This introductory course covers fundamental aspects of microbiology including taxonomy, structure, physiology, reproduction, genetics, control, immunology, diversity, and host-symbiont relationships. Lab work emphasizes basic techniques for culturing, staining, counting, and identifying microorganisms. This course is intended for students pursuing careers in allied health fields and may meet entry requirements for these allied health fields. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210A Introduction to the Biological Sciences I
3 hours lecture, 3 hours lab, 4 units
Grade Only

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50; and Chemistry 152 and Chemistry 152L, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and concurrent enrollment in Chemistry 200 and Chemistry 200L.

This course covers biological chemistry, cell structure and function, cellular metabolism, classical and molecular genetics, and evolutionary biology. This is the first semester of a two-semester sequence designed for biological science and pre-professional majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210B Introduction to the Biological Sciences II
3 hours lecture, 3 hours lab, 4 units
Letter Grade or Pass/No Pass Option

Prerequisite: Biology 210A with a grade of "C" or better, or equivalent; and Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50.

This is an introductory course which is a continuation of Biology 210A. This course emphasizes the developmental and physiological processes of the Five Kingdoms, the phylogenetic relationships of major evolutionary groups of organisms, behavior, and ecological principles including population and community ecology. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

215 Introduction to Zoology
2 hours lecture, 6 hours lab, 4 units
Letter Grade or Pass/No Pass Option

Prerequisite: Biology 107 with a grade of "C" or better, or equivalent.

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

This is an introductory course that surveys the basic principles of animal biology. These principles include morphology, life processes and evolutionary relationships of the invertebrates and vertebrates. Laboratories include the identification of organisms, dissection and recognition of the anatomy of varied animal representatives, embryological development, histology, behavior and physiology. This course is designed for Biology Majors and for students seeking to satisfy degree requirements in allied health and animal sciences majors. (FT) Associate Degree Credit &

transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Credit will only be granted for either Biology (BIOL) 180 or 215 and 250 combined. No credit for Biology (BIOL) 180, 215 or 250 if taken after 210A or 210B.

230 Human Anatomy
2 hours lecture, 6 hours lab, 4 units
Grade Only

Prerequisite: Biology 107 or Biology 160, each with a grade of "C" or better, or equivalent.

This course is a systems approach to the study of human body structure from the microscopic level of organization to the gross level. Structure related to function from study of histological slides, photomicrographs, anatomical models and charts, and mammalian (cat) dissection. This course is intended to meet the requirements of students in the fields of nursing, physical therapy, recreational therapy, occupational therapy, athletic training, chiropractic, psychology, physical education, and biology or those who wish to extend their knowledge of the human body beyond the scope of introductory biology. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

231 Media Experiences in Human Anatomy
1 hour lecture, 1 unit
Pass/No Pass Only

Corequisite: Biology 230.

Independent study of computer software, CD-ROMs, photomicrographs, videotapes, microscope slides, anatomical models, and graphics to further informational background in human anatomy. This course is intended to meet the requirements of students in the fields of nursing, physical therapy, recreational therapy, occupational therapy, athletic training, chiropractic, psychology, physical education, and biology or those who wish to extend their knowledge of the human body beyond the scope of introductory biology. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

232 Experience in Human Dissection
3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option

Prerequisite: Biology 230 with a grade of "C" or better, or equivalent.

Advisory: Preregistration counseling with instructor is highly recommended.

This course provides a supervised study and actual experience in human dissection. Mastery of dissection

techniques and human anatomy at this level assists students pursuing careers in nursing, medicine, and other allied health professions. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

235 Human Physiology

**3 hours lecture, 3 hours lab, 4 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Biology 107 with a grade of "C" or better, or equivalent.

Advisory: Biology 230 and Chemistry 100 and 100L, each with a grade of "C" or better, or equivalent.

This is an introductory course which investigates the functions of the human body with emphasis on the nervous, endocrine, muscular, cardiovascular, respiratory, digestive, excretory and reproductive systems. This course is intended to meet requirements for students in the fields of nursing, paramedical sciences, psychology, biology and physical education. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

250 Introduction to Botany

**2 hours lecture, 6 hours lab, 4 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introduction to the fundamental principles of the anatomy, development, physiology, reproductive biology, ecology and evolution of the major plant groups, with emphasis on the flowering plants. The course is targeted towards students with no previous college level biology, but is also appropriate as a lower division course for biology majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Credit will only be granted for either Biology (BIOL) 180 or 215 and 250 combined. No credit for Biology (BIOL) 180, 215 or 250 if taken after 210A or 210B.

255 California Plants

**3 hours lecture, 3 hours lab, 4 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of both native and ornamental plants of Southern California and the groups to which they belong. The course emphasizes techniques of plant identification, collection, preservation, and the discussion of habitat preferences and plant associations. Frequent field trips are scheduled during laboratory periods. Some all-day Saturday field trips may be substituted for the regularly scheduled laboratory periods. This course is for students with an interest in the flora of Southern California and for those students majoring in landscape design, environmental science, and botany. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

290 Independent Study

**Hours by Arrangement, 1-3 units
Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

A student may sign up for 1 to 3 units each semester for a maximum of 6 units. For advanced students in biology who wish to continue with a special investigation. The course consists of individualized research problems, conferences with the instructor at prearranged intervals and a final report on the work completed. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

BLACK STUDIES (BLAS)

100 Introduction to Black Studies

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

This course is a survey of the Black Studies discipline including its social and academic origins, goals and development. Emphasis is placed on providing students with an understanding of the fundamental areas of study within the field and of the interdisciplinary approach to studying the African experience in America and the world. This course is intended for students who wish to major in Black Studies and/or who wish to gain general knowledge of the Black experience. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

104 Black Psychology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introduction to psychological concepts and principles as they relate to African American behaviors and lifestyles. Emphasis is placed on comparing Euro-American theories as they have been traditionally applied to African Americans with contemporary Afri-centric theories and the ways in which they may be applied to create a greater understanding of the behaviors, lifestyles and psychological needs of African Americans. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Psychology (PSYC) 101 and Black Studies (BLAS) 104 combined: maximum credit, one course.

110 Afro-American Art

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

An historical approach to the foundations of the Art of Black Americans from 1650 to present, including the influence of African and European art styles and traditions. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

111 African Art History

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

Surveys the art styles and cultural traditions of various African cultures from 4,000 BC to the present. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Black Studies (BLAS) 111 and Art-Fine Art (ARTF) 115 combined: maximum credit, one course.

116 Contemporary Social Problems from a Black Perspective

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

A sociological analysis of institutional variation and the process of social change, and how it affects the Black American. An exploration of those group variations in life style which cannot be accounted for by social condition. Emphasizes contemporary urban situations. An examination of the relations between various racial, cultural, ethnic, and minority groups. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

120 Black Music

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of African American musical forms and styles in historical perspective. Emphasis is placed on providing students with an understanding and appreciation for the African roots of a variety of African American music genres. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

125 Dynamics of the Black Community

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Involves the active participation of the student in an effort to sensitize him/her to the needs of the Black community. The student participates in projects, attends outside lectures and conferences, and becomes actively involved in the community

development. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

130 The Black Family

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of the African American family. Emphasis is placed on the socio-cultural and psychological issues surrounding the history of the Black family in America and contemporary African American dating, marriage and divorce patterns, gender roles and extended family, kin and community networks. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

140A History of the U.S., Black Perspectives

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

This course is a survey of American history from the colonial period to 1877, with emphasis on the experience of African Americans and the contributions they have made to the political, social, economic, and cultural development of the country. This course is intended for transfer students planning to major in African American Studies, history, political science, or other social sciences. The complete one-year course, 140A and 140B, satisfies the graduation requirement in American Institutions. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150- 151, Black Studies (BLAS) 140A-140B, and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

140B History of the U.S., Black Perspectives

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

This course covers the history of the United States from Reconstruction to the present with emphasis on African American experience and contributions. It focuses on political, social, economic, cultural, and intellectual trends, the persistence of racism, and the struggle for full equality for all Americans. NOTE: The

complete one-year course of Black Studies 140A and 140B satisfies the graduation requirements in American institutions and California state government. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150- 151, Black Studies (BLAS) 140A-140B, and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

145A Introduction to African History

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a survey of African History from the Stone Age through the beginnings of European colonization in the 1870s. Emphasis is placed on providing students with a broad presentation of the geographical features of the continent and its connections to the rest of the world, local and regional ways of life and institutions, slavery, European conquest and colonization and African resistance to colonization. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

150 Black Women in Literature and the Media

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

Analyzes the literary achievements of Black women. Examines the images of Black women in literature and the media, past and present, including realistic self-images as presented by Black women themselves. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

155 Afro-American Literature

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

This course is a survey of African American cultural expression through language and literature in historical perspective. Emphasis is placed on understanding and interpreting the cultural, ethnic and political dynamics that influence literary, musical and theoretical texts. Topics include African praise

songs, slave narratives, African American folktales, poetry, lyrics, spirituals, raps, short stories, novels, speeches and essays. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

165 Sexuality and Black Culture

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

Limitation on Enrollment: This course is not open to students with credit for Black Studies 265: Psychology and Social Aspects of Black Sexuality.

This course will provide an in-depth examination and analysis of social and psychological factors that determine the nature of human sexuality in the Black community. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Psychology (PSYC) 137 and Black Studies (BLAS) 165 combined: maximum credit, one course.

175 Psycho-History of Racism and Sexism

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 or English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

This course will provide a comparative analysis of the historical and psychological impact of racism and sexism on American people, with particular emphasis on the impact of both ideologies on Black and White people. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Class sections of the following courses utilize a variety of reading and/or research materials from a Black perspective. See page 333 for complete English course descriptions and page 436 for complete Speech Communications course descriptions. Refer to the class schedule under the particular subject listing for designated sections.

English

43 English Review

49 Basic Composition (no longer degree applicable)
101 Reading and Composition
105 Composition and Literature
205 Critical Thinking and Intermediate Composition

Speech Communications

103 Oral Communication

BUILDING CONSTRUCTION TECHNOLOGY (BLDC)

120 Blueprint Reading

**3 hours lecture, 3 units
Grade Only**

Advisory: English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels W5 and M30.

Introduction to the reading of construction blueprints and specifications. Analysis of the methods of representation of building materials, symbols, measurements and methods of construction and inspection. (FT) Associate Degree Credit only and not Transferable.

130 Construction Practices I

**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

Practical application of building techniques using various materials. Related to residential and commercial building: layout, forms, structure framing using construction math, site-layout using builders transit, and concrete problems related to the trade. (FT) Associate Degree Credit only and not Transferable.

170 Construction Practices II

**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

A practical application of building techniques using various building materials. Includes exterior roof coverings, wall finish coverings of wood and manufactured products, interior drywall, paneling finishes and trim, constructing cabinets, hanging doors, setting windows, completing stair layout. Technical problems related to other trades; codes and inspections. (FT) Associate Degree Credit only and not Transferable.

230 Construction Practices III
3 hours lecture, 3 hours lab, 4 units
Grade Only

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20; and Building Construction 170 with a grade of "C" or better, or equivalent.

Practical application of building techniques in roof framing, stair building, door hanging, finish carpentry and the methodology involved in exterior, interior, wall coverings, painting and acoustical finishes. Includes blueprint interpretation, math and estimating. (FT) Associate Degree Credit only and not Transferable.

245 Building Inspection
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Architecture 130 and Building Construction 120, 260, and 268, each with a grade of "C" or better, or equivalent.

A survey of the organization of the typical planning department and the responsibilities of the building inspector. Associate Degree Credit only and not Transferable.

250 Construction Trades Management I
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

An introduction to construction films and techniques of successful operation. Types of supplies, inspections, and management problems. How to deal with individuals and groups. Opportunities in labor and management. The use of the computer to operate a professional construction business. (FT) Associate Degree Credit only and not Transferable.

255 Construction Trades Management II
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20; and Building Construction 250 with a grade of "C" or better, or equivalent.

An advanced study directed to protect management team members, superintendents, engineers, architects, contractors or any person who intends to

manage or invest in the construction business. Includes up-to-date methods of organization, planning, sales promotion and leadership development, and the use of the computer to operate a professional construction business. Associate Degree Credit only and not Transferable.

260 Building Codes and Zoning
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20. This course covers the fundamentals of local building laws and ordinances and administration. Also included are zoning and land use, building requirements by types of construction and occupancy, fire and safety regulations for both residential and commercial construction and types of inspections. Associate Degree Credit only and not Transferable.

268 Electrical, Plumbing, and Mechanical Codes
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20. This course provides the fundamentals of code application, interpretation and correlation with the National Electrical Code, Uniform Plumbing Code, Uniform Mechanical Code, Uniform Fire Code, Solar Code, California Energy Commission Regulations and inspections. (FT) Associate Degree Credit only and not Transferable.

295 Building Contractor's License Law
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20. Designed to inform management, contractors, subcontractors and craftsman of their basic legal rights and liabilities. Includes an overview of related real estate and land development laws and regulations. Also designed to aid journeymen in preparing for State contractor's (law) license exam. Associate Degree Credit only and not Transferable.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277),

or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

BUSINESS (BUSE)

100 Introduction to Business

**3 hours lecture, 3 units
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4; or Business 92 with a grade of "C" or better, or equivalent.

This introductory course for both business and non-business majors provides a broad understanding of the business community. Topics include business functions and terminology, occupational choices, and economic role. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

101 Business Mathematics

**3 hours lecture, 3 units
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course provides a comprehensive study of business mathematics and reviews basic mathematics, such as decimals, fractions, and percentages. Topics include bank services, payroll, the mathematics of buying and selling, interest and loans, taxes, insurance, depreciation, and other business computations. This course is intended for students majoring in business or others interested in a business setting such as managers, supervisors, and work team members. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

119 Business Communications

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; or Business 92 with a grade of "C" or better, or equivalent.

This course introduces the principles of effective business communications. Topics include the development, analysis, organization, and composition of various types of written and oral business communications. Students develop clear, concise, and persuasive letters, memoranda, and reports. This course is intended for students majoring in business and for others working in a business environment. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

140 Business Law and the Legal Environment

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; or Business 92 with a grade of "C" or better, or equivalent.

This course introduces students to the legal system, the laws that govern business in America, and the principles underlying fundamental legal concepts. Topics include judicial and administrative systems, ethics, contracts, torts, bankruptcy, agency, business organizations, security regulations, regulation of property, and protection of intellectual property interest. This course is intended for students majoring in business and for others interested in business law. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

150 Human Relations in Business

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course introduces students to human behavior as it relates to business. Topics include leadership, communication, status, decision making, motivation, and personnel problems. This course is intended for students majoring in business and others interested in a business setting such as managers, supervisors, and work team members. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

155 Managing the Small Business**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M30; Business 101 with a grade of "C" or better, or equivalent.

This course is a study of the elements involved in successfully operating a small business. Key issues include human resource management, marketing for small business, and legal issues. This course is intended for the student who plans to major in Business Studies or Business Management. This course is also intended for students from any discipline who are interested in owning or operating a small business. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

201 Business Organization and Management**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; or Business 92 with a grade of "C" or better, or equivalent.

This course covers business organization and management fundamentals. Topics include business planning, leadership, productivity, managerial ethics, and corporate social responsibility. This course is intended for students majoring in business and for others interested in a business setting such as managers and supervisors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

CHEMISTRY (CHEM)**100 Fundamentals of Chemistry****3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 46 with a grade of "C" or better, or equivalent, or Assessment Skill Level M40.
Corequisite: Completion of or concurrent enrollment in: Chemistry 100L with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for or concurrent enrollment in Chemistry 152 and 200.

This course is an introductory study of the language and tools of chemistry. Basic concepts of the structure, properties, interactions of matter and energy are studied, both qualitatively and quantitatively. Emphasis is placed on matter, chemical changes, chemical conversions, chemical bonding, and acid-base chemistry. This course is taken by students majoring in nursing, nutrition, or animal health technology and provides a foundation for further coursework in chemistry, in particular for introductory organic chemistry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Chemistry (CHEM) 100, 100L and 152, 152L combined: maximum credit, four units. No credit for 100, 100L or 152, 152L if taken after CHEM 200. Engineering Technology (ENGN) 110, Chemistry (CHEM) 100, and Physics (PHYS) 100 combined: maximum credit, one course.

100L Fundamentals of Chemistry Laboratory**3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Corequisite: Chemistry 100.

Advisory: English 48 and English 49 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5 and M40.

This laboratory course is designed to illustrate the principles of inorganic and physical chemistry as presented in Chemistry 100 and to familiarize students with common laboratory equipment and data collection methods. Along with Chemistry 100, this course is taken by students majoring in nursing or allied health sciences and provides a foundation for further lab work in chemistry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Chemistry (CHEM) 100, 100L and 152, 152L combined: maximum credit, four units. No credit will be given for 100, 100L or 152, 152L if taken after Chemistry 200.

111 Chemistry in Society**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Chemistry 111L with a grade of "C" or better, or equivalent.

This is an introductory chemistry course for non-science majors. The course emphasizes conceptual topics in chemistry and scientific thinking. Students learn to understand how society uses chemistry-based technologies and how to analyze current trends or news involving chemistry. Topics include a basic understanding of matter and energy, physical and chemical changes, the atom, nuclear chemistry, bonding, acids and bases, organic chemistry, and biochemistry. Current issues in environmental chemistry such as energy resources, air and water pollution are explored. Students discuss the effects and controversy surrounding the use of different forms of energy. In addition, current issues in organic and biochemistry are examined including trends in diets, certain medicines and drugs, and personal care items. Students planning on taking further courses in chemistry should take Chemistry 100 or Chemistry 152. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

111L Chemistry in Society Laboratory

**3 hours lab, 1 unit
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Chemistry 111 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This laboratory course is intended for non-science majors. It is designed to illustrate the principles of chemistry presented in Chemistry 111 in order for the student to understand how chemistry is used in our society. Experiments explore not only basic concepts in chemistry such as matter, energy, and the atom, but also explore real world applications of chemistry. This includes performing experiments related to the chemistry of the environment, household products, and biochemistry. Students learn how to work safely within the laboratory. Students that need to take further chemistry courses should enroll in Chemistry 152L or Chemistry 100L. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

130 Introduction to Organic and Biological Chemistry

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Chemistry 100 and Chemistry 100L, each with a grade of "C" or better, or equivalent.

Corequisite: Chemistry 130L.

Chemistry 130 is a one-semester course that introduces the basic physical, chemical and structural features of organic and biological compounds. Topics such as bonding, saturated and unsaturated hydrocarbons, the chemistry of organic functional groups, and the properties of important biological compounds such as carbohydrates, fats, and proteins are covered. The importance of these compounds in our daily lives is emphasized. The course is designed for nursing, nutrition, and allied health majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Chemistry (CHEM) 130, 130L and 231, 231L combined: maximum credit, one course (with lab).

130L Introduction to Organic and Biological Chemistry Laboratory

**3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Prerequisite: Chemistry 100 and Chemistry 100L, each with a grade of "C" or better, or equivalent.

Corequisite: Chemistry 130.

This is a one-semester laboratory course that illustrates the principles presented in Chemistry 130. Students are introduced to common organic chemistry laboratory equipment, fundamental organic and biochemical reactions, tests and techniques. Techniques covered include chromatography, recrystallization, and distillation. Tests and reactions of common organic functional groups, carbohydrates, fats, and amino acids are covered. Synthesis of a medicinal compound such as aspirin or a nitrogen-based analgesic is also covered. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities; UC Transfer Limitation: Chemistry (CHEM) 130, 130L and 231, 231L combined: maximum credit, one course (with lab).

152 Introduction to General Chemistry

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50.

Corequisite: Chemistry 152L.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Chemistry 151. This is a one-semester preparatory course in chemistry consisting of an intensive study of some of the principles of inorganic and physical chemistry that are needed before taking Chemistry 200. Topics include but are not limited to atomic structure, chemical nomenclature, periodicity, chemical equations, stoichiometry, solutions, intermolecular forces, and gas laws. The course emphasizes problem solving and chemical calculations. It is intended for those students majoring in one of the natural sciences, engineering, or related curricula who do not meet the entrance requirements of Chemistry 200. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Chemistry (CHEM) 100, 100L and 152, 152L combined: maximum credit, four units. No credit for Chemistry (CHEM) 100, 100L or 152, 152L if taken after CHEM 200.

152L Introduction to General Chemistry Laboratory

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50.

Corequisite: Completion of or concurrent enrollment in: Chemistry 152 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Chemistry 151L. Chemistry 152L is a one-semester laboratory course intended as the companion course for Chemistry 152. Topics include chemical measurement, significant figures, laboratory safety, laboratory techniques, chemical reactions and stoichiometry. An emphasis is placed on problem solving, data analysis and chemical calculations. It is intended for those students majoring in one of the natural sciences, engineering or related curricula who do not meet entrance requirements of Chemistry 200. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Chemistry (CHEM) 100, 100L and 152, 152L combined: maximum credit, four units. No credit for Chemistry (CHEM) 100, 100L or 152, 152L if taken after CHEM 200.

160 Introductory Biochemistry

3 hours lecture, 3 units
Grade Only

Prerequisite: Chemistry 130 with a grade of "C" or better, or equivalent.

The basic principles of the chemistry of biochemical reactions and biochemical molecules are studied. This course is intended for majors in nutrition economics, nursing and allied health professions or academic majors in the chemical or life sciences. Topics include acid/base chemistry, thermodynamics, cell biology, amino acids and proteins, enzymes, lipids, membranes and transport, carbohydrates, metabolism, nucleic acids and information transfer. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

161 Techniques in Biochemistry

1 hour lecture, 3 hours lab, 2 units
Grade Only

Prerequisite: Chemistry 100L with a grade of "C" or better, or equivalent.

Advisory: Biology 205 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Biology 132. This course is designed to provide students with both theoretical and applied knowledge of a number of currently useful biochemical and biotechnical methods. Experiments will provide experiences in mammalian tissue culture; protein and/or enzyme analyses; immunological analyses; computer-assisted applications, and bioinformatics. This course is designed for students in the chemistry technician program or those seeking experiences necessary for employment in the biopharmaceutical industry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

200 General Chemistry I — Lecture

3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50; and Chemistry 152 and 152L (formerly Chemistry 151), each with a grade of "C" or better, or equivalent.

Corequisite: Chemistry 200L.

This is the first course in a two-course sequence in general chemistry and is intended for students majoring in science or satisfying prerequisites for professional schools. The course covers the principles and laws of inorganic chemistry with emphasis on quantitative mathematical problem solving. Topics include chemical equations, stoichiometry, atomic

theory and its relationship to periodicity of the elements, bonding theories, molecular geometry, solution chemistry, liquids, solids, and the gas laws. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

200L General Chemistry I — Laboratory
6 hours lab, 2 units
Letter Grade or Pass/No Pass Option

Corequisite: Chemistry 200.

This is the first course in a two-course sequence in general chemistry. It is intended for students majoring in science or satisfying prerequisites for professional schools. The course illustrates the fundamental principles and laws of chemical behavior and the properties of matter in terms of laboratory experiments, with emphasis on quantitative, mathematical problem-solving. Topics include techniques of data analysis, chemical formulae and nomenclature, chemical equations and stoichiometry, atomic theory and its relationship to the periodic properties of the elements, theories of chemical bonding, molecular geometry, states of matter, solution chemistry, and gaseous behavior. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 General Chemistry II Lecture
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Prerequisite: Chemistry 200 and 200L, each with a grade of "C" or better, or equivalent.

Corequisite: Chemistry 201L.

This is the second course in a two-course sequence in general chemistry and is intended for students majoring in science or satisfying prerequisites for professional schools. The course covers the principles and laws of physical and inorganic chemistry with emphasis on quantitative, mathematical problem solving. Topics include chemical kinetics, chemical equilibrium, acid-base theory, thermochemistry, thermodynamics, electrochemistry, coordination chemistry, and nuclear chemistry. The course also includes an introduction to organic- and biochemistry. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201L General Chemistry II Laboratory
6 hours lab, 2 units
Letter Grade or Pass/No Pass Option

Corequisite: Chemistry 201.

This is the second semester laboratory course in a two-course sequence in general chemistry and is intended for students majoring in science or satisfying prerequisites for professional schools. The course illustrates the fundamental principles of physical and inorganic with some organic chemistry in terms of laboratory experiments. Topics include techniques of data analysis, chemical kinetics, chemical equilibrium, acid, base, and salt, thermochemistry, electrochemistry, coordination chemistry and organic chemistry. Wherever appropriate and whenever possible, computer skills are introduced and applied to data analysis, laboratory simulations, and computer interfacing with laboratory equipment. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

231 Organic Chemistry I - Lecture
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Prerequisite: Chemistry 201 and Chemistry 201L, each with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Chemistry 231L with a grade of "C" or better, or equivalent.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course is the first semester of a one-year course in Organic Chemistry. Major themes include, but are not limited to, bonding and molecular structure, nomenclature, reaction mechanisms, synthesis, and an introduction to conjugated and aromatic carbon based compounds. An emphasis is placed on the reactions of aliphatic compounds such as alkanes, cycloalkanes, alkenes, alkynes, and alkyl halides. The organic chemistry literature, and spectral interpretation using techniques such as infrared and nuclear magnetic spectroscopies, are introduced to support the above topics. This course is designed for undergraduates pursuing a degree in the chemical sciences, training in chemical technology, and other transfer students who need organic chemistry as part of the formal preparation for their major; for example, molecular biology, premedical, pre dental, and pharmacy. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Chemistry (CHEM) 130, 130L and 231, 231L combined: maximum credit, one course (with Lab).

231L Organic Chemistry I - Laboratory **6 hours lab, 2 units** **Letter Grade or Pass/No Pass Option**

Prerequisite: Chemistry 201 and Chemistry 201L, each with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Chemistry 231 with a grade of "C" or better, or equivalent.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent.

This is a laboratory course designed to illustrate the principles presented in Chemistry 231. The emphasis is on the determination of physical properties and the separation, purification and identification of organic compounds. The course acquaints students with the equipment, glassware, techniques and safe practices specific to the organic chemistry laboratory.

Techniques such as measurements of physical constants, recrystallization, extraction, distillation and chromatography are used in the synthesis and/or characterization of selected classes of organic compounds. These classes include, but are not limited to, alkanes, alkenes, alkynes, alkyl halides, and alcohols. The organic chemistry literature, and spectral interpretation using techniques such as infrared and nuclear spectroscopies, are introduced to support the above topics. This course is designed for undergraduates pursuing a degree in the chemical sciences, training in chemical technology, and those students who need organic chemistry as part of the formal preparation for their major; for example, molecular biology, premedical, pre dental, and pharmacy. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Chemistry (CHEM) 130, 130L and 231, 231L combined: maximum credit, one course (with Lab).

233 Organic Chemistry II - Lecture **3 hours lecture, 3 units** **Letter Grade or Pass/No Pass Option**

Prerequisite: Chemistry 231 and Chemistry 231L, each with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Chemistry 233L with a grade of "C" or better, or equivalent.

This course is the second semester of a one-year sequence in Organic Chemistry. It is designed for students pursuing a baccalaureate degree in the chemical sciences or in majors such as premedical, pre dental or pharmacy; and for students training for

careers in some chemical technology fields. The topics covered include, but are not limited to, molecular structure, nomenclature, reaction mechanisms, and synthesis. An emphasis is placed on the reactions of selected classes of organic compounds, such as alcohols, ethers, aldehydes, ketones, carboxylic acids and their derivatives, amines, benzenoid and heterocyclic aromatics and their derivatives, carbohydrates, lipids, amino acids and peptides, and nucleic acids. The study of these molecules provides a backdrop for exploring the factors that govern particular transformations within a synthetic sequence. The use of print and electronic media and the interpretation of spectroscopic information (such as infrared, nuclear magnetic resonance, and ultraviolet-visible spectroscopies, and mass spectrometry) for the analysis and differentiation of molecular structures is continued. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

233L Organic Chemistry II - Laboratory **6 hours lab, 2 units** **Letter Grade or Pass/No Pass Option**

Prerequisite: Chemistry 231 and Chemistry 231L, each with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Chemistry 233 with a grade of "C" or better, or equivalent.

This course is the second semester of a one-year sequence in Organic Chemistry Laboratory and is designed to illustrate the principles presented in Chemistry 233. It is intended for students pursuing a baccalaureate degree in the chemical sciences or in majors such as premedical, pre dental or pharmacy; and for students training for careers in some chemical technology fields. The emphasis is on synthesis, purification and/or characterization of selected classes of organic compounds, including but not limited to aromatics, alcohols, aldehydes and ketones, carboxylic acids, amines, and simple examples of bio-organic molecules. Additional emphasis is placed on multi-step synthetic pathways and product identification using selected methods of qualitative organic analysis such as wet chemical and advanced spectroscopic techniques. Variation of scale from micro- to macro-quantities, and more advanced separation and analytical techniques, distinguish the level of this course from Organic Chemistry I Laboratory. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

251 Analytical Chemistry**3 hours lecture, 6 hours lab, 5 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Chemistry 201 and Chemistry 201L and Mathematics 150, each with a grade of "C" or better, or equivalent.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This is a course in quantitative analysis. Major topics include theory and practice of gravimetric and volumetric methods of chemical analysis and introduction to instrumental methods of analysis with a focus on precision and accuracy of experimental data. The target audience for Chemistry 251 is students majoring in chemistry or biochemistry and others who need the course for career advancement. It is recommended that students who plan to enroll in this course do so the semester following completion of Chemistry 201. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

255 Inside the Pharmaceutical Industry**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Chemistry 152 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is designed for students who desire to learn how the pharmaceutical industry works. Specifically it is intended for those who want to understand the drug discovery, design and approval processes. The course covers principles pertinent to working in the pharmaceutical industry. Topics include but are not limited to good lab practice (GLP), good manufacturing practice (GMP), hazardous materials management, the Food and Drug Administration (FDA), drug approval, and drug design. The course concludes with an overview of companies in the local pharmaceutical industry, their technology and products. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277),

or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

CHICANO STUDIES (CHIC)**110A Introduction to Chicano Studies****3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels W5/R5.

This course is an introductory survey of the field of Chicano Studies and the factors that influence the Chicano culture. Emphasis is placed on the historical development of the Chicano people including their Mesoamerican roots, cultural identification, political activities, and their contemporary roles and influence in United States culture, society and economy. This course is designed for students majoring in Chicano Studies and/or Social Sciences and can be used for transfer General Education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

110B Introduction to Chicano Studies**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a continuation of Chicano Studies 110A. Emphasis is placed on the historical development of the Chicano people including their connections to the indigenous people of the Southwestern and Western United States, their historical and contemporary experiences as residents of border of territories and as transnational actors as well as their contemporary roles and influence in United States culture, society and economy. This course is designed for students majoring in Chicano Studies and/or Social Sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

135 Chicano Literature**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course is a survey of Chicano literature. The genres to be studied include poetry, the novel, essay,

short story, and theatre. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

138 Literature of La Raza in Latin America in Translation

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

A survey of the novels, short stories, poetry and major Latin American writers, from the end of the Colonial Period to the present. Emphasis will be given to major contemporary authors reflecting the universality of Mestizo (Raza) masterpieces. This course is for all students with an interest in the study of Latin American literature. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

141A United States History from a Chicano Perspective

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a survey of early American history from the Mexican/Chicano perspective. It covers the period of discovery to the period of Reconstruction with emphasis on the evolution, influence, and experience of the Chicano. It includes their contributions to the political, social, economic, and cultural development of the United States. This general education course would be of interest to students studying history, ethnic studies, or other social sciences. This course partially satisfies the American Institutions requirement for the associate degree and for transfer to CSU. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150-151, Black Studies (BLAS) 140A-140B, and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

141B United States History from a Chicano Perspective

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This is a survey course in American history that covers the period of transition of the southwest from its Spanish-Mexican roots to its American acquisition in 1848. The course traces 19th century developments, slavery in the former Mexican territories, Native Americans, immigration and repatriation and includes constitutional development and government in California. This is a survey course recommended for those students who intend to transfer to a four-year college or university. The complete six-unit sequence, Chicano Studies 141A and 141B, satisfies the graduation and degree requirements in American Institutions and California State Government. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150-151, Black Studies (BLAS) 140A-140B, and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

150 History of Mexico

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is a survey of Mexican history from the earliest pre-Columbian times to the present. Special emphasis is given to major historical developments from the time of the Spanish Conquest to the Revolution of 1910. In this course special consideration is given to the economic, political, social, and cultural factors which have shaped modern Mexico. This course prepares students for careers dealing with Mexico and/or Mexican culture. This course satisfies an elective requirement for the Associate Degree in Chicano Studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

170 La Chicana

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

This course is the study of the Chicana in American society in historical and sociological perspective.

Emphasis is placed on Chicana feminist scholarship and cultural representations, border issues, resistance to patriarchy, and the search for power. This course is designed for all students interested in Chicana and Chicano studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

190 Chicano Images in Film

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a critical approach to cinematic images of Chicanos as depicted in selected films. Focus is placed on stereotypical and negative portrayals during early cinema with an examination of the more realistic and complex portraits of more recent times. Film genres such as early Hollywood features, documentaries and the emerging "Chicano film" are examined. This course is designed for students interested in film studies with a special focus on the Chicano experience in film. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Pre-Columbian Cultures of MesoAmerica

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an examination of the archaeological, economic, social, political, cultural, and religious systems of MesoAmerica. This course satisfies an elective requirement for the Associate Degree in Chicano Studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210 Chicano Culture

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of the Indo-Hispano roots of Chicano culture in the United States. Emphasis is placed on the historical development of Chicano popular culture and its expression through music, art, radio, television, newspapers, literature and festivities in urban and rural contexts. This course is designed for

students majoring in Chicano Studies and/or Humanities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

230 Chicano Art

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a comprehensive overview of the major influences, themes and styles in Chicano art from its emergence in the 1960s to the beginning of the 21st century. The course addresses Chicano content in painting, murals, prints, sculpture, installation, performance and video. The historical, social and cultural context of the Chicano/a art movement is explored so that the students get an overview of the major forces that shape artistic creation within this field. This course is designed for all students interested in Chicano studies and for art majors who want to explore a revolutionary contemporary art movement. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

290 Independent Study

**Hours by Arrangement, 1-3 units
Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

For students with advanced background in Chicano Studies who wish to study special problems or work on specialized projects. This course may be taken four times with different content for a maximum of six units. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Class sections of the following courses utilize a variety of reading and/or research materials from a Chicano perspective. Refer to the class schedule under the particular subject listing for designated sections. See page 333 for complete English course descriptions and page 436 for complete Speech Communications course descriptions.

English

43 English Review
 49 Basic Composition (no longer degree applicable)
 101 Reading and Composition
 105 Composition and Literature
 205 Critical Thinking and Intermediate Composition

Speech Communications

103 Oral Communication

CHILD DEVELOPMENT (CHIL)

101 Human Growth and Development

**3 hours lecture, 3 units
 Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines the interrelationship among the physical, cognitive, and psychosocial growth and development of individuals from conception through adolescence. It emphasizes positive relationships with family members, peers, and other significant individuals. Topics include theories and philosophies of human development and cross-cultural patterns. Students observe children and educational programs. This course is a core requirement for the State of California Child Development Permit and the State of California Community Care Licensing, Title XXII. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Child Development (CHIL) 101 and 103 combined: maximum credit, one course.

111 Curriculum: Music/Motor Skills

**3 hours lecture, 3 units
 Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels W5 and R5.

This course is a study of the development and significance of music and perceptual motor activities in child development from infancy through kindergarten. Emphasis is placed on basic teaching techniques and selecting suitable materials and equipment for various age and maturity levels among preschool children. This course is designed for students who have an interest in working with children ages 0 - 5 in settings such as preschools, daycares etc. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

121 Creative Art

**3 hours lecture, 3 units
 Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course introduces the creative process and experience in early childhood education programs. Emphasis is placed on creative development, art curriculum activities, basic teaching skills, guidance techniques, equipment, and materials. Students select appropriate activities for a variety of age and maturity levels based on child development theories and concepts. This course is intended for students majoring in Child Development or others interested in the creative process in early childhood education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

131 Curriculum: Language/Science

**3 hours lecture, 3 units
 Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course is an introductory study of the function of language, math and science learning in early childhood educational programs. Emphasis is placed on the development of language and science curriculum activities, basic teaching skills, guidance techniques, equipment and materials. Students select appropriate activities for a variety of age groups and maturity levels based on child development theories and concepts. This course may be used for licensing, child development permits, transfer and general interest for working with children. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

141 The Child, Family and Community

**3 hours lecture, 3 units
 Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of the dynamics of human development and socialization in a culturally pluralistic society. Emphasis is placed on the influences of contemporary family living and cultural patterns on the child, school-family relationships, and community resources and services that support and strengthen families. This course is a core requirement for California Child Development teacher/director center permits as well as for the State of California

Department of Community Care Title XXII licensing childcare centers requirements. This course is designed for all students interested in child development and multi-cultural and behavioral studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

151 Program Planning

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Child Development 101; and either Child Development 111 or 121 or 131, each with a grade of "C" or better, or equivalent.

Corequisite: Child Development 270 or 275.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course focuses on planning the preschool learning environment to promote optimal development. It emphasizes curriculum planning, guidance, safety, record keeping, observation techniques, resource units, and daily plans. The course partially fulfills State of California Permit requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

152 School Age Program Planning

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Child Development 101 and Mathematics 210A and Mathematics 210B and Music 110 and Physical Education 47, each with a grade of "C" or better, or equivalent.

This course is a practical study of school age program planning. Emphasis is placed on the details of planning a school age child development center, curriculum development, staff training and child guidance, health and safety. This course is designed for students planning to work with school age children in community settings. This course may be used to partially fulfill State of California Child Development Permit Requirements and Title 21 teaching requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

160 Observing and Understanding Children

**1 hour lecture, 3 hours lab, 2 units
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

Limitation on Enrollment: Health and Safety. TB clearance within the last year is required.

This course focuses on behavioral patterns and growth processes of young children through observations and supervised participation in the campus Child Development Center. The course emphasizes the principles of observing, interpreting, and guiding children's behavior. Topics include children's developmental, safety, and nutritional needs. The course fulfills the specialization requirements for the State of California Master Teacher Permit when taken with Child Development 161 and 162 or Child Development 161 and 188. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

161 Observations and Issues in Child Development

**1 hour lecture, 3 hours lab, 2 units
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skills Level R4 and W4.

Limitation on Enrollment: Health and Safety. TB clearance within the last year is required. This course explores current issues in child development and how these issues influence both the child and family. The course emphasizes effective communication skills, positive guidance techniques, kindergarten readiness skills, and appropriate classroom activities. It includes supervised participation in the campus Child Development Center, and it fulfills the specialization requirements for the State of California Master Teacher Permit when taken with CHIL 160 and 162 or CHIL 160 and 188. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

165 Children With Special Needs

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a survey of education for children with special needs. Emphasis is placed on the types and characteristics of special needs as well as on the methods for integrating children with special needs into inclusive educational settings. Topics include the history of special education legislation, current educational compliance requirements and community resources available to parents, teachers and other professionals. This course is designed for professionals and parents who work with children

with special needs. This course partially fulfills the specialization requirement for the State of California Master Teacher Permit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

166 Special Needs Curriculum

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an in-depth study of curriculum for children with special needs. Emphasis is placed on the concept of full inclusion of children with special needs into school/community settings and on related educational strategies and adaptive equipment. This course is designed for parents, teachers, nurses, social workers, and paraprofessionals employed in schools, day care centers, and child development programs. This course partially meets the specialization requirements for the Master Teacher Permit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

175 Infant-Toddler Growth and Development

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines typical and atypical physical, social, emotional, and intellectual growth of the infant and toddler. The selection and maintenance of appropriate play materials and equipment for indoor and outdoor environments is discussed. Appropriate observations and visitations to the community are required. This course meets State of California Title 22 licensing regulations for teachers in infant toddler settings, and is beneficial for parents. This course fulfills the specialization requirement for State of California Master Teacher Permit when taken in addition to Child Development 176. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

176 Principles of Infant/Toddler Caregiving

**3 hours lecture, 3 units
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course explores principles and curriculum of an infant/toddler program that includes all aspects of

infant and toddler development. Students will learn care strategies in a variety of caregiving situations. Content includes licensing and regulations, developmental needs, health, nutrition, and safety of the very young. The student learns to plan appropriate indoor and outdoor environments. Staff interaction, parent participation, and program development are included. This course fulfills major and master permit specializations when taken along with Child Development 160 and 161. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

180 Nutrition, Health and Safety for Children

**3 hours lecture, 3 units
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course provides students and child development professionals with a survey of the nutritional, health, and safety needs of children from infant/toddlers through preschool age. Topics may include, but are not limited to, the planning and execution of environments and activities that promote safety, balanced diet, and overall health for children. Students also learn the fundamentals of pediatric first aid and cardiopulmonary resuscitation (CPR). This course also meets the Title XXII, fifteen hour, Health and Safety Training requirement, including signs and symptoms of child abuse. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

188 Child Abuse

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines the causes and effects of child abuse and neglect. It is designed primarily for parents, teachers, nurses, and other cochlear professionals to learn strategies for understanding and responding to the various forms of stress and violence that affect many children today. This course emphasizes the skills needed for conflict resolution and explores the environmental set-up and curriculum that promotes peaceful, cooperative and nonviolent play and interactions. Information about the history, current legislation, reporting responsibilities, and identification of abuse is also given. (FT) Associate Degree Credit only and not Transferable.

202 Administration of Early Childhood Programs

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Child Development 101 and 141, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Child Development 111 and 121 or 131, with a grade of "C" or better, or equivalent.

This course is an overview of early childhood education program administration. Topics include theoretical perspectives on early childhood education, licensing regulations, funding sources, budgetary considerations, personnel management, curriculum development, and teacher selection. The course meets State of California Title 22 licensing regulations for site supervisors. It also partially fulfills State of California matrix requirements for Program Director and Site Supervisor Permits. This course is designed for anyone seeking a position as a site supervisor or center director. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210 Supervision of Early Childhood Programs

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Child Development 141 and 151, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Child Development 201 or 201B.

This course examines early childhood supervisory techniques with emphasis on educational philosophy, professional growth, in-service staff training, program and staff evaluation, models of parent education and involvement, and supportive services. It partially fulfills the State of California Child Development Permit Matrix requirement for supervisors and directors and also meets the State of California Title 22 licensing regulations for directors. This course is designed for students who intend to go into supervisory positions in early childhood education. It also introduces students to the tools that help them organize and evaluate quality children's programs. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

215 Adult Supervision and Mentoring in Early Childhood Settings

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Child Development 151 with a grade of "C" or better, or equivalent.

This course emphasizes the methods and principles of supervising adults in early childhood settings. Students study effective models for guidance and evaluation of adults, positive communication skills, and the role of the mentor in a teaching environment. It is designed for students who supervise other adults in the preschool classroom while simultaneously providing an appropriate setting for young children. This is a required course for the levels of Master Teacher, Site Supervisor and Program Director for the Child Development Permit issued by the Commission on Teacher Credentialing. Associate Degree Credit only and not Transferable.

270 Work Experience

**Hours by Arrangement (One unit of credit is earned for each 75 hours of paid employment or 60 hours of volunteer work.), 1-4 units
Grade Only**

A program of on-the-job learning experiences for students employed in a job related to their major or their educational goals. The combined maximum credit for all work experience courses from all disciplines may not exceed 16 units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

275 Supervised Field Study

**3-9 hours lab, 1-3 units
Grade Only**

Corequisite: Child Development 151.

Advisory: Child Development 160 with a grade of "C" or better, or equivalent.

This directed field study course provides students with an opportunity to apply classroom information in a practical setting with supervision from faculty as well as field-site supervisors. Intended for students who plan to teach or supervise in early childhood settings, this course partially fulfills the State of California requirement for experience. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

280 Environmental Rating Scale**1 hour lecture, 1 unit
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 & W4.

This course provides students with an introduction to the Environmental Rating Scale administration, scoring system, profile, and improvement plan. The course focuses on environmental evaluation and program improvement. Students learn how to evaluate the quality of child care programs and how to increase the quality of care through practical improvements. This course is intended for child development professionals currently working in the field as well as those seeking professional development, child development permits, employment opportunities, or anyone with general interest in working with children. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study**Hours by Arrangement, 1-3 units
Grade Only**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Investigation of a special area in the field of Child Development. This course may be taken four times with different content for a maximum of six units. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

291A Child Development Center Practicum**3 hours lab, 1 unit
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course provides directed laboratory experience in the campus Child Development Center. It is designed for students who plan careers in early childhood and family support programs and for parents who seek practical experience in guiding and teaching children. Students become familiar with the operating policies and procedures of a preschool program and observe and access the development of children. This course may be used toward the experience component for the State of California Child Development Permit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

291B Child Development Center Practicum**3 hours lab, 1 unit
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course provides directed laboratory experience in the campus Child Development Center. It is designed for students who plan careers in early childhood education and family support programs and for parents who seek practical experience in guiding and teaching children. Students examine appropriate safety, health, and nutritional practices in a preschool setting with an emphasis on implementation with young children. This course may be used toward the experience component for the State of California Child Development Permit and toward the Health and Safety training requirements for Title 22. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

291C Child Development Center Practicum**3 hours lab, 1 unit
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course provides directed laboratory experience in the campus Child Development Center for students who plan careers in early childhood and family support programs and for parents who seek practical experience in guiding and teaching children. Students explore teaching practices that enhance children's learning in the classroom and assist in the planning and implementation of developmentally appropriate activities. This course may be used toward the experience component for the State of California Child Development Permit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

291D Child Development Center Practicum**3 hours lab, 1 unit
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course provides directed laboratory experience in the campus Child Development Center for students who plan careers in early childhood and family support programs and for parents who seek practical experience in guiding and teaching children. Students examine the role of routines and transitional activities in the organization and structure of an early child

development setting. The class emphasizes positive guidance and discipline for young children. This course may be used toward the field experience component for the State of California Child Development Permit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

CHINESE (CHIN)

101 First Course in Mandarin Chinese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Advisory: English 43 with a grade of "C" or better, or equivalent or Assessment Skill Level W4.

This interactive, entry-level course introduces students to the Mandarin Chinese language and to Chinese culture. Emphasis is placed on the basic phonetic system, characters, grammar and common daily expressions. Topics also include Chinese culture, geography and history. This course is intended for students interested in an introduction to Mandarin Chinese language. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.]

102 Second Course in Mandarin Chinese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Chinese 101 with a grade of "C" or better, or equivalent or two years of high school Chinese. This interactive, elementary course in Mandarin Chinese builds upon the listening, reading, speaking and writing skills introduced in the entry-level course. Emphasis is placed on phonetics, characters, grammar, tone usage and common daily expressions. This course is intended for students who have completed the first course in the Chinese language sequence and want to continue their second-semester Chinese course, students who want to further their basic proficiency in the Chinese language, and students

who want to continue learning Chinese for their personal enrichment. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Third Course in Mandarin Chinese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Chinese 102 with a grade of "C" or better, or equivalent, or three years of high school Chinese. This intermediate-level study of Mandarin Chinese is the third course in the Chinese language sequence. Students use increasingly complex Mandarin language structures and vocabulary to listen, speak, read and write at the intermediate level. This course is intended for students who have completed the second course in the Chinese language sequence and who are planning on majoring in Chinese or are interested in learning Chinese for their personal enrichment. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210 Conversation and Composition in Chinese I

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Chinese 102 with a grade of "C" or better, or equivalent

This is an interactive course in Chinese conversation and composition at the intermediate level. In this course, students are encouraged to express themselves creatively both orally and in writing as they explore a variety of topics in Chinese. This course is intended for students who have completed the first two courses in the Chinese language sequence. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Computer Aided Design/Drafting

(See Architecture)

COMPUTER BUSINESS TECHNOLOGY (CBTE)

Note: CBTE course numbers differ from the OFCE course numbers.

95 Keyboarding/Typing Speed Development **3 hours lab, 1 unit** **Pass/No Pass Only**

Advisory: Computer Business Technology 101 with a grade of "C" or better, or equivalent. This course helps students build speed and accuracy in keyboarding/typing skills. Topics include typing speed, accuracy, and techniques. Students perform short intense typing drills and timed writings. This course may be taken four times for credit. Students develop increased typing speed and accuracy with each course repetition. (FT) Associate Degree Credit only and not Transferable.

101 Keyboarding for Computers **.75 hour lecture,.75 hour lab, 1 unit** **Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5. *Limitation on Enrollment:* This course is not open to students with previous credit for Office Information Systems 101, 102, or 164. This course introduces students to basic keyboarding skills and document processing activities. Topics include keyboarding and basic word processing. Students practice keying by touch using word processing software. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

102 Keyboarding **1.5 hours lecture, 1.5 hours lab, 2 units** **Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5. *Limitation on Enrollment:* This course is not open to students with credit for Office Information Systems 101, 102, or 164 or Computer Business Technology 101 or 103. This course teaches touch control of the keyboard and proper typing techniques. Students build speed and accuracy through specialized drills and practice on straight copy and numbers. Students apply keyboarding skills to the formatting of letters, reports, tables, and memos using word processing software.

This course, or sections of this course, may be offered through distance education (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

103 Beginning Computer Keyboarding **2 hours lecture, 3 hours lab, 3 units** **Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with credit for Office Information Systems 100 or 265 (Beginning Computer Keyboarding - WordPerfect) or Computer Business Technology 101 or 102.

This course is designed for all students whose keyboarding skill is for vocational and/or personal use. Beginning Computer Keyboarding teaches basic keyboarding skills by touch using a computer and word processing software. Students receive basic formatting instructions for letters, tables, and reports. This course, or sections of this course, may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

114 Introduction to Microsoft Windows **.75 hours lecture,.75 hours lab, 1 unit** **Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 101 and 103, each with a grade of "C" or better, or equivalent.

This basic course presents an overview of the features of the Microsoft Windows operating system and the components of managing files and folders in the Windows environment. In this hands-on course, students learn to use and customize the start menu; work with Windows accessory programs; open data files; manage disks, folders and files; create shortcuts; and customize the desktop. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

120 Beginning Microsoft Word **1.5 hours lecture, 1.5 hours lab, 2 units** **Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 101 and 103, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Computer Business Technology 120A or 120B.

This course introduces students to the text editing features in Microsoft Word. Topics include insert, delete, find and replace, move and copy, headers and footers, pagination, character and document formatting, spell check, tables, and mail merge basics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

122 Intermediate Microsoft Word

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 101, 103, and 120, each with a grade of "C" or better, or equivalent.

This course introduces students to intermediate-level text editing features in Microsoft Word. Topics include envelopes and labels, mail merge, sorting, styles, templates, wizards, macros, document notations, tables of contents and indexes, online forms, columns, drawing tools, and Web page basics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

126 Document Processing

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 103 with a grade of "C" or better, or equivalent.

This course is designed to give students hands-on experience creating a variety of computer-based documents. This course covers the use of computer software to create business, technical, medical and/or legal documents and to create forms, presentation documents, and documents for electronic publishing. It may include independent projects. This course, or sections of this course, may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

127 Introduction to PowerPoint

**1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Computer Business Technology 114 with a grade of "C" or better, or equivalent.

This course provides students with the basic knowledge of how to create, modify, and present PowerPoint slide shows. Students apply and modify both text and graphics. They use current software to integrate other programs with PowerPoint. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

128 Comprehensive Presentations with PowerPoint

**2 hours lecture, 3 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W5; Computer Business Technology 101 or 102 or 103 and 114 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Computer Business Technology 126.

This course is a hands-on study of the skills required to plan, develop, and deliver PowerPoint presentations on a computer and on the Web. Emphasis is placed on adding and modifying text, graphics, sound, video, and effects, such as transitions and custom slide animations. Topics also include adding, modifying and creating templates. Students learn to add, import and format data for tables and charts, to customize presentations, add interactivity, and integrate PowerPoint with other applications. This course is intended for all students and professionals who wish to acquire skills in digital presentations. This course may be repeated three times to update skills in using new versions. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

140 Microsoft Excel

**1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 101, 103, and 114, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Computer Business Technology 140A.

This course covers the fundamentals of Microsoft Excel and is intended for students without any prior experience with this program. Topics include creating and formatting worksheets and charts, managing a workbook, and using productivity features to enter functions and analyze data. (FT) Associate Degree

Credit & transfer to CSU and/or private colleges and universities.

140A Introduction to Microsoft Excel
.75 hour lecture, .75 hour lab, 1 unit
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 103 and 111, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for Computer Business Technology 140.

This course is designed for students interested in learning basic Excel skills. Students receive hands-on practice in how to plan, define, create, and modify worksheets. This course, or sections of this course, may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

151 Introduction to Microsoft Access
.75 hour lecture, .75 hour lab, 1 unit
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 103 and 111, each with a grade of "C" or better, or equivalent.

This course covers basic Access skills. Students receive hands-on practice in creating, modifying, and sorting database tables, performing queries, creating reports, and designing forms. This course, or sections of this course, may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

153 Database Development with Access
2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 101 and 114, each with a grade of "C" or better, or equivalent.

This course is designed for individuals seeking to develop skills in a relational database management system on a personal computer. Topics include designing relational databases; creating tables,

queries, forms and reports; entering data; finding and modifying records; importing from and exporting to other programs and to HTML pages; using field properties; understanding the use of Server Query Language (SQL) in Access; creating and running macros for automating tasks; and planning and designing user interfaces. This course, or sections of this course, may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

160A Introduction to Online Learning
.5 hour lecture, .5 hour lab, .5 unit
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 101 with a grade of "C" or better or equivalent.

This course is an introduction to developing the skills necessary to succeed in an online or web-based course. Students will learn and apply the basics of the Windows environment, data organization and management, the Internet, the World Wide Web, e-mail, and word processing software. This course or sections of this course may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

161 Learning The Internet
.75 hour lecture, .75 hour lab, 1 unit
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 103 and 111, each with a grade of "C" or better, or equivalent.

This course is designed for students who are interested in an introduction to the Internet. Students receive hands-on practice using Netscape to navigate the World Wide Web and link to Internet resources. Topics include creating and sending: e-mail, FTP, and file downloading, locating newsgroups and other discussion tools, conducting business on the Internet, and creating Web pages using HTML. This course, or sections of this course, may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

162 Web Page Creation**1.5 lecture hours, 1.5 lab hours, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 111 and 161, each with a grade of "C" or better, or equivalent.

This course provides a hands-on approach to planning, designing, and creating Web pages for an Intranet or World Wide Web site. Students learn to use HTML, wizards and templates to create Web pages with hypertext links and video, graphics, and audio enhancements. This course, or sections of this course, may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

164 Introduction to Microsoft Outlook**.75 hours lecture, .75 hour lab, 1 unit
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 101 with a grade of "C" or better, or equivalent.

This course is an introduction to the features of Microsoft Outlook. Students will learn how to message, schedule appointments, organize and manage tasks and contacts lists and customize Outlook. This course or sections of this course may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

165 Webpage Creation with Dreamweaver**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Computer Business Technology 101, 114 and 161, each with a grade of "C" or better, or equivalent.

This course is a hands-on study of webpage creation. Students use a HyperText Markup Language (HTML) editor to create Extensible HyperText Markup Language (XHTML) and Cascading Style Sheets (CSS). Web development skills include adding behaviors, using templates and library items, and embedding hypertext links, video, graphic, and multimedia files. This course is designed for students studying web design and professionals updating their skills. This course may be repeated three times to update skills as CSS and Web technologies change. (FT) Associate

Degree Credit & transfer to CSU and/or private colleges and universities.

170 Desktop Publishing**1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 103 and 111, each with a grade of "C" or better, or equivalent.

This course is designed for office support staff, administrative assistants, small business owners, and others who require a basic knowledge of desktop publishing. Students in this hands-on course learn the features of desktop publishing software by designing and creating professional quality publications for business and home. This course, or sections of this course, may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

173 Introduction to E-Commerce**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 101 or 102 and 162, each with a grade of "C" or better, or equivalent.

This is an introduction to current and emerging e-commerce technologies. Topics include Internet technology for business advantage; managing e-commerce funds transfer; reinventing the future of business through e-commerce; business opportunities in e-commerce; e-commerce web site design; social, political, and ethical issues associated with e-commerce; and business plans for technology ventures. Students are involved in creating an e-commerce marketing plan as well as a web site based on that plan. This course is intended for students seeking knowledge and experience in the realities of and potential for e-commerce. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

175 Desktop Publishing Essentials**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Computer Business Technology 101 and Multimedia 127 and Art-Fine Art 150B, each with a grade of "C" or better, or equivalent.

This course provides students with the skills to create documents that are pre-press and pre-web ready. Students edit texts and graphics to design page layouts, create proposals, newsletters, fliers, brochures, PDF documents, web content and presentations. This course is designed for anyone interested in desktop publishing. This course may be repeated three times to update skills as desktop publishing software and technologies change. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

176 Advanced Desktop Publishing and Typography

**2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only**

Advisory: Computer Business Technology 175, Multimedia 121 and 122, each with a grade of "C" or better, or equivalent.

This course provides students with advanced skills that are necessary to create documents that are pre-press and pre-web ready. Students create sophisticated and effective documents by combining text, images, charts, and tables and by applying typography and design principles to their layouts. Advanced topics include managing long documents, advanced typesetting functions, managing output to print, and creating HyperText Markup Language (HTML) and Extensible Markup Language (XML) documents. This course is designed for anyone interested in advanced desktop publishing. This course may be repeated three times to update skills as desktop publishing software and technologies change. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

177 Acrobat Portable Document Format File Creation

**1 hour lecture, 1 unit
Letter Grade or Pass/No Pass Option**

Advisory: Computer Business Technology 114 with a grade of "C" or better, or equivalent. This hands-on course offers instruction in the creation of Acrobat Portable Document Format (PDF) documents, the standard file format for portable print and Internet documents. Students develop skills in creating PDF documents, embedding multimedia, adding interactive navigation, and creating forms. This

course is designed for students studying Web design and anyone interested in PDF document creation. This course may be repeated three times to update skills as technologies change. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

180 Microsoft Office

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 103 and 161, each with a grade of "C" or better, or equivalent.

This course is designed for students interested in learning a business software suite. This course covers the Microsoft Office Professional suite, which is an integrated collection of software applications (word processing, spreadsheet, database, and presentations) that share data and work in a similar and consistent manner. This course will also provide instruction on how to seamlessly integrate data within and between the programs in an efficient manner. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

190 Introduction To Quicken

**1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Computer Business Technology 103 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for Office Information Systems 153A.

This course is designed to prepare students for employment in a home-based office or small business office. This course provides hands-on practice with Quicken, a program for organizing and managing financial information and performing on-line banking and bill payments in small businesses and home-based offices. This course or sections of this course may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

198A Project Lab I

**1.5 hours lab, .5 unit
Pass/No Pass Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Students in this course design and complete hands on individualized projects applicable to CBTE courses to upgrade their software skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

200 Office Telecommunications

**1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels W5 and R5.

Limitation on Enrollment: This course is not open to students with credit for Office Information Systems 142.

This course is designed to provide students with a fundamental working knowledge of voice, data, and video telecommunications that can be applied in their business and personal lives. The course introduces telecommunications networks, transmitting, receiving, and satellite technologies. Topics covered in this course include basic communication theory, fundamentals of telephone systems, components of data communications systems, and basic Web page development using and HTML editor. This course or sections of this course may be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

205 Records Management

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Computer Business Technology 101 with a grade of "C" or better, or equivalent.

This course is designed to prepare students for employment in the field of Records and Information Management (RIM). The course covers the fundamentals of Records Management including the principles of indexing and filing; the major filing systems-alphabetical, numerical, subject, and geographic; the role of the records management and the records manager in the information industry; selection of systems, equipment, and supplies; design, control, and maintenance of a records center; and provides experience in using the computer to manage

records. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

206 Electronic Records Management

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Computer Business Technology 151 and 205 or 180, each with a grade of "C" or better, or equivalent.

This course is an introduction to electronic records management. Emphasis is placed on the use of electronic media to create and store documents. This course is designed for students pursuing a career in records management and for those interested in managing electronic files. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

207 Advanced RIM Applications

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Computer Business Technology 205 and 206, each with a grade of "C" or better, or equivalent.

This course involves students in hands-on applications essential for creating a records management program. Records Information Management (RIM) projects include creating an industry specific file plan, vital records protection plan, disaster recovery program, and the automation of records systems. This course is intended for students who are looking for employment or an associate degree in RIM. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210 Computers in Business

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with credit for Office Informations Systems 192.

This course is designed to prepare students for a computer related career. Computers in Business is an introductory course which covers the latest developments in computer technology, office automation, electronic communication, and the World Wide Web. This course or sections of this course may

be offered through distance education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

211 Office Administration

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Computer Business Technology 101, 102, 103 or 120, each with a grade of "C" or better, or equivalent. Type by touch or knowledge of Microsoft Word.

This course is designed to introduce the practical application of current office administration procedures, duties, and human relations. Specific topics include telephone and reception, transcription, mail procedures, data entry (10-key by touch), reference resources, job seeking, human relations, ethical behavior, office etiquette and dress, time management, communication systems, and oral and computer presentations. This course is recommended for the CBTE major to be a "capstone" course and is suggested to be taken at the end of their coursework. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

270 Work Experience

**Hours by Arrangement (One unit of credit is earned for each 75 hours of paid employment or 60 hours of volunteer work.), 1-4 units
Grade Only**

A program of on-the-job learning experiences for students employed in a job related to their major or their educational goals. The combined maximum credit for all work experience courses from all disciplines may not exceed 16 units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

COMPUTER AND INFORMATION SCIENCES (CISC)

130 Introduction to Local Area Networks

**.75 hour lecture,.75 hour lab, 1 unit
Grade Only**

This is an introductory study of microcomputer local area and wide area network development, use and administration. Emphasis is placed on presenting students with a breadth of knowledge from wiring to applications and including hardware, software, transmission media, packets, frames, network topology, routing, protocols and layering. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

132 Intermediate Local Area Networking

**.75 hour lecture,.75 hour lab, 1 unit
Grade Only**

This course is an introductory study of Internetworking and network applications. Emphasis is placed on presenting students with a breadth of knowledge from wiring to applications and including Internet architecture, protocols, datagrams, routing, the client server model, electronic mail, web document technologies, network management and security. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

133 Wide Area Networking

1.5 hours, 1.5 units

Letter Grade or Pass/No Pass Option

Limitation on Enrollment: This course is not open to students with credit for Computer and Information Sciences 265: WAN.

This class will introduce the students to Wide Area Networks and the associated standards and protocols. The topics will include service providers, IEEE & CCITT Standards, network topologies, network protocols, hardware/software installation/diagnostics, network management, and local area to wide area network implementations. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

150 Introduction to Computer and Information Sciences

**3 hours lecture, 3 units
Grade Only**

A Level I course. A survey of computer systems and techniques. History of computer and information sciences, computer equipment and programming

systems, flowcharting, systems study, design, development and implementation. The use of computers in the solution of typical business management problems and tasks is emphasized. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

151 UNIX Operating Systems

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Limitation on Enrollment: This course is not open to students with credit for Computer and Information Sciences 265: Introduction to Unix Operating System. This introductory course to the Unix Operating systems is for new users to learn the programs and services that made the Unix System so popular including: the shell, communicating to other users, manipulating files using the file structure, setting file access permissions, full-screen text editing, the Bourne and C shell, and programming simple shell scripts. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

152 Introduction to the Linux Operating System

**3 hours lecture, 3 hours lab, 4 units
Pass/No Pass Only**

Limitation on Enrollment: This course is not open to students with credit for Computer and Information Sciences 151. This introductory course to the Linux Operating systems is for new users to learn the programs and services that made the Linux System so increasingly popular, including: the shell, communicating to other users, manipulating files using the file structure, setting file access permissions, full-screen text editing, and programming simple shell scripts. The Novell SuSE Linux implementation is used in the course, but other versions of Linux are also appropriate. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

161 Software Project Management

**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Advisory: Computer and Information Sciences 181 or 182 or 186 or 187 or 190 or 192 or 193, with a grade of "C" or better, or equivalent; and Mathematics 107 with a grade of "C" or better, or equivalent. This course prepares computer science, information technology, information systems, and software engineering students with a thorough introduction to

the tools and techniques associated with managing software development projects. This knowledge is required in any substantive software development project. This course assumes adequate understanding of the process of software development. It also requires access to, and the use of, Microsoft Project, a software tool that is part of the Microsoft Office family. This course is of interest to students majoring in the areas cited above, and to professional development students seeking to expand their knowledge and skills in software development management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

181 Principles of Information Systems

**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introduction to basic principles and theory relating to problem solving and analysis in business organizations using computers and software packages. Emphasis is placed on computer organization, data processing systems, decision support systems, and systems analysis. Business software is reviewed with an emphasis on spreadsheet systems including hands-on spreadsheet applications. This course is intended for the transfer student planning to major in business, economics, or social science. Students who have completed CISC 182 should consult with a counselor before enrolling in CISC 181. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

182 Fluency with Information Technology

**3 hours lecture, 3 hours lab, 4 units
Grade Only**

This course provides transfer students with an introduction to computer technology. It targets students who need to complete a computer literacy course as part of their degree or certificate program. Computer software, networking, and systems are covered, with an emphasis on modern technologies. This course also serves community members interested in an introduction to computer technology. Students who have completed CISC 181 should consult with a counselor before enrolling in CISC 182. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

186 Visual Basic Programming **3 hours lecture, 3 hours lab, 4 units** **Grade Only**

Advisory: English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level W5.

This course is an introduction to programming using Visual Basic. The course covers the fundamentals of event oriented programming in a Windows environment. Students learn to use and program a mouse, windows, forms, menus, dialog boxes, icons, buttons, text fields, files, graphics, and other components of a Windows environment in Visual Basic. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

187 Data Structures and Object-Orientation **3 hours lecture, 3 hours lab, 4 units** **Grade Only**

This course introduces students to the topic of data structures and object-oriented software engineering. It covers basic data structures such as collections and linked structures (e.g. stacks, queues, lists, arrays, trees, and hashes) from the perspective of object-oriented implementation. It discusses issues of object-oriented analysis, design, and implementation in popular programming languages such as C++, C#, and Java. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

189A Introduction to Programming I **3 hours lecture, 3 hours lab, 4 units** **Grade Only**

Advisory: Computer and Information Sciences 150 and 181, each with a grade of "C" or better, or equivalent; English 49 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels W5 and M40.

Limitation on Enrollment: This course is not open to students with previous credit for Computer and Information Sciences 190-Java Programming. Using the popular programming language Java, this course introduces students to the process of developing simple software applications to solve typical human problems. This includes language syntax, structure, and semantics as well as the basics of object-oriented software engineering. CISC 189A and B together are a slower-paced version of CISC 190, with more programming practice. CISC 189A is the first of the two-course sequence. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Computer and Information Sciences (CISC) 189A and

189B are equal to 190. No credit for 189A or 189B if taken after 190 (per catalog).

189B Introduction to Programming II **3 hours lecture, 3 hours lab, 4 units** **Grade Only**

Prerequisite: Computer and Information Sciences 189A with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Computer and Information Sciences 190-Java Programming. Using the popular programming language Java, this course continues the process of students learning how to solve business problems by developing useful software applications. This includes more advanced concepts like abstract data structures, graphics, and data persistence. CISC 189A and B together are a slower-paced version of CISC 190, with more programming practice. CISC 189B is the second of the two-course sequence. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Computer and Information Sciences (CISC) 189A and 189B are equal to 190. No credit for CISC 189A or 189B if taken after 190 (per catalog).

190 Java Programming **3 hours lecture, 3 hours lab, 4 units** **Grade Only**

Advisory: English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level W5.

This course is an introduction to programming using Java. The course covers the fundamentals of object oriented programming utilizing the Java programming language for general purpose business programs and interactive World Wide Web based Internet programs. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

192 C/C++ Programming **3 hours lecture, 3 hours lab, 4 units** **Grade Only**

Advisory: English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level W5; and Computer and Information Sciences 186 with a grade of "C" or better, or equivalent.

This course presents basic programming concepts using the C++ programming language. The organization of standard I/O classes is emphasized. Structured and object oriented programming techniques are presented and used to design and implement a variety of programming problems. (FT) Associate Degree Credit & transfer to CSU and/or

private colleges and universities. UC Transfer Course List.

193 Microsoft C# Software Engineering 1
3 hours lecture, 3 hours lab, 4 units
Grade Only

This course applies industry-standard software engineering principles to the study of the object-oriented, general purpose programming language Microsoft C#, a member of the Microsoft Visual Studio.NET software development toolset. Coverage includes the typical topics of an introductory programming course. Extensive hands-on training is included in the laboratory sessions. This course can be offered in-class or online. This course is designed for students pursuing a degree in Computer Science or Information Systems and for vocational/professional students who are updating their programming skills set. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210 System Analysis and Design
3 hours lecture, 3 units
Grade Only

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6. This course is an introductory, experiential study of the phases of the object-oriented software development life cycle (OOSDLC), including: stakeholder and requirements analysis; use cases development; software architecture; project management; user interface considerations; interactive and prototyping methodology; component construction; quality assurance; and configuration management. This course is intended for students seeking advanced knowledge and applications in Computer and Information Sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

220 Fundamentals of Computer Game Programming
3 hours lecture, 3 hours lab, 4 units
Grade Only

Advisory: Computer and Information Sciences 187, 190, 192 or 193 with a grade of "C" or better, or equivalent. This course introduces software programmers to the design and development of simple graphical computer-based games. The course may use Java or C# as the programming language of choice. Emphasis is placed on developing games in a team

environment, designing logical games that satisfy player needs, and on ensuring that games are of high quality through use of software engineering best practices and proper testing. This course is for students with some previous software programming experience. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

290 Independent Study
Hours by Arrangement, 1-3 units
Grade Only

Limitation on Enrollment: Must obtain an Add Code from instructor for registration. Typically for advanced students in Computer and Information Sciences who wish to pursue special problems and projects related to the area. The student will meet with the instructor at specific intervals and will be expected to accomplish primary research, problem analysis and report preparation relating to an approved project or course of study. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Construction Management
 (See Architecture)

CONSUMER STUDIES (CONF)

110 Personal Financial Management
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5, and M20. This course explores theories and techniques of managing personal income, with an emphasis on financial goal setting, culminating in the development of a personal financial plan. It includes practical methods of gaining maximum advantages from income through efficient spending, effective use of credit, savings, budgeting, insurance, and investment. Stock portfolios and retirement planning are

discussed. This is a required course for a Certificate of Completion in Skills for Success and Certificate of Achievement and/or Associate Degree in Consumer Resource Management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

140 Textiles

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course includes core information, analysis and testing of natural and man-made fibers, yarn and textile construction, fabric finishing and design. Challenges in identification, selection, use and care of textiles is covered. This course is intended for students majoring in Fashion Merchandising or Design or Interior Design, as well as for those who desire to be better consumers of textile products. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study

**Hours by Arrangement, 1-3 units
Grade Only**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Designed to deal with current problems and topics of special interest in home economics. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

CULINARY ARTS/CULINARY MANAGEMENT (CACM)

Formerly Food Service Occupations (FOOD)

Note: CACM course numbers differ from the former FOOD course numbers.

101 Sanitation, Safety and Equipment

**3 hours lecture, 3 units
Grade Only**

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4; and completion of or concurrent enrollment in Culinary Arts/Culinary Management 105 (formerly Food Service 105), Culinary Arts/Culinary Management 110 (formerly Food Service 110), and Hospitality 101, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service 107. This course provides safety and sanitation principles and practices for personal and institutional application. Methods and techniques for handling foods safely are examined including food preparation, storage, service and the prevention of food contamination. Also covered are the importance of microorganisms, food borne illness and food allergies, sanitary facilities and equipment, accident prevention, crisis management, and pest management. Compliance with city, state, and federal health regulation as embodied in HACCP (Hazard Analysis Critical Control Point) are emphasized, along with the supervisor's responsibilities in maintaining high standards of these principles. The student receives a San Diego County food handler card and a certificate of completion from the Educational Foundation of the National Restaurant Association upon the successful completion of this course. This course is required for all Culinary Arts/Culinary Management students and is to be taken as the first course prior to all other culinary courses or in conjunction with the first few. It may be used for American Culinary recertification, and is required for the Dietary Service Supervisor Certificate offered by the Nutrition Department. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

105 Fundamentals of Food Production Theory

**3 hours lecture, 3 units
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Culinary Arts/Culinary Management 101 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: Hospitality 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service Occupations 105.

This course provides basic terminology and methods of food production and an understanding of the

physical, chemical, and biological characteristics of food. The variety of basic and specially prepared foods served in hotels, restaurants and other types of food service establishments are introduced, and hierarchy of culinary positions is also presented. Food grades and standards of quality for finished products are presented. This is a beginning course for students with an interest in culinary arts/culinary management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

110 Fundamentals of Cooking & Service

**12.00 hours lab, 4.0 units
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Culinary Arts/Culinary Management 105 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: Hospitality 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service Occupations 110.

This is a beginning laboratory course in food preparation and presentation including cooking equipment, techniques, and safety procedures, using weights and measures, and interpretation of recipes. Product identification, basic cooking techniques and procedures based on nutrition and classic preparation methods are presented. Students are provided the hands-on experience in preparing meals by following recipe structure and using and modifying recipes based on knowledge gained through the course. Food preparation is produced in a time-restricted setting to prepare for functioning in a commercial kitchen. This course is designed for students interested in pursuing a career in Culinary Arts/Culinary Management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

115 Principles of Commercial Cooking

**3 hours lab, 1 unit
Grade Only**

Advisory: English 48 and English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5, and M30.

Limitation on Enrollment: This course is not open to students with previous credit for Culinary Arts/Culinary Management 110 or 111.

This course is a practical, hands-on study of basic commercial cooking techniques. Emphasis is placed kitchen and restaurant operations, including safety and sanitation. Students prepare meals in a commercial kitchen setting. This course is designed for

students majoring in hotel management or dietary services, and anyone interested in basic commercial kitchen operations. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

120 Menu Analysis & Event Catering

**3 hours lecture, 3 units
Grade Only**

Limitation on Enrollment: This course is not open to students with previous credit for Food Service Occupations 120.

This course covers the key aspects of menu planning essential to building a menu or complete concept and operation of a foodservice facility. The principles of planning a menu are presented, from concept development and design mechanics to menu pricing and marketing issues. Each menu element is analyzed as it applies to foodservice operations, balanced presentation, and profitability. Various types foodservices are presented for hotels, restaurants, foodservice facilities, and catering situations. This course is designed for students interested in pursuing a career in Culinary Arts/Culinary Management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

130 Quantity Food Preparation-Theory

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Culinary Arts/Culinary Management 101 (formerly Food Service 107) with a grade of "C" or better, or equivalent. Food handler's permit may be accepted per instructor permission in lieu of Culinary Arts/Culinary Management 101.

Advisory: English 42 and English 43 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4 and M20; and concurrent enrollment in Culinary Arts/Culinary Management 131 (formerly Food Service 131); and completion of or concurrent enrollment in, Culinary Arts/Culinary Management 105 (formerly Food Service 105), Culinary Arts/Culinary Management 110 (formerly Food Service 110), and Hospitality 101, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service 130. This intermediate course sets forth the principles of preparing and serving food in volume with focus on entrees, breakfast foods, salads, sandwiches, short orders, and desserts. Emphasis is placed on recipe standardization, determination of need and procurement of supplies, organization of work stations, effective use of equipment and time, and

attractive service. This course is for students pursuing a career in Culinary Arts/Culinary Management, and is also required for the Dietary Service Supervisor Certificate offered through the Nutrition Department. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

131 Quantity Food Preparation Laboratory
12 hours lab, 4 units
Grade Only

Prerequisite: Culinary Arts/Culinary Management 105 and Culinary Arts/Culinary Management 110, each with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Culinary Arts/Culinary Management 130 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service Occupations 131.

This laboratory course supplements the Culinary Arts/Culinary Management 130 theory course. Large scale food preparation is produced in a time-restricted quality-minded setting. Emphasis is placed on the development, organization and carrying out of recipe standardization, need and procurement of supplies, work stations, and attractive service. This intermediate course is for students interested in a career in Culinary Arts/Culinary Management and is required for the Dietary Service Supervisor Certificate offered through the Nutrition Department. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

140 Food and Beverage Purchasing and Control
3 hours lecture, 3 units
Grade Only

Prerequisite: Culinary Arts/Culinary Management 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service Occupations 140.

This course covers techniques for purchasing food, beverages, and supplies used in hotels and restaurants. Students learn to analyze the operation, promotion, sales cost, and inventory controls on food and beverages. Students gain realistic experience by writing foodservice specifications, based on general purchasing methods, requirements, procedures, as well as the importance of controlling portions, inventories and costs and their affect on menu pricing. This course is designed for students interested in a career in hospitality and culinary arts/culinary management, and those working toward certification

with the American Culinary Federation. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

201 Gourmet Food Preparation Laboratory
9 hours lab, 3 units
Grade Only

Prerequisite: Culinary Arts/Culinary Management 130 and Culinary Arts/Culinary Management 131, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service Occupations 201.

This laboratory course is designed to teach advanced food preparation techniques and methods. Students learn the science of scratch cookery through small batch assignments. Areas of focus include gourmet items, buffet specialties, hors d'oeuvres, and canapés, while practicing presentation and garnishing. Small scale preparation is produced in a time-restricted quality-minded setting. This course is for students pursuing a career in culinary arts/culinary management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

205 Garde Manger Cold Food Production
9 hours lab, 3 units
Grade Only

Prerequisite: Culinary Arts/Culinary Management 130 and Culinary Arts/Culinary Management 131, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service Occupations 205.

This laboratory course builds on skills previously learned while the student studies traditional upscale pantry preparation. Topics covered include hors d'oeuvres, canapés, pates, terrines and charcuterie. Artistic displays including buffet tables, centerpieces, culinary showpieces are presented. The student gains practical experience preparing and serving theme buffets for guests. Small and large-scale preparation is produced in a time-restricted quality-minded setting. This course is for students pursuing a career in culinary arts/culinary management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210 Basic Baking and Pastry
9 hours lab, 3 units
Grade Only

Prerequisite: Culinary Arts/Culinary Management 130 and Culinary Arts/Culinary Management 131, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service Occupations 210.

This course covers fundamental baking skills for students who intend to specialize in baking and pastry making instead of general cooking. Production of yeast and quick breads, cakes, cookies, pies, and pastries, as well as decorating and icings are undertaken, with emphasis placed on more sophisticated items and gourmet specialties including cakes and pastries for weddings, birthdays and special occasions. Gourmet baked items and pastries are produced in a time restricted quality minded setting. This course is for students pursuing a certificate or degree in culinary arts/culinary management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

211 Advanced Baking and Pastry

9 hours lab, 3 units

Grade Only

Prerequisite: Culinary Arts/Culinary Management 210 with a grade of "C" or better, or equivalent.

This course builds on the skills and knowledge gained in baking and pastry and familiarizes the student with advanced baking theories and techniques. Students are introduced to a variety of essential ingredients necessary to the professional pastry chef, as well as current trends in equipment. The techniques of sugar cooking and the handling of chocolate are also discussed. Special importance is placed on the following methods: folding, rolling, piping, and decorating of dessert plates. Emphasis is on the safe handling of foods and the production of high quality, handcrafted desserts for retail and commercial bakeries. This course is designed for students interested advanced baking and pastry techniques in culinary arts/culinary management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

270 Work Experience

Hours by Arrangement (One unit of credit is earned for each 75 hours of paid employment or 60 hours of volunteer work.), 1-4 units

Grade Only

A program of on-the-job learning experiences for students employed in a job related to their major or their educational goals. The combined maximum credit for all work experience courses from all disciplines may not exceed 16 units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

291 Culinary Practicum

**3 hours lab, 1 unit
Grade Only**

Prerequisite: Culinary Arts/Culinary Management 110 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Enrollment in an approved related course.

Limitation on Enrollment: Must obtain an Add Code from the instructor for enrollment.

This course provides practical experiences designed to supplement the basic curriculum and includes special cooperative educational opportunities set up with the College and approved Chefs. Experiences include special and short-order food preparation and service, buffet service, catering, dining room management and service and receiving and storeroom procedures. Large scale and small quantity preparation is produced in a time-restricted quality-minded setting. This course is for students pursuing a career in culinary arts/culinary management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

291A Culinary Practicum Small Events

**3 hours lab, 1 unit
Grade Only**

Prerequisite: Culinary Arts/Culinary Management 110 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Enrollment in an approved related course.

Limitation on Enrollment: Must obtain an Add Code from the instructor for enrollment.

This course provides practical experiences designed to supplement the basic curriculum and includes special cooperative educational opportunities set up with the College and approved Chefs. Experiences include special and short-order food preparation and service, buffet service, catering, dining room management and service and receiving and storeroom procedures. Small event preparation is produced in a time-restricted quality-minded setting. This course is for students pursuing a career in culinary arts/culinary management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

291B Culinary Practicum for Formal Events

**3 hours lab, 1 unit
Grade Only**

Prerequisite: Culinary Arts/Culinary Management 110 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Must obtain an Add Code from the instructor for enrollment.

Limitation on Enrollment: Enrollment in an approved related course.

This course provides practical experiences designed to supplement the basic curriculum and includes special cooperative educational opportunities set up with the College and approved Chefs. Experiences include special and short order food preparation and service, buffet service, catering, dining room management and service and receiving and storeroom procedures. Formal event preparation is produced in a time-restricted quality-minded setting. This course is for students pursuing a career in culinary arts/culinary management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

291C Culinary Practicum for Informal Events
3 hours lab, 1 unit
Grade Only

Prerequisite: Culinary Arts/Culinary Management 110 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Must obtain an Add Code from the instructor for enrollment.

Limitation on Enrollment: Enrollment in an approved related course.

This course provides practical experiences designed to supplement the basic curriculum and includes special cooperative educational opportunities set up with the College and approved Chefs. Experiences include special and short-order food preparation and service, buffet service, catering, dining room management and service and receiving and storeroom procedures. Informal event quantity preparation is produced in a time-restricted quality-minded setting. This course is for students pursuing a career in culinary arts/culinary management.

(FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

DANCE (DANC)

Dance courses may be used to fulfill the Physical Education graduation requirement. See page 92 in the Academic Requirements section of this catalog.

110 Ballet

2-3 hours lab, 5-1 unit
Letter Grade or Pass/No Pass Option

Ballet is a course in traditional ballet technique focusing on correct body alignment and placement through repetition and centre work. The class analyzes, discusses, and critiques the line, design, ballet technique, choreography and dynamics of ballet movements. Ballet fulfills lower division requirements for Dance majors. This course, in combination with Physical Education 110, may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

111 Ethnic Dance Forms

1 hour lecture, 3 hours lab, 2 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introduction to multiple cultures and global dance traditions. Each tradition is examined in terms of its particular set of techniques, styles and rhythms. Special emphasis is placed on the exploration of movement characteristic of each cultural dance form. This course is not limited to dance majors and minors. Dance majors are encouraged to expose themselves to a variety of cultural dance forms. Course content, including country, culture and/or dance type, changes each semester. This course may be taken up to four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

115 Tap

2-3 hours lab, 5-1 unit
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Tap is an introductory course which explores a variety of tap dance styles. Emphasis is on the development of balance, ankle articulation, timing and clarity of sound in the performance of basic tap vocabulary. Rhythm studies include musical phrasing, dynamics, body placement, and improvisation. This course is designed for dance and theater majors as well as students interested in exercise and aerobic experience. This course may be taken four times for credit. Students must demonstrate increased proficiency and skill attainment with each repetition. When this course is offered for three hours a week the additional time is utilized in the practice and

perfection of rhythmic and sound clarity. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

120 American Street Dance

2-3 hours lab,.5-1 unit

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

American Street Dance is an introductory course in a variety of established and emerging dance forms including Hip Hop, Funk, Pop, Lock and Fly. Street dance movements, rhythms and styles are explored through dance combinations. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

126 Belly Dance

2-3 hours lab,.5-1 unit

Letter Grade or Pass/No Pass Option

Belly Dance is an introductory course in a variety of established and emerging belly dance forms. Emphasis is placed on techniques, styles, rhythms, use of various props and performance dynamics of American staged belly dance. Students must demonstrate increased proficiency and skill attainment with each repetition. When this course is offered for three hours a week the additional time is utilized in practice and perfection of rhythmical isolations and improvisations. This course is designed for students who wish to explore dance movements from other cultures. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

130 Dance Repertoire

2-3 hours lab,.5-1 unit

Letter Grade or Pass/No Pass Option

Advisory: Dance 135 or 140 or Physical Education 135 or 140 with a grade of "C" or better, or equivalent. Dance Repertoire is designed to introduce the dancer to the choreography of renowned choreographers. This course provides the opportunity for students to learn and perform selected choreography in ballet, modern, jazz, tap and musical theater. This course, in combination with Physical Education 130, may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

135 Jazz Dance

2-3 hours lab,.5-1 unit

Letter Grade or Pass/No Pass Option

Jazz Dance is a course which explores a variety of jazz dance techniques focusing on the development of coordination, flexibility, balance, strength, correct body alignment and rhythmic perception. Dance combinations are performed to demonstrate technical ability at all skill levels. Jazz Dance fulfills lower division requirements for dance majors. This course, in combination with Physical Education 135, may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

140 Modern Dance

2-3 hours lab,.5-1 unit

Letter Grade or Pass/No Pass Option

Modern Dance is a course that explores the fundamental concepts and techniques of modern dance including floor stretch, center work, locomotor sequences and dance combinations. The student demonstrates, defines and performs flexibility, coordination, rhythmic and dynamic perception, control and strength. The class critiques, discusses and analyzes line, design, technique, choreography and dynamic qualities through lectures, videotapes and concert critiques. Modern Dance fulfills lower division requirements for dance majors. This course, in combination with Physical Education 140, may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

145 Ballroom and Social Dance

2-3 hours lab,.5-1 unit

Letter Grade or Pass/No Pass Option

Advisory: English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level W5. Ballroom and Social Dance is an introductory course focusing on the fundamentals of partner dance and basic steps in a variety of social and ballroom dance genres. Emphasis is placed on partnering technique, frame, style, and steps. This course is designed for dance and theatre majors as well as students who wish to explore historical dance. This course may be taken four times for credit. Students must demonstrate proficiency in the performance of increasingly complex Latin rhythms, tango variations, swing styles and partnering with each repetition. When this course is offered for three hours a week the additional time is utilized in the practice and perfection of styling, postures, rhythms and variations. (FT) Associate Degree Credit & transfer to CSU and/or

private colleges and universities. UC Transfer Course List.

150 Dance Making: Ballet

**3 hours lab, 1 unit
Grade Only**

Advisory: Dance 253 with a grade of "C" or better, or equivalent.

This course is a practical exploration of the processes and elements used in the art of dance making in the area of Ballet. Within a workshop format, students work under close faculty supervision to research the historical masterpieces of Ballet and reinterpret them in a contemporary light. Emphasis is placed on concept creation, use of story and movement, improvisation, dance patterns, revision and refinement to develop an original dance in a fixed, repeatable form. This course is designed for dance majors and all students interested in dance and choreography. This course may be repeated three times with new choreography. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

151 Dance Making: Jazz

**3 hours lab, 1 unit
Grade Only**

Advisory: Dance 253 with a grade of "C" or better, or equivalent.

This course is a practical exploration of the processes and elements used in the art of dance making in the area of Jazz. Within a workshop format, students work under close faculty supervision to research Jazz, including its African roots, its place in American musical theatre, and the influence of Funk, Hip-Hop and Latin rhythms, in order to create an original piece. Emphasis is placed on concept creation, use of story and movement, improvisation, dance patterns, revision and refinement to develop an original dance in a fixed, repeatable form. This course is designed for dance majors and all students interested in dance and choreography. This course may be repeated three times with new choreography. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

152 Dance Making: Modern

**3 hours lab, 1 unit
Grade Only**

Advisory: Dance 253 with a grade of "C" or better, or equivalent.

This course is a practical exploration of the processes and elements used in the art of dance making in the area of Modern dance. Within a workshop format

students work under close faculty supervision to research the 20th century pioneers of Modern dance and 21st century trends to create an original, emotive Modern dance. Emphasis is placed on concept creation, use of story, emotion and movement, improvisation, dance patterns, revision and refinement to develop an original dance in a fixed, repeatable form. This course is designed for dance majors and all students interested in dance and choreography. This course may be repeated three times with new choreography. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

153 Dance Making: Dance Theater

**3 hours lab, 1 unit
Grade Only**

Advisory: Dance 253 with a grade of "C" or better, or equivalent.

This course is a practical exploration of the processes and elements used in the art of dance making in the area of Dance Theatre. Within a workshop format, students work under close faculty supervision to integrate multimedia, text, spoken word and/or film with dance to create an original piece of Dance Theatre. Emphasis is placed on concept creation, use of story and movement, improvisation, dance patterns, revision and refinement to develop an original dance in a fixed, repeatable form. This course is designed for dance majors and all students interested in dance and choreography. This course may be repeated three times with new choreography. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

177 Dance Improvisation

**2-3 hours lab, 5-1 unit
Letter Grade or Pass/No Pass Option**

Advisory: Physical Education 135 or 140 or Dance 135 or 140 with a grade of "C" or better, or equivalent. This course is designed to give students the opportunity to learn beginning and intermediate improvisational dance skills through the use of space, time, dynamics, and motion of body parts. Emphasis is placed on performance ability and technique. The student is involved in a structured dance performance in various situations and progresses to spontaneous movement in group and individual works. This course fulfills lower division requirements for dance majors. This course, in combination with Physical Education 177, may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

178 Advanced Contemporary Dance
3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option

Advisory: Physical Education 135 or Dance 135 with a grade of "C" or better, or equivalent.

This course focuses on the movement principles of American dance masters Jack Cole, Bob Fosse, Luigi and Matt Mattox. Instruction includes student performance of various contemporary dance styles for videotaped analysis of technical proficiency. This course, in combination with Physical Education 178, may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

179 Advanced Classical Dance
3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option

Advisory: Dance 110 with a grade of "C" or better, or equivalent.

This course focuses on correct advanced body alignment, coordination, flexibility and strength. The class compares, discusses and analyzes the movement principles of the Royal, French, Cecchetti and Russian methods. This course, in combination with Physical Education 179, may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

181 Introduction to Dance
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with credit for Physical Education 260. Introduction to Dance is designed to give students the opportunity to appreciate the aesthetic foundations of dance as interpreted within Western traditions. The course covers basic techniques of Western dance traditions that foster an awareness of dance as therapy and fitness as well as art and dance in film, video, and live performance. Additionally, students are introduced to dance as the expression of social discourse distinct to historical periods within Western history. Finally, students study the techniques of selected canonical or well known dancers, choreographers and their craft. This course is introductory but prepares both potential performers and scholars with an interest in performance for intermediate studies in dance. (FT) Associate Degree

Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

183 Music for Dance
2 hours lecture, 2 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Dance 253 or Physical Education 116 with a grade of "C" or better, or equivalent.

Music for Dance introduces the fundamentals of music through the study of terminology, notation, elements and form as they relate to movement. The course explores the interrelationship of music and dance and provides students the opportunity to compose and perform rhythmic and movement projects. This course fulfills lower division requirements for dance majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

253 Choreography
1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option

Advisory: Physical Education 135 or 140 or Dance 110, 135, or 140 with a grade of "C" or better, or equivalent
Limitation on Enrollment: This course is not open to students with credit for Physical Education 116.

Choreography is a course that explores the theories and elements utilized in the creative process of dance composition. Emphasis is placed on student application of choreographic concepts through the development of movement compositions. This course fulfills lower division requirements for dance majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

261 Dance Performance
6 hours lab, 2 units
Grade Only

Advisory: Physical Education 135 or 140 or Dance 110, 135, or 140 with a grade of "C" or better, or equivalent. Dance Performance provides the opportunity for students to apply intermediate and advanced skills in ballet, jazz and modern dance in preparation for public performance. Emphasis is placed on student application of dance, staging, and performance techniques in a theatrical environment. This course fulfills lower division requirements for dance majors. This course, in combination with Physical Education 129, may be taken four times for credit. (FT) Associate

Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

271 Dance Production

3-6 hours lab, 1-2 units

Letter Grade or Pass/No Pass Option

Dance Production explores the technical and management aspects of producing a dance concert. Emphasis is placed on student application of design and construction of costumes, lighting design, makeup application, stage and house management, and publicity. This course fulfills lower division requirements for dance majors. This course, in combination with Physical Education 118, may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

Additional Dance Classes

(See Physical Education)

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

DENTAL ASSISTING - RDA, CDA (DENA)

102 Dental Communications

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: Special Admission - must be admitted to program. Designated alternates may also enroll in the course.

This is an introductory course to the Dental Assisting Program. Students completing the course are prepared for the beginning phase of the Dental Assisting Program. This course aids the student in an understanding of the dental profession by exploring its history from early times through present day practice and the educational requirements and responsibilities of each Dental Health Team. Ethical and legal aspects, methods of conflict resolution, risk management and standards of patient care are presented. Students develop oral, written, and non-verbal communication skills and an understanding of psychological needs of dental patients, employers,

and co-workers. This course will also explore the demands of a career in the dental health field as well as introducing and analyzing basic dental terminology. This is a prerequisite course for students enrolling in the Dental Assisting Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

103 Preventive Dental Care

**1.5 hours lecture, 1.5 units
Grade Only**

Prerequisite: Dental Assisting 102 with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 103L.

Corequisite: Completion of or concurrent enrollment in: Dental Assisting 106 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 104. Special Admission - must be admitted to program.

This course is for students enrolled in the Dental Assisting Program. This course focuses on the principles and techniques necessary for preventing tooth decay, including the importance of nutrition, personal preventive oral hygiene, and education of the dental patient on preventive dental care. The goal and components of a preventive dentistry program are included. This course also includes the discussion of personal nutrition and nutritional counseling plus charting a diet diary. Identification of sources and the practice of using fluoridation as a preventive measure against tooth decay and the purpose of dental sealants are also presented. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

103L Preventive Dental Care Lab

**1.5 hours lab, .5 unit
Grade Only**

Corequisite: Dental Assisting 103.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 104. Special Admission - must be admitted to program.

This course is for students enrolled in the Dental Assisting Program. This laboratory course presents the practical application of preventive dental care, including an analysis of personal/patient nutrition and nutritional counseling. This lab course also focuses on the principles and techniques necessary for personal preventive oral hygiene. Patient education strategies for maintaining preventive oral hygiene and regular professional care are included. The practice of using fluoridation and sealants as preventive measures against tooth decay is covered. (FT) Associate Degree

Credit & transfer to CSU and/or private colleges and universities.

106 Basic Dental Science

**3.5 hours lecture, 3.5 units
Grade Only**

Limitation on Enrollment: Special Admission - must be admitted to program.

This is a basic science course covering anatomy and physiology of the human body. It exposes the Dental Assisting student to various dental science areas including tooth morphology, embryology, bones, nerves, and muscles of the head and neck. It also includes an introduction to dental office microbiology, infection control, chemical & waste management. Pharmacology, oral pathology, dental office emergency and first aid are included. Field trip is required to obtain CPR certification. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

116 Dental Materials

**2 hours lecture, 2 units
Grade Only**

Prerequisite: Dental Assisting 102 with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 116L.

Corequisite: Completion of or concurrent enrollment in: Dental Assisting 106 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course covers historical development, chemical and physical properties, as well as the agencies responsible for the standards of dental materials. The preparation of dental materials and their effect on the oral environment are examined. The dental assisting student will learn the effects of proper and improper manipulation and the safe practice of handling dental materials. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

116L Dental Materials - Lab

**3 hours lab, 1 unit
Grade Only**

Corequisite: Dental Assisting 116.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course affords the dental assisting student an opportunity to prepare and manipulate a variety of dental materials, including the safety issues of each dental material. The demonstrations and evaluations focus on the effects of proper and improper

manipulation by the chairside assistant. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

122 Basic Dental Assisting

**1 hour lecture, 1 unit
Grade Only**

Prerequisite: Dental Assisting 104 and 106, each with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 116, 116L, 122L, and 185A.

Limitation on Enrollment: This course is not open to students with credit for Dental Assisting 120.

This basic dental assisting course presents the role of the chairside dental assistant. This role includes sterilization principles, preparation of instruments, and care and maintenance of equipment. Principles of team positioning in four- and six-handed dentistry and oral evacuation methods are stressed. Patient relations and techniques of team interactions are introduced. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

122L Basic Dental Assisting - Lab

**3 hours lab, 1 unit
Grade Only**

Prerequisite: Dental Assisting 104 and 106, each with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 116, 116L, 122, and 185A.

Limitation on Enrollment: This course is not open to students with credit for Dental Assisting 120.

This basic dental assisting laboratory course allows for the practical application of chairside dental assisting techniques. Students develop skills in manipulation and delivery of restorative materials. In addition, skills are developed in sterilization procedures and in the preparation of instruments. Care and maintenance of equipment used in restorative dentistry are stressed. Team positioning, four- and six-handed dentistry, and oral evacuation skills are developed as well as skills in patient handling. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

124 Basic Dental Assisting

**2 hours lecture, 2 units
Grade Only**

Prerequisite: Dental Assisting 102 with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 124L.

Corequisite: Completion of or concurrent enrollment in: Dental Assisting 106 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 122. Special Admission - must be admitted to program. This basic dental assisting course presents the role of the restorative dental assistant. This course includes sterilization/disinfection principles, preparation/function of instruments, matrix systems\par and care/maintenance of dental equipment. Principles of team positioning as well as delivering\par dental care in four-and six-handed general dentistry, and moisture control methods are stressed. Patient relations and techniques of team interactions are introduced. This course is for students who have been admitted to the Dental Assisting Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

124L Basic Dental Assisting Lab

**6 hours lab, 2 units
Grade Only**

Corequisite: Dental Assisting 124.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 122L. Special Admission - must be admitted to program.

This basic dental assisting laboratory course allows for the practical application of chairside dental assisting techniques in restorative dentistry. Students develop skills in manipulation and delivery of restorative materials. In addition, skills are developed in sterilization procedures and in the preparation of instruments. Care and maintenance of equipment used in restorative dentistry are stressed. Team positioning, four &par six-handed dentistry, and oral evacuation skills are developed as well as skills in patient handling. This course is for students who have been admitted to the Dental Assisting Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

128 Dental Radiology I

**2.5 hours lecture, 2.5 units
Grade Only**

Prerequisite: Dental Assisting 102 with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 128L.

Corequisite: Completion of or concurrent enrollment in: Dental Assisting 106 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 127. Special Admission - must be admitted to program. This is a lecture course designed to acquaint the dental assisting student with the history, ethics,

infection control and principles of dental radiographic production, including exposure and processing radiographs manual and digital. Intraoral and extraoral techniques, dental anatomy, landmarks, and dental fundamentals pertaining to dental radiography are presented. Radiographic interpretation, intraoral and extraoral photography, and the management of pediatric patients and patients with special needs are included. This course is for students who have been admitted to the Dental Assisting Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

128L Dental Radiography Lab

**3 hours lab, 1 unit
Grade Only**

Corequisite: Dental Assisting 128.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 125 or 127L. Special Admission - must be admitted to program.

This is a laboratory course in which dental assisting student will demonstrate radiation protective techniques, the process of caring for darkroom equipment, preparing solutions, exposing, processing, mounting, and evaluating dental radiographs. Exposures are accomplished using dental film, digital imaging and photography on manikins (DXTTR) in preparation for exposures on real patients. The student will demonstrate their ability to detect bone loss and caries utilizing DXTTR's radiographs as well as product a set of bitewing radiographs on a live patient. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

132 Clinical Business Management

**1.5 hours lecture, 1.5 units
Grade Only**

Prerequisite: Dental Assisting 124 with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 132L.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 131. Special Admission - must be admitted to program.

This course presents a basic foundation for the administrative dental assistant in accounts receivable and payable for manual and computerized systems. Included is the role of the dental assistant in clinical record keeping, preparing treatment plans, telephone techniques, effective scheduling, and insurance processing. The topics of this course also include maintaining recall system, inventory control, and marketing systems. Employment skills necessary to obtain a position as an administrative dental assistant

and cultivate skills necessary to remain employed are also covered in this course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

132L Clinical Business Management Lab

**3 hours lab, 1 unit
Grade Only**

Prerequisite: Dental Assisting 124L with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 132.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 131. Special Admission - must be admitted to program. This lab course presents a basic foundation for the administrative dental assistant in accounts receivable and payable when theories can be applied to a computerized system. Included is the role of the dental assistant in clinical record keeping, preparing treatment plans, telephone techniques, effective scheduling, insurance processing, and maintaining recall and inventory control systems. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

136 Dental Radiography II

**3 hours lab, 1 unit
Grade Only**

Prerequisite: Dental Assisting 128L with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 185C or 186B.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course is the clinical level and covers techniques and skills of exposing full mouth series of dental radiographs as well as digital imaging, Panoramic and Cephalometric radiographs. The use of various radiographic positioning devices is included. The student has the opportunity to expose radiographs in a simulated private practice environment through a program of referral of patient by local dentists. Students obtain a California State Radiation Safety Certification of Completion upon satisfactory completion of course requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

162 Intermediate Dental Assisting

**2.5 hours lecture, 2.5 units
Grade Only**

Prerequisite: Dental Assisting 116 and 124, each with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 162L.

Limitation on Enrollment: Special Admission - must be admitted to program.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 161. This course is a practical study of Prosthodontic Dentistry, Periodontics and Oral and Maxillofacial surgery and Endodontics. This course also includes the role of the surgical assistant and the basics of dental implants. Emphasis is on the fixed and removable dental prosthesis, infection process of periodontal disease, knowledge and skills to complete provisional coverage, an types of dental instruments used in each procedure of the specialties covered in the course. This course is designed for students enrolled in the Dental Assisting program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

162L Intermediate Dental Assisting Laboratory

**6 hours lab, 2 units
Grade Only**

Prerequisite: Dental Assisting 116L, 124L, and 186A, each with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 162.

Limitation on Enrollment: Special Admission - must be admitted to program.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 161L.

This intermediate chairside assisting Laboratory presents the practical application of chairside assisting and laboratory techniques in the specialty areas of fixed and removable prosthodontics, oral and maxillofacial surgery, periodontic surgery and endodontic surgery. Laboratory practice includes developing skills in constructing provisional crowns and bridges for direct and indirect application, use and care of specialized instruments, and preparation of impression materials. Skill in surgical assisting are developed in all surgical procedures. This course is intended for the student enrolled in the Dental Assisting program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

182 Advanced Dental Assisting

**2 hours lecture, 2 units
Grade Only**

Prerequisite: Dental Assisting 116 with a grade of "C" or better, or equivalent and Dental Assisting 124 with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 182L.

Limitation on Enrollment: Special Admission - must be admitted to program.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 181. This course presents discussion and examination of the California Dental Practice Act and National Certification as they apply to dental assistants. This course is also a practical study of orthodontics and pediatric dentistry. Theory and instruction for the California certification courses of Coronal Polish and placement of sealants are also be presented. This course is designed for students enrolled in the Dental Assisting Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

182L Advanced Dental Assisting Lab

**6 hours lab, 2 units
Grade Only**

Prerequisite: Dental Assisting 116L and 124L, each with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 182.

Limitation on Enrollment: Special Admission - must be admitted to program.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 181L.

This course allows the student to perform procedures of the chairside dental assistant in the specialty areas of Orthodontia and Pediatric Dentistry. The dental assisting student develops skills that prepare them to take the California State Registered Dental Assistant (RDA) practical examination. The preclinical includes intra-oral and facial measurements, placement of isolation dams, matrices, liners, bases, custom provisional coverage, and temporary restorations. The following are taught to clinical proficiency: Mouth mirror inspection, use of intra-oral camera, charting the findings, taking impressions for orthodontic study models, bite registration, coronal polish and sealant placement. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

185C Directed Clinical Practice

**75 - hours other, 1 unit
Grade Only**

Prerequisite: Dental Assisting 128L with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 136

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 185.

Limitation on Enrollment: Special Admission - must be admitted to program.

This directed clinical practice course is conducted in a private dental office or clinic. Dental Assisting students are assigned basic duties in dental radiography and apply techniques learned in Dental Assisting 128, 128L and 136. These techniques include exposing bitewing and full-mouth radiographs on a variety of dental patients. Processing, mounting, identifying, labeling and filing radiographs are also included. The supervision of the student is shared by the staff of the dental office and the faculty of the Dental Assisting Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

186A Directed Clinical Practice

**75 - hours other, 1 unit
Grade Only**

Prerequisite: Dental Assisting 102 with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Dental Assisting 116L and 124L, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 185A.

This course is designed for students in the Dental Assisting program to gain experience in directed clinical practice (DCP) in a dental clinic. Basic dental assisting is the main focus of this course. Support procedures include: infection control, preparing treatment rooms and patients for treatment, and assisting in restorative chairside procedures using four and six-handed dentistry. The dental assisting student will also have the opportunity to manipulate a variety of dental materials. The DCP is coordinated by a member of the college faculty. Supervision of the student is shared by the staff of the affiliating institution and faculty from the Dental Assisting Program. Students may not be paid for DCP. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

186B Directed Clinical Practice

**225 - hours other, 3 units
Grade Only**

Prerequisite: Dental Assisting 186A with a grade of "C" or better, or equivalent.

Corequisite: Dental Assisting 136.

Corequisite: Completion of or concurrent enrollment in: Dental Assisting 132L, 162L and 182L, each with a grade of "C" or better, or equivalent.

DISABILITY SUPPORT PROGRAMS AND SERVICES (DSPS)

Limitation on Enrollment: Special Admission - must be admitted to program.

Limitation on Enrollment: This course is not open to students with previous credit for Dental Assisting 185B, 185C and 185D.

This course provides dental assisting students a comprehensive, supervised application of knowledge and skills in all aspects of chairside assisting and administrative procedures in dental offices or clinics. Focus is on the job-ready, safe, legal, ethical and effective application of registered dental assistant functions. Rotations to specialty clinics are required, and will include rotations in orthodontics, surgery and administrative assisting. This course requires a high level of professionalism. Directed clinical practice (DCP) is coordinated by a member of the Dental Assisting program faculty. Supervision of the student is shared by the staff of the dental office or clinic and a faculty member. This course includes 225 hours of dental radiography duties. \par Students may not be paid for DCP. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study
Hours by Arrangement, 1-3 units
Grade Only

Limitation on Enrollment: Must obtain an Add Code from instructor for registration. Provides for additional research, academic or clinical experiences for students with special interests. The course consists of individualized research problems, conferences with the instructor at prearranged intervals and a final written report on the work completed. This course may be taken four times with different content for a maximum of six units. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Courses listed under DSPS have been designed for students with disabilities. Additional classes are offered at City and Miramar campuses. See appropriate catalog.

Physically Disabled
 (See Adapted P.E. Classes Under Physical Education)

All Disabled Students

20 Introduction to Accessible Computers
1 hour lecture, 1 unit
Pass/No Pass Only

This course introduces students with disabilities to accessible computer programs and equipment. The course provides an overview of software and hardware resources that allow disabled students to compete in educational and business settings. This course may be taken three times for credit. Not applicable to the Associate Degree.

21 Accessible Computing Lab
1.5 - 6 hours lab,.5-2 units
Pass/No Pass

Limitation on Enrollment: This course is not open to students with previous credit for Disability Support Programs and Services 76. This course is for students who benefit from adaptive computer access. The course modules teach students how to use the necessary adaptive hardware or software needed to access the computer. Training in all modules is individualized. This course may be repeated three times with new hardware or software. (FT) Not applicable to the Associate Degree.

27 Career Planning for Students with Disabilities
2 hours lecture, 2 units
Pass/No Pass Only

This course is designed to assist students with disabilities in acquiring an understanding of the world of work. Emphasis is placed on developing and pursuing goals for employment and on identifying community, state, and national assistance resources. Throughout the course, students evaluate their individual career goals, analyze their job skills, research the job market and construct an effective resume and cover letter for prospective employers. Course material also emphasizes preparing students to meet the psychological, social and cognitive

demands of employment. (FT) Credit for this course does not apply to the associate degree.

Learning Disabled

40 Individual Assessment and Educational Planning

**.5 hours lecture,.5 unit
Pass/No Pass Only**

Limitation on Enrollment: This course is not open to students with previous credit for Disabled Students Programs and Services 50.

This course teaches students about their individual learning aptitude as compared to measured academic achievement. Students use standardized achievement and aptitude assessment instruments in accordance with the California Community College Learning Disabilities Eligibility Model to create a learning profile related to community college academic demands. Other topics include individual cognitive processing strengths and weaknesses, compensatory learning strategies, study skills, and disability management. This course is intended for students who believe they may have a learning disability or those interested in exploring issues related to learning aptitudes. (FT) Not applicable to the Associate Degree.

42 Basic Skills Applied Study Strategies

**2 - 3 hours lab,.5 – 1 unit
Pass/No Pass Only**

This course is intended primarily for students needing disability related specialized support in mainstream basic skills classes in addition to the campus wide academic support services. The focus of this class is to provide study skill assistance for students enrolled in basic skill college classes. Initial emphasis is placed both on the application and generalization of study strategies as well as on assistive technology. Computer assisted instruction is utilized to supplement, review and rehearse basic skills learning. This course may be taken four times with different content for a maximum of four units. Credit for the course does not apply to the associate degree.

48 Effective Sentence Writing and Grammar

**2 hours lecture, 2 units
Pass/No Pass Only**

This course is designed for students who have verified disabilities related to effective sentence writing skills. It is intended to prepare students for a more successful entry into the mainstream basic skills English curriculum. Multisensory learning strategies are emphasized that assist in the recognition of

acceptable sentence structures and appropriate grammar. Sentence writing instruction progresses from very simple to more complex structures. Credit for the course does not apply to the associate degree.

49 Writing Structured Paragraphs

**2 hours lecture, 2 units
Pass/No Pass Only**

This course is designed for students who demonstrate difficulty with written language. It is intended to prepare students who have a writing related disability to more successfully meet the minimum college requirements for multi-paragraph essay writing. This course is unique for the highly structured and sequential strategies applied to essay writing. Additionally, the course emphasizes the application of assistive computer technology for facilitating organizational pre-writing strategies, document checking, and written language fluency. Credit for the course does not apply to the associate degree.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

DRAMATIC ARTS (DRAM)

100A Fundamentals of Performance and Production I

**12 hours lab, 4 units
Grade Only**

Corequisite: Drama 250.

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

Limitation on Enrollment: This course is not open to students with previous credit for Drama 101.

This course focuses on beginning acting skills and scenic design and construction technique as well as providing hands-on experience in theatrical production. It is one semester of the first year of a two year program for Dramatic Art majors. The program includes training in all aspects of theatrical production through participation in the Mesa College Theatre Company. Classroom instruction, semester projects, and major productions are included. This course is offered only in the fall semester. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

100B Fundamentals of Performance and Production II

**12 hours lab, 4 units
Grade Only**

Corequisite: Drama 250.

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

Limitation on Enrollment: This course is not open to students with previous credit for Drama 102.

This course focuses on beginning acting skills and technical and design aspects of theatrical lighting as well as providing hands-on experience in theatrical production. It is one semester of the first year in a two year program for Dramatic Art majors. The program includes training in all aspects of theatrical production through participation in the Mesa College Theatre Company. Classroom instruction, semester projects, and major productions are included. This course is offered only in the spring semester. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

103 Acting for Non-majors

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Drama 130.

This course introduces students to improvisational acting. The first phase of the course treats acting as process-centered. The instructor leads the participants using a variety of exercises to imagine, enact and reflect upon human experiences. The second phase of the course emphasizes problem-solving skills in group improvisational work. The group improvises action and dialogue appropriate to the content it is exploring, using elements of drama to give form and meaning to the experience. This course is designed for students who are interested in studying acting. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

105 Introduction to Dramatic Arts

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introductory study of the art and literature of the theater. Emphasis is placed on the examination and evaluation of dramatic texts in terms

of genre, historical context, aesthetics and reception. In addition, this course introduces students to the technical aspects of the theatrical industry including production and personnel through campus drama productions and field trips. This course is designed for students pursuing a Liberal Arts degree with an emphasis in drama performance. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

112 Introduction to Script Analysis

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

This course is intended to introduce Dramatic Arts majors, and other interested students, to the fundamental techniques of script analysis. Focus is on the students' ability to interpret and describe concepts and ideas as related to historical and contemporary dramatic literature. The course emphasizes the development of the techniques of script analysis specific to use in acting, directing, design, and critical and social analysis. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

119 Acting for Film and Television

**2 hours lecture, 3 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5; and Dramatic Arts 132 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for Radio and Television 119 or 265; or Dramatic Arts 265: Acting for Film and Television.

This course introduces students to the skills required for on-camera performing techniques as used in the motion picture and television industry. Students participate in the selection, rehearsal, and on-camera performance of material from television and motion picture scripts including drama, sitcoms, soaps and commercials. Emphasis is placed on cold reading taped audition skills, improvisational and interview techniques, and the fundamental acting techniques required for camera, scene, and monologue studies. This course provides a comprehensive introduction to students intending to enter a career in the dramatic arts and radio/television. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

122 Makeup for the Stage

**1 hour lecture, 3 hours lab, 2 units
Grade Only**

This course is an introductory hands-on study of the materials and techniques used in stage makeup design and application. Emphasis is placed on the acquisition of a lexicon pertinent to the history and use of makeup in the theater as well as on the actual application of stage makeup in the classroom as a member of the makeup crew for a theatrical production. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

132 Beginning Acting

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Drama 131A. This course is a beginning level study, practice and execution of the fundamentals of acting designed to develop a foundation in basic acting technique. Emphasis is placed on the effective communication of ideas and emotions by a dramatic character to audience. The course content includes staging techniques, improvisation, theater games, scenes, monologues, stage movement, and an introduction to the lexicon of acting for theater. This course is intended for students who are interested in developing basic acting techniques. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

133 Intermediate Acting

**2 hours lecture, 3 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Drama 132 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Drama 131B. This course is designed to build upon the acting and scene work skills developed in Dramatic Arts 132. Emphasis is placed on character analysis through lecture, demonstration and exercises as well as on scene rehearsal and presentation. This course is intended for students who are interested in preparing for a major in drama. (FT) Associate Degree Credit &

transfer to CSU and/or private colleges and universities. UC Transfer Course List.

150 Cinema as Art and Communication I

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Radio and Television 160.

This course is a survey of American cinema as it relates to historical, aesthetic and critical influences on American society. The focus of the course is the development of the feature film from its inception through the 1960's. The course traces and explains the impact of the silent film, the introduction of sound, the aesthetics of the black and white film, the technology of color, the birth of animated film, film movements of the modern era such as Italian Neo-Realism, German Expression, and Soviet Montage, the influence of the director, the role of technology, and the resulting influence on an audience. This course is recommended for students who are interested in a general survey of American cinema. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

151 Cinema as Art and Communication II

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course provides a survey of American cinema as it relates to cultural, aesthetic and critical influences on American society. The focus of the course is the development of the feature film from the 1970's through the present. The course traces and explains the impact of film movements of the modern era, the evolution of national cinemas, the innovations in animation and special effects, contemporary experimental cinema, the role of the home movie and video, as well as the influence of the director, the role of technology, and the resulting influence on an audience. This course is recommended for students who are interested in a general survey of American cinema. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

165 Introduction to Stage Movement

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Dramatic Arts 165A. This course serves as an introduction to basic techniques of movement for the stage. Stage movement focuses on the actor's body as an expressive instrument. Students acquire flexibility, strength, and physical repertoire of stage movement. The student is challenged to explore and utilize new areas of dramatic expression. Some examples of contemporary movement are Tai Chi, Suzuki, Alexander, and Feldenkrais. This course is intended for students pursuing a degree in Visual and Performing Arts with an emphasis in Drama. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

200A Fundamentals of Performance and Production III

12 hours lab, 4 units

Grade Only

Prerequisite: Drama 100A and Drama 100B, each with a grade of "C" or better, or equivalent.

Corequisite: Drama 250.

Limitation on Enrollment: This course is not open to students with previous credit for Drama 201. This course focuses on intermediate acting skills and costume design and construction as well as providing hands-on experience in theatrical production. It is one semester of the second year in a two-year program for Dramatic Art majors. The program includes training in all aspects of theatrical production through participation in the Mesa College Theatre Company. Classroom instruction, semester projects, and major productions are included. This course is offered only in the fall semester. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

200B Fundamentals of Performance and Production IV

12 hours lab, 4 units

Grade Only

Prerequisite: Drama 100A and Drama 100B, each with a grade of "C" or better, or equivalent.

Corequisite: Drama 250.

Limitation on Enrollment: This course is not open to students with previous credit for Drama 202.

This course focuses on intermediate acting skills and costume design and construction as well as providing hands-on experience in theatrical production. It is one semester of the second year in a two-year program for Dramatic Art majors. The program includes training in all aspects of theatrical production through participation in the Mesa College Theatre Company. Classroom instruction, semester projects, and major productions are included. This course is offered only in the spring semester. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

235 Literature to Life-A Scene Study Course

6 hours lab, 2 units

Letter Grade or Pass/No Pass Option

Advisory: Dramatic Arts 132 with a grade of "C" or better, or equivalent, or approval of instructor.

This course is a performance based class intended for students who have had some acting experience. Literature to Life introduces students to dramatic literature, traces the impact of that literature on the time period in which it was originally written, and then relates its influence on contemporary American culture and society. Literature to Life studies a variety of acting genres. Scene work is selected in coordination with curriculum in other disciplines. Students rehearse the scenes in the first half of the semester and perform the scenes for both on-campus classes and high schools in the second half of the semester. This course is intended for students who have completed Dramatic Arts 132 and are looking for performance experience. This course may be taken two times using plays from different historical periods. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

250 Rehearsal, Production and Performance

3-12 hours lab, 1-4 units

Letter Grade or Pass/No Pass Option

This course is a study and application of the skills, responsibilities and commitment required for work in play production and performance. Throughout the course, students participate in the rehearsal, production and performance of an actual play. As part of this process, students research and provide written critiques of the background, style, historical conditions and artistic theory connected to the given play and apply these to an original interpretation of the production. This course may be repeated three times. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

251 Musical Comedy Rehearsal, Production and Performance

**3-12 hours lab, 1-4 units
Grade Only**

This course is a study and application of the skills, responsibilities and commitment required for work in the production and performance of a musical. Throughout the course, students participate in rehearsal, production and performance as actors, singers, dancers, technicians, assistant directors, stage managers and production crew. As part of this process, students research and provide written critiques of the background, style, historical conditions and artistic theory connected to the given musical and apply these to an original interpretation of the production. This course may be repeated three times. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

268 Experimental Theatre

**3- 9 hours lab, 1-3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Dramatic Arts 132 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for maximum credit for Dramatic Arts 267.

This course focuses on rehearsal performance and production for experimental theatre. Emphasis is placed on the presentation of theatre styles not usually included in Dramatic Arts programs, such as staged readings, children's theatre, touring theatre, new works and cross curriculum projects. Students may participate in a variety of roles, including playwriting, directing, acting, scenic design, sound design, lighting design, costume design, running crews and marketing. This course is intended for drama majors and anyone with minimal theatre experience. Students may repeat this course up to three times, each time taking on a different role in the production. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study

**Hours by Arrangement, 1-3 units
Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Advanced special work in dramatic arts: acting, design, lighting, film, business, makeup, costumes, direction, or play production. This course may be

taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

ECONOMICS (ECON)

120 Principles of Macroeconomics

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50; or math assessment that verifies Intermediate Algebra competency or any college level Intermediate Algebra course completed with a grade of 'C' or better.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introduction to aggregate economic analysis. Topics include market systems, aggregate measures of economic activity, macroeconomic equilibrium, money and financial institutions, monetary and fiscal policy, international economics and economic growth. This course is intended for business majors and all students interested in macroeconomics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

121 Principles of Microeconomics

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50; or math assessment that verifies Intermediate Algebra competency or any college level Intermediate Algebra course completed with a grade of "C" or better.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introduction to economic analysis of specific decision-making sectors in the economy (micro analysis). Sectors include households, firms and government. Topics covered include productivity and costs for individual firms, industry types, the labor market, anti-trust issues, income distribution, and environmental externalities. This course is intended

for business majors and all students interested in microeconomics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

EDUCATION (EDUC)

100 Tutor Training

**.5 hour lecture, 1.5 hours lab, 1 unit
Pass/No Pass Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

Limitation on Enrollment: Student must have completed a minimum of 12 units of college credit with an accumulated grade point average of 3.0 or better in subject area he/she will tutor.

This course prepares college-level students for tutoring adult/college students. Student trainees learn about tutoring methods as well as how to use appropriate written and mediated instructional materials. The course includes supervised tutoring practice. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

150 Advanced Tutor Training

**.5 hours lecture, 1.5 hours lab, 1 unit
Pass/No Pass Only**

Advisory: Education 100 and Computer Business Technology 120 each with a grade of "C" or better, or equivalent.

The course is designed to prepare college level persons for tutoring adult/college students in an online environment. Online tutoring methods, use of appropriate written and mediated instructional materials and equipment, and supervised practice tutoring are included in this course. Online tutoring techniques and methodology are emphasized. Laboratory hours are by arrangement with the tutorial center coordinators. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

200 Teaching as a Profession

**2 hours lecture, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5;

Limitation on Enrollment: Must meet safety and health clearance standards for a public school field experience placement.

This course is designed for students considering teaching as a profession, for paraprofessionals, and for volunteer tutors working in the public school system. Career exploration, foundations of education, critical issues, and an introduction to literacy acquisition are addressed. Standards for the teaching profession and conditions for effective learning are discussed. Guided observations of public school classrooms in a variety of subject areas are a requirement of the course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

203 Service Learning for Prospective Teachers

**1 hour lecture, 1 unit
Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: Student must meet safety and health clearance standards for public school volunteer experience placement.

This course is designed for students considering teaching as a profession, and for prospective tutors. The purpose of this class is to provide early, supervised experience to pre-service teachers in the form of service learning. The lectures provide for orientation, review, reflection and problem solving; in addition, a minimum of 30 hours of volunteer service work is required. Experiential learning activities include observing and/or tutoring at various educational levels. Through this service learning, students are made aware of skills needed in the teaching profession. Additionally, they are mentored in the application of classroom management techniques and routine teaching skills required in the public schools. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

ENGINEERING (ENGE)

101 Introduction to Engineering

1.5 hours lecture, 1.5 units

Letter Grade or Pass/No Pass Option

Limitation on Enrollment: This course is not open to students with previous credit for Engineering 265B: Introduction to Engineering.

This course is an introduction to engineering in the work environment, including familiarization with the different occupations of engineering. Emphasis is placed on engineering requirements, analysis, design, implementation and testing of actual engineering problems. Students learn the proper use of engineering tools including computers, statistics and computer simulations. This course is designed to help students decide whether to embark on an engineering or technical career. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

116 Computational Methods in Engineering

2 hours lecture, 3 hours lab, 3 units

Grade Only

Corequisite: Completion of or concurrent enrollment in: Mathematics 151 with a grade of "C" or better, or equivalent.

This course introduces students to computational methods and their applications to computer-based problem solving for engineers. Students formulate and solve engineering problems through modeling and the application of numerical methods, then evaluate and rationalize the results using computational engineering software. Topics include functions and arrays, data and file management, and standard library packages and software. This course is designed for students majoring in engineering. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

151 Engineering Drawing

6 hours lab, 2 units

Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50.

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

This course is a study of engineering design with an emphasis on developing drawing skills and techniques for engineers. Course content includes elementary orthographic and pictorial drawing,

sections and dimensioning, instrument and freehand drawing as an aid to visualization and design, and computer-aided design (CAD). This course is designed for the transfer student planning to major in engineering or disciplines included in the physical sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

200 Statics

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Physics 195 with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Mathematics 151 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for Engineering Technology 150. This course is a study of the applications of the principles of mechanics to rigid bodies in equilibrium. Course content emphasizes areas of friction, centroids, center of gravity, analysis of structures, moments of inertia and methods of virtual work. This course is designed for the transfer student planning to major in engineering or disciplines included in the physical sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210 Properties of Materials

3 hours lecture, 3 units

Grade Only

Prerequisite: Physics 195 with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Chemistry 200 and 200L.

This course is a study of the chemical, physical and mechanical properties of engineering materials including metals, ceramics, polymers and composites. Emphasis is placed on function and structure as they relate to specific design considerations. This course is designed for the transfer student planning to major in engineering or disciplines included in the physical sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

240 Digital Systems

3 hours lecture, 3 units

Grade Only

Advisory: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50.

Limitation on Enrollment: This course is not open to students with credit for Physical Sciences 265: Digital Systems.

This course is an introduction to modeling, analysis, and design of digital systems, primarily at the Logic Design Level. Students apply the basic theory of switching networks, use Boolean algebra to analyze and synthesize switching networks, design logic gate networks, use simplification schemes to minimize part count and cost while providing optimum performance, and design and analyze sequential and combinational circuits using flip-flops and logic gate networks. This course is designed for the transfer student planning to major in engineering or disciplines included in the physical sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

250 Dynamics

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Engineering 200 with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Mathematics 252 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for Engineering Technology 250. This course is a study of the fundamental principles of bodies in motion with an emphasis on kinematics and kinetics of particles and rigid bodies, moving reference frames, work-energy, linear and angular momentum relationships and their application to engineering problems. Vector notation is used throughout the course. This course is designed for the transfer student planning to major in engineering or disciplines included in the physical sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

260 Electric Circuits

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Physics 196 and Mathematics 151, each with a grade of "C" or better, or equivalent.

This course is an introduction to network analysis, basic network theorems, mesh and nodal analysis with independent and controlled sources. Course content emphasizes steady state and transient responses of networks, complex frequency transformation; A.C. circuit analysis, power, reactive apparent power, and power factor as well as balanced three-phase electric

power systems. This course is designed for the transfer student planning to major in engineering or disciplines included in the physical sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

The English for Speakers of Other Languages Program is designed to prepare students to read, write, speak and listen at a level that enables them to succeed in college courses.

The program consists of four levels and the student is assigned a level based on the result of his/her placement test.

The first level, L19, is a combined skills class in a lecture/lab format. Students who successfully complete this course are at the intermediate-low level. Some students at the beginning level may find ESOL 19 difficult. For these students, counselors are available to discuss options and resources, including classes at Continuing Education.

The second and third levels, L20 and L30, are made up of three courses. The grammar-writing component is a six-unit course; the reading and listening/speaking components are three units each.

The fourth level, L40, is a single course in reading and writing. Students who successfully complete ESOL 40 can read and write at an advanced level. They are prepared to take English courses one level below transfer (ENGL 51 & 56).

15 Essay Writing and Grammar for Non-Native Speakers of English

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: ESOL Placement Score on the Subject A Proficiency Examination.

This course provides instruction in basic writing, focusing its efforts on the special learning needs of students for whom English is not a first language. Classes are taught on the UCSD campus. Students

write essays as exercises in gaining greater control and accuracy in using grammatical and punctuation conventions, achieving acceptable precision in diction and syntax, and practicing analysis and evaluation of the structure, evidence, and argumentation encountered in academic texts. The primary emphasis is on reducing the number and severity of language errors, bringing them to a level acceptable in the academic setting, and on developing writing fluency, and strengthening editing skills. In addition to earning a credit grade for the course, students take a timed-writing examination at the end of the course and must demonstrate a level of written language proficiency that will enable them to profit from instruction in the next writing course, either Subject A or one of the college writing sequences. Not Applicable to Associate Degree, pre-collegiate basic skills, English as a Second Language.

19 Transitional English for ESOL Students

**3 hours lecture, 6 hours lab, 5 Units
Letter Grade or Pass/No Pass Option**

Advisory: Assessment Skill Level L19. Students are advised to take the ESOL placement test prior to enrollment and perform at level 19.

Limitation on Enrollment: This course is not open to students with credit for English 007 or 58.

This course prepares students to read, write, listen and speak at the intermediate-low ESOL level to facilitate successful participation in a college setting. This course will emphasize development of reading and writing skills in academic contexts, focusing heavily on the production of complete sentences with minimal errors and basic paragraph and composition development. Satisfactory completion of this course will enable students to enroll in ESOL 20, 21 and 22. (FT) Credit for this course is not applicable to the associate degree.

20 Writing for Non-native Speakers of English I

**6 hours lecture, 6 units
Letter Grade or Pass/No Pass Option**

Prerequisite: English for Speakers of Other Languages 19 with a grade of "C" or better, or equivalent, or Assessment Skill Level L20.

Limitation on Enrollment: This course is not open to students with credit for English 008 or 60.

This course in writing and grammar prepares students to write at the intermediate-mid ESOL level. In this course, students learn to write paragraphs, basic compositions and other types of texts and practice critical reasoning in their writing. Students read and

understand a variety of texts and develop academic study skills and work habits. Students also practice grammatical structures in the production and editing of compositions so that meaning is generally clear and not obscured by error. (FT) Credit does not apply to the associate degree.

21 Reading for Non-native Speakers of English I

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: English for Speakers of Other Languages 19 with a grade of "C" or better, or equivalent, or Assessment Skill Level L20.

This course prepares students to read at the intermediate-mid ESOL level. In this course, students learn reading strategies and apply them as they read a variety of texts. Students practice identifying text organization, vocabulary and grammar to facilitate comprehension. Students also begin to use information from class readings in discussion, critical thinking and writing. (FT) Credit does not apply to the associate degree.

22 Listening and Speaking for Non-native Speakers of English I

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: English for Speakers of Other Languages 19 with a grade of "C" or better, or equivalent, or Assessment Skill Level L20.

This course prepares students to understand spoken English and to speak at the intermediate-mid ESOL level. In this course, students begin to develop communicative competence through listening to and participating in a variety of communicative activities. Students also begin to study grammatical structures specifically related to oral/aural course work to make connections between structure and communicative needs. In addition, students discuss, write about and think critically about information from oral and written sources. (FT) Credit does not apply to the associate degree.

30 Writing for Non-native Speakers of English II

**6 hours lecture, 6 units
Grade Only**

Prerequisite: English for Speakers of Other Languages 20, 21, and 22, each with a grade of "C" or better, or equivalent, or Assessment Skill Level L30.

Limitation on Enrollment: This course is not open to students with credit for English 009 or 61.

This course in writing and grammar prepares students to write at the intermediate-high ESOL level. In this course, students learn to write compositions and other types of texts that communicate a basic awareness of critical reasoning and the components of the academic essay and other types of writing. To achieve these goals, students learn and apply knowledge of syntax and grammatical structures in the production and editing of compositions so that errors, which may be frequent, will not obscure meaning. Students also read and understand a variety of texts as well as communicate a familiarity with academic study skills and work habits. Credit does not apply to the associate degree.

31 Reading for Non-native Speakers of English II

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English for Speakers of Other Languages 20, 21, and 22, each with a grade of "C" or better, or equivalent, or Assessment Skill Level L30.

This course prepares students to read at the intermediate-high ESOL level. In this course, students continue to develop reading skills needed for academic and workplace success. To achieve these goals, students read a variety of texts and apply appropriate reading strategies to facilitate comprehension. In addition, students engage in activities to build background knowledge as well as knowledge of text structure, grammar and vocabulary. Students also use information from class reading in class discussion, critical thinking and writing. (FT) Credit does not apply to the associate degree.

32 Listening and Speaking for Non-native Speakers of English II

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English for Speakers of Other Languages 20, 21, and 22, each with a grade of "C" or better, or equivalent, or Assessment Skill Level L30.

This course prepares students to understand spoken English and speak at the intermediate-high ESOL level. In this course, students continue to develop communicative competence through listening to and participating in a variety of communicative activities. Students also continue to develop knowledge of grammatical structures specifically related to oral/aural course work. In addition, students discuss, write about, and think critically about information from oral and written sources. (FT) Credit does not apply to the associate degree.

40 Reading and Writing for Non-native Speakers of English III

6 hours lecture, 6 units

Letter Grade or Pass/No Pass Option

Prerequisite: English for Speakers of Other Languages 30, 31, and 32, each with a grade of "C" or better, or equivalent, or Assessment Skill Level L40.

Limitation on Enrollment: This course is not open to students with credit for English 010 or 62.

This course prepares students to read and write at the advanced ESOL level. In this course students write essays and other types of texts that have some complexity of expression, contain relatively few mechanical and grammatical errors and illustrate evidence of critical reasoning. Students also read academic and workplace texts and apply study skills and work habits necessary for success in further academic and vocational studies. Students who complete this course will be prepared to enter English 48 and English 49. (FT) Credit does not apply to the associate degree.

ENGLISH (ENGL)

Basic Skills Courses

All courses at this level are offered for college credit. Credit for these courses will not apply toward the associate degree but will count toward the determination of a student's workload and eligibility for financial aid.

Reading

42 College Reading and Study Skills I

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: Assessment Skill Level R3. This course is designed for native speakers of English. ESL students should enroll in ESOL 19, 20, 21, 22, 30, 31, 32 or 40 as recommended by the placement test for non-native English speakers.

Limitation on enrollment: This course is not open to students with previous credit for English 55. This course is designed for students who need to improve their reading skills in order to succeed in college courses. In this course, students practice the reading process, reading extensively and intensively, and develop confidence and enjoyment in reading. Students also read and respond to a variety of materials, including non-fiction and textbook assignments, and learn strategies for reading difficult material to facilitate comprehension and critical thinking. In addition, students develop writing,

vocabulary, discussion, and study skills. (FT) Credit for this course does not apply to the associate degree.

48 College Reading and Study Skills II (Formerly English 56)

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English as a Second Language 40 or English 42, with a grade of "C" or better, or equivalent, or Assessment Skill Level R4.

This course is designed for students who need to develop advanced reading skills to succeed in transfer level courses. In this course, students focus on academic reading and study skills and practice strategies to improve reading comprehension and critical thinking. Students also build writing, vocabulary, discussion and study skills to accurately express information and reflect the meaning of class readings. (FT) Not Applicable to Associate Degree, pre-collegiate basic skills.

Writing

43 English Review

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: Assessment Skill Level W3; or English 42 with a grade of "C" or better, or equivalent, or Assessment Skill Level R4. This course is designed for native speakers of English. ESL students should enroll in ESOL 19, 20, 21, 22, 30, 31, 32, or 40 as recommended by the placement test for non-native speakers.

Limitation on enrollment: This course is not open to students with previous credit for English 50.

This course is designed for students who need review of and practice with writing unified paragraphs and purposeful basic compositions. In this course students develop knowledge of the writing process as well as knowledge of grammatical structures to compose clear and complete sentences, paragraphs, and short essays. Students also read texts as the basis for writing and develop critical thinking skills necessary for success in college courses. (FT) Credit for this course does not apply to the associate degree.

49 Basic Composition

(Formerly English 51)

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English as a Second Language 40 or English 43, with a grade of "C" or better, or equivalent, or Assessment Skill Level W4.

This course is designed to prepare students to write successfully at the transfer level. In this course

students practice the writing process in the production and editing of essays. Students also review grammatical and mechanical structures as needed to support the successful expression of meaning. In the addition, students read and think critically using a variety of texts which are the basis for writing and class discussion. A District-wide, timed-writing examination, holistically graded by English instructors is part of the final course grade. Designated section of this course may be taught from a specific cultural perspective and are cross-listed under Black Studies and Chicano studies in the class schedule. (FT) Not Applicable to Associate Degree, pre-collegiate basic skills.

English 101 Preparatory Courses

All courses at this level are offered for college credit. Three units of course work at this level may be applied to the associate degree. Credit for courses at this level will count toward the determination of a student's workload and eligibility for financial aid.

Writing

64 Writing Essays

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Limitation on Enrollment: A score of 3 or lower on the University of California "Subject A" Exam.

This is a course in essay writing that focuses on the writing of the argumentative essay. Classes are taught at the UCSD campus. In this course students practice the writing process in the production and editing of essays. In addition, students read and think critically using a variety of texts that are the basis for writing and class discussion. In addition to earning a grade for the course, students must also pass a timed-writing examination at the end of the course, holistically graded by English instructors. This course is intended for students who need to complete the Subject A requirement and develop effective writing skills. (FT) Associate Degree Credit only and not Transferable.

97 College Writing Skills

3 hours lab, 1 unit

Pass/No Pass Only

Advisory: English 43 with a grade of "C" or better, or equivalent, or Assessment Skill Level W4.

This course provides the application of college writing skills for all disciplines. Emphasis is on the writing of organized, clear, concise, coherent, and carefully reasoned essay exams, book reports, research papers, technical reports, expository and argumentative

essays, and other college writing assignments. The course is individualized, with students working on specific learning outcomes tailored to their needs. (FT) Associate Degree Credit only and not Transferable.

English Courses

(Also see Humanities, page 363)

101 Reading and Composition

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; or English 37A or English 37B or English 64 with a grade of "C" or better, or equivalent. This course is designed for transfer-level students or for those who want to develop competence in college level reading and composition. In this course, students read, analyze, discuss and think critically using a variety of works and sources. Based on these activities, students write essays, fully-documented research projects, and other types of texts for various purposes and audiences. This written work, which demonstrates effective, logical, and precise expression of ideas, totals at least 6000 graded words. Designated sections of this course may be taught from a specific cultural perspective. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

105 Composition and Literature

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; or English 064 or English 37A or English 37B with a grade of "C" or better, or equivalent. This is a composition course using literature as a background for improving writing skills. Students discuss the general nature and elements of literature and literary criticism by reading and analyzing representative works of fiction, drama, and poetry. Based on this subject matter, students are required to write a variety of critical papers, including a research paper, comprising at least 6,000 graded words. This course is designed for transfer students and is suitable for those students interested in literature and in developing strong critical and analytical writing skills. Designated sections of this course may be taught from a specific cultural perspective. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

202 Introduction to Linguistics

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course is designed to introduce students to the field of Linguistics. In this course, students develop an understanding of the nature of language through the study of core areas in linguistics including phonetics, phonology, morphology, syntax, semantics and pragmatics. Students also read, write and think critically about related fields such as psycholinguistics, sociolinguistics, historical linguistics, and animal communication. This course is designed for students who plan to transfer as well as for those with a general interest in linguistics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

205 Critical Thinking and Intermediate Composition

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course is designed to help students who are planning to transfer to a four-year college or university to develop critical thinking, reading, writing, and research skills beyond the level of English 101 and English 105; it is a required course within many curricula. Assignments require a total of at least 8,000 words of graded writing. The course focuses on writing argumentative prose and critically evaluating arguments. A majority of the written assignments require some research and documentation, including library research. Designated sections of this course may be taught from a specific cultural perspective and are cross-listed under Black Studies and Chicano Studies in the catalog and class schedule. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

207 The Art of the Sentence

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent.

This is a course in sentence stylistics beyond the level of English 101 and English 105. The course focuses on the intensive development of skills in analysis and application of linguistic and rhetorical principles. It stresses the interconnections among grammatical design, content, and purpose. Students move beyond basic correctness to sophisticated aspects of sentence patterning in order to achieve clarity and force in written expression. Assignments require a total of at least 8,000 words of graded writing. This course is intended for transfer students, those who desire to write and/or speak as effectively as possible in their academic work and/or career, and those with a special interest in language and linguistics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

208 Introduction to Literature

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; English 105 with a grade of "C" or better, or equivalent. This course provides an inquiry into the basic nature of literature and is designed for students with a general interest as well as for those majoring in the field. Students read and analyze representative literary works in fiction, non-fiction, poetry and drama from various cultures and periods, applying practical critical techniques in essays, reports, and exams. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

209 Literary Approaches to Film

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course focuses on literary values, such as plot, conflict, symbolism, theme and character as observed in feature films. It also focuses on cultural values with special reference as to how films define problems, establish a network of varied values, confront moral

dilemmas, and explore human emotions. This course satisfies general education requirements in humanities and serves as an elective for English majors. It is designed for students who are interested in literature as well as those interested in the study of film. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List

210 American Literature I

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course is a survey of American literature from its beginning to the late 19th Century including representative works from the Colonial Period (1588-1765), the New Republic (1765-1829). In this class students read and discuss the authors of these periods, addressing relevant social, political, cultural, and religious issues. The students critically analyze in essays, exams, and research papers the authors, specific works, and other topics as assigned. Classroom activities include lectures and discussions of the principal authors and works. Selected representative readings are required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

211 American Literature II

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. A survey of American Literature from the late 19th Century to the present which includes representative works from the Age of Realism (1865-1914), the Modernist Period (1914-1945), and the Postmodern Era (1950-present). In this class students read and discuss the authors of these periods, addressing relevant social, political, cultural, and religious issues. The students critically analyze in essays, exams, and research papers the authors, specific works, and other topics as assigned. Classroom activities include lectures and discussions of principal authors and their works. Selected representative readings are required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

215 English Literature I: 800-1799**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course offers a survey of British literature from the Anglo-Saxon period to the pre-Romantic period (approximately 800 to 1799), including representative works from the Old and Middle English periods, the Renaissance and the Elizabethans, the Cavalier, Metaphysical, and Puritan periods, the Restoration and the Neoclassical periods. Students read and discuss the major authors of these periods, addressing relevant social, political, cultural, and religious issues. Students critically analyze, in essays and research papers, authors, specific works, and other topics as assigned. This course satisfies requirements for the major in English as well as general education and humanities requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

216 English Literature II: 1800-Present**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course offers a survey of British literature from the Romantic period to the 20th century (approximately 1800 to the present) including representative works from the pre-Romantic and Romantic periods, the Victorian and later Victorian period, and the Modern period. Students read and discuss the major authors of these periods, addressing relevant social, political, cultural, and religious issues. Students critically analyze, in essays and research papers, authors, specific works, and other topics as assigned. This course satisfies requirements for the major in English as well as general education and humanities requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

220 Masterpieces of World Literature I: 1500 BCE - 1600 CE**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course offers a survey of world literature in translation, from the ancient world through the European renaissance (approximately 1500 BCE - 1600 CE), including the established classic literature of the Near East, Greece and Rome, India, China, Japan, Africa, the Islamic world, and Europe. Students read and discuss a variety of authors from these regions, and address relevant social, cultural, and religious issues. Students critically analyze, in essays and papers, specific authors, works, themes, and other topics as assigned. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

221 Masterpieces of World Literature II: 1600 - Present**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5. *Advisory:* English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course offers a survey of world literature in translation, from the close of the European renaissance through the present time, including the literature of Asia, Europe, North America, Central America, South America, Africa and the Islamic world. Students read and discuss a variety of authors from these regions, and address relevant social, religious, and cultural issues. Students critically analyze, in essays and papers, specific authors, works, themes, and other topics as assigned. This course satisfies requirements for the major in English as well as general education and humanities requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

230 Asian American Literature**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course is a survey of Asian American literature from the 1900's to the present that includes representative works by early immigrants, as well as the writing of contemporary Asian American writers. Students read and discuss the authors and major

works, while addressing relevant social, political, cultural, religious, and sociolinguistic issues. The students critically analyze these issues and other topics addressed in specific works in assigned essays and research papers. Selected representative readings are required. This course is designed for students transferring with a literature or history major as well as those with an interest in this field. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

238 Evaluating Children's Literature

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course is a survey of children's literature from folktales to current works. The course compares works from a variety of authors, cultures, and historical periods while emphasizing current American works. Principles of literary criticism are applied in evaluating the themes, language, and structure of works studied. This class is suitable for students interested in literature as well as for students who are preparing to teach. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

240 Shakespeare

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6; or English 105 with a grade of "C" or better, or equivalent. This course is a survey of William Shakespeare's work. Emphasis is placed on analyses of representative plays and poems from the perspectives of theme, character, structure, and language in historical and contemporary contexts. This course is designed for students majoring in English and those with a general interest in the author or the period. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

245 Writing Creative Nonfiction

3 hours lecture, 3 units
Grade Only

Prerequisite: English 101 or English 105 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

Limitation on Enrollment: This course is not open to students with previous credit for English 246A and/or 246B.

This is an intensive course in writing creative nonfiction. Exploration of the principles and methods of creative nonfiction are offered through lecture and the critical analysis of student and master works addressing personal, social, political, and/or cultural issues. Students submit original creative nonfiction for class discussion and learn to use the workshop format to further their work. Increased writing skills help students not only in preparing for such writing-related careers as publishing, journalism, communications, and education, but also in better understanding literature and learning to use language successfully, which is necessary in many professions. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

247 Writing Seminar - Poetry

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 101 or English 105 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

This introductory course provides instruction in the study and creation of poetry. Students read and critique traditional, contemporary and multicultural poems that provide models for their original work. In addition, students create poetry which is discussed and analyzed by the class. Students learn to identify the basic elements and techniques of poetry, use invention strategies, understand different forms, analyze poems, examine published and unpublished poems as models for writing poetry, use constructive criticism, identify current poetic values, and explore potential markets for publishing poems. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

249 Introduction to Creative Writing

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 101 or English 105, with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 or W6.

Limitation on Enrollment: This course is not open to students with previous credit for English 249A and 249B.

This is an introductory course in creative writing which focuses on the study of fiction and poetry. Students analyze technique in the works of professional writers and in their own original works. After submitting writing, students participate in informal discussion of their work, which includes helpful criticism from the class and the instructor. Increased writing skills help students prepare for careers in communication, education, writing, advertising, selling, journalism, law, business, and government. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

253 Fundamentals of Fiction Writing
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Prerequisite: English 101 or English 105, with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 or W6.

Limitation on Enrollment: This course is not open to students with previous credit for English 252A. This is an intensive course in fiction-writing techniques. Students read and evaluate fiction using elements of fiction writing as well as contemporary issues. Students write original fiction and submit for class discussion and learn to use criticism offered by the instructor and peers. Critical thinking abilities are applied as students analyze student and master works addressing personal, social, political, and/or cultural issues. Increased writing skills help students who may be interested in a writing-related career, such as publishing, journalism, communications, and education, but also in better understanding literature, and learning to use language successfully. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

254 Intermediate Fiction Writing
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Prerequisite: English 253 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for English 252B. This course provides instruction in writing fiction at the intermediate level. Students are expected to exhibit a deeper understanding of master work and to write fiction addressing personal, social, political, and/or cultural issues at a more sophisticated level by more fully developing the elements of fiction in their

writing. Additionally, students are taught to be better able to articulate and to more readily accept and incorporate criticism. This course may be of interest to students with the goal of further improving creative writing skills or creating a portfolio prior to transferring to a 4-year program in creative writing, or to anyone wishing to improve his or her creative writing skills. It is expected these students should benefit and make further advancements by continuing in the workshop atmosphere. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Environmental Design Studies
 (See Architecture, page 261)

ESCROW (ESCR)

101 Escrow Procedures — Beginning
3 hours lecture, 3 units
Grade Only

This course covers methods and techniques of escrow procedure for various types of real estate transactions, including the legal and ethical responsibilities of persons engaged in escrow work. Some of the topics included are types of escrow, preparation of documents, terminology, phraseology, title and escrow procedures, and the method of adjusting taxes, rents, and other charges. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

111 Escrow Procedures — Advanced
3 hours lecture, 3 units
Grade Only

This course covers a study of exchanges, loan escrow, sales of trust deeds and notes, consummation of land contracts and leasehold escrow's. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277),

or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

FASHION (FASH)

105 Introduction to Fashion

**3 hours lecture, 3 units
Grade Only**

Advisory: English 101 with a grade of "C" or better, or equivalent or Assessment Skill Levels R6 and W6. This course is a survey of the fashion industry. Emphasis is placed on all aspects of the fashion field including the designing, manufacturing, retailing, and promotion. Students develop a vocabulary of fashion terminology and an awareness of the relationship of fashion trends to current economic and social factors relating to men's, women's and children's clothing. The global nature of fashion is also discussed. This course is designed for anyone interested in pursuing a career in fashion. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

108 Analysis, Evaluation, and Comparison of Ready-to-Wear Fashion

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5, and M20; and Concurrent enrollment in Fashion 105. This course provides an analysis of the quality of materials, design, and construction in ready-to-wear garments and accessories. This course includes comparisons of the processes involved in manufacturing and concepts of sizing. Principles of fit, as well as aids in buying and selling are also included. This course is required for Fashion Merchandising majors. The content is beneficial to marketing students interested in ready-to-wear and retail skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

110 Fashion Buying/Management

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M30. This course is a study of buying for a variety of retail concerns. Emphasis is placed on the role of the buyer in maximizing sales, managing inventories,

negotiating with vendors, and creating customer satisfaction through providing desired merchandise assortments. Topics also include the principles of retail accounting as they apply to the role of the buyer. This course is designed for fashion merchandising and business students and anyone interested in exploring retail buying as a career. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

112 Fashion Promotion

**3 hours lecture, 3 units
Grade Only**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6. This course is a study of fashion promotion. Emphasis is placed on marketing fashion through promotional events. Students conceptualize, plan, budget, promote and direct fashion events in the community and on campus. Topics also include publicity, event advertising, and community presentations. This course is intended for fashion majors and students interested in fashion promotion. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

115 Visual Merchandising

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5. This course is study of the processes required to plan, coordinate and build visual displays for the fashion industry. Emphasis is placed on the principles and elements of design. This course is designed for students interested in creating fashion displays. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

120 Fashion History and Trends

**3 hours lecture, 3 units
Grade Only**

Advisory: English 101 with a grade of "C" or better, or equivalent or Assessment Skill Levels R6 and W6. This course is a survey of the evolution of clothing styles throughout history from the Egyptian period to the present. Emphasis is placed on the relation of recurring style trends to contemporary fashion. This course is designed for fashion design majors and anyone interested in costuming, museum work or fashion in history. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

121 Ethnic Costume: History and Design**1 hour lecture, 1 unit
Grade Only**

Advisory: Fashion 120 and Fashion 171, each with a grade of "C" or better, or equivalent.

In Ethnic Costume: History and Design, students study world costume, its history and evolution. Students learn how costume is influenced by a country's geography, history and culture. Included in the course is a study of costume silhouette, design, construction and embellishment. Traditional and online research and garment design by computer are incorporated into the course. This course is appropriate for fashion design majors and any student interested in ethnic costume. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

125 Fashion Selection**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of the cultural, psychological and sociological aspects of clothing, including art elements and principles of design as they relate to clothing selection. Emphasis is placed on wardrobe planning, buying practices, and standards of quality. This course is intended for Fashion Design majors and students interested in wardrobe planning. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

130 Apparel Construction I**3 hours lecture, 3 units
Grade Only**

Corequisite: Fashion 199A.

Advisory: English 48 and English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M30.

This course is a study of basic apparel construction using standard and industry methods. Emphasis is placed on garment construction, sewing equipment operation and maintenance, and analysis of fitting problems. This course is intended for all fashion design majors and is open to students interested in fitting and constructing clothing. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

131 Apparel Construction II**3 hours lecture, 3 units
Grade Only**

Prerequisite: Fashion 130 with a grade of "C" or better, or equivalent.

Corequisite: Fashion 199C

Advisory: English 48 and English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M30.

Limitation on Enrollment: This course is not open to students with previous credit for Fashion 265: Clothing Construction.

This course is a study of advanced apparel construction. Emphasis is placed on current fabrics and techniques used in contemporary ready-to-wear and couture. This course is intended for all fashion design majors and is open to students interested in fitting and constructing clothing. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

135 Tailoring**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20; Fashion 130 with a grade of "C" or better, or equivalent.

The focus of this course is the presentation of various techniques of tailoring and fitting a coat or jacket utilizing a commercial pattern. This is a recommended course for all fashion design majors and is open to any student interest in expanding intermediate sewing skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

140 Clothing Design and Flat Pattern I**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20; Fashion 130 with a grade of "C" or better, or equivalent.

This course is a study of clothing design through flat pattern making. Students learn to make patterns by manipulation of a basic sloper to create a variety of designs. This is a required class for all fashion design majors and students interested in creating original clothing designs. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

141 Clothing Design and Flat Pattern II**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20; Fashion 140 with a grade of "C" or better, or equivalent.

This course is an advanced study of the clothing design through flat pattern making and drafting. Emphasis is placed on the principles of design and the application of those techniques in developing, fitting, and constructing original garments. This course is intended for fashion design majors and students interested in creating original clothing designs. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

142 Fashion Sketching**3 hours lecture, 3 units
Grade Only**

Advisory: English 42 and English 43 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4 and M20.

In this course the student learns fashion illustration techniques for drawing design sketches, production technical flats and theme presentation boards. The student learns how to draw and use the basic figure (croquis) and to draw garment shapes and original designs. Exposure to various media enhances personal style and expression. This course is required for fashion design majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

145 Clothing Design Through Draping**3 hours lecture, 3 units
Grade Only**

Corequisite: Fashion 199B with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M5; Fashion 130 and 140, each with a grade of "C" or better, or equivalent.

This course is a study of the terminology and basic techniques of fabric draping. Students drape and fit fabrics on a three-dimensional form, design patterns and construct original garments from these patterns. This course is designed for fashion design majors and any student interested in expanding design skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

150 Advanced Fashion Design**3 hours lecture, 3 units
Grade Only**

Prerequisite: Fashion 130 and 140, each with a grade of "C" or better, or equivalent.

This course covers advanced principles of designing, creating and producing original garments for specific customer markets. Students develop a collection of original garments for presentation to the fashion industry. This course is intended for fashion design majors and includes basic pattern grading. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

155 Fashion Field Studies**3- 13.5 hours lab, 1 - 4 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a field study of the fashion industry. Emphasis is placed on field trip outings to a variety of fashion merchandising and design businesses in the San Diego and Los Angeles areas. This course is designed for students majoring in fashion and those who wish to explore employment opportunities in the fashion industry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

160 Millinery Techniques**1 hour lecture, 1 unit
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for FASH 265: Beginning Millinery.

This course is a study of millinery design. Emphasis is placed on the use of millinery techniques to create a brimless hat. This course is for all students preparing for a career in the fashion industry, costume design, or millinery or anyone interested in hat making. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

161 Millinery Flat Pattern Design**1 hour lecture, 1 unit
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Fashion 265: Intermediate Millinery.

This course is a study of millinery design through flat pattern making. Students learn to design and construct hats by utilizing a pattern to create a variety of styles. This course is designed for students preparing for a career in the fashion industry, costume design or millinery, and any student interested in hat making. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

162 Millinery Blocking

**1 hour lecture, 1 unit
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Fashion 265: Advanced Millinery.

This course is a study of millinery design through blocking techniques. Students construct an original hat design using the blocking techniques. This course is designed for students preparing for a career in the fashion industry, costume design, or millinery and anyone interested in hat making. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

170 Textile Design

**1 hour lecture, 1 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Fashion 265: Textile Design.

This course covers a variety of textile and surface design techniques that are used to create original textile fabrics. Emphasis is placed on textile design terminology as well as dyeing, printing, and surface embellishment techniques. This course is intended for students interested in creating original fabrics for use in fashion, theatre and interiors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

171 Computer Flat Pattern Design

**3 hours lecture, 3 units
Grade Only**

Advisory: Fashion 140 with a grade of "C" or better, or equivalent is strongly recommended.

In this course, students learn how to draft apparel patterns through the use of CAD software. They adapt hand pattern drafting techniques to the computer by building a basic sloper and applying pattern manipulations in order to create fashion patterns. Students work with a variety of pattern design software. They evaluate the functions and suitability of each program to apparel manufacturers and small business operations. (FT) Associate Degree Credit only and not Transferable.

172 Computer Flat Pattern Design II

**3 hours lecture, 3 units
Grade Only**

Advisory: Fashion 140 with a grade of "C" or better, or equivalent is strongly recommended.

In Computer Flat Pattern Design II, students learn how to draft apparel patterns through the use of Industrial Pattern Making software. They utilize hand drafting experience to develop computer drafting skills necessary to create patterns suitable for apparel production. Digitizing and plotting equipment is used in the process of design. Grading for multiple sizes is covered. (FT) Associate Degree Credit only and not Transferable.

173 Fashion Marketing on the Internet

**1 hour lecture, 1 unit
Grade Only**

Advisory: Fashion 105 and 178, each with a grade of "C" or better, or equivalent.

In this course, students research the Internet to determine how a fashion business is marketed in various forms through web pages, mail lists, user groups and FTP sites. Students develop a marketing plan and web site structure for a fashion-oriented business and create a simple web site that effectively markets a fashion or design product. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

175 Computer Fashion Design I: Adobe PhotoShop

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

In this class, students draw and design apparel garments and fashion illustrations by computer utilizing Adobe PhotoShop. They learn computer graphic techniques that aid them in fashion design, fabric development and rendering, and garment merchandising. In addition, they build digital

presentations and how to utilize a variety of digital imagery sources as aids to the design process. This course is designed for students majoring in the field, and for anyone with a general interest in design and computer graphics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

176 Computer Fashion Design II: Adobe Illustrator

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

In this course, students use Adobe Illustrator software (a vector-based program) to design fashion drawings and technical drawings pertaining to fashion. Computer techniques involving object-oriented design, include fashion figure and flat garment drawing, fabric design/rendering and technical drawing. In addition, students integrate Image Processing and Presentation software, scanners and other peripheral equipment with Illustrator. This course is designed for students majoring in the field, and for anyone with a general interest in design and computer graphics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

178 Computer Publishing and Portfolio

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

In this course, students learn how to use Illustration and Desktop Publishing software to create brochures, flyers, newsletters, business materials, and other published documents related to marketing and promotion. In addition, students learn how to prepare and present a professional portfolio using the computer as an aid. This course would benefit any student in a design field. (FT) Associate Degree Credit and not Transferable.

179 Fashion Photo Styling

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

In this course, students develop an understanding of all aspects of commercial photo shoots and the uses of photography in fashion marketing. Students will train for a career in fashion photo styling and gain hands-on experience with techniques used in various

styling specialties. In addition, students integrate digital photography, publishing, and related software with their own projects and portfolio building. This course is designed for students majoring in the fashion field. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

190 Fashion Entrepreneurship

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

This course is a practical study of the procedures associated with starting a business in the fashion industry. Emphasis is placed on an analysis of the pros and cons of running a fashion business as well as on the practicalities of converting ideas into a successful business plan for a profitable venture. This course is designed for students majoring in Fashion Design or Merchandising and anyone interested in starting a new business in a fashion related business. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

199A Fashion Laboratory A

**3 hours lab, 1 unit
Grade Only**

Corequisite: Fashion 130 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for maximum credit for Fashion 199.

This laboratory course provides hands-on experience in basic apparel construction. Students apply standard and industry methods to construct garments and maintain and operate sewing equipment. This course is designed for all fashion design majors and is open to students interested in fitting and constructing clothing. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

199B Fashion Laboratory B

**3 hours lab, 1 unit
Grade Only**

Corequisite: Fashion 145 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for maximum credit for Fashion 199.

This laboratory course provides hands-on experience in basic draping. Students apply industry methods to drape three-dimensional designs. This course is

designed for all fashion design majors and is open to students interested in draping for the fashion industry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

199C Fashion Laboratory C

**3 hours lab, 1 unit
Grade Only**

Corequisite: Fashion 131 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for maximum credit for Fashion 199.

This course provides hands-on experience in advanced ready-to-wear and couture apparel construction. Students apply advanced standard and industry methods to construct advanced-level garments. This course is designed for all fashion design majors and is open to students interested in fitting and constructing clothing. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

270 Work Experience

**Hours by Arrangement (One unit of credit is earned for each 75 hours of paid employment or 60 hours of volunteer work.), 1-4 units
Grade Only**

A program of on-the-job learning experiences for students employed in a job related to their major or their educational goals. The combined maximum credit for all work experience courses from all disciplines may not exceed 16 units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

FILIPINO STUDIES (FILI)

100 Filipino American Experience

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course introduces students to sociological overviews of Filipino Americans. Students analyze current Filipino American perspectives by discussing the history of the Philippines, factors contributing to immigration to the United States, and aspects of the integration experiences that may be unique to Filipino Americans. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

FRENCH (FREN)

101 First Course in French

5 hours lecture, 5 units
Letter Grade or Pass/No Pass Option

Advisory: English 43 with a grade of "C" or better, or equivalent, or Assessment Skill Level W4.

Limitation on Enrollment: This course is not open to students with credit for French 100.

This is an entry-level course designed to introduce students to the French language and cultures of the French-speaking world. In this interactive course, students use the language by speaking, listening, reading, and writing at the novice level. Basic language structures and vocabulary for communication are examined and explored in French. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.

102 Second Course in French

5 hours lecture, 5 units
Letter Grade or Pass/No Pass Option

Prerequisite: French 101 or two years of high school French, with a grade of "C" or better, or equivalent.

This course is a continuation of French 101 and is intended for students interested in further study of the French language and cultures of the French-speaking world. In this interactive course, students use listening, reading, speaking and writing at a more complex level than in the first course. The students further develop their receptive and productive competencies to the low or mid-intermediate level. Additional language structures and vocabulary for communication are examined and explored in French. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Third Course In French

5 hours lecture, 5 units
Letter Grade or Pass/No Pass Option

Prerequisite: French 102 or three years of high school French with a grade of "C" or better, or equivalent.

This is an intermediate course in French. Language structures and vocabulary for communication are examined and explored through speaking, listening, reading and writing at the intermediate level. Students explore in more depth than in previous courses the history and the culture of the French-

speaking world. This course is appropriate for students preparing for a major in French as well as for those who wish to continue their studies of the French language and culture. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

202 Fourth Course in French

5 hours lecture, 5 units
Letter Grade or Pass/No Pass Option

Prerequisite: French 201, or four years of high school French, with a grade of "C" or better, or equivalent.

This is an advanced-intermediate course and is the fourth course in the French language sequence. In this interactive course, language structures and vocabulary for communication are examined and studied through speaking, listening, reading and writing at the high-intermediate level. Students continue to explore the history and the culture of the French-speaking world. Readings of literary and culturally relevant authentic materials are examined in depth. This course is designed for students preparing for a major in French as well as for those who have a strong interest in the French language and culture. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210 The Grammar of Spoken French I

3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Prerequisite: French 102 with a grade of "C" or better, or equivalent, or successful completion of three years of high school French.

Advisory: Concurrent enrollment in: French 201.

This course further develops oral comprehension and fluency as well as written communication at a mid-intermediate level in French through culturally relevant materials. Students develop spoken and written vocabulary, dramatize everyday topics of conversation, interpret and describe materials, and compare and contrast the cultures of the French speaking world with U.S. culture both orally and in writing. Writing strategies are emphasized and literature is introduced. This course is intended for students who want to enhance their skills in the French language. Students who intend to major or minor in French are advised to take French 210 concurrently with French 201, if possible. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

211 The Grammar of Spoken French II

3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Prerequisite: French 210 with a grade of "C" or better, or equivalent.

This course develops oral comprehension and fluency as well as written proficiency in French at an advanced-intermediate level through reading, analyzing, discussing, and reporting on culturally relevant materials. Students develop oral and reading vocabulary skills, study the cultures of the French-speaking world, and further develop the reading strategies introduced in French 210 through reading literature. This course is intended for students who want to further enhance their skills in the French language. Students who plan to major or minor in French are advised to take French 211 concurrently with French 202. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Garden Design

(See Architecture)

GEOGRAPHIC INFORMATION SYSTEMS (GISG)

90 Introduction to GIS for Fire Fighters

1 hour lecture, 1.5 hours lab, 1.5 units
Letter Grade or Pass/No Pass Option

Advisory: Computer Business Technology 101 and 114, each with a grade of "C" or better, or equivalent.

This course covers the fundamentals of Geographic Information Systems (GIS) for fire fighters, using spatial information and software to map and analyze information associated with fire planning. Labs include hands-on experience with ArcGIS software in the subject areas of map making; scanning, georeferencing, and digitizing fire pre-plans; GIS data creation and management, and working with geoprocessing tools. This course provides the skills and knowledge to create basic spatial data and GIS maps, particularly with reference to fire pre-plans. Students also learn basic GIS skills, a foundation for further study in GIS or to pursue a GIS degree or

certificate. (FT) Associate Degree Credit only and not Transferable.

104 Geographic Information Science and Spatial Reasoning

2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50. This is a survey course designed to provide an introductory overview of geographic information systems (GIS), cartography, remote sensing, spatial analysis, and global positioning systems (GPS). Students will learn how these critical technologies are used in addressing human and environmental problems. The lectures and lab exercises will provide an introductory knowledge of GIS including map interpretation, georeferencing, and spatial data management. Topics will include how to use spatial data to visualize information and identify spatial patterns. Topics include basic GIS concepts such as query and map overlay. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

110 Introduction to Mapping and Geographic Information Systems

2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option

Advisory: Computer Business Technology 101, 114 and 161, each with a grade of "C" or better, or equivalent; English 101 or English 105, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

This course covers the origins and fundamentals of Geographic Information Systems (GIS), an essential tool in government and business. GIS uses spatial information and software to map, analyze, and model real world problems, in many fields such as forestry, homeland security, economics, cartography, city planning, and health. Labs include hands-on experience with ArcGIS software. Subjects are map making, GIS data creation and management, and map projections and coordinate systems. GIS mapping is a skill needed by many who work in both the public and private sector. This course will provide the skills and knowledge to create basic spatial data and GIS maps. It also lays the foundation for students who want to be employed as a GIS Technician or who want to pursue a degree or certificate and it prepares students for entry-level careers. This course is required for the GIS certificate and the AS degree. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

111 Geographic Information Systems and Cartography

**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Geographic Information Systems 110 with a grade of "C" or better, or equivalent.

This course is designed for students who possess a basic background in Geographic Information Systems (GIS). Learning in this course focuses on cartographic principles of map design, production, and evaluation through the application of hands-on activities using ArcGIS software. Topics covered include data acquisition methods used in map production (Global Positioning Systems/GPS, scanning, and georeferencing of data); spatial analysis techniques (using geoprocessing); and GIS project planning techniques. Cartographic tools and enhancements such as map layout, symbology, and labeling are emphasized. Students will apply project management skills to a class project. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

112 Spatial Analysis with Geographic Information Systems

**2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only**

Prerequisite: Geographic Information Systems 111 with a grade of "C" or better, or equivalent.

Advisory: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50.

This course is a general survey of geographic information systems (GIS) concepts and spatial analysis techniques, particularly for raster data. Emphasis is placed on hands-on exercises using GIS software and on the functionality of GIS as an effective tool for modeling and analyzing complex spatial relationships. This course is intended for students earning a certificate or degree in GIS and/or for GIS professionals who wish to gain more experience with spatial analysis and raster data. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

113 Advanced Geographic Information Systems Applications

**2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only**

Prerequisite: Geographic Information Systems 112 with a grade of "C" or better, or equivalent.

Advisory: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50.

This course introduces students to advanced topics, techniques, and applications of geographic information systems (GIS). Emphasis is placed on using advanced GIS software for advanced spatial analysis, visualization and statistics. Students use real-world data and apply one or more advanced applications to class project analyses to evaluate the effectiveness of GIS as a tool in the decision making process. Students gain knowledge of, and experience in using, advanced software applications. More advanced class projects may incorporate scripting and/or modeling. This course is intended for students who have achieved an intermediate level of knowledge and experience in GIS. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

114 Spatial Databases in Geographic Information Systems

**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Geographic Information Systems 111 with a grade of "C" or better, or equivalent.

GISG 114 focuses on the development and application of spatial database models and processing techniques. Students of Geographic Information Systems (GIS) who wish to gain exposure to emerging data structures and methods via problem-based learning benefit from this course. The course deals with conceptual issues in spatial database development, analysis, display, and designing and creating personal geodatabases. Students work with a variety of GIS data types and edit GIS data within the geodatabase environment, with emphasis on real-world applications. The class project focuses on the design, creation and use of a geodatabase to solve a problem. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

270 Work Experience

**Hours by Arrangement (One unit of credit is earned for each 75 hours of paid employment or 60 hours of volunteer work.), 1-4 units
Grade Only**

A program of on-the-job learning experiences for students employed in a job related to their major or their educational goals. The combined maximum credit for all work experience courses from all disciplines may not exceed 16 units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290),

Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

GEOGRAPHY (GEOG)

101 Physical Geography

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines the major world patterns of the physical environment. The course covers the fundamental information and processes dealing with the earth's landforms, atmosphere, natural vegetation, water, and soils, along with the appropriate use of maps and charts. This course is of interest to anyone seeking an understanding of the earth's physical processes and mechanisms. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

101L Physical Geography Laboratory

**3 hours lab, 1 unit
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Geography 101 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

This course requires practical observations and applications of the geographic grid, atlases and topographic maps, weather and climate, natural vegetation and soils, and landforms. Exercises are designed to supplement Physical Geography 101. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

102 Cultural Geography

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course is an introduction to thematic cultural geography. The elements covered include population, race, language, religion, settlement patterns, political organization, economic activities, industry, and the regional distribution of these elements. (FT) Associate

Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

104 World Regional Geography

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 or English 105, with a grade of "C" or better, or equivalent or Assessment Skill Levels W6 and R6.

This course provides students with a survey of the physical, cultural, political, and economic characteristics of the world's major geographical regions. These regions include Europe, North America, Latin America, Africa, Australia, Oceania, and South, East, and Southeast Asia. The course focuses on historical, environmental, cultural, economic, and technological factors that impact the world's main geographical areas. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

154 Introduction to Urban Geography

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

This course is a survey of urban geography. Emphasis is placed on the evolution, function and form of American and world cities. Topics include social, economic and technical forces that shape urban development and the role of urban planning in a variety of cities around the world. This course is designed for social science majors and all students interested in geography and urban planning. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

290 Independent Study

Hours by Arrangement, 1-3 units

Letter Grade or Pass/No Pass Option

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

For students who wish to study special problems. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277),

or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

GEOLGY (GEOL)

100 General Geology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

This course investigates the physical characteristics of the earth as a whole, and the past, present, and future evolutionary processes affecting it. Primary topics include earth materials, geologic time, uniformitarianism, the fossil record, and plate tectonics. The course is designed for those students with a general interest in geology or earth science. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

101 General Geology Laboratory

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Corequisite: Completion of or concurrent enrollment in Geology 100 with a grade of "C" or better, or equivalent.

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

This laboratory course covers mineral and rock identification, landforms, topographic/geologic map interpretation, and geologic structures. The course is designed to supplement Geology 100 with laboratory experience. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

104 Earth Science

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course investigates Earth's major physical systems, including the lithosphere, hydrosphere, and atmosphere, as well as Earth's place in the solar system. As such, this course provides a brief synthesis of pertinent topics in geology, physical geography, oceanography, meteorology, and astronomy. It is intended for those with a general interest in the Earth sciences and those wishing to satisfy requirements for a California Multiple Subject Teaching Credential. (FT)

Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

GERMAN (GERM)

101 First Course in German

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

Limitation on Enrollment: This course is not open to students with previous credit for German 100.

This is an introductory course designed to teach students to understand, speak, read and write German, and become familiar with recent German culture and history. Emphasis is placed on learning the fundamentals of grammar, speaking in simple sentences using correct pronunciation, responding to questions regarding everyday life, and reading short selections about everyday activities. Fundamentals of oral and written grammar and a correct reading of simple German are practiced. This course is appropriate for students who are preparing to major in German as well as those who are interested in developing proficiency in the language. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.

102 Second Course in German

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: German 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for German 100.

This course is a continuation of German 101 and is designed to teach students to speak, read and write German at a low-intermediate level and enhance students' familiarity with recent German culture and history. Emphasis is placed on improving students' knowledge of fundamental grammar, reading more complex texts and speaking with moderate proficiency. This course is appropriate for students who plan to major in German as well as for those who

are interested in developing proficiency with the language. (FT) Associate Degree Credit and transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Third Course in German

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: German 102 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for German 200.

This course is a continuation of the basic fundamentals of German pronunciation, grammar, composition and reading covered in German 102. Emphasis is placed on further developing listening, speaking, reading and writing skills through course content based on everyday life as well as German history and culture at the advanced-beginning level. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

HEALTH EDUCATION (HEAL)

101 Health and Life-Style

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 49 and 56, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course studies aspects of mental, emotional, and physical health. Emphasis is placed on knowledge for development of attitude, understanding, and practice of a preventive life style for healthy living and optimal wellness. Specific instructional areas include chronic diseases, physical activity, nutrition, weight management, birth control methods, human sexuality, alcohol, tobacco and illicit chemical use, stress, and factors that contribute to wellness and longevity. Experience in personal health assessment and the changing of health behaviors is stressed. Satisfies State of California Health Education requirement for teaching credential. (FT) Associate

Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

131 First Aid

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

This course satisfies the requirements of the American Red Cross and trains individuals who respond in emergency situations with the knowledge and skills necessary to help sustain life, reduce pain, and minimize the consequences of injury or sudden illness until more advanced medical help arrives. Students who successfully complete the course receive the following American Red Cross Certification: Emergency Response certification is valid for three years and CPR for the Professional Rescuer certification is valid for one year. Emergency Response certification is consistent with the U.S. Department of Transportation First Responder curriculum and exceeds the requirement of the California Health and Safety Code (Title 22). This course may be repeated as needed to update certification and skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

190 Health Education For Teachers

1 hour lecture, 1 unit

Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course overviews health-related issues and problems in the kindergarten through 12th grade. Topic areas include behavior modification, stress symptoms and management, physical activity, nutrition, cardiovascular disease, pregnancy and sexually transmitted diseases, illicit substance abuse, alcohol and nicotine use and misuse, violence and gang issues, school and home safety issues. This course satisfies the State of California Health Education requirement for the K-12 Teaching Credential. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

**HEALTH INFORMATION
TECHNOLOGY (HEIT)****40 PreRHIT (Registered Health Information
Technician) Exam Review****1 hour lecture, 1 unit
Pass/No Pass Only**

This course is a 16 hour review for graduates of the Health Information Technology Program, preparatory to their writing the RHIT Examination. Instruction will include review of ICD-9-CM (International Classification of Diseases, 9th Revision, Clinical Modification) and CPT (Current Procedural Terminology) coding and reimbursement. Also included are information systems, healthcare statistics, and quality, utilization as well as risk management. Additional topics included are health record management in various healthcare delivery systems, legal aspects including certification and accreditation standards, and principles of supervision as well as test taking strategies. Not Applicable to Associate Degree and not a basic skills course.

105 Introduction to Health Information**2 hours lecture, 3 hours lab, 3 units
Grade Only**

This course is an introduction to the: American healthcare delivery system and health care professions, health information department functions, ethical and legal issues in health information technology, healthcare reimbursement, quality management, performance improvement, and healthcare information systems. This course is useful for those considering a career in health information and is a required course for students in the Health Information Technology program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

125 Basic Pharmacology for Allied Health**2 hours lecture, 2 units
Grade Only**

This course is an introduction to pharmacology for Allied Health and other interested students and includes an historical overview of pharmacology. Also covered are basic pharmacologic terminology and concepts such as drug categories, mechanisms of drug action, drug forms, and routes of administration. Generic and proprietary names are introduced for drugs prescribed for common diseases and disorders. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

155A ICD-9-CM Coding I**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Prerequisite: Medical Assisting 105 and 110, each with a grade of "C" or better, or equivalent.

This is an introductory course in the International Classification of Disease (ICD) coding system. It includes the basic coding guidelines applicable to coding signs and symptoms, diseases, disorders, and procedures as well as coding ethics. The student codes using both the code books and computer software program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

155B ICD-9-CM Coding II**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Prerequisite: Health Information Technology 155A with a grade of "C" or better, or equivalent.

This course is a continuation of Health Information Technology 155A with an emphasis on advanced principles of ICD-9-CM coding of conditions, diseases, and procedures. Students code using both code books and computer software. This course includes coding, indexing, retrieval, and abstracting of patient data, along with instruction on how codes generate DRG's and how case mix is derived. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

**155C Current Procedural Terminology (CPT)
Coding****3 hours lecture, 3 units
Grade Only**

Prerequisite: Medical Assisting 110 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This introductory course includes the purpose and use of Current Procedural Terminology (CPT) coding. The course covers the CPT Manual format, code format, and coding steps used to code from the six divisions of CPT: Evaluation & Management, Anesthesia, Surgery, Radiology, Pathology & Laboratory, and Medicine. In addition the course includes national and category III codes. It also includes an overview of reimbursement issues involving physician and hospital payment for outpatient services. This is a required course for Health Information Technology students and is available to employees in health information departments and doctors' offices. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

156 Hospital and Health Statistics
2 hours lecture, 3 hours lab, 3 units
Grade Only

Limitation on Enrollment: This course is not open to students with credit for Medical Record Technology 156.

This course provides instruction in the basic principles of data collection and calculation of hospital and non-acute facility health statistics. Calculation of Health Information Management Department statistics is included. In addition, the course covers the calculation of specific vital statistics as well as discharge analysis reporting. There is instruction in the preparation of monthly and annual medical, administrative, and outside agency reports utilizing tables and graphs. Practice in the interpretation of statistical reports is also provided. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

205 Health Law, Accreditation and Licensing Standards

3 hours lecture, 3 units
Grade Only

Advisory: Health Information Technology 105 with a grade of "C" or better, or equivalent.

This course covers the legal aspects of health information management including the American legal system and causes of medical malpractice. State, federal and other agency rules regarding record access, retention, release of information, processing subpoenas, and confidentiality are also included. Accreditation, licensing, and certification requirements for acute as well as non-acute health care facilities are included. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

258 Quality Assessment, Utilization Review & Risk Management

3 hours lecture, 3 units
Grade Only

This course introduces the concepts of quality assessment (QA), utilization review (UR), and risk management (RM) in health care to the Health Information Technology student. Topics included are purpose, philosophy, historical development, analysis techniques, and program development strategies. Quality assessment activities in Medical Staff appointment/reappointment process are covered. Additional topics include physician confidentiality issues and key concepts in continuous quality improvement (CQI). (FT) Associate Degree Credit &

transfer to CSU and/or private colleges and universities.

260 Principles of Supervision and Administration

3 hours lecture, 3 units
Grade Only

This course introduces the basic concepts of personnel supervision including role transition, recruitment, training, performance standards, discipline, and performance evaluation. Other topics include writing job descriptions and policy and procedure manuals. Budget management, department layout/design, meetings management, stress and time management are also included. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

261 Directed Clinical Practice A

150 hours total by Arrangement, 2 units

Grade Only

Prerequisite: Health Information Technology 105 and Medical Assistant 110, each with a grade of "C" or better, or equivalent.

This course provides actual professional practice for the Health Information Technology student in a health information services department in selected acute care health care facilities affiliated with the college. Students are given experience in entry level clerical skills performed in the department, such as the following: patient admitting and discharge procedures and release of information. The student is given a detailed orientation of the facility dictation and transcription systems. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

262 Directed Clinical Practice B

150 hours total by Arrangement, 2 units

Grade Only

Prerequisite: Health Information Technology 155B with a grade of "C" or better, or equivalent.

This course provides actual professional practice in acute care, long term care, and behavioral health facilities in health information departments. These selected facilities are affiliated with the college. The Health Information Technology student is given experience in areas such as: coding and abstracting, data collection for statistical reports, personnel supervision, and department budget management, quality assessment, computer applications, and other activities as appropriate. Associate Degree Credit &

transfer to CSU and/or private colleges and universities.

290 Independent Study

**Hours by Arrangement, 1-3 units
Grade Only**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Provides for additional research, academic or clinical experiences for students with special interests. The course consists of individualized research problems, conferences with the instructor at prearranged intervals and a final written report on the work completed. This course may be taken four times with different content for a maximum of six units. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

HISTORY (HIST)

100 World History I

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines the growth of civilizations and the inter relationships of peoples of Europe, Asia, Africa and America from the birth of civilization to 1650. Topics in social, intellectual, economic, and political history are covered. This course is of interest to history majors as well as anyone seeking a global historical perspective. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

101 World History II

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines the comparative history of the world's civilizations in Africa, the Americas, Asia, and Europe from the dawn of the modern era (1600) to the present. Topics in social, intellectual, economic, and

political history are covered. This course is of interest to history majors as well as anyone seeking a global historical perspective. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

105 Introduction to Western Civilization I

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an historical survey of Western Civilization from the early human communities through early modernism. The course is designed to further students' general education by introducing the ideas, attitudes, and institutions basic to Western Civilization. It may be of interest to history majors as well as any student seeking a broad historical perspective. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

106 Introduction to Western Civilization II

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an historical survey of Western Civilization from early modernism to the present. The course is designed to further students' general education by introducing the ideas, attitudes, and institutions basic to Western Civilization. It may be of interest to history majors as well as any student seeking a broad historical perspective. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

109 History of the United States I

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course, which covers the history of the United States from its colonial origins through the period of Reconstruction, provides an overview of the diverse peoples who interacted, settled, and influenced the history of the nation and its developing economic, social, and political institutions. The course requires students to analyze a variety of materials, think critically, and write thesis-based essays. History 109 taken in conjunction with History 110, 115B, 123, 142,

151; Black Studies 140B; Chicano Studies 141B; or Political Science 102 satisfies the District and may satisfy the CSU graduation requirements in United States History, Constitution, and American Institutions and the requirement in California state and local government. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150-151, Black Studies (BLAS) 140A-140B, and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

110 History of the United States II

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course, which covers the history of the United States from Reconstruction to the present, provides an overview of the diverse peoples who influenced the history of the nation and its maturing economic, social, and political institutions. The course requires students to analyze a variety of materials, think critically, and write thesis-based essays. History 110 taken in conjunction with History 109, 115A, 141, 150; Black Studies 140A; or Chicano Studies 141A satisfies the District and may satisfy CSU requirements in United States History, Constitution, and American Institutions and the requirement in California state and local government. History 110 also satisfies the District and CSU requirements in California state and local government for those students who have completed equivalent United States history, Constitution, and American Ideals courses outside the State of California. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150-151, Black Studies (BLAS) 140A-140B and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

115A History of the Americas I

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course provides a framework for interpreting the history of the Americas, from 1500 through 1800. This survey examines how diverse peoples migrated or were transported to perform labor among indigenous peoples of varying levels of social organization and

technological sophistication. The course includes treatment of how these peoples interacted and reciprocally influenced each others' cultural forms, political institutions, social relations, and economics. Emphasizing the comparative history of these societies, the course traces the eventual emergence of independence movements setting the stage for establishment of autonomous nation states. The course also traces the simultaneous development and evolution of capitalism in the Western Hemisphere during the period. This course requires students to analyze a variety of source materials, think critically, and write thesis-based essays. This general education course is designed for both history majors and the general transfer student. History 115A taken in conjunction with History 115B, 110, 123, 142, 151; Black Studies 140B; Chicano Studies 141B; or Political Science 102 satisfies the District and CSU American Institutions/California Government requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

115B History of the Americas II

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with grade of "C" or better or equivalent, or Assessment Skill Levels R5 and W5.

This course provides a framework for interpreting the history of the Americas, from the 19th century into the 21st century. This survey examines the independence movements and the development of autonomous nation states throughout the Americas. Emphasizing the comparative history of these societies, the course traces Roman Catholic Church-state relations, the constitutional history of Latin American nations in relation to California, the United States, and Canada, including 20th century constitutional reforms. The course also outlines economic shifts, involving the expansion of agricultural commodity production, global commerce, and industrialization. Finally, the course highlights international relations among nations in the Western Hemisphere, the cold War, and the impact of modernization theory. This general education course is designed for both history majors and the general transfer student. History 115B taken in conjunction with History 115A, 109, 141, 150; Black Studies 140A; or Chicano Studies 141A satisfies the District and CSU American Institutions/California Government requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

120 Introduction to Asian Civilizations**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines the social, cultural, and political evolution of distinct civilizations in East, South, and Southeast Asia from prehistory to the end of the sixteenth century. Emphasis is placed on topics such as the development of indigenous religions/philosophies, the rise and decline of regional kingdoms/dynasties, cultural achievements, and gender roles. This course is intended for transfer students planning to major in history, business, or other social science. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

121 Asian Civilizations in Modern Times**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines the evolution of the distinct cultures, thought, and institutions in East, South, and Southeast Asia from the sixteenth century to the present through critical investigations into the impact of modernization on the political, social, economic, and cultural dimensions of these societies. Emphasis is placed on topics such as the first encounters with Western powers, the evolution of Western imperialism, the rise of nationalist movements and independent nation states, and their evolution and progress to the present. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

123 U.S. History from the Asian Pacific American Perspective**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit in Black Studies 112 or 140 or History 110 and 110B.

This course is a review of Asian Pacific Americans in the social, political, economic and cultural development of the United States from Reconstruction to the present. The emphasis is on the

Chinese, Japanese, Korean, Filipino, Vietnamese, Cambodian, Lao, Hmong, and Hawaiian experiences. This course presents American history as it relates to the experience of Asian immigrants and Asian Pacific Americans. History 123 taken in conjunction with History 109, 115A, 141, 150; Black Studies 140A; or Chicano Studies 141A satisfies the District and CSU American Institutions/California Government requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

130 The Modern Middle East**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6.

This course is a survey of modern Middle Eastern history from the Nineteenth Century to the present. Emphasis is placed on analyzing modern Middle Eastern historical events and processes within a global context. Topics include the historical development and role of Islam in the region, the 'decline' and dismemberment of the Ottoman Empire, imperialism, Arab independence movements, the Israeli-Palestinian conflict, the resurgence of Islam and the role of the United States in the region. This course is intended for history majors and all students interested in the contemporary Middle East. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

131 Latin America Before Independence**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is designed for anyone gaining an understanding of Latin American and Caribbean history, 1492-1810. It opens with a discussion of the pre-Encounter world, placing special emphasis on those aspects of Iberian, African and Indian life that helped shape colonization. During the semester, lectures delve into social-economic relations, the Crown and Church as shareholders in state power, and resistance to colonization and slavery. Throughout the course, references are made to Latin America's and the Caribbean's roles in the emergence of a modern, global social-economic system. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

132 Latin America Since Independence**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is designed for anyone seeking to gain an understanding of Latin American History since 1810. The course emphasizes social, political, economic, and cultural factors as students examine independent Latin America's early conservatism, the triumph of liberalism between 1870 and 1930, the rise of nationalism and populism after 1930, and then the new liberalism of the late twentieth century. Lectures and discussions include issues pertinent to Latin America's past and present such as modernization, race and gender relations, social movements, and revolutions. Throughout the course, modern Latin American history is placed in the context of global economic, ideological, and cultural trends. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

141 Women in United States History I**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course, which covers the history of the United States from its colonial origins through the period of Reconstruction, provides a special emphasis on the history and role of women, who in their diverse contributions influenced the history of the nation and its developing economic, social, and political institutions. The course requires students to analyze a variety of materials, think critically, and write thesis-based essays. This course may be of interest to students interested in Women's Studies. History 141 taken in conjunction with History 142, 110, 115B, 123, 151; Black Studies 140B; Chicano Studies 141B; or Political Science 102 satisfies the District and CSU American Institutions/California Governments requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150-151, Black Studies (BLAS) 140A-140B, and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

142 Women in United States History II**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course, which covers the history of the United States from Reconstruction to the present, provides an overview of the diverse peoples who influenced the history of the nation and its maturing economic, social and political institutions, with a special emphasis on the history and role of women. This course requires students to analyze a variety of materials, think critically, and write thesis-based essays. This course may be of interest to students interested in Women's Studies. History 142 taken in conjunction with History 141, 109, 115A, 150; Black Studies 140A; or Chicano Studies 141A satisfies the District and CSU American Institutions/California Government requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150-151, Black Studies (BLAS) 140A-140B, and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

150 Native Americans in United States History**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course covers the history of the United States from the Pre-contact Colonial Period to the mid-nineteenth century, with an emphasis on the history of Native American Indians, the development of United States Indian policy, and the interaction of divergent cultures. This course requires students to analyze a variety of materials, think critically, and develop thesis-based essays. History 150 taken in conjunction with History 151, 110, 115B, 123, 142; Black Studies 140B; Chicano Studies 141B; or Political Science 102 satisfies the District and CSU American Institutions/California Governments requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150-151, Black Studies (BLAS) 140A-140B, and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

151 Native Americans in United States History
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course covers the history of the United States from the Civil War to the present, with an emphasis on the history of Native American Indians, changing United States Indian policy, and the interaction of divergent cultures. This course requires students to analyze a variety of materials, think critically, and write thesis-based essays. History 151 taken in conjunction with HIST 150, 109, 115A, 141, BLAS 140A, or CHIC 141A, satisfies the District and CSU graduation requirements in United States History, Constitution, and American Institutions, and the requirement in California state and local government. This course also fulfills the District's multicultural requirement. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: History (HIST) 109-110, 141-142, 150-151, Black Studies (BLAS) 140A-140B, and/or Chicano Studies (CHIC) 141A-141B combined: maximum credit, one series.

154 Ancient Egypt
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This general education course provides a study of the geography, history, life, society, religion, art, archaeology, language, architecture, literature, diplomacy and economics of ancient Egypt from the first dynasties to the Roman occupation. It is appropriate for students with a general interest in the ancient world. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

168 The United States in Vietnam
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is a lecture and video course in the history of the United States involvement in Southeast Asia between 1945 and 1975. The course incorporates one of the most comprehensive studies of the era, "Vietnam: A Television History," produced by Boston's public television station WGBH in 1983. The emphasis

throughout is on the motivations leading the United States into the Vietnam War, and the impact of that involvement on American society. There is some focus on internal Southeast Asian developments, but this is secondary. This course is designed for anyone interested in recent United States history and international relations. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

171 Twentieth Century America on Film
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49 each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course focuses upon the ways in which films about the people and events that shaped United States history in the 20th Century shape our perceptions and either confuse or sharpen our understanding of the American past. Both documentary and non-documentary sources may be utilized. Individual instructors may focus on particular topics or time periods within the twentieth century. This course may be taken twice with different content, for a maximum of six units. This course is designed for anyone interested in recent United States history and cinema. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course Limitation: Variable Topic, see a Counselor.

175 California History
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course, which covers the history of California from its earliest times to the present, provides an overview of both the physical characteristics and the diverse peoples of California and how they interacted and influenced the history of this state and its economic, social, cultural, and political institutions. The course requires students to analyze a variety of materials, think critically, and write thesis-based essays. This course may be of special interest to students planning a career in education. History 175 satisfies the California government requirement for students who have completed their American Institutions requirement with courses from outside the State of California. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: *Supervised Tutoring (044)*, *Experimental Topics (265)*, *Independent Study (290)*, *Individualized Instruction (296)*, *Service Learning (277)*, or *Work Experience (270)*. Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability

HOSPITALITY (HOSP)

101 Introduction to Hospitality & Tourism 3 hours lecture, 3 units Grade Only

Advisory: English 42 and English 43 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4, W4 and M20.

This introductory course addresses a general overview and analyses of linkages between segments of the hospitality industry, including: history, career opportunities and service ethics, lodging products and service levels, travel and tourism, food and beverage throughout the industry segments, managed services, clubs, casinos, leisure and recreation, convention centers and meeting and event planning. The course touches on concerns related to health, safety, liability, the environment, technology, and globalization that are interrelated with the hospitality industry. Exploration of all aspects of the multifaceted hospitality and tourism industries are emphasized, including trends future projection and employment opportunities. This overview course is designed for students interested in the hospitality industry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

102 Hospitality Financial Reporting 3 hours lecture, 3 units Grade Only

Advisory: English 48 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M20.

This course is designed to provide students with an understanding of the principles of finance and accounting and to comprehend the money implications of decisions in hospitality. Because many of the measures of success and failure in the hospitality business are expressed in financial terms, this course covers the aspects of finance and accounting that will be met by a non-financial hospitality employee. Basic relevant financial concepts and financial tools are introduced to improve business decision making including: how to read balance sheets, income statements, profit and loss, and cash

flow statements, critical ratios and other financial measurements and to interpret what the numbers mean. This course is intended for all Event Management, Hotel Management, and Culinary Arts / Culinary Management students. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

110 Lodging Management & Operations 3 hours lecture, 3 units Grade Only

Corequisite: Completion of or concurrent enrollment in: Hospitality 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Hotel Management 110.

This overview of the management responsibilities of hotel operations is designed for students interested in the hospitality industry. The focus is on analysis and understanding of the interdependent nature of major departments within a hotel/resort operation: rooms division, food and beverage, sales and marketing, housekeeping and maintenance, and general and administrative. Analyses of the interrelationship between the major departments are examined through the concepts of organizing, planning, communicating, and ethical principles among the major departments of a lodging operation Job titles, functions, and their interactive relationships that are of utmost importance in understanding and working productively with the complexities of modern hotel management are discussed. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

111 Food and Beverage Management 3 hours lecture, 3 units Grade Only

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

Advisory: Completion of or concurrent enrollment in: Mathematics 34A with a grade of "C" or better, or equivalent, or Assessment Skill Level M20; and Hospitality 101 and 102, each with a grade of "C" or better, or equivalent.

This course is designed to provide students with an understanding of the hospitality food service industry, its variety of operations/outlets and how to gain the skills to successfully manage these operations/outlets. Areas of study include an overview of food and beverage outlets, food service marketing, menu analysis, menu cost and pricing strategies. Analyze service standard operating procedures, types of

service, food and beverage sourcing, beverage management. Identify sanitation and safety issues and facility design and equipment, food service competitive trends, food service automation, and develop financial acumen. This course is intended for all Event Management, Hotel Management, and Culinary Arts / Culinary Management students. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

115 Strategic Leadership in Hospitality **3 hours lecture, 3 units** **Grade Only**

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

Limitation on Enrollment: This course is not open to students with previous credit for Food Service Occupations 115.

This course is designed to acquaint students with the leadership, management, supervision and quality issues facing today's hospitality industry. It covers the organization and management of hospitality operations. This course is designed for students who are interested in hospitality and culinary arts/culinary management, as well as those working toward American Culinary Federation certification and recertification. The course is a requirement for students seeking the DSS certification. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

120 Event & Hospitality Sales & Marketing **3 hours lecture, 3 units** **Grade Only**

Corequisite: Completion of or concurrent enrollment in: Hospitality 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Hotel-Motel Management 120.

This course is designed to provide students with a background in marketing and sales, as they relate to the major decisions hospitality marketers face in balancing objectives and resources against the needs and opportunities in the global marketplace. Primary focus is on the creation of a marketing plan including: the marketing environment, market segments and target markets, and marketing strategies. This course is for students in hospitality and tourism or those interested in the area. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

130 Event & Hospitality Law

3 hours lecture, 3 units
Grade Only

Prerequisite: Hospitality 101 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: Hotel-Motel Management 110 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Hotel-Motel Management 115.

This course introduces the student to the laws and regulations that influence business and management decisions applicable to the ownership and operation hospitality and tourism businesses. It is designed to provide practical knowledge of the law and how the legal system functions. The course focus is on legal fundamentals including negligence, relationships with guests, employees, contracts, liability, and the sale of food and alcohol. This course is designed for students interested in a career in hospitality and tourism or those interested in the area. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

140 Club Management

1 hour lecture, 1 unit
Grade Only

Prerequisite: Hospitality 101 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: Hotel-Motel Management 110 and Culinary Arts/ Culinary Management 140, each with a grade of "C" or better, or equivalent.

This course introduces students to club management in the various types of clubs and club sectors. Concepts covered include the club boards of directors, service excellence, leadership, quality management systems, strategic and financial management, club marketing, human resources, guest rooms, food and beverage operations, and computer systems. This course is for students interested in hotel, hospitality and tourism. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

150 Hospitality Human Resources

3.00 hours lecture, 3.00 units
Grade Only

Advisory: English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels W5 & M20.

Advisory: Completion of or concurrent enrollment in: Hospitality 101 and 115, each with a grade of "C" or better, or equivalent.

This course presents a systematic approach to human resources management in the hospitality industry. Students develop theoretic lenses for understanding people and organizations, and practical tools for accomplishing personal and organizational goals. Topics include: individual differences, conflict management, problem solving, power and influence, motivation, leadership, coaching and counseling, and group process. Students learn through the case method, self-assessments, experiential exercises, readings, discussions, papers, and group activities. Contemporary issues and practices and employment laws that have an impact on the way people are managed are analyzed. This course is designed for students interested in a career in hospitality and tourism or those interested in the area. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

151 Resort Management

**2 hours lecture, 2 units
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Hospitality 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Hotel Management 150 or 151.

This course highlights the operation and management of resort properties. Details are presented in planning, development, financial investment management, and marketing that deal with the unique nature of resort business. Analysis of management systems and methods for development of full-service resorts are presented, along with comparison of specialized requirements for different types of resorts based on location, climate, activities, and life-style. This course is for students interested in hotel, hospitality and tourism. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

160 Meeting and Convention Management

**3 hours lecture, 3 units
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Hospitality 101 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: Hospitality 120 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Travel and Tourism 132 or Tourism 120.

This introductory course provides the student with an interest in planning events such as meetings, conferences and conventions with the parameters of that segment of the tourism industry. Students are introduced to the differences between meetings and conventions, the employees involved in those venues and the steps that are to be taken to plan, organize and produce such activities as meetings, seminars, conventions and trade shows. The course is for those with an interest in tourism and in organizing and coordinating meetings, conventions, events and tours. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

165 Special Event Management

**3 hours lecture, 3 units
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Hospitality 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Tourism 125. This course covers the theoretical and practical foundation for event management. Emphasis is placed on research, design, planning, coordination, budgeting and evaluation of events. Topics include competencies required for successful events, including parades, festivals, sporting and other special events. This course is designed for students pursuing a career in hospitality, tourism or event management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

170 Event Promotion & Sponsorship

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Hospitality 101 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: HOSP 120 and 160 and 165, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Tourism 135. This course examines how to promote events and use events to endorse products, services and causes. Specifics covered include image, branding, advertising, publicity, and public relations, their importance to an event, the benefits and best practices of each. Also covered are the coordinating methods to secure sponsorship contracts. This course is designed for students interested in a career in hospitality and tourism or those interested in the area. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

175 Event Convention Service & Catering Management

**2 hours lecture, 2 units
Grade Only**

Prerequisite: Hospitality 101 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: Hospitality 105 and 160 and 165, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Tourism 130.

This course focuses on reaching and servicing the group meetings and events market. The process of selling space, functions and events to groups, and the methods for servicing group business after the sale are outlined. Also identified are methods to market an event business, track and contain costs, and measures for operational effectiveness and efficient work schedules. Catering management from a front-of-the-house perspective is presented, as is theme development with specifics in design and décor. This course is for students interested in a career in hospitality and tourism or those interested in the area. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

185 Event & Meeting Facilities Management

**2 hours lecture, 2 units
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Hospitality 160 or 165, with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Tourism 140 or Hospitality 180.

This course introduces students to the operations of arenas, stadiums, convention centers, performing arts centers, and amphitheatres. It incorporates logistical considerations of booking events, contract negotiations, ticket sales, maintenance and production. Also examined are management techniques of hospitality facilities to get better value from physical assets to improve business productivity. This course is designed for students interested in a career in hospitality and tourism or those interested in the area. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

186 The Business of Social Events & Wedding Consulting

**2 hours lecture, 2 units
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Hospitality 160 or 165, with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Tourism 141 or Hospitality 181.

The course provides students with the knowledge and skills needed to operate a business related to social events and wedding consulting. Emphasis is placed on setting up and running an event consulting business, financial management for the business and the client, guidelines for working with clients, selecting vendors and venues, developing professional relationships, timelines and planning schedules. Events covered include: birthdays, anniversaries, bar and bat mitzvahs, quinceaneras, family reunions, showers, sweet sixteen, bachelor(ette) parties and custom designed celebrations. This course is designed for students specializing in the social events or weddings segment of the events industry management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

201 Hotel Management Simulations

**3 hours lab, 1 unit
Grade Only**

Prerequisite: Hospitality 102, 110, 111, 115 and 120, each with a grade of "C" or better, or equivalent; and Computer Business Technology 140 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Hotel Management 201.

This course utilizes knowledge of rooms management, the lodging cycle, marketing, sales, human resources, food and beverage cost control and yield management to provide the ability to make managerial decisions doing a major case study in a computer-simulated environment. The input of data into the computer allows students to test decision-making skills in a highly realistic environment. Students evaluate broad ranges of accumulated learning by running a business within a safe accelerated environment. This class culminates the hotel management curriculum and is intended for students to utilize knowledge gained from all previous hotel and hospitality courses. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

HUMANITIES (HUMA)

101 Introduction to the Humanities I

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This interdisciplinary course develops students' understanding and appreciation of humankind's cultural heritage from the earliest time to approximately 1400. A survey is made of the literature, philosophy, music, painting, architecture, and sculpture of both Western and non-Western civilizations. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List

102 Introduction to the Humanities II

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6.

This interdisciplinary course is designed for students interested in meeting general education requirements in humanities. The course develops students' understanding and appreciation of humankind's cultural heritage from approximately 1400CE to the present time. A survey is made of the literature, philosophy, music, painting, architecture, and sculpture of both Western and non-Western civilization. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

HUMANITIES-RELIGIOUS STUDIES (HUMA)

103 Introduction to the New Testament

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6.

This course provides an introduction to the history and culture of the New Testament period (First Century C.E.), methods of critical analysis of Biblical materials, and the content of the New Testament. It also examines the impact of the New Testament on western culture. This course may be of interest to students of history, literature, anthropology or those with a general interest in biblical studies. (FT) Associate Degree Credit & transfer to CSU and/or

private colleges and universities. UC Transfer Course List.

104 Introduction to the Old Testament

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 49 with a grade of "C" or better, or equivalent, or Assessment Skill Level W5.

This course is an introduction to the texts and development of the Old Testament (Hebrew Bible) through a critical reading of its writings, taking into account its relevant history, cultural influences, the original language, and the important events, personages/characters, ideas, and beliefs of ancient Israel. Also addressed are the contributions of other disciplines to a critical understanding of Hebrew Scriptures, including archaeology, literature, history, current Biblical scholarship and criticism, and women's studies. This course may be of particular interest to students in literature, anthropology, and other such disciplines. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

106 World Religions

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

This course is an introduction to the basic elements of the religions of the world, their similarities and differences, and their impact on believers and society. The course includes a study of the historical development, doctrines, rituals, sects, and scriptures of the major religions of the world. Some analysis of ancient religious traditions and tribal religious beliefs and practices may be included. This course is intended for all students interested in humanities and the study of world religions. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

HUMANITIES-INTERDISCIPLINARY (HUMA)

(Related courses: Speech 180 and Music 125.)

201 Mythology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course introduces students to the major images and themes of the myths of widely separated peoples

of the world throughout history. By analyzing various archetypal patterns found in the great civilizations and tribal cultures of the world, students understand both the uniqueness of each culture's world view and the commonality of human mythological conceptions. Literature and the arts are used to demonstrate these cultures' mythic ideas. This course meets GE and CSU requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

205 Exploring Human Values Through Film
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introduction to the Humanities through the study of film. Emphasis is placed on thematic and technical analysis of feature films. Topics include philosophic meaning, moral development, and social responsibility. This course is designed for Humanities majors and students interested in film and its expression of humanistic values. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

290 Independent Study
Hours by Arrangement, 1-3 units
Letter Grade or Pass/No Pass Option

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

For students who evidence ability and interest in pursuing special studies in Humanities. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

INTERIOR DESIGN (INTE)

101 Introduction to Interior Design
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M30.

This course is an introduction to and overview of the profession of interior design. Emphasis is placed on design fundamentals and the profession of interior design. Topics include space planning, construction systems, furniture, and finishes. This course is designed for those students planning to major in the field as well as those interested in interior design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

105 Residential Design
2 hours lecture, 3 hours lab, 3 units
Grade Only

Prerequisite: Interior Design 101 and 112A and 115, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M20.

This course introduces the interior design student to the planning of residential interiors. Emphasis is placed on the interrelationship of interior elements, principles, space planning, and conceptual problem solving in three-dimensional space. This course is designed for those students planning to major in the field as well as for those students interested in interior design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

110 Materials and Resources
3 hours lecture, 3 units
Grade Only

Prerequisite: Interior Design 101, 112A and 115, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and Mathematics 34A with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M20.

This course is a study of the technical specification of finishes, furnishings, and equipment needed to complete a variety of interior environments. Emphasis is placed on sustainability. Product knowledge, available resources, industry procedures, and terminology are incorporated. Liabilities and regulations as they pertain to the professional interior designer are covered. Finishes, furnishings, and equipment are estimated and specified, and are graphically designated on drafted plans and elevations. This course is designed for those students planning to major in this field as well as for students

interested in interior design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

112A Drafting for Interiors

2 hours lecture, 3 hours lab, 3 units

Grade Only

Advisory: English 48 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M30.

This course introduces tools and techniques necessary for interior architectural drafting. Emphasis is on drafting plans, elevations, and sections. Topics include line quality, measuring techniques, scale problems, use of architectural graphic standards, and dimensioning. This course is designed for those students planning to major in this field as well as for students interested in interior design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

112B Perspective Drawing for Interiors

2 hours lecture, 3 hours lab, 3 units

Grade Only

Prerequisite: Interior Design 112A with a grade of "C" or better, or equivalent.

Advisory: English 48 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M30.

This course is a continuation of Interior Design 112A with advanced exercises, procedures and projects. The student's skills in lettering and rendering are refined. Projections from construction drawings, location sketches, and photographs are used to create orthographic, paraline, and one and two-point perspective drawings. Quick sketch drawings are incorporated. This course is designed for Interior Design majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

115 Elements and Principles of Interior Design

2 hours lecture, 3 hours lab, 3 units

Grade Only

Advisory: English 48 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M20.

This course introduces the student to the elements and principles of interior design. Emphasis is placed on the analysis of interior environments two and three dimensionally. This course includes the creation of two and three dimensional design projects illustrating the elements and principles of interior design such as scale and proportion, balance, color and light. This course is intended for those students planning to

major in the field as well as for those interested in interior design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

125 History of Decorative Arts

3 hours lecture, 3 units

Grade Only

Advisory: English 101 with a grade of "C" or better, or equivalent or Assessment Skill Levels R6 and W6.

This course surveys the decorative arts from all parts of the world from the ancient past to today's modern interiors. Emphasis is placed on major developments in decorative arts and how they relate to the social, cultural, and economic events of each historical period. This course is designed for interior design majors and any student interested in the history of decorative arts. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

130 Interior Design Professional Practice

3 hours lecture, 3 units

Grade Only

Prerequisite: Interior Design 105 with a grade of "C" or better, or equivalent.

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5; and Mathematics 34A with a grade of "C" or better, or equivalent, or Assessment Skill Level M20.

This course examines the business and management of a professional interior design practice. Included are client/designer communication, phases of design, project management, legal issues, business practices, marketing, and project presentation. This course is designed for those students planning to major in this field as well as for students interested in interior design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

145 Contemporary Housing

3 hours lecture, 3 units

Grade Only

Prerequisite: Interior Design 101 and 112A, each with a grade of "C" or better, or equivalent.

Advisory: English 101 and Mathematics 34A, each with a grade of "C" or better, or equivalent or Assessment Skill Levels R6, W6 and M20.

This course a survey of basic structural systems of modern buildings. Emphasis is placed on sustainable materials and methods of construction as they relate to interior design projects. This course also explores the legal, social, and economic forces that affect housing design and provides an overview of the technical aspects of basic building systems as they relate to design and the building industry. This course

is designed for students majoring in this field as well as for students interested in interior design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

200 Advanced Residential Design: Kitchens and Baths

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

Prerequisite: Interior Design 105, 110, 125 and 145, each with a grade of "C" or better, or equivalent. This course is a study of advanced approaches to kitchen and bath design. Emphasis is placed on the application of National Kitchen and Bath Association (NKBA) Planning Guidelines and NKBA Access Planning Guidelines to universal design projects. Topics include identifying project needs, materials selection, space planning, and contract documents. This course is appropriate for interior design students specializing in kitchen and bath design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

205 Non-Residential Space Planning

**2 hours lecture, 3 hours lab, 3 units
Grade Only**

Prerequisite: Interior Design 105 and 110, each with a grade of "C" or better, or equivalent. *Advisory:* English 48 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M30. This course is a design studio that introduces non-residential interior space planning and design. Emphasis is placed on the design process, building codes, and furniture placement as they relate to space planning and construction drawing preparation. This course is intended for students majoring in Interior Design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210 Presentation and Color Rendering

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Interior Design 105 and 112B, each with a grade of "C" or better, or equivalent. *Advisory:* English 48 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M20. This course is designed to develop the student's color rendering skills and presentation methods. The student uses quick sketching methods and color to communicate design solutions. Students render floor plans, perspectives, and elevations. This course is intended for students majoring in Interior Design. (FT)

Associate Degree Credit & transfer to CSU and/or private colleges and universities.

215 Environmental Lighting Design

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Interior Design 105 with a grade of "C" or better, or equivalent.

Advisory: English 48 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M30.

This course is a study of lighting for interiors. Emphasis is placed on developing and creating environmentally effective and aesthetically pleasing lighting design solutions for both commercial and residential applications. This course is intended for students majoring in Interior Design. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

270 Work Experience

**Hours by Arrangement (One unit of credit is earned for each 75 hours of paid employment or 60 hours of volunteer work.), 1-4 units
Grade Only**

A program of on-the-job learning experiences for students employed in a job related to their major or their educational goals. The combined maximum credit for all work experience courses from all disciplines may not exceed 16 units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

ITALIAN (ITAL)

101 First Course in Italian

**5 hours lecture, 5 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

Limitation on Enrollment: This course is not open to students with previous credit for Italian 100.

This is the first course in the sequence of study of the Italian language and culture. In this interactive course, students use Italian in speaking, listening, reading, and writing at the novice level. Basic language

structures and vocabulary for communication are examined and explored in Italian. Students with two years of high school Italian are eligible to enroll in Italian 101. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.

102 Second Course in Italian

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Italian 101 with a grade of "C" or better, or equivalent. Students with two years of high school Italian are eligible to enroll in this course.

Advisory: concurrent enrollment in Italian 296.

Limitation on Enrollment: This course is not open to students with previous credit for Italian 100.

This is a continuation of Italian 101. In this interactive course, students use listening, reading, speaking and writing at a more complex level. The students further develop their receptive and productive languages competencies at the low- to mid- intermediate level. Additional language structures and vocabulary for communication are examined and explored in Italian. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Third Course in Italian

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Italian 102 with a grade of "C" or better, or equivalent, or three years of high school Italian with a grade of "C" or better, or equivalent.

Advisory: Concurrent enrollment in Italian 296.

This is an intermediate course in Italian. In this interactive course, students use the language through speaking, listening, reading and writing at the intermediate level. More complex language structures and vocabulary for communication are examined and explored. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

JAPANESE (JAPN)

101 First Course in Japanese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is an entry-level course designed to introduce students to the Japanese language and cultures of Japan. In this interactive course, students learn and use the language by speaking, listening, reading, and writing at the novice level. Basic language structures and vocabulary for communication are examined and explored in Japanese. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.

102 Second Course in Japanese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Japanese 101 with a grade of "C" or better, or equivalent, or two years of high school Japanese.

This course is a continuation of Japanese at the novice high level. Students use listening, reading and writing skills at an increasingly complex level. This course utilizes an interactive approach to expand students' use of language structures and vocabulary in Japanese. This course is intended for students who have completed the first semester of Japanese. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Third Course in Japanese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Japanese 102 with a grade of "C" or better, or equivalent, or three years of high school Japanese.

This is the third course in the Japanese language sequence. In this interactive course, students listen, speak, read and write in Japanese at the intermediate level. This course is intended for students who have completed the first two courses in the Japanese language sequence. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

202 Fourth Course in Japanese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Japanese 201 with a grade of "C" or better, or equivalent, or four years of high school Japanese.

This is the fourth course in the Japanese language sequence. In this interactive course, students speak,

listen, read and write at the advanced-intermediate level. Students are expected to read and evaluate authentic Japanese literary and cultural materials. This course is intended for students who have completed the first three courses in the Japanese language sequence. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

210 Conversation and Composition in Japanese I

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Japanese 102 with a grade of "C" or better, or equivalent.

This course further develops oral comprehension and fluency as well as written communication at a mid-intermediate level in Japanese through culturally relevant materials. Students increase vocabulary, dramatize everyday topics of conversation, interpret and describe materials and compare and contrast Japanese culture with U.S. culture both orally and in writing. Writing strategies are emphasized and literature is introduced. This course is intended for students who wish to enhance their skills in the Japanese language. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

211 Conversation and Composition in Japanese II

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Japanese 210 with a grade of "C" or better, or equivalent.

This course further develops oral comprehension and fluency as well as written communication at an advanced-intermediate level in Japanese through culturally relevant materials. Students further increase vocabulary, dramatize everyday topics of conversation, interpret and describe materials and compare and contrast Japanese culture with U.S. culture both orally and in writing. Pre-reading strategies introduced in Japanese 210 are used as a basis upon which to build course emphasis in reading. More literature is introduced. This course is intended for students who want to further enhance their skills in Japanese. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290),

Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

JOURNALISM (JOUR)

200 Introduction to Newswriting and Reporting

**2 hours lecture, 3 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course serves as preparation for the major for students preparing to transfer and is also intended to serve as an elective for students interested in learning to write for newspapers and other publications. The course is an introduction to evaluating, gathering, and writing news in accepted journalistic style under newsroom conditions. Topics include the role of the reporter and the legal and ethical issues related to reporting. Students have writing and reporting experiences, including personal interviews, speech, meeting and other event coverage, deadline writing, and use of AP style. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

201 Advanced Newswriting and Reporting

**2 hours lecture, 3 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Journalism 200 with a grade of "C" or better, or equivalent.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6; English 105 with a grade of "C" or better, or equivalent. This course offers instruction in advanced journalistic practices. Emphasis is placed on feature, magazine and opinion writing, including investigative and multicultural reporting. Topics also include legal and ethical issues related to reporting. Principles learned can apply to print and online journalism. The course serves as preparation for the major for students preparing to transfer, and is also intended to serve as an elective for students interested in learning to write for newspapers and other publications, including the campus newspaper. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

202 Introduction to Mass Communication

3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6.

Limitation on Enrollment: This course is not open to students with previous credit for Radio and Television 200.

This course provides a survey of mass communication and the interrelationships of media with society, including history, structure, and trends. Discussion focuses on analysis of the impact of the media on society and culture as well as on ways that social institutions shape the media. Problems and issues are examined in light of social and cultural constructs, economics, technology, law and ethics, and social issues, including gender and cultural diversity. This course is designed for transfer students in the social sciences, for journalism majors, and any student interested in how society and mass media are interrelated. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

205 Editing for Print Journalism

2 hours lecture, 3 hours lab, 3 units
Letter Grade or Pass/No Pass Option

Prerequisite: Journalism 200 with a grade of "C" or better, or equivalent.

This course offers instruction in editing techniques for news publications. Course content covers publication planning, copy editing, headline writing, use of photos and graphics, layout and design, advertising sales and design, news judgment and editorial leadership. Principles learned apply to print and online journalism. The course serves as preparation in the journalism major for students preparing to transfer. It also serves as an elective for students interested in learning to write for newspapers and other publications, including the campus newspaper. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210A Newspaper Production

6-9 hours lab, 2-3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is designed to provide experience in the production and publication of a student newspaper. Emphasis is placed on helping beginning students gain experience in the gathering and writing of news and features. Students at this level learn the basic

principles of reporting, news writing, copy editing, photography, and newspaper design and layout. Assignments focus on routine stories, and may include editorials or features such as profiles. Copy editing is limited to reading for technical errors. This class is designed for students with an interest in print media and provides instruction in the journalistic process on an entry level. Skills developed in this course include research techniques and the evaluation and analysis of information. Students are guided by ongoing advice, criticism, and evaluation from a faculty adviser. Students enrolled in the course for 2 units are expected to participate in the production of the student newspaper for at least 6 hours per week, while students enrolled for 3 units are expected to participate at least 9 hours per week and contribute more extensively to the layout and/or production of the paper. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210B Newspaper Production 2

6-9 hours lab, 2-3 units
Letter Grade or Pass/No Pass Option

Prerequisite: Journalism 210A with a grade of "C" or better, or equivalent.

This course is designed to provide additional ongoing experience in the production and publication of a student newspaper. Emphasis is placed on helping students progress in the gathering and writing of news and features. This class provides exposure to the journalistic process beyond the entry level and guides students to polish reporting, newswriting, editing, design, and photography skills, tackle more complex subjects, and assume more responsibility for the design of their own pages. Students continue to develop research skills and engage in the evaluation and analysis of information and are guided by ongoing advice, criticism and evaluation from a faculty adviser. Students enrolled in the course for 2 units are expected to participate in the production of the student newspaper for at least 6 hours per week, while students enrolled in the course for 3 units are expected to participate at least 9 hours and contribute more extensively to the layout and/or production of the paper. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210C Newspaper Production 3

6-9 hours lab, 2-3 units
Letter Grade or Pass/No Pass Option

Prerequisite: Journalism 210B with a grade of "C" or better, or equivalent.

This course is designed to provide additional ongoing experience in the production and publication of a

student newspaper. Emphasis is placed on helping students progress to an intermediate level in the gathering and writing of news and features. Students conduct in-depth reporting and write more sophisticated news stories and may also serve as section editors or assist editors with copy editing, assignments, photography, the news budget, and design. Additionally students develop skill in setting newspaper policies, mentoring others, working in teams, and uncovering news stories. Students are guided by ongoing advice, criticism, and evaluation from a faculty adviser. Student enrolled in the course for 2 units are expected to participate in the production of the student newspaper for 6 hours per week, while students enrolled for 3 units are expected to participate at least 9 hours per week, and contribute more extensively to the layout and production of the paper. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

210D Newspaper Production 4

6-9 hours lab, 2-3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Journalism 210C with a grade of "C" or better, or equivalent.

This course is designed to provide additional ongoing experience in the production and publication of a student newspaper. Emphasis is placed on helping students progress to an advanced level in the gathering and writing of news and features. In addition to reporting and writing, students at this level, assume responsibility for organizing and managing the newsroom, which includes conducting story conferences, developing the news budget, assigning stories, coaching reporters, and editing and designing the paper in its entirety. Students may also make photo assignments and provide coaching for novice photographers. Students are guided by ongoing advice, criticism and evaluation from a faculty adviser. Students enrolled in the course for 2 units are expected to participate in the production of the student newspaper for 6 hours per week, while students enrolled for 3 units are expected to participate at least 9 hours per week and contribute extensively to the layout and production of the paper. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

220 Principles of Public Relations

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

This course evaluates public relations as a growing profession. The course looks at the job opportunities for the practitioner, internal and external public relations (PR) and the staff as well as the counselor tasks. It investigates relationships with the media, organizing and executing campaigns. The use of photography, graphics and marketing is also studied. This course is designed for students interested in learning about the field of public relations. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

LATIN (LATI)

101 First Course in Latin

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

This is the first of a three-course sequence in Latin providing beginning level instruction in classical Latin language and culture. Students are introduced to Roman culture and society with a special emphasis on everyday life and religious practices. In this course, students study classical Latin grammar, syntax, and pronunciation at the novice level. Elementary translations from Latin to English and English to Latin are accomplished. Basic language structures and vocabulary are examined and explored. This course is intended for students interested in language study and linguistics and meets general education requirements in the humanities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.

102 Second Course in Latin

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Latin 101 with a grade of "C" or better, or equivalent, or two years of high school Latin with a grade of C or better.

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

This is the second of a three-course sequence in Latin. In this course, students study classical Latin grammar,

syntax and pronunciation at the novice-mid level. The study of Roman culture and society continues with a special emphasis on Roman history and the political organization of Rome and its territories. Translation skills from Latin to English and English to Latin are developed and improved beyond the novice level. Moderate to complex language structures and vocabulary are examined and explored. This course is intended for students interested in language study and linguistics, and meets general education requirements in the humanities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Third Course in Latin

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Latin 102 with a grade of "C" or better, or equivalent, or three years of high school Latin with grades of C or better.

This is the third of a three-course sequence in Latin. In this course, students study classical Latin grammar, syntax, and pronunciation at the intermediate level. The study of Roman culture and society continues with a special emphasis on Roman literature and mythology. Translation skills from Latin to English and English to Latin are developed and improved beyond the mid-novice level. Complex language structures and vocabulary are examined and explored. This course is intended for students interested in language study and linguistics, and meets general education requirements in the humanities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Legal Administrative Assistant

See Computer Business Technology (CBTE)

LIBRARY SCIENCE (LIBS)

101 Information Literacy and Research Skills

1 hour lecture, 1 unit

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; or English 37A, English 37B, each with a grade of "C" or better, or equivalent.

This course is an overview of information resources and the skills required to use them effectively. Students learn how to use library resources such as electronic indexes and databases, online services, and the Internet, as well as learn to develop strategies for conducting research. This course is intended for students who wish to acquire skills that enable them to find information for academic research, career demands, and/or lifelong learning. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

MARKETING (MARK)

100 Principles of Marketing

3 hours lecture, 3 units

Grade Only

Advisory: English 42 and English 43, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and W4.

This course is an overview of the foundations, principles, processes, and goals of marketing. Topics include ethics and social responsibility, global marketing and world trade, corporate marketing and strategies. Marketing strategies include product planning, development, pricing, distribution, and promotion. This course is intended for students majoring in business or others interested in a business setting such as managers and supervisors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

105 Professional Selling

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of the principles of sales and selling. Emphasis is placed on the role of human relations in the processes of selling products, services and ideas. Topics include sales techniques, including opening the sale, discovering the needs and wants of the client, addressing objections and closing the sale. Students develop and deliver written and oral sales presentations. This course is designed for students majoring in marketing and anyone interested in the sales profession. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

110 Principles of Retailing

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of the principles and practices of retailing. Topics include retail strategic planning, merchandise management, supply chain management, and retail location and site analysis. This course is designed for students majoring in Marketing and anyone interested in learning more about the different aspects of running a successful retail operation. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

130 Advertising Principles

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of the principles and practices of advertising. Emphasis is placed on target marketing, consumer behavior, and Integrated Marketing Communications (IMC). This course is designed for students majoring in Marketing and anyone interested in employment or a career in the field of advertising. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277),

or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

MATHEMATICS (MATH)

Basic Skills Courses

All courses at this level are offered for college credit. Credit for these courses will not apply toward the associate degree but will count toward the determination of a student's workload and eligibility for financial aid.

15A Prealgebra Refresher

**3 hours lab, 1 unit
Pass/No Pass Only**

This course is intended for those students who have completed the math assessment with a level of M20 (prealgebra) and wish to improve their placement level; those students who have successfully completed Mathematics 38 but need more review; or students who unsuccessfully attempted Mathematics 46 and need review of prealgebra skills. The course will consist of lecture classes and/or independent study using a computer program to refresh those concepts identified as needed for each student. Successful completion of this course may serve as a basis for a petition to challenge Mathematics 38. This course will not replace a failing grade in Mathematics 38. Not Applicable to Associate Degree, pre-collegiate basic skills - reading, writing, computation.

15B Elementary Algebra and Geometry Refresher

**3 hours lab, 1 unit
Pass/No Pass Only**

This course is intended for those students who have completed the math assessment with a level of M30 (beginning algebra and geometry) and wish to improve their placement level; students who have successfully completed Math 15A; students who have successfully completed Math 46 but need more review; or students who unsuccessfully attempted Math 96 and need review of beginning algebra and geometry skills. The course will consist of personalized computer assisted instruction to refresh those concepts identified as needed for each student. Successful completion of this course may serve as a basis for a petition to challenge Math 46. This course will not replace a failing grade in Math 46. Not Applicable to Associate Degree, pre-collegiate basic skills - reading, writing, computation.

15C Intermediate Algebra and Geometry Refresher

**3 hours lab, 1 unit
Pass/No Pass Only**

This course is intended for those students who have completed the math assessment with a level of M40 (intermediate algebra and geometry) and wish to improve their placement level; students who have successfully completed Math 15B; students who have successfully completed Math 96 but need more review; or students who unsuccessfully attempted Math 104, 116, 141 or 210A and need review of intermediate algebra and geometry skills. The course will consist of personalized computer assisted instruction to refresh those concepts identified as needed for each student. Successful completion of this course may serve as a basis for a petition to challenge Math 96. This course will not replace a failing grade in Math 96. Not Applicable to Associate Degree, pre-collegiate basic skills - reading, writing, computation.

15D Geometry Refresher

**3 hours lab, 1 unit
Pass/No Pass Only**

This course is intended for those students who have completed a high school geometry course or for those students who have completed Math 96 and need to review geometric principles prior to taking Math 210B or trigonometry. The course will consist of independent study using a computer program to refresh those concepts identified as needed for each student. (FT) Not Applicable to Associate Degree, pre-collegiate basic skills, English as a Second Language.

15E Trigonometry Refresher

**3 hours lab, 1 unit
Pass/No Pass Only**

This course is intended for those students who have completed the math assessment with a level of M50 who need to review their trigonometry knowledge prior to taking precalculus or calculus. Students begin at the level of their original placement and, working at their own pace, may improve their placement up to M60 (precalculus level). This course consists of independent study using a computer program to refresh those concepts identified as needed for each student. (FT) Not Applicable to Associate Degree, pre-collegiate basic skills - reading, writing, computation.

15F College Algebra Refresher

**3 hours lab, 1 unit
Pass/No Pass Only**

This course is intended for those students who have completed the math assessment with a level of M50 and need to review their college algebra knowledge prior to taking either calculus sequence. This course will consist of personalized computer assisted instruction to refresh those concepts identified as needed for each student. Students will begin at the level of their original placement and, working at their own pace, may improve their placement. Successful completion of this course may serve as a basis for a petition to challenge College Algebra. Students wishing to challenge Pre-calculus must also show competence in Trigonometry, which may be done by completing Math 15E. (FT) Not applicable to the Associate Degree.

34A Basic Mathematics and Study Skills

(formerly Mathematics 32)

4 hours lecture, 4 units

Letter Grade or Pass/No Pass Option

Advisory: English 42 or English for Speakers of Other Languages 31, with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 or L40.

Limitation on Enrollment: This course is not open to students with previous credit for Mathematics 32.

This course is an introduction to fundamental concepts of arithmetic. Emphasis is placed on addition, subtraction, multiplication, division and exponentiation on whole numbers, fractions, and decimals. Topics also include simple percents and ratios, systems of measurement, and applications of these topics. Students learn basic study skills necessary for success in mathematics courses. This course is intended for students preparing for Pre-algebra. (FT) Not applicable to the Associate Degree.

38 Pre-Algebra and Study Skills

(formerly Mathematics 35)

4 hours lecture, 4 units

Letter Grade or Pass/No Pass Option

Advisory: English 42 or English for Speakers of Other Languages 31 and Mathematics 34A, with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 or L40 and M20.

Limitation on Enrollment: This course is not open to students with previous credit for Mathematics 35.

This course is a study of the fundamentals of arithmetic operations with signed numbers, including fractions and decimals as well as an introduction to some elementary topics in beginning algebra. Topics also include ratios and proportions, perfect squares

and their square roots, elementary topics in geometry, systems of measurement, and monomial arithmetic. Students learn basic study skills necessary for success in mathematics courses. This course is intended for students preparing for Beginning Algebra. (FT) Not applicable to the Associate Degree.

41 Math Study Skills

**1 hour lecture, 1 unit
Pass/No Pass**

Limitation on Enrollment: This course is not open to students with credit for Mathematics 265: *Math Study Skills*.

This course is designed to assist students in learning mathematics through the development of successful study skills and exam taking methods. This course addresses learning styles, how to read a math book, completing homework assignments, how to take notes and exams, basics of calculator operations and techniques for overcoming math anxiety. (FT) Credit for this course does not apply to the associate degree.

46 Elementary Algebra and Geometry

(formerly *Mathematics 95*)

**5 hours lecture, 5 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 38 with a grade of "C" or better, or equivalent, or Assessment Skill Level M30.

Advisory: Completion of or concurrent enrollment in: English 43 and English 48, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels W4 and R5.

Limitation on Enrollment: This course is not open to students with previous credit for Mathematics 95 with a grade of "C" or better.

Elementary algebra and geometry serves as the foundation for the other math courses and is the first of a two-course integrated sequence in algebra and geometry intended to prepare students for transfer level mathematics. This course covers the real number system; writing, simplifying, solving and graphing of linear equations in one variable; solving linear inequalities in one variable; solving systems of linear equations in two variables; algebraic operations with polynomial expressions and factoring; functions; operations involving rational expressions and related equations; and geometric properties of lines, angles, and triangles. This course is intended for students preparing for higher-level geometry and algebra courses. (FT) Not Applicable to Associate Degree, basic skills.

Associate Degree Courses

84 Practical Geometry

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Mathematics 46 with a grade of "C" or better, or equivalent, or Assessment Skill Level M40.

Advisory: English 43 with a grade of "C" or better, or equivalent, or Assessment Skill Level W4.

This course explores two and three-dimensional geometry through the use of transformations and constructions and proof. Students are also introduced to right triangle trigonometry. This course is designed for students who are earning an associate's degree and who are not planning to transfer to a four-year institution. (FT) Associate Degree Credit only and not Transferable.

85 Practical Career Mathematics

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Mathematics 46 with a grade of "C" or better, or equivalent, or Assessment Skill Level M40.

Advisory: English 43 with a grade of "C" or better, or equivalent, or Assessment Skill Level W4.

This course is a study of the practical applications of linear, quadratic and exponential growth models. Topics also include statistical methods, geometry, right triangle trigonometry and finance math. This course will develop math literacy through the use of current events and real life applications. This course is designed for students who are earning an associate's degree and who are not planning to transfer to a four-year institution. (FT) Associate Degree Credit only and not Transferable.

96 Intermediate Algebra and Geometry

**5 hours lecture, 5 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 46 with a grade of "C" or better, or equivalent, or Assessment Skill Level M40.

Advisory: English 43 and English 48, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels W4 and R5.

Intermediate Algebra and Geometry is the second of a two-semester integrated sequence in algebra and geometry. This course covers systems of equations and inequalities; radical and quadratic equations; quadratic functions and their graphs; complex numbers; nonlinear inequalities; exponentials and logarithmic functions; conic sections; sequences and series; and solid geometry. The course will also include application problems involving the topics covered.

This course is the prerequisite for numerous collegiate level/transfer level mathematics courses. (FT) Associate Degree Credit only and not Transferable.

Transfer Level Courses

104 Trigonometry

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50. This course is a study of the numerical, analytical, and geometric properties of right and oblique triangles, of trigonometric and inverse trigonometric functions, and their applications. The course content includes right angle trigonometry, radian measure, circular functions, graphs of circular functions and their inverses, trigonometric identities, equations involving trigonometric and inverse trigonometric functions, an introduction of the complex plane, vectors and their operations, and the trigonometric form of complex numbers. This course is designed as a preparation for calculus and it is intended for the transfer student planning to major in mathematics, engineering, economics, or disciplines included in the physical or life sciences. This course meets CSU general education requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

107 Introduction to Scientific Programming

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50. *Corequisite:* Mathematics 107L. *Advisory:* English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5. This course is an introduction to mathematical and scientific problem-solving on a computer; focusing on designing algorithms of a high level programming language. Extensive programming is required. Students are expected to plan and write programming projects with documentation. This course is recommended for students transferring to majors in Computer Science and/or mathematics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

107L Introduction to Scientific Programming Lab

**3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Corequisite: Mathematics 107. This is a lab course to be taken concurrently with Mathematics 107. Extensive programming is required. Students are expected to plan and write programming projects with documentation. This course is recommended for students transferring to majors in Computer Science and/or mathematics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

108 Intermediate Scientific Programming

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 107 with a grade of "C" or better, or equivalent. This course provides further training in program design and development, especially with regard to large projects. Advanced techniques in programming are studied along with basic data structures and algorithms. Problem-solving techniques in the fields of engineering, mathematics, and the sciences are covered. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC transfer Course List.

108L Intermediate Scientific Programming Lab

**3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Corequisite: Mathematics 108. This is a lab course open only to those concurrently enrolled in Mathematics 108. Extensive programming is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

116 College and Matrix Algebra

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50. This course is designed to strengthen the algebra skills of students seeking Business or Natural Science degrees who are required to take an applied calculus course. Topics in the course include the theory of functions; graphing functions; exponential and logarithmic functions; solving equations involving algebraic, exponential and logarithmic functions; solving systems of linear equations; matrix algebra; linear programming; modeling; and applications

problems. Analytical reading and problem solving skills are required for success in this course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 116 and 141 combined: maximum credit, one course.

118 A Survey of Modern Mathematics

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6.

This course covers topics in probability, statistics, logical reasoning, quantitative literacy, the history of mathematics, and applications of mathematics to the real world. This is a general education course designed for students who do not intend to prepare for a career in science or business. Analytical reading and problem solving are required for success in this course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

119 Elementary Statistics

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50.

This course covers descriptive and inferential statistics. The descriptive portion analyzes data through graphs, measures of central tendency and spread. Other statistical practices utilize basic probability, binomial and normal distributions, estimation of population parameters, hypothesis testing, linear regression and correlation. Analytical reading and problem solving are required for success in this course. This course meets district G.E. requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 119, Biology (BIOL) 200 or Psychology (PSYC) 258 combined: maximum credit, one course.

121 Basic Techniques of Applied Calculus I

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 116 with a grade of "C" or better, or equivalent.

This course examines the study of calculus using numerical, graphical, and analytical methods to analyze calculus problems encountered in real-world applications in business, natural/life sciences, and social sciences. Topics include limits, derivatives, and

integrals of algebraic, exponential, and logarithmic functions, curve sketching, optimization, and areas under and between curves and partial derivatives and optimization of multivariable functions. This is the first course in a sequence of mathematics courses for students intending to major in business, economics, or natural and social sciences. This course does not fulfill a mathematics requirement for mathematics, chemistry, physics, or engineering majors at most universities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 121 and 150 combined: maximum credit, one course.

122 Basic Techniques of Calculus II

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 121 with a grade of "C" or better, or equivalent.

This second course in a math sequence covers methods of integration, multivariable functions and optimization problems, differential equations, Taylor series development and application, derivatives and integrals of trigonometric functions, and their usage in solving problems encountered in real-world applications in business, life and social sciences and economics. It is intended for students majoring in business, natural science, social science and economics. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 122 and 151 combined: maximum credit, one course.

141 Precalculus

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 104 with a grade of "C" or better, or equivalent.

This course is a study of numerical, analytical, and graphical properties of functions. The course content includes polynomial, rational, irrational, exponential, logarithmic, and trigonometric functions. Additional topics include: inverse functions, complex numbers, polar coordinates, matrices, conic sections, sequences, series and the binomial theorem. This course is designed as a preparation for calculus and is intended for the transfer student planning to major in mathematics, engineering, economics, or disciplines included in the physical or life sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 116 and 141 combined: maximum credit, one course.

150 Calculus with Analytic Geometry I**5 hours lecture, 5 units****Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 141 with a grade of "C" or better, or equivalent.

This course is a primary introduction to university level calculus. The topics of study include analytic geometry, limits, differentiation and integration of algebraic and transcendental functions. Emphasis is placed on calculus applications. Analytical reading and problem solving are required for success in this course. This course is intended for the transfer student planning to major in mathematics, computer science, physics, chemistry, engineering, or economics. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 121 and 150 combined: maximum credit, one course.

150L Calculus I Laboratory**3 hours lab, 1 unit****Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 141 with a grade of "C" or better, or equivalent.

Corequisite: Mathematics 150.

This course is a workshop, project-oriented course dealing with exploration and development of the calculus topics introduced in Calculus and Analytic Geometry I. This course directly supports the calculus lectures by having hands-on, collaborative assignments where technology is strongly incorporated throughout all the in-class assignments. Students work individually and in small groups on explorations and applications thus extending the material presented in Mathematics 150. Topics including geometric, analytic and numeric applications of limits, derivatives and integrals as well as calculus applications found in the physical and life sciences. This course is intended for all students currently enrolled in Mathematics 150. Instructor monitors and facilitates group and individual presentations and projects. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

151 Calculus with Analytic Geometry II**4 hours lecture, 4 units****Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 150 with a grade of "C" or better, or equivalent.

This is a continuation of Mathematics 150. This course covers more advanced topics in analytic geometry, differentiation and integration of algebraic and transcendental functions, infinite series, Taylor series,

and parametric equations. This course also covers a general introduction to the theory and applications of power series, techniques of integration, and functions in polar coordinates, as it serves as a basis for multivariable calculus and differential equations, as well as most upper division courses in mathematics and engineering. It is intended for the transfer student planning to major in mathematics, computer science, physics, chemistry, engineering and economics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 122 and 151 combined: maximum credit, one course.

210A Concepts of Elementary School Mathematics I**3 hours lecture, 3 units****Grade Only**

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50. *Advisory:* English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course is a study of the mathematical concepts needed for teaching elementary school mathematics with emphasis on number and function. This course promotes an appreciation of the importance of logical thinking and applications of mathematics in problem solving and critical thinking. It studies the basic computational skills, but also requires the understanding and explanation of the basic mathematical concepts and the connections between them. It is designed especially for students preparing for credentials in elementary education. Analytical reading and problem solving are required for success in this course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 210A and 210B combined: maximum credit, one course.

210B Concepts of Elementary School Mathematics II**3 hours lecture, 3 units****Grade Only**

Prerequisite: Mathematics 210A with a grade of "C" or better, or equivalent. *Advisory:* English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Level R6/W6 or English 105 with a grade of "C" or better, or equivalent. This course is the second course in a one-year sequence in the study of the mathematical concepts needed for teaching elementary school mathematics with emphasis on geometry, transformational geometry, and measurement. This course also

promotes an appreciation of the importance of logical thinking and applications of mathematics in problem solving and critical thinking. It studies the understanding and explanation of the basic mathematical concepts and the connections between them. It is designed especially for students preparing for credentials in elementary education. Analytical reading and problem solving are required for success in this course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 210A and 210B combined: maximum credit, one course.

212 Children's Mathematical Thinking

**1 hour lecture, 1 unit
Grade Only**

Corequisite: Completion of or concurrent enrollment in: Mathematics 210A with a grade of "C" or better, or equivalent.

Advisory: English 101 or English 105, with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6.

This course focuses on children's mathematical thinking and includes an in-depth study of place-value, fractions and how children solve mathematical problems. Students observe children and evaluate the problem strategies that are used. This course is intended for students pursuing a Multiple Subject Credential. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

237 Machine and Assembly Language

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 108 with a grade of "C" or better, or equivalent.

Corequisite: Mathematics 237L.

Limitation on Enrollment: This course is not open to students with credit for Mathematics 137.

This course covers general concepts of machine and assembly languages, including data representation, looping and addressing techniques, subroutine linkage, and use of system and programmer-defined macros. Problem-solving techniques in the fields of engineering, mathematics, and the sciences are covered. This course is designed for computer science and mathematics majors who are intending to transfer to a four-year university (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

237L Assembly Language Lab

**3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Corequisite: Mathematics 237.

Limitation on Enrollment: This course is not open to students with credit for Mathematics 137L.

This is a lab course to be taken concurrently with Mathematics 237. Practice is provided in applying programming techniques and problem solving skills using assembly language. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

245 Discrete Mathematics

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 122 or Mathematics 151 with a grade of "C" or better, or equivalent.

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6.

This course is an introduction to the theory of discrete mathematics and introduces elementary concepts in logic, set theory, number theory, and combinatorics. The topics covered include propositional and predicate logic, methods of proof, set theory, Boolean algebra, number theory, equivalence and order relations, counting techniques, and recursion. This course forms a basis for upper division courses in mathematics and computer science and it is intended for the transfer student planning to major in these disciplines. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

252 Calculus with Analytic Geometry III

**4 hours lecture, 4 units
Grade Only**

Prerequisite: Mathematics 151 with a grade of "C" or better, or equivalent.

The content of this course includes the algebra and geometry of 2 and 3 dimensional Euclidean vectors, limits, continuity, partial differentiation, extremes of vector-valued and multivariable functions, higher order derivatives, the chain rule, Lagrange's theorem, multiple integrals, integrals over paths and surfaces, and integral theorems of vector analysis. This course is intended as a general introduction to the theory and applications of multivariable calculus. It is essential for most upper division courses in mathematics and forms part of the foundation for engineering and physics. It is intended for the transfer student planning to major in mathematics, physics, engineering, computer science, physical chemistry, operational research, or economics. (FT) Associate Degree Credit &

transfer to CSU and/or private colleges and universities. UC Transfer Course List.

254 Introduction to Linear Algebra

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 151 with a grade of "C" or better, or equivalent.

This course serves as an introduction to the theory and applications of elementary linear algebra, and is the basis for most upper division courses in mathematics. The topics covered in this course include matrix algebra, Gaussian Elimination, systems of equations, determinants, Euclidean and general vector spaces, linear transformations, orthogonality and inner product spaces, bases of vector spaces, the change of basis theorem, eigenvalues and eigenvectors, the rank and nullity of matrices and of linear transformations. This course is intended for the transfer student planning to major in mathematics, physics, engineering, computer science, operational research, economics, or other sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

255 Differential Equations

3 hours lecture, 3 units

Grade Only

Prerequisite: Mathematics 252 and Mathematics 254, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with credit for Mathematics 253.

This course covers first order and higher order equations and their applications. Topics include linear first order and higher order equations, homogeneous and nonhomogeneous equations with constant or variable coefficients, and systems of ordinary differential equations. Methods used to solve equations include substitution methods, integrating factors, reduction of order, variation of parameters, power series solutions, and Laplace Transforms. This course is intended as an introduction to the theory and applications of differential equations and is the basis for many upper division courses in engineering, physics, and mathematics. It is intended for the transfer student planning to major in mathematics, engineering, operational research, physics, or other physical science. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

290 Independent Study

Hours by Arrangement, 1-3 units
Letter Grade or Pass/No Pass Option

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

This course is for advanced students who wish to pursue special investigations. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

MEDICAL ASSISTING (MEDA)

55 Fundamentals Human Anatomy and Physiology

3 hours lecture, 3 units

Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Medical Assisting 105.

This course examines the structures of the human body and the functions of the major body systems. Topics include cell structure and physiology, tissue classification and function, and general body organization. This course is designed for medical assisting majors and anyone interested in entering a health care career. (FT) Associate Degree Credit only and not Transferable.

80 Basic Phlebotomy

4 hours lecture, 1.5 hours lab, 4.5 units

Grade Only

Advisory: English 48 and English 49 and Mathematics 38, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M30.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course provides basic training in capillary puncture through didactic and clinical instruction as required by the State of California, Department of Health Services-Laboratory Field Services. The lecture portion of this course includes Anatomy and

Physiology of the body systems with emphasis on the Circulatory System, Medical Terminology and Infection Control. The clinical component of this course provides students with hands-on training in capillary puncture. Students apply knowledge of theory to the clinical setting. This course is intended for students in the Phlebotomy Training Program. Upon successful completion of the Phlebotomy Training Program students are awarded a Certificate of Performance in Phlebotomy and may apply for State of California certification as a Certified Phlebotomy Technician 1 (CPT 1) and sit for the American Medical Technologists exam for Registered Phlebotomy Technician (RPT). (FT) Associate Degree Credit only and not Transferable.

85 Advanced Phlebotomy

**3 hours lecture, 3 hours lab, 4 units
Grade Only**

Prerequisite: Medical Assisting 80 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course provides training in venipuncture through didactic and clinical instruction, including advanced training as required by the State of California, Department of Health Services-Laboratory Field Services. The lecture portion of this course includes advanced Infection Control and biohazards, risk factors and appropriate responses to complications, anatomical site selection, quality assurance, pre-analytical source of error and ethical and legal issues related to phlebotomy. The clinical component of this course provides students with hands-on training in venipuncture. Students apply knowledge of theory to the clinical setting. This course is intended for students in the Phlebotomy Training Program. Upon successful completion of the Phlebotomy Training Program students are awarded a Certificate of Performance in Phlebotomy and may apply for State of California certification as a Certified Phlebotomy Technician 1 (CPT 1) and sit for the American Medical Technologists exam for Registered Phlebotomy Technician (RPT). (FT) Associate Degree Credit only and not Transferable.

90 Phlebotomy Practicum

**75 - hours other, 1 unit
Grade Only**

Prerequisite: Medical Assisting 85 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course is an unpaid 75 hour clinical experience designed for students to gain additional experience in phlebotomy. Students complete 50-100 venipunctures, 25 capillary punctures and observe 2 arterial punctures at an appropriate clinical site. Students apply knowledge of theory to the clinical setting. This course is intended for students in the Phlebotomy Training Program. Upon successful completion of the Phlebotomy Training Program students are awarded a Certificate of Performance in Phlebotomy and may apply for State of California certification as a Certified Phlebotomy Technician 1 (CPT 1) and sit for the American Medical Technologists exam for Registered Phlebotomy Technician (RPT). (FT) Associate Degree Credit only and not Transferable.

100 Principles of Infection Control

**3 hours lab, 1 unit
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Medical Assisting 120.

This course provides an overview and application of current Occupational Safety and Health Administration (OSHA) and Standard Precautions related to infection control in the clinical setting. This course is designed to meet OSHA and blood-borne pathogen control for medical assistants, other allied health personnel and occupations that have exposure to potentially infectious material such as blood, urine and other body fluids. The evolution of asepsis and infection control will be presented as a basis for understanding the need for protection in health care and service environments. The application and use of personal protective equipment (PPE), aseptic handwashing techniques, disposal of biohazard material and other related topics will be explored and practiced. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

101 Medical Ethics and Legal Issues for the Allied Health Professional

**1 hour lecture, 1 unit
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course presents future Allied Health professionals with an overview of ethical and legal practices related to the medical field. Guidelines pertaining to the laws,

policies and regulations associated with medical issues and clinical practice within the various Allied Health professions, as well as those established by their associated accrediting/licensing agencies, are described and discussed. The impact of the cultural, social, ethical differences and the expectations from the patient's perspective are analyzed and assessed. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

102 Human Behavior for Allied Health Students

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course introduces students in the Allied Health professions to the basic principles of human behavior and personality development as well as issues related to mental health and illness. An introduction to basic concepts related to psychology, culture and society are presented. Human behavior throughout the stages of life; birth to old age; are evaluated. Behavior associated with death, dying and grieving is also discussed. The hereditary and environmental influences as well as cultural beliefs, values, and practices regarding health and illnesses are explored. Students will also be introduced to the concepts of mental wellness and mental disorders. The different methods of treatment and therapy utilized in the rehabilitation and recovery of patients with mental illnesses will be addressed. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

103 Professionalism and Teamwork in Health Care

**1 hour lecture, 1 unit
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines the professional traits and skills of the successful health care professional. Students in this course will realize the job commitment needed to pursue a career in the Allied Health field, and the professional traits and skills needed to be successful in this field. Students will be introduced to teamwork practices utilized in the Allied Health environment. Students will also become familiar with the "Code of the Professional Ethics" and "Scope of Practice" specific for the Allied Health area that applies to their individual career and interests. Lastly, students will be

instructed in composing a personal resume, completing a job application and participating in the interviewing process. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

104 Medical Office Management

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Medical Assisting 110 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Computer Business Technology 237.

This course is designed to prepare Allied Health students to work in physicians' offices, clinics, hospitals, and other medical areas. The course covers administrative and clerical functions of a medical office assistant including patient reception, scheduling appointments, telephone procedures, medical records management, written communications, patient records, office management, professional activities, and personal conduct. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

106 Principles of Infection Control and Sterile Technique

**1 hour lecture, 1.5 hours lab, 1.5 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Medical Assisting 120 and Medical Assisting 100 and 210 combined. Special Admission - must be admitted to program.

This course provides an overview and application of current Occupational Safety and Health Administration (OSHA) policies and regulations and Standard Precautions related to infection control in the clinical setting. This course is designed to meet OSHA and blood-borne pathogen control for medical assisting and other allied health students who have potential exposure to infectious material such as blood, urine and other body fluids. The evolution of asepsis and infection control is presented as a basis for understanding the need for protection in health care and service environments. The application and use of personal protective equipment (PPE), medical and surgical aseptic handwashing techniques, disposal of biohazard material and other related topics is

explored and practiced. This course also covers the differences between disinfection and sterilization. The students sterilize instruments, materials and equipment using a variety of methods and set-ups to maintain and work in a sterile field. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

110 Medical Terminology

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course covers basic medical terminology and the vocabulary of medical specialties. Special emphasis is on the use of prefixes and suffixes, and non-technical explanations of medical terms and descriptions of anatomy, physiology, and pathology. Students learn to utilize medical terminology as it applies to the structure of the human body, common laboratory tests, radiological and operative procedures, as well as basic pharmacology. This course is open to the general public as well as students in special programs or those who wish to review this information. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

112 Principles of Patient Care

**1 hour lecture, 3 hours lab, 2 units
Grade Only**

Corequisite: Medical Assisting 113 with a grade of "C" or better, or equivalent. Completion of or concurrent enrollment in: Medical Assisting 105, 106 and 110, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Medical Assisting 120. Special Admission - must be admitted to program.

This course provides Medical Assisting students with the fundamentals of patient care in the clinical setting. Students practice the communication skills needed to obtain patient information, as well as instruct and educate patients. Students apply the principles of medical documentation to record information obtained from patient interviews, measuring vital signs, procedures performed or other pertinent patient information as an entry in the patient's medical record. Correct body mechanics needed to assist, move and position patients are presented and students practice positioning patients, preparing

trays, measuring a patient's vital signs and assisting with general and specialized clinical procedures performed in the medical setting and within the "Scope of Practice" for the Medical Assistant. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

113 Diagnostic Testing

**3 hours lab, 1 unit
Grade Only**

Corequisite: Medical Assisting 112

Corequisite: Completion of or concurrent enrollment in: Medical Assisting 105 and Medical Assisting 110 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course presents the principles of diagnostic testing to the Medical Assisting student. Students will learn to screen patients for various diagnostic tests and to follow-up test results. Students will be introduced to the different types of medical laboratories and will learn to apply laboratory safety practices in accordance with Standard Precautions and Occupational Safety & Health Administration (OSHA) regulations. Methods of quality control will be introduced and applied for specimen collection, transport, and testing. Students will receive hands-on instruction and practice using common laboratory equipment to perform Clinical Lab Improvement Act (CLIA) approved tests for the Medical Assistant, such as certain hematology, chemistry, immunology, microbiology tests, urinalysis, and respiratory function testing. Principles of radiological tests, such as X-rays, computerized axial tomography (CT) scanning, magnetic resonance imaging (MRI) and others will be discussed. Students will be instructed in respiratory function testing and result analysis. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

115 Pathophysiology

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Advisory: Completion of or concurrent enrollment in: Medical Assisting 105 or 110 or Biology 160, each with a grade of "C" or better, or equivalent.

The course focuses on disease processes in the human body from a systems approach. Analysis of some of the most common and significant diseases is included. The signs and symptoms, etiology, diagnosis, and treatment of disease are examined along with the

appropriate medical terminology. This course is designed for students in allied health programs, but is also open to those who wish to broaden their medical background or review this information. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

145 Directed Clinical Practice

**225 hours other, 3 units
Grade Only**

Prerequisite: Medical Assisting 110, 112 and 113, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course is designed to give medical assisting students hands-on, unpaid clinical experience at a medical facility. Focus is placed on the safe, legal, ethical and effective application of skills learned in prior medical assisting courses. This course also fosters the development of communication skills, interpersonal relationships and professionalism required for the healthcare field. Supervision of students is provided by the staff of the affiliating institution and coordinated by the college faculty. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

150 Phlebotomy

**2 hours lecture, 2 units
Grade Only**

Prerequisite: Medical Assisting 105 or Biology 160, with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M40.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course prepares students to perform venipunctures, capillary punctures, and basic blood lab tests required for entry-level medical assisting positions in clinics and other health care settings. This course is designed for students completing the Medical Assisting Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

205 Administrative Medical Assisting II

**2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only**

Prerequisite: Medical Assisting 110 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 or M40.

Limitation on Enrollment: This course is not open to students with previous credit for Computer Business Technology 238 and Accounting 186 or Medical Assisting 240 and 245.

This course introduces and instructs allied health students in the use of accounting systems for medical and dental offices (including the pegboard and computerized accounting systems) and health insurance procedures. Emphasis is placed on medical accounting terminology, ledgers, methods used in payroll accounting, preparation of account charts and correct completion of benefit and claim forms. This course also prepares students to work with insurance forms in medical offices, hospitals and other clinical settings and in the proper use of procedural and diagnostic coding utilizing the most current editions of Physicians Current Procedural Terminology and International Classification of Diseases. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

220 Electrocardiogram Application

**1.5 hours lab, .5 unit
Grade Only**

Prerequisite: Medical Assisting 113 with a grade of "C" or better, or equivalent.

Corequisite: Medical Assisting 230 and 250, each with a grade of "C" or better, or equivalent. Completion of or concurrent enrollment in: Medical Assisting 150 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Medical Assisting 130. Special Admission - must be admitted to program.

This course presents the Medical Assisting and other Allied Health students with the basic principles of performing and analyzing an electrocardiogram (ECG). Students review the anatomy, physiology and electrophysiology of the heart and circulatory system as it pertains to an ECG. The basic components of an ECG, types of cardiac rhythms; both normal and abnormal presented. Students perform and analyze a normal 12-Lead ECG. Students also become familiar with and are able to identify the abnormal cardiac rates, rhythms and conditions that can be diagnosed utilizing an ECG. This course is appropriate for medical care workers with a need for this information. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

230 Minor Surgery**1.5 hours lab,.5 units
Grade Only**

Prerequisite: Medical Assisting 113 with a grade of "C" or better, or equivalent.

Corequisite: Medical Assisting 220 and 250, each with a grade of "C" or better, or equivalent. Completion of or concurrent enrollment in: Medical Assisting 150 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Medical Assisting 130. Special Admission - must be admitted to program.

This course introduces the Medical Assisting student to the principles of minor surgery, its history and settings. Students become familiar with a variety of common surgical procedures and utilize the instruments, materials and supplies used in the procedures in an aseptic manner. Patient pre-operative and post-operative processing is also presented and practiced. Alternate surgical procedures are also discussed. Students are instructed in the Scope of Practice of the Medical Assistant as it relates to minor surgery. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

250 Medication Administration Practicum**1.5 hours lab,.5 units
Grade Only**

Prerequisite: Medical Assisting 113 with a grade of "C" or better, or equivalent.

Corequisite: Medical Assisting 220 and 230, each with a grade of "C" or better, or equivalent. Completion of or concurrent enrollment in: Medical Assisting 150 with a grade of "C" or better, or equivalent.

Advisory: Health Information Technology 125 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Medical Assisting 130. Special Admission - must be admitted to program.

In this course the Medical Assisting student practices the hands-on-application of medication administration. The course presents the principles and the guidelines for reading and interpreting a medical prescription. The course content also stresses the mechanisms for calculating, measuring and administering drugs; both orally and parenterally using placebos to carryout the medical prescription. Principles of intravenous (I.V.) therapy are discussed. Students maintain medication and immunization

records in accordance with the appropriate application of documentation and record preparation principles. Also covered in this course are the complications of medication administration and the immediate measures that need to be applied in each situation. Students should be aware that they perform and practice invasive procedures on each other as one of the course requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study**Hours by Arrangement, 1-3 units
Grade Only**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Provides for additional research, academic or clinical experiences for students with special interest. The course consists of individualized research problems, conferences with the instructor at prearranged intervals and a final written report on the work completed. This course may be taken four times with different content for a maximum of six units. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

340A Principles of Phlebotomy**1 hour lecture, 3 hours lab, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for or concurrent enrollment in Medical Assisting 150.

This course instructs students in the performance of basic venipuncture, capillary puncture techniques and the basic blood lab tests required for entry-level positions in hospitals, clinics, and other health care settings as a phlebotomy technician. Course topics are in compliance with the regulations of the California Department of Health Services and Laboratory Services for California certification as a phlebotomy technician, including the role of the technician in the allied health field, principles of OSHA regulations and blood-borne pathogen control, patient processing review of clinical lab, and anatomy of blood and blood vessels. This course is open to students reviewing these principles. A certificate of completion in phlebotomy is awarded after successful completion of additional courses. (FT) Associate Degree Credit only and not Transferable.

340B Phlebotomy Directed Clinical Practice **1 unit** **Grade Only**

Prerequisite: Medical Assisting 340A with a grade of "C" or better, or equivalent.

This course is an unpaid clinical experience designed for students who want to achieve a certificate of completion in phlebotomy. Students complete 50-100 blood draws and 25 skin sticks at an appropriate clinical site in accordance with the requirements needed for national certification. The certificate of completion in phlebotomy meets the requirements needed to attempt the appropriate certifying exam specified for national certification as a phlebotomy technician. The course is also open to students to gain additional experience in phlebotomy. Seventy-five hours at the clinical site must be completed to meet the requirements of this course. (FT) Associate Degree Credit only and not Transferable.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

MICROSOFT (MSFT)

130 Configuring Microsoft Windows Client **1 hour lecture, 4.5 hours lab, 2.5 units** **Grade Only**

Advisory: Information, Network, and Web Technologies 100 with a grade of "C" or better, or equivalent.

This course provides students with the knowledge and skills to install and configure Windows desktops and to configure mobile computers and applications that run on Windows in a network environment. Course content follows the Microsoft Official Academic Course curriculum and is intended to prepare students to take the Microsoft Client component of the Microsoft Certified IT Professional (MCITP) and Microsoft Certified Technology Specialist (MCTS) certification exam. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

132 Windows Server Network Infrastructure, Configuring **1.5 hours lecture, 4.5 hours lab, 3 units** **Letter Grade or Pass/No Pass Option**

Prerequisite: Microsoft 130 with a grade of "C" or better, or equivalent.

This course provides students with the knowledge and skills to configure and troubleshoot a Windows server network infrastructure. Students learn how to configure secure network access, implement fault tolerant storage technologies, secure servers and maintain update compliance. Course content follows the Microsoft Official Academic Course curriculum and is intended to prepare students to take the Microsoft Client component of the Microsoft Certified IT Professional (MCITP) and Microsoft Certified Technology Specialist (MCTS) certification exam. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

134 Implementing, Managing, and Maintaining Network Infrastructure I **.5 hour lecture, 3 hours lab, 1.5 units** **Letter Grade or Pass/No Pass Option**

Prerequisite: Microsoft 130 and Microsoft 132, each with a grade of "C" or better, or equivalent.

This course is the first part of the Microsoft Implementing, Managing, and Maintaining a Microsoft Server Network Infrastructure series and provides students with the knowledge and skills necessary to configure, manage, and troubleshoot a Windows Server network infrastructure. The students learn to implement routing; plan, implement, manage, and maintain Dynamic Host Configuration Protocol (DHCP), Domain Name System (DNS), and Software Update Services (SUS); implement security, and implement a network access infrastructure through various techniques. This course follows the Microsoft Official Curriculum (MOC) and it is intended to prepare students to take the Microsoft's Implementing, Managing, and Maintaining a Microsoft Windows Server 2003 Network Infrastructure (Network Services) component of the Microsoft Certified Systems Engineer (MCSE) certification exam (Microsoft Exam # 70-291). This course may be taken three times with new technologies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

160 Microsoft Exchange Server, Configuring
1 hour lecture, 4.5 hours lab, 2.5 units
Letter Grade or Pass/No Pass Option

Prerequisite: Microsoft 132 with a grade of "C" or better, or equivalent.

This course provides students with the knowledge and skills necessary to install, configure and administer a Microsoft Exchange Server. Emphasis is placed on managing messaging and connection security, message recovery, and monitoring and troubleshooting the Microsoft Exchange Server. Course content follows the Microsoft Official Academic Course curriculum and is intended to prepare students to take the Microsoft Server component of the Microsoft Certified Technology Specialist (MCTS) and the Microsoft Certified IT Professional (MCITP) certification exam (70-236). (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

MULTIMEDIA (MULT)

101 Introduction to Multimedia
3 hours lecture, 3 hours lab, 4 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course provides an overview of the dynamic field of multimedia. Through lecture and demonstration, students learn about the design theory, processes, hardware, software, and career opportunities in multimedia production. Students that are interested in creating web sites, animation, video production, and graphic design would benefit from taking this course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

112 Beginning Flash
3 hours lecture, 3 hours lab, 4 units
Letter Grade or Pass/No Pass Option

Advisory: Multimedia 101 with a grade of "C" or better, or equivalent.

This is a projects-based beginner Flash course designed to develop skills in digital image media

design and beginning ActionScript. Emphasis is placed on developing interactive web-based multimedia presentations incorporating ActionScript, sound, video and graphics at the beginning level. This course is intended for students interested in creating interactive web sites, 2-dimensional (2-D) animation, games and applications. This course may be repeated once with significant software changes. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

114 Intermediate Flash
3 hours lecture, 3 hours lab, 4 units
Letter Grade or Pass/No Pass Option

Advisory: Multimedia 112 with a grade of "C" or better, or equivalent.

This is a projects-based intermediate Flash course designed to develop skills in digital image media design and intermediate ActionScript. Emphasis is placed on developing interactive web-based multimedia presentations incorporating ActionScript, sound, video and graphics at the intermediate level. This course is intended for students interested in creating interactive web sites, 2-dimensional (2-D) animation, games and applications with ActionScript. This course may be repeated once with significant software changes. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

116 Flash Game Development
3 hours lecture, 3 hours lab, 4 units
Grade Only

Advisory: Multimedia 114 with a grade of "C" or better, or equivalent.

This is a project-based advanced-level course in Flash for online and stand-alone game creation. Emphasis is placed on the game development process, including design, story and character development, the physics and motion of a game, audio issues, optimization, and deployment. This course is designed for students with a strong foundation in Flash ActionScripting. This course may be repeated once with significant software changes. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

118 Multimedia Production
2 hours lecture, 3 hours lab, 3 units
Letter Grade or Pass/No Pass Option

Advisory: Multimedia 101 and Multimedia 112, each with a grade of "C" or better, or equivalent.

Multimedia Production is a hands-on course in multimedia project planning and production. Students work in teams to design and complete an interactive media project. Original visual and time-based media elements are incorporated, providing each student with a portfolio preparation that presents all skills obtained in the program. This course is intended for students preparing for careers in the multimedia industry. (FT) Associate Degree Credit and not Transferable.

120 Introduction to Video Game Development
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is an introduction to the dynamic field of video game development. It is designed for individuals who wish to enter designer positions in the video game industry. Students learn the history of video games and the elements of video game design and architecture. Students also learn the roles of various teams in the development process and the process of quality assurance testing of video games. This course may be offered via technologically mediated instruction. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

121 Digital Image Editing
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: Multimedia 112 with a grade of "C" or better, or equivalent.

This pragmatic course develops skills in the advanced use of bitmapped media design software applications. The student develops expert skills in producing bitmapped media elements for the diverse range of applications. Students will present a portfolio of a selected project of interest. This course is intended for students who plan to pursue a career in the multimedia industry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

122 Vector Image Editing
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is a project-based course designed to develop skills in the use of vector media design software

applications. Emphasis is placed on producing vector media elements for a diverse range of applications. This course is intended for multimedia, art, and graphic design students who plan to pursue a career in the multimedia industry. This course may be repeated once with significant software changes. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

123 Digital Video
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: Multimedia 112 with a grade of "C" or better, or equivalent.

This course is a project-based course in the use of nonlinear digital video editing systems. Emphasis is placed on the process of digital video development and production using non-linear video editing techniques. Topics also include the history of film and traditional filmmaking as they relate to current practices. This course is intended for students pursuing careers in the multimedia industry. This course may be repeated once with significant software changes. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

127 Creating User-Centered Websites
2.5 hours lecture, 1.5 hours lab, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; completion of or concurrent enrollment in: Computer Business Technology 114 and 161 and Multimedia 101 and 121, each with a grade of "C" or better, or equivalent.

This course teaches strategies and processes for developing websites and multimedia projects that are user-centered and meet industry standards of usability. User-centered websites are ADA (Americans with Disabilities Act) accessible, functional, and searchable by search engines. Students learn how to design a user-centered website and multimedia projects using a succinct writing style, HTML/XHTML, cascading style sheets (CSS), well-designed navigation, and effective design. Students create and post a website to the Internet. This course is designed for students pursuing a career in multimedia, web development, business or communication. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

137 Introduction to 3D Animation I**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: Multimedia 112 with a grade of "C" or better, or equivalent.

This course is a guided digital studio approach to developing skills in the use of 3D animation and 3D modeling software applications. The student acquires the necessary skills to produce and present the portfolio preparation of a selected project of interest. This course is intended for students pursuing a career in the multimedia industry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

139 3D Character Animation II**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: Multimedia 137 with a grade of "C" or better, or equivalent.

This course is a guided digital studio approach to production. This course combines exercises and individual and group projects to develop necessary skills and techniques in digital studio production. The course is intended for students who are preparing for more advanced study in 3D modeling and animation. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

141 3D Animation: Realism**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: Multimedia 139 with a grade of "C" or better, or equivalent.

This course is an advanced study in character animation and feature length digital media production. Exercises, individual and group projects prepare the student for employment in the 3D modeling and animation industry. This course is intended for individuals pursuing careers in the 3D and animation segment of the multimedia industry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

143 3D Animation: Production Studio**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: Multimedia 141 with a grade of "C" or better, or equivalent.

This course is a balanced combination of hands-on sessions, exercises, individual and group projects. The course structure emphasizes the relationships among anatomy, motion, weight, and timing. This course

prepares students for employment in the 3D modeling and animation industry. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

MUSIC (MUSI)**100 Introduction to Music****3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is a survey course designed to develop listening perception through lectures, recordings, films and concerts. The conceptual and stylistic differences in music from various periods and cultures will be examined through discussion of the elements of music as well as through discussions of ethnic, jazz, vocal instrumental and 20th century music. This course is designed to support students in all majors who are interested in satisfying the general education requirements for Arts and Humanities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

101 Music History I: Middle Ages to Mid 18th Century**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Music 150A with a grade of "C" or better, or equivalent.

This course is a study of Western (European) music from the Middle Ages through the middle of the 18th century. Emphasis is on aural and visual recognition of style, form, and other musical elements, examined through representative works of composers of each historical period. This course is designed for but not limited to music majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

102 Music History II: Mid 18th to Early 20th Century

3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Music 150A, with a grade of "C" or better, or equivalent.

This course is a study of Western (European) music from the middle of the 18th century through the early 20th century. Emphasis is on aural and visual recognition of style, form, and other musical elements examined through representative works of major composers of each historical period. This course is designed for but not limited to music majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

105 Music of Our Time

3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of music history and music current affairs from 1900 to the present day. Methods and issues that innovative musical artists have faced or currently face are examined. The nature of the compositional act as it has evolved over the past 100 years is also explored. Students study a wide variety of styles, forms and media of musical output in this historical period from as many different perspectives as possible. This course is designed for both the general student as well as students who intend to further their music studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

109 World Music

3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This music survey course explores the music cultures of Asia, the Middle East, Africa, Central and South America, the Caribbean and other areas with resident populations in San Diego. Musical practices and perspectives from several music cultures are studied with an emphasis on understanding and appreciation from non-ethnocentric viewpoints. Listening perception is developed through lectures and

multimedia presentations. The course is intended to satisfy general education requirements for Arts and Humanities and satisfies the San Diego Community College District's Multicultural Course Studies requirement. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

110 Music for Elementary School Teachers

2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course prepares students to teach music as part of the curriculum in the elementary school classroom, the preschool, or day-care program. Students develop an understanding of musical concepts primarily by singing and/or playing an instrument and create lesson plans for teaching these concepts to children. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

111 Jazz - History and Development

3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a survey of the history and development of jazz in the United States. Emphasis is placed on the origins of jazz, the variety of styles that developed throughout the twentieth century, current trends and outstanding performers and composers. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

115A Class Piano I

.5 hours lecture, 1.5 hours lab, 1 unit
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course introduces basic skills to music majors whose theoretical and practical keyboard skills are deficient, and to non-music majors who have had little or no experience at the piano. This course focuses on developing repertoire, sight reading, transposition, harmonization, creative composition, and modulation techniques. (FT) Transfer credits: CSU and/or private colleges and universities. UC Transfer Course List.

115B Class Piano II**.5 hours lecture, 1.5 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Prerequisite: Music 115A with a grade of "C" or better, or equivalent.

This course is a continuation of Music 115 A, with an emphasis on moderately difficult techniques in developing repertoire, keyboard techniques, sight-reading, transposition, harmonization, creative composition, improvisation, ensemble playing, and modulation techniques. This course is appropriate for music majors whose theoretical and practical keyboard skills are deficient as well as for non-music majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

120 Beginning Voice Class**1.5 hour lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Music 120A.

Beginning Voice Class is an introductory study of efficient vocal production and performance.

Beginning exercises for breath management, extending the vocal range, increasing vocal resonance and volume, and singing in an expressive manner are introduced. Vocal exercises and solos are performed to demonstrate these skills. Choral singers, all music majors and students considering music as a major benefit from this class. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

121 Intermediate Voice**1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Music 120 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Music 120B.

Intermediate Voice is an in-depth study of specific elements of efficient vocal technique and performance. These include breath management via body alignment, managing stage fright, and analyzing the expressive elements of selected music. Vocal exercises and songs from various music styles are performed including selections made by students.

Choral singers, all music majors, elementary education majors and students considering singing as a profession benefit from this class. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

123 Recital Hour**1.5 hours lab, .5 unit
Grade Only**

This course offers a series of live musical events in a variety of styles, including traditional classical music as well as music from diverse cultures. Presentations feature well-known international performers, music faculty, and music student performers. Students in this course participate by active listening and completing a workbook that describes and assesses their musical experiences and perceptions. No musical experience is assumed or required. This course is required for music majors seeking an associate degree. The content of this course will differ each semester. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

125 Music, The Arts, and Humanity**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a multi-cultural, multimedia approach to the living musical, expressive and ceremonial art forms and cultural context of the major continents. Cultures in the United States that have been traditionally under represented in the curriculum will be emphasized. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

132A Classical Guitar I**0.5 hours lecture, 1.5 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Advisory: Music 150A with a grade of "C" or better, or equivalent.

This is the first of a two-semester sequence of courses that present the study of classical guitar. The beginning course introduces basic skills to students who have had little or no experience with the guitar. The course is intended for students who are interested in learning the fundamentals of classical guitar and elementary music skills. This course focuses on developing right and left-hand technique and sight-reading. Lectures are followed by practical application

on the instrument. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

132B Classical Guitar II

**.5 hour lecture, 1.5 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Prerequisite: Music 132A with a grade of "C" or better, or equivalent.

This is the second in a two-semester sequence of study of classical guitar. In this course students are introduced to a set of broad-ranging technical skills, including mastery of the fretboard, chord chart reading, and sight-reading. This course also introduces level-appropriate literature, including works from several periods and styles, with an emphasis on interpretation skills. Lectures are followed by practical application on the instrument. Students apply the skills and techniques developed in this class in live performances. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

150A Basic Musicianship

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

This course is designed for music majors as well as non-music majors. It enables the student to develop perceptions in sight and sound as related to the symbols of rhythmic, melodic, and harmonic notation. It will also enable the student to develop skill in writing, major, minor, and chromatic scales, chord construction and intervals; and to identify terms used to indicate tempo and dynamics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

158A Music Theory I

**4 hours lecture, 4 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Music 150A with a grade of "C" or better, or equivalent.

Advisory: Concurrent enrollment in: Music 268A.

This course is an intensive study of diatonic harmony in major and minor modes and includes structural and stylistic analysis of music from the period 1600-1750. The emphasis is on development of four-part writing skills within the context of functional diatonic tonality; the interpretation of figured bass symbols, melodic construction and its interaction with harmony, rhythm and structure. This course is designed for the student

pursuing music as a major or for the student interested in enhancing technical knowledge of music. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

158B Music Theory II

**4 hours lecture, 4 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Music 158A with a grade of "C" or better, or equivalent.

Advisory: Concurrent enrollment in: Music 268B.

This course is a continuation of 158A. It is an intensive study of diatonic harmony in major and minor modes and includes structural and stylistic analysis of music of the "common practice" period (1700-1900). The emphasis is on continued development of four-part writing skills using seventh and borrowed chords, the process of modulation; melodic construction using non-harmonic tones; analysis of Bach Chorales and of binary and ternary forms. This course is designed for the student pursuing music as a major or for the student interested in enhancing technical knowledge of music. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

190 The Electronic Music Studio

**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and completion of or concurrent enrollment in: Music 150A with a grade of "C" or better, or equivalent.

This course is a study of recording and electronic music equipment. It is a prerequisite to future work in the electronic music studio and also prepares students for a major in music. The course demonstrates basic techniques using microphones, tape recorders, the mixing board, synthesizers, samplers and music applications such as sequencing on computers, Emphasis is on students' acquisition of basic skills needed for practical application and on acquiring knowledge of simple electronic and acoustic theory, including Musical Instrument Digital Interface (MIDI). Students design and create special projects using this equipment and proper protocol during lab hours and present their projects in class. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

201 Recording Arts**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option***Prerequisite:* Music 190 with a grade of "C" or better, or equivalent.*Advisory:* English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and completion of or concurrent enrollment in: Music 150A, with a grade of "C" or better, or equivalent.

This course is a study of advanced acoustics and electronic theory as applied to recording, mixing, and sound processing. The course will demonstrate various applications of advanced tape recording, microphone use, and mixing, such as tape editing, effects processing, music concrete composition, and other techniques for music composition. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

202 Computer Music**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option***Prerequisite:* Music 190 with a grade of "C" or better, or equivalent.*Advisory:* English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Music 150A with a grade of "C" or better, or equivalent.

This course is a study of the application of contemporary digital technology to the practice of music performance and composition. The emphasis of this course is on the acquisition of computer skills to access and manipulate musical data via MIDI and other digital formats. These skills allow students to digitally sample sounds, control synthesizers and samplers, synchronize computers to tape, sequence music, transcribe and print musical scores and conceive new techniques for music composition. This course is designed for students who are interested in continuing their education in the Electronic Music Studio. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

205A Projects in Electronic Music**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option***Prerequisite:* Music 190 with a grade of "C" or better, or equivalent.*Advisory:* Music 201 or Music 202 with a grade of "C" or better, or equivalent.

In this course, students create a portfolio of music recordings and/or productions in an electronic music studio. Assigned projects incorporate composition,

arranging, engineering, and production applications in a variety of media environments. Students analyze the nature of sound, sound production, sound enhancement, and the resulting music created. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

205B Projects in Electronic Music**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option***Prerequisite:* Music 205A with a grade of "C" or better, or equivalent.*Advisory:* English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Music 150A with a grade of "C" or better, or equivalent.

In this course, students expand their portfolio to include music projects /productions for various media applications and industries such as for the Internet, television and cinema. Students analyze the nature of sound, sound production, sound enhancement, and the resulting music and sound recordings created. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

206A Projects in Composition**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option***Advisory:* English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Music 150A with a grade of "C" or better, or equivalent; and completion of or concurrent enrollment in Music 190 (students have the option to create their music with the aid of recording facilities and computer workstations on campus if they are currently enrolled in or have passed Music 190 with a grade of "C" or better, or equivalent). In this course students learn to work efficiently as composers with the added support of constant positive feedback. This course is not limited to composing in a classical style but addresses broader issues common to all styles and genres. Included are such studies in compositional principles of form and structure, and other issues that enable students to analyze the nature of their musical creativity. The emphasis is on the students' examining from a critical standpoint weaknesses and strengths in their own original compositions as well as that of their peers, and on the students' developing their creative potential. In addition to music majors and students with advanced knowledge of music, this course is intended for any students actively creating their own music. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

206B Projects in Composition**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Music 150A with a grade of "C" or better, or equivalent; and completion of or concurrent enrollment in Music 190 (students have the option to create their music with the aid of recording facilities and computer workstations on campus if they are currently enrolled in or have passed Music 190 with a grade of "C" or better, or equivalent). This course is a companion course to Music 206A and is designed to allow students, with the aid of recording facilities and computer workstations running music software, to pursue their work as composers. This course is not limited to composing in a classical style but addresses broader issues common to all styles and genres. Included are such studies in compositional principles of balance, texture, dramatic emphasis and other issues that enable students to analyze the nature of their musical creativity. Upon completion of the Music 206 course sequence students have a portfolio of original music. In addition to music majors and students with advanced knowledge of music, this course is intended for any students actively creating their own music. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

209 Electronic Music Studio Internship**4 hours lab, 1 units****Grade Only**

Prerequisite: Music 190 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: Music 201 or Music 202 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Tryout or Audition.

This course allows advanced students in recording arts and computer music to get credit for assisting others in the Electronic Music Studio lab. After audition students are assigned to assist beginning and intermediate students from other classes working in the Electronic Music Studio lab. In this way students reinforce their knowledge and skills by guiding and mentoring others on the basis of what they had learned by seeing and doing in previous courses. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

212 Vocal Ensemble**1 hour lecture, 3 hours lab, 2 units****Grade Only**

Advisory: Music 120 and 268A, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Tryout or Audition. Students must audition to enroll in this class. This course is not open to students with previous credit for Music 212 A, B, C and D.

The Vocal Ensemble is an intermediate choral ensemble that focuses on developing music-reading and vocal skills in the preparation and performance of a wide variety of choral works. Enrollment is by audition. Members are expected to have some previous choral, and vocal experience. This course may be taken four times for credit so that students have the opportunity to improve their rehearsal and performance skills by performing new repertoire each semester. Attendance at rehearsals and performances is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

212A Vocal Ensemble I (Men and Women)**1 hour lecture, 4 hours lab, 2 units****Letter Grade or Pass/No Pass Option**

Emphasizing vocal ensemble singing, sight-reading and the study of vocal chamber music chosen from the Renaissance period to the present day, and including the popular idiom. Attendance at rehearsals and performances is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

212B Vocal Ensemble II (Men and Women)**1 hour lecture, 4 hours lab, 2 units****Letter Grade or Pass/No Pass Option**

Continuation of Music 212A. Emphasizing vocal ensemble singing, sight-reading and the study of vocal chamber music chosen from the Renaissance period to the present day, and including the popular idiom. Attendance at all rehearsals and performances is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

212C Vocal Ensemble III (Men and Women)**1 hour lecture, 4 hours lab, 2 units****Letter Grade or Pass/No Pass Option**

Continuation of Music 212B. Emphasizing vocal ensemble singing, sight-reading and the study of vocal chamber music chosen from the Renaissance period to the present day, and including the popular idiom. Attendance at all rehearsals and performances

is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

212D Vocal Ensemble IV (Men and Women)
1 hour lecture, 4 hours lab, 2 units
Letter Grade or Pass/No Pass Option

Continuation of Music 212C. Emphasizing vocal ensemble singing, sight-reading and the study of vocal chamber music chosen from the Renaissance period to the present day, and including the popular idiom. Attendance at all rehearsals and performances is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

213A Jazz Theory for Piano I
4 hours lecture, 4 units
Letter Grade or Pass/No Pass Option

Prerequisite: Music 115A and 150A, each with a grade of "C" or better, or equivalent.

This course is an introduction to the theoretical foundations of jazz. Emphasis is placed on a systematic examination of scales, hybrid modes, chord construction, chord notation, and chord/scale relationships and applications. Topics also include melodic and harmonic construction. This course is designed for music majors and anyone interested in jazz theory for the piano. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

213B Jazz Theory For Piano II
4 hours lecture, 4 units
Letter Grade or Pass/No Pass Option

Prerequisite: Music 213A with a grade of "C" or better, or equivalent.

This course is an advanced-level study of jazz theory for the piano. Emphasis is placed on providing students with advanced jazz theory and its practical applications to jazz standards as well as American Songbook and contemporary jazz tunes. This course is designed for music majors and students interested in jazz theory. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

214A Concert Choir I (Men and Women)
1 hour lecture, 2 hours lab, 1.5 units
Letter Grade or Pass/No Pass Option

Emphasis on sight-reading skills and the study and performance of a wide range of choral music. Attendance at rehearsals and performances is

required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

214B Concert Choir II (Men and Women)
1 hour lecture, 2 hours lab, 1.5 units
Letter Grade or Pass/No Pass Option

Continuation of Music 214A. Emphasis on sight-reading skills and the study and performance of a wide range of choral music. Attendance at rehearsals and performances is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

214C Concert Choir III (Men and Women)
1 hour lecture, 2 hours lab, 1.5 units
Letter Grade or Pass/No Pass Option

Continuation of Music 214B. Emphasis on sight-reading skills and the study and performance of a wide range of choral music. Attendance at rehearsals and performances is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

214D Concert Choir IV (Men and Women)
1 hour lecture, 2 hours lab, 1.5 units
Letter Grade or Pass/No Pass Option

Continuation of Music 214C. Emphasis on sight-reading skills and the study and performance of a wide range of choral music. Attendance at rehearsals and performances is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

215A Class Piano III
.5 hours lecture, 1.5 hours lab, 1 unit
Letter Grade or Pass/No Pass Option

Prerequisite: Music 115B with a grade of "C" or better, or equivalent.

This course is an intermediate level of study of practical and theoretical keyboard techniques for music majors, credential applicants, and non-music majors with comparable skills. The course focuses on intermediate skill development of repertoire, keyboard technique, sight-reading, transposition, harmonization, creative composition, improvisation, ensemble playing, and modulation techniques. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

215B Class Piano IV**.5 hours lecture, 1.5 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Prerequisite: Music 215A with a grade of "C" or better, or equivalent.

This course is an advanced level of study of practical and theoretical keyboard techniques for music majors, credential applicants, and non-music majors with comparable skills. The course focuses on advanced skill development of repertoire, keyboard technique, sight-reading, transposition, harmonization, creative composition, improvisation, ensemble playing, and modulation techniques. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

240 Advanced Voice Class I**1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Music 120 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Music 240 A. Advanced Voice I is an in-depth study of specific elements of efficient vocal technique and performance. These include breath management in relation to vocal onset, resonance and vocal registers, expressive singing and stage presence. Vocal exercises and songs from various music styles are performed including selections made by students. Choral singers, all music majors, elementary education majors and students considering singing as a profession benefit from this class. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

241 Advanced Voice II**1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Music 120 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Music 240 B. Advanced Voice II is an in-depth study of specific elements of efficient vocal technique and performance. These include the application of flexible breath energy, range extension, coordinating

technique and communication, vocal health, and the physical structure of the larynx. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

250A Concert Band**3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Advisory: Music 150A with a grade of "C" or better, or equivalent.

Study and performance of concert and standard band literature as well as other literature to be arranged. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

250B Concert Band**3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Advisory: Music 150A with a grade of "C" or better, or equivalent.

Study and performance of concert and standard band literature as well as other literature to be arranged. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

250C Concert Band**3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Advisory: Music 150A with a grade of "C" or better, or equivalent.

Study and performance of concert and standard band literature as well as other literature to be arranged. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

250D Concert Band**3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option**

Advisory: Music 150A with a grade of "C" or better, or equivalent.

Study and performance of concert and standard band literature as well as other literature to be arranged. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

252 Concert Jazz Band**3-9 hours lab, 1-3 units
Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: Audition/Try Out

A selected group of limited membership devoted to the preparation and performance of the best contemporary jazz and stage band literature. Designed to meet the needs of the student desiring to enter the field of professional stage band work, but open to qualified students of any department of the college. The group gives public concerts and supplies music for college functions. Attendance at rehearsals and performances is an integral part of this course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

253A Ensembles I

3- 9 hours lab, 1-3 units

Letter Grade or Pass/No Pass Option

Advisory: Music 150A with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Tryout or Audition.

This course is a study of ensemble music performance at the beginning level. Students are seated in ensemble groups according to their technical ability in preparation for performance. This course may be taken two times with new repertoire, seating and skill advancement. This course is designed for music majors and anyone interested in playing with an ensemble. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

253B Ensembles II

3- 9 hours lab, 1-3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Music 253A with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Tryout or Audition.

This course is a study of ensemble music performance at the intermediate level. Students are seated in ensemble groups according to their technical ability in preparation for performance. This course may be taken two times with new repertoire, seating and skill advancement. This course is designed for music majors and anyone interested in playing with an ensemble. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

253C Ensembles III

3- 9 hours lab, 1-3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Music 253B with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Tryout or Audition.

This course is a study of ensemble music performance at the intermediate-advanced level. Students are seated in ensemble groups according to their technical ability in preparation for performance. This course may be taken two times with new repertoire, seating and skill advancement. This course is designed for music majors and anyone interested in playing with an ensemble. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

253D Ensembles

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Prerequisite: Music 253C with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Tryout or Audition.

This course is a study of ensemble music performance at the advanced level. Advanced students are assigned to first chair of each section of the ensemble and to lead each part. This course may be taken two times with new repertoire, seating and skill advancement. This course is designed for music majors and anyone interested in playing with an ensemble. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

254 Instrumental Ensemble

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Advisory: Music 150A with a grade of "C" or better, or equivalent.

A selected group of limited membership devoted to the preparation and performance of the best contemporary jazz and stage band literature. The group is a performance band. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

255 Classical Guitar Ensembles

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Prerequisite: Music 132B with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Tryout or Audition.

This course provides for the study and performance of selected guitar ensemble works. After an audition, each student is assigned to an ensemble. Students practice and perform in an intermediate-to-advanced guitar ensemble, focusing on developing their skills in reading music, as well as the technical and interpretative skills required in the performance of a wide variety of works from different historical eras.

This course can be taken four times for credit. The course topics will be different with each repetition as the musical repertoire presented and performed differs each time the course is offered. Attendance at classes, rehearsals and performances is required. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

258A Music Theory III

4 hours lecture, 4 units

Letter Grade or Pass/No Pass Option

Prerequisite: Music 158B with a grade of "C" or better, or equivalent.

Advisory: Concurrent enrollment in: Music 269A.

This course is a continuation of 158B. It includes a detailed structural analysis and study of compositional techniques in the music of the 18th and 19th centuries. The emphasis is on further development of writing skills using chromatic harmony including secondary dominants and altered chords; the analysis and writing of two-part tonal counterpoint; the analysis of Sonata-form, Rondo, Theme and Variations. This course is designed for the student pursuing music as a major or for the student interested in enhancing technical knowledge of music. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

258B Music Theory IV

4 hours lecture, 4 units

Letter Grade or Pass/No Pass Option

Prerequisite: Music 258A with a grade of "C" or better, or equivalent.

Advisory: Concurrent enrollment in: Music 269B.

This course is a continuation of 258A. It includes a detailed structural analysis and study of compositional techniques in the music of the 19th and 20th centuries. The emphasis is on the study of the new resources that emerged in the music of the late 19th and early 20th centuries including non-functional harmony, polytonality, atonality and serial techniques; analysis of music by Wagner, Debussy, Stravinsky and Schoenberg. This course is designed for the student pursuing music as a major or for the student interested in enhancing technical knowledge of music. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

268A Beginning Ear Training Laboratory I

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Prerequisite: Music 150A with a grade of "C" or better, or equivalent.

This course consists of laboratory work in sight singing, melodic dictation, harmonic identification and rhythmic dictation designed to provide students with a "hearing eye" and "seeing ear" that can perceive and identify patterns both large and small in music. The emphasis is on the development of basic skills in sight singing short scale wise melodies containing seconds, thirds, fourths, fifths and octaves, melodic dictation containing seconds, thirds, fourths, fifths and octaves, harmonic identification/dictation of primary triads in major keys, rhythmic dictation with duple and triple subdivisions of the beat. This course is designed for the student pursuing music as a major or for the student interested in enhancing technical knowledge and skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

268B Beginning Ear Training Laboratory II

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Prerequisite: Music 268A with a grade of "C" or better, or equivalent.

This course is a continuation of Music 268A. The emphasis is on continued development of skills in sight singing melodies which contain seconds, thirds, fourths, fifths, sixths, sevenths, octaves and the tritone; melodic dictation containing triadic arpeggiations, harmonic identification of all diatonic triads in major and minor keys; rhythmic dictation with half beat values, quarter beat values and syncopation. This course is designed for the student pursuing music as a major or for the student interested in enhancing technical knowledge and skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

269A Advanced Ear Training Laboratory III

3 hours lab, 1 unit

Letter Grade or Pass/No Pass Option

Prerequisite: Music 268B with a grade of "C" or better, or equivalent.

This course is a continuation of Music 268B. The emphasis is on further development of skills in sight singing melodies which contain all intervals; melodic dictation which contains modulation; harmonic identification of all diatonic seventh chords and harmonic dictation of chorale phrases which

modulate; rhythmic dictation with quarter and eighth beat values and in compound meters. This course is designed for the student pursuing music as a major or for the student interested in enhancing technical knowledge and skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

269B Advanced Ear Training Laboratory IV
3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option

Prerequisite: Music 269A with a grade of "C" or better, or equivalent.

This course is a continuation of Music 269A. The emphasis is on the refinement of skills in sight singing modal melodies and melodies containing larger leaps and nondiatonic tones; dictation of melodies with nondiatonic tones and modal melodies; harmonic identification of secondary dominants and augmented sixth and neapolitan sixth chords; rhythmic dictation with changing meters and super triplets. This course is designed for the student pursuing music as a major or for the student interested in enhancing technical knowledge and skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

275A-B-C-D Applied Music
1 hour lecture, 6 hours lab, 2 units
Grade Only

Prerequisite: Music 150A with a grade of "C" or better, or equivalent.

Corequisite: Music 212A or 212B or 212C or 212D or Music 214A or 214B or 214C or 214D or Music 250A or 250B or 250C or 250D or Music 252 or 253 or 254.

This course provides individual instruction in vocal or instrumental music and is designed primarily for music majors. It includes two hours per week of recital instruction. A minimum of 15 lessons per semester, as well as 5 hours of on-campus practice per week must be verified. Regular performance in the weekly lecture-recital class and participation in music department recitals is required. Examination will be by faculty-jury at the end of each semester. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

276A Individual Study
Hours by Arrangement, 1 unit
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course consists of off-campus private instruction designed for music majors and those meeting teaching credential performance requirements in voice or on an instrument. This course is taught by approved off-campus instructors whose activities are coordinated and evaluated jointly with on-campus music faculty through weekly performance sessions and a final semester jury examination. For conditions of enrollment see a member of the music faculty. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

276B Individual Study
Hours by Arrangement, 1 unit
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Continuation of Music 276A; refer to Music 276A for detailed description. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

276C Individual Study
Hours by Arrangement, 1 unit
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Continuation of Music 276B; refer to Music 276A for detailed description. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

276D Individual Study
Hours by Arrangement, 1 unit
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Continuation of Music 276C; refer to Music 276A for detailed description. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

290 Independent Study
Hours by Arrangement, 1-3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Course is designed to meet individual needs or interests of students who wish to work on special projects in music. Special projects include all aspects of music and may involve topics which are broad in scope along with those that are narrow in scope. Special projects may include an unlimited number of diversified phases of the music curricula. This course may be taken four times with different content for a maximum of six units. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

NUTRITION (NUTR)

90 Modified Diets

**1 hour lecture, 1 unit
Grade Only**

Advisory: English 48 and English 49 and Mathematics 32, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

Prerequisite: Nutrition 150 with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Culinary Arts/Culinary Management 101 and Nutrition 91, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Nutrition 180 with a grade of "C" or better.

This course is the study of the concepts of nutrition as they relate to the functioning of nutrients in the human body. Emphasis is placed on specific nutritional and dietary modifications required for a variety of common medical conditions. This course is designed for the student planning on employment as a dietetic service supervisor. (FT) Associate Degree Credit only and not Transferable.

91 Dietetic Supervisor Practicum

**150 - hours other, 2 units
Grade Only**

Prerequisite: Nutrition 150 with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Culinary Arts/Culinary Management 101 and

Nutrition 90, each with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49 and Mathematics 32, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

Limitation on Enrollment: This course is not open to students with previous credit for Nutrition 391. This course applies previously learned knowledge and skills through supervised dietary services at a healthcare facility. The supervision of the student is shared by the college faculty and the staff of the affiliating institution. This course is for students in the process of obtaining a "Dietetic Service Supervisor Certificate of Performance" which is required and certified by the California State Department of Public Health for long term care food service. (FT) Associate Degree Credit only and not Transferable.

150 Nutrition

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

This course examines the scientific concepts of nutrition relating to the functioning of nutrients within the human body. Emphasis is placed on nutritional needs throughout the life cycle, food sources of nutrients, and current nutritional issues. Students utilize computer technology to analyze dietary intake and evaluate nutritional status. This course meets the Natural Sciences general education requirement for the associate degree at the San Diego Community College District. It also meets Area E requirement for transfer to California State Universities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Nutrition (NUTR) 150 and 155 combined: maximum credit, one course.

153 Cultural Foods

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Culinary Arts/Culinary Management 150.

This course examines the regional, ethnic, cultural, religious, historical and social influences on food patterns and cuisine, as well as how food is viewed as an expression of cultural diversity. Traditional foods of geographic areas and cultures, geographic factors in

food availability, global food issues, dietary habits, religious influences and an overview of nutritional problems of ethnic groups are discussed and assessed. Connection is drawn between major historical events and how and why these events affected and defined the culinary traditions of different societies. Also presented are nutrition consequences of ethnic food choices, sanitation and safety practices, and applications of food and nutrition services. This course is for students interested in a career in nutrition, dietary service supervisor certificate, culinary, hospitality management, and those with an interest in ethnic cuisine. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

155 Advanced Nutrition

**3 hours lecture, 3 units
Grade Only**

Prerequisite: Nutrition 150 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

This course is an in-depth study of the functioning of nutrients in the basic life processes from a biochemical and cellular approach. Emphasis is placed on the investigation of certain diets in relation to disease, current legislation relating to nutritional issues, and consumer nutritional practices. This course is intended for Nutrition and Allied Health majors. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Nutrition (NUTR) 150 and 155 combined: maximum credit, one course.

160 Foods for a Healthful Lifestyle

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5 and M20.

This course emphasizes scientific concepts of nutrition and food relating to health promotion. Health benefits and food sources of nutrients, healthful food preparation and food technologies are discussed. This course is targeted for individuals who are interested in attaining or promoting good health through nutrition. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

170 Nutrition and Fitness

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

This course is designed for the physically active person interested in the role nutrition plays to increase energy and enhance performance. Nutrient needs before, during, and after exercise are evaluated for their effect on optimal performance. Carbohydrate loading and a variety of supplements are discussed. Underwater weighing to determine body fat composition is available. This course is designed for both the recreational and competitive athlete and may be applied to the major or used as a transfer course. It may also be of interest to those with an interest in health and fitness. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

180 Nutrition and Diet Therapy

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

This course emphasizes concepts of nutrition relating to the functioning of nutrients within the human body and food sources of these nutrients, with special emphasis on nutritional assessment in specific disease conditions and therapeutic diets relevant to given conditions. An introduction to drug/nutrient interactions is also given. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

270 Work Experience

**Hours by Arrangement (One unit of credit is earned for each 75 hours of paid employment or 60 hours of volunteer work.), 1-4 units
Grade Only**

A program of on-the-job learning experiences for students employed in a job related to their major or their educational goals. The combined maximum credit for all work experience courses from all disciplines may not exceed 16 units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study**Hours by Arrangement, 1-3 units
Grade Only**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Designed to deal with current problems and topics of special interest in home economics. This course may be taken four times with different content for a maximum of six units. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

Office Information Systems (OFCE)

See Computer Business
Technology (CBTE) on page 300.

PERSONAL GROWTH (PERG)**65 Orientation to College****.5 - 1 hour lecture, .5 - 1 unit
Pass/No Pass Only**

This course is designed to assist the new student in a successful transition to college. Topics include campus resources and services, time management, and educational planning. Students are also acquainted with Policy 3100, which enumerates the rights and responsibilities of all San Diego Community College District students. (FT) Associate Degree Credit only and not Transferable.

120 College Success and Lifelong Learning**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Personal Growth 127. This course teaches success strategies to enhance academic and lifelong learning skills. Students explore topics such as motivation and attitudes, values, goal setting, decision-making processes, critical and creative thinking, personal health topics, interpersonal communication, developmental psychology, and

learning and personality theories, as well as other techniques for maximizing their abilities to succeed as lifelong learners. Students apply these topics as they relate to their self-development as integrated physiological and psychological entities and acquire strategies to effectively deal with issues in their personal lives and educational and career plans. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

130 Career-Life Planning**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Completion of or concurrent enrollment in: English 48 or English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Level R5 or W5.

Limitation on Enrollment: This course is not open to students with credit for Personal Growth 30. This course is designed to assist students with self-exploration, career transitions and career-life planning in order to achieve success in a diverse society. Critical thinking skills will be utilized through a systematic approach to career development by examining values, interests, skills, life roles, personality type, personal self-management, decision-making and goal setting throughout the life span. The course is designed for new and re-entry students and others who can benefit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

140 Life Skills and Personal Adjustment**1-3 hours lecture, 1 - 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is designed for students who want to learn and acquire effective ways for developing their emotional, social, educational, and professional life skills. This course is a practical study of the principles and application of strategies that assist in the development of coping and life skills. Topics include self-esteem and compassion, self-discipline, self-responsibility, self-assertion, and living a consciously balanced life in pursuit of defined educational, career, and life goals. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277),

or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

PHILOSOPHY (PHIL)

100 Logic and Critical Thinking

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course explores the relationship of communications and critical thinking with a focus on good reasoning and the impediments to its mastery. This course emphasizes the development of skills in logical processes including familiarity with the more common fallacies. This course is designed for students learning to apply principles of critical thinking to the practical problems of everyday life. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

101 Symbolic Logic

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Level M50; and Philosophy 100 with a grade of "C" or better, or equivalent.
Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course studies the elements of symbolic logic, sentential calculus and quantification theory, identity, definite descriptions, natural deduction and structure of language. This course may be of interest to students pursuing studies in computer science. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

102A Introduction To Philosophy: Reality and Knowledge

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 or English 105, with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6. This course is an introductory study of the aims, methods, types and problems of philosophy and philosophical inquiry. Emphasis is placed on the nature of reality and knowledge. Materials for this

survey of philosophy may draw from classical and contemporary thinkers. Students are encouraged to articulate, analyze, and evaluate their own beliefs/positions in the context of meaningful philosophical inquiry. This course is intended for anyone concerned with human existence and humanity's place in the universe. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

102B Introduction to Philosophy: Values

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course provides an introductory study of the aims, methods, types and problems of philosophy and philosophical inquiry focusing on values and their place in an individual's daily life. Materials for this survey of philosophical activity, orientations and views of philosophers may be drawn from classical and contemporary thinkers. Students are encouraged to articulate, analyze and evaluate their own beliefs/positions in the context of meaningful philosophical inquiry regarding value theory. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

103 Historical Introduction to Philosophy

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course provides an introductory study of the aims, methods, issues and problems associated with philosophy and philosophical activity from an historical perspective. Readings and discussions in the course emphasize a study of the philosophical endeavors of major philosophers in their historical contexts. Materials for this survey of philosophical activity, orientations and view of philosophers may be drawn from classical and contemporary thinkers. Students are encouraged to articulate, analyze and compare their own beliefs/positions with historically significant philosophical theories. This course may be of interest to students pursuing studies in History and Humanities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

104A History of Western Philosophy**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course explores the issues and problems associated with philosophy and philosophical activity as they are illustrated in the history of Western philosophy. Studies in this course focus on representative thinkers of the Classical and/or Medieval periods, their cultural milieu, and their attempts to resolve perennial philosophical issues and problems. This course may be of interest to students pursuing studies in History and Humanities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

104B History of Western Philosophy**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course explores the problems associated with philosophy and philosophical activity as they are illustrated in the history of Western philosophy from the Renaissance period through the 19th Century. Studies in this course focus on representative thinkers of the Renaissance and/or Modern periods, their cultural milieu, and their attempts to resolve perennial philosophical issues and problems. This course may be of interest to students pursuing studies in History and Humanities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

105 Contemporary Philosophy**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6; or English 105 with a grade of "C" or better, or equivalent. This course explores the issues and problems associated with philosophy in the 20th and 21st centuries. Emphasis is placed on the representative thinkers of the modern and post-modern eras. Students are encouraged to engage in independent research, analysis and formulation. This course is designed for students interested in contemporary society and current events. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

106 Asian Philosophy**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course explores the aims, methods, issues and problems exemplified in Asian philosophy and philosophical activity. Studies in this course survey significant inquiries, orientations and perspectives exemplified in Asian philosophy as well as Asian perspectives on perennial questions relating to the nature of the universe, the status and meaning of mankind, and the qualities characterizing the good life. Students are encouraged to engage in independent research, analysis and formulation. This course may be of special interest to students pursuing Pacific Rim or International Studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

107 Reflections on Human Nature**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course explores the issues and problems exemplified in process of meaningful philosophical activity relating to the topic of human nature. Studies in this course survey representative theories and philosophical reflections relating to the notions of human nature, the individual person, and human characteristics in general. Material for this survey may be drawn from classical and contemporary thinkers, scientific and religious orientations. Students are encouraged to engage in independent research, analysis and formulation. This course may interest students pursuing studies in behavioral and/or social sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

108 Perspectives on Human Nature and Society**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course explores the topics of human nature and human societal configurations. Material for study may be selected from classical and contemporary thinkers. Studies in this course survey representative theories

and philosophical reflections that explore the relation between theories regarding human nature and the nature of society, the state, and government with an emphasis on experiential elements of meaningful human existence and notions of ideal society. This course may be of particular interest to students pursuing studies in behavioral, social or political science. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

109 Issues in Social Philosophy

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course explores the aims, methods, and problems exemplified in philosophical endeavors in social philosophy. Studies in this course survey representative theories and perspectives on issues of interest in social philosophy such as types of government, the issues of sovereignty, natural law and natural rights, the philosophy of law, issues of justice, and problems in social ethics. This course may be of special interest to students pursuing studies in pre-law and/or political, behavioral or social sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

110 Philosophy of Religion

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course explores the issues and problems associated with philosophy and philosophical activity concerning various facets of religious phenomena and religious orientations/beliefs. This course investigates and analyzes philosophical arguments relating to basic religious beliefs and experiences such as the conceptions of God and/or divinity in the monotheistic traditions and non-Western religions. This course may be of interest to students pursuing religious and cultural studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

111 Philosophy in Literature

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This course is designed to provide an introduction to the aims, methods, issues and problems associated with philosophy and philosophical activity. In this course students read and analyze selected classical and/or contemporary literature which portrays or dramatizes perennial philosophical questions, issues and themes relating to such topics as the nature of reality, the notion of the self, the issue of choice and determinism, the problem of good and evil, and characteristics of the good life. This offering may be of interest to students pursuing studies in literature or in the behavioral and/or social sciences. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

112 Philosophy of Science

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 or English 105, with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6. This is an introductory, general education course exploring the presuppositions, concepts, principles, criteria and methodology of science and scientific investigation. This course is intended for students seeking a basic understanding of the nature of science and its philosophical underpinnings. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

125 Philosophy of Women

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This general education course is of interest to students wishing to explore the philosophical study of questions relating to women. It provides an introductory study of concepts of womanhood and feminism as they have found expression in mythic, classic, medieval and major modern philosophical traditions. Images, roles, and beliefs about women are explored with respect to their historical and global impact and philosophical relevance. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

126 Introduction to Philosophy of Contemporary Gender Issues

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Level W6 and R6. This lower division course provides an introduction to the concepts of gender and gender relations for the student interested in the development of contemporary gender issues as they relate to philosophy. The images, roles, and beliefs about gender and gender relations as they vary across cultures will be explored with respect to their impact in our everyday lives and the larger societies within which we live. This course may be of special interest to students going into gender studies and women's studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

130 Philosophy of Art and Music

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6; or English 105 with a grade of "C" or better, or equivalent. This course employs philosophical methods to explore the concepts, principles, and criteria used in the creation and evaluation of art and music. In addition to students interested in philosophy, this course is designed for any student seeking to gain a better understanding of why we appreciate art and music and how we develop standards for evaluating them. A variety of arts may be discussed including painting, sculpture, architecture, design, music, dance, theatre, and literature. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

205 Critical Thinking and Writing in Philosophy

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels W6 and R6; or English 105 with a grade of "C" or better, or equivalent. This critical thinking and writing seminar in Philosophy is designed to enhance the student's critical thinking, writing, and research skills in preparation for upper division academic activity. Issues addressed in this class may involve various areas of human experience and aspiration: metaphysical, cosmological, scientific, political,

ethical, aesthetic, and religious. Together with the application of basic principles of deduction and induction, special attention is given to identifying and avoiding fallacies in reasoning and to techniques and aids to research, reasoning, and writing. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

PHYSICAL EDUCATION (PHYE)

Physical Education classes are offered at the beginning, intermediate and advanced level Physical Education Classes/Intercollegiate Sports - Disclaimer

Participation in all sports and physical education activities involves certain inherent risks. Risks may include, but are not limited to, neck and spinal injuries that may result in paralysis or brain injury, injury to bones, joints, ligaments, muscles, tendons and other aspects of the muscular skeleton system; and serious injury, or impairment, to other aspects of the body and general health, including death. The San Diego Community College District, its officers, agents and employees are not responsible for the inherent risks associated with participation in physical education classes/intercollegiate sports.

Students are strongly advised to consult a physician prior to participating in any physical education activity.

Aquatic Activities

A program which offers the student a choice from a variety of courses. Instruction and conditioning in all aspects of aquatics to provide a carry-over value for leisure life.

106 Aquatic Fitness

2 -3 hours lab, 5 - 1 unit

Letter Grade or Pass/No Pass Option

This course covers instruction and conditioning in the four competitive swimming strokes through interval training stressing cardiovascular respiratory fitness in aquatic activities. The swimming program is set up to attain desired levels of cardiovascular efficiency. This

course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

119 Springboard Diving

2 - 3 hours lab, .5 - 1 unit

Letter Grade or Pass/No Pass Option

This course is designed as an introduction to springboard diving with. Progressive skill development in performing dives from five different categories. This course includes novice, beginning, intermediate and advanced levels. Standardized skill progressions are used for the forward, backward, inward, reverse and twisting dives. The concepts covered include springboard diving techniques and water safety. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

139 Lifeguard Training - Advanced Swimming

2.5 hours lecture, 1.5 hours lab, 3 units

Letter Grade or Pass/No Pass Option

This course gives the most current instruction in the American Red Cross lifeguard training techniques and first aid and CPR skills required to gain eligibility for a lifeguarding position. Upon successful completion, a student will earn certifications in both American Red Cross Lifeguard Training and CPR for the Professional Rescuer. This course may be repeated as necessary to meet a legally mandated training requirement as a condition of continued or volunteer employment. Adequate swimming skills are necessary. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

155 Swimming

2 - 3 hours lab, .5 - 1 unit

Letter Grade or Pass/No Pass Option

This course emphasizes instruction and practice in the fundamental to advanced swimming strokes including water safety skills. Stroke analysis, conditioning and endurance are stressed in the progression of classes. Beginning and intermediate levels are available. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

163 Water Polo

2 - 3 hours lab, .5 - 1 unit

Letter Grade or Pass/No Pass Option

This course is designed to emphasize the fundamental skill development related to the aquatic sport of water polo. Progressive skill development includes picking up a ball in the water, passing, receiving, shooting, dribbling, and playing in a game. Discussion includes proper offensive and defensive positioning, team strategies, and rules of play. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

164 Water Safety Instructor

2.5 hours lecture, 1.5 hours lab, 3 units

Letter Grade or Pass/No Pass Option

This course gives the most current instruction in the American Red Cross (ARC) Water Safety Instructor (WSI) course. Upon successful completion, students earn WSI certification, which enables them to teach the Learn to Swim programs of the American Red Cross. This course may be repeated as necessary to meet a legally mandated training requirement as a condition of continued or volunteer employment. Adequate swimming skills are necessary. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

Dance

A program which offers the student instruction in a variety of dance forms. Classes range from the beginning level through the performance level.

103 Aerobic Dance

2 - 3 hours lab, .5 - 1 unit

Letter Grade or Pass/No Pass Option

Aerobic Dance is a rigorous exercise course designed to increase both the fitness level of participating students and their understanding of what constitutes a safe and effective exercise program. Instruction includes a balanced exercise program of aerobics, toning, stretching, and relaxation along with discussion of related health topics. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

Additional Dance Classes

(See Dance)

Individual Activities

A basic program which offers the student a choice of vigorous, competitive activity in individual sports and activities designed to provide carry-over value for leisure life. Instruction is in fundamental skills knowledge of rules and strategy, with emphasis on physical fitness.

108 Badminton

2-3 hours lab,.5 - 1 units

Letter Grade or Pass/No Pass Option

This course provides instruction and on-court experience in the skills, strategies, rules and behaviors necessary to play badminton at the beginning, intermediate or advanced level and is intended for novices and students currently playing at any of these levels. This course may be taken four times for credit. Students must demonstrate increased proficiency and skill attainment with each repetition. When this course is offered for three hours per week, the additional time is utilized for stroke development drills and application of strategies in playing situations. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer limitations. See a Counselor.

115 Bowling

2 - 3 hours lab,.5 - 1 unit

Letter Grade or Pass/No Pass Option

This course is designed to develop skills necessary to improve student performance of the fundamentals of the stance, point of origin, approach, back swing, release and follow through, rules, scoring and etiquette in the game of bowling. Progressive instruction emphasizes individual skill development, spot bowling and participation in a league bowling situation. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

120 Fencing

2 - 3 hours lab,.5 - 1 unit

Grade Only

Basic techniques of fencing with French foil are taught. Techniques such as on guard, advance, retreat, attack and parries (simple and compound), and basic rules are covered. Simple and compound attacks, secondary attacks, counter attacks, circular parries and bouts are stressed in intermediate and advanced classes. Judging and directing of bouts are taught and implemented in the form of tournament matches.

Fencing etiquette and proper technique are stressed. Students who are looking for a lifetime sport, rich in tradition and gamesmanship find this course intriguing and challenging, both mentally and physically. This course may be taken four times for credit. Students must demonstrate increased proficiency and skill attainment with each repetition. When this course is offered for three hours per week, the additional time is utilized for the practice of advanced skills and techniques. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

123 Fitness Activities

2 - 3 hours lab,.5 - 1 unit

Letter Grade or Pass/No Pass Option

This course includes instruction in the skills necessary to improve aerobic fitness and cardiovascular health. Through fitness topics covered, students will develop an individual fitness program. Aerobic exercise focuses primarily jogging, progressing to running for the development of comprehensive fitness. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

126 Golf

2 - 3 hours lab,.5 - 1 unit

Letter Grade or Pass/No Pass Option

This course provides golf instruction and practice in the fundamentals of grip, stance, alignment, backswing, and downswing. Topics also include stretching and principles of warm-up, golf club selection and use, player guidelines, scoring, game etiquette, and safety procedures. The course emphasizes the "one basic golf swing" theory and includes extensive practice and play at local courses. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

132 Individual Conditioning

2 - 3 hours lab,.5 - 1 unit

Letter Grade or Pass/No Pass Option

This course provides individually programmed instruction in the fundamental skills and techniques of weight training and aerobic activity. The positive impact of physical education on health and wellness is explored and emphasized. Through progressive

inquiry and practice, students demonstrate more advanced levels of weight training and comprehensive aerobic development. This course is of particular interest to students wishing to enter the fields of sports medicine and athletics, as well as to students seeking to improve overall fitness. Students must demonstrate increased proficiency and skill attainment with each repetition. This course may be taken four times for credit. When this course is offered for three hours per week, the additional time is utilized for the practice of weight training skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

142 Racquetball

2 - 3 hours lab, .5 - 1 unit

Letter Grade or Pass/No Pass Option

Instruction and practice in the fundamental skills of grip, strokes, footwork, court coverage and rules of play. Singles and doubles strategy, offensive and defensive positioning and tournament play will be progressively incorporated at the intermediate and advanced levels. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

154 Fitness Walking

2 - 3 hours lab, .5 - 1 unit

Letter Grade or Pass/No Pass Option

This course covers the skills necessary to improve aerobic fitness and cardiovascular health through walking, with comprehensive instruction in fitness principles and walking techniques. Topics include general fitness information, stretching and principles of warm-up, walking techniques, principles of conditioning, training zones, and cool-down periods. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

159 Tennis

2 - 3 hours lab, .5 - 1 unit

Grade Only

This course provides instruction and on-court experience in the skills, strategies, rules and behaviors necessary to play tennis at the beginning, intermediate or advanced recreational level and is intended for novices and students currently playing at any of these levels. This course may be taken four times for credit. Students must demonstrate increased proficiency and skill attainment with each repetition. When this course is offered for three hours per week,

the additional time is utilized for stroke development drills and application of strategies in playing situations. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

160 Track and Field

2 - 3 hours lab, .5 - 1 unit

Letter Grade or Pass/No Pass Option

This course emphasizes progressive instruction and practice of basic fundamentals through advanced track and field skills. Target audience includes students who are interested in Intercollegiate Track and Field. The topics covered include sprinting, hurdling, jumping, and throwing techniques/skills, rules, and basic officiating. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

166 Weight Training

2 - 3 hours lab, .5 - 1 unit

Letter Grade or Pass/No Pass Option

This course is an introduction to progressive resistance training. It is designed for the student interested in developing strength, muscle endurance, and muscle tone. Instruction includes learning proper methods of weight training, various types of weight training programs, and safety factors. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

168 Yoga

2 - 3 hours lab, .5 - 1 unit

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introduction to basic yoga practices and principles. Instruction includes yoga postures, guided relaxations, and breathing practices. The benefits of yoga include increased flexibility, strength, balance, and body awareness as well as stress reduction. This course is designed for students interested in health and longevity. This course may be taken four times for credit. Students must demonstrate increased proficiency and skill attainment with each repetition. When this course is offered for three hours per week, the additional time is utilized for the practice of postures. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

171 Men's Gymnastics**2 - 3 hours lab,.5 - 1 unit****Letter Grade or Pass/No Pass Option**

This course is designed to have the student demonstrate skills in gymnastics. Standardized progression of skills instruction is used in tumbling or floor exercise, parallel bars, horizontal bars, vaulting, still rings and pommel horse. The concepts covered include safety and injury prevention, balance and body alignment as they relate to the events taught, and preparing for gymnastics through movement/skill combinations in gymnastics routines. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

172 Women's Gymnastics**2 - 3 hours lab,.5 - 1 unit****Letter Grade or Pass/No Pass Option**

This course is designed to have the student demonstrate skills in gymnastics. Standardized progression of skills instruction is used in tumbling or floor exercise, uneven parallel bars, balance beam and vaulting. The concepts covered include safety and injury prevention, balance and body alignment as it relates to the events taught, and preparing for gymnastics through movement/skill combinations in gymnastics routines. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

190 Cheerleading**3 - 6 hours lab, 1 - 2 units****Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: Tryout or Audition.

This course provides instruction in cheerleading skills and routines. Proper body alignment, technique, safety, performance and cooperative work with others in the class is emphasized. Students demonstrate increased development of strength, flexibility, and endurance through physical training and practice of cheerleading skills and routines. Students utilize skills learned through the performance of routines at selected intercollegiate athletic contests at Mesa College. This course may be taken four times for credit. Students must demonstrate increased proficiency and skill attainment with each repetition. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

191 Theory and Application of Conditioning - Advanced Basketball**2-3 hours lab,.5-1 unit****Letter Grade or Pass/No Pass Option**

Advisory: Completion of or concurrent enrollment in: Physical Education 204 or 205, with a grade of "C" or better, or equivalent.

This course will enhance the physical and mental skills needed to participate in competitive sports activities. Emphasis is placed on weight training, running, skill development games, and individual development for basketball. When this course is offered for three hours a week the additional time is utilized in the practice and perfection of basketball skills. Additionally, all students must demonstrate increased proficiency and skill attainment with each course repetition. This course is designed for those students that wish to participate in intercollegiate basketball. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

233 Kickboxing**2-3 hours lab,.5 - 1 unit****Grade Only**

This course is designed for students to learn kickboxing. This course includes solo training, partner training, equipment training, and controlled sparring as practiced by the Kali/Jeet Kune Do family, including JKD kickboxing, the arts of Muay Thai training, Savate, and Panantukan styles of kickboxing. Emphasis is placed on practice in the fundamentals of kickboxing, including kickboxing safety skills and etiquette. Kick/strike analysis, balance, flexibility, conditioning, muscular strengths and endurance are stressed in the progression of the class. This course meets the SDCCD graduation requirements. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

Team Sports**111 Baseball****2 - 3 hours lab,.5 - 1 unit****Letter Grade or Pass/No Pass Option**

Instruction to develop the fundamental skills of throwing, catching, running, hitting, rules of play and strategy. Intermediate and advanced levels emphasize both individual and team skill development and strategies involved in competitive game situations. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

112 Basketball**2 - 3 hours lab, 5 - 1 unit****Letter Grade or Pass/No Pass Option**

This course offers basic instruction in the fundamental skills of basketball and team offense and defense. Instruction includes terminology, rules and strategy of the game. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

125 Football**2 - 3 hours lab, 5 - 1 unit****Letter Grade or Pass/No Pass Option**

Football explores the skills and techniques for team play including blocking, tackling, passing catching, running, and offensive and defensive positioning. Football emphasizes individual and team skills as well as strategies involved in game situations. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

141 Over-the-Line**3 hours lab, 1 unit****Letter Grade or Pass/No Pass Option**

This course provides instruction in the skills of over-the-line including pitching, catching, and proper styles of batting. Rules of play, strategy, and game situations are introduced through various types of tournaments and contests. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

149 Soccer**2 - 3 hours lab, 5 - 1 unit****Letter Grade or Pass/No Pass Option**

This course emphasizes progressive instruction and practice of basic fundamentals through advanced soccer skills. The topics covered include soccer techniques and skills, offensive and defensive strategies, rules, and officiating. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

151 Softball**2 - 3 hours lab, 5 - 1 unit****Letter Grade or Pass/No Pass Option**

This course provides instruction in the fundamental skills of throwing, catching, running, hitting, and rules of play of softball as well as individual and team skill development and strategies involved in competitive

game situations. This course may be taken four times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

161 Volleyball**2 - 3 hours lab, 5 - 1 unit****Letter Grade or Pass/No Pass Option**

This course provides instruction and on-court experience in the skills, strategies, rules and behaviors necessary to play volleyball at the recreation level. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

Adapted Physical Education**181A Adapted Swimming****2 - 3 hours lab, 5 - 1 unit****Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: A physician's medical release form is required. This course is not open to students with credit for Physical Education 181, 181C, or 181D. This course is designed for students with disabilities to learn how to swim through modified swimming strokes based on their abilities. Emphasis is placed on practice in the fundamental swimming strokes, including water safety skills. Stroke analysis, conditioning and endurance is stressed in the progression of the class. This course meets the SDCCD graduation requirements. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

182 Adapted Weight Training**2 - 3 hours lab, 5 - 1 unit****Letter Grade or Pass/No Pass Option**

Limitation on Enrollment: A physician's medical release form is required. This course is designed for students with disabilities as an introduction to progressive resistance training. Emphasis is placed on developing cardiorespiratory and muscle endurance, muscle strength and flexibility and a healthy body composition through individualized safe and beneficial exercise programming. The course includes exercises that focus on relaxation, joint mobility, body maintenance, and activities for daily living. This course may be taken four times for credit. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

184 Adapted Physical Fitness**2 - 3 hours lab, 5 - 1 unit****Letter Grade or Pass/No Pass Option**

Limitation on enrollment: A physician's medical release form is required.

This course is designed for students with disabilities to provide opportunities for exercise and activities to improve cardiorespiratory endurance, flexibility, muscular endurance, strength, stress management and coordination. Activities can include walking, dance, rhythm activities, wheelchair pushing, jogging, relaxation training and exercises for joint mobility. This course may be repeated three times. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

Intercollegiate Athletics**200 Intercollegiate Badminton I****10 hours lab, 2 units****Grade Only**

Advisory: Physical Education 108 with a grade of "C" or better, or equivalent, or previous competitive badminton experience.

This is a course for students competing in their first intercollegiate badminton season. The course is offered in the spring semester and may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

201 Intercollegiate Badminton II**10 hours lab, 2 units****Grade Only**

Advisory: Physical Education 200 with a grade of "C" or better, or equivalent.

This is a course for students competing in their second intercollegiate badminton season. The course is offered in the spring semester and may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

202 Intercollegiate Baseball I**Spring, 10 hours lab, 2 units****Letter Grade or Pass/No Pass Option**

Intercollegiate varsity baseball competition. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

203 Intercollegiate Baseball II**Spring, 10 hours lab, 2 units****Letter Grade or Pass/No Pass Option**

Intercollegiate varsity baseball. Second season of competition. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

204 Intercollegiate Basketball I**Fall/Spring****5 - 7.5 hours lab, 1 - 1.5 units****10 hours lab, 2 units****Letter Grade or Pass/No Pass Option**

This course is intended for the first season of intercollegiate competition. Basketball skills and game strategies are at a more advanced level of participation than those of the Basketball 112 class. This course may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

205 Intercollegiate Basketball II**5-10 hours lab, 1-2 units****Letter Grade or Pass/No Pass Option**

This course is intended for the second season of intercollegiate competition. Basketball skills and game strategies are at the advanced levels of participation. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

206 Intercollegiate Cross-Country I**Fall, 10 hours lab, 2 units****Letter Grade or Pass/No Pass Option**

Intercollegiate varsity cross-country competition. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

207 Intercollegiate Cross-Country II**Fall, 10 hours lab, 2 units****Letter Grade or Pass/No Pass Option**

Intercollegiate varsity cross-country competition. Second season of competition. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

210 Intercollegiate Football I

**Fall, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: Concurrent enrollment in: Physical Education 250A is recommended.

This course is designed for students in their first season of intercollegiate football. Topics include fundamental skills of play for offense/defense and special teams. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

211 Intercollegiate Football II

**Fall, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: Concurrent enrollment in: Physical Education 250B is recommended.

This course is designed for students in their first season of intercollegiate football. Topics include fundamental skills of play for offense/defense and special teams. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

214 Intercollegiate Soccer I

**Fall, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: Physical Education 149 with a grade of "C" or better, or equivalent, or previous competitive soccer experience.

This is the first course of intercollegiate soccer competition. This course is offered separately for men and women. This course may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

215 Intercollegiate Soccer II

**Fall, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: Physical Education 149 with a grade of "C" or better, or equivalent, or previous competitive soccer experience; and concurrent enrollment in Physical Education 257B is highly recommended.

This is the second course of intercollegiate soccer competition. This course is offered separately for men and women in the fall semester. This course may be

taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

216 Intercollegiate Softball I

**Spring, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

This is a course in which students competing in their first intercollegiate softball season learn and practice the techniques and strategies necessary for successful participation. Those topics covered are fundamental through advanced skills and offensive and defensive strategies. This course is offered in the spring semester and may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

217 Intercollegiate Softball II

**Spring, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

This is a course in which students competing in their second intercollegiate softball competition learn and practice the techniques and strategies necessary for successful participation. Those topics covered are fundamental through advanced softball skills and offensive and defensive strategies. This course is offered in the spring semester and may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

218 Intercollegiate Swimming I

**Spring, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

This course is designed for students to compete in men's and women's intercollegiate varsity swimming and diving competition. This course may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

219 Intercollegiate Swimming II

**Spring, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

This course is designed for students to compete in a second semester of men's and women's intercollegiate swimming and diving competition. This course may be taken two times for credit. (FT)

220 Intercollegiate Tennis I

**Spring, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

This is a course for students competing in their first intercollegiate tennis season. This course is offered in the spring semester for men and women and may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

221 Intercollegiate Tennis II

**Spring, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

This is a course for students competing in their second semester of intercollegiate tennis season. This course is offered in the spring semester for men and women and may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

222 Intercollegiate Track and Field I

**Spring, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Intercollegiate varsity track and field competition. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

223 Intercollegiate Track and Field II

**Spring, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Intercollegiate varsity track and field competition. Second season of competition. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

224 Intercollegiate Volleyball I

**Fall (Women), Spring (Men),
10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: Physical Education 161 with a grade of "C" or better, or equivalent, or previous competitive volleyball experience.

This is the first course in intercollegiate volleyball competition. This course is offered in the fall semester for women and the spring semester for men and may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

225 Intercollegiate Volleyball II

**Fall (Women), Spring (Men),
10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: Physical Education 224 with a grade of "C" or better, or equivalent; and concurrent enrollment in Physical Education 255A is highly recommended. This is the second course in intercollegiate volleyball competition. This course is offered in the fall semester for women and the spring semester for men and may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

226 Intercollegiate Water Polo I

**Fall, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

This course is designed for men and women to compete in Intercollegiate water polo competition. This course may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

227 Intercollegiate Water Polo II

**Fall, 10 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

This course is designed for men and women to participate in intercollegiate varsity water polo competition. This course may be taken two times for credit. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

Fitness Specialist Certificate Courses**280 Applied Exercise Physiology**

**2 hours lecture, 2 units
Grade Only**

Advisory: Mathematics 46 with a grade of "C" or better, or equivalent, or Assessment Skill Level M40.

This course is designed for the student in the Fitness Specialist Certificate Program to study how the body functions under conditions of exercise stress and how fitness behaviors affect health and wellness. Emphasis is placed on muscular, cardiorespiratory, and other physiological processes that occur as a result of exercise conditioning, and the effect of disease. (FT) Associate Degree Credit only and not Transferable.

281 Applied Kinesiology**2 hours lecture, 2 units
Grade only**

This course is designed for the student in the Fitness Specialist Certificate Program to study movement as it relates to exercise under both normal and injury conditions. Students learn the practical implications of bones, joints, nerves, and muscle actions. Emphasis is placed on applying body alignment, range of motion, stabilization, and acceleration principles to the development of exercise programs. (FT) Associate Degree Credit only and not Transferable.

282 Techniques of Weight Training**2 hours lecture, 2 units
Grade Only**

This course, part of the Fitness Specialist Certification Program, is designed to provide a thorough review for those intending to teach weight training. The course studies anatomy and physiology, training sequences, available equipment, and safety factors, including contraindications. (FT) Associate Degree Credit only and not Transferable.

283 Exercise and Fitness Assessment**1.75 hour lecture,.75 hour lab, 2 units
Grade Only**

This course is designed for the student in the Fitness Specialist Certificate Program to learn how to assess cardiorespiratory endurance, muscular strength and endurance, flexibility, body fat, pulmonary function, and blood pressure and evaluate the results. Emphasis is placed on determining the appropriate test, conducting the test, evaluating the results, and creating an exercise program. (FT) Associate Degree Credit only and not Transferable.

284 Fitness and Sports Nutrition**2 hours lecture, 2 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is part of the Fitness Specialist Certification Program. Students will study the basic principles of nutrition and the ramifications of nutrition on sports activities. (FT) Associate Degree Credit only and not Transferable.

285 Exercise for Special Populations**2 hours lecture, 2 units
Grade Only**

This course is designed for the student in the Fitness Specialist Certificate to study the exercise implications for special populations related to age, medical condition and level of fitness. Emphasis is placed on cardiac conditions, diabetes, physical disabilities, HIV and AIDS, asthma, sensory impairments, seniors, children, athletes, mentally impaired and pregnant and post partum women and the issues and barriers to exercise. (FT) Associate Degree Credit only and not Transferable.

286 Techniques of Exercise Leadership**1.75 hours lecture,.75 hour lab, 2 units
Grade Only**

This course is designed for the student in the Fitness Specialist Certificate Program to study the principles and techniques involved in teaching group exercise and developing a personal trainer/client relationship. Emphasis is placed on client assessment, communication skills, program design, exercise adherence, teaching strategies, and professional responsibility and liability. (FT) Associate Degree Credit only and not Transferable.

287 Fitness Specialist Internship**1 hour lecture, 6 hours lab, 2 units
Grade Only**

Prerequisite: Physical Education 280, 281, and 283, each with a grade of "C" or better, or equivalent.

This course is designed to provide students in the Fitness Specialist Certificate Program with practical experience in the field of exercise and fitness. Emphasis is placed on participant screening, evaluation, and exercise program design, self marketing, fitness specialist/client relationships and professional responsibility in a fitness setting. (FT) Associate Degree Credit only and not Transferable.

Physical Education Theory Classes**240 Physical Education in the Elementary Schools****3 hours lecture, 1 hour lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Completion of or concurrent enrollment in: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course includes a brief study of the growth, development and characteristics of the elementary school child. The elements of written lesson plans,

units, evaluations and various forms of testing are covered. The teaching of fundamental skills, rhythms, dance and games based on sound physiological principles for this age group is emphasized. The positive impact of physical education on health and wellness in addition to academic achievement is explored. Actual teaching situations are experienced in the lab sessions. This course is designed to fulfill lower division preparation for the major for students interested in elementary education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

241 Introduction to Exercise Science/Physical Education

**2 hours lecture, 2 units
Grade Only**

Advisory: English 48 and English 49 with grades of "C" or better, or equivalent, or Assessment Skill Levels R5, W5.

This course is the introductory course for students majoring in Physical Education and is required for the Associate in Arts degree in Physical Education. It provides the student an opportunity to study the history, basic philosophy, basic principles, and professional career options of exercise science. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

242 Care and Prevention of Injuries

**Fall, Spring, 2 hours lecture, 1 hour lab, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Prevention and care of common athletic injuries is discussed. This course covers the theory and practice of emergency field care and basic athletic first aid. Bandaging and/or taping techniques are included. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

250A Professional Activities/Football I

**Fall, 1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Advisory: Concurrent enrollment in: Physical Education 210 is recommended.

This course is designed for students competing in their first intercollegiate football season. Emphasis is on theoretical concepts necessary for successful participation. Topics include analysis of fundamentals

used on offense/defense, special teams and also strategies, rules, and officiating. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

250B Professional Activities/Football II

**Fall, 1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

This is a lecture/lab course with emphasis on advanced skills, strategy, tactics, rules officiating, and organizational procedures in football. Concepts for social skills and team building techniques required for success at the intercollegiate level are also emphasized. This course is valuable to student athletes enrolled in PHYE 211, Intercollegiate Football II. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

251A Professional Activities/Basketball I

**1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Fall, This lecture/lab course includes discussion of rules, game strategies, history, and game preparation. The physiological requirements for the intercollegiate athlete and importance of nutritional components for optimal performance are emphasized. This course benefits students who are enrolled in PHYE 204, Intercollegiate Basketball I. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

251B Professional Activities/Basketball II

**1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Fall, This lecture/lab course includes activities and discussion of advanced team strategies, efficient basketball conditioning techniques, goals for game preparation and leadership qualities for basketball. Concepts for team building and social skills necessary for success at the intercollegiate level are also emphasized. This course benefits students who are enrolled in PHYE 205, Intercollegiate Basketball II. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

252A Professional Activities/Baseball I

**Spring, 1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option**

Competency development with emphasis on skills, strategy, tactics, rules, officiating, facilities film review, and organizational procedures as it relates to school or

college baseball. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

252B Professional Activities/Baseball II
Spring, 1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option

Sophomore athletic eligibility status required. A continuation of Physical Education 252A with emphasis on advanced skills, strategy, tactics, rules officiating, and organizational procedures in baseball. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

253A Professional Activities/Softball I
1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option

Corequisite: Physical Education 216.

This is a course which explores a variety of softball strategies and tactics focusing on the development of offensive and defensive strategies, rules, officiating, video review, and mechanical analysis of fundamentals through intermediate softball skills. The course is open to those interested in participating in the sport of softball at an intermediate level. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

253B Professional Activities/Softball II
1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only

Corequisite: Physical Education 217.

This course develops both mental and physical competency with emphasis on advanced skill, tactics, rules, both offensive and defensive strategies, officiating, facilities, video review, organizational procedures and physiological aspects of the game as they relate to college softball. The course is open to students interested in the sport of softball at the advanced level. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

254A Professional Activities/Track and Field I
Spring, 1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option

This course is a lecture/lab class pertaining to management of a track and field program. Track and field management consists of development, competition scheduling, site preparation, and teaching track and field. This course benefits students

who are enrolled in a second intercollegiate track and field season. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

254B Professional Activities/Track and Field II
1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option

This is a lecture/lab class for competency development with emphasis on skills, tactics, officiating, facilities, video review and organizational procedures for administrating a college track and field meet. This course will benefit students who are competing in a first intercollegiate track and field season. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

255A Professional Activities/Volleyball I
Fall (Women), Spring (Men),
1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option

Advisory: Concurrent enrollment in: Physical Education 224 or Physical Education 225.

This is a course in which students competing in their first intercollegiate volleyball season learn the theoretical concepts necessary for successful participation. Topics covered include mechanical analysis of fundamental through advanced volleyball skills, offensive/defensive strategies, statistics, rules and officiating. The course is offered in the fall semester for women and the spring semester for men. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

255B Professional Activities/Volleyball II
Fall (Women), Spring (Men),
1.5 hours lecture, 1.5 hours lab, 2 units
Letter Grade or Pass/No Pass Option

Advisory: Physical Education 255A with a grade of "C" or better, or equivalent; and concurrent enrollment in Physical Education 224.

This is a course in which students competing in their second intercollegiate volleyball season learn the theoretical concepts necessary for successful participation. Topics covered include officiating, statistics, concepts for team building, goals for game preparation, leadership and social skills for success at the intercollegiate level. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

257A Professional Activities/Soccer I
Fall, 1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only

This course covers the theoretical concepts necessary for students to compete successfully in their first intercollegiate soccer season. Topics covered include mechanical analysis of fundamental through advanced soccer skills., offensive and defensive strategies, statistics, rules, and officiating. This course is offered separately for men and women. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

257B Professional Activities/Soccer II
Fall, 1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only

This is a lecture/lab course including activities and discussion of advanced team strategies, efficient conditioning techniques, goals for game preparation, and leadership qualities. Concepts for team building and social skills necessary for success at the intercollegiate level are emphasized. This course is offered separately for men and women in the fall semester. This course benefits students who are enrolled in PHYE 215, Intercollegiate Soccer II. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

258A Professional Activities/Cross Country I
1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only

This course introduces students to the development of skills for cross country running as well as biomechanics, exercise physiology, workout design, scouting, and procedures for administrating a college cross country meet. The course is designed for students who are participating in this sport and for those who may be interested in coaching cross country teams. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

258B Professional Activities/Cross Country II
1.5 hours lecture, 1.5 hours lab, 2 units
Grade Only

Prerequisite: Physical Education 258A with a grade of "C" or better, or equivalent.

This course covers the development of advanced skills in cross country running, including techniques of biomechanics, exercise physiology, workout design, and scouting. The course also focuses on procedures for administering college cross country meets and

coaching techniques. The course is designed for second-year students who are participating in this sport and for those who are interested in coaching cross-country teams. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations. See a Counselor.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

PHYSICAL SCIENCE (PHYN)

100 Survey of Physical Science
3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: Concurrent enrollment in: Physical Science 101.

Advisory: English 42 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R4 and M20.

This course is an introductory survey of the fundamental concepts of astronomy, geology, chemistry and physics and the interrelationships among these disciplines. Emphasis is placed on the ways in which the physical sciences affect life on the planet and the role discipline plays in addressing issues and problems related to energy, ecology and environmental sustainability. This course is recommended for students planning to major in geography and/or planning to transfer to a four-year institution. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: No credit if taken after a college level course in Chemistry or Physics.

101 Survey of Physical Science Laboratory
3 hours lab, 1 unit
Letter Grade or Pass/No Pass Option

Corequisite: Completion of or concurrent enrollment in: Physical Science 100 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: English 48 and Mathematics 46, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and M40.

This course introduces students to the science laboratory and is designed to demonstrate the fundamental concepts of astronomy, geology, chemistry and/or physics as presented in Physical

Science 100. Emphasis is placed on the application of the scientific method and collaborative learning. This course is recommended for students planning to major in geography and/or planning to transfer to a four-year institution. (FT) Associate Degree Credit and transfer to CSU and/or private colleges and universities. UC Transfer Limitation: No credit if taken after a college level course in Chemistry or Physics.

120 Physical Oceanography

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49 and Mathematics 34A, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5, W5 and M20.

This course allows students to pursue an understanding of the major features and processes of the world's oceans. Students learn about the origin and history of ocean basins, atmospheric and ocean circulation, and the dynamics of waves, tides, and coastlines. They explore the oceans as a resource for people and analyze and evaluate human impacts on marine environments. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

PHYSICAL THERAPIST ASSISTANT (PHYR)

110 Physical Therapy Introduction

2 hours lecture, 2 units

Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course provides general information regarding the field of physical therapy (P.T.) to those persons who have been admitted into the program or who have an interest in the profession of P.T. The course focuses on the history and development of the profession, its relationship to the health care delivery system in the United States, the settings utilized in the delivery of therapy, and an exploration of the roles and functions of the workers in the field and their part on the healthcare team. The development of the professional organization, the American Physical

Therapy Association (A.P.T.A) and its purpose are presented as well as the general ethical, legal principles and state laws relating to the delivery of physical therapy. Medical terminology specific to P.T. and the need of the health care worker to develop a therapeutic presence are also presented. This course fosters the development of communication skills, interpersonal relationships and professionalism required for the health care field. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

114 Introduction To Human Movement

2 hours lecture, 3 hours lab, 3 units

Grade Only

Corequisite: Physical Therapist Assistant 116 and 116L, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course introduces the student Physical Therapist Assistant to the relationship between physical laws and the biomechanical principles of joint motion as well as the concepts of normal posture and human locomotion contrasted with obvious posture and gait deviations. The course also provides the students with the opportunity to apply kinesiological concepts to the body's major joints in performing basic exercise applications with the client who has an orthopedic condition. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

116 Physical Therapy Techniques I

2 hours lecture, 2 units

Grade Only

Corequisite: Physical Therapist Assistant 114 and 116L.

Corequisite: Completion of or concurrent enrollment in: Physical Therapist Assistant 110 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Physical Therapist Assistant 111.

This lecture course provides the future Physical Therapist Assistant (PTA) with an exposure to the duties that related to the PTA scope of practice and with an emphasis on the outpatient setting. These duties include the principles of the application of basic physical agents including cold, heat and therapeutic massage; basics of gait training with assistive devices for general orthopedic problems; hydrotherapy and basic dressing changes to include universal precautions and infection control; treatment preparation; client positioning and clinic maintenance. The course also fosters the

development of communication skills, interpersonal relationships and professionalism required for the health care field. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

116L Physical Therapy Techniques I
6 hours lab, 2 units
Grade Only

Corequisite: Physical Therapist Assistant 114 and 116.
Corequisite: Completion of or concurrent enrollment in: Physical Therapist Assistant 110 with a grade of "C" or better, or equivalent.
Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Physical Therapist Assistant 111.

This laboratory course provides the future Physical Therapist Assistant (PTA) with an exposure to the duties that related to the PTA scope of practice and with an emphasis on the outpatient setting. These duties include the techniques of the application of basic physical agents including cold, heat and therapeutic massage; basics of gait training with assistive devices for general orthopedic problems; hydrotherapy and basic dressing changes to include universal precautions and infection control; treatment preparation; client positioning and clinic maintenance. The course also fosters the development of communication skills, interpersonal relationships and professionalism required for the health care field. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

122 Introduction to Pathology
3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.
This course focuses on the etiology and characteristics of diseases of the body's systems as they relate to physical therapy and includes a consideration of the general principles of tissue injury, inflammation and healing. The course is designed for students enrolled in the Physical Therapist Assistant Program but is also appropriate for those interested in physical therapy or pathology with a musculoskeletal emphasis. This course is offered in the spring semester only. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

123 Introduction to Therapeutic Exercise
1 hour lecture, 3 hours lab, 2 units
Grade Only

Prerequisite: Physical Therapist Assistant 114 with a grade of "C" or better, or equivalent.
Limitation on Enrollment: Special Admission - must be admitted to program.
This course provides the future Physical Therapist Assistant (PTA) with an exposure to the duties that relate to the PTA scope of practice specific to basic principles of therapeutic exercise, including: range of motion, goniometry, manual muscle testing and proprioceptive neuromuscular facilitation. Basic lower extremity exercises are also introduced. This course is offered in the spring only. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

126 Physical Therapy Techniques II
2 hours lecture, 2 units
Grade Only

Prerequisite: Physical Therapist Assistant 116 and 116L, each with a grade of "C" or better, or equivalent.
Corequisite: Physical Therapist Assistant 122, 123 and 126L.
Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Physical Therapist Assistant 120.
This lecture course is for student physical therapist assistants (PTAs) and is a continuation of Physical Therapy Techniques I with an emphasis on advanced skills and rehabilitation in acute care. It explores the duties related to the PTA scope of practice, including the application of mechanical traction, electrotherapy and electromagnetic physical agents as well as vasopneumatic compression, chest physical therapy, wound care, transfer and transportation of patients, gait techniques for specific diagnoses, and the identification of architectural barriers and basic wheelchair management. Students continue to use medical terms, charting skills, and role play to foster patient and family teaching as well as a deepening of self-awareness of communication skills and professionalism. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

126L Physical Therapy Techniques II
6 hours lab, 2 units
Grade Only

Prerequisite: Physical Therapist Assistant 116 and 116L, each with a grade of "C" or better, or equivalent.

Corequisite: Physical Therapist Assistant 122, 123 and 126.

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Physical Therapist Assistant 120.

This laboratory course is for student physical therapist assistants (PTAs) and is a continuation of Physical Therapy (PT) Techniques I with an emphasis on advanced skills and rehabilitation in acute care. It explores the duties related to the PTA scope of practice including the application of mechanical traction, electrotherapy and electromagnetic physical agents as well as vasopneumatic compression, chest physical therapy, wound care, transfer and transportation of patients, gait techniques for specific diagnoses, and the identification of architectural barriers and basic wheelchair management. Students continue to use medical terms, charting skills and role play to foster their development as PTAs. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

137 Orthopedic Exercise and Rehabilitation **2 hours lecture, 2 units** **Grade Only**

Prerequisite: Physical Therapist Assistant 114, 123, 126, and 126L, each with a grade of "C" or better, or equivalent.

Corequisite: Completion of or concurrent enrollment in: Physical Therapist Assistant 142A.

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Physical Therapist Assistant 134.

This course provides the student with kinesiological based approach to the clinical applications used in the treatment and rehabilitation of the client with orthopedic and related diagnoses. The focus is on safe, legal, ethical and appropriate use of therapeutic exercise and screening assessment procedures, including physiological and therapeutic effects and indications and contraindications. This course is for students enrolled in the Physical Therapist Assistant Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

137L Orthopedic Exercise and Rehabilitation-Lab **6 hours lab, 2 units** **Grade Only**

Prerequisite: Physical Therapist Assistant 114, 123, 126, and 126L, each with a grade of "C" or better, or equivalent.

Corequisite: Physical Therapist Assistant 142A.

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for students with previous credit for Physical Therapist Assistant 134.

This course provides the student with a kinesiological based approach to the clinical applications used in the treatment and rehabilitation of the client with orthopedic and related diagnoses. The focus is on safe, legal, ethical and appropriate use of therapeutic exercise and screening assessment procedures, including physiological and therapeutic effects and indications and contraindications. This course is for students enrolled in the Physical Therapist Assistant Program. This course fosters the development of communication skills, interpersonal relationships and professionalism required for the health care field. It also requires a high level of critical thinking skills related to implementing and modifying physical therapy interventions. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

138 Topics in Neurology and Rehabilitation **1.5 hours lecture, 1.5 units** **Grade Only**

Prerequisite: Physical Therapist Assistant 126 and 126L with a grade of "C" or better, or equivalent.

Corequisite: Physical Therapist Assistant 138L and Physical Therapist Assistant 142A.

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Physical Therapist Assistant 136.

This course deals with the principles of the functional activities and rehabilitation procedures relating to the management of therapy clients with neurological diagnoses. Other topics include normal growth and development and the rehabilitation of cardiopulmonary conditions. The focus is on the safe, legal, ethical and appropriate use of rehabilitation procedures, including physiological and therapeutic effects. The course also focuses on the development of communication skills, interpersonal relationships and professionalism required for the health care field. It requires a high level of critical thinking related to implementing and modifying physical therapy interventions. This course is for students enrolled in the Physical Therapist Assistant (PTA) Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

138L Topics in Neurology and Rehabilitation
3 hours lab, 1 unit
Grade Only

Prerequisite: Physical Therapist Assistant 126 and 126L, each with a grade of "C" or better, or equivalent.

Corequisite: Physical Therapist Assistant 138 and 142A, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Physical Therapist Assistant 136.

This course deals with the clinical application of the functional activities and rehabilitation procedures relating to the management of therapy clients with neurological diagnoses. Other topics include normal growth and development and the rehabilitation of cardiopulmonary conditions. The focus is on the safe, legal, ethical and appropriate use of rehabilitation procedures, including physiological and therapeutic effects. The course also focuses on the development of communication skills, interpersonal relationships and professionalism required for the health care field. It requires a high level of critical thinking related to implementing and modifying physical therapy interventions. This course is for students enrolled in the Physical Therapist Assistant (PTA) Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

141 Organization of Physical Therapy
2 hours lecture, 2 units
Grade Only

Prerequisite: Physical Therapist Assistant 110 with a grade of "C" or better, or equivalent.

This course provides future physical therapist assistants with the principles of organization, management, supervision, productivity levels and performance evaluations. Other topics include: the legal and ethical aspects of physical therapist assistants' occupation as described in the state board and national association regulations and standards; federal, state and private insurance regulations; medications commonly used by those receiving physical therapy; professional liability insurance; job hunting skills; and the discussion of issues in the medical field as they impact physical therapy. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

142A Directed Clinical Practice
150 hours total by arrangement, 2 units
Grade Only

Completion of or concurrent enrollment in: Physical Therapist Assistant 137, 137L, 138 and 138L, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students who have successfully completed Physical Therapist Assistant 140A and 140B.

This course provides the third semester Physical Therapist Assistant (PTA) student a supervised application of previously learned techniques and skills in the rehabilitation of patients in a selected clinical facility affiliated with the college. The focus is on safe, legal, ethical and effective use of physical therapy interventions. This course also fosters the development of communication skills, interpersonal relationships and professionalism required for the healthcare field. It requires a high level of critical thinking related to implementing, modifying and progressing physical therapy rehabilitation programs. Students are placed in either an inpatient or an outpatient facility. Supervision of the student at the intermediate level is provided by the staff of the affiliating institution and is coordinated by the college faculty. This course is the first of two Directed Clinical Practice courses in the PTA Program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

143A Directed Clinical Practice
375 hours total by arrangement, 5 units
Grade Only

Prerequisite: Physical Therapist Assistant 142A with a grade of "C" or better, or equivalent.

Limitation on Enrollment: Health and Safety. This course is only open to students enrolled in the Physical Therapist Assistant Program

Limitation on Enrollment: This course is not open to students with previous credit for Physical Therapist Assistant 142B.

This course provides the fourth semester Physical Therapist Assistant (PTA) student a supervised application of previously learned techniques and skills in the rehabilitation of patients in two selected clinical facilities affiliated with the college. The focus is on job-ready application in the safe, legal, ethical and effective use of physical therapy interventions. This course requires an advanced level of professional communication and interpersonal relationships necessary for the healthcare field. It requires an advanced level of critical thinking related to the implementation, modification and progression of

physical therapy rehabilitation programs. Students are placed in both an inpatient and outpatient facility. Supervision of the student at the job-ready level is provided by the staff of the affiliating institution and is coordinated by the college faculty. This course is the second of two Directed Clinical Practice course in the PTA program. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

290 Independent Study

**Hours by Arrangement, 1-4 units
Grade Only**

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Provides for additional research, academic or clinical experiences for students with special interests. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit only and not Transferable.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

PHYSICS (PHYS)

100 Introductory Physics

**3 hours lecture, 3 hours lab, 4 units
Letter Grade or Pass/No Pass Option**

Advisory: Mathematics 46 with a grade of "C" or better, or equivalent, or Assessment Skill Level M40.

This course is designed for transfer-level students or for those wanting to acquire basic knowledge in physics with a minimum preparation in mathematics. A comprehensive coverage of subject matter in physics is presented, including mechanics, wave motions, thermodynamics, optics, electromagnetism, atomic and nuclear physics. Emphasis is on the conceptual aspects, including explanation of natural phenomena. The learning of concepts is reinforced through laboratory work. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: No credit for Physics (PHYS) 100 if taken after a college level course in Physics. Engineering Technology (ENGN) 110, Chemistry (CHEM) 100, and Physics (PHYS) 100 combined: maximum credit, one course.

125 General Physics

**4 hours lecture, 3 hours lab, 5 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 104 or Mathematics 116, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Physics 120A, 121A, 124A, 125A, or 195.

This course is an introductory survey of the concepts and principles of physics. Emphasis is placed on developing an understanding of the properties of matter, mechanics, heat and sound. This course is intended for students taking liberal arts and/or pre-professional courses that do not require physics with calculus. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations: Physics (PHYS) 120A-120B, 121A-121B, 124A-124B, 125-126, 180A-180B, 181A-181B, 195A-195B-195C and 195-196-197 combined: maximum credit, one series.

126 General Physics II

**4 hours lecture, 3 hours lab, 5 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Physics 125 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Physics 120B, 121B, 124B, 125B, 195B or 196.

This second course in a two-part introductory survey explores the concepts and principles of physics. Topics include electricity, magnetism, light, and modern physics. This course is intended for students taking liberal arts and/or pre-professional courses that do not require physics with calculus. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations: Physics (PHYS) 120A-120B, 121A-121B, 124A-124B, 125-126, 180A-180B, 181A-181B, 195A-195B-195C and 195-196-197 combined: maximum credit, one series.

195 Mechanics

**4 hours lecture, 3 hours lab, 5 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 150 with a grade of "C" or better, or equivalent.

Corequisite: Mathematics 151 with a grade of "C" or better, or equivalent.

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with previous credit for Physics 195A and Physics 196A.

The Physics 195, 196, 197 sequence is designed to give a foundation in calculus-based physics for engineering and science majors. Physics 195 deals primarily with the description of motion, Newton's Laws, energy, momentum, rotation, gravity, oscillatory motion, and thermodynamics. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations: Physics (PHYS) 120A-120B, 121A-121B, 124A-124B, 125-126, 180A-180B, 181A-181B, 195A-195B-195C and 195-196-197 combined: maximum credit, one series.

196 Electricity and Magnetism

**4 hours lecture, 3 hours lab, 5 units
Grade Only**

Prerequisite: Physics 195 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Physics 195B and 196B.

This is the second of a three-semester calculus-based general physics sequence, intended to satisfy the transfer requirements of students planning to major in the physical sciences and in engineering. The topics of study include the basic principles and applications of electrostatics, magnetostatics, time-varying electric and magnetic phenomena, direct and alternating current circuits, elementary electronics and electromagnetic waves. Emphasis is placed on the mathematical analysis of physical problems. Laboratory work on various aspects of electric and magnetic phenomena emphasizing direct current and alternating current circuits is included. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations: Physics (PHYS) 120A-120B, 121A-121B, 124A-124B, 125-126, 180A-180B, 181A-181B, 195A-195B-195C and 195-196-197 combined: maximum credit, one series.

197 Waves, Optics and Modern Physics

**4 hours lecture, 3 hours lab, 5 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Physics 195 with a grade of "C" or better, or equivalent.

Advisory: Completion of or concurrent enrollment in: Physics 196 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Physics 195C and Physics 196C.

Physics 197 is the third semester of a three semester calculus-based course designed for prospective scientists and engineers. Topics include the fundamental principles of physics of waves, the behavior of light, and an introduction to relativity,

quantum physics and the atomic and nuclear properties of matter. PHYS 196 and 197 may be taken concurrently only if PHYS 195 was completed with a grade of "B" or better or with approval of the department. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitations: Physics (PHYS) 120A-120B, 121A-121B, 124A-124B, 125-126, 180A-180B, 181A-181B, 195A-195B-195C and 195-196-197 combined: maximum credit, one series.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

POLITICAL SCIENCE (POLI)

101 Introduction to Political Science

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introductory study of the fundamental concepts and methods of Political Science. Emphasis is placed on historical and contemporary political theories, ideologies and cultures as well as on political institutions, parties and interest groups and the international political system. This course may be required for students planning to major in Political Science and is highly recommended for students transferring to four-year institutions. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

102 The American Political System

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This comprehensive survey course, designed for students intending to transfer to a four-year college or university, provides an in depth study of the American political system. Both national and California experiences are studied from the perspective of constitutional frameworks, institutions, issues, and policies. NOTE: If used to satisfy part of the American Institutions requirement, Political Science 102 may not

be used to satisfy the SDCC District's three-unit social science requirement. Political Science 102 is required for completion of the major in political science. Political Science 102 taken in conjunction with History 109, 115A, 141, 150; Black Studies 140A; Chicano Studies 141A, satisfies the District and CSU American Institutions/California Government requirements. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

103 Comparative Politics

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Limitation on Enrollment: This course is not open to students with credit for Political Science 130.

A general study of selected governments, their development, organization, administration, and politics. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

140 Contemporary International Politics

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of world politics including the various approaches to international relations and international political economy. Emphasis is placed on the roles of nationalism, nation-states, transnationalism and international organizations in the making of contemporary world politics as well as on issues of national security, power and diplomacy, economic competition, international law and the environment. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

PSYCHOLOGY (PSYC)

101 General Psychology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a survey of the concepts, principles and terminology of psychology as a science. Emphasis is placed on introducing students to the diverse areas that make up the field of psychology, preparing students for further study in the behavioral sciences and providing students with greater insight into human behavior. This course is designed for students planning to take advanced courses in the Social and Behavioral Sciences and/or students majoring in Psychology. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Psychology (PSYC) 101 and Black Studies (BLAS) 104 combined: maximum credit, one course.

111 Psychological/Social Aspects of Aging, Death and Dying

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course explores the psychological, physiological and social factors influencing behavior during the later years of life. Through improving their understanding of the conditions and problems of growing older in today's world, students may increase their empathy with the aged in society as well as enhance their adaptation to their own aging process. (FT.) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

112 Interpersonal Relations

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6.

This course is a study of psychological theories as applied to the understanding of self in relationship to others. Emphasis is placed on the development and practice of interpersonal skills. This course is intended for students with an interest in psychology and

interpersonal relations. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

121 Introduction to Child Psychology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

An examination of child growth and development from conception through adolescence, including environmental management and interpersonal relations with special emphasis on the preschool years. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: No credit for Psychology (PSYC) 121 or 123 if taken after 230.

123 Adolescent Psychology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

An exploration of an explosive period in human development. Major goals of this course are to understand the stresses experienced during the teenage years, and to investigate methods of coping with the individual adolescent. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: No credit for Psychology (PSYC) 121 or 123 if taken after 230.

125 Introduction to Behavior Modification

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6. This course is an introduction to the basic principles of behavior modification. Emphasis is placed on applied learning theory as it pertains to life-style issues, including exercise, weight and diet, time management, stress and relaxation. This course is intended for Psychology majors and all students interested in the practical applications of learning theory. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

128 Biofeedback and Stress Management

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5. This course explores Biofeedback as a theoretical and practical discipline that uses physiological monitors to increase awareness and control of normally subconscious glandular and muscular responses for the purpose of increasing physical and psychological

health. The course is open to any student with an interest in learning the theories of biofeedback and stress management. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

133 Psychology of Women

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skills Levels W5 and R5.

Psychology of Women is designed for students seeking an associate degree or those seeking elective credit for transferring to the CSU or UC systems or any student interested in women's issues. The course explores the nature of women's lives and the various roles that women play during their lives and takes an historical, ethnic and cross-cultural look at the treatment of women in the United States and abroad. Students examine women's sexuality, health, life span development and socio-political status in the world today. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

135 Marriage and Family Relations

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course examines the behaviors related to courtship, engagement, marriage, and family life as well as how science helps us understand these experiences. It surveys historical, cross cultural, and social perspectives of families. The course addresses interpersonal communication, economic management, and sexuality as they relate to the family. This course can be beneficial to students pursuing advanced degrees in child development or family studies. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

137 Human Sexual Behavior

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course explores the psychological, social, and physiological dimensions of human sexual behavior. Students review specific theories and research

findings and focus on individual sexual development, functioning, and healthy decision making. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Psychology (PSYC) 137 and Black Studies (BLAS) 165 combined: maximum credit, one course.

155 Introduction to Personality

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6. This course is a survey of the fundamental personality theories within the field of psychology. Emphasis is placed on the personal life experiences of each of the major personality theorists, their research methods and approaches to the study and understanding of personality, and clinical applications of their theories. This course is designed for psychology majors and anyone seeking a stronger understanding of psychological theory. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

161 Introduction to Counseling

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6. This course is an introductory study of the history and complexity of the counseling relationship. Emphasis is placed on the skills required to be an effective counselor. Topics include various counseling approaches and settings as well as related legal and ethical issues. This course is intended for psychology majors and anyone interested in the therapeutic aspects of psychology/counseling. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

165 Theories of Consciousness

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

A scientific and systematic introduction to the historical perspectives and concepts basic to the understanding of consciousness. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

166 Introduction to Social Psychology

3 hours lecture, 3 units

Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

Social psychology examines how individuals are influenced by their social environment. Special attention is given to social cognition and perception, self-justification, conformity, group dynamics, prejudice, aggression, prosocial behavior and applied social psychology. Emphasis will be placed on developing critical and integrative ways of thinking about theory and research in social psychology. This course is for anyone who is interested in the subject of social psychology. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Academic and Career Opportunities in Psychology

1 hour lecture, 1 unit

Pass/No Pass

Prerequisite: Psychology 101 with a grade of "C" or better, or equivalent.

Advisory: 30 units of college course work.

This course is a study of career options in the field of Psychology. Emphasis is placed on the identification of career-related strengths and interests and information on post-baccalaureate options in psychology and related fields. This course is designed for students interested in majoring in psychology. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

207 Psychology of Religion

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

An inquiry into psychological factors in personal religious experience and the values held by religious groups; a comparison of selected Eastern and Western

211 Learning**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: Psychology 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Psychology 210. Students learn about the basic principles and research in animal and human learning. Subjects include scientific versus nonscientific approaches to behavior studies, operant and respondent conditioning, observational and cognitive learning, and motivation as related to self-control. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

230 Psychology of Lifespan Development**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: Psychology 101 with a grade of "C" or better, or equivalent.

This course is designed for students interested in studying the psychological development of humans in all their sociocultural diversity from conception to death. Students learn major theoretical positions related to growth and change. The course emphasizes the variety of factors that shape similarities and differences in life. Psychology majors wishing to transfer are advised to take this course. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

245 Abnormal Psychology**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course provides a comprehensive survey of troubled patterns of behavior. Students explore theoretical models as they relate to etiology, treatment, and prognosis of psychopathologies. Students also learn how the DSM-IV helps identify and assess various disorders. Topics include legal and social policy issues. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

255 Introduction to Psychological Research**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: Psychology 101 with a grade of "C" or better, or equivalent.

This course is an introduction to scientific methodology in psychology. Emphasis is placed on descriptive, experimental, and applied research. Students learn the American Psychological Association writing style for empirical report writing. This course is intended for psychology majors and behavioral science students interested in the processes of research. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

258 Behavioral Science Statistics**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: Mathematics 96 with a grade of "C" or better, or equivalent, or Assessment Skill Levels M50. *Advisory:* English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is an introductory study of statistics for the Behavioral Sciences. Emphasis is placed on acquainting students with the concepts underlying statistical methods and research approaches, basic statistical analyses and principles. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Mathematics (MATH) 119, Biology (BIOL) 200 or Psychology (PSYC) 258 combined: maximum credit, one course.

260 Introduction to Physiological Psychology**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: Psychology 101 with a grade of "C" or better, or equivalent.

Students learn about the physiological determinants of behavior. Subjects include behavior evolution, the nervous system, and endocrine glands as well as their relationship to perception, learning, motivation, emotion, and personality. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

262 Health Psychology**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Prerequisite: Psychology 101 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Psychology 265: Health Psychology.

This course surveys concepts and applications of psychology that are effective in the areas of optimizing health and the delivery of treatment, including behavior analysis and cognitive interventions and prevention techniques. Perspectives of health psychology research and how it leads to better medical care are discussed. The course is open to any student who has an interest in the study of the interrelationships of health and psychology. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

276 Field Work in Psychological Services
2 hours lecture, 3 hours other, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This supervised field experience course enables the student to be of service to the community while learning about the function of human care services. Emphasis is placed on providing students with the chance to explore the varied career choices in the field of psychology as well as on practical experience with basic helping skills in current social service situations. This course is intended for students who want to work with people in human care services. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

RADIOLOGIC TECHNOLOGY (RADT)

105 Basic Radiologic Technology
3 hours lecture, 3 units
Grade Only

Corequisite: Radiologic Technology 251A. This course introduces the student to medical imaging: history, role and function of the radiographer, professional organizations, ethical and legal principles, California Title 17, and relationship of the profession to the health care delivery system. Medical and radiographic terminology, basic

radiation, and electrical protection of patient and self; basic technical principles are included. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

110 Recording Media and Processing
2 hours lecture, 2 units
Grade Only

Corequisite: Radiologic Technology 251C. This course provides the student with knowledge of recording media utilized to produce diagnostic images. Various media acquisition techniques, image processing and storage are discussed including PACS (picture archiving and communications systems). (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

120A Radiographic Exposure
2 hours lecture, 2 units
Grade Only

Corequisite: Radiologic Technology 251C. This course provides the student with the knowledge of factors that govern and influence the production of the radiographic image on recording media. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

120B Radiographic Exposure Laboratory
3 hours, 1 unit
Grade Only

Corequisite: Radiologic Technology 251C. This laboratory course provides the student with clinical applications of the theory and concepts of radiographic exposure of Radiologic Technology 120A. Principles and techniques of daily photographic quality assurance are introduced. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

130 Patient Care
2 hours lecture, 2 units
Grade Only

Corequisite: Radiologic Technology 251A. This course provides the student with basic concepts of integrated patient care within the radiology department including physical and psychological needs of the patient, venipuncture techniques with associated application in contrast media injection, treatments of complication and/or reaction to media injection. Routine and emergency patient care procedures are described as well as infection control procedures utilizing universal precautions. Common drug nomenclature and basic concepts of

pharmacology are introduced. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

199 Radiographic Positioning I

**1 hour lecture, 3 hours lab, 2 units
Grade Only**

Corequisite: Radiologic Technology 251A.
This is a course designed to introduce the student to the basic theories of standard radiographic positioning. Positioning considerations for routine radiographic procedures to image the upper and lower extremities, bony thorax, abdomen, and pelvis are identified and simulated in the laboratory setting. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

200 Radiographic Positioning II

**1 hour lecture, 3 hours lab, 2 units
Grade Only**

Corequisite: Radiologic Technology 251C.
This is a course designed to relate the basic theories of standard radiographic positioning and procedures identified in RADT 199 to the standard radiographic positioning and procedures of the vertebral column, alimentary canal, urinary, biliary, and reproductive systems. Positioning considerations for routine procedures are identified and simulated in the laboratory setting. The associated radiographic is included. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

211 Radiographic Positioning III

**1 hour lecture, 3 hours lab, 2 units
Grade Only**

Corequisite: Radiologic Technology 252B.
This is an advanced level course in radiologic procedures, radiographic positioning and radiographic associated pathology for, special procedures, mammography, pediatric, and interventional radiography. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

220 Radiographic Technique

**3 hours lecture, 3 units
Grade Only**

Corequisite: Radiologic Technology 252B.
This is an advanced level course designed to study the theoretical and practical aspects relating to exposure techniques and radiographic quality. Primary emphasis is placed on problem solving and reasoning

for practical image quality and improvement. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

230 Radiologic Science

**2 hours lecture, 2 units
Grade Only**

Corequisite: Radiologic Technology 252B.
This is an advanced level course to provide the student with a working knowledge of radiologic physics from x-ray generating equipment, beam characteristics to x-ray interaction. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

240 Radiation Biology

**1 hour lecture, 1 unit
Grade Only**

Corequisite: Radiologic Technology 253A.
This is an advanced level course to study radiation hazards and the potential consequences to both the technologist and the patient. The most appropriate means of minimizing the radiation dose is emphasized with California's Title 17 radiation regulations as a foundation for discussion and application. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

241 Sectional Anatomy

**3 hours lab, 1 unit
Grade Only**

Corequisite: Radiologic Technology 253A.
This is a course to provide the student radiographer who possesses a background in general anatomy with an orientation to sectional anatomy and to correlate such with structures demonstrated on images from the various imaging modalities. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

242 Organization of Radiology

**1 hour lecture, 1 unit
Grade Only**

Corequisite: Radiologic Technology 253B.
This advanced level course deals with the principles of organization, management, supervision, productivity levels and performance evaluations. Other topics include the legal and ethical aspects of radiographers as described in state licensure and national association regulations and standards, professional resumes, and the discussion of issues in the medical field as they impact medical imaging. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

244 CT and MRI Imaging**3 hours lecture, 3 units
Grade Only**

Corequisite: Radiologic Technology 253A.

Limitation on Enrollment: Special Admission - must be admitted to program.

This is a course for radiologic technology students to study the imaging modalities of computer tomography (CT) and magnetic resonance (MR) imaging. The underlying physical principles, imaging methods, instrumentation, imaging manipulation and clinical use of the modalities in diagnostic imaging are explored. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

248 Mammography I**1 hour lecture, 1 unit
Grade Only**

Corequisite: Radiologic Technology 253A.

Limitation on Enrollment: This course is not open to students with credit for Radiologic Technology 265: Mammography.

This is a comprehensive course to examine the basic principles of mammography and its clinical application in diagnosing breast disease. Essential background information in the early detection of breast cancer is also explored. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

251A Directed Clinical Practice**3 units, 15 other hours
Grade Only**

Prerequisite: Biology 160 with a grade of "C" or better, or equivalent.

Corequisite: Radiologic Technology 105, Radiologic Technology 130 and Radiologic Technology 199.

Limitation on Enrollment: Special Admission - must be admitted to program.

This course introduces the student to the supervised clinical hospital experience of the radiographer program. With direct supervision, the student observes and begins to perform radiographic procedures and examinations with utilizing medical ethics and patient care principles. Supervision is shared by the staff of the clinical education center and college faculty. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities

251C Directed Clinical Practice**225 - hours other, 3 units
Grade Only**

Prerequisite: Radiologic Technology 251A with a grade of "C" or better, or equivalent.

Corequisite: Radiologic Technology 200

Limitation on Enrollment: Special Admission - must be admitted to program. This course is not open to students with previous credit for Radiologic Technology 251B.

This course is designed to give radiologic technology students supervised clinical experience. The focus is placed on the safe, legal, ethical and effective application of procedures used in obtaining diagnostic radiographs of the vertebral column; digestive, urinary, hepatobiliary and reproductive systems. This course also fosters the development of communication skills, interpersonal relationships and professionalism required for the healthcare field. Supervision is shared by the staff of the clinical site and college faculty. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

252A Directed Clinical Practice**375 hours other, 5 units
Grade Only**

Prerequisite: Radiologic Technology 110, 120A, 120B, 200, and 251C, each with a grade of "C" or better, or equivalent.

This is a course to provide continued supervised clinical experience to demonstrate competency of recently taught radiographic procedures and examinations and to demonstrate continued competency of the exams previously evaluated. Supervision is shared by the staff of the clinical education center and college faculty. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

252B Directed Clinical Practice**375 hours other, 5 units
Grade Only**

Prerequisite: Radiologic Technology 252A with a grade of "C" or better, or equivalent.

Corequisite: Radiologic Technology 211, 220, and 230.

This is a course to provide continued supervised clinical experience to demonstrate continued competency and to introduce advanced procedures including special procedures, interventional and pediatric radiography. Special emphasis is placed on image quality and improvement analysis. Supervision is shared by the staff of the clinical education center and college faculty. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

253A Directed Clinical Practice**375 hours other, 5 units
Grade Only**

Prerequisite: Radiologic Technology 211, 220, 230, and 252B, each with a grade of "C" or better, or equivalent.
Corequisite: Radiologic Technology 240, 241, 244, and 248.

This is a course to provide demonstration of required positioning and procedure competencies and to begin documentation of final competency prior to program completion. In addition, the student begins rotations to augment their clinical experience in areas such as CT, MRI, special procedures and outpatient clinical centers. Supervision of the student is shared by the staff of the clinical education center and college faculty. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

253B Directed Clinical Practice**375 hours other, 5 units
Grade Only**

Prerequisite: Radiologic Technology 240, 241, 244, and 253A, each with a grade of "C" or better, or equivalent.
Corequisite: Radiologic Technology 242.

This is a course to provide integration of all program objectives and to provide documentation of final competencies in preparation for licensure examinations and program completion. Supervision of the student is shared by the staff of the clinical education center and college faculty. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

REAL ESTATE (REAL)**101 Real Estate Principles****3 hours lecture, 3 units
Grade Only**

This course covers the fundamentals of the economics of land ownership and use and the responsibility of broker, owner and purchaser; terminology and definitions and the varied vocational opportunities in the general field of real estate are also covered. Completion of this course is required prior to taking the exam for the California Real Estate Salesperson's License. This course also applies as an elective toward the State's educational requirements for the broker's examination. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

105 Legal Aspects of Real Estate I**3 hours lecture, 3 units
Grade Only**

This course is a study of California Real Estate law. Emphasis is placed on the practical application of the law to legal problems arising from real estate transactions, statutory enactment and case law, legal instruments, zoning ordinances, and city and county planning decisions. This course applies toward the State's educational requirements for the broker's examination and as an elective for the salesperson's license. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

110 Principles of Real Estate Appraisal I**3 hours lecture, 3 units
Grade Only**

This course is a study of basic appraisal principles, market analysis and highest and best use. Emphasis is placed on providing students with an overview of real property concepts and characteristics, legal consideration, value influences, real estate finance, types of value, economic principles, real estate markets and analysis, and ethics in appraisal practice. Course content also includes the tools needed to properly collect and analyze market data including market segmentation and disaggregation, supply side analysis, demand analysis and highest and best use. This course applies toward the new 2008 basic educational requirements of the Office of Real Estate Appraisers for the California Real Estate Appraisal license and is structured to comply with the 2008 curriculum requirements of the Appraisal Qualifications Board. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

111 Introduction to Uniform Standards of Professional Appraisal Practice (USPAP)**1 hour lecture, 1 unit
Grade Only**

Advisory: Real Estate 110 with a grade of "C" or better, or equivalent.

This course is a practical study of the appraisal profession and its application of the Uniform Standards of Professional Appraisal Practice (USPAP). Course content includes a history of the appraisal industry, USPAP rules and standards, and an overview of The Appraisal Foundation (TAF), the Appraisal Standards Board (ASB), the Appraiser Qualifications Board (AQB) and the Appraisal Subcommittee (ASC). This course satisfies the AQB and the California Office of Real Estate Appraisers (OREA) 15-hour USPAP requirements as part of the 150 hours of required

education for the Appraiser Trainee License. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

115 Real Estate Finance I

**3 hours lecture, 3 units
Grade Only**

This course analyzes the financing of real estate. Topics will include types of financing sources; loans and loan processing; governmental loans, methods of financing residential properties; with an overview of financing business, income, commercial and industrial properties; and property appraisal and taxation. This course applies toward the State's educational requirements for the broker's examination and as an elective for the salesperson's license. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

120 Real Estate Practice

**3 hours lecture, 3 units
Grade Only**

This course examines the principles of real estate practice as they pertain to day-to-day operations in a real estate office. Topics include listings, valuations, prospecting, selling, financing, exchanges, taxation and specialized brokerage operations. Professional and ethical activities are stressed. This course applies toward the State's educational requirements for the broker's examination and as an elective for the salesperson's license. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

125 Real Estate Economics

**3 hours lecture, 3 units
Grade Only**

This course deals with trends and factors that affect the value of real estate; the nature and classification of land economics; the development of property, construction and subdivision, economic values and real estate evaluation; real estate cycles and business fluctuations; residential market trends; real property and special purpose property trends. This course applies toward the State's educational requirements for the broker's examination and as an elective for the salesperson's license. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

130 Real Property Management

**3 hours lecture, 3 units
Grade Only**

This course is a practical approach to the principles and practices of managing income properties, including leasing, tenant relations, collections, and rent schedules; budgets and purchasing; market economics; landlord-tenant law, evictions, prohibited discrimination, property maintenance; taxation; and record keeping, and marketing. This course applies as an elective toward the State's educational requirements for the broker's examination and for the salesperson's license. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

RUSSIAN (RUSS)

101 First Course in Russian

**5 hours lecture, 5 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5. This is an entry level course designed to introduce students to the Russian language and cultures of the Russian-speaking world. In this interactive course, students learn and use the language by speaking, listening, reading, and writing at the novice level. Basic language structures and vocabulary for communication are examined and explored in Russian. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.

102 Second Course in Russian

**5 hours lecture, 5 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Russian 101 with a grade of "C" or better, or equivalent. This course is a continuation of Russian 101, developing language competency and an understanding of the Russian culture. In this interactive course, students are listening, reading, speaking, and writing beyond the novice level. The

students develop their receptive and productive competencies to the low-intermediate or mid-intermediate level. Additional language structures and vocabulary for communication are examined and explored in Russian. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Third Course in Russian

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Russian 102 or three years of high school Russian with a grade of "C" or better, or equivalent. *Advisory:* Concurrent enrollment in: Russian 296. This is the third course in the Russian language sequence. In this interactive course, students use the language through speaking, listening, reading, and writing at the intermediate level. More complex language structures and vocabulary for communication are examined and explored as well as the literary and historical aspect of Russian culture. This course is appropriate for students interested in continuing their study of the Russian language and culture as well as for students who need to meet language proficiency or general education requirements in the humanities. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

SOCIOLOGY (SOCO)

101 Principles of Sociology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5. The basic facts, concepts and generalizations of sociology are covered. Content includes the scientific study of social interaction and organization with special reference to present-day America, including cross-cultural and multicultural analysis. This course is useful for those considering careers in counseling, teaching, social work, and nursing. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Sociology (SOCO)

101 and Black Studies (BLAS) 115 combined: maximum credit, one course.

110 Contemporary Social Problems

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course requires students to identify and analyze present day social problems in the United States, with emphasis on sociological factors involved, while including cross-cultural and multicultural analysis. Students will use scientific methods of approaches to and criteria for evaluating proposals for social betterment. This course is useful for students pursuing careers in criminology, counseling, education, law, medicine, and dental hygiene. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

125 Sociology of the Family

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course is a study of the structures and functions of the family as a social, cultural and historical institution in the United States and throughout the world. Emphasis is placed on an analysis of the family's relationship to economic structures, political institutions and belief systems. Topics include definitions of family, gender roles and family stability. This course is intended for students majoring in sociology, psychology, social work and counseling as well as any student interested in the study of the family as an institution. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Advanced Principles of Sociology

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

A course designed to continue the examination of the major ideas that have shaped contemporary sociology. Special attention is given to classical social thinkers and to the origin of sociology as a science. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

223 Globalization and Social Change**3 hours lecture, 3 units****Letter Grade or Pass/No Pass Option**

Advisory: English 101 with a grade of "C" or better, or equivalent, or Assessment Skill Levels R6 and W6; Sociology 101 with a grade of "C" or better, or equivalent.

This course evaluates the social and political changes brought on by globalization among industrialized, industrializing, and underdeveloped nations. It presents arguments and theories for and against globalization and supplements with empirical examples. The course is useful for those considering careers in law, politics, business, teaching, and non-profit organizations dealing with human rights issues, political advocacy, and international affairs. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

SPANISH (SPAN)**100 First/Second Course in Spanish (Accelerated)****10 hours lecture, 10 units****Letter Grade or Pass/No Pass Option**

Advisory: English 43 with a grade of "C" or better, or equivalent, or Assessment Skill Level W4; and concurrent enrollment in Spanish 296.

Limitation on Enrollment: This course is not open to students with credit for or concurrent enrollment in Spanish 101 or 102.

This course in Spanish is designed to serve as a combination of the two beginning Spanish courses, Spanish 101 and 102. This is an entry-level course to the Spanish language and cultures of the Spanish-speaking world. In this interactive course, students use the language through speaking, listening, reading, and writing. The students develop their receptive and productive competencies to the intermediate low or mid level. Language structures and vocabulary for communication are examined and explored in Spanish. (FT) Associate Degree Credit & transfer to

CSU and/or private colleges and universities. UC Transfer Limitation: Spanish (SPAN) 100, 101-102 combined: maximum credit, 10 units.

101 First Course in Spanish**5 hours lecture, 5 units****Letter Grade or Pass/No Pass Option**

Advisory: English 43 with a grade of "C" or better, or equivalent, or Assessment Skill Level W4.

Limitation on Enrollment: This course is not open to students with previous credit for or concurrent enrollment in Spanish 100.

This entry level course introduces students to the Spanish language and cultures of the Spanish-speaking world. In this interactive course, students learn and use the language by speaking, listening, reading, and writing at the novice level. They also examine and explore basic Spanish language structures and vocabulary. This course is intended for beginning students who seek basic proficiency in the Spanish language, students who want to take other Spanish courses, and students who want to learn Spanish for their personal enrichment. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Spanish (SPAN) 100, 101-102 combined: maximum credit, 10 units.

102 Second Course in Spanish**5 hours lecture, 5 units****Letter Grade or Pass/No Pass Option**

Prerequisite: Spanish 101 with a grade of "C" or better, or equivalent, or two years of high school Spanish with a grade of "C" or better, or equivalent.

Advisory: English 43 with a grade of "C" or better, or equivalent, or Assessment Skill Level W4.

Limitation on Enrollment: This course is not open to students with previous credit for or concurrent enrollment in Spanish 100.

In this interactive continuation of first-semester Spanish, students develop listening, reading, speaking, and writing skills at a more complex level. Students further develop their receptive and productive competencies to the intermediate low/mid level. The course explores additional Spanish language structures and vocabulary for communication. This course is intended for students who want to further their basic proficiency in the Spanish language, students who want to take a third-semester Spanish course, and students who want to continue learning Spanish for their personal enrichment. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC

Transfer Limitation: Spanish (SPAN) 100, 101-102 combined: maximum credit, 10 units.

201 Third Course in Spanish

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Spanish 102 with a grade of "C" or better, or equivalent, or three years of high school Spanish. This course is an interactive study of Spanish at the intermediate level with increased emphasis on reading and writing while listening and speaking skills continue to develop. The course material emphasizes formal study of the language structure and further development of vocabulary and functional competence. The course also provides for increased awareness of cultural norms, values, and culturally relevant and appropriate customs and events. The content is expanded beyond "survival" needs in the immediate environment and deals in greater detail in areas such as the arts, the environment, social interactions, careers and professions and general feelings. This course is intended for students who are planning to major in Spanish as well as those who are interested in studying the language. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Spanish (SPAN) 201-202 and Chicano Studies (CHIC) 203-204 combined: maximum credit, one series.

202 Fourth Course in Spanish

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Spanish 201 with a grade of "C" or better, or equivalent.
Limitation on Enrollment: This course is not open to students with credit for Spanish 200. This course is offered as an advanced intermediate level course. It reviews and furthers grammatical features in Spanish through oral and written communication within a cultural background. Readings of literary and/or culturally relevant authentic materials are examined in depth. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Spanish (SPAN) 201-202 and Chicano Studies (CHIC) 203-204 combined: maximum credit, one series.

210 Conversation and Composition Spanish I

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Spanish 102 with a grade of "C" or better, or equivalent.

This course further develops oral comprehension and fluency as well as written communication at a mid-intermediate level in Spanish through culturally relevant materials. Students increase vocabulary, dramatize everyday topics of conversation, interpret and describe materials, and compare and contrast Latin American and Spanish cultures with U.S. culture both orally and in writing. Writing strategies are emphasized and literature is introduced. This course is intended for students who want to enhance their skills in the Spanish language. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

211 Conversation and Composition Spanish II

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Spanish 210 with a grade of "C" or better, or equivalent.

This course further develops oral comprehension and fluency as well as written communication at an advanced intermediate level in Spanish through culturally relevant materials. Students further increase vocabulary, dramatize everyday topics of conversation, interpret and describe materials, and compare and contrast Latin American and Spanish cultures with U.S. culture, both orally and in writing. Pre-reading strategies introduced in Spanish 210 are used as a basis upon which to build course emphasis in reading. More literature is introduced. This course is intended for students who want to further enhance their skills in Spanish. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

215 Spanish for Spanish Speakers I

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Spanish 102 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Spanish 201. This course is designed for students who are fluent in spoken, informal Spanish and who need to improve their writing, reading, and grammar skills. Emphasis is on the mastery of formal, written communication skills in Spanish at the intermediate level, and the study of Hispanic and Chicano culture through reading relevant, authentic materials. The course

focuses on language challenges particular to Spanish speakers such as orthography, the inappropriate mix of English and Spanish in certain contexts, and contrasts between standard Spanish and regional variations. This course is conducted entirely in Spanish. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

216 Spanish for Spanish Speakers II

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Spanish 215 or Spanish 201 with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Spanish 202, or to Spanish speakers who have received the equivalent of a high school degree in a Spanish speaking country. This course is the continuation of Spanish 215. It is designed for students who are fluent in spoken, informal Spanish and who need to improve their writing, reading, and grammar skills. It furthers the mastery of formal, written communication in Spanish at the intermediate-advanced level, while integrating instruction in Hispanic and Chicano culture through increased practice in intermediate-advanced level readings, relevant, and authentic materials. The course focuses on language challenges that Spanish speakers still encounter at intermediate-advanced level, such as orthography, the inappropriate mix of English and Spanish in specific contexts, and standard Spanish as contrasted with regional variations. This course is conducted entirely in Spanish. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

SPECIAL EDUCATION

(See Disability Support Programs and Services)

SPEECH COMMUNICATIONS (SPEE)

101 Voice and Articulation

3 hours lecture, 3 units
Grade Only

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This is an introduction to basic techniques of clear articulation to develop effective voice usage in standard American English. The emphasis in this course is on effective sound production and vocal quality. It is recommended for people who deal with the public such as selling and providing public services. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

103 Oral Communication

3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course offers a wide variety of reading, application and speaking assignments designed to expose students to all the major skills of speechmaking. Students focus on the following basic elements: ethics; analyzing the audience; visual aids; choosing a topic and specific purpose; outlining, listening, organizing a speech; delivery; small group communication; informative and persuasive speaking; speaker credibility; effective use of language; library research; and communication and/or speeches to entertain. All students give several speeches both with and without visual aids. This course is designed to prepare students for majors in Communications as well as for the general population. Designated sections of this course are taught from a specific cultural perspective and are cross-listed under Bilingual Studies, Black Studies, and Chicano Studies in the catalog and class schedule. Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

104 Advanced Public Communication

3 hours lecture, 3 units
Grade Only

Prerequisite: Speech Communications 103 with a grade of "C" or better, or equivalent.

This course covers theory, practice and critical analysis of public communication, including speeches on subjects of current interest both local and global. It

includes an introduction to the relationship between rhetorical theory and criticism and rhetorical practice in public communication. Special emphasis is placed on advanced platform speaking and limited preparation speaking. This course is designed for students majoring in communication studies and students interested in advancing fundamental speech skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

111 Oral Interpretation

**3 hours lecture, 3 units
Grade Only**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

This course involves theory and practice in the interpretational performance of literature. The course concentrates on the development of analytical skills and emphasizes the use of verbal and nonverbal communication in the interpretation of various literary genres including prose, poetry and drama. Literature is selected from a wide variety of world cultures and is taught from a multicultural perspective. The course is designed for the transfer student intending to major in Speech Communications. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

117A Intercollegiate Forensics

**3-9 hour lab, 1-3 units
Letter Grade or Pass/No Pass Option**

This course is for the student who is interested in intercollegiate forensics (speech and debate) competition. Special emphasis is given to the preparation of platform speeches (informative, persuasive and after-dinner) and novice intercollegiate debate. Students taking the course for one unit participate in one event and one tournament; for two units, two events and two tournaments; for three units, three events and three tournaments. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

117B Intercollegiate Forensics

**3-9 hours lab, 1-3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Speech Communications 117A with a grade of "C" or better, or equivalent.

This course is for the student who is interested in intercollegiate forensics (speech and debate) competition. Special emphasis is given to the preparation of oral interpretation events (poetry,

prose and drama) and intercollegiate debate. Students taking the course for 1 unit participate in one event and one tournament; for two units, two events and two tournaments; for three units, three events and three tournaments. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

117C Intercollegiate Forensics

**3-9 hours lab, 1-3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Speech Communications 117B with a grade of "C" or better, or equivalent.

This course is for the student who is interested in intercollegiate forensics (speech and debate) competition. Special emphasis is given to limited preparation speech events (impromptu and extemporaneous) and debate. Students taking the course for one unit participate in one event and one tournament; for two units, two events and two tournaments; for three units, three events and three tournaments. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

117D Intercollegiate Forensics

**3-9 hours lab, 1-3 units
Letter Grade or Pass/No Pass Option**

Prerequisite: Speech Communications 117C with a grade of "C" or better, or equivalent.

This course is for the student who is interested in intercollegiate forensics (speech and debate) competition. Special emphasis is given to the preparation of five (pentathlon) speech events, debate and team leadership. Students taking the course for one unit participate in one event and one tournament; for two units, two events and two tournaments; for three units, at least three events and three tournaments. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

135 Interpersonal Communication

**3 hours lecture, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49 each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5.

The course emphasizes the development of effective interpersonal skills, strategies and practice in oral and written communication. Personal, situational, and cultural influences of interaction will be covered. It pays particular attention to human perception, interpersonal dynamics, listening, conflict management, and verbal and non verbal symbol systems. The course is intended for students who

communicate in a one-on-one situation including majors in communication, fashion, allied health, public service and business. This course is also intended for students who are interested in further development of effective interpersonal skills in work, volunteer, and personal environments. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

160 Argumentation

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Prerequisite: Speech Communications 103 with a grade of "C" or better, or equivalent.

This is a course in the construction and analysis of argument. The course emphasizes the essentials of argumentation: theory, research, and analyses of propositions, tests of evidence, construction and application of arguments to everyday life and public policy. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

170 Small Group Communication

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Speech Communications 103 with a grade of "C" or better, or equivalent.

This course offers practical experience in the techniques of leading and participating in small group discussions. Small group techniques such as panels, symposiums, problem solving, conflict resolution, leadership skills and parliamentary procedures are covered. Community building through service learning is presented as a tool to creating collective consciousness and an altruistic philosophy. This course is designed for students intending to major in speech communications, business, international business, education, and all fields of study and certifications that require group and team building skills. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

180 Intercultural Communication

3 hours lecture, 3 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; and Speech Communications 103 with a grade of "C" or better, or equivalent.

Intercultural communication is the study of communication between members of differing cultures. The discipline focuses on the relationship between culture and communication emphasizing social psychological variables, verbal and nonverbal language systems, cross-cultural communication breakdowns and conflict resolution. Practical application of intercultural communication principles to contemporary problems of cross-cultural and international communication will be stressed. This course is designed for students intending to major in speech communications, international business, business education, social sciences, nursing, mass communications, and all fields of study and certifications that require cross-cultural contact and/or awareness of cultural distinctions. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

290 Independent Study

Hours by Arrangement, 1-3 units

Letter Grade or Pass/No Pass Option

Limitation on Enrollment: Must obtain an Add Code from instructor for registration.

Advanced special work in debate, radio interpretation, public address. This course may be taken four times with different content for a maximum of six units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

TAGALOG (TAGA)

101 First Course in Tagalog

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Advisory: English 43 with a grade of "C" or better, or equivalent, or Assessment Skill Level W4.

This course in Tagalog is the first in its language sequence. This is an entry-level course to the Filipino language and culture. In this interactive course, students use the language through speaking, listening, reading, and writing at the novice level. Basic language structures, appropriate forms of address, and vocabulary for communication are examined and explored. (FT) Associate Degree Credit & transfer to

CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.

102 Second Course in Tagalog

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Tagalog 101 with a grade of "C" or better, or equivalent.

Advisory: Concurrent enrollment in: Tagalog 296.

This course in Tagalog is the second in its language sequence. This course reinforces Filipino culture and Tagalog language concepts studied in the first semester course and introduces additional Filipino cultural and language structures at the low-intermediate level. This interactive course builds on the basic Tagalog language structures and adds new structures through speaking, listening, reading, and writing at the low-intermediate level of grammar mastery. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Third Course in Tagalog

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Tagalog 102 with a grade of "C" or better, or equivalent.

This is an intermediate course and is the third in its language sequence. In this interactive course, students use the language through speaking, listening, reading, and writing at the intermediate level. More complex language structures and vocabulary for communication are examined and explored. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270). Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

VIETNAMESE (VIET)

101 First Course in Vietnamese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Advisory: English 48 with a grade of "C" or better, or equivalent, or Assessment Skill Level R5.

Advisory: Concurrent enrollment in: Vietnamese 296. This is the first course in Vietnamese with emphasis on understanding, speaking and reading the language of everyday life. In this interactive course, the elements of grammar are examined with practice in writing Vietnamese, using the subject matter relating to the culture and traditions. Basic language structures and vocabulary for communication are examined and explored in Vietnamese. This course may especially be of interest to students preparing for a career in education. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Limitation: Corresponds to two years of high school study.

102 Second Course in Vietnamese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Vietnamese 101 with a grade of "C" or better, or equivalent.

Advisory: Concurrent enrollment in: Vietnamese 296.

This is a continuation of Vietnamese 101. In this interactive course, students use listening, reading, speaking and writing at more complex levels. The students further develop their receptive and productive competencies to the intermediate low or mid level. The elements of grammar are examined with practice in writing Vietnamese, using the subject matter relating to the culture and traditions. This course is intended for students interested in languages and for those interested in further academic study of Vietnamese. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

201 Third Course in Vietnamese

5 hours lecture, 5 units

Letter Grade or Pass/No Pass Option

Prerequisite: Vietnamese 102 with a grade of "C" or better, or equivalent.

Advisory: English 43 with a grade of "C" or better, or equivalent, or Assessment Skill Level W4; and concurrent enrollment in: Vietnamese 296.

This is an intermediate course and is the third in the Vietnamese language sequence. In this interactive course, students use the language through speaking, listening, reading, and writing at the intermediate level. More complex language structures and vocabulary for communication are examined and explored as well as literary and historical aspects of Vietnamese culture. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities. UC Transfer Course List.

This discipline may offer specialized instruction in one or more of the following areas: *Supervised Tutoring (044), Experimental Topics (265), Independent Study (290), Individualized Instruction (296), Service Learning (277), or Work Experience (270)*. Detailed course descriptions are listed on page 246. Please refer to the class schedule and/or see the dean or department chair for availability.

WEB DEVELOPMENT (WEBD)

166 Database Driven Website Development in Dreamweaver

**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Computer Business Technology 101, 114, 153, and 161; and Computer Business Technology 162 or 165; or Multimedia 127, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Computer Business Technology 166.

This course is a hands-on study of the skills required to build and manage dynamic database driven websites. Students create database-driven websites to support eCommerce and dynamically built pages. This course is designed for all students and professionals who wish to acquire skills in website creation and development. This course may be repeated three times to update skills as technology changes. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

168 Cascading Style Sheets (CSS) for Web Design

**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: English 48 and English 49, each with a grade of "C" or better, or equivalent, or Assessment Skill Levels R5 and W5; Computer Business Technology 101, 114, 161, and 162 or 165 and Multimedia 127, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Computer Business Technology 168.

This course is a hands-on study of Cascading Style Sheets (CSS) in creating Web standards-compliant sites. Emphasis is placed on the use of CSS to format and position elements in Hypertext Markup Language (HTML) and/or Extensible Hypertext Markup Language (XHTML) and applying best practices. Students apply CSS concepts and rules of specificity to achieve the design goals of a published Web site by

hand coding and using an HTML editor, such as Dreamweaver. This course is designed for students studying web design and professionals updating their skills. This course may be repeated three times to update skills as CSS and Web technologies change. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

169 Website Customization Using Open Source Interactive Tools

**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Computer Business Technology 101, 114, 161 and 162 or 165; and Multimedia 101 and 127, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Computer Business Technology 169.

This course is a hands-on study of website customization using open source tools. Emphasis is placed on creating and maintaining blogs and content management system (CMS). Students create and manage email and listservs, and manage tools and features available through a web hosting provider. This course is intended for students studying web design and professionals updating their skills. This course may be repeated three times to update skills as technologies change. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

191 Capstone in Web Design

**2.5 hours lecture, 1.5 hours lab, 3 units
Letter Grade or Pass/No Pass Option**

Advisory: Computer Business Technology 101 or 102 or 103; and Computer Business Technology 114, 161, 162, 165 and 169; and Multimedia 101, each with a grade of "C" or better, or equivalent.

Limitation on Enrollment: This course is not open to students with previous credit for Computer Business Technology 191.

In this capstone course, students form teams to design and develop an advanced Website. Emphasis is placed on the processes and methodologies used in industry, including working with the client, creating website content, and optimizing the site to ensure usability, findability and accessibility. This course is designed for students studying web design and professionals updating their skills. This course may be repeated three times to update skills as technologies change. (FT) Associate Degree Credit & transfer to CSU and/or private colleges and universities.

WORK EXPERIENCE, COOPERATIVE (WORK)

OCCUPATIONAL WORK EXPERIENCE is a program of on-the-job learning experiences for students employed in jobs related to an occupationally oriented major. The goals and course assignments for completion of the courses are formulated with industry under the direction of the college instructor assigned to teach Work Experience 270. The grading system is the same as for other subjects offered by the college, and the time spent for preparation and training is comparable. Adequate records are maintained to determine satisfactory progress and attendance.

Student Learning Outcomes

Students will be able to:

- Apply critical thinking, research, analysis and resolution for work-related and personal objectives.
- Convert classroom instruction to the employment environment through the development and attainment of three (3) learning objectives.
- Write Specific, Measurable, Achievable, Relevant and Timely (S.M.A.R.T.) objectives related to new or expanded workplace responsibilities.
- Develop and apply personal skills, attitudes, and competencies in the workplace and within course-related activities.
- Demonstrate effective communication and technological awareness through the use of technologies (internet, email and telephone) in ways appropriate to the course.
- Demonstrate accountability for their personal actions at work and as it relates to course.

- Research resources for education and/or career options.

Students will be assessed through a combination of performance evaluations, written assignments, and written tests and quizzes.

270 Occupational Work Experience

**Hours by Arrangement (One unit of credit is earned for each 75 hours of paid employment or 60 hours of volunteer work.) 1-4 units
Grade Only**

A program of on-the-job learning experiences for students employed in a job related to their major or their educational goals. The combined maximum credit for all work experience courses from all disciplines may not exceed 16 units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.

272 General Work Experience

**Hours by Arrangement (One unit of credit is earned for each 75 hours of paid employment or 60 hours of volunteer work.) 1-3 units
Grade Only**

Limitation on Enrollment: Must obtain an Add Code from Work Experience Coordinator for enrollment.

A program of on-the-job learning experiences designed to assist the student in developing occupational effectiveness. Employment need not be related to a vocational or occupational major. This course may be taken for a maximum of six units. However, the combined maximum credit for all work experience courses from all disciplines may not exceed 16 units. Associate Degree Credit & transfer to CSU and/or private colleges and universities.
