Wait List

Students may place themselves on a class Wait List before the class start date, if the class is full with a status of 'Wait List'.

After a class has started, students will only be able to add the class with a permission number from the instructor. Students wanting to enroll in an ONLINE course after it has started, must contact the instructor via email if they wish to have their Wait List priority considered. Faculty Directory:

<https://www.sdccd.edu/mysdccd/faculty-directory.aspx>

Criteria

Students may place their name on only one Wait List for a specific subject and course number.

Students must meet course prerequisites to be placed on the Wait List.

Students who are on a Wait List and later choose to enroll in another class section of the same subject and course number will be required to remove themselves from the Wait Listed class before they can ADD the similar class section.

Students can check their position number on the Wait List on mySDCCD.

Students have the option to remove themselves from the Wait List at any time.

There is a limit to the number of students allowed on each Wait List.

When a space becomes available in the Wait Listed class:

Wait Listed students will automatically be added to the class if a space becomes available and they are eligible to enroll. An email will be sent to students after they have been added to the class. It is the student's responsibility to monitor the payment schedule.

When students are not eligible to enroll due to a hold or time conflict or a failed requisite, they will be notified of the conflict and will be given three (3) business days, including the day of notification, to resolve the issue. If students do not add their Wait Listed class within the 3-day period, they will be removed from the Wait List.

It is the student's responsibility to check their email or mySDCCD for the status of their Wait Listed class(es) in order to pay fees in a timely manner. (Fees will need to be paid immediately, prior to the class start date and before the drop for non-payment date.)

Students remaining on the Wait List after classes begin MUST attend the first class meeting (or email their Online Instructor) to have their Wait List priority considered by the instructor.
