

Outlook Web App - Password Change

- **When logged into Outlook Web App, click on Options (near top right corner)**

- **Click on "Change Your Password..."**

- **Enter your Current password, a New password, & Confirm New password on the Change Password screen. Click on Save when done.**

Change Password

Enter your current password, type a new password, and then type it again to confirm it.

After saving, you might need to re-enter your user name and password and sign in again. You'll be notified when your password has been changed successfully.

Domain\user name: SDCCD\flastname
